

Last Man 19

Chapter 19 - I'm sorry but I really, really love you.

After hanging up the call from her Mom and Chairman Meng both of them feel the silence and awkwardness from them then suddenly Vin break the awkwardness.

“You’re unbelievable Xue, I didn’t know you also stealing her papers”

“I have no choice that time Vin, when I saw her papers full of answer and knowing that Rei was smart, so I steal in order for her not to shine”

“I just wonder, why did Rei do to you that you will become like this and full of scheming to her”

“You wonder why? She tried to steal you away from me”

“She didnt.”

“What?”

“She didn’t because I’m the one who approach Rei first and became a friend of her. I’m the one who find a ways how to contact her, I’m the one who will make a ways in able to reach and contact her. I think you already heard it when we were in the shop, right?”

“That....”

“Xue, I know it’s my fault that I let it happened between us, but why you didn’t let me give a chance to be with Rei, why?”

“I’m sorry Vin, but I really, really love you”

“If you love me, why you didn’t given me a chance to confess to her? I know I already confess to Rei but that’s not count because you are there, you even inform her that we did it and expecting a baby. If you were Rei, what you will feel? You give another reason for her to reject me. If you love me, why you didn’t notice that Rei loves and likes for me is just a friend. I’m glad that I heard from her but that’s not enough because I know that Rei just treat me as a friend, a friend, you heard me”

“Vin, I’m sorry.”

“Have you ever taught why I have 5 ex girlfriends, that the one I really love was Rei who never become my girlfriend? Have you ever taught why I didn’t confess to Rei and why I wait for many years to confess to her? It’s because I want her to look at me as a man not as a friend.”

“Rei loves you but I’m more in love with you Vin”.

“Rei loves me? For what? Rei only loves me as a friend, if Rei really loves me like you do and what I do, she will find a way how to contact me or even blocking my rivals.”

“So what do you want me to do?”

“I don’t know”

“Then if I’m really pregnant, I will abort the baby and let you go.”

“Are you insane, after what I promise to Rei that I will love the baby with all my heart, you’re now going to get rid of it?”

“Then what I’m going to do?”

“Let’s wait for a month, even though we can the test after a week, we will not do that since Rei give a lot of days to us to settle it. If you’re pregnant I will take responsible of it and automatically cut off my ties with Rei, if you’re not pregnant then let me go and help me with Rei.”

“Okay”

“I know you’re just living opposite to my unit but I will not let you stay in your own unit because you might find a ways how to get pregnant in order to stay with me”

“Thank you Vin” hugged him right away.

“Also don’t hugged me casually.”

“Oops, my bad Vin, I’m sorry.”

“By the way, are you really sure you’re pregnant?”

“Yes I’m sure because we did it for the whole night and you climax inside with me many times. So, I’m sure of it. I think Rei already guessed that I’m really pregnant with your baby.”

“That.....”

“Don’t be shy Vin, even you got drugged by me, you still did it to me gently will you taught you did it with Rei, that’s why.”

“You’re unbelievable.”

“I’m sorry but that’s because I really, really love you. By the way, for you to monitor me, I will stay with you beside you wherever you are.”

“What?”

“Even taking a bath, so be prepared Vin”

“You....you’re shameless Xue.”

“Yes, I am. I already done it to you many times so no need to stay innocent. By the way, before meeting with Rei, I also did it to you.... so I’m becoming more shameless.”

“....” speechless because of her

“Let’s go.” grab Vib hands.

“Where?”

“To my unit, in order to pack my clothes or do you prefer me to wear your clothes or even your u.n.d.e.r.g.a.r.m.e.n.ts.”

“We’re not married yet”

“But we already did it many times”

“I don’t remember”

“Then I will let see the videos of us doing it”.

” Shameless and go on your own?”

“Yes I am and I already told you, I’m always beside you wherever you go.”

“Okay, okay, now let’s go”.
