

## The Love She Didn't Say by Mona

### Chapter 18 How come you reject me

"It shouldn't be like this;how can it be like this?"Alston Rivers'face was full of disbelief.

Elena Forbes raised her lips,she really saw this expression on his face for the first time,unconsciously she looked more.

And Alston took advantage of her lost in thought,he pounced on her and hugged her tightly,viciously said in her ear:"I won't let this happen,Elena Forbes,you don't have a choice,I

know you like me like crazy,how can you leave me."

He decided that Elena is doing the show,otherwise he is going to collapse.It's clear that she loves him so much that she is willing to give her life for him.

Elena was unexpectedly trapped in his embrace,stunned a beat,this is the warmth she missed for many years and never got.

She felt the whole thing was incredible,once the Alston Rivers,in her eyes is the flower of the high mountain,can be seen from a distance but cannot play with,and now he,somehow is

desperate for her,making her a little unease.

Elena Forbes began to doubt herself, after so many years,is her love just out of a habit?

She did not say anything, quietly waiting for Alston Rivers to let go of his arm,and walked away when he was about to speak.

At this moment,she arrived outside the gate of New York University,where people came and went,all vigorous young students.

She looked at the school entrance and didn't know what she was waiting for,she just

watched in silence.

Not long after a familiar figure came into view,it was Joey Smith. He seems to have seen her car and came towards her,and in that instant,Elena almost wanted to start the car and leave directly.

This thought was a flash, but she was startled.

For so many years,no one else has ever been able to make her have any mood swings except

Alston Rivers.

And apparently,Joey Smith is an exception,and that day when they spoke upstairs,her

emotions fluctuated because of his words.

She calmly lowered the car window,"Something wrong?" Joey Smith gave her an incredulous look and instantly returned to normal,"Sorry,I thought you were here to see me."

Elena Forbes was about to say he thought too much but found him pulling out

a few hundred bills from his pocket.

He seriously, with both hands, handed her the money, "Sorry to pay you back now, I don't think you take a credit card."

Elena, of course, doesn't need him to pay her back, but she was annoyed by the way he trying to draw a line between them.

Alston Rivers rejects her, how come such a boy like him rejects her, too!

When Elena Forbes was about to get angry, Joey Smith's clear voice appeared again, "I know it's not much, but I work hard for this, I know you are rich, but, if I don't pay you back, I will not feel at ease."

Elena Forbes gritted her teeth, yet her heart softened, and raised her hand to take the money, "All right."

Joey nodded with bright eyes, "Are you looking for someone? Or do you want to go in for a

tour? I can be your guide!"

Elena glanced at him coolly, Joey scratching his hairy in wonder, "How... what?"

Why did she look at him like that, every time when she looks at him like this, he just wants to get on his knee!

At this time, he heard Elena say, "Get in the car."
