He also requested for fancy dining table for 2 and then pick a menu just for them. He just try to ask this favor to her Sis2 but as expected his Sister2 is too capable on her own because she just did within 3 days from the day before Rei arrives on the next day.

After looking the time, it's already 9pm and the menu already put on the dining table.

“Thank you”

“You're welcome and just call us if you need our help”

“Uh-uh”

The hotel personnel's leave the room leaving the elegant man and the elegant blind fold lady in the room alone. Tae give a back hug to her and said.

Rei's slowly open her eyes and observe her surroundings. She notice the fancy dining table, the fancy foods, fancy bedroom and fancy room. Rei at first is too surprised when they're in the hotel room but then she won't be scared if she lose her v.i.r.g.i.n.i.t.y to him because she really love him even though she will broke her promise to her mother but at least she won't regret for losing it to him. But Tae will not take it for now since he will take for the right time when she already have his last name on her name and that day for sure no one's can't stop him anymore even Rei.

Rei is too happy so she throw her arms on him and wrap around his neck while crying.

“My Love why are you crying?”

My Rei, I don’t know what I’m going to do if you’re not around with me so be sure you always stand at my side. I’ve been a stalker of you for almost two years and then as for you, you’re my fan so don’t tell me you know me more than myself?”

“I Love you too My One, silly it’s already romantic at first but then... geez, but well I only know as what you portrayed to the public and now I know the truly you, Tae”

Then Tae slowly closing the distance of his face to her, he kiss her head first followed by her forehead, nose, cheek and then the lips. Since Rei wearing high heels the two are almost in the same height but well the fact is Rei is only an eye level with Tae even wearing high heels. The body of them are too close to each other but they didn’t mind as long as they show how they love to each other. They didn’t know how long they kiss until they heard a fireworks from outside and then they stop kissing but still staying their position by wrapping their arms around to each other.

“Are we spending the whole night in here”

“Uh-uh if you don’t mind”

“I don’t mind as long as I’m with you”

“Ha, ha, ha I see. Are you sleepy?”

“Not yet, how about you Tae?”

“Same here but let’s lay now on the bed”

“Okay...” but Tae didn’t let Rei finish since she carry her in bridal style while Rei almost shout because she’s too caught off guard and just wrap her arms around his neck before saying it to him “you scared me you know”

“Ha, ha sorry it’s not on purpose” then put Rei on the bed following by him and laying beside her.

“Uhm, Tae?”

“Mmmm?”

“Uhm, I taught were doing it”

Repeated to his mind many times ‘doing it , doing it, doing it, doing it’ by repeating it to his mind he suddenly blushing hard.

“So I’m wrong? Gaah, I’m soo embarrassed” covered her face from the pillow while continue “since you bring me here in the hotel I taught were doing it, ahhh, sorry Tae if I think it wrongly.”

“It’s alright I understand it Rei but why are you thinking like that, hmm?” then got the pillow that covered from her face and ask her “do you want to do it?”

“I want to do it with you Tae but...”

“Shh...I know that your body is ready to do it with me but your mind and heart are still not ready to do it with me right?”

“Uh-uh”

“That’s why I don’t want to break my promise. My body, my mind and my soul are always ready for you Rei but this time only you is not sure enough to be with me”

Rei answered him that both of them got surprised of her own answer “then let’s do it body to body”

“Are you sure?”

“Uh-uh”

“Alright I won’t hold back just body to body” then his now on top of Rei

"Uh-uh by the way are you alright?"

"Yeah I'm fine"

"I don't think that you're fine since we did it many times and I forgot that we will working again tomorrow after our long vacations"

"Don't worry I can bear it"

"If you say so, okay and let's take a bath first. Both of us are both smelly including the room is still smelly from what we did awhile ago"

(Punch him slowly) "idiot"

"Ah, that's right Rei"

"Mmm?"
