Chapter 711: You Have To Take Responsible For Shen Ying!

Everyone looked at each other in dismay. They did not expect to hear such ambiguous voices in the Gu family's residence. The noblewomen present were all married and had children. They naturally understood what was going on in the bedroom next door.

Huang Lilan's body trembled. She could immediately tell that the voice belonged to Shen Ying. However, why was Shen Ying not in Gu Zheng's room but in the master bedroom? Could it be that they slept in the master bedroom last night?

After thinking for a moment, Huang Lilan instantly reacted. It seemed that Shen Ying had seduced Gu Zheng and gone to the master bedroom to fool around. No matter which room it was, as long as the two of them had slept together, the mission this time would be considered a success.

1

Shen Ying's delicate breathing came from the master bedroom again. The guests lowered their heads awkwardly and hurriedly said, "Why don't we come back another day? Let's head out first!"

Huang Lilan pretended to be surprised, then revealed a sad expression. "I've really embarrassed myself. I didn't expect someone to do such a thing in the main residence. Weiming wasn't around last night, and Ah Yao went to hang out with his friends. Could it be Ah Zheng?"

1

Everyone gasped.

Huang Lilan pretended to be surprised. "But didn't Qiao Xi stay in Maple Garden yesterday? Who's Ah Zheng sleeping in the master bedroom with? Could it be Shen Ying?"

Huang Lilan brought everyone to the door of the master bedroom. She suppressed the excitement in her heart and said anxiously, "How could Ah Zheng do such a thing? He clearly rejected Shen Ying, but he secretly slept with her. What should a pure woman like Shen Ying do now?!"

"No way! President Gu slept with Shen Ying?"

"Would President Gu really do such a thing?"

Huang Lilan said angrily, "Who else could it be?! Actually, Ah Zheng and Shen Ying have known each other for a long time, so I suggested that Shen Ying stay by Ah Zheng's side to serve him. Now that things have come to this, Ah Zheng has to be responsible for Shen Ying."

Everyone could only agree. "President Gu should indeed be responsible for what he's done, but this is the Gu family's matter, after all. We should leave first."

"That's right. President Gu is full of vigor. I don't know when the two of them will end. If we're here..."

Huang Lilan also nodded in embarrassment. However, what if Gu Zheng did not admit it if everyone did not see the two of them sleeping together?

At this point, she was just one step away. If she did not give Gu Zheng a push, how could Gu Zheng be willing to take responsibility? When she was questioned later, she would say that she had pushed the door in by mistake.

Huang Lilan smiled helplessly. "Everyone is right. We should indeed leave."

Although she said that, her hand 'accidentally' touched the handle. The door opened just like that, and the scene in the bedroom was instantly revealed to everyone.

The intense sounds of intercourse became clearer. The first thing they saw was clothes and pants scattered on the floor. Then, they saw a couple lying on the bed and hugging each other tightly, making everyone blush in embarrassment.

Huang Lilan trembled in excitement.

Gu Zheng, the almighty Gu Zheng, was defeated by her in the end!

Things had already happened, so it was impossible for Gu Zheng to get away with it. Gu Zheng had slept with the pure daughter of the Shen family, so he definitely had to give an explanation!

If Gu Zheng accepted Shen Ying, Qiao Xi would definitely kick up a fuss. The couple's relationship would definitely be affected. If Gu Zheng did not accept Shen Ying, his reputation would plummet. At that time, Lu Yan could take the opportunity to take over the Gu family.

Hearing Shen Ying's ambiguous pants, Huang Lilan exclaimed, "Shen Ying! Ah Zheng, you must take responsibility for what you've done!"

At this moment, Madam Shen received the news and rushed to the scene. When she heard that Shen Ying had completed her mission, she shouted excitedly, "Yes! Our Shen Ying is so sincere to you. Now that she has given you her body, you can't abandon her!"

Huang Lilan continued to speak up for her, "Shen Ying is a kind child. She's obedient and sensible. If she can stay by Ah Zheng's side, I'll be at ease."

The two women spoke one after another, but the man on the bed did not listen to them at all. He continued to enjoy himself.

1

Shen Ying, who was under the blanket, bit her lip tightly. Now that she had already slept with Gu Weiming, she had no choice but to follow Gu Zheng's wishes. Otherwise, not only would Gu Zheng not let her off, but she would have to face Huang Lilan's wrath as well.

1

Moreover, there was nothing wrong with becoming Gu Weiming's woman. Huang Lilan was a mistress who could do whatever she wanted just because she was Madam Gu. If she occupied Huang Lilan's position, then...

Chapter 712: Madam Gu Caught Her In The Act

At the thought of this, the resistance and uneasiness in Shen Ying's heart vanished. She hugged the man tightly, and her voice became even more charming.

At this moment, Huang Lilan had already walked to the bed from the door. She was about to lift the blanket and take a look at the scene underneath. "Ah Zheng, don't blame me. I'm doing this for your own good. You should have—"

Before she could finish, a man's voice came from under the blanket, making her tremble. She found this voice familiar.

Huang Lilan thought that it was her imagination and did not have second thoughts about it. Instead, she continued to mutter, "After Qiao Xi finds out about this, she definitely won't let the matter rest. You don't have to be too tolerant with her. With your identity, it's not uncommon for you to have a few more women by your side. If she really loves you, she has to accept this fact and be a good wife and mother.

1

"Shen Ying is gentle and obedient. She doesn't fight for anything. She doesn't need a status either. She'll be very happy as long as she stays by your side. Isn't it better to let her take care of you with Qiao Xi?"

At this moment, footsteps came from outside the door. One of the guests turned around and was instantly stunned.

Huang Lilan did not realize that there were newcomers outside the door and continued to chatter away, "Ah Zheng, it's human nature to have sex. There's nothing to be embarrassed about. Moreover, we've all seen it. Don't even think about denying it."

The footsteps were getting closer and closer. Huang Lilan sensed that someone was standing behind her and exuding a cold aura. Before she could turn around, the person said, "Madam Gu, what are you doing?"

Boom!!!

The bedroom was silent. Huang Lilan's body suddenly stiffened as if she had seen a ghost. Then, she slowly turned around. The moment she saw Gu Zheng, she finally could not help but shout, "Ah! Gu Zheng!"

"Madam Gu, you don't have to be so loud. I'm not deaf!" Gu Zheng's eyes were filled with mockery as the corners of his lips curled up slightly.

1

Huang Lilan was stunned for a few seconds before she suddenly reacted. Gu Zheng was standing in front of them. Then who was the man who was sleeping with Shen Ying?

She looked at the bed in horror. A bad feeling gradually spread throughout her body.

Qiao Xi covered her mouth and asked in surprise, "Ah! Who are the two people on this bed?! Why did Madam Gu bring so many guests to catch them in the act?! Won't they be embarrassed if news of this gets out?!"

Madam Gu wanted to catch them in the act, but who exactly had she caught?

Everyone knew that the woman on the bed was Shen Ying, but who was the man with her? The only men who could enter the main residence were Gu Weiming, Gu Zheng, and Gu Yao. Now that Gu Zheng was standing here and Gu Yao was with a friend, Gu Weiming was the only one left.

Suddenly, Shen Ying lifted the blanket, revealing their naked upper bodies and faces.

The moment Huang Lilan saw the man, her mind instantly buzzed. She lost control of her expression and gritted her teeth.

Gu Weiming?

How could it be Gu Weiming?

Gu Zheng immediately covered Qiao Xi's eyes, but she still said, "So it's Chairman Gu! You're already old enough to be Miss Shen's father, yet you're actually sleeping with Miss Shen Ying! Also, Miss Shen Ying said that she loved Gu Zheng yesterday. Why is she sleeping with Chairman Gu? Could it be that Chairman Gu forced himself on Miss Shen Ying?"

Only then did Huang Lilan react. She did not care about her image anymore and screamed, "Ah! Ah! Why are you sleeping here? It should have been Gu Zheng!"

"Shen Ying! You b*tch! Little vixen! Get down! I'm going to kill you!" Huang Lilan rushed over like a madwoman and pulled Shen Ying's hair.

1

Shen Ying hurriedly picked up a jacket and put it on. Then, she was pulled to the floor. She said pitifully, "Aunt Lan, I—"

Smack!

Huang Lilan slapped Shen Ying hard and shouted with a ferocious expression, "B*tch! How dare you snatch my man?! Do you want to die?!"

Shen Ying's body was covered in traces of their love-making. Her cheeks were red, indicating what she had just experienced. Then, tears trickled down her face. "Madam Gu..."

"Huang Lilan! Why are you shouting?! Why did you bring so many people here?" Gu Weiming turned around and looked at the people in front of him. His face was filled with embarrassment, and he could only vent his anger on Huang Lilan.

Gu Weiming looked at Shen Ying's red and swollen cheeks on the floor, which added to her charm. When he thought of their intimate moments last night, his heart could not help but ache. He roared. "Huang Lilan! Are you crazy?!"

Chapter 713: You Either Never Cheat Or Cheat Countless Times

"I'm crazy? You and that little b*tch Shen Ying slept together, yet you're saying I'm crazy?" Huang Lilan gritted her teeth and shouted. It was clear from her voice that she had lost control of herself.

Gu Weiming looked at the people outside the door with an extremely ugly expression. Shen Ying, who was on the floor, looked at him affectionately and said weakly, "Weiming..."

Shen Ying's eyes were filled with tears as she cried pitifully. "You allowed me to call you by your name last night. I admit that I was willing. Although this is very unfair to Aunt Lan, you have to take the initiative to fight for someone you like. Moreover, last night..."

Hearing Shen Ying's soft and weak voice, Gu Weiming's heart instantly melted. He looked at her with heartache and wished he could hug her.

Huang Lilan watched the two of them exchange glances. The flames of anger burned in her heart. She broke down and shouted, "Ah! Shen Ying! You b*tch! How dare you covet my man?!"

"B*tch! B*tch! You'll die a horrible death! You b*tch, I'll kill you! Vixen! I'll cut your face!"

As she spoke, Huang Lilan rushed over and slapped Shen Ying's face from left to right. She slapped Shen Ying a few times but it was still not enough to vent her anger. She pulled Shen Ying's hair and hit her crazily.

After all, Shen Ying was nurtured by Huang Lilan. Hence, she had learned Huang Lilan's methods. And because of her youth, she was also more favored than Huang Lilan.

1

"Weiming..." Shen Ying did not resist and let Huang Lilan beat her up. She just looked at Gu Weiming weakly and helplessly, calling his name softly.

Chairman Gu looked at the two women in front of him. Shen Ying was weak and pitiful, while Huang Lilan was shrewish and vicious. The difference was obvious at once. Gu Weiming immediately ordered loudly, "Stop!"

"What? You want me to stop? You've been bewitched by this little vixen! This little b*tch actually dares to seduce you. Shouldn't I hit her?"

Huang Lilan stopped and looked at Gu Weiming in disbelief. Could it be that he had fallen for Shen Ying in just one night? She had underestimated this little b*tch!

"Tsk tsk... So, the person Miss Shen Ying likes is Chairman Gu. In that case, why don't you marry Chairman Gu?" Qiao Xi said with interest.

"Qiao Xi! What nonsense are you talking about?!" Huang Lilan was unable to restrain her anger.

Qiao Xi said indifferently, "With Chairman Gu's identity, it's normal for him to have a few women by his side. Moreover, everyone has seen Chairman Gu having an affair with Miss Shen. Shouldn't he take responsibility?"

"Madam Gu, these were your original words. Or can they only be applied to Gu Zheng and not Chairman Gu?"

1

Gu Weiming's expression darkened as he said angrily, "Qiao Xi! You—"

Before he could finish, Shen Ying interrupted him weakly, “Weiming, we were rash last night. If you’re unwilling, you don’t have to take responsibility. But now that it has happened, I won’t be able to marry anyone else. From now on, I’ll just have to look at you from afar. I’ll be content even if I can’t be by your side.”

Gu Weiming’s heart ached. “Shen Ying, this...”

Qiao Xi’s eyes were filled with ridicule. It was either one never cheated or one would cheat countless times. Gu Weiming cheated on Lu Qingyun back then and was cheating on Huang Lilan now.

3

Gu Zheng knew that Gu Weiming could not resist the temptation, so he let Shen Ying make a move on him. As long as the two of them had sex, Gu Weiming would never be able to let Shen Ying go.

Qiao Xi raised her eyebrows. “Miss Shen Ying truly loves Chairman Gu, and Chairman Gu also likes Miss Shen Ying very much. Since it’s such a good thing that the two are in love, then quickly get married!”

“Ah! No!” Huang Lilan covered her ears and screamed.

Qiao Xi pretended to be shocked. “Madam Gu, why are you so agitated?”

“What happened today was your—”

“Could it be that you’re unwilling to accept it?” Qiao Xi glanced at her in disbelief, then looked at Gu Weiming. “Chairman Gu, you might not have heard what Madam Gu said just now, but I can repeat it.

“She said that Miss Shen Ying is gentle and obedient. She doesn’t fight for anything and knows how to take care of others. So what if there’s another woman in the picture? If I really have Gu Zheng’s best interests in mind, I should step aside and give up my position so Miss Shen Ying can be with Gu Zheng. After all, they’re the most compatible couple.

“Tsk tsk... I was really touched by Madam Gu’s selfless spirit. Now that Miss Shen Ying is with Chairman Gu, Madam Gu should step aside and give up her position! Otherwise, could it be that you don’t have Chairman Gu’s best interests at heart?”

Chapter 714: Congratulations, Father, On Getting Another Wife

Huang Lilan glared at Qiao Xi with widened eyes. Her body trembled violently as she panted angrily. She was just about to speak when she suddenly spat out a mouthful of blood.

Her body went limp as she fell to the floor, but she still weakly defended herself. “No! No!”

“Madam Gu, you always said that you like Miss Shen Ying. With her around to chat with you and admire the flowers, you can relieve your loneliness. Your dream has come true. Miss Shen can accompany you every day after she marries Chairman Gu. You two can be besties!”

2

Huang Lilan was so angry that she felt dizzy. “Shen Ying! B*tch! Get out of the Gu family! A cheap b*tch like you are thinking of snatching my position?! Get lost!”

Shen Ying's eyes were filled with tears as she cried, "Sister, I've never thought of taking your position. I just... I just want to be by Weiming's side. It doesn't matter even if I don't have a status. I won't snatch it from you.

1

"Sister, you're the future Madam Gu. I'm willing to be the mistress and won't dare to have any complaints. I only hope to be able to stay by Weiming's side and serve him. I don't care about anything else."

Qiao Xi curled her lips. This had just happened, yet Shen Ying was already calling Huang Lilan 'Sister.' Her delicate voice would definitely anger Huang Lilan.

As expected, Huang Lilan instantly exploded when she heard Shen Ying call her 'Sister.' This was the method she had taught Shen Ying back then. She made Shen Ying kneel in front of Qiao Xi and beg her after she was discovered. She asked Shen Ying to call Qiao Xi 'Sister' and say that she did not want an official status. She was just willing to be a mistress. Now, all her tricks were actually used on her.

2

Huang Lilan trembled in anger. "B*tch!"

Clap, clap, clap.

Qiao Xi clapped leisurely, then said with a smile, "Madam Gu, I still remember you saying yesterday that Miss Shen was willing to stay by Gu Zheng's side even without a status. According to you, it means that she truly loves Gu Zheng. You asked me to accept her. Now, Miss Shen is willing to give up her status to accompany Chairman Gu. How can you bear to refuse?"

"I'm about to cry from Miss Shen's display of true love. You won't object, right? How could you separate a pair of lovers? You'll be too heartless if you do that, right?"

Qiao Xi repeated what Huang Lilan had said yesterday, making Huang Lilan speechless.

"Madam Gu, you also said that Miss Shen is obedient and filial. She definitely won't offend you, her sister. You should be grateful to have such a sister to help you serve Chairman Gu!

"Moreover, you said that if you like someone, you have to take the initiative to fight for them. What's wrong with Miss Shen liking Chairman Gu? A hardworking woman like her should have the right to be loved! So what if she's a mistress?! After all, Madam Gu, you were also a mistress back then!"

Gu Zheng, who was at the side, looked up at Gu Weiming. "Congratulations, Dad, on getting another wife."

2

Gu Zheng's friend, Ye Qingyuan, also said casually, "Congratulations, Chairman Gu. It's really rare to be blessed with true love at your age. Moreover, Miss Shen is young, beautiful, obedient, and sensible. Chairman Gu, you're really blessed!"

Everyone: "... 'Don't think we can't tell that you're saying words of mockery.'

1

In modern society, monogamy ruled over everything else. However, after Gu Weiming and Lu Qingyun got married, Gu Weiming had a mistress. Huang Lilan even moved into the Gu family before the married couple divorced. In the end, she caused Lu Qingyun's death and successfully rose to power. Now, there was Shen Ying. Gu Weiming's private life was really messy.

Seeing that Gu Zheng and Ye Qingyuan had both congratulated them, the guests also echoed, "Congratulations, Chairman Gu! Congratulations, Madam Gu, on having an obedient sister."

When they heard that something big had happened in the main residence, other guests rushed over to watch the show. The people who came later did not know what had happened. They only heard that Madam Gu had a new younger sister now.

"Who's Madam Gu's sister?"

"It's Miss Shen Ying!"

"I heard that Madam Gu likes Miss Shen a lot. So it's true! They've even become sisters after getting together with the same man!"

Hearing everyone's discussion, Huang Lilan roared crazily. "No! I won't allow it! Shen Ying, that vixen, has already slept with Gu Zheng but is trying to seduce Weiming. She wants to seduce the father and son to harm our Gu family!"

"Hubby, she's your son's woman! How can you keep her by your side? If news of this gets out, our Gu family's reputation will be ruined!"

1

"Is that blood on the bedsheets?" Qiao Xi pointed at the smear of red on the bed and said embarrassedly, "It's clearly Miss Shen Ying's first time! She wanted to leave the most precious thing to the person she loved the most. How could you say that about her, Madam Gu?!"

Chapter 715: Gu Yao's Identity

Huang Lilan stared fixedly at the red stain on the bedsheets.

Gu Weiming originally thought so too. How could the father and son sleep with the same woman? If Gu Zheng really had sex with Shen Ying before this, he could not take her in no matter what.

However, the feeling last night was real. He could sense that it was Shen Ying's first time. Moreover, the red stain was real, so...

Shen Ying seemed to have suffered a great humiliation as she sobbed. "Weiming, President Gu and I... really didn't do it. I gave my first time to you! Boo-hoo..."

Gu Weiming instantly felt much better. Although he did not care much about a woman's first time, such a weak and beautiful woman had given her first time to him and even expressed her love for him. Which man could reject her?

1

He put on a bathrobe, walked past Huang Lilan, and picked Shen Ying up from the floor. He said gently, "Shen Ying, since you're willing to be by my side, then stay with me."

Huang Lilan was still somewhat charming for her age. However, Shen Ying was only in her 20s, which was the most beautiful age for a woman. Moreover, Shen Ying was gentle and obedient. Gu Weiming naturally could not resist her.

2

Shen Ying nestled in Gu Weiming's arms and lowered her head shyly.

When Huang Lilan saw this scene, she was about to go crazy. This was clearly a trap she set for Gu Zheng, but now, it was used on her!

Back then, she had racked her brains to try her best to keep Gu Weiming by her side. She worked hard for so many years before successfully getting to where she was today. Now, that b*tch Shen Ying had only slept with him for a night before she gained the right to stay in the Gu family!

"Madam Gu, isn't it very appropriate to say that you shot yourself in the foot?" Qiao Xi said with a smile.

1

"20 years ago, Chairman Gu had an affair and colluded with you to force Eldest Miss Lu to divorce him. Now, you're old and he has fallen for a young and beautiful woman. You should have known that such a day would come. Everything you've experienced today is retribution for what you did back then!"

2

Huang Lilan was angered to the point her heart ached. "Qiao Xi!"

She glared at Qiao Xi with widened eyes. "Don't think that you can defeat me like this! Don't forget that I'm Gu Zheng's mother! I'm also Gu Yao's mother! I gave birth to two sons for the Gu family. Who can replace me?"

"Aren't you and Gu Yao on good terms? If Gu Yao finds out that you set all of this up, don't you think he'll hate you? He's my son!"

"I already know." At this moment, a lonely voice came from outside.

Gu Yao walked in like a pitiful dog, but his eyes were extremely determined. He said word by word, "Mom, you're wrong. You've done so many wrong things. You shouldn't have seduced my father, destroyed his family, and framed Gu Zheng. When you seduced my father and cheated with him, you should have expected this day to come."

Qiao Xi looked at Gu Yao with heartache.

Gu Yao's tone was firm. "In your eyes, I'm just an ignorant and incompetent rich second-generation heir. You think I don't know anything, but I know how you got this position back then and how many tricks you used!

"Now that something has happened, you're saying that I'm your son. But ask yourself. Do you treat me as your son? Don't think I don't know that I'm only your tool to consolidate your position!"

Gu Yao looked silly on the surface, but he knew everything. He just did not say it. Now, in front of everyone, he spoke his mind to Huang Lilan for the first time.

The corners of Huang Lilan's mouth twitched slightly. After being stunned for a few seconds, she rushed in front of Gu Yao like crazy and questioned loudly, "What did you say? Am I not good to you? Why are you standing on Gu Zheng's side to deal with me?"

"Since I was young, you've told me that I'm the young master of the Gu family. I don't have to study or go to school. I can do whatever I want. Even if I offend someone, the Gu family can help me settle it. Is this what you mean by 'good'?"

"Which mother educates her child like this? You wanted to raise me to be a good-for-nothing who can only survive by relying on the Gu family!"

Huang Lilan looked at Gu Yao in shock. She did not expect her usually silly son to say such things. The secret that she had kept in her heart for many years was about to be exposed. She immediately roared. "Nonsense! How could I harm my son?! Gu Zheng must have made you say that!"

Chapter 716: The Medical Association

"It has nothing to do with Gu Zheng. It's what I think." Gu Yao smiled bitterly and said, "You keep saying that you're doing this for my own good, but what about Lu Yan? Why are you focusing on nurturing Lu Yan? Why did you deliberately let him become the heir?"

"You deliberately raised me to be a good-for-nothing because you were afraid that I would threaten Lu Yan in the future. All these years, I listened to your instructions and became a famous playboy in Li City. That's why you let your guard down and never treated me as a stumbling block.

"That's why I've never suffered since I was young. I've never been locked in the dark Maple Garden. I've never had to escape death so many times, nor have I experienced assassinations and car accidents. Fortunately, I'm a little smart and pretended to be trash. Otherwise, I would've lost my life a long time ago!"

"You... You..." Huang Lilan pointed at Gu Yao with trembling fingers and shouted in exasperation, "Gu Yao! What nonsense are you talking about?! I'm your mother. Why would I harm you?"

Gu Yao's heart ached. He had long guessed that Gu Zheng was not his mother's child, while he and Lu Yan were brothers with the same parents. However, why was Lu Yan able to receive the careful nurturing of his parents while he could only become a good-for-nothing?

"Madam Gu." Qiao Xi slowly raised her eyes. "You're right. Why would a mother harm her own son?"

Huang Lilan had a bad feeling in her heart. Before she could retort, Qiao Xi said casually, "Perhaps you're not Gu Zheng and Gu Yao's biological mother.

"Gu Yao doesn't look like you at all, and it's the same with Gu Zheng. Is there a possibility that you're not their biological mother at all?"

Huang Lilan had been abusing Gu Zheng since he was young, while Gu Yao was not targeted because he was naive and pretended to be stupid. Hence, Huang Lilan deliberately raised Gu Yao to be a good-for-

nothing and let him continue to be arrogant. He would be thrown into jail after making a mistake or killed by his enemy.

Gu Weiming only had three sons. With Gu Yao being a piece of trash, Lu Yan only had one competitor— Gu Zheng. At that time, they could do their best to deal with Gu Zheng.

For the sake of her only son, Huang Lilan schemed step by step to make Lu Yan the head of the Gu family. She would then become the most powerful mistress of the Gu family in the future.

Gu Yao's body stiffened as he looked at Qiao Xi in disbelief. He knew that Gu Zheng was not Huang Lilan's child, but he had never thought that he was not her son either.

Huang Lilan roared in horror. "Qiao Xi! Shut up! You're trying to ruin our relationship as mother and son! Gu Yao, I'm your mother. I've doted on you since you were young. I've always been afraid that you'd suffer any grievances. Don't believe Qiao Xi's nonsense! Now that Shen Ying, that b*tch, has climbed into your father's bed, I'm already being attacked from both sides in the Gu family. Could it be that you want to abandon your mother too?"

"Qiao Xi! You b*tch! What you said... No! It's not... It's not like that! Ah Yao, don't fall for it. I love you."

Hearing Huang Lilan's roar, Qiao Xi walked in front of her without changing her expression. "Madam Gu, you naturally won't admit it, but since I can say such things, I naturally have evidence."

"What evidence do you have?! With Gu Zheng's current wealth and power, it's easy for him to fabricate evidence. You want to frame me? Dream on!"

Qiao Xi smiled indifferently and said, "That's right. With Gu Zheng's identity, he can indeed do all of this, so you'll use this as an excuse not to let Gu Zheng interfere in this matter. As long as he produces DNA evidence, you'll say that he spent money to bribe the other party.

"But you should know that there's a medical organization that can't be bribed."

Huang Lilan's body suddenly stiffened. Qiao Xi said casually, "The Medical Association."

The Medical Association was an independent organization that did not compromise with any family or power. They had always been fair and had won everyone's trust. If the Medical Association produced an appraisal report, it would definitely be able to be used as evidence.

Huang Lilan's body trembled as she gritted her teeth. No way! How could that person ruin her future to help Gu Zheng? Hence, she was sure that Gu Zheng's identity could only be a secret. He could only be an illegitimate child who was despised by others!

After Qiao Xi finished speaking, she did not want to look at Huang Lilan's face anymore. She pulled Gu Yao and Gu Zheng away angrily.

Chapter 717: 20 Years Of Conspiracy

As soon as they left the villa, Gu Yao revealed a pitiful expression. He squatted by the roadside like a pitiful dog and looked up slightly. "Gu Zheng, Qiao Xi, am I really not Mom's son? I originally thought that she just didn't like me, but it turns out we're not related by blood.

"Then tell me, whose child am I? Gu Zheng, I previously guessed that you're Eldest Miss Lu's son. But who's my mother? Perhaps I'm not even a child of the Gu family. Perhaps I'm not your biological younger brother!"

Qiao Xi's heart ached. Huang Lilan had planned for many years and deliberately led Gu Yao astray, letting the entire Li City know that Gu Yao was a good-for-nothing. Gu Yao was born smart, so he pretended to be a good-for-nothing. However, he had been secretly learning. He was really a genius to be able to maintain his true heart in the Gu family.

Looking at Gu Yao's sad appearance now, Qiao Xi's heart ached. She went forward and patted his head to comfort him. "Gu Yao..."

"Does it really matter whether you're from the Gu family or not?" Gu Zheng said slowly, "No matter whose son you are, you're still my younger brother. This can't be changed. You should be happy to have lost a mother like Huang Lilan."

Hearing Gu Zheng's words, Gu Yao's eyes lit up. "Gu Zheng, do you really think so? You won't abandon me, right? Then I won't embarrass you. I have to pull myself together. Anyway, I've never wanted a mother like Huang Lilan. Now, my wish has been fulfilled!"

Qiao Xi: "...". The little puppy who was still heartbroken a second ago instantly seemed to be happy again. It seemed that Gu Yao and Huang Lilan really did not have any feelings for each other.

At this moment, the birthday banquet in the Gu family's old residence had not ended. The guests were all staying in the Gu family's residence. Without Gu Zheng's permission, no one dared to leave first, lest they offended Old Madam Gu and Gu Zheng.

Originally, this birthday banquet was supposed to last for three days. However, such a shocking thing happened the next morning. It almost made Huang Lilan faint. No one knew what else would happen tomorrow.

Qiao Xi and Gu Zheng returned to Maple Garden. Gu Yao naturally would not return to the main residence. He went to Old Madam Gu's courtyard to rest.

Gu Yao also knew very well that the old madam wanted him to calm down and think about why Huang Lilan did this. Perhaps it was to consolidate her status previously, but now, it was to let him set off Lu Yan.

If Gu Zheng had not pulled him out of the quagmire in time, he would have long become a chess piece in Huang Lilan's hands. What would happen to an arrogant hedonistic son in the end? Huang Lilan had long paved the way for him. If he was lucky, he would live his life peacefully. If he was unlucky, he might die one day. In short, he would never threaten Lu Yan's status.

For the past 20 years, Huang Lilan's actions had been full of schemes. The small amount of love she showed him was only for the sake of the plan. Since Huang Lilan was so cruel to him, why should he care about their relationship as mother and son?

...

On the other hand, Huang Lilan returned to the main residence. When she entered, she saw Shen Ying standing upstairs and ordering the servants to pack their things. She looked like the mistress of the house.

Huang Lilan shouted in exasperation, "Shen Ying! Who let you stay here?"

At this moment, Shen Ying gradually felt the benefits of being Gu Weiming's woman. Although Gu Weiming was a little old, he was still the former head of the Gu family. He had huge wealth and power.

On the surface, the Shen family was a noble family, but they were far inferior to the Gu family. They had no money or connections. They only had a reputation and were useless.

She could not marry Gu Zheng, but she became the woman Gu Weiming doted on. Actually, this felt good. She was rich and had a high status now. She was much better than when she was groveling!

1

Shen Ying smiled indifferently. "Sister, of course, it was Brother Weiming who asked me to move in! He has already agreed to let me stay by his side and serve him. Weren't you also present today?"

"Don't worry, I won't threaten your position. You and Brother Weiming will still stay in the master bedroom. I'll stay in the second bedroom next door. I won't fight with you. In the future, the two of us will work together to serve Brother Weiming. We—"

Smack!

Huang Lilan slapped Shen Ying hard and interrupted her. Then, she gritted her teeth and roared, "B*tch! Don't call me 'Sister'! You b*tch, are you worthy of being my sister?"

Chapter 718: Fighting With The Third Party

"B*tch? Sister, you taught me all my tricks. Back then, you climbed into Brother Weiming's bed just like I did. Why can you do such a thing but others can't?"

Shen Ying held her red and swollen cheek, saying indifferently, "Do you still remember? You were just a servant of the Gu family back then. For money and status, you seduced Brother Weiming and caused Lu Qingyun's death so you could rise to power. Such methods are really admirable. Now, I just want to stay by Brother Weiming's side and serve him. I don't want to snatch your position, much less kill you. What else do you want?"

"You, a servant, can even sit in Madam Gu's seat. I'm the dignified daughter of the Shen family. Why am I not worthy? After you became Madam Gu, you became arrogant and looked down on everyone. Have you forgotten that you were once a servant?! Among the noble families, your status is the lowest!"

"Ah!!! B*tch! I'm going to kill you! How dare you provoke me like this? Ahhh!"

Huang Lilan rushed over like a shrew. A trace of scheming flashed past Shen Ying's eyes. She fell to the floor and covered her face. Tears trickled down her face as her voice trembled weakly. "Sister, it's my

fault. You can hit me. I definitely won't resist. As long as you can forgive me, I won't complain even if you beat me to death! I like Brother Weiming, so I did seduce him. Don't blame him..."

Before she could finish, Huang Lilan felt a hand grabbing her wrist tightly. She turned around and met Gu Weiming's angry eyes. Before she could say anything, Gu Weiming slapped her face.

Huang Lilan was slapped quite hard, and her head felt heavy for a few seconds. Then, she covered her cheek and looked at Gu Weiming in disbelief. "You... You hit me? For this woman..."

Back then, in order to be with Huang Lilan, Gu Weiming did not hesitate to betray his first wife and scold her. He was also hated by Old Madam Gu. It was enough to prove that he really liked Huang Lilan back then. However, as time passed, Huang Lilan became old and weak. Coincidentally, a young and beautiful woman like Shen Ying appeared in front of him to express her love for him. He naturally could not resist her.

This slap had put a barrier between their relationship as husband and wife. After calming down, Gu Weiming regretted it a little. However, when he heard Huang Lilan's question, the anger in his heart surged again.

"If you can hit Shen Ying, why can't I hit you? Shen Ying is the daughter of the Shen family, after all. In order to stay by my side, she doesn't care about her status anymore. She has already suffered so much. Why can't you be more tolerant?"

When Gu Weiming saw Huang Lilan's face, he felt inexplicably annoyed. "And what right do you have to question me? I'm the master of this house. If I can make you the madam of the Gu family, I can also make you step down from your position. Don't forget that you were just a servant back then. It's your blessing to be able to sit in this position. You should cherish it! Shen Ying, let's go!"

With that, Gu Weiming bent down to pick Shen Ying up from the floor and strode upstairs.

Huang Lilan stood on the spot and was stunned for a few seconds. Her eyes were filled with anger and resentment. Then, her eyes rolled back and she fell to the floor.

In Maple Garden.

Qiao Xi looked at the scene in the surveillance footage and could not help but curl the corners of her mouth. Back then, Huang Lilan wanted to use Shen Ying to restrain Gu Zheng. Now that she saw Shen Ying, whom she had personally trained, going against her, was Huang Lilan filled with regret?

At this moment, Gu Zheng was sitting on the sofa. He suddenly felt a little tired. A minute after he closed his eyes, his other self awoke. His eyes were glowing with a faint green light.

The man looked at the woman who was leaning against him and said without any resistance, "Give it to me."

"What is it?" Qiao Xi's face was filled with confusion. When she met his eyes, she suddenly reacted. Gu Zheng's second personality had appeared, so what he wanted was Huang Lilan's video?

Qiao Xi turned on her laptop and found a video. Gu Zheng was sitting on the sofa with his laptop and watching it with interest.

When Huang Lilan saw Shen Ying and Gu Weiming lying on the bed, Gu Zheng watched their shocked, angry, and resentful expressions several times.

After a moment, he slowly said, "It's not as exciting as I thought. He's still too kind. If it were me, I definitely would've made Huang Lilan completely break down and faint on the spot."

Qiao Xi: "... 'Not as exciting as you thought? What else do you want? You're indeed more childish!'

Chapter 719: The Gu Family Is Going To Change

Gu Zheng put down his computer and asked casually, "The birthday banquet is still going on. What does he plan on doing? Now that Grandma has closed the door and isn't coming out, it's obvious that she's leaving everything to him. The Gu family is going to change."

"To expose Huang Lilan's scheme and prove that she's not your and Gu Yao's biological mother." After Qiao Xi finished speaking, she sighed in her heart. Since he knew Gu Zheng so well, he should have already guessed it.

Gu Zheng's expression was indifferent. After a moment of silence, he could not help but smile. "That's it? He has been enduring for so many years just to confirm this matter?"

The man snorted in disdain. "And how is he going to prove it? Huang Lilan will definitely say that Gu Zheng's evidence is fake. He has to produce stronger evidence to testify against Huang Lilan. A DNA report alone can't prove anything."

Qiao Xi asked, "What if it's the Medical Association's report?"

As soon as she finished speaking, Qiao Xi's phone rang. After the call connected, Qin An's voice sounded. "Little Six, do you know that Elder Lin has resigned?"

As soon as Qin An received the news from the Medical Association, he immediately thought of Gu Zheng. Back then, when Huang Lilan brought Gu Zheng back to the Gu family, she did a paternity test. The Gu family naturally found Elder Lin, who was quite famous in the Medical Association and the medical world, to do it. Of course, the report he provided could not be fake. Gu Zheng became Huang Lilan's child and the Gu family's illegitimate child.

Elder Lin had resigned at this time and even said that he previously forged a DNA report. It made people suspect Gu Zheng's identity.

"Third Brother, I've received the news."

Qin An hesitated for a moment. "Little Six, I've already investigated this matter. It's our Medical Association's fault. Do apologize to Gu Zheng on my behalf."

The organization of doctors who were not afraid of power and did not covet fame and wealth actually had a doctor who did such a thing. This caused Gu Zheng to bear the reputation of an illegitimate child for more than 20 years.

“Little Six, don’t worry. I’ll help you with this matter. I’ve already sent someone to escort Elder Lin over. Nothing will go wrong this time! From the perspective of the Medical Association, this is our mistake. We should be the ones making up for it. From your third brother’s perspective, you’re my sister and Gu Zheng is my brother-in-law. I’ll naturally do my best to help you.”

After Qin An found out about this, he had been feeling very uneasy. He was not afraid of Gu Zheng’s blame, but he was afraid that Little Six would be caught in the middle and Gu Zheng would take his anger out on her.

He was originally the legitimate eldest young master of the Gu family, but because of Elder Lin’s greed, he was cursed as an illegitimate child for many years. The Lu family time even made things difficult for him time and again. If it were not for his strong heart, he would not have been able to hold on.

1

Qiao Xi heard the nervousness in Qin An’s voice and understood his worry. She comforted him softly, saying, “Third Brother, don’t worry. Why would Gu Zheng blame us?”

Qin An was a little uneasy. “If he... doesn’t treat you well, I’ll help you explain things. We can’t ruin your relationship because of this.”

Gu Zheng and Qiao Xi had known each other for ten years. They were finally husband and wife. If Gu Zheng bore a grudge against Qiao Xi because of this matter, how could Qin An, as Qiao Xi’s elder brother, face her in the future?

Qiao Xi was touched, and her voice was gentle yet firm. “This was Huang Lilan’s scheme to begin with. It has nothing to do with anyone else. Gu Zheng loves me so much, so why would he blame me?”

When Gu Zheng heard this, his body could not help but tremble. An unfamiliar memory appeared in his mind. He knew that this memory belonged to the other Gu Zheng.

Many years ago, the two had only known each other for a short period of time, but their relationship was already very deep. Their similar experiences and fate made them appreciate each other.

At that time, Qiao Xi had hacked into Gu Zheng’s building as Black Tide and directly caused the power in the building he lived in to go out. Instantly, his entire world fell into darkness.

Gu Zheng looked at the blurry scene in front of him and used the weak light of his laptop to remain calm. He then sent Black Tide a message: [Junior, did you cut off the power to the building?]

Qiao Xi replied in embarrassment: [Senior, I was just joking with you. Don’t be angry. I won’t be so naughty in the future.]

Mo Yuan: [I’m not angry. Don’t be afraid.]

Gu Zheng smirked. Was that man so gentle to Black Tide?

Then, another memory appeared in his mind.

“Senior, you’re so good to me. If I make you angry one day or make a mistake, will you still be as good to me as you always have?”

Chapter 720: She Would Never Get Back Up

After a moment of silence, the man's gentle voice sounded.

"No matter what happens, I'll be good to you."

It was because that man had said it before that Qiao Xi was so sure that Gu Zheng would definitely not blame her. Moreover, Qiao Xi could not be blamed for what had happened in the Medical Association.

At this moment, the memories in Gu Zheng's mind were intertwined. His emotions were very unstable, and his eyes were alternating between light brown and green. He clenched his fists and closed his eyes. When he opened them again, they had already returned to normal.

Qiao Xi raised her eyes and suddenly noticed that he had returned to normal, so she said in surprise, "When did you recover?"

Gu Zheng pulled her into his arms and said in a low voice, "Mrs. Gu, you don't seem to want me to come back!"

Qiao Xi naturally did not mean that. She was just surprised. In the past, Gu Zheng and his second personality would take turns occupying the mind according to the time of day. Now, the two personalities had actually started to intersect. This situation was truly slightly strange.

She felt uneasy and wrapped her arms around Gu Zheng's waist. She said gently, "Third Brother has already sent someone to escort Elder Lin over. Ah Zheng, when are we going home?"

Gu Zheng stroked her hair and said softly, "After Elder Lin arrives, I'll settle the matter as soon as possible and end this banquet early. We'll go home immediately. It'll also be a good opportunity for everyone to go home as soon as possible. Staying in the Gu family for three days is indeed a little torturous."

He waved at the door. "Song Shijing, send a message to Shen Ying and ask her to make a bigger commotion."

"Yes!"

In the afternoon, everyone arrived at the banquet hall on time. After what had happened this morning, everyone had long wanted to go home, but because of Gu Zheng's authority, no one dared to leave.

After everyone arrived, Huang Lilan walked out with a gloomy expression. Beside her stood the weak and obedient Shen Ying, as well as the dignified Gu Weiming.

Shen Ying held Gu Weiming's arm and called out his name delicately. She even accompanied Gu Weiming to give everyone a toast. When she returned to her seat, she massaged his shoulders. She looked like a delicate wife. Huang Lilan had long forgotten about her.

Huang Lilan gritted her teeth in resentment, her face looking ferocious. Looking at Shen Ying's arrogant smile, she could no longer suppress the anger in her heart. "Shen Ying!"

Initially, Shen Ying did not want to have a conflict with Huang Lilan so soon, but after receiving Gu Zheng's order, she had no choice but to obey. Hence, she could only provoke her by saying, "Sister, why

are you calling me? Can't you see that I'm serving Brother Weiming? Don't look at me like that. Even if you hate me, you can't do anything to me!"

"B*tch! You've just climbed into a man's bed and you're already so arrogant. Open your eyes and see what day it is today. As the legitimate wife, I should be standing beside him to toast everyone. Who do you think you are?! You actually dare to snatch my seat?"

Huang Lilan's eyes almost popped out as she roared. "You can rely on Gu Weiming's love to go against me now, but don't forget that I gave birth to two sons for the Gu family. I'm Madam Gu, while you're just a sl*t who sleeps with others!"

"Do you have sons here?" Shen Ying's face was full of disdain as she sneered. "Huang Lilan, are you sure you gave birth to these sons? They don't look like you at all."

Huang Lilan trembled in fear. How did Shen Ying know? She, this little b*tch, should not know this secret!

"Sister, you must be wondering how I found out. I'm not afraid to tell you that President Gu was the one who told me," Shen Ying said with a smile.

Gu Zheng?

Huang Lilan suddenly realized why Gu Zheng would tell Shen Ying about this. Could it be that there was indeed an inexplicable relationship between them? If Gu Weiming found out that his woman had gotten together with his son, no matter how much he liked Shen Ying, he would heartlessly give up!

At the thought of this, Huang Lilan suddenly stood up and ran away.

Seeing Huang Lilan leave, Shen Ying heaved a sigh of relief. Then, she walked to a corner and said while trembling, "Mr. Song, I've done as President Gu instructed."

Song Shijing nodded and left quietly.

Something big was going to happen in the Gu family tonight. Huang Lilan would spend this last night as Madam Gu. After that, she would never be able to make a comeback.

"Madam Gu is here?"

"She seems to be targeting President Gu!"

Gu Zheng sat on the sofa and took a sip of tea. He looked up indifferently and met Huang Lilan's bloodshot and angry eyes.

After all, it was the last day. He could tolerate Huang Lilan's last few minutes of arrogance. Anyway, all her secrets would be made public soon. She would fall into a dark hell and be despised by everyone.
