Chapter 321: Something Must Be Wrong

Xue Yi sounded shocked. "Then do you know who the donor is?"

Qiao Xi knew that Xue Yi must know this person.

Who was it?

Before she could guess, Xue Yi said, "It's Gu Moling."

Gu Moling?

Qiao Xi sneered. "He's so generous?"

"Of course, it's for Qiao Rou!" Xue Yi's tone was full of disdain.

"After Qiao Rou's identity as an illegitimate daughter was exposed, the university blew up. Some people even asked her to withdraw from the university, so Gu Moling sponsored the construction of a building. This way, no matter what Qiao Rou's identity is, she's still the future Mrs. Gu. Naturally, no one would gossip about her anymore."

Qiao Xi smiled. "I see..."

Xue Yi sneered. "The university is going to hold a donation ceremony to thank Gu Moling and Qiao Rou. Qiao Rou told the university leaders that she hopes you can participate too. The chancellor will call to invite you soon."

Qiao Xi didn't care about this. The only thing she was curious about was that building should cost a lot of money. When did Gu Moling become so rich?

...

Shortly after the call ended, the chancellor called and invited her to attend the donation ceremony at three in the afternoon.

Qiao Xi agreed, but she wasn't in a hurry to get out of the house. Instead, she turned on her computer and did an operation. The computer screen was filled with complicated letters and symbols.

She glanced at it and smiled.

"Butler!"

The butler immediately rushed over. "Young Madam."

Qiao Xi sneered. "Give Gu Yao a call and tell him to rush to Li City University as soon as possible. He's already so old, yet he doesn't even know that someone stole a huge sum of money from his bank account!"

There must be something wrong with the donation. Where did Gu Moling get so much money from? It turned out it was stolen from Gu Yao's account!

...

Song Shiyu watched Qiao Xi leave in a hurry and reminded him, "President, aren't you going with Young Madam?"

Gu Zheng took a sip of coffee and said calmly, "She can handle such a small matter."

Song Shiyu was confused. "It's just the Qiao family. You can crush them with one finger. Why..."

Gu Zheng waved his hand.

The Qiao family was Qiao Xi's childhood nightmare. She suffered the greatest malice from their bullying and the cruel human world.

When she was bullied by the illegitimate daughter, her biological father and his mistress would hit and scold her. They even almost killed her. The darkness and fear she once suffered from had gathered into strong hatred.

Because of this, she would not easily get rid of the Qiao family.

Gu Zheng's expression turned cold. After a moment of silence, he ordered, "Get Song Shijing to follow Gu Yao."

Song Shiyu was speechless. Second Young Master was going too? Did Gu Moling...

Damn! Who gave Gu Moling the guts to touch Gu Yao's money? He must be crazy!

Wait, that wasn't right!

Song Shiyu looked at Gu Zheng in confusion.

Gu Zheng smiled meaningfully. "They're all going to Li City University. I'm going to the Gu family's old residence to visit my mother."

...

Li City University.

The news of Gu Moling investing 80 million yuan to donate a building for the university had spread everywhere. Hence, the university decided to hold a donation ceremony to thank Gu Moling and Qiao Rou for their generosity.

Qiao Rou was from the entertainment industry, after all. When many media outlets heard this news, they all rushed over.

As soon as Qiao Xi entered the hall, she heard people discussing...

"Isn't Qiao Rou an illegitimate daughter? Why is the son of the Gu family still getting engaged to her? And they even spent so much money to donate a building for her?"

"I heard that Qiao Rou is already engaged to Young Master Gu. Young Master Gu probably wants to support her, so he donated so much money!"

“I’m so envious! Whether Qiao Rou is an illegitimate daughter or not, having a man who loves her so much is enough.”

“The two of them look so compatible standing together!”

Qiao Xi looked at the two people in the crowd. One was the vicious illegitimate daughter of the mistress, while the other was a thief who illegally stole someone else’s money. They were indeed a good match!

The donation ceremony’s venue was packed with people. The media, teachers, and students were all in the hall.

Qiao Xi smiled. Qiao Rou really knew how to find an excuse for herself.

Previously, her Weibo account was a mess.. She didn’t even come forward to clarify things, but now, she and Gu Moling were attending the donation ceremony in a high-profile manner.

Chapter 322: Inviting Her To The Wedding?

Actually, the things from the past didn’t matter. As long as the donation ceremony went smoothly, Qiao Rou would be praised by the entire university and no one would mention her past mistakes.

At this moment, the chancellor invited Gu Moling and Qiao Rou on stage. Qiao Rou said gracefully,

“Thank you all for attending the donation ceremony. Brother Moling and I just want to help our alma mater as much as we can, but we also have some selfish motives...”

Qiao Rou paused and looked around before smiling. “My sister and I are both in Li City University, so this building was donated for us both.”

Everyone looked puzzled.

They all knew that the news of Qiao Rou being the illegitimate daughter was exposed because of Qiao Xi.

Now, Qiao Rou said that she donated a building for her sister.

These two sisters seemed to have a good relationship. Could it be that everything that had happened before was a misunderstanding?

Qiao Xi heard the people around her mutter, “Although Qiao Rou is an illegitimate daughter, I feel that her relationship with her sister is not bad!”

“It’s not her fault that she’s an illegitimate daughter. Rou Rou treats her sister very well. Why would Miss Qiao hate her?”

“That’s right. She’s indeed an illegitimate daughter, but Young Master Gu still acknowledges their relationship in front of everyone and even donated a building for her. If Qiao Rou is really not a good person, why would the Gu family allow her to join their family?”

“Qiao Rou is really fortunate to be able to marry into a wealthy family like the Gu family. No one will remember her identity as an illegitimate daughter in the future. On the other hand, Miss Qiao is in

trouble. I heard that someone came to ask for her hand in marriage. After she left the Qiao family, that person said that he would never marry Miss Qiao even if he were to be single for the rest of his life! What kind of personality does Miss Qiao have? How could she scare someone to this extent?"

"She grew up in the countryside. Her behavior must be terrible!"

The reporters at the scene were live-streaming the event. These unintentional words were quickly spread.

Qiao Rou already had millions of fans. Although her identity as an illegitimate daughter was exposed and she lost a portion of her fans, there were still many brainless fans supporting her.

Not long after, a bunch of fans rushed into the live-stream broadcast.

Qiao Rou slowly walked down the stage and walked toward Qiao Xi. "Sister, come on stage with me."

In an instant, everyone's eyes and cameras were on the two of them.

Qiao Rou's eyes were filled with worry. "Sister, what happened before is in the past. I'm very worried about you being alone outside."

Then, she faced the media and said, "My relationship with my sister is very good. What happened before was just a misunderstanding. Some people exaggerated and spread the news. Actually, my sister and I didn't go against each other."

Everyone was stunned.

Qiao Rou said helplessly, "Sister, I actually donated the building this time to meet you. We're sisters, after all.

"Brother Moling and I are getting married. You'll attend our wedding, right?"

Everyone widened their eyes.

It turned out that this wasn't just a donation ceremony. Qiao Rou and Gu Moling wanted to use this opportunity to announce their marriage in a high-profile manner.

At this moment, Zhao Lili rushed forward and said, "Our Rou Rou is beautiful and kind. Why would she do those despicable things? It was Qiao Xi who spread the rumors because she's jealous of Rou Rou's beauty and the fact that Rou Rou is getting married to Young Master Gu!"

Qiao Rou stopped her gently. "Lili, don't talk nonsense. My sister didn't mean it. Although there's a misunderstanding between us sisters, our relationship is still very good. My sister will definitely attend the wedding."

Everyone looked at Qiao Xi and waited for her answer.

After a moment of silence, she chuckled.

Did Qiao Rou think that she was still infatuated with Gu Moling?

Previously, Gu Moling was her fiance. They were about to get married, but the bride was switched to Qiao Rou.

Qiao Rou must be very happy that she snatched away the man who originally belonged to her. Qiao Rou was even about to get married to him now.

Qiao Xi suddenly said, "You and Gu Moling are getting married, so you want to invite me to your wedding?"

Qiao Rou looked down, feeling wronged. "Sister, are you unwilling? We're sisters..."

Xu Mei had sent someone to investigate Qiao Xi. For the sake of shares, she had secretly gotten married. Qiao Rou heard that the man was just a random passerby.

Passerby? His one month's salary was not even enough for her to buy some clothes. How could he compare to Brother Moling?

Chapter 323: You Are The Witness To Our Love

Qiao Xi definitely still liked Brother Moling but she was just unwilling to admit it out of consideration for her dignity.

Everyone knew that Qiao Xi was the one who contributed to Brother Moling's company's current glory. However, these things would be Qiao Rou's in the future.

How could Qiao Xi not be angry at all? She was probably close to spitting out blood!

Qiao Rou had a gentle expression and pretended to be very intimate. "Sister, I really hope that you can come to my wedding. Just promise me, okay?"

At that moment, the fans watching the live-stream broadcast were all envious.

If only Rou Rou could invite them to the wedding too. That would be such an honor!

Everyone was waiting for Qiao Xi to agree. Although Qiao Rou was an illegitimate daughter, she was still Qiao Xi's younger sister. Moreover, she was the future Mrs. Gu. How could Qiao Xi not give her some face?

Qiao Rou's eyes were filled with smugness and sinisterness. "Sister, if it weren't for you, I'm afraid Brother Moling and I wouldn't have gotten together. You're the witness of our love. If you don't attend our wedding, I'll be very regretful—"

"I'm not going!" Qiao Rou said coldly, directly interrupting Qiao Rou.

Everyone stared at her in disbelief.

Qiao Xi said indifferently, "I have to go just because you invited me? Is there such a rule?"

Qiao Rou's face was full of grievances. She bit her lip as tears trickled down her face.

"Sister, why are you unwilling?"

Her weak and delicate appearance made everyone's heart ache.

Zhao Lili immediately rushed over and roared, "Qiao Xi! What do you mean? Rou Rou personally invited you, but you refused! You're too much!"

"It's just that our Rou Rou is beautiful and kind. She doesn't care about what happened in the past and even invited you to attend the wedding! Back then, you were jealous of Rou Rou and Moling being together. You felt resentful and even found someone to almost rape Rou Rou. This matter—"

"Lili!" Qiao Rou interrupted her in a panic and hurriedly stopped her. "Lili, don't say anymore. Sister..."

Zhao Lili was indignant. "Rou Rou! If you keep covering up for her, she won't remember your kindness. Instead, she'll bully you even more!

"Today, I'll let everyone see just what kind of person this sl*t is! I believe everyone remembers Rou Rou's disappearance back then, right? It was this woman who hired people to rape Rou Rou. She even had the intention to kill Rou Rou. Fortunately, Rou Rou was lucky and managed to escape. However, she also became traumatized because of this and has been having nightmares since. She only recovered after resting for a long time!

"A vicious woman like Qiao Xi should just die! Rou Rou disregarded the past and invited you to the wedding, yet you're still making excuses! Your skin is really thicker than the city's walls!"

Everyone heard what Zhao Lili said.

"Damn! This is big news!"

"I remember that Qiao Rou did disappear for a period of time, and Qiao Xi didn't come to university either. So it was Qiao Xi... I never expected that! She actually treated her younger sister like that!"

Qiao Xi was calm. "Qiao Rou, is that so?"

"No! Don't misunderstand." Qiao Rou shook her head helplessly with tears in her eyes.

"Lili, stop it. This is all a rumor. Sister wouldn't have done that to me. This... This is fake news! Sister, don't listen to Lili's nonsense. I really just want to invite you to the wedding. Without you, Brother Moling and I wouldn't have been able to get together. I'm really grateful to you..."

Qiao Xi was instantly speechless.

That's right. Without her, Qiao Rou and Gu Moling wouldn't have been able to get together.

Qiao Rou would think of ways to snatch away everything that belonged to her. Moreover, without this engagement, Qiao Rou wouldn't have known Gu Moling.

Qiao Rou looked so weak at this moment. Her voice trembled slightly. "Sister, I beg you. What... What must I do for you to come to my wedding? What should I do... How..."

Zhao Lili was livid.

"Rou Rou, why are you begging her? She's the one who's been scheming to harm you! She even wanted to snatch your man away. You're already giving her enough face by inviting her to attend your wedding.. Since she's unwilling, then forget it!"

Chapter 324: Sister Xue Is Here

“In the future, the Qiao family will belong to Rou Rou. It won’t have anything to do with you. It’s better if you don’t attend!”

The moment Zhao Lili finished speaking, a cold female voice came from the door.

“What does it have to do with you who the Qiao family belongs to? I haven’t heard that the inheritance will be handed to an illegitimate daughter, yet the eldest miss was already chased out of the house!”

Xue Yi rushed in with a gloomy expression. She patted Qiao Xi’s shoulder and glanced at Zhao Lili coldly.

“You’re just a lackey of Qiao Rou’s! Do you have the right to teach Xi Xi a lesson? Qiao Rou is a b*tch and the daughter of a mistress. Why does Qiao Xi have to attend her wedding? The Qiao family’s assets have all been snatched away by this pair of mother and daughter. Can’t Eldest Miss Qiao show a trace of dissatisfaction?”

Zhao Lili did not know Xue Yi’s identity and thought that she was Qiao Xi’s scoundrel friend. When she heard this, she immediately retorted,

“You’re the lackey! What I said is the truth! Qiao Xi was jealous that Rou Rou has the love of a man like Young Master Gu, so she doesn’t want to attend the wedding. Otherwise, what other reason could there be?”

Xue Yi’s eyes were filled with danger as she asked word by word, “I’m a lackey?”

Her eyes were filled with coldness. “Qiao Rou, are you happy to see someone standing up for you?”

Qiao Rou’s body trembled as she explained helplessly, “Sister Xue, you... You’ve misunderstood. Lili is a little straightforward, but she doesn’t have any ill intentions. I just wanted to invite Qiao Xi to the wedding. I didn’t mean anything else.”

Thinking of the pain Little Six had suffered when she was young, Xue Yi looked at Qiao Rou’s pretentious behavior and instantly burned with anger.

“You even have the cheek to invite Xi Xi to the wedding? Zhao Lili doesn’t know anything, but you know very well! Gu Moling’s original fiancée is—”

Before she could finish, Gu Moling happened to walk over. “What’s wrong?”

Seeing this, Qiao Rou’s body immediately went soft. She weakly fell into Gu Moling’s arms and sobbed softly.

“Brother Moling, I’m fine. It’s just that my sister isn’t willing to attend our wedding. Sister Xue scolded me a few times. Don’t be angry. It’s all my fault...”

Gu Moling’s expression darkened. “Xi Xi, it’s such an important occasion today. Can you stop fooling around?”

Qiao Xi glanced coldly at him.

She was really blind to have fallen for Gu Moling back then!

“Xi Xi is fooling around?” Xue Yi’s face was filled with ridicule. “Gu Moling, when did you see Xi Xi fooling around? Qiao Rou invited Xi Xi to the wedding in public. Do you think she has the right to invite her?”

Xue Yi looked coldly at Qiao Rou. “Don’t pretend to be pitiful in front of me. I’m disgusted by your acting! You look innocent, but you’ve done many vicious things! You know this very well!”

Everyone widened their eyes.

Xue Yi was the Xue family’s daughter, after all. She was actually so... shrewish?

Gu Moling was unhappy and said coldly, “Miss Xue, it’s true that you’re the daughter of the Xue family, but this isn’t your Xue family’s territory. Our matters have nothing to do with you! Our marriage...”

He looked at Qiao Rou.

Qiao Rou immediately became nervous. Her tears fell as she looked pitiful. “Brother Moling, I don’t have any ill intentions. I just... I hoped that Sister could attend...”

Gu Moling was slightly helpless. Rou Rou only had this one sister, so it was reasonable for her to want Qiao Xi to attend the wedding. It was just that their relationship with Qiao Xi was slightly complicated.

Gu Moling did not think too much about it. His voice was stiff. “Xi Xi, since Rou Rou has invited you, come and attend our wedding!”

Then, his attitude softened. “Xi Xi, about what happened before... We’ll talk about it later. It’s the donation ceremony now. There are so many media outlets here. You don’t want to make things too awkward, right?”

At this moment, all the cameras were aimed at Qiao Xi.

Qiao Xi sneered.

She ran her fingers through her hair and said indifferently, “You want me to attend the wedding and give you my blessings?”

Qiao Rou bit her lip aggrievedly.

Qiao Xi said disdainfully, “If I don’t give you my blessings, will you not get married?”

Gu Moling choked. “You!”

Qiao Rou’s body trembled slightly. “Sister, it’s all my fault.. Since you don’t want to attend our wedding, forget it.”

Chapter 325: Who Is The Mistress?

“Qiao Xi! You really don’t know what’s good for you! Could it be that we have to expose the dirty things you did in front of everyone before you lower your head and admit your mistake?”

Zhao Lili said generously, “Previously, there were rumors that Rou Rou’s image was destroyed and Madam Qiao wanted to sell Qiao Xi. This is all a misunderstanding!”

Qiao Rou quickly stopped her. "Stop talking!"

"Rou Rou, if you won't tell everyone, I'll do it for you. I want everyone to know how vicious Qiao Xi is!"

Everyone held their breaths.

They heard that Qiao Rou was kind-hearted and had a good relationship with Qiao Xi. How could she just watch as Xu Mei abused Qiao Xi and almost sold her?

Did Qiao Rou not know about this, or did she abuse Qiao Xi with Xu Mei?

If Qiao Rou had really done these things, why would Gu Moling still be willing to marry Qiao Rou after he found out?

Hearing Zhao Lili's words, everyone's eyes burned.

Qiao Xi sneered. Oh, she was prepared to use her ultimate move.

Zhao Lili was extremely arrogant. This time, she would definitely ruin Qiao Xi's reputation!

"Qiao Xi is a mistress!

"She ruined Rou Rou and Young Master Gu's relationship and wanted to climb up the social ladder herself. That's why she's unwilling to attend the wedding, much less give them her blessings."

Zhao Lili's words made Qiao Xi seem like a mistress, and everyone's gazes fell on Qiao Xi.

If Qiao Xi had deliberately harmed Qiao Rou and stole her fiancé, it was reasonable for Xu Mei to make a move against Qiao Xi.

After all, Qiao Rou had humbly invited Qiao Xi to the wedding just now, but Qiao Xi had rejected it heartlessly.

Qiao Xi previously seduced Young Master Gu, yet Qiao Rou disregarded the past and invited her to the wedding. How could she not go?

Zhao Lili looked proud. "Rou Rou invited you to the wedding because you're her sister! It's not enough that you're fooling around outside, but you even want to ruin your sister's relationship. She didn't expose you because of our relationship, but you actually joined hands with others to scold Rou Rou. You're really vicious!"

At this moment, Qiao Rou's friends stood up and said sarcastically.

"I was wondering why Rou Rou looked so sad when she saw Qiao Xi and Young Master Gu together. So that's how it is!"

"Qiao Xi tried to seduce Young Master Gu but Rou Rou took her sister's reputation into consideration and didn't expose her."

Zhao Lili continued, "A year ago, this b*tch targeted Young Master Gu. I even saw her holding Young Master Gu's hand. Young Master Gu knew that she was Rou Rou's sister and was embarrassed to make things worse, so he endured it. Rou Rou could only cry secretly behind his back."

Everyone was dumbfounded.

The cameras of the media were all focused on Qiao Xi as they recorded everything.

They did not come here in vain today. The two sisters were fighting over a man, and one of them was even the current popular star, Qiao Rou. This news was shocking enough.

Zhao Lili looked at Qiao Rou and said gently, "Rou Rou, this b*tch won't disturb you anymore."

Qiao Xi's eyes narrowed slightly. Who was harassing whom? It was Qiao Rou who kept provoking her, alright?!

Among the crowd, only Gu Moling had a subtle expression. As he knew the inside story, he looked at Qiao Rou in disbelief. "You told Zhao Lili this?"

Qiao Rou's expression froze. She had almost forgotten about Gu Moling.

She lowered her head, and the smile on her face suddenly vanished. Tears trickled down her face as she said helplessly, "I... I don't know... Brother Moling, Lili must have misunderstood something. I know that I've let my sister down, so I wanted to beg her for forgiveness, but she..."

"Ever since I got together with you, I've always wanted to beg my sister for forgiveness. However, no matter what I do, she doesn't appreciate my kindness and hates me even more. Why would I slander her?"

Gu Moling's tightly furrowed brows relaxed.

He knew that with Rou Rou's character, she would not do such a thing.

Qiao Rou looked helpless. "But I don't know why things became like this. My sister has been called a mistress. Even if I explain, no one will believe me. Brother Moling, what should I do..."

Qiao Rou cried helplessly, her eyes filled with self-reproach.

Chapter 326: The Adulterous Couple Will Be Punished Sooner Or Later

"It's all my fault. I'll admit it now. I'm the mistress. My sister isn't! Brother Moling! As long as I can be with you, I can give up my future and career as a celebrity. I'd rather everyone scold me. It's okay..."

As soon as she finished speaking, Qiao Rou reached out to take the microphone.

Gu Moling quickly stopped her and said in a low voice, "Rou Rou!"

He knew very well that if this matter was exposed, it would be a huge blow to him. He would be labeled as a scumbag and the company's interests would be affected. Hence, he could only hide the truth.

Gu Moling held Qiao Rou's hand and said in a gentle voice, "I know that this wasn't your intention and it's really not good to wrong her like this. You have to apologize to her later. I can only let Qiao Xi suffer today.

"If you tell the truth, your celebrity career will be ruined. Moreover, these people won't let you off. Rou Rou, how can I bear to let you suffer?"

Qiao Rou leaned against her chest shyly. "Brother Moling, thank you, but Sister..."

She lowered her eyes and smiled to herself. "Sister can only bear the reputation of being a mistress for now. I feel really guilty!"

Gu Moling sighed helplessly. He did not want to do this to Qiao Xi either. Actually, he still had feelings for Qiao Xi. After all, it was Qiao Xi who had accompanied him through his most difficult years back then and even helped him establish his current company.

However, this gratitude was not love. The woman he really liked was Rou Rou!

Xi Xi's character was too strong and she was too dazzling. Everyone would only think that his current accomplishments were all because of Qiao Xi and he had not put in enough effort.

Rou Rou was a gentle woman who was willing to support him from behind.

Gu Moling hugged Qiao Rou and confessed gently, "Rou Rou, I don't regret being with you. You're the woman I truly love. Back then, it was Xi Xi who was in an ambiguous relationship with a client, while you were innocent and were willing to give up your career for me... After that, Qiao Xi even found someone to bully you. If you hadn't gone against her with your life, how could you have escaped? All of this proves that you love me, and I love you too."

As he spoke, Gu Moling was even more sure of his feelings for Qiao Rou. "Our mistake was that we didn't meet at the right time. If I had met you first, everything might not have happened."

Qiao Rou's eyes were red as she shed tears. "Brother Moling."

"Forget it. In any case, we've already completely offended Xi Xi, so this matter won't matter anymore. We'll compensate her a little more after this and beg her to forgive us."

Gu Moling looked at Qiao Xi and said worriedly, "Chancellor, Rou Rou has a headache. I'll bring her to the lounge first."

His lack of explanation, coupled with his show of concern for Qiao Rou, had already proven everything. Qiao Xi was a mistress.

Qiao Rou left weakly. Gu Moling turned around and looked at Qiao Xi with a warning gaze.

Qiao Xi understood that Gu Moling was warning her not to spout nonsense.

After Gu Moling and Qiao Rou left, the reporters rushed up and surrounded Qiao Xi. "Miss Qiao, you seduced Young Master Gu and interfered with your biological sister's relationship. Why exactly did you do that?"

"I heard that in order to seduce Young Master Gu, you often went to the Gu family's residence and even threatened your younger sister. Is this true?"

Xue Yi gritted her teeth and called for the bodyguards to protect Qiao Xi as she left the scene.

However, Xue Yi knew very well that doing this was equivalent to escaping in the eyes of everyone. The live-stream broadcast was filled with Qiao Rou's fans, and they had probably gone on a cursing spree with Qiao Xi as the target.

Xue Yi frowned. "You'll admit it just like that?"

Qiao Xi watched as Gu Moling and Qiao Rou left. The corners of her mouth slowly curled up. "Admit it? Do you think that's possible?"

She was in no rush. This adulterous pair would suffer sooner or later. Now was not the time.

Qiao Xi asked, "Uncle and Aunt will be here soon, right?"

Xue Yi nodded. "I just sent a message. They're almost here."

Qiao Xi had an indifferent expression. "Uncle and Aunt are coming soon, and Gu Yao is coming too. How long do you think those two can laugh for?"

Xue Yi immediately realized that Little Six had not started fighting back yet!

Chapter 327: A Storm Of Public Opinion

Looking at the reporters behind them, Xue Yi pulled Qiao Xi into a lounge. There was a group of bodyguards guarding the door. Not even a fly could get in.

...

Soon, a topic quickly spread online. The Qiao family had bought a trending topic. The topic was 'Qiao Rou was slandered. It turns out the mistress is someone else'. Qiao Rou's fans started reposting it.

The media had also edited the video at the scene. It showed Gu Moling admitting that Qiao Xi seduced him and almost ruined his relationship with Qiao Rou.

There was also news about Zhao Lili. She accused Qiao Xi of snatching a man from her younger sister. She revealed some photos of Qiao Xi and Gu Moling together, confirming the fact that she previously tried to seduce her younger sister's man.

At this moment, Gu Zheng was sitting on the sofa and clicking open those photos.

There was a scene of Qiao Xi and Gu Moling holding hands as they got into the car. There was also a photo of Qiao Xi and Gu Moling standing opposite each other with smiles on their faces. In another photo, the two of them were on a date.

Gu Zheng narrowed his eyes. How could the woman he treasured tolerate their slander?

His long fingers tapped on the table, then he picked up his phone to call Gu Yan.

After Gu Yan picked up the call, his voice trembled slightly. "President... President Gu?"

...

In the lounge on the other side, Qiao Xi looked at the comments online with interest. Most of them were posted by Qiao Rou's fans.

[The elder sister seduced her brother-in-law! She's really shameless! She even wronged Rou Rou previously. This woman is too scheming!]

[Our Rou Rou is so pitiful! She has been bullied by that b*tch for so many years. If it weren't for Young Master Gu's firm character and persistence in being with Rou Rou, Rou Rou would be so sad.]

[I finally understand why Xu Mei sold Qiao Xi to President Qian. Qiao Xi has done so much to Rou Rou. As Rou Rou's mother, she definitely couldn't sit idly by. This kind of woman deserves to die!]

Xue Yi snorted. "Qiao Rou's fans are really the same as her. They're all brainless!"

Qiao Xi smiled. "What's strange about that? Her fans almost killed me! They even said that killing me for Qiao Rou was an honor."

At this moment, footsteps came from outside.

Qiao Xi raised her eyebrows. They were finally here.

...

Qiao Rou and Gu Moling were in the lounge. They picked up their phones and watched the news online.

Gu Moling looked helpless. "Rou Rou, stop crying. You won't look good if you cry. A reporter will come to interview you later."

Qiao Rou wiped her tears. "I don't know how things ended up like this. Sister will definitely hate me. What should I do?! But if I tell the truth, the companies under your name will be affected and my endorsements will be canceled. After all, the company's interests are the most important."

"That's why it's best to let Qiao Xi shoulder this crime. This wasn't our intention at all. It's just that public opinion has already fallen to one side. If we step out and clarify things now, no one will believe us."

Gu Moling pulled her into his arms. "This isn't your fault. It was Zhao Lili who said it in front of everyone. It's better if you don't keep in contact with her in the future. She's not a good person to malign Qiao Xi like this."

Qiao Xi nodded, but her eyes were filled with viciousness.

Zhao Lili had only said a few words to Qiao Xi before Brother Moling stopped her from interacting with Zhao Lili. It seemed that he still cared about Qiao Xi.

How detestable!

However, so what if that was the case? Now that Qiao Xi's reputation was ruined and everyone was cursing at her, she would probably have to hide her identity from now on.

Moreover, Qiao Rou was about to marry Brother Moling. She would be Mrs. Gu, while Qiao Xi would be a lowly mistress!

Just then, someone knocked on the door.

The assistant said, "Sir, Chairman Xue, Madam Xue, and the second young master of the Gu family, Gu Yao, are here. The chancellor wants you to go over."

Gu Moling stood up and straightened his clothes. "Alright, I'll go out now!"

He had donated 80 million this time not only for Qiao Rou but also to enter high society.

If he could build a good relationship with Chairman Xue, it would be very helpful to his future career.

Gu Moling instructed softly, "Rou Rou, you haven't met Chairman Xue and Madam Xue before. Don't spout nonsense later. The couple is famous in high society. I believe they won't make things difficult for you."

Qiao Rou wiped her tears and nodded obediently.

Chapter 328: Young Master Gu Changed Fiances?

Gu Moling and Qiao Rou quickly arrived at the hall.

When the reporters saw the two of them come out, they immediately picked up their cameras and started taking photos.

Gu Moling walked in front and was filled with joy. Other than the Xue couple, there were also a few other famous businessmen in the industry. They had all donated money to Li City University.

The chancellor's face was red. "Everyone, this is Young Master Gu, the donor.

"Everyone here has contributed to Li City University, so I suggest we take a photo together as a memento."

Everyone stood up and shook Gu Moling's hand warmly.

"What a young hero! Young Master Gu is so magnanimous at such a young age. He donated 80 million yuan in one go. He's the second person to donate this much in history. First place is naturally President Gu, Gu Zheng. Back then, he donated 200 million yuan!"

When they took the photo together, Gu Moling and Qiao Rou were standing at the side. Everyone then realized that Gu Moling had brought a female companion.

The person beside Chairman Xue looked at Qiao Rou and asked in confusion, "Young Master Gu, who's this?"

Gu Moling looked obsequious. "It's my fiancée, Qiao Rou. This building was donated by us husband and wife. She's a student of Li City University and a popular celebrity too."

Although the Qiao family was not as great as the Gu family, Qiao Rou was a celebrity, after all. These people would definitely show her some face.

Unexpectedly, everyone's expressions were a little strange.

Gu Moling was a little uneasy, while Qiao Rou pursed her lips.

Could it be that they were looking down on celebrities? That shouldn't be the case! Madam Xue was also an actress and was filming a movie.

At this moment, a businessman said, "Why isn't your fiancée the same person as before?"

Madam Xue frowned. "Previously, I heard that Young Master Gu was about to marry his fiancée. Why did he suddenly change fiancées?"

Their voices were not loud and Gu Moling and Qiao Rou did not hear them clearly. However, the sharp-eared reporters heard them.

At the same time, this scene was recorded and transmitted to the live-stream broadcast.

The comments paused for a moment, then someone asked: [Gu Moling's fiancée isn't the previous one? In other words, Qiao Rou is the second fiancée?]

Qiao Rou's brainless fans immediately stepped out: [They must have remembered wrongly. Rou Rou is Young Master Gu's fiancée!]

If these words were said by someone else, they would naturally be suspicious. However, who was Madam Xue? Did she have to malign Qiao Rou and Gu Moling?

After taking the photo, an angry roar suddenly came from afar. "Qiao Xi! You still dare to come?!"

Zhao Lili pointed at Qiao Xi's nose and cursed, "You b*tch, you're really shameless! Young Master Gu doesn't like you at all, yet you're still pestering him! Can't you live without a man?"

Everyone looked at the door with disdain.

Qiao Xi was wearing a long dress as she walked over slowly with an indifferent expression. She looked at Gu Yao, then at Madam Xue.

At this moment, the few of them suddenly reacted. "Miss Qiao, I think we've met before?"

Zhao Lili instantly snorted coldly. "Qiao Xi! You're really awesome! You tried to seduce Young Master Gu but you weren't satisfied, so you even seduced President Chen. You b*tch!"

Chairman Chen looked pensive. "Where have I seen Miss Qiao before?"

Madam Chen nodded as well. "That's right, I've seen her too."

Zhao Lili said noisily, "Rou Rou, you don't have to cover for your sister anymore. She only has eyes for men and money. She seduces every man she sees!"

Qiao Rou stopped her. "Lili, stop talking."

"I'm going to say it! Qiao Xi is a mistress and seduced Young Master Gu. Why are you hiding it for her? In the past few years when you were with Young Master Gu, she has always been interfering in your relationship. If it weren't for Young Master Gu liking you—"

"Lili, don't say that about my sister," Qiao Rou interrupted.

"Sister indeed likes Brother Moling and wanted to marry him on my behalf, but she's definitely not a casual woman. Don't spout nonsense."

Qiao Rou faced the cameras and silently shed tears. "My sister is really not that kind of person. Actually, she's not wrong either. She just fell for a man. Unfortunately, Brother Moling already has me. It's impossible for him to marry her.."

Chapter 329: Who's The Third Party?

Qiao Rou's explanation proved that Qiao Xi was a mistress and pushed Qiao Xi to the edge of the cliff.

Gu Moling also chimed in, "Xi Xi isn't that kind of woman. Moreover, Rou Rou and I don't blame her anymore. Please stop spreading rumors."

As soon as she finished speaking, Madam Chen suddenly realized something. "I remember now!"

Everyone looked at her while she said to her good friend beside her, "A few years ago, we were always working with the Gu family. At that time, Young Master Gu and the Gu family brought Miss Qiao Xi along. Moreover, Miss Qiao Xi represented the Gu family for a few of their businesses and attended the meetings to discuss them."

Qiao Rou's expression froze.

Everyone was extremely puzzled as well. What right did Qiao Xi, a mistress, have to attend meetings on behalf of Young Master Gu?

Before everyone could think about it, Madam Zhou said word by word, explaining the doubts in everyone's hearts.

"At that time, the Gu family clearly told us that Miss Qiao Xi is Gu Moling's fiancée!"

...

After the last few words were said, the entire venue fell silent.

Qiao Xi was Gu Moling's fiancée, so who was Qiao Rou?

Everyone's burning gazes landed on Qiao Rou.

Qiao Rou lowered her head and trembled nervously.

"No, it's not like that..." Qiao Rou was flustered as tears trickled down her face.

Madam Chen snorted. "Miss Qiao Rou, are you saying that I'm wrong? I wasn't the only one who heard what the Gu family said."

Qiao Rou's voice trembled. "Madam Chen, that's not what I meant. Brother Moling and I..."

She was so nervous that she could not say anything. She clenched her fists tightly.

Gu Moling's heart ached. "Madam Chen! Please don't make things difficult for Rou Rou."

Zhao Lili immediately defended the injustice. "Nonsense! Rou Rou is crying from anger because of you, yet you're still talking? Rou Rou is Young Master Gu's fiancée. Who does Qiao Xi think she is?! She's a shameless mistress!"

Madam Chen glanced at her coldly with disdain. "Miss Qiao Rou, Young Master Gu, am I talking nonsense, or..."

She paused and looked at them meaningfully.

Qiao Rou's face was pale, and her body trembled. Her legs went weak and she fell weakly into Gu Moling's arms.

"Madam Chen, you're not spouting nonsense." At this moment, a dignified female voice sounded.

Madam Xue's eyes were filled with ridicule. "If everyone doesn't believe me, you can ask those who once discussed business with the Gu family. Everyone knows that Qiao Xi is Young Master Gu's fiancée. Moreover, most of the company's projects were negotiated by Qiao Xi. It can even be said that without Qiao Xi, the Gu family's company wouldn't exist today.

"Now that the company is growing bigger and bigger, they've forgotten about their former hero and Young Master Gu even changed fiancées?"

Everyone gasped.

It turned out that Gu Moling's achievements today were all thanks to Qiao Xi! Now that he had taken a liking to that small celebrity, he abandoned his fiancée and was prepared to marry a mistress?

At this moment, Chairman Xue also said, "I remember that Young Master Gu's parents publicly acknowledged Qiao Xi as the daughter-in-law of the Gu family. Moreover, when we were eating at the same table, Young Master Gu even said that he would marry Miss Qiao Xi in July this year. Now..."

He dragged out his voice a little, saying, "Young Master Gu isn't getting married anymore and has changed his fiancée. What I don't understand is how did Miss Qiao Xi become a mistress?"

"I heard that you and Qiao Xi were childhood sweethearts. This marriage contract was set by the older generation. You and Qiao Rou only got to know each other two years ago. It's obvious who the third party is."

Zhao Lili was Qiao Rou's lackey. How could she easily acknowledge Qiao Xi's identity?

"Chairman Xue, I'm afraid you're mistaken. Young Master Gu's fiancée is Rou Rou. It has nothing to do with Qiao Xi at all. Looks like you're old and have a bad memory!"

Chairman Xue's expression was cold. "Back then when we were eating together, we even took a photo together. Why don't we show it to everyone? Miss Zhao, you're a junior, yet you're so unreasonable when talking to your elders. You're indeed the friend of an illegitimate daughter. Your behavior is so horrible."

Hearing this, Qiao Rou was so angry that she almost vomited blood. Did Chairman Xue mean that being friends with her was not a good thing?!

Madam Xue snorted.. "Hubby, why waste your breath on someone like her?!"

Chapter 330: May You Never Conceive

Madam Xue took out her phone and found a photo. "Everyone, take a good look. This is Young Master Gu attending the banquet with Xi Xi last August. Miss Zhao, if Xi Xi is really a mistress, could Young Master Gu so brazenly bring her to attend high society banquets?"

“Moreover, the people of high society all know that Qiao Xi is Gu Moling’s fiancée. This is a marriage that was arranged years ago!”

In the photo, Qiao Xi was standing with the other entrepreneurs. She was wearing a light-colored dress and had light makeup on. She looked elegant. If she was really a mistress, why would the people of high society discuss business with her?

Earlier, everyone was slightly doubtful, but now, they completely believed that Qiao Xi was Gu Moling’s original fiancée.

Madam Xue glanced coldly at Qiao Rou. “This is a donation ceremony. Miss Qiao Rou, isn’t it a little inappropriate for you to lean into a man’s arms without caring about your image?”

Madam Chen was used to these methods and sneered. “Some men like such weak women. It seems Miss Qiao Rou has learned a lot of seduction techniques from her mother who’s a mistress.”

At this moment, a wave of surprise came from the crowd. “Qiao Rou even publicly invited Qiao Xi to the wedding just now!”

As soon as these words were spoken, the surroundings instantly seethed with excitement.

“So that’s how it is! Qiao Rou is really a scheming b*tch! She stole Qiao Xi’s fiancé and even ran in front of Qiao Xi to show off. She invited her to the wedding and even wanted to get her blessings! Is she suffering from brain damage?!”

The students of Li City University all started cursing. “Qiao Rou is very smart. She guessed that Qiao Xi wouldn’t go, so she pretended to be pitiful. She said that Qiao Xi didn’t give her any respect.”

“Moreover, Madam Chen has already said that everyone in high society knows that Gu Moling’s original fiancée is Qiao Xi. Now that she has been replaced by Qiao Rou, there’ll definitely be people who think too much.”

“If Qiao Xi agreed to attend the wedding, everyone will think that Qiao Xi and Gu Moling broke up peacefully and it had nothing to do with Qiao Rou. This way, it’ll be able to stop everyone from talking.”

“Qiao Rou stole her sister’s man and even accused Qiao Xi of being a mistress. How shameless!”

After scolding Qiao Rou for a while, everyone turned their anger to Zhao Lili.

“Some people even called Qiao Xi a b*tch just now. Now it would seem that the mistress tried to force the original fiancé to attend the wedding and showed off her status. Who’s the b*tch now?”

“B*tch! You two should get married quickly and not bring harm to others! Qiao Rou said that she hopes to get her sister’s blessings. Well, dream on!”

“A b*tch and a dog. May you never conceive.”

Qiao Rou was so angry that her body was trembling and her head was buzzing.

No! It was not like that!

Gu Moling looked at Qiao Xi with eyes that were filled with anger and resentment.

Qiao Rou cried sadly, “Brother Moling, I... What should I do? I just like you. I didn’t want this to happen...”

Gu Moling comforted her gently, then sighed.

“Madam Xue, Madam Chen, Rou Rou is not a mistress. We’re truly in love and are going to be husband and wife. Moreover, Qiao Xi and I have already broken up peacefully. It’s not a problem for me to find another girlfriend.”

Madam Xue mocked, “Broke up peacefully? Your so-called peaceful breakup is accusing Qiao Xi of being a mistress? How shameless!”

Qiao Rou’s face was as pale as paper. Her mind was filled with the thought that it was over. The live-stream broadcast was definitely filled with curses by now.

Her fans were initially helping her scold Qiao Xi. Their criticisms could even drown Qiao Xi!

Now that she had become someone who was despised, everyone would call her a mistress and the consequences she had to face after this would be horrible!

[Rou Rou and Young Master Gu are truly in love. Qiao Xi is not worthy of Young Master Gu at all!]

[I wonder what Qiao Xi did to make Young Master Gu so disgusted. Rou Rou just wants to be with the man she likes. She’s not wrong!]

[Get lost, Qiao Rou’s brainless fans! Just now when Qiao Xi was treated as a mistress, you said that mistresses deserved to die. Now that Qiao Rou has become a mistress, you’re saying that Qiao Rou is right. It’s just for true love. If you don’t know how to form logical arguments, then shut up!]

[I say Qiao Rou, you say b*tch. Qiao Rou—]

[B*tch!]
