

Lady gu 221

Chapter 221: Second Master Wants To Hit Someone Today

Gu Yao scanned Qiao Rou and Mrs. Gu, then looked at Gu Moling before punching him mercilessly.

Gu Moling cried out in pain and staggered before falling to the floor.

Everyone's gazes were drawn to Gu Moling. He struggled up with a livid expression. "Xi Xi, don't be rash!"

Mrs. Gu screamed in shock, "Ah! You dare to hit my son?"

"Moling kindly advised you not to go astray, but you actually instructed that man to hit my son? Seeing that Moling and Rou Rou are about to get married, it's normal for you to be jealous. However, how could you hit someone?"

Qiao Rou sized up Gu Yao, looking at his clothes and watch. She knew that this man's identity was extraordinary.

Her eyes shifted as she said sorrowfully, "Sister, you're fooling around outside. You'll regret it sooner or later. We're all trying hard to persuade you for your own good. If you don't listen, you'll definitely pay the price in the future!"

Qiao Xi frowned. When Qiao Rou spoke, she had the impulse to hit her.

Just then, Gu Yao said, "Why do I feel like hitting her the moment she says something?"

Qiao Xi sneered. "Then I'll really have to thank you."

Immediately after, the woman screamed.

Although Gu Yao was stubborn and bad-tempered, he had his limits. He would not hit women.

However, he could not help it today. Whenever he saw this woman, his hands itched.

Qiao Rou fell to the floor weakly and sobbed aggrievedly.

"Sister, I didn't expect you to hate me so much. I just wanted to advise you not to take the wrong path. You actually got someone to hit me? Why are you doing this to me? Boo-hoo..."

Mrs. Gu humphed and said, "As Rou Rou's sister, you've been going against her all the time. Rou Rou is doing this for your own good. She's afraid that you'll ruin your life by sleeping with a random man!"

"It's not without reason that you like Qiao Rou so much, Mrs. Gu. After all, you and she are both mistresses. You must have a lot in common, right?" Qiao Xi mocked mercilessly.

The three of them turned livid.

Mrs. Gu flew into a rage out of humiliation. "Qiao Xi! You were dumped by my son, so you're taking revenge on Moling and Rou Rou! Moling abandoned you, so you should gain some self-awareness!"

Gu Yao instantly widened his eyes. This was the first time he had seen a woman who was more unreasonable than his mother. Moreover, they were all mistresses.

“Qiao Xi, can I...” Should he hit this woman?

Gu Yao really wanted to beat someone up today. It did not matter if she was a woman or not, he would beat her up!

Before he could finish, Mrs. Gu interrupted.

“Pretty boy, let me tell you that Qiao Xi is a woman that our Moling doesn’t want! You’ll regret being with her!”

Gu Yao pursed his lips. “Qiao Xi, why did you think of getting together with such a man back then? Luckily, you’ve already broken up with him.”

Qiao Xi: “...”

Mrs. Gu was infuriated.

Was this wild man mocking her son?

“Qiao Xi! You b*tch! It’s good that Moling broke up with you! You still dare to hit people? I’ll teach you a good lesson today. Let’s see if you still dare to provoke us in the future.”

Mrs. Gu raised her arm and attacked Qiao Xi—

The next second, Gu Yao reached out and grabbed her wrist.

Mrs. Gu hollered, “Let go! How dare you stop me?”

Gu Moling frowned. Even though his mother-in-law was slightly agitated, it was all for Qiao Xi’s sake. It was better than watching her walk down the wrong path.

However, judging from Qiao Xi’s expression, she seemed to think that her mother was making things difficult for her.

Gu Moling was about to speak when a voice came from behind. “What are you doing?”

Mrs. Gu turned around and hurriedly rushed toward the person who had just arrived. She complained, “Old Gu, Qiao Xi instructed a wild man to beat up Moling. She’s even trying to ruin Moling and Rou Rou’s marriage. I really couldn’t stand it anymore and wanted to stop her. However, this man still wanted to attack me!”

Mr. Gu’s expression was ugly. It was Moling’s fault that he had an affair, but Moling and Qiao Rou were about to get engaged. Since things had come to this, why did they have to make things worse?

He sighed and was about to mediate the situation when he saw Gu Yao.

Mr.. Gu’s lips twitched!

Chapter 222: I’ve Hit Gu Zheng Before

Mrs. Gu refused to budge. "Qiao Xi! Don't think I can't do anything to you just because you have a wild man by your side! I'm--"

"Stop fighting!"

To her surprise, Mr. Gu instantly flew into a rage and berated her agitatedly, "Who did you say is a wild man? Watch your tongue and stop spouting nonsense!"

Mrs. Gu's heart sank, and her eyes were filled with horror. Seeing that Mr. Gu had flown into a rage, she hurriedly hid behind him.

At this moment, Mr. Gu hurriedly went forward with a look of flattery on his face.

"Y-Young Master Gu, my wife is ignorant. She just spouted a few nonsense words. Don't take them seriously..."

Everyone was dumbfounded by Mr. Gu's respectful behavior!

Surprised, Mrs. Gu muttered indignantly, "Who is he? Do you have to be so afraid of him? He's just a good-for-nothing!"

"You're still talking?" Mr. Gu glared at her.

Gu Yao had an arrogant look on his face, exuding a noble aura as he scoffed.

"Gu Yan, just what kind of family do you have here?! It's fine that they don't know me, but they're even calling me a wild man! Are you leaving me with no dignity?"

Mr. Gu broke out in a cold sweat.

Gu Yao sneered. "I remember that you guys have a collaboration with the main Gu family, right?"

Mr. Gu instantly shuddered. "Second Young Master, yes, yes."

"In that case, I officially announce that the collaboration is canceled. Your wife and son actually dare to insult me? If I don't make you pay the price, my surname isn't Gu!

"Also, if my brother knows that you're scolding me like this, you'll end up worse off!"

Gu Yan's body went soft and he almost fell to the floor, his body trembling uncontrollably.

In order to collaborate with the main Gu family, their company had spent a lot of effort but it ended up failing overnight.

Gu Yan quickly begged, "Second Young Master, the contract has already been signed and the project is underway. If the investment is suddenly withdrawn, it'll affect your company too. Please let us off this time!"

Gu Yao snorted. "The Gu family doesn't lack this bit of money. It's just a drop in the ocean to us."

Gu Yan trembled and stood there helplessly. He then looked at Qiao Xi.

"Xi Xi, actually, I've always thought very highly of you. My unfilial son has let you down, and I've also reprimanded him. I won't let him disturb you again in the future, and our family won't make things

difficult for you anymore. Please help persuade Second Young Master. Xi Xi, I've never once made things difficult for you!"

Qiao Xi's expression was strange.

The company's money was Gu Zheng's money. She was not willing to let Gu Zheng suffer any losses, so...

Unexpectedly, Mrs. Gu suddenly screamed loudly, "Old Gu! What are you talking about?! Why are you asking for help from that b*tch?! She's the vixen who seduced a man and beat up Moling. Why are you being so humble?! Who do you think Qiao Xi is? You must be muddle-headed to be afraid of her!"

Gu Yan's lips turned pale!

Qiao Xi withdrew her original thoughts and sneered. "Uncle Gu, it's not that I'm not giving you due respect here, but your wife keeps calling me a vixen. How can I help her? I think I should go."

Gu Yan was so angry that his whole body was trembling. He glared at Mrs. Gu angrily.

"Old Gu! That kid even punched Moling. Can you take it lying down? Hurry up and..."

Gu Yao turned around to look at the fierce Mrs. Gu, saying arrogantly, "Can't I hit your son? I've even hit Gu Zheng before, so why can't I hit your son?"

He had already held back with that punch earlier, mainly because he thought that his hand would hurt if he hit too hard.

Gu Yan was so scared that his face turned pale. His legs gave way and he fell to the floor, his eyes filled with horror.

"You crazy woman! It's Moling who had an affair with Qiao Rou. Qiao Xi did nothing wrong. Make a detour if you see her in the future!"

"Do you know who this man is? He's Gu Yao, the youngest son of the Gu family and Gu Zheng's younger brother!"

"You keep saying that Qiao Rou is good. If she hadn't caused trouble, would we have offended Gu Yao? Her mom is the third party, and her daughter isn't a good person either. She's not worth mentioning!"

Qiao Rou's face was green with grievances. "Uncle Gu..."

As soon as she finished speaking, the manager of Fragrant Hotel walked over. "I'm sorry, but the customers of Fragrant Hotel are all reputable people. We need a quiet dining environment.. I hope you can leave as soon as possible."

Chapter 223: Destroying The Qiao Family

Gu Moling's expression darkened. "Why should I?"

Fragrance Hotel was not the Gu family's property but the Qin family's. Why were they being kicked out?

The manager said calmly, "Because you've disturbed our eldest miss."

Before they could react, the bodyguards rushed over and chased the family away.

Qiao Rou was the center of attention no matter where she went. This was the first time she was being looked down upon like this. She could not take it anymore and her whole body was trembling.

“Fragrance Hotel’s eldest miss... Why haven’t I heard of her before?”

Mrs. Gu shouted, “Let go! What kind of lousy place is this?! How dare they chase away the customers?! It must be Qiao Xi’s doing!”

Seeing that she was still unconvinced, Gu Yan raised his hand and slapped her.

“Shut up! You’re being chased out by Fragrant Hotel in public. From now on, it’s impossible for us to be invited to any more banquets. This means that we can’t get to know new customers. Do you know how big of a loss this is for the company?”

Mrs. Gu covered her face and screamed, “I didn’t know the consequences would be so serious! We don’t know the eldest daughter of the Qin family either. It must be Qiao Xi who did it! I’ll kill this b*tch!”

Gu Moling was extremely depressed.

Ever since he got together with Qiao Rou, he had been extremely unlucky.

The company was affected and now, they were even being kicked out of Fragrance Hotel.

Qiao Rou lowered her head, her eyes vicious. She would not let this go.

...

Fragrance Hotel.

Gu Yao said arrogantly, “Your ex-boyfriend’s family is too stupid. Are they crazy?”

Qiao Xi nodded.

Gu Yao continued to mock them. “And your sister, what’s her name? She’s so ugly but she’s still pretending to be weak. How disgusting!”

Qiao Xi’s mind was filled with one thing and she could not help but say, “Gu Yao.”

“What’s wrong?”

Qiao Xi’s expression was serious. “You beat Gu Zheng before?”

When Gu Yao was mocking everyone earlier, he said that he had hit Gu Zheng before, so who would he not dare to beat up?

Gu Yao frowned, feeling awkward at first. Then, he glared at her. “When he hit me, I struggled back a little. It’s considered a hit too. Are you unconvinced?”

Qiao Xi: “...”

Fortunately, Gu Zheng was not bullied. She was relieved.

She suddenly remembered that she was here for the appointment and went upstairs in peace.

On the other side, Gu Zheng was lazily leaning against the sofa, playing with a knife in his hand.

Song Shiyu's heart pounded as he looked at the cold knife.

"President, this is Fragrance Hotel, after all. It might not be too good if someone from the Gu family dies!"

Gu Zheng asked casually, "How's the investigation going?"

Song Shiyu replied in fear, "Young Madam's mother was killed by Qiao Zhenguo and Xu Mei. After that, Young Madam was locked up by the Qiao family and chased out ten years ago!

"The Qiao family announced to the public that Young Madam had gone missing, but it was actually Xu Mei who chased her out.

"After that, they went to look for Young Madam again. Qiao Rou had always wanted to kill Young Madam and even tried to murder her a few times. However, she failed and slandered Young Madam for killing someone instead. Outsiders all say that Qiao Rou is kind-hearted and never took issue with Young Madam.

"After that, Qiao Rou stole Gu Moling from her and wrongly accused Young Madam of doing something wrong. President, how do you want to deal with these people?"

Gu Zheng's eyes were indifferent but a trace of murderous intent flashed past them.

"What is the Qiao family most afraid of?"

Song Shiyu replied, "The Qiao family... might be afraid of losing their reputation and their company."

Gu Zheng nodded. "Since we're going to deal with them, we'll have to destroy what they care about the most."

Qiao Xi had already suffered a lot. In the future, he would not let Qiao Xi suffer again, much less let the Qiao family bully her.

The Qiao family had always cared about their reputation. In that case, he would announce to the world that Xu Mei was the third party. He would let everyone see how Xu Mei killed the first wife and became Mrs. Qiao.

They would watch as the Qiao family paid a painful price for what they had done in the past.

If his wife knew about this, she would probably be happy.

...

Upstairs in Fragrance Hotel.

Qin An flew into a rage. "Who the heck is the Qiao family? How dare they bully Little Six? I'll kill them!"

Uncle Liang said indifferently, "Xi Xi has never been one to be bullied. You don't have to worry.."

Chapter 224: Sister-in-law And I Are Innocent

Qin An could not help but nod. Uncle was right. Ten years ago, Little Six came to them and was bullied by a bunch of brats.

In a few years, Little Six dealt with the families of those people and made them pay the price for their mistakes.

Qin An had even asked her why she did not seek his help when she was bullied.

Little Six said that she could handle it alone and she enjoyed subduing her opponents.

Uncle Liang sighed. "The Qiao family and Little Six have a grudge over the death of her mother. Without sufficient evidence, they won't rashly attack."

Qin An looked anxious. "Then are we supposed to just watch those people disturb her?"

Uncle Liang smiled slightly. "The news that Qiao Rou was chased out of Fragrance Hotel will soon spread to the entire Li City. The Qiao family will definitely come and beg for forgiveness. At that time, you'll let them know who the eldest miss of Fragrance Hotel is! If they want to enter this door again, they have to apologize to the eldest miss!"

Qin An hurriedly nodded. This was indeed a good idea.

Right when the Qiao family came to apologize, they would realize that the eldest miss was Xi Xi. It would definitely be exciting!

...

That night, the news that Gu Yao had beaten Gu Moling up in Fragrance Hotel spread throughout Li City.

The Second Young Master of the Gu family was a famous hedonistic son. He was mischievous and eccentric. It was no surprise that he would beat someone up.

However... the female lead in the news this time was Qiao Xi.

They seemed to have heard the news—

Gu Moling had an affair. Furthermore, he and Qiao Rou always mocked Qiao Xi about it. Unexpectedly, Gu Yao protected Qiao Xi and even beat Gu Moling up before chasing him out of Fragrance Hotel. From then on, Gu Moling could no longer participate in any upper-class banquets.

This was what it meant by a hero saving the beauty!

Although Gu Yao was a good-for-nothing, he was still very manly for standing up for Qiao Xi.

Not long after Qiao Xi and Gu Moling broke up, Gu Yao protected Qiao Xi in public.

This was love!

If Qiao Xi married Gu Yao, she would be the future mistress of the Gu family. Her value would instantly rise.

Gu Yao, who did not know the inside story, woke up after sleeping. He saw countless messages on his phone, all of them congratulating him.

He looked puzzled: “?”

Why were these people asking when he would get married?

He did not even have a girlfriend, how was he going to get married?

Gu Yao turned on his phone and scrolled through the messages.

[Gu Yao, I'll go support you when you get married!]

Gu Yao: “?”

[You haven't had a girlfriend for so many years. I thought you didn't like women, but it turns out you've taken a liking to Qiao Xi! Tell me the story of your relationship!]

Gu Yao: “!!”

When the heck did he fall in love with Qiao Xi?

[Gu Yao, the news that you saved the damsel in distress in Fragrance Hotel has spread. The body that you've been protecting for so many years can finally be of use!]

Gu Yao: “??”

'Holy sh*t! Me and Qiao Xi?'

Qiao Xi had married Gu Zheng a long time ago, so why did they misunderstand that he was together with Qiao Xi?

Gu Yao's body trembled as his heart jumped.

'Damn! You're trying to frame me for being unrighteous! My sister-in-law and I are innocent. How did things end up like this in your mouths?'

Panicking, he hurriedly called Gu Zheng.

...

Gu Zheng had naturally heard of the rumors.

Song Shiyu stood by the side in fear, feeling sorry for Gu Yao.

“President, actually...”

Gu Zheng asked slowly, “Gu Yao saved the beauty?”

Song Shiyu looked terrified. “This...”

Gu Zheng said, “Gu Yao has been single for so many years and has finally met the destined one?”

Song Shiyu was going crazy. He tried to persuade him patiently, saying, “President, these are all lies! I'll go to the public relations department now. Calm down!”

At this moment, Gu Zheng's phone rang. Gu Yao's crying voice came through the phone.

“Brother, I didn’t do anything! I really didn’t do anything. Sister-in-law and I are innocent! This is just a misunderstanding! Don’t hit me! I’m already so old. It’s really not good for you to hit me again! You have to believe me!”

Gu Zheng: “...”

Gu Yao was shocked. “Qiao Rou framed me, that vicious woman. She’s trying to kill me!”

Gu Zheng remained silent, scaring Gu Yao so much that his heart was almost dead..

Chapter 225: Madam Is Pregnant?

Gu Yao cried out in fear. “Don’t do anything to me! I don’t like Qiao Xi at all. She’s my sister-in-law! How would I dare to be so unscrupulous? Boo-hoo... Don’t misunderstand!”

“Gu Yao,” Gu Zheng suddenly said.

Although Gu Zheng was not there at the scene, he knew very well what had happened. Hence, he said casually, “You did well this time.”

Second Young Master Gu stopped crying and asked in disbelief, “... What?”

Did well? What did that mean?

Rumors about him and Qiao Xi were flying everywhere. Was Gu Zheng not angry? He was even praising him?

After hanging up, Gu Yao, who was still confused, finally heaved a sigh of relief.

On the other side, Gu Zheng asked, “Song Shiyu, have you found Qiao Xi’s teacher?”

Song Shiyu said, “President, Madam’s teacher is a famous doctor.”

Gu Zheng nodded. He thought about how his eyes had completely recovered the next day after his relapse.

He was aware that Qiao Xi had used her blood to detoxify the poison in his body. It was a unique mystic medicine that could only be used when necessary.

He could hear her thoughts the next day. It had to be because of her blood.

“Gu Zheng, why aren’t you turning on the lights?”

At this moment, Qiao Xi walked in. She had just said something when she felt her stomach surge.

Gu Zheng heard—

‘Why am I always nauseous? Could it be that I ate something bad?’

He curled his lips slightly. It was a good thing that he could hear Mrs. Gu’s thoughts.

He did not expect Mrs. Gu to be so full of emotions.

He stood up and walked to her. He asked slowly, "Mrs. Gu, what's wrong?"

Song Shiyu turned on the lights, and his eyes gradually got used to the brightness.

Qiao Xi was just about to answer when she felt abnormally nauseous. She had the urge to vomit and rushed into the washroom.

Just then, Gu Zheng heard a voice—

'Teacher's dishes are really biochemical weapons! I shouldn't have eaten them. How can my weak body stand his scary dishes?! Seriously, why did Third Brother have to call me over?!

'It's so uncomfortable! I'm gonna throw up!'

Song Shiyu leaned over to Song Shijing's ear and muttered, "Madam is vomiting! Is it..."

Song Shijing glanced at him. "It's none of your business."

"How is it none of my business?! I mean, the president and Young Madam have been sleeping separately. Did they do the deed?"

Song Shiyu smiled wretchedly. "Brother, it must be that. You know what I mean. Why aren't you curious at all?"

Song Shijing: "..."

How did he have such a wretched younger brother?

He was very curious. With the president's temper, how could he tolerate Song Shiyu's nonsense?

The president was too kind!

Song Shiyu's thoughts were in a mess. The president seemed to be very good at this. If they slept in the same room, Young Madam would definitely be pregnant soon.

Qiao Xi had taken her medicine and was lying on the chair with her eyes closed.

She regretted it so much! She would never eat Uncle's dirty dishes again.

No, she seemed to have gained weight. Why was there a layer of fat on her stomach?!

Qiao Xi jumped up in horror and hurriedly took a ruler to measure her waist. She had indeed gained weight...

She suddenly heard Third Brother's careful reminder. "Little Six, your dress is too small today."

Qiao Xi had always been thin since she was young. Moreover, there was something wrong with her taste buds, so she was not interested in food. It was fine as long as she was not hungry. However, after being by Gu Zheng's side for a few months, she had unexpectedly gained weight!

For women, the most terrifying thing was gaining weight.

At this moment, the butler walked in with a plate of fried chicken.

Qiao Xi really liked crispy and juicy fried chicken because even though she could not taste it, she could enjoy the texture of the food.

The butler knew that she liked it, so he often made it for her.

It was just that Qiao Xi was feeling nauseous now. As soon as she smelled the greasy aroma, she immediately covered her mouth and waved her hand. "I don't want to eat that for now."

The butler was enlightened.

Young Madam was disgusted the moment she smelled oil. She had even gained weight. Could it be...

The butler hurriedly congratulated her. "Young Madam, why didn't you say so earlier? Pregnancy is a good thing!"

Qiao Xi was dumbfounded: "??"

The butler was all smiles. "I thought you had gained weight.. Looks like you're pregnant. The president probably doesn't know yet, right? I'll go tell him!"

Chapter 226: Bastard Said Sweet Words

"Wait..." Pregnant?

Before Qiao Xi could finish, the butler left in a hurry.

Not long after, Gu Zheng walked over with a smile. "I heard you're pregnant?"

Qiao Xi: "..."

They had never even done that, so how could she be pregnant? Was this bastard joking?

'If I'm pregnant, that means it's someone else's child. Does Gu Zheng want to be cuckolded so badly?

'Bastard, if you dare say I'm fat, I'll kill you!'

He hugged her waist. She had indeed gained weight, but she seemed to have become cuter. She was too skinny earlier, but now that he touched her flesh, it felt better this way.

"Mrs. Gu, you're not fat at all," the man said with a chuckle.

Qiao Xi's expression eased up a little. Fortunately, Gu Zheng did not say anything. She said aggrievedly, "Everyone says I'm fat."

Gu Zheng smiled slightly. "That's because they don't understand aesthetics. Your figure now is the most perfect."

Qiao Xi widened her eyes in pleasant surprise.

Oh my God! This man was saying sweet things!

Qiao Xi's heart raced. She finally knew why women liked sweet-talking men.

Hearing him say sweet words, she instantly felt much better.

“Am I really not fat? Nowadays, girls all want to be skinny and young. I think I’m a little heavy.”

Gu Zheng stroked her hair, his heart almost melting. “You’re not heavy at all. All the other girls out there must be very envious of your figure.”

Qiao Xi’s face was dyed red, and it gradually spread to her ears.

She abruptly raised her eyes and heard Gu Zheng say slowly, “You eat so much but you only gained this little bit of weight. This is already very impressive, so they should be very envious of you!”

“…”

Qiao Xi was stunned for a few seconds.

‘Bastard! Nothing good comes out of your mouth!’

Her little heart that was still beating rapidly instantly steadied as she gritted her teeth in anger.

She would rather believe that there were ghosts in this world than a man’s words!

If she were to wait for him to say a few nice words, she might as well just sleep and listen to his sweet words in her dreams.

Qiao Xi turned around and was about to leave when Gu Zheng grabbed her. “What’s wrong?”

‘What do you think is wrong? Bastard, you’re doing this on purpose, right?! Before I met you, I thought you were a caring big brother. After we met, I realized you’re just a bastard!’

Gu Zheng curled his lips into a devilish smile. “I’m quite happy.”

Qiao Xi almost spat out a mouthful of blood.

If she was guilty, please just have God punish her and not send Gu Zheng to torture her!

When he entered earlier, Gu Zheng had a cold face. Now, he was smiling like a blooming flower.

Gu Zheng’s thin lips moved slightly. “I was originally unhappy, but after seeing you, I’m happy.”

Qiao Xi’s mouth was wide open as her heart thumped.

What did he say?

Did it mean that he wanted to see her?

Just then, her phone suddenly rang. It was a message, and it interrupted her thoughts.

Gu Zheng turned his face away to cover his red ears. He pretended to be calm and asked, “Are you going to investigate Qiao Zhenguo and Xu Mei?”

Qiao Xi was stunned for a moment, then nodded.

After so many years, it was not easy to find evidence.

Gu Zheng’s expression was serious. “What do you want to do?”

Qiao Xi seemed to be lost in thought. She did not understand why Gu Zheng was asking this. Did he want to help?

"I want to find out the truth of the matter and let the culprit be punished!"

However, this was only the beginning. She still had to announce what Qiao Zhenguo and Xu Mei had done to the world to comfort her mother's soul in heaven.

Also...

'I also want Qiao Zhenguo to lose everything. I want him to walk into hell step by step. I want him to live a life worse than death!

'I want to let this adulterous pair fall into despair. I want to have Xu Mei experience endless pain. I want her reputation to be ruined and for her to be abandoned by everyone. It's best if she eventually dies from depression.'

Qiao Xi's eyes narrowed slightly as she frowned slightly.

'About these things... I'd better not tell Gu Zheng. It hasn't been easy for me to pretend to be weak. If I open my mouth and say these, my image will be ruined. All men probably hate vicious women.

'No man would like a revengeful woman, and I happen to be such a person.'

Qiao Xi's eyes were filled with disappointment.

However, Gu Zheng could clearly hear her thoughts and did not say anything..

Chapter 227: Coordination

Gu Zheng's gaze was sharp. "Qiao Xi, you're too kind."

Qiao Xi abruptly raised her eyes with a puzzled expression.

His voice was cold as he said what he was thinking.

"You have to destroy everything they have. You have to make them wish they were dead. You have to make them fall into despair. You have to destroy their reputations and make them be abandoned by everyone.

"You have to torture them and make them feel endless pain. You have to make them kneel down and beg you. In the end, they'll die of depression."

Gu Zheng said casually, "This is the only way to take revenge."

Qiao Xi was unable to recover from her shock for a long time.

Gu Zheng... was on the same page as her?

Qiao Xi's face was filled with surprise, but she still pretended to be weak.

"Ah Zheng, I'm such a weak person. How can I be so vicious..."

“Mhm.” Gu Zheng knew that if he exposed her, it would definitely make her feel awkward, so he followed her words and said, “You don’t have to do it. I’ll help you.”

She did not have to do such a bloody thing herself.

Qiao Xi was slightly stunned, and her heart felt warm.

‘Wow! Gu Zheng is too manly! I like him too much!

‘Qiao Xi, calm down. Your little heart is beating too quickly. You can’t be charmed by a man!

‘But I can’t control myself! He’s so handsome! I love him so much!

‘Gu Zheng! Muacks!’

Gu Zheng listened to her heartfelt words with a gentle gaze. He gently pulled her into his arms and pressed his body tightly against hers.

They could clearly hear each other’s heartbeats. He had never been so happy before. It was as if he had obtained the most precious treasure in the world.

He could hear her heart because he had drunk her blood. Perhaps the blood would lose its effect after a while. He could only hear her thoughts again the next time the poison acted up.

However, Gu Zheng’s heart ached for her. In order to save him, she had to cut herself.

He would rather endure the pain of the poison acting up and not being able to listen to her thoughts than see her get hurt.

The man lowered his eyes and walked straight to the study. He closed the door and called Qin An.

Qin An was Qiao Xi’s senior. He would be very willing to suppress the Qiao family with him.

...

A few days later, Qiao Zhenguo called.

He said in an arrogant tone, “The owner of Fragrance Hotel has invited our family to a banquet. As a member of the Qiao family, you have to attend as well. Wear appropriate clothing and don’t embarrass the Qiao family. Be at the entrance of Fragrance Hotel tomorrow at ten.”

Then, he hung up.

Qiao Xi was speechless. Her father would not do things for no benefits. He definitely had a reason for asking her to attend the banquet.

Going up against her? How laughable!

Where did he think Fragrance Hotel was? It was her territory!

...

The next day at ten.

Qiao Xi was wearing a long black dress that outlined her perfect figure. Her seaweed-like hair fell on her shoulders, and she had an extremely imposing aura that caused everyone to raise their eyebrows.

Xu Mei was chatting with a middle-aged man. When he saw Qiao Xi, he was stunned. "President Qiao, your eldest daughter is so beautiful?"

Qiao Zhenguo looked obsequious. "President Qian, you're too kind. Actually, my younger daughter is more outstanding. It's just that she's already engaged to the young master of the Gu family, so I let the eldest daughter come. What do you think?"

President Qian's eyes were filled with wretchedness. "Very good! I like her very much..."

Xu Mei and Qiao Zhenguo looked at each other before hurriedly going forward to welcome Qiao Xi.

"Xi Xi, the Qiao family is in a bit of a dilemma now. You're from the Qiao family, after all. You have to do something to help us tide through this crisis. President Qian is a rich man. As long as you marry him, this matter will be settled. In the future, you can live the life of a rich madam."

Qiao Xi was so angry that she laughed. How could Xu Mei have the cheek to say such things? Why didn't she marry President Qian herself, then?

How laughable!

Qiao Xi's face was covered in disdain.

"Xi Xi, you can't just watch the company go bankrupt, right?"

Xu Mei looked sad. "You're also a daughter of the Qiao family, so you have to make some contributions. Back then, a president took a liking to your mother and wanted her to sleep with him. If she hadn't refused, the Qiao family wouldn't have fallen to this state! You two can't just care about yourself. You have to think about the Qiao family too!"

If Xu Mei only wanted to anger her, she had already done it..

Chapter 228: Where Did The Qiao Family's Eldest Miss Go?

"Qiao Rou is also the daughter of the Qiao family. Why can't she marry him?"

Xu Mei looked unhappy. "Rou Rou is already engaged to Moling. She's marrying into the Gu family. You don't have a boyfriend and you're not married. You can marry President Qian and solve the Qiao family's urgent problem. Besides, you won't be able to marry with your reputation, so we found a good marriage partner for you."

Qiao Zhenguo was impatient. "Rou Rou is pure and innocent. What kind of trash are you? You're not even worthy of carrying Rou Rou's shoes. It's your responsibility to marry and contribute to the family!"

With that, he roughly dragged Qiao Xi into a room and locked the door.

"Be good and wait here. When President Qian comes over in a while, perform well. If you dare to resist, you'll suffer!"

After Qiao Zhenguo said those words, he swaggered off with Xu Mei and Qiao Rou.

Qiao Xi sized up the surrounding environment. It was not bad, so she lay on the bed and rested for a while before making a call.

“Sixth Miss, it’s all been recorded. The image is very clear.”

Qiao Xi smiled lightly. “Very good.”

The person on the other end of the phone shuddered. “S-Sixth Miss, everyone attending this banquet is famous in Li City. It’s best if no one dies today!”

Qiao Xi: “?”

She said helplessly, “Don’t be afraid, I know what to do.”

...

At the banquet downstairs, Qiao Rou pretended to be worried. “Dad, with Sister’s character, she won’t be willing. Isn’t it a little too much to force her like this?”

“Rou Rou, why are you worried about her? She’s not a good person. She’s always fooling around outside. Since she sleeps around with others, she might as well do something useful this time. It’s her honor that President Qian is willing to marry her!”

Xu Mei immediately retorted. Qiao Zhenguo said in a gentle tone, “Rou Rou, don’t worry about her. Perform well at the banquet later. If you meet the eldest daughter of Fragrance Hotel, you must think of a way to please her.”

Xu Mei played along. “That’s right, Rou Rou. Today’s banquet is for the eldest daughter of Fragrance Hotel. If you can build a good relationship with her, it’ll be good for the company. After Qiao Xi marries President Qian, you can just stay at home and be a rich madam. She won’t be able to go out anymore and definitely won’t disturb you.”

Qiao Rou nodded obediently and smiled victoriously.

She had long heard of President Qian. He was an old gangster and had violent tendencies. If Qiao Xi married him, she would definitely be killed by him.

From today onward, their lives as sisters would change completely!

The guests entered one after another. The banquet was about to officially start.

Qiao Rou was very excited. This was her first time attending such a grand event. She felt that everything was new.

“President Qiao, I heard that your eldest daughter is here too. Why don’t I see her?”

At this moment, someone asked curiously. They all knew that Qiao Zhenguo had two daughters, and they had always wanted to meet the legendary eldest daughter.

Qin An also asked, “President Qiao, where’s Qiao Xi?”

Qiao Zhenguo was a little embarrassed and pretended to be helpless. "She was here just now but disappeared in the blink of an eye. This child is too worrisome. The banquet has already started, so I wonder where she went to fool around!"

Qiao Rou hesitated. "I know... Sister seems to have gone upstairs."

Upstairs? Those were all suites. Why would she be there?

Qiao Rou hesitated for a moment and said awkwardly, "I think she's following... No, don't misunderstand. I don't know!"

Her eyes widened, and she looked innocent as if she had accidentally let it slip.

Qin An walked over and gently coaxed her, saying, "Miss Qiao, what's there not to say here?"

'Tell me! How am I going to continue acting if you don't tell me?'

Qiao Rou was a little afraid and looked troubled. She hesitated for a moment.

"Sister went upstairs with a man. I'm very afraid. Will she be in danger?"

Qiao Zhenguo also pretended to be worried. "My eldest daughter has never attended such a grand banquet. Maybe she's in trouble. I'd better go look for her quickly!"

His face was full of worry, but there was something sinister in his eyes. In front of everyone, he indeed looked worried about his daughter.

However, as long as everyone went upstairs, they would discover that Qiao Xi and President Qian were together. At that time...

Chapter 229: Scheme

Qin An smiled. "If anything happens to Miss Qiao in Fragrance Hotel, we'll be held responsible. Let's go take a look together."

Qiao Rou naturally hoped that Qin An would go. The more people there, the better. She wanted everyone to see that sl*t, Qiao Xi, in action.

Xu Mei smiled sinisterly. She was waiting to see Qiao Xi make a fool of herself.

Back then, that b*tch died in her hands. Her daughter could forget about living well too.

Qiao Xi would soon make a fool of herself at such an important banquet. Who would dare to marry such a woman in the future? If Gu Yao saw her with another man, he would definitely abandon her!

When everyone saw her naked body, she might kill herself in shame, but it would be too easy for her to die like that.

Qiao Xi was the Qiao family's eldest daughter, while Qiao Rou was the daughter of a mistress. Therefore, she innately had a sense of envy and resentment toward Qiao Xi.

After Qiao Xi married President Qian and was played by him day and night, the Qiao family would enjoy the wealth and resources that Qiao Xi had traded her body for.

Everything in the Qiao family would belong to Rou Rou. She would trample Qiao Xi under her feet and make her never recover!

Xu Mei curled the corners of her lips. Qiao Xi was probably in great pain now!

...

Half an hour ago.

Qiao Xi lazily leaned against the sofa, the surveillance footage playing on her phone.

Xu Mei's voice was heard. "President Qian, she's waiting for you in the room. She'll definitely serve you well. Here's the room card!"

"This elder daughter of ours doesn't have any other merits except that she's good-looking and knows how to serve others. You'll definitely like her. After you marry her, she'll be at your mercy!"

It was unknown what the other party said, but Xu Mei said with a flattering expression, "We've already given you Qiao Xi. Can you give us the resources you have?"

Qiao Xi could not help but purse her lips. This Xu Mei was like a pimp!

Xu Mei and Qiao Rou had already planned everything out. They would lock her in her room and wait for President Qian to come over to sleep with her. Then, they would bring people along to catch her in bed with President Qian. With countless eyes watching, she would completely lose her reputation and be forced to marry President Qian.

Just then, the door opened—

Qiao Xi stood up and revealed a cold smile.

President Qian had a big belly and smiled wretchedly. "Little beauty! Hurry up and welcome me. Let me dote on you... Ah!!"

Qiao Xi grabbed the fat hand that he stretched out and pulled forcefully, causing his bones to crack.

She pulled the bedsheet beside her and tied him up.

President Qian was dumbfounded. "What are you doing? Are you rebelling? Qiao Zhenguo has already given you to me. You... Ah!"

Qiao Xi kicked his knee hard, and President Qian immediately screamed.

"President Qian, I advise you to be more obedient. Otherwise, I won't be polite anymore." Qiao Xi's gaze swept past him coldly.

President Qian shuddered and roared, "B*tch! You dare to threaten me? When you marry me, I'll definitely torture you to death!"

"Xu Mei said that you're a b*tch who has to be beaten and scolded to be obedient..."

“Ah!

Qiao Xi picked up the knife at the side and stabbed it fiercely into his body as she said slowly, “You still dare to scold me?”

She slashed with the knife and blood gushed out. It was so painful that President Qian gritted his teeth and could not help but curse.

“Your father has sold you to me! You’re my woman. Are you trying to rebel?! I’ll kill you when I get out!”

Qiao Xi sneered as she looked at his ugly face. She pulled out the knife, picked up a fork, and stabbed it back in.

“President Qian, you’ve harmed so many innocent women and now you’re trying to harm a weak woman like me. Even if I kill you, it’s self-defense. At most, I’ll be detained for a few days before coming out.”

Upon hearing this, President Qian’s eyes were filled with horror. “What are you trying to do? If you kill me, you, you...”

Qiao Xi grunted coldly. “Killing you like this is too easy for you.”

He should be glad that Gu Zheng and Third Brother were not here. Otherwise, this *sshole would have died miserably.

The fat on President Qian’s body trembled as he roared in pain. “I’m going to kill you, b*tch! Xu Mei is coming here soon. I’ll tell her that you kidnapped me and extorted me.. You can’t escape...”

Chapter 230: Bribing The Secretary

“President Qian.” Qiao Xi raised her eyebrows. “You’re really laughable. Since I’m able to attack you, it means that I’m confident enough. You pressed the service bell multiple times but no one came to look for you. Why don’t you think about why that is?”

President Qian widened his eyes.

Qiao Xi sneered. “Fragrance Hotel has very good service, so why are they ignoring you this time? Why are they turning a blind eye despite knowing I’m attacking you?”

She threw the knife away and clapped her hands. Then, a group of people walked in. One of them was the manager of Fragrance Hotel.

The manager walked in front of Qiao Xi and said respectfully, “Eldest Miss.”

Qiao Xi looked at President Qian’s surprised expression and said slowly, “Fragrance Hotel is my third brother’s territory. No one will care even if I kill you.”

President Qian’s face was filled with horror as his body trembled. His eyes rolled back and he fainted.

Everyone quickly tidied up the room and carried President Qian out. The suite was restored to its original state.

...

On the other side, Qiao Rou and Qiao Zhenguo had also arrived upstairs.

Qiao Rou looked anxious. "Where's my sister? Dad, will she be fine? Boo-hoo..."

A few of her friends hurriedly tried to comfort her. "Rou Rou, don't worry. Your sister is already an adult, so she'll know how to take care of herself."

"Besides, Fragrance Hotel is very safe. As long as she rings the service bell, the staff will definitely appear."

Everyone knew clearly in their hearts that Qiao Xi had suddenly vanished and gone upstairs with an unfamiliar man. Hence, she was definitely...

Needless to say, this Qiao family's eldest daughter was really embarrassing the family.

Qiao Rou bit her lip and looked pitiful. "It's all my fault. I didn't look after my sister just now. If something happens to her, how will I be able to continue living? Boo-hoo..."

"You're looking for Qiao Xi?" At this moment, a man walked over.

Xu Mei's eyes lit up. This man was President Qian's secretary.

In order to act out this scene well, they needed someone else to testify. Hence, Xu Mei had already bribed President Qian's secretary and told him what to do. When the time came, Qiao Xi would not be able to deny it in front of everyone!

President Qian's secretary was already waiting for this group of people to go upstairs. He did not know that something had happened to President Qian.

"Miss Qiao Xi left with President Qian. How could something have happened to them?"

The secretary smiled meaningfully, and everyone instantly fell silent.

Although the secretary did not say it, everyone understood what he meant.

Tears trickled down Qiao Rou's face. "Don't spout nonsense! How could Sister be with President Qian?! Sister... Sister wouldn't do such a thing. How could she be with President Qian..."

She pretended to be pleading for Qiao Xi's defense, her eyes filled with helplessness.

The secretary retorted loudly, "You mean to say that I'm lying? Miss Qiao Xi and President Qian have been together for a long time. She even said that she wants to marry President Qian. After meeting him at the banquet this time, she couldn't wait to get a room with him."

Everyone gasped. This was such explosive news!

Moreover, President Qian's secretary made it sound so convincing...

Although President Qian was not good-looking and was quite old, he was indeed rich and powerful. Qiao Xi must have taken a fancy to his money.

However, Qiao Xi was the eldest daughter of the Qiao family, after all. She did not look like she was lacking in money. Why did she have to marry President Qian?

Suddenly, Qiao Rou covered her face and cried. "That's impossible... Boo-hoo, my sister wouldn't do such a thing. Dad, it's all your fault. If you hadn't frozen my sister's card, she wouldn't be lacking money. Although she did something wrong, you can't do this to her. It's too much!"

Qiao Zhenguo's face was instantly filled with sorrow and regret. "That child spent a fortune. I just wanted to teach her a lesson. I didn't expect that I would force her to take the wrong path. It's all my fault!"

Everyone instantly understood. So that was how it was. Qiao Xi did not have a source of money right now, so she had to rely on President Qian.

It was just that Qiao Xi was so anxious to get a room with President Qian at Qin An's Fragrance Hotel. Was she not taking Qin An seriously?

They could not help but look at Qin An. He looked rather calm..
