

Lady Gu 1109

Chapter 1109: She Needs Another Kiss

Recently, Qiao Xi had always felt that it was strange. Her taste buds would only recover occasionally, and only strong flavors would stimulate her taste buds. She had clearly recovered after detoxifying the poison in Gu Zheng's body, but now, her taste buds were gradually disappearing. If she did not kiss Gu Zheng in advance, she would not be able to taste anything.

Coincidentally, there was a meeting later, so the catering department of Huazhong Building had already prepared a sumptuous meal for everyone. Coincidentally, Qiao Xi smelled a wave of fragrance and looked up with anticipation.

This fragrance was very familiar. It was a dish made by a chef from Fragrance Hotel. Qiao Xi had eaten it a few times before. The fragrance was tempting, but because she did not have a sense of taste, she could not taste the original taste of the food at all. However, it was different after she got together with Gu Zheng.

Gu Zheng lowered his eyes to look at her watery eyes and could not help but chuckle. "I already know what you want, Mrs. Gu."

Qiao Xi's face turned red, but this man still looked serious as if she had blasphemed a god. Unexpectedly, before she could say anything, Gu Zheng understood what she meant with just a glance.

Gu Zheng's eyes were filled with smiles as he stroked Qiao Xi's soft hair affectionately. It was as if all his gentleness was reserved for the woman in front of him. He opened his arms and ignored the gazes of everyone as he pulled Qiao Xi into his embrace. His tone carried a trace of ridicule. "But I don't know if I'm right. Why don't you tell me what you want?"

Qiao Xi was stunned, and her cheeks turned even redder. Even her ears were slightly pink.

She looked around and realized that the two of them were in a corridor with people coming and going. Many people passing by greeted Gu Zheng. When the other party saw Gu Zheng hugging her, they did not come forward to disturb him. They just smiled at them or nodded slightly.

She could not hug and kiss Gu Zheng in such a place, right?

She thought for a while and said in a low voice, "There should be a lounge nearby, right? Why don't we find a random one?"

Coincidentally, Gu Yao heard Qiao Xi's words and widened his eyes.

Gu Zheng glanced at Gu Yao as if it was a warning. He turned around and looked gently at Qiao Xi in his arms. He chuckled and said, "Alright, let's go."

After that, Gu Zheng pulled Qiao Xi to the hall on the first floor and skillfully walked to the door of a private room. He pushed the door open, and the fragrance of food assaulted their noses. The table was filled with exquisite dishes. They were the dishes that Qiao Xi had been thinking about for a long time.

Gu Zheng was so meticulous! He knew that she liked to eat, but he also knew that it was inconvenient for her to eat outside, so he had already booked a private room. The two of them could spend time alone here.

However, before eating, she needed a kiss.

Qiao Xi looked at Gu Zheng slightly shyly. "Ah Zheng, you said you wanted to thank me, so you..."

Gu Zheng's lips curled into a smile as he lazily leaned against the chair and pointed at the dishes on the table. "This is my gratitude to you, Mrs. Gu. I'm guessing you'll definitely like it."

The private room instantly fell silent, and Qiao Xi instantly widened her eyes. How could she eat it if she did not kiss him?! The food would have no taste at all!

Gu Zheng looked at Qiao Xi's disappointed gaze, and the smile on the corners of his mouth grew wider. He deliberately pretended not to know because he wanted to tease the cute Mrs. Gu.

Gu Zheng picked up the chopsticks, picked up a bite of food, and placed it in Qiao Xi's bowl. He gestured gently. "Xi Xi, quickly eat. It won't taste good if it's cold."

Qiao Xi: "...!" The bastard was definitely doing this on purpose!

At this moment, Qiao Xi really wanted to activate the automatic quarrel system and get it to scold Gu Zheng for her. Unfortunately, the system had already been deleted by Gu Zheng.

She must have been too gentle to Gu Zheng recently, so this bastard was crazy!

Gu Zheng swirled the wine glass elegantly and took a sip with his soft and thin lips. His voice carried a trace of temptation. "I probably guessed wrong. What do you want, Mrs. Gu? As long as I have it, I can satisfy you. Why don't you do it yourself? I definitely won't resist."

These words caused Qiao Xi's face to turn red, and her heart itched. She abruptly raised her eyes and looked into Gu Zheng's eyes. His eyes were filled with smiles.

She could do it herself? Gu Zheng would not resist? These words made it sound like she wanted to conspire against Gu Zheng!

However, under the temptation of recovering her taste buds, Qiao Xi still slowly stood up and leaned against Gu Zheng's side. Then, her eyes shifted as she pretended to lose her balance and accidentally fall into his embrace. She wrapped her arms around his neck and took the opportunity to kiss his soft lips.

Gu Zheng let out a hearty laugh. "Mrs. Gu, why are you so careless? Don't tell me you were taking the opportunity to kiss me?"

Qiao Xi shook her head crazily, but the blush on her face had already betrayed her. She hurriedly struggled out of Gu Zheng's embrace and returned to her seat.
