

Chapter 131 - R first call but she didn't talk instead it's Tae

The police officers are all busy with the task for the bomb retrieving and the most intense task is the explosion that happen to Han Yu house with cause some police officers injured from the splashes from the explosion of the bomb. When the police officers are busy with their task both Rei and Tae are busy watching and monitoring them through CCTV'S recordings. Well Rei is the one designing the security for the entire S Country, so she easily open the footage that have a footage for the whole situation.

By the time the Chief suspecting her, both of them heard and then Tae was the one who got affected the most compared to Rei then he react and said to her.

“How dare this Chief question about you Rei?”

“It's alright and I'm used of it since I didn't reveal who I am”

“But you're helping them, why suddenly suspecting youi when you just offering a help to them and without any motivation?”

“Just...” Rei didn't continue explaining because she heard a new message notification.

“Ding”

“If it's them, let me reply alright?”

“Okay you can but don't be too overboard”

“Thanks”

Then Tae chatted them and then he ask her

“Rei, can you attach the footage you send to The President awhile ago”

Without question Rei agreed “okay” then Rei attached the footage to his message “done”

“Thanks Rei” then reply to them.

After minutes pass by, Rei interrupt Tae because she discovered that Yi already aware about retrieving the bomb at Nan Corp.

“Tae let me, Yi already take a notice of their movements”

“Okay here” then Rei reply right away and again she said while being direct to the point and explain right away.

Several minutes passed by, the two of them witness how the house explode

“It really explode as what you predict Rei”

“Yeah”

“This idiot must already died right now if you didn’t try to save him”

“If I’m bad enough then I let him die, but I found out that he don’t know anything about his fake double body”

“Eh, what do you mean? Did he do something intimate to many women including Nan Yi?”

“He had used a double body for every scenes he have for intimate scene. Without Han Yu awareness, his double body steal his identity and greed. By using Han Yu identity, he hooked up many womens and Yi was one of them. Yi just realized it yesterday, so yesterday she put many bombs to his house for being lied by him. But it just only her hallucinations since Han Yu didn’t do anything and the one at fault is the fake one.”

“T—then how about Ha?”

“I don’t know what’s going on to them and I’m not going to interfere their love life. We can’t force anyone to love who they want and if you really love someone then you must willing to let go and let your love to have a happy a life and that’s a greatest gift to yourself”

“That’s right, I understand that Rei”

The two just watching the status of detonator and if they really want to monitor the police officers what they’re doing then Rei can do it but she give them privacy the moment they retrieved the bombs and let them to work freely without being monitored.

Afternoon almost an hour from the explosion both of them heard another email notification.

“Ding”

Rei and Tae read together, Tae is the one who react first again after he know what Rei replied to them.

“Do you really want to converse to this Officer Cai?”

“I have no other choice it’s involve bombing case”

“Then your number and identity?”

"I use my private number which is only appeared to his screen restricted number and I have a voice changer so it's alright"

"Then let me answer just in case"

"Alright I will let you and I will put the phone handsfree"

Then Rei dial it right away and after two rings, the officer answered then Rei let Tae speak to him.

"Ring, ring"

"Hello this is Officer Cai, you must be R right?" since on his screen it appeared restricted number only so he guess that it might be R calling.

"Yes this is R number but R currently is busy and just beside me, I'm R assistant" Rei again monitored and doing something while let Tae talk to him.

"I understand and I already got hold the detonator which is Ms. Yi phone before it explodes but I only have 15 minutes left."

"R said that R can do to delay the detonator before it explodes and R ask if there's someone from your Team can diffuse the detonator?" this is only decide by Tae after observing what Rei want to tell him and Rei just giving him a thumbs up that he said the right thing.

"All my Team are experts in diffusing the bomb but we need the structure of the detonator before we do"

"Did you found out anything when you arrest Ms. Yi?" still Tae talking to him.

"Unfortunately we only witness that she did something to her computers before it shut down completely and no we didn't find anything except the bombs and detonator"

“R right now is trying to delay the time of detonator and trying to search about the structure”

“Thanks and don’t hang up the phone I need the update regarding the detonator”

“Okay I will be on standby”

“Thanks”

“So you’re almost arrived in the police station right?”

“Yes but we only have 5 minutes left”

“Right”

Tae stop when he notice that Rei signaling him something and he understand it right away “Wait R can’t stop some of the bombs to explodes but R can delay the time for another 15 minutes and R already found out the structure. It already send to your phone Officer Cai”

“Eh?” surprise Cai because he didn’t give his email but then returned back to his senses since it’s R they’re talking about “okay”

He command his team without covering the phone that Rei and Tae heard him.

“Go drive fast”

“Yes Sir”

“When we arrive put the bomb right away at the bombing area and close the door tightly”

“Yes Sir”

Chapter 132 - R vs Yi

After 3 minutes, they arrived at the police station and right away the bomb squads carry the bombs then put inside in the bombing area while Cai open the email sent by R and sending it to them printer to print a copy of the structure. The Arrest Team already carry Yi and let her get inside behind the bars. The Nan's Family, Yun and the demoted chief are just watching Cai quick and fast movement. Meanwhile Tae already put Rei phone on top of the desk and then Tae get the voice changer from the other desk before giving to Rei because he knows that it's quite complicated. Tae is still going to converse the officer but since it's getting serious he give the phone to Rei and he just on standby if Rei needs anything.

"The structure is quite complicated and it will take me for 2 hours to diffuse the detonator" Cai still doesn't know that R already on the phone but after hearing it, he recognize it's R since the one he spoke to have different voice.

Rei answered using the voice changer "I heard you, so for now please turn on the main server of Yi's computers"

"Main Servers?"

"The biggest computer she had and please turn it on"

Press the intercom "get the biggest computer you confiscate from Ms. Yi and bring here in the conference room right now"

"Yes Sir"

Since it's the main server, 5 police mens carry the computer and bring it to the conference room that they took for 8 minutes.

Cai plug the wire right away and said "R I already turn it on but it's a black screen only"

“It’s alright Officer Cai, Ms. Yi shutting down her system so that’s why”

“But we only have 3 minutes from your extended time”

Rei said to Tae but Cai taugt it was him “Mind the time for me”

Cfa : Yul R

Tae : Okay

Rei : ...

Cai : Ehem, are you talking to your assistant R?”

Rei : Yes but don’t worry and Officer Cai just monitor the server.

Cai : Yes R

Rei hack Yi system, Yi main server show the data of her bombs right away. They are total of 450 bombs.

Cai : 4—450 bombs?

Rei : Yes, that’s the total number of the bombs your Team retrieved and right now 100 are already deactivated.

All : (Except Tae) ‘That fast’ (all of them watch the server and it really shown 180/450. ‘R is really fast’.

Tfu : 80 gmqgl iudo frt 2 qarpoul gudmzu uknimlamr (zuqartut Rua)

All : What?

R : Thanks. Officer Cai did you see the clear structure on Yi's server?

Cai : Yes I see it clear this time

R : Okay, so 30 bombs left and that bombs are still connected to the detonator which is Yi's phone. I can't deactivate the 30 bombs since the design is natural made but I can delay the time of the detonator so how long for you to diffuse the detonator?

Cai : 30 bombs right?(ask while looking to the structure)

R : Yes

Cai : I guess 20 minutes will do

R : Okay (then R input the codes within 1 minute), Officer Cai you have 30 minutes to diffuse the detonator

Cai : Copy

2/30 25 qarpoul iudo

7/30 22 minutes left

19/30 18 minutes left

25/30 7 minutes left

28/30 5 minutes left

28/30 4 minutes left

28/30 3 minutes left

Rei observe the status of the deactivate bombs and ask when the last update still the same.

R : Officer Cai what's wrong?

Cai : There's two wire left and if I cut the wrong wire then it would be explode.

R : I will try to locate the bomb from your premises. (just open it right away since she's the one who design the system then input another code for them to see) did you see it from the server?

Cai : Yes I see it but we don't have any time (2 minutes left)

R : I will see if I can delay it more (answered while inputing an another set of codes while all of them heard the sound of keyboards). Yi is really a genius one, she already expect that maybe the hackers will hack her system so she give only an hour for delaying the time but she never expect that I will intrude her system, I already exceed her delaying time limits given but her system didn't received the delaying time I interrupted and only registered for 55 minutes only, so 5 minutes left.

Cai : Okay I will retrieved the 2 bombs right away and I will do it because I'm the one who know where's is it from the location you give

R.

R : Okay, do your best Officer Cai and remember 5 minutes before it explodes.

Cai : Copy

Then he run right away leaving his phone and suddenly Ha said it loud without thinking, even herself she doesn't know why she said that one.

Ha : R, can you show me the live footage of Officer Cai?

R : ...

All of them watch Cai carrying one bomb and then on the way to get the other bomb before getting out from the bombing area.

When Cai get out from the bombing area, out of nowhere Ha stand up and run from the conference room to go outside. Her parents looking to each other before following her while Yun and her husband just smiling then follow them. Yes, Mr. Li already in the conference room when the police officers retrieve the bombs from their car and because he was worried about his wife, he just follow what he feels and not worried being discovered. After watching all R works, he was amazed and being a fan of R increased more.

Outside of the S Police Station, Cai automatically throw two bombs at the same time it explodes and then after throwing the bombs someone already hug him tight and said while crying

Ha : You, you did it.

Cai : ...(speechless while blushing)

Ha, who just worried about him didn't mind that someone watching them including her parents, friend and forgot that they have a powerful love paparazzi in them.

At the corner, someone who just got out from the police after confirming his innocence witness the scene and said it to himself.

“So that’s why you never love me. I taught giving my best and following you might you notice me but I was wrong. Ha, if you’re really happy with this man then I’m going to announce our fake engagement” then left while tears flow from his eyes

Chapter 133 - Mr. Li is a doctor

Mr. Nan, Mrs. Nan and Yun together with her husband who witness what Ha did just now, all of them don’t know if they cry or not but they are happy for her because this is the first time that she’s like this and it’s about liking a man, so it seems Han Yu don’t have a chance.

All of them forgot that R is still on the phone and forgot that the Chief still standing alone in the conference room. Rei notice him dozing out by the footage and so she knows why his like that.

Rei : (Know and aware that Officer Cai phone set on Handsfree so she said) I will message the President to give you a chance Chief Su.

Chief : Eh?

“Tot, tot, tot”

Without asking why and not knowing what R meant, Rei hung up right away without explaining to him, then right away the President called him from his phone after the end call of R and just then the team who forgot that they’re talking to R arrives in the conference room.

“Ring, ring, ring”

“He—hello” due to his nervousness he press the handsfree again.

“You’re so lucky Chief Su and you must thank for R because R forgive you. It’s your warning, even though R forgive you, I won’t forget what you did and I always remember what you did”

“Yes Mr. President and thank you”

“You must be thanking to R not me, bye”

“Tot, tot, tot”

Cai : Congrats Chief and did R still on the

nvmru?

Chief : Thanks Officer Cai and I don’t know but I think R hung up already

Cai : (he go inside and picking up his phone to check then notice that the call already ended) R already hung up the phone. Ms. Ha em—(didn’t continue because he suddenly become shy when he remember the hug from her) that, that never mind.

Ha : (observe his actions and ask herself by thinking only) ‘Do I need to be more aggressive and be more active when this My Cai is so slow?’ (then she notice the server and called him naturally) Cai look (pointing the server)

<You did well Officer Cai and do your best with your love life.

And by the way Officer Cai you forgot your team who got injured from the explosion.

—R—>

Then the server shut down automatically and the two who just hug suddenly blush when they got the message of R.

Ha's dad break the awkwardness and talk to his daughter.

CEO : Ha, I and your Mom still need to go back to Nan Corp regarding about Yi.

Both of them leave, go where the injured officers are and help them. Leaving the others dumbfounded and since Officer Cai is into the entertainment news he know about Mr. Li because his a fan of Ha but ask innocently.

Cai : Is he the famous paparazzi for a Celebrity couples right? (asking to them but Ha is the one replying him)

Ha : Yes, he is.

Cai : So how did he become a License Doctor and how did Goddess Li aware of it?

CEO : Yeah, that's right Ha. Is Yun husband a doctor aside being a paparazzi?

Chief : Yes Young Miss Nan (then lock right away after getting out from the conference room.

Ha : So you know me already right, Cai

Cai :

Ha : By your silence it means yes, my colleagues, fans and even my relatives doesn't recognize me between her (Yi) but yet here you are, you can already tell me who am I right away even it's our first meeting, right?

Cai : ...

Ha : (she approach slowly and then wrap her arms around his neck and said) you're quiet slow in terms of this but well (she kiss his cheek not on the lips though and said) I know you like me and I know you do.

Cai :

Ha : Tsk, tsk My Cai you're a good Captain but how come you're so slow?

Cai : I...(blush hard) I don't know what you're talking about.

Cai : I.....

Ha : Please I want to hear the truth

Cai : I—I know about you more than you do and I love you.

Ha : Ah, I see.

Cai : See you don't know me well.

Ha : But you know me well and also.

Cai : Also?

Ha : You're easy to love.

Cai : Alright I agree for keeping it a secret but I don't agree for finding him a match.

Ha : Thanks and why not?

Cai : He will be hurt if you're finding him a match which is come from you and let's just wait for him to be natural in love with someone else.

Ha : Ah, that's right and I got your point.

Cai : I see but I have one condition.

Ha : So what is it?

Cai : (Hesitating at first but he still tell her what is it) m---marry me?

Ha : Ooohh, you're quiet active I see

Cai : T---that you can declined it if you don't like..

Cai : ...

Ha : When do you have you're day off?

Cai : Just yesterday, why?

Ha : Then get a force leave for a week.

Cai : Eh?

Ha : Just do it and right now please drop me off to the drama site.

Cai : I'm still on duty.

Ha : Who's more important me or your duty.

Cai : Of course you are and I'm going to call Chief Su now (without hesitation he dial him right away.)

"Ring, ring, ring"

"Yes Captain Cai, what is it?"

"Chief Su I'm going to apply for force leave starting today and for family reason"

"Alright I accept and just give me a formal letter for your leave when you reported back"

"Yes Chief Su and I don't know when I will report back"

"Yes, yes I understand Captain Cai and just settle your family reason first"

"Yes Chief Su and thank you"

Ha : (Got surprise because he just did it very quick and efficiently) eh, that's all?

Cai : That's all and if you don't mind I'm an Assistant Chief and Bomb Squads Captain so I'm in a higher position but I'm not bragging it though.

Ha : (Laugh hard) I realized that you're too confidence in your career but when it's about love...

Cai : You're the same you know, you're popular

and famous but you never have a boyfriend ever since.

Ha : For your information I have a boyfriend and I will marry him.

Cai : Eh for real? Then, then how about me?

(Then start searching from his phone about Ha)

Ha : Hey, what are you doing?

Cai : I'm searching if you really have a boyfriend and if you really going to marry with him.

Ha : (speechless and dumbfounded).....

Cai : (Still searching and found out nothing. Then before he open an email and sending an email to R, Ha stop.)

<R, it's me Officer Cai, can you help me investigate if Ha already have a boyfriend and if she's getting with him?> but this message still unsend because Ha stop him.

Ha : Cai why do you need R help?

Cai: I want to be sure if you're really going to marry him and I don't want to be a homewrecker.

Ha : Then why not asking me directly?

Cai : Ah, that's right. A—are you really going to marry your boyfriend?

Ha : 'This idiot he just ask me to marry me and we already kiss' Yes, I'm getting married.

Cai : Then, then... (Cut off by Ha since she kissed him to shut him up and said)

Ha : Idiot you're my boyfriend and you're the one I'm getting married with.

Cai : Eh, really?

Ha : Of course and what do you think of me, a loose girl?

Cai : No you're not.

Ha : Let's go now or else I will be late.

Cai : Oh, okay.

Yun : Nothing and we're going now.

Mr. Li already called an ambulance so they just carry the officer without problem and then suddenly Ha told Yun about something.

“Tae, what’s wrong? Did I really said to them that can push them through?”

Tae heard her and just tap her head while saying to her “yeah, you really did Rei. Both of us witness from the footage that Ms. Ha hug him after he throw the bombs and then you just give them a message like that to them. So you just match them up unknowingly”

“Eh, then what I’m going to do?”

“We do nothing and it’s up to them to decide”

“Okay”

“Here’s your juice Rei and have some snacks”

“Thanks Tae”

The two of them eat the snacks and drinks, juice for Rei and coffee for Tae. While drinking the coffee, Tae observe his girlfriend and really admired her instead of being scared to her abilities. Tae was in a daze but still heard Rei question.

“We can’t predict what will happened to us someday but I will assure you Rei that I’m always be careful to not be drugged and most of all I’m also afraid that someone might drugged you as well”

“Eh me?”

“Uh-uh”

“Hahaha don’t worry about that Tae I’m just a normal citizen and not a celebrity like you so I’m safe with that one”

“Celebrity or not, you’re the most target of being drugged”

“Eh?”

“Do you know why?”

Rei shake head and ask “why?”

“Because you’re too beautiful and a smart one so many out of there will be envy and jealous of you. Take for example with that Secretary”

“Ah” Rei blushing because of Tae praising her and then remember the later part “speaking of that, yeah you right”

“So you need to remember that envy can led into evilness of a person”

“Okay and I will take note of that Tae”

“Good”

“Of course and I have you”

“Yeah you have me Rei but I and you are not allowed to interact each other but we violate the rule and become a couple so you really need to learn a defense move if I’m not around with you”

‘I will always be around with you since I will be part of your Manager Team hahaha but not for now because I will give you a surprise’

“Rei?”

“Mmm”

“You heard me right?”

“Yes I heard you and that’s why you need to teach me well in case if I’m away from you”

“Good and not just in case because you will always away from me the moment we got back from work”

“....”

Tae can sense something from Rei so he ask her “are you hiding something from me Rei?”

“Hmmm.....I did hide something from you but it’s not called hiding but just keeping something from you since I have a surprise for you”

“It’s that what you told me and will let me know on our first day of work after our vacation?”

“Yes”

“I’m excited to know what is it”

“You will know it soon”

“Are you not going to tell me in advance?”

“Hahaha if I tell you then it’s not a surprise you know”

“Yeah but I’m eager to know what is it”

“You will know it sooner Tae”

“Hmmm.... how about a clue or hint?”

“....”

“Rei?”

“ ... ”

“Silly and why is she hiding from me? It’s her own house” said it loud while carrying the glass, cup and the tray before going to the kitchen area. He looks around but found out that Rei is out of sight. “Where did she hide?” Asking himself and then try looking around while calling her.

“Rei?”

“ ... ”

“Rei?”

“

“My Love?”

“ ... ”

“Seriously?” then remember what Rei said to him, ask himself and commented it out loud that Rei heard him but fail to find her since she hides well.

“Is Rei being serious? Knowing Rei personality, for sure she’s telling me the truth but being part of our Manager, I mean My Rei is already a Secretary and for sure Mr. Hwang will never let her go as his Secretary. Ehem, ehem” he looks around and fail to notice Rei then imagine the scenario when Rei already part of the Team Manager.

Tae imagine that Rei manage the Team with their Managers and then she always around with them. He also imagined how he will try sneaking a glance of her, sneakingly holding her hands or even stealing a kiss from her without alerting his teammates and Managers. By this imagination Tae can’t help but blushing hard.

"N—nothing"

"Mmmm....."

"By the way where did you hide, huh?"

"Me...(laughing) just hiding while following you"

"Following me?"

Rei nodded.

“Then, then you heard me and saw everything what I did?”

“.....”

“Giving that kind of reaction then it’s a yes and you’re still asking me what I’m thinking?”

“Ha, ha sorry”

“Geez, I don’t know what I’m really going to you either I will kiss you hard or passionately”

“Mmmm?” Rei didn’t heard him clearly

“Nothing”

“By the way”

“Hmmm” Tae didn’t remind Rei that she still hugging him since he likes this way and it’s rare for her to be like this so he doesn’t want to stop her.

“We already have 3 days left before I’m going to visit my hometown and then 8 days after before we meet again”

“I almost forgot that one if you didn’t mention it and now you’re talking about it, so I change my plan”

“Change your plan?”

“Uh-uh”

“Why? Are you not going to train me anymore?”

“Silly” then hold her hand, unwrap her hug and facing her “we have many days to train you but for now since you’re going home after 3 days and we will meet again after 8 days, so I just want to spend our 3 days for us”

“Mmm... but going on a date is such a hassle for us since you’re too handsome and easy to spot on”

“...” speechless and then said to her “you too”

“Eh?”

“Silly you’re too pretty and that’s the reason why they’re easy to spot us”

“.....”

“Let’s just watch a movie or drama and have a date here”

“Are you sure?”

“Uh-uh”

“Don’t you want to be like other celebrities having a date while wearing a mask or hat and having a sweet date to their girlfriend outside the premises or in the mall?”

“Having a date in your own house is more privilege to me compared to that one and especially I can have all your time and more of all no other eyes especially men’s will notice you”

“Huh?”

“Never mind”

“Eh, what’s that Tae?”

“ ... ”

“Tae?”

“ ... ”

“Tae-ya?”

“ ”

“Ha, ha, ha”

“What are you laughing for?”

“I don’t know you’re a jealous type Tae”

“ ... ”

Chapter 138 - Spending the days with Tae - part 2

That day when I first saw you or notice you, I thought the two of you already dating so I was so sad that’s I also suddenly wondered why I am a celebrity and why I’m not a Secretary like him but then again even I feel that I’m no match with you and I know that we might not destined to each other I still heard about you from others and start to follow you and always updated of your updates without alerting and noticing my teammates and then fate meet us by that accidents.....” Rei cut him off by covering his mouth and said to him.

“Ha, ha, ha I’m laughing because you’re wrong. I have many suitors but not one of them caught my attention and interest since my heart already know who’s the right for me and my heart become flattered the moment I meet you for the first time. My mind is calm but my heart is not, just by seeing you I didn’t know if it’s belong to me or my heart have a life since my heart just beat hard to the fullest and then when you ask that it’s alright to be a friend with each other, both my mind and heart are arguing inside but then again my heart wins. When I received your kiss and confession my heart is almost escaping from my soul but temporarily my mind win before it’s completely defeated with my heart because I replied to your confession. And now you’re here, you’re my official boyfriend and my heart really knows that you’re the rightfully owner of my heart. Thank you Tae for loving me this much and thank you for giving your heart to me. I Love You Tae and I really love you Jun Tae Woo”
