### Chapter 331: Peaceful Break Up

Qiao Rou cried helplessly. Her eyes were swollen like peaches, and her face was pale. Her voice was trembling. "Brother Moling, I'm going crazy. I might as well die!"

Gu Moling's heart ached as he walked in front of Qiao Xi angrily.

"Xi Xi, tell everyone that we broke up peacefully. When Rou Rou and I were together, I even told you about it."

Qiao Xi was speechless. This man's face was thicker than the soles of her shoes.

Gu Moling was extremely nervous as he warned her in a low voice, "Xi Xi, no matter what, Rou Rou is your younger sister. If news of her being a mistress gets out, the Qiao family's reputation will be affected as well. Her future will be ruined. I know we've let you down. You just have to tell everyone that we broke up peacefully. You don't have to explain the rest. I'll handle it."

Qiao Xi raised her eyebrows. "You want me to explain it for Qiao Rou?"

"Xi Xi..."

"When Qiao Rou said that I was the mistress just now, why didn't you explain things for me?"

Qiao Rou quickly explained, "Brother Moling, I wanted to explain things just now, but Lili didn't listen to me. I..."

Gu Moling naturally believed Qiao Rou and advised, "Xi Xi, as long as you admit that we broke up peacefully, you can ask for anything and I'll agree."

Qiao Xi raised her eyes coldly. "Ask for anything?"

Gu Moling was a little nervous.

Qiao Xi sneered. "Forget it. I'll take it as feeding my efforts all these years to the dogs. I admit that we broke up peacefully."

Qiao Rou immediately heaved a sigh of relief.

Gu Moling's expression softened as he turned to look at the two of them. "Madam Xue, Madam Chen, Xi Xi admitted that we broke up peacefully. I only got together with Rou Rou after I broke up with Xi Xi.

"So Rou Rou is not a mistress. The sisters are very close. Don't spread rumors."

Madam Xue looked at Qiao Xi with pity.

Qiao Xi smiled lightly with an indifferent expression.

Madam Xue immediately understood that this child was not someone who could be bullied. She definitely had other tricks up her sleeve.

Qiao Xi frowned, and her eyes were filled with sorrow. She choked up and said, "That's right, we... broke up peacefully."

As soon as she finished speaking, Qiao Rou raised her eyes and met Qiao Xi's smiling eyes. Her heart instantly thumped.

Qiao Rou's heart jumped.

Gu Moling slowly said, "Since—"

"Brother Moling!" Qiao Rou grabbed Gu Moling's hand. "Since the misunderstanding has been resolved, let's go. I'm a little dizzy."

Gu Moling saw that her face was pale and her body was trembling, so he nodded. "Alright..."

"Quick! Let's go! Leave with me!"

Qiao Rou knew what Qiao Xi's smile meant. Qiao Xi would not let her off easily.

No! She could not let Qiao Xi succeed!

Her reputation was already very poor when she got together with her sister's fiance. If others found out that she was a mistress, who knew what the consequences would be?

Qiao Rou broke out in a cold sweat, and her eyes were filled with horror. "Let's go!"

She pulled Gu Moling and was about to leave.

"Oh! How lively!"

The hedonistic son's voice sounded in everyone's ears.

Gu Yao slowly walked into the hall. Everyone knew that he was the most favored young master in the Gu family, so they quickly made way.

"It's Young Master Gu!"

"This Young Master Gu is the most favored young master in the Gu family. He's President Gu's younger brother!"

Qiao Rou stopped in her tracks as if she had fallen into an ice cellar.

Gu Yao saw Qiao Rou in the crowd and disgust appeared on his face.

"What's going on? How did Qiao Rou get in?"

Someone was curious. "Second Young Master Gu, you know Qiao Rou. She's Gu Moling's fiancée. Today—"

Qiao Rou came to a sudden realization. She finally knew Qiao Xi's plan. She was using Gu Yao to expose everything.

She wanted to rush over and cover Gu Yao's mouth, but Gu Yao ignored her and said, "Of course, we know each other. Isn't this the famous mistress, Qiao Rou?"

Damn!

The turn of events today made everyone shudder in fear.

Gu Moling's face darkened, while Qiao Rou was about to faint from anger.

A wave of doubt came from the crowd. "But Young Master Gu Moling said just now that Qiao Rou isn't a mistress. He and Qiao Xi broke up peacefully."

"That's not right.. My brother clearly told me about this!" Gu Yao retorted.

Chapter 332: Not Ashamed But Proud

Gu Yao said in confusion, "My brother previously called Gu Moling and Qiao Rou to Longwan Residential. At that time, Qiao Rou said tearfully that she really liked Gu Moling, so she became a mistress.

"She even said a lot of bad things about Qiao Xi in front of my brother. However, who's my brother? He saw through her tricks and exposed her on the spot! Gu Moling, are you blind? Do you like such a vicious two-faced b\*tch?"

Everyone was silent and looked at Qiao Rou in disdain.

Gu Yao asked in surprise, "What's with your expressions? Did Qiao Rou say something else?"

Madam Xue sneered. "Second Young Master Gu, you just came so you don't know the whole story. Qiao Rou and Gu Moling first accused Qiao Xi of being a mistress. After they were exposed, they forced Qiao Xi to admit that they broke up peacefully to prove that Qiao Rou isn't a mistress."

Gu Yao had a shocked expression. "Oh my God! How can there be such a shameless person! Qiao Rou, it's fine that you're a mistress, but you're even accusing Qiao Xi of being a mistress? You're really shameless!

"Get this straight! Back then, it was Gu Moling's father and Qiao Xi's grandfather who arranged the marriage between the two of them. At that time, they said that they wanted to marry the eldest daughter of the Qiao family's first wife.

"Are you the eldest miss? Are you worthy? Not only did you ruin Eldest Miss Qiao's marriage but you also refuse to admit your mistake. I think you're even proud of yourself instead of being ashamed!"

Gu Yao's eyes were filled with innocence, but every word was filled with accusation. "You can lie to others, but you dare to lie to me? Do you want to die?!"

Second Young Master Gu was indeed domineering!

The Gu family was definitely the party most in the loop regarding Qiao Xi's marriage with the Gu family!

The marriage contract was arranged by the elders back then. Even if the two were not compatible, they should have announced the withdrawal of the engagement. Unexpectedly, the bride was changed to an illegitimate daughter.

Qiao Rou's face was pale, and she was about to faint.

Her lips trembled. "No, it's not like that."

Qiao Xi, that b\*tch!

She deliberately pretended to be weak and admitted that they had broken up peacefully. She then let Gu Yao tell the truth in public. This way, this matter would be confirmed.

Everyone's burning gazes landed on her. Qiao Rou wished for nothing more than to find a hole to bury herself in.

"What engagement? I don't know about it! Sister never told me. I didn't know! Don't malign me."

"My head hurts! I'm going to faint..."

Qiao Xi looked at Qiao Rou's helpless appearance with some amusement.

"Shut up, mistress! How shameless!"

At this moment, a reporter cursed loudly, "Why are you pretending to be a pure and innocent woman? You're clearly a b\*tch who seduced your sister's fiance. You even framed your sister for being a mistress!"

"After being exposed, you even forced your sister to clear your name. Why are you so vicious?! I feel disgusted just looking at you!"

Qiao Rou's face turned ashen. "No..."

"You still dare to retort? Other than saying no, what else can you say? I think you're just guilty!"

"Yeah, not only are you a mistress, but you even deliberately invited Qiao Xi to attend the wedding. You wanted to show off in front of her, then you framed her for being a mistress. You're really good at pretending!"

"You say you're on good terms with your sister, but you framed her behind her back. It's only because Qiao Xi isn't stooping to your level to bicker with you. Otherwise, I would've ripped your face off a long time ago. It's really nauseating to look at!"

The people who were cursing her were originally her fans, but now, they were all her anti-fans. Hearing the angry curses around her, Qiao Rou wished she could die on the spot.

Xue Yi snorted. "Gu Moling, only a blind person like you would abandon Qiao Xi and treat that b\*tch, Qiao Rou, as a treasure!"

The students also muttered softly, "Qiao Rou is a mistress, and her mother is also a mistress. Eldest Miss Qiao has really been harmed by the mother and daughter!"

"No wonder Qiao Rou seduced Young Master Gu. It's all because she learned it from her mother!"

"Eldest Miss Qiao is the legitimate eldest daughter of the first wife. How could she have played such a dirty trick on Qiao Rou? After all, Qiao Rou knew how to seduce men from a young age."

Madam Xue held Qiao Xi's hand and said gently, "Xi Xi, back then, Qiao Rou stole Young Master Gu from you and wronged you... Why didn't you explain things?"

Chapter 333: Mother And Daughter Are Both Mistresses!

Madam Chen also asked, "That's right, Xi Xi. Even outsiders like us are already so angry upon knowing the truth. If your father and grandmother find out, they'll definitely not let these two off."

Everyone looked at Qiao Xi.

Qiao Rou held her breath and trembled. "Sister, you can't. You're from the Qiao family, you can't..."

Qiao Xi lowered her eyes, which were filled with sorrow as she smiled helplessly.

"Ever since Xu Mei joined the family, I've been sleeping in the basement in the Qiao family's house. I have to give Qiao Rou whatever she wants unconditionally, so..."

"When she wanted my fiance, I had no right to refuse."

When everyone heard that, their hearts ached.

"Xu Mei and her daughter stole everything from Qiao Xi. Her room, her assets, and even her fiance. It's impossible for the Qiao family not to know about this. It looks like they agree with Xu Mei's actions."

"The Qiao family's upbringing is really an eye-opener. Back then, Qiao Xi's mother left behind a large amount of inheritance under Qiao Xi's name. The Qiao family is now using what Qiao Xi's mother left behind for her, yet they still have the cheek to treat her daughter like this?"

"Yes! Qiao Xi's mother's assets are all in the hands of Qiao Zhenguo and Xu Mei now."

"The Xi Ling Corporation that Qiao Xi founded is also in the hands of Gu Moling and Qiao Rou. That mistress and her daughter are really shameless. They like to snatch other people's things!"

Everyone kept saying the words 'mistress' and 'sl\*t'. Qiao Rou's face turned pale.

This was a scheme set up by Qiao Xi to use everyone to suppress her. How could no one see through her scheme?

1

Qiao Xi, that b\*tch, was going to kill her this time!

The few madams hurriedly pulled Qiao Xi to sit down and told her not to be sad. They would make the decision for her.

Gu Yao walked to a corner and said softly into the phone, "Gu Zheng, you heard what I said, right? I definitely didn't let Qiao Xi suffer."

Gu Zheng smiled. "Very good."

Gu Yao looked up proudly. "Then I'll leave first? My friend is looking for me..."

“Wait.” Gu Zheng’s voice turned cold. “There’s something else I need you to solve. Don’t be in a rush to leave. You’re a donor of Li City University and a future shareholder of Li City University.”

Gu Yao: “?”

He was a donor?

Wasn’t today Gu Moling’s donation ceremony?

Why did Gu Zheng say that he was the donor?

...

Qiao Xi sat on the chair obediently and used the excuse of going to the bathroom to avoid being seen. “Gu Zheng!”

Gu Zheng held her hand and patted it gently. “Be good.”

At this moment, the rumble of a car came from outside. Qiao Xi looked up and saw the Qiao family’s car quickly entering the university’s gate.

Qiao Xi’s eyes narrowed. Qiao Zhenguo and Old Madam Qiao had arrived at the right time.

If it were not for Madam Xue and Gu Yao’s explanation, she would have long been labeled as a mistress. The moment Qiao Zhenguo and Old Madam Qiao appeared, they would definitely scold her in public and even chase her out of the house. They would naturally take over her company.

Qiao Xi sneered. “How laughable!”

At this moment, Gu Zheng’s phone rang. Qiao Xi glanced at it and realized that it was Lin Jie.

Previously, when Lin Jie left Longwan Residential angrily, they thought that he would never look for Gu Zheng again.

Gu Zheng only glanced at it and did not intend to pick it up. Lin Jie could only send a voice message.

Gu Zheng was a little impatient. Actually, after the incident in Longwan Residential, he had wanted to delete Lin Jie’s contact number. However, the two of them were childhood friends, after all. When they were young, Lin Jie had still treated him quite well. Even so, Gu Zheng would absolutely not forgive him for bullying Qiao Xi.

He picked up his phone and thought about it before deciding to delete the voice message. However, he accidentally pressed the wrong button and the voice message started playing.

“Ah Zheng, have you seen the news? Qiao Xi was engaged to Gu Moling before this and only got together with you after they broke up. Now, she even cut off all ties with the Qiao family. This woman is too heartless!”

Qiao Xi sneered. This Lin Jie was really stubborn!

“No matter what, Qiao Rou is a popular celebrity now. Half of her fans have abandoned her, and the netizens are all scolding her now.. Qiao Xi is her biological sister. Did she have to force Qiao Rou to her death? How could you marry such a woman?!”

## Chapter 334: Fish Begins To Stink At The Head

Gu Zheng's eyes turned cold as he slowly said, "Don't worry, I won't let any of these people off."

Qiao Xi raised her eyes and their gazes met.

Gu Zheng stroked her cheek gently. "Xi Xi, with me around, I won't let anyone bully you."

He agreed for her to deal with the Qiao family herself, but he would not let the Qiao family climb over Qiao Xi's head.

Qiao Xi watched as Qiao Zhenguo's car stopped and smiled lightly. "They don't have the ability. Wait for my good news."

Gu Zheng nodded. "Alright."

Qiao Xi stood on tiptoes and gently kissed his cheek. She then turned around and left with a red face.

Gu Zheng was delighted as he stood on the spot and watched Qiao Xi's departing figure.

Then, he took out his laptop. Complicated symbols and letters appeared on it. His long fingers quickly typed a few times and pressed the enter button.

After a while, he picked up his phone. "Proceed."

...

Actually, Qiao Zhenguo and Old Madam Qiao had received a call from Qiao Rou an hour ago saying that Qiao Xi had also gone to Li City University.

Qiao Zhenguo was instantly infuriated. That was a formal donation ceremony. What right did Qiao Xi have to attend?

Hence, Qiao Zhenguo brought his family and angrily came to Li City University. The moment he entered, he saw Qiao Rou, whose face was pale and whose eyes were filled with tears.

He did not have time to think and was instantly angry. "Rou Rou, what's going on?"

Old Madam Qiao also hurriedly rushed over and was extremely angry. "Do you even need to ask?! It's definitely that little b\*tch! Why is she here for Rou Rou's donation ceremony?! She only knows how to bully Rou Rou. Where's that little b\*tch, Qiao Xi? Hurry up and come out!"

The entire venue was silent as everyone looked at one of the reporters.

That reporter was live-streaming the scene. He was also dumbfounded. There were millions of people watching the live-stream broadcast.

The Qiao family treated Qiao Xi so harshly in front of everyone. It was unknown how overboard they were behind the scenes.

Everyone's heart ached even more.

Old Madam Qiao slammed her walking stick onto the floor, her eyes filled with sharpness.

“Qiao Xi, where are you? When you found out that Moling was here, you came over as well. Moling is your brother-in-law. You’re really shameless. You have utterly embarrassed the Qiao family! This little b\*tch is as cheap as her mother!”

Old Madam Qiao gritted her teeth and looked fiercely at Qiao Xi, who was in the corner. She was instantly infuriated. “You dare ruin Rou Rou’s donation ceremony and bully her? Get lost!”

Qiao Xi’s expression was indifferent as she chuckled. “Old Madam, how am I embarrassing the Qiao family? You’re scolding me without asking why. Is this your upbringing?”

Old Madam Qiao’s face was red and she immediately choked. She did not know how to retort.

At this moment, she realized that everyone’s gazes were filled with disdain. Could it be that there was something going on here?

Old Madam Qiao was a little uneasy and could not help but look at Qiao Rou. “Rou Rou, tell me what happened.”

Qiao Rou’s face was pale as her body trembled.

Gu Moling lowered his head and clenched his fists silently.

He really could not say what had just happened.

At this moment, a strange voice sounded from the crowd. “Do you think Qiao Xi was willing to come? It was clearly Qiao Rou who asked the chancellor to invite Qiao Xi over. Your Qiao family has just entered but you started scolding Qiao Xi without any explanation. Is there any justice in this world?”

Old Madam Qiao was stunned and abruptly looked at Qiao Rou.

Everyone could not help but defend the injustice they had just witnessed. “The Qiao family’s upbringing is crooked, so Qiao Rou became the mistress. I think the elders of the Qiao family tacitly agreed to this! Xu Mei is a mistress, and Qiao Rou is also a mistress. The Qiao family harbors mistresses. What a shameless family!”

“Qiao Rou became a mistress and even invited Qiao Xi to attend her wedding. She wanted Qiao Xi to give her blessings. How could there be such a disgusting woman?!”

“The Qiao family dotes on their illegitimate daughter but abuses their first wife’s daughter. They abandoned Qiao Xi and don’t care about her life or death. People like the Qiao family will suffer retribution sooner or later.”

“That’s right, Young Master Zhang. I heard that your family and the Qiao family are working together. It’s better to quickly terminate the contract.. With the Qiao family’s character and upbringing, they’ll definitely play tricks during the collaboration. Be

Chapter 335: Qiao Rou Is On The Trending Topics

Mad curses entered Old Madam Qiao's ears. She widened her eyes and cursed, "Qiao Xi, you actually dared to say those things about you and Gu Moling?"

As soon as she finished speaking, a group of reporters rushed in from the door and aimed their cameras at Qiao Rou.

"Qiao Rou is here!" someone shouted, and everyone rushed over.

"Miss Qiao Rou, did you invite your sister to the donation ceremony and wedding to show off your status?"

"As your younger sister, you seduced your elder sister's fiance. Where's your conscience?"

"The pure and innocent daughter of Qiao Corporation has now become a mistress everyone wants to beat up. Do you have any regrets? Or are you enjoying yourself?"

Everyone raised their cameras and bombarded Qiao Rou with questions.

Qiao Rou broke out in a cold sweat and trembled. As a celebrity, she was already used to the spotlight, but now, it was as if she had been stripped naked and thrown in front of everyone.

Qiao Rou remained silent as the reporters turned to look at Qiao Zhenguo and Old Madam Qiao.

"President Qiao, the Qiao family mistreated the first wife's daughter and even threw Qiao Xi to the countryside. Was this Xu Mei's intention? Is Qiao Xi really your biological daughter? As a father, why are you so heartless to your biological daughter?"

"Old Madam Qiao, since you accepted Xu Mei despite her being a mistress, does it mean that the Qiao family doesn't care about mistresses ruining their reputation? Qiao Rou seduced her sister's fiance. Do you know about this? Or perhaps you were the one who wanted to matchmake them?"

Faced with the reporters' questions, Old Madam Qiao was instantly speechless.

Of course, she did not support mistresses and did not like Xu Mei too much, but Xu Mei was obedient. She was not as arrogant as Qiao Xi's biological mother. Between the two, she naturally chose Xu Mei as her daughter-in-law.

Qiao Xi's mother was so rich and had everything in her hands but she was unwilling to spend it on the Qiao family. She even left all the money to Qiao Xi after she died. She did not leave anything for the Qiao family at all. It was really too much!

"President Qiao, Old Madam Qiao, if you don't answer, does it mean that you agree?"

Old Madam Qiao's face was filled with embarrassment and anger. If it were not for the fact that there were so many reporters present, she would have rushed over and slapped Qiao Xi!

The Qiao family's bodyguards hurriedly rushed over and chased the reporters and outsiders out. When Qiao Xi saw the Qiao family make a fool of themselves, she followed them out.

However, before she left, she saw Qiao Rou's assistant rush in and shout, "It's over! It's over! The internet is filled with scandals about Miss Rou Rou. I can't control it anymore!"

Everyone's expression changed. They took out their phones to take a look. The dirt was indeed everywhere.

Qiao Rou was marrying her own sister's fiancé and even invited her to the wedding. She wrongly accused her sister of being a mistress. The release of this news shattered Qiao Rou's image. For so many years, she was seen as a beautiful and gentle woman.

The number of her fans had also decreased rapidly, and there were criticisms on Weibo.

The netizens dug up all the dirt on Qiao Rou. She was violent in university and bullied other female celebrities...

Old Madam Qiao roared, "A bunch of trash! Hurry up and do public relations! Delete all these scandals!"

The assistant lowered his head and trembled. "Old Madam, it's useless for us to do public relations now. You can shut up a few people but can you shut up the entire world?"

"You!" Old Madam Qiao was so angry that her heart ached.

Qiao Rou held her phone and widened her eyes. It felt as if her body had fallen into an ice cellar.

[Qiao Rou is the mistress.]

[Qiao Rou framed her sister, she's a b\*tch.]

[Qiao Rou's image has collapsed!]

Several trending topics occupied the top spot. Even if the Qiao family spent a lot of money to remove the trending topics, it would only be a matter of time. One could not limit the behaviors of netizens.

Immediately after, a few endorsers called to request for their contracts to be terminated. All the products that Qiao Rou endorsed were taken off the shelves overnight. The companies released the news one after another and announced that they would terminate their contracts with Qiao Rou and never work with her again!

Qiao Rou felt dizzy and clenched her fists tightly. Her nails dug into her flesh.

"Dad, Grandma, I just wanted to invite Sister to the wedding. I had no ill intentions.. I didn't malign Sister either. It's all because of what Zhao Lili said..."

Chapter 336: When Things Go Too Far, They Can't Be Turned Around

"I really don't know how things ended up like this. It's all my fault. I've let my sister down. I'm willing to die to atone for my sins. I didn't want to implicate the Qiao family either, but my sister is so vicious. She doesn't care about the Qiao family's reputation at all!

Tears trickled down Qiao Rou's face as she choked. "Today was supposed to be my donation ceremony with Brother Moling. Now, I've become the joke of Li City University..."

"I've let my sister down. She can take revenge on me however she wants, but today's a special occasion. My sister chose to expose this matter today. She didn't even consider the Qiao family."

Old Madam Qiao and Qiao Zhenguo were instantly infuriated when they heard this.

Rou Rou was right. It was fine if Qiao Xi wanted to take revenge on Rou Rou, but she chose to do it today.

Zhao Lili was spouting nonsense and had indeed wronged Qiao Xi.

However, today was Rou Rou and Moling's donation ceremony. This was a good opportunity to build up their reputation, but it was all ruined by Qiao Xi.

This jinx should have been killed back then!

Old Madam Qiao burned with rage and shouted loudly at Qiao Xi, "Don't go!"

Xue Yi frowned and was about to rush forward to argue when she was stopped by Qiao Xi.

Qiao Xi turned around and asked casually, "Old Madam, don't tell me that you still want to scold me? Could it be that I have to remain silent even if I'm being wronged?"

When she said that, Old Madam Qiao was instantly speechless. However, for the sake of her reputation, she gritted her teeth and said, "Why not? Even if you want to lose your temper, you have to look at the situation! Today is Rou Rou and Moling's donation ceremony. After today, Rou Rou and Moling's names will be jotted down in Li City University's records. This is the Qiao family's honor, but you just had to create trouble. Have you ever considered the Qiao family?"

Xue Yi retorted, "You mean that no matter how Qiao Rou slanders Xi Xi today, she has to endure it? Xi Xi is clearly the victim. She was called a mistress and her reputation was at risk but she couldn't expose Qiao Rou?"

Old Madam Qiao was extremely angry and blurted out, "That's right!"

Qiao Xi was angered to the point of laughing.

Old Madam Qiao roared furiously, "Rou Rou is the pride of our Qiao family. Qiao Xi is her stepping stone. The donation ceremony is about to start. Qiao Xi, if you dare cause trouble again, I'll absolutely not let you off!"

Xue Yi was so angry that she wanted to rush up and slap this old woman. She really did not understand how Little Six could tolerate the Qiao family's arrogance with her character.

Unexpectedly, Qiao Xi smiled meaningfully. "A donation ceremony? I heard that Gu Moling and Qiao Rou each donated 40 million yuan. This building will also be named after the two of them, right?"

Old Madam Qiao snorted. "That's right!"

Qiao Xi smiled. "Old Madam Qiao, let me remind you not to keep talking about this 80 million. When things go too far, you can no longer turn them around. Be careful not to suffer retribution."

At this moment, Gu Moling walked in.

His face was gloomy as he looked at Qiao Xi. He was depressed. "Xi Xi, you've gone too far!"

Qiao Xi glanced indifferently at him.

Gu Moling knew that he was in the wrong, so his tone was a little gentler. "Whether Qiao Rou is the mistress or not, she's still a donor. She should accept this honor with me. Our names will forever remain in Li City University. Xi Xi, let's end this matter here!"

Old Madam Qiao sneered. "Moling abandoned you and chose Rou Rou. He has good taste! It's wishful thinking for you to want to destroy Rou Rou. Before long, everyone will forget this matter and only remember what Rou Rou has done!"

"Even if Rou Rou can't become a celebrity, she'll still be a famous entrepreneur. She'll also be a philanthropist who donated 80 million to Li City University! No one will remember that she's a mistress. Your plan will only affect her for a while."

Qiao Xi looked at the extremely confident Qiao family and said slowly, "As you wish."

Being a mistress did not violate the law. It was just a violation of one's morals. It might be fine if she was scolded for a few days, but what if she embezzled a large sum of money?

Qiao Xi turned around to leave, but Gu Moling was stunned.

Qiao Xi had changed. In the past, she only had eyes for him, but this time, she did not even bother to look at him.

Such indifference was hard for the arrogant Young Master Gu to accept.

Chapter 337: This Girl Is Not Gentle At All!

"Moling? Brother Moling."

Qiao Rou called his name softly, her eyes filled with confusion.

Gu Moling returned to his senses and recalled Qiao Xi's words. He looked at Qiao Rou suspiciously. "Rou Rou, why would Xi Xi mention the 80 million? She said..."

Before Qiao Rou could answer, Old Madam Qiao grunted coldly. "It's all because Qiao Xi is jealous of Rou Rou. Rou Rou saved all this money herself. What problem could there be?"

Gu Moling thought about it and felt that Old Madam Qiao was right. Rou Rou had taken on many endorsements over the years. Coupled with the company's earnings, it was not strange for her to fork out 40 million yuan.

It was just that Xi Xi did not seem to be spouting nonsense. Did she really just casually say a few words out of anger?

"Brother Moling, don't you believe in me?"

Qiao Rou's eyes turned red, and she was about to cry.

Her body went weak, and her eyes were filled with sorrow. "Everyone's scolding me now. They're saying that I'm a mistress. They even think that I, an illegitimate daughter, couldn't have so much money."

"I can't compare to my sister, but this money is from my endorsement fees and salary. I couldn't bear to spend it and saved it all... Brother Moling, that's really my money!"

Seeing her cry, Gu Moling's heart ached. "Rou Rou, stop crying. I'm not suspecting you. Qiao Xi must be spouting nonsense."

He comforted her softly, saying, "Rou Rou, your body is weak. You should quickly go and rest. No matter what, we're the ones who donated 80 million yuan. Chancellor Li will acknowledge our contributions."

Qiao Rou immediately heaved a sigh of relief and nodded obediently.

She leaned into Gu Moling's arms, her eyes filled with resentment.

The 40 million yuan was indeed not hers, but no one would know where she got it from because no one would think that she was related to that person.

She could donate 40 million to Li City University, but Qiao Xi could not. She had won in this aspect.

...

On the other side, Qiao Xi was lying on the rocking chair in the lounge and drinking tea comfortably. After fighting with Qiao Rou for a long time, her body was slightly tired. When she finally got to relax, she was feeling a little tired.

When Gu Zheng entered, she had already fallen asleep on the rocking chair.

He stopped in his tracks and quietly walked closer.

Gu Zheng bent down, and a faint fragrance entered his nose.

After he was poisoned, his sense of smell gradually deteriorated, so he almost could not smell it.

However, when they met at the Civil Affairs Bureau that time, he clearly smelled the light and elegant fragrance on Qiao Xi's body. It did not smell like flowers or spices. It was a special fruit blend that made one's mood lighter.

At this moment, Qiao Xi's eyes were closed and her eyelashes were fluttering like fans. Her delicate skin was glowing under the sunlight, and her entire body was curled up like a baby.

Gu Zheng felt that Qiao Xi looked so gentle at this moment. She gave others the impulse to hug her.

He smiled and took off his jacket to gently cover her body. He also felt that it would be uncomfortable if she curled her body up like this, so he held her in his arms and adjusted his posture while stroking her hair.

Looking at her red and tender lips, Gu Zheng's Adam's apple moved. He lowered his head and kissed her gently.

Qiao Xi only felt a wave of heat approach her in her sleep and habitually opened her mouth to bite it.

She felt that it was quite soft, so she did not let go.

Gu Zheng: "..."

It was all an illusion. This girl was not gentle at all!

She could bite him so fiercely even when she was asleep. Qiao Xi was destined to not be gentle in this life.

Taking advantage of the moment when she let go, Gu Zheng hurriedly escaped. He saw the woman in his arms frown, and she clicked her tongue as if she was very dissatisfied.

Gu Zheng smiled.

What kind of feast was she dreaming about?

After a while, Qiao Xi slowly woke up. She looked at the unfamiliar surroundings and recalled that she was still in the lounge. Qiao Rou and Gu Moling would be holding a donation ceremony later!

Qiao Xi stood up and was about to leave when Gu Zheng pushed the door open and walked in.

She looked at Gu Zheng in confusion. "Why are you wearing a mask?"

Gu Zheng lowered his eyes and said calmly, "I don't want to expose my identity."

Qiao Xi felt that something was wrong.. If he did not want to expose himself, why was he still wearing it in the lounge? There must be something fishy going on.

Chapter 338: Your Mouth Is Swollen

Qiao Xi rolled her eyes and quickly pulled off his mask—

Gu Zheng's lips were slightly swollen with a clear bite mark.

Qiao Xi gasped. Before she slept, there were no teeth marks on Gu Zheng's mouth. Such a small mark was definitely left by a woman.

Who exactly bit Gu Zheng when she was asleep?

Moreover, with Gu Zheng's skills, it was impossible to attack him. That meant that Gu Zheng was willing.

Qiao Xi lowered her eyes as her heart ached.

Gu Zheng looked at the little girl in front of him who had her head lowered and was even sniffing. He immediately understood that she had misunderstood.

He had never seen someone getting jealous of themselves!

Gu Zheng lowered his eyes. "Mrs. Gu."

Qiao Xi looked away angrily.

Gu Zheng smiled. "Did you have a sweet dream when you were sleeping?"

Qiao Xi did not understand and only replied aggrievedly, "I dreamt of eating roasted chicken! Why? Can't I even have a dream?"

“Roasted chicken?” Gu Zheng snorted. “Think about it carefully. Who could bite me?”

Qiao Xi looked at him with slight doubt, then her eyes widened. She pointed at herself and asked in disbelief, “You mean I bit you?”

Qiao Xi was just about to retort. She was asleep, so how could she have pounced on Gu Zheng and bit his lips?

Gu Zheng, who was at the side, said unhurriedly, “Mrs. Gu, shouldn’t you change your habit of biting things in your sleep?”

Qiao Xi: “!!!”

What?

She felt as if she had been struck by lightning. Her mouth was wide open in shock, and she looked embarrassed.

Could it be that she had sleepwalked and pressed Gu Zheng down to bite him?

She did not know that she still sleepwalked, but the mark on Gu Zheng’s lips could be seen clearly.

Qiao Xi was extremely surprised. “Did I really sleepwalk?”

Gu Zheng nodded, his eyes looking a little aggrieved.

Qiao Xi was slightly guilty. She really did not know that she sleepwalked and even bit Gu Zheng.

“Did I really bite you? Does it still hurt?”

At this moment, the brothers standing outside the door clicked their tongues. Song Shijing was relatively calm. He was a calm person, after all, but Song Shiyu was different. He was holding it in until he almost suffered internal injuries.

However, for the sake of his remaining salary, he could not tell Young Madam that the president had secretly kissed her while she was asleep, so she bit him.

After hearing the president’s accusations, Song Shijing finally understood Song Shiyu. The president had indeed become much more shameless after knowing Young Madam.

Qiao Xi felt that Gu Zheng was slightly strange, and it caused her to be a little uneasy. Why was he still so happy after being bitten? He was actually still smiling. Was he laughing from extreme anger?

The man sat on the sofa and took a sip of tea. He suppressed his smile and asked calmly, “Mrs. Gu, what are you thinking about?”

Qiao Xi was slightly uneasy. “Does it hurt?”

Gu Zheng put on his mask, lowered his eyes, and sneered. “What do you think?”

Qiao Xi felt uneasy.

How could it not hurt?

Qiao Xi smiled in embarrassment and deceived herself. "It doesn't hurt, right? I'm such a weak little woman. How could it hurt when I only bit you lightly?"

Gu Zheng looked up and sneered. "It's okay. It doesn't hurt. It's not your fault."

Qiao Xi was slightly surprised. "You don't blame me anymore?"

'Gu Zheng is letting me off so easily?'

Gu Zheng said softly, "Could it be that you think I'm a petty man, Mrs. Gu?"

Qiao Xi choked and smiled awkwardly.

'That's exactly what I think!'

However, she said something against her conscience, "Of course not! You're the best!"

Qiao Xi was slightly guilty when she suddenly thought of something, so she explained loudly, "Gu Zheng, I bit you because I love you!"

Gu Zheng almost spat out the tea in his mouth.

Qiao Xi argued, "I bit your lips! Would I have bitten anyone else? It's because I love you that I wanted to kiss you in my sleep. Of course, you can't blame me!"

Gu Zheng: "..."

Hehe, he finally understood. Mrs. Gu's IQ was high and low at times. When she defended herself, her IQ could exceed 280.

As soon as Qiao Xi finished speaking, she looked at Gu Zheng while trembling with fear. However, she noticed that Gu Zheng was still so calm and expressionless.

The man asked indifferently, "You found out about the 80 million yuan?"

Chapter 339: The Enemy Of The Enemy Is A Friend

Qiao Xi raised her eyebrows. "You investigated it too?"

Gu Zheng nodded. "Junior, do you think you can fool me by deleting the data?"

Qiao Xi chuckled.

Gu Zheng's long fingers tapped on the table. "Then, you should know where the 80 million came from."

Speaking of which, Qiao Xi was extremely puzzled as well. She asked in a light voice, "Gu Moling transferred the 40 million from the company. Even though it's against the rules to move this huge sum of money, he's the boss, after all, so it's not strange."

Xi Ling Corporation was established by her alone. Now that it was in Gu Moling's hands, he allocated 40 million yuan. There was nothing wrong with it.

However, Qiao Rou's 40 million...

Qiao Xi was puzzled. "Qiao Rou embezzled the money from Gu Yao's account. How did she do it? Could it be that she knows the password?"

The password of the Gu family's second young master's account would definitely not be told to outsiders. How did Qiao Rou get this sum of money without being discovered?

Gu Yao had yet to realize that he lost 40 million yuan in his account.

Gu Zheng's eyes were filled with coldness, and the words he said caused Qiao Xi to be dumbstruck.

"Of course, Qiao Rou doesn't have the ability, but there's someone who can help her."

Gu Zheng sneered. "Madam Gu, Huang Lilan."

Qiao Xi: "!!!"

Madam Gu?

Did Madam Gu help Qiao Rou steal money from her biological son's account?

Was Madam Gu suffering from brain damage? She embezzled 40 million from her son and gave it to Qiao Rou, a stranger. She even wanted Qiao Rou to donate it to the university?

Gu Zheng sneered. "Do you want to know why?"

He said slowly, "Because she knows that you're Gu Moling's former fiancée and wants to use Qiao Rou to suppress you."

Qiao Xi: "..."

She really did not understand Madam Gu's thoughts. Did Madam Gu think that the enemy of her enemy was her friend, so she joined forces with Qiao Rou to deal with her?

Gu Zheng put down the cup and tapped his long fingers. "And this money wasn't transferred to Qiao Rou directly. It should be..."

His eyes narrowed with mockery and disdain. "It was transferred to Lu Yan."

Lu Yan?

Qiao Xi instantly came to a sudden understanding.

Actually, using Qiao Rou to deal with her was just one step of the plan. The real goal was to transfer the Gu family's money to Lu Yan so that Lu Yan could become the head of the Gu family and completely replace Gu Zheng.

"Gu Zheng..." Qiao Xi's heart ached.

Gu Zheng was calm. "It's time to go out."

"What?"

The man smiled. "To watch a show."

...

On the other hand, Qiao Rou had put on makeup again. Her eyes were a little red, but she looked well.

No matter what, Qiao Rou and Gu Moling had already donated 80 million yuan. Li City University accepted it, and the construction of that building had begun. That professional equipment and instruments had also been ordered from overseas.

So what if she was a mistress? She was still someone who had donated to Li City University.

Everyone secretly looked at Qiao Xi and muttered in a low voice, "Eldest Miss Qiao is too pitiful. She was hurt by an adulterous pair and was wronged. Because she's also in Li City University, she was even invited to participate in the donation ceremony. Isn't this like stabbing a knife into her heart?"

"It can't be helped! The chancellor has already accepted the money and even decided on the name of the teaching building. It's called Rou Ling Building. Even if Qiao Rou is a mistress, this is an unchangeable fact."

"Life's tough for Eldest Miss Qiao."

The few of them were discussing softly. The people on the stage did not hear them.

Qiao Zhenguo and Old Madam Qiao sat on the stage and looked at each other.

They were already prepared. As long as the donation ceremony ended, they would crazily spend money on the trending topics and push the topics of Rou Rou being a mistress off the list of trending topics.

Rou Rou had donated so much to Li City University and even bought many expensive instruments and equipment. She had done so much for the students of Li City University. No one would mention that she was the mistress anymore.

Old Madam Qiao heaved a sigh of relief. Those who accomplished great things did not care about trivial matters. It was normal for one to have some dirt on them. No one was perfect!

When Rou Rou became a famous entrepreneur in the future, the voices behind her back would gradually disappear. Who would still remember what happened many years ago?

Thinking of this, Old Madam Qiao smiled smugly. "Rou Rou, Moling, are you ready to give your speech? For Li City University, for the country, and for the students' studies, you've donated such a huge sum.. You're worthy of everyone's praise."

Chapter 340: Clearing Her Name

Qiao Rou smiled, and her pale face turned a little redder. "I'm prepared to give a speech, but Sister..."

"Why should we care about her?!" Old Madam Qiao frowned unhappily. "Zhenguo, look after Qiao Xi. Don't let her cause trouble again!"

The leaders of Li City University took this donation ceremony very seriously. The instruments and equipment they were getting from Qiao Rou's donation were very advanced and helpful to Li City University.

Moreover, she donated a special book that was previously lost for a long time. It had somehow made its way overseas. Qiao Rou and Gu Moling found that book and bought it at a high price to donate it to Li City University.

Just this matter alone was enough to clear Qiao Rou's name.

Qiao Rou's fans also stood up for her.

[Although Rou Rou's love life is tainted, she's kind-hearted and made great contributions to the country and the university. It's reasonable for Young Master Gu to abandon Qiao Xi and choose her.]

[Qiao Rou is beautiful and kind-hearted. How can a petty woman like Qiao Xi compare to Qiao Rou, whose career is successful?]

The Qiao family could not hide the fact that Qiao Rou was the mistress, so they came up with a plan. Since Qiao Rou was already exposed, they would admit it openly.

It made everyone think that it was because Qiao Xi was too useless and Qiao Rou was too outstanding that Gu Moling liked Qiao Rou instead.

Qiao Rou was selfless. It was just that her love life was flawed. She should not be insulted by everyone.

Qiao Zhenguo reminded her, "Rou Rou, don't care about the opinions of the people around you. The most important thing now is to hold the donation ceremony. When the time comes, I'll naturally help you solve those problems.

"Qiao Xi only has her mind on love all day long, but you're someone who cares about the big picture. You and she are worlds apart. Of course, Moling likes you more.

"It won't be long before everyone forgets your mistake and only remembers your accomplishments."

Qiao Zhenguo smiled, but his expression suddenly darkened. "As for Qiao Xi, I'll deal with her and won't let her stop you."

Qiao Rou smiled proudly.

Then, Qiao Zhenguo brought a group of people to go look for Qiao Xi. Seeing that she was sitting alone in a corner, Qiao Zhenguo said softly, "Xi Xi."

Qiao Xi raised her eyes. "..."

"I know that you find it unfair. You grew up in the countryside, while Rou Rou has always been by my side. The gap between the two of you is very big. Now that Rou Rou has donated so much money and even bought important equipment and instruments for the university, it's not strange that Moling likes her. Everything else is all in the past, so stop fooling around.

"I promise you that I'll find you a suitable blind date in a few days. Don't think about Moling anymore."

Qiao Xi's expression was indifferent.

The people around Qiao Zhenguo also advised her, saying, "Xi Xi, your father is doing what's best for you. Don't cause trouble."

“Today’s donation ceremony is very important to the Qiao family. You can’t ruin everything for your own selfish desires.”

“Rou Rou represents the entire Qiao family now. If the Qiao family is powerful, it’ll be good for you too. Don’t be stupid!”

Hearing everyone’s persuasion, Qiao Xi sneered. “Alright.”

Qiao Zhenguo looked at her in surprise. He did not expect his stubborn daughter to be so obedient this time.

Qiao Xi said indifferently, “Sister invited me to attend the donation ceremony, so why would I cause trouble? I’ll stay below the stage and watch.

“My sister is so outstanding, I can’t compare to her.”

‘I definitely can’t bring it upon myself to embezzle someone else’s money to donate it elsewhere.’

Qiao Zhenguo was skeptical. “Alright, then I’ll accompany you in case you do anything stupid.”

Qiao Xi did not refuse and just nodded.

She would not create trouble. Someone else would settle the score with them.

The donation ceremony attracted media from all over the country. Many official news outlets were rushing to report this matter.

Although Qiao Rou had snatched her sister’s fiancée, she had also contributed to the country by donating a large sum of money to the university and getting the lost book.

Moreover, the Qiao family had long done public relations and spent a lot of money to bribe many reporters. Hence, these people would not make things difficult for Qiao Rou.

The book Qiao Rou bought was called ‘Investiture Of The Gods’. This book was written by a scholar in ancient times. However, it later fell into the hands of the public and went overseas.. Now that it could return to the country, it naturally attracted a lot of attention.
