

The Love She Didn't Say by Mona

Chapter 19 Hang out with him

The words,made Joey immediately take two steps back,he instantly remembered the last time he was in her car,and to be honest,is not so memorable at all.

Like sitting on a roller coaster,up and down, but he also has no room to resist, he can't just

beat a girl like her up.

Joey Smith's retreat made Elena Forbes sneer, "Come up yourself,or I'll go down and kick

you up,you can take your time to choose,I'm not in a hurry of somewhere."

Joey looked at the school gate not far away and started thinking about the time it would take to run from here to there.

At this time,Elena's demonic voice came again,"Of course, you have every right to run far

away,and if you don't want your roommates to think you're out for sale, you better behave and

do what I said."

After hearing this,Joey trembled and raised his hand to point at her,"You,this,this is illegal!" Elena bared her teeth at him,"What illegal?Illegal of coveting your young boy's body?"

Finished,her big eyes flashed, at that moment,Joey feels that she is a soul-seeking vixen and

the kind that eats people without spitting bones.

Lightly exhaled, he nodded, "Don't grope me,I'll just go with you."

He can see the seriousness in Elena Forbes's eyes just now,it is obvious that she is the kind

of person who can do things by any means,such people, you don't want to mess with her,he is

still very aware of that.

After getting into her car once again, he found that there was a surprising change inside. Those previous jewelry pendants are gone,and the car is clean and fresh inside,just like a

new car driving from the store.

He once again can't stop chattering,"Sister,where is that little doll hanging here?"

"In a trash."Elena's words were emotionless.

"Just throw it away?"He thought at the time that the doll must have been expensive,and as a result,she just threw it.

Elena noticed his disapproval and felt said, "That's something Alston Rivers doesn't want, so

why should I keep it anyway.”

“Uh,okay.”Joey looked at the sarcasm flashing in Elena Forbes’s eyes as she said this.

Without topics, he was a little panicked and said, “Today,it’s still early,are you going to hang out with someone?”

“You!”Elena said with an expressionless face,scaring Joey out of his soul.

He hurriedly waved his hands and said, “No, no, no, I’m not fun at all,Miss,I’ll recommend some games to you,it’s really fun,you’ll like them there are many girls in them!”

“Heh,”Elena Forbes puffed out loud,”how meaningless the game is,you are rather more interesting.”

Joey Smith:”What the....” Joey wanted to cry. However, he was relieved when Elena pulled over. Because this is a mall,and the kind of people coming and going, very lively. One look and you know that it is definitely a place Elena has never ventured.

He clearly saw Elena’s frown.

But this time he learned a good lesson,afraid will be made fun of if he opens his mouth,so he keeps his mouth shut.

Finally,after ten minutes of sitting in the car,Elena got off with him.

Joey surreptitiously checked Elena’s face,thinking:no wonder she is a bog shot so quickly prepared the psychological construction!

The nonchalant Elena Forbes grabbed Joey’s arm to hide her nervousness at seeing too many strangers.

At the same time,she was thinking,that if Joey Smith dared to shake off her hand,then he would be absolutely dead.
