Rei : (seeing her expression, she ask her and assume) what's wrong with you? You look like a paparazzi who got a big scoop.

Mei : 'Bingo' just come

Rei approach her, then she notice Mr. Fu and Assistant Manager Hu still on the line. Remembering the expression of Mei and then seeing Mr. Fu, she already have a guest why she's been called for.

"So, what do you want?"

"Just give you a warning"

"What kind of warning? Do you think I'm afraid of you?"

"Have you ever taught that R will never make a trace and track your doings?"

"How did it connect to R? I didn't offend R"

"Let's see if you offend R or not but if I were you after receiving a warning of your fellow hacker then either I hide, leave the country or surrender to the authority"

"If I won't?"

“Well it’s up to you but for sure within an hour you will be get caught by the authority knowing that R is already secured and signed the security of the Senians”

“W—what do you mean?”

“Ohh-ohh, so that’s why you’ve been so bold enough to do your misdeeds after announcing that R is already joining for the safety of Senians. I need to end our conversation now so that you will not be traced by R”

“W—-wait” but already offline.

“Sh–, sh–, shit how did I never received that news. I was too careless and yet I almost and already got a chance to steal this chain restaurant. Aagh, forgot about the restaurant knowing R who’s act fast and very efficient enough.”

Aya : So when did the two of you become official?

Rei : Just this month Ma, to be exact it was last Dec 10

Mei : Is he handsome?

Rei : Of course what do you think about me? Do you think I have a poor taste Mei?

Rei : Brother En and my boyfriend have different appearance but if it's for me then yes his more handsome compared to your husband.

En : (sweatdropped)

Mei : How old is he?

Rei : 3 years older than me

All : Eh? Just like Mr. Jun, you're main bias of M'Dol?

Rei : 'How come they get it right away?' Uh-uh just like him 3 years older than me.

Mei : Speaking about Mr. Jun, have you meet him by chance?

Rei : Mei I'm a Secretary (she didn't deny or answered her query)

Mei : Silly of me. Why did I ask when it's impossible for you and of course how can you meet him if you're in different fields with him, right? (just her own assumptions)

Lyn : Who confessed first?

Rei : Of course it's him. Even I'm in S Country which is normal for both male and female to confess their feelings to each other, I still bring our culture to their place.

Mei : Geez you're no fun at all Sis and how did that man fall for you when you're such a boring person?

Aii : (Innuhviull)

Aya : Stop with that Mei and Rei, do you love him?

Rei : Yes Ma, I really love him and I guess his the one for me

All : Why do you think so?

Rei : When I'm still not in a relationship, I'm okay with living alone and with my family only but after I meet him even though we're still not dating, I kind of wondering how will be my life if I didn't meet him then when he confess to me I almost become an easy girl to accept his confession right away and then when we become an official, I realize that being with him, my life would be complete and I don't know what I'm going to do if his not with me.

All : 'Rei/Sis Rei you fall for him so deeply'

Mei : (only the one who voice it, telling the truth while teasing her) Sis, you fall for him so deeply. Aiyah my sister is now in love

Rei : Yeah I'm really is Mei. The Cupid already targeted my heart and hit me hard by his arrow of love

All : (Speechless because this is the first time Rei acting like this)

Rei : Actually his the one who bring me to the restaurant and recommended it to me. I was very shocked at first when I realized the restaurant name. We have our first lunch date at family restaurant Ma. (then suddenly blush)

The way he looks at me, I know he loves me dearly. His different from the other who just dated after they satisfy their d.e.s.i.r.e.

Aya : Good and always remember my rules.

Rei : Yes Ma 'I almost broke it but Tae stop me and respect me for that condition I give to him before we're dating'

Mua : Sm Sal vmj ofii al vu?

Rei : Taller than Brother En and Bro El

Mei : Eh, really?

Mei : Can we see the pictures?

Rei : Sorry I won't since it will ruin my surprise.

Mei : Tsk, tsk

Lyn : So when are you planning to tell about him Sis Rei?

Rei : Around May

.

Mei : Tsk, it's so far and what if you broke up?

Rei : I will do my best to improve our relationship and whatever misunderstanding or circ.u.mstances that crosses to us I will try my best to solve it right away without delay so that my relationship with him will never break. I told you Mei I don't know what I'm going to do without him at my side.

Mei : You're really in love with him Sis

Rei : Yeah I'm really are.

Mei : Alright forgot about that one, so how did you meet?

Rei : We meet accidentally, I mean I was careless to cross the road without noticing the car approaching to me.

All : (Glaring at her)

Rei : Yeah, yeah sorry I didn't tell you about that one and I was careless that one but no worry nothing happened to me that time.

All : (sighing in relief)

Rei : So after one month, he approach me and ask me to become friends with each other.

Mei : Woah, I love your love story Sis. It's Love at first sight like what My En also did.

Rei : I see but I think it's kind of different you know.

Mei : Yeah it's different since the setting is not the same but Love at First Sight was the same. OMG, OMG, I want to know the whole story how did you meet because I know you're just summarizing it up.

Rei : Ha, ha you already know me Mei but well if you want to know the whole story then wait when we got married, for sure you will know the whole story from his side and my side.

All : (caught off guard) cough, cough, cough ( If all of them drinking water then perhaps Rei already drenched by their choke)

Sis1 : I got your point Tae and that's what I also did to your Brother in Law.

Tae : Uh-uh (while smiling)

Sis2 : Why are you smiling Tae? Are you not worried that she will got steal away from your hand?

Tae : Of course I'm worried at first but Rei tell me that she will never do that and will be loyal to me and I trust her

Sis3 : Woah, you're so lucky Tae-nya (the two sisters glaring at her again as if saying be serious). So Tae how did you meet up?

Tae : (Understand since he heard Mei and forgot since he used his own language) it's okay boy-a I understand and yes I will wait for the right time that your Auntie preferred to introduce me.

Ren : (heard the language and didn't understand so he complain) Mom and Aunt Rei I didn't understand anything, Uncle speak an alien language as what you speak awhile ago.

Rei : Ha, ha, ha, my, my. Give me the phone first. I will set on the phone hands free.

Ren : Thank you Auntie

Rei : Since it's almost Christmas then I will give you the chance to talk to him but never ask his identity alright?

Kids : Yes Auntie

Rei : How about you guys?

Mei : Let the kids talk to him first and for us it's alright since you will introduce him to us at the right time, right?

Rei : Thanks Mei off course I will. Now you will translate what the kids said and I will translate what he said.

Mei : Okay, I'm in

Kids : Thank you Aunt Mei/Mom and Aunt Rei

Rei : (thinking how to call his boyfriend to avoid being identified) so One?

Tae : (caught off guard) e---eh Rei?

Rei : My family give the chance for the Kids to talk with you but don't worry the kids and your conversation will be translated and then I will be the one translating you of what you want to convey to them.

Tfu : Tvfrcl Rua gpo jvfo fzu ju oficare fgmpo?

Rei : Just random topics or just answered what the kids going to ask with you.

Tae : Okay

Rei : So you're ready?

Tae : Yes, I'm in

Rei : So guys who's going to be first

Lynel : (directly raise her hand) me, me Aunt Rei.

Rei : Okay go ahead.

The conversation would be Senians Language to Ceno Language and both will be translated by Rei and Mei. Rei will translate Tae from Senian to Ceno while Mei will translate the kids conversation from Ceno to Senian.

Lynel : Hello Uncle Merry Christmas

Tfu : Huiim frt Muzzw Cvzaloqfl.

Lynel : I know Aunt Rei just waiting at the right time to introduce you to us but well I'm Lynel, ha, ha nice to meet you Uncle.

Tae : Nice to meet you too Lynel

Lynel : Ha, ha you have a nice voice Uncle even though I didn't understand anythin

Tae : Same to you Lynel and do you mind to tell me how old are you?

Lynel : Of course I will, he, he I will be turning 4 next month together with my older sister Ellyn. Well the two of us are identical twins so if you will see us you might confuse who is who.

Tae : Yeah, I heard it from Rei. Well let's see that someday if I will be confuse who is who.

Lynel : Ha, ha, ha of course you will Uncle. My Dad and Mom are still confuse who is who. Mama Grand, Aunt Rei and Aunt Mei are the one who would never confuse who is who

Tae : I see but what if Uncle might get it right?

Lynel : You're going to challenge it Uncle?

Tae : I will try, so what's the price if I get it right?

Lynel : A kiss on cheeks from me but wait how do I kiss you Uncle if I'm here and you there?

Tae : Well let's just think that one when it comes.

Lynel : Aahh, that's right, that's right Ah by the way Uncle?

Tae : Mmm, what is it Lynel?

Lynel : I, Sis Ellyn, Bro Ken, Bro Ren and Auntie Rei will be going for a walk tomorrow or maybe shopping since Aunt Rei just got back after two years since she's away with us.

Tae : You must really miss your Auntie that much right?

Lynel : Uh-uh, imagined Aunt Rei left us when I and Sis Ellyn just turn 2 that year.

Tae : I see but your Aunt never miss a video call every week.

Lynel : Uh-uh but it's kind of different, I mean I can talk to Auntie but talking personally is different because I can hug and kiss Aunt Rei.

#### Chapter 158 - Lynel true feelings

After hearing it from her, all the family look to Lynel and feel sympathy because it's her first time to open up and the most surprising one is that Lynel being open. I up to Tae, Rei's boyfriend who still not yet get introduce by them properly, so Tae still considered as stranger to them and in other words Lynel already trust Tae since her Aunt Rei choose him.

Tae : Mm...what do you mean by that Lynel?

Lynel : I and Sis Ellyn are not born here in C City since we both born in J Country because of my Dad and Mom work. I just learn to talk when I'm almost 2 years old compared to my sister Ellyn since she already talk when she's 1 year and half. Aunt Rei and I talk through online during that time but because I'm still young and I still have baby talks that time our conversation will end up right away. Then when my Dad and Mom decides to stop working in J Country and coming back to here, I was really happy, really because I will now meet my other family including Mama Grand and Aunt Rei. I'm not aware that Aunt Mei and her family would be also coming back at the same time for us, so after knowing it I was really happy, I was really because our family will be now complete. I already didn't talk baby words that time so I was happy that I can converse Aunt Rei that long but then when I heard that Aunt Rei going abroad for work. I was sad, I was really. I didn't show it to Aunt Rei how sad I am because I don't want to. Only Bro Ken who express how sad he is and it's unexpected from him because Bro Ken is an aloof and cold boy but seeing Aunt Rei going to leave, he burst out his true feelings. I was going to follow what Bro Ken did but I didn't, I didn't because I don't want to. I can tell that Aunt Rei doesn't want to leave but everyone want Aunt Rei to be happy, I don't understand why since I'm still young but still I feel sad, I don't know what I'm going to do even though Aunt Rei will always have a video call every weekend but still it's not enough, not enough. I want to hug and kiss Aunt Rei, I really want but I can't. Yeah, Aunt Rei is here but it's temporary since she will leave again (then put the phone to the couch and running away)

Tae : ....(blank our because he didn't understand since Mei forgot to translate it but he can understand based of the little girl tone)

Rei : One, I will call you again alright?

Tae : Yes Rei and I guess the little girl is sad.

Rei : Yeah she really is.

Tae : Okay, go ahead.

.

—- End of conversation —-

—At Jun house—

Christmas arrive and Tae decide to call Rei even his family is with him.

Sis3 : Ohh, calling your girlfriend at this time?

Tae : ....(then heard that Rei answered the phone call and then the short conversation with the family before Lynel)

Sis2 : Eh, what's wrong? (ask when she notice his expression)

Tae : Their little girl is sad somehow

Sis1 : Little girl?

Tae : Rei youngest niece but well that girl have an elder twin sister

Nauhu : Tjarl?

Tae : Uh-uh Twins and their 4 years younger to you Jia

Jia : I see but how come she's sad somehow.

Tae : At first I understand it since Rei sister translated it for me but then at the end I didn't but still I have guess that the little girl is sad because she's away with her Aunt Rei since she always mention Rei name.

Sis1 : How old is she when Rei leaves?

Tae : From what I heard from Rei, she leaves their hometown when her nieces are 2 years old and her nephews are 3 years old.

Mom : Eh, that young?

Tae : Uh-uh and then they just got back that year and just meet Rei personally for at least 2 months.

Dad : Wait, just got back, just meet personally and at least 2 months, what do you mean by that Tae?

Tae : Both Rei brother and sister are also overseas worker before they come back. Her brother in J country while her sister in T country.

Sal3 : Wfao, vmj tat wmp crmj ao fii? I qufr wmp frt Rua bplo emo arom ar f zuifoamrlvan oval qmrov.

Tae : I and Rei become friends after one month of our Team Concert here in S City.

Sis2 : That's around June.

Tae : Ouh, ouh and that's why I know a lot about here because around July, I and Rei are already friends. I confess to her before my birthday and Rei accept my confession after more than one month and half, since it's Dec 10 we become official. Aahh, wait Rei accept my confession just for a trial relationship 5 days before we've become official.

Sis1 : Ha, ha now I see and you're girlfriend is not an easy girl Tae.

Tae : Yeah and that's why I love her. Rei didn't bother how handsome he is, how smart he is and how rich he is. That's why she accept me for who I am and for what I am and not because I'm a celebrity or famous.

Sis2 : I see, I see and now can you stop showing you're love to me. Remember I and your sister 3 are not yet married.

Tae : But the two of you are already dating.

Sis3 : Geez yeah both of us are already in a relationship but we're not sure that we end up with our boyfriend and not like you who are now sure enough but how about Rei, is she sure to end up with you Tae?

Tae : I just believe and trust her. If she ever decide to end up with me then I will need to ask her why and what I'm going to do that she will love me back but right now I will just believe and trust her. I can tell that she loves me dearly.

Sal3 : I luu, ovur nzmmlu om vuz zaevo fjfw lm ovfo ju vfsu frmovuz iaooiu gpri zpprare ar mpz vmqu.

Tae : (blushing hard when he heard little buns from her sister)

Sis3 : See, you also thinking about it. Geez Sis1, can you give Jia a little brother or little sister?

Both : (Sis1 and her husband both blushing hard because they already try it many times)

Lynel : (cried hard)

Rei : (already stop crying) Why are you keeping it, Lynel?

Lynel : I don't want you to confuse because of me Auntie.

Rei : Silly, don't be too m.a.t.u.r.e since you're a kid. I'm not beside with you always but know your Mom and Dad are always with you including Ellyn and them.

Ren : I'm good, I'm good

Ellyn : Same here, same here

Rei : Are both of you sure?

Both : (nodded in sync)

Rei : (still hugging Lynel on her arms) Ren and Ellyn, you can show what you really feel. As what I said to Lynel, stop acting m.a.t.u.r.e because both of you are still young and act like a kid. So be childish whatever you want because

you're a kid.

Both : (running to their Aunt and cried) I miss you Aunt Rei

Rei : See you're just keeping it. Auntie is also missing you guys. (the three kids cried and cried, Ken didn't since he already released that day.)

Ken : See I told you, everyone will understand how you really feel if you release it

Kids : Yeah Bro Ken.

Rei : You too Ken, come here I know you miss me.

Ken : Yeah Aunt, I really miss you. (but he didn't cry because he already released it during that time.)

Mei : (who's busy taking pictures suddenly commented) never expected that my boys really love Sis.

Rei : (realized something) I just wondering.

Aii ; Wmrtuzare jvfo?

Rei : If I have kids someday who they love the most?

Aya : Can you promise that every Christmas you will visit us and celebrate it with us?

Rei : Okay Ma, I promise every year but I'm not sure if it's every Christmas since I will be now an Artist Manager. Although I know that CA Families are always having their holiday breaks but I can't assure you the schedule of the artist but I will try my best to visit you guys here even it's just for 3 days only.

Aya : That's good to hear Rei but don't force yourself alright, just do it if you're really free.

Rei : Yes Ma

Mei : So now what are we going to do?

El : Rei you forgot to tell me about your boyfriend?

Rei : Aah, that's right Bro El but yeah I have a boyfriend and as what I told them I will introduce him to you around May through online, I can't assure you to introduce him personally since I don't know my schedules when that day comes.

PB2 : But I've never seen them in any TV series or movies

PB3 : They must be keeping a low profile and we might not know them since they're not wearing any make up now.

PB4 ; I see then let ask them to have a picture with.

PB ; I wouldn't dare to do that and look, everyone are looking to their direction.

TY : Alright it's my turn. (He spin the bottle and the person got pointed out is none other than their Team Chic Main Vocal)

Tae : Mmm, so what is it?

TY : Since we're now talking about the two Goddess with a natural beauty, so who's your bet between Goddess Li or Secretary Rei, Bro Tae?

Tae : Truth, Secretary Rei and at least as an artist it's safe for me. (but all of them never knows that his telling the truth and the two are indeed in a relationship)

All : (all of them speechless because they never expect that he answered it right away)

Tae : (never mind them and just spin the bottle. The one who got pointed is none other their Team Cute Main Vocal.

TCMV : Aaahh, at last it's on me now, so what is it Bro?

Tae : Celebrity Crush?

TCMV : I don't have a celebrity crush but I have big crush of Secretary Rei.

All : (Except Tae) Really?

TCMV : Yup, yup.

Tae : 'Oh no, glad that Rei is a Secretary instead of being a celebrity'

TL : How come you didn't tell us that one?

TCMV : Eh... I.... I don't know how to open it up with you guys. (shyly replied while blushing hard)

TY : Ha, ha Bro I think it's not a big crush anymore but ...(didn't continue and just teasing his brother)

TCMV : But what?

TY : Figure it out with yourself, ha, ha, ha.

All of them laugh except Tae and then suddenly all of them feel sudden cold around them.
