Chapter 191 - Feeling overwhelmed while feeling embarrassed.

While the doctor and husband discussing about her pregnancy, Rei regaining her consciousness and the moment she regain her consciousness she suddenly heard Tae ask that question and pretend to sleep but then the doctor and her husband still talking about their s.e.x activity, so she left no other choice but to interrupt her husband..

Rei : Tae?

Tae : (suddenly paused) are you alright?

Rei : I'm fine

Tae : That's good to hear, what are you feeling right now? (Asking while assisting her to set up)

Rei : I'm alright now Tae and thank you. By the way Doc, I only sleep for 2 hours or less for 6 days straight, is it going to affect my pregnancy?

Annie : So you know you're pregnant?

Rei : I only know now and just heard my husband asking that question to you Doc, so I pretend to sleep but my husband still talking about that one (glaring her husband because his too shameless to discuss this one but glad that he ask that one to the professional to avoid complications.)

Tae : I can't help it Rei (that cause all of them to laugh)

Annie : Both of you will be first time parents to be and yes dear, you almost got miscarriage but your baby is strong and give you a warning.

Rei : I see and Na, sorry if I didn't follow your warning also.

Na : Nah, I'm just warning you for your health issues and never expect that you're pregnant

Rei : But I'm still glad that you did it for me and helping me to be here in the hospital. And Mr. Hwang thank you for informing Tae about my situation.

Hwang : It's alright Rei and as a father and husband I just did the right thing to do so I get your husband to be here.

Rei : It's your first time calling my name again Mr. Hwang and since when did Tae talk about our relationship to you?

Hwang : Yeah it's been a long time Rei, I thought I'm not going to call your name again when you become my Head Secretary. Well Tae just informed me today. You don't know about it Rei but Tae's cup suddenly slip from his hand and fall on the floor and has been distracted without knowing the real reason

Rei : I see

Hwang : Are you still keeping from everyone that you're married?

Tae : Uh-uh, it's for our safety especially for Rei and our baby (when he mention our baby, his expression is very happy and everyone notice it but didn't comment about it since they know how it feels to have a baby especially Rei who also have the same expression of her husband)

Hwang : I see, then Rei you can be still their Manager but then you only work in the office from 8am to 4pm because you're pregnant. And since you don't want to reveal your relationship to everyone, just work behind the scenes and you can enter the company by using the VIP entrance.

Rei : Copy Mr. Hwang and thank you

Hwang : You're welcome and don't worry I already treat you as one of my daughter.

Rei : Doc, is it still safe to drive when I'm pregnant?

Annie : Yes it's safe my dear just use a tummy shield to redirect the seat belt to the upper legs or pelvis and avoid pressuring your belly but during your close to your due date, just stay within a short driving distance at home or hospital.

Rei : Okay Doc and so how long I'm pregnant?

Annie : You're already on you're 5 weeks pregnant dear and when you're 8 weeks pregnant you can come back here to check your baby's gender.

Rei : That I can't

Annie : Eh, why is it dear? You're legally married right?

Rei : Uh-uh but Tae will be having almost 2 months concert tour outside of the country and they will leave 2 days from now.

Annie : Ahh, I see but don't worry you can come back when you're husband got back.

Tae : Uhhh Doc, when is my wife will got discharge?

Arrau : Sv u hfr emo talhvfzeu fdouz hmqniuoare ovu oulol frt tufz?

Rei : Yes Doc?

Annie : You need to sleep at least 7 to 9 hours a day.

Rei : Yes Doc

All of them are talking and chatting mostly about her pregnancy then suddenly a child voice interrupted them.

“Mommy” that cause all of them to pause what they’re talking about and Na as a mother scolded her son

“Rui”

“Sorry Na and Honey, Rui suddenly run when his out of my sight, I don’t even know how come this little boy know this is the right room.” explained and apologized by Na’s Dad.

“It’s alright Dad and mostly Rui opening all the VIP rooms knowing it’s her Auntie Rei. Geez Rui you’ve become a spoiled brat.”

All : (Except Rui and Tae) ‘because you’re also a spoiled brat Na’

Rui : (ignoring his mother and grandparents) Auntie Rei, hello. I’m her son (pointing her mommy) and is this my Uncle? (pointing Tae)

Rei : I see, so how old are you and what’s your name?

Rui : I’m Jo Rui and 3 years old. I don’t know who’s my Daddy is because Mommy said I don’t have a daddy. This is my Grandma Annie and Grandpa Aron, they’re my Grandparents but they’re young including my Mommy. Sometimes I do wonder if I’m adopted, I ask Mommy that time and Mommy is so angry at me. Mommy is a spoiled brat so Mommy ask my Grandparents to do a D... Test, I forgot the name and then they get a blood from me including Mommy and then it’s said 99.99 percent that Mommy is my biological mother. Mommy shown it to me and it has many numbers that I didn’t understand. Mommy forgot that I’m 2 years old that time (after hearing it from him, then all of them are speechless while Na as a mother feeling overwhelmed while feeling embarrassed.)

All : (speechless)

Na : 'I'm overwhelmed that my son remembered it all but I'm feeling embarrassed that my son revealed it all'

Rui : See Auntie Rei, my mommy is more childish compared to me.

Rei : (After hearing it, she suddenly laugh and said to her) ha, ha, ha I can't believe that you did it Na, I mean you're really a spoiled brat.

Na : Shut up Rei and you're a stubborn one.

Rei : (she continue laughing while Tae amuse because it his first time witnessing that Rei is like this)

Na : Can you stop laughing now huh? I'm already embarrassed enough.

Rei : Alright, alright but still I can't believe your doing it even you're a smart and a genius woman.

Na : Same to you, you're smart and genius and yet very stubborn. And Mr. Jun, I don't know why you love Rei when she's this stubborn.

Chapter 192 - Misunderstanding

Both Rei and Tae just listening their family quarrels because both of them are outsiders so just they keep quiet. The two doesn't want to interfere or eavesdropping but there's no others choice since the family are quarrelling in front of them or maybe they forgot their existence at all. Even the family are quarrelling, they just exchange words and words but not shouting since they're in public place even though they own the hospital and indeed they're all professionals.

Rei and Tae just listening without letting them know that they're still there until Rei suddenly realized when she remembered Na story to her last time and connected it today.

Rei : Ehem, ehem

Na : Ahh, Rei sorry but I can't help it.

Rei : Uhm, Na I think it's really a misunderstanding of both sides of you and your husband.

Na : What? Don't tell me you're(got interrupted by her husband)

Jo : Eh, Secretary Rei?

Rei : Yes Doctor Jo and it's been awhile.

Na : Eh, you know each other?

Rei : Yeah we know each other and I think the one you mentioned a bitch is me.

All : Eh?

Rei : Na, you said that bitch is owned a red car and working at Mr. Hwang Company right?

Na : Uh-uh, but you're not a bitch

Rei : You already know that I was a Secretary before I've become a Manager, so as a former Head Secretary, we conduct twice a year a physical and health check up all of the employees, so I, as the Head is in charge to get the result every twice a year and that's the time you've seen me talking to Doctor Jo

Na : That's....

Rei : I'm always wearing a pantsuit that time with my pony tail hair.

Na : Eh, don't tell me it's really you?

Rei : Yeah, it's me but that doesn't mean I'm your husband mistress. I'm not taken that time but I already know Doctor Jo already married that time and for you to know your husband is not my type. I'm just their and talking to him because Mr. Hwang told me to and Doctor Jo are the one holding all the employees results even his a pediatricist since Doctor Li is always away.

Na : Doctor Li, you mean Doctor Li Jun?

Rei : Uh-uh, so you know Doctor Li Jun?

Na : Indeed I know him because his my brother, but wait how come Chin is the one holding the results and not his secretary?

Annie : Dear you forgot how you're brother so very a meticulous person and knowing that it's you're uncle employees, he doesn't want the result to be held with other else including his secretary. He become more meticulous after what happened to his wife.

Nf : Aizaevu I crmj, ovur wmp (nmaroare vuz vplgfrt) jvw fzu wmp rmo uknifarare ao om qu?

Jo : How come I explained it to you that you didn't even ask me? You escape and hide from away without knowing anything Na.

Na : That...

Jo : It's alright now and I understand it already. So Na, can you return now?

Na : Of course you're my husband

Jo : I see but you said we already divorce

Na : Who said awhile ago that he didn't sign the divorce paper, huh?

Jo : Yeah, yeah you win.

Na : Of course I always win.

Jo : By the way, what happened to you Secretary Rei?

Rei : I'm fine Doctor Jo

Jo : Is this your husband?

Rei : Yes and how can you tell it right away?

Jo : The two of you have a wedding ring on your ring fingers and aside from that I didn't hear anything about you dating anyone.

Rei : Ahh, I see but Doctor Jo, I'm not a secretary anymore.

Jo : I'm still not used of it Secretary Rei and by the way thank you for clearing our misunderstanding.

Rei : No worries, I don't know that I almost ruin a relationship without knowing anything (laughing awkwardly)

Jo : Nah, you didn't do anything but instead helping to clear the misunderstanding between us. And I apologized for my wife being spoiled but by the way you're calling my wife only her name only, are you perhaps friend to each other?

Na : What do you think of me huh, Chin?

Jo : A spoiled brat Na. You and Secretary Rei have really an opposite personality so how come the two of you become friends?

Na : It's because Rei is Rei, she treat everyone from us the same and she did not favor anyone. She help me when I'll get trouble about my work and she's not the type to let you become alone. She didn't even hesitate sharing her bed to me even she's our head so that's why Rei is Rei, she's not the one who's favor someone that can be help to progress or improve.

Rei : You're quiet exaggerating it Na

Na : It's the truth idiot and I never compliment anyone. So you're lucky that I acknowledge you

Rei : Yeah, yeah you're really a spoiled one. And by the way Na, this is my husband Tae.

Na : Yeah I already know and that's the reason why you didn't want to inform the team because you're worried of your husband reaction, right?

Rei : I see, so you figured it out.

Na : So how it feels to have a husband who is famous, huh?

Rei : Of course feeling proud but I didn't marry him because of his status but instead I marry him because he is Tae.

Na : Geez you're really too serious and you just like my brother, he marry his wife because she is Yun and not a famous actress.

Annie : How about you Na, did you marry Chin because his rich?

Chapter 193 - Too Much Coincidence

After hearing that question from her Mom, Na doesn't know if she's going to be sad or be happy.

Na : Mom, am I you're daughter or not?

Annie : Of course you are and I just ask you the same one and if you're on their shoes you can relate what kind of nonsense you're question is.

Na : I don't really know if I'm you're daughter or Rei is your daughter.

Annie : Then If I have a daughter like you're friend Na then why not, at least she is sensible enough and not a spoiled brat like you

Ma : (Speechless)

Both mother and daughter are talking each other, while Aron just keep quiet and observe the couple Tae and Rei because he feels too familiar for them. While thinking, his wife and daughter are still chatting leaving the others been awkward because they don't know what they're going to say until there's another family member arrives in the room.

"Mom and Dad, you're here. I've been searching everywhere for the two of you. Ahh, Na, you're here, are you planning to go back as a Nurse?"

"Oohh, speaking of the devil, the devil arrives. Ahh, Sis in Law you're here"

"How are you Na?"

"I'm alright, so why are you here for?"

"Don't tell me you didn't know what happened to us?"

“Ehh, what happened? Wait, I forgot that Mom mention awhile ago that you become more meticulous after what happened, so what happened?”

Her brother looking around and just notice that there are another aside from his family members and realized who is she “eh, Secretary Rei?”

“Nice to meet you again Doctor Li”

“Ha, ha what a coincidence?”

“Yeah a coincidence indeed”

‘not just a coincidence but too much coincidence’ the later part is only on her mind

“Eh, M’Dol Woo you’re here?”

“Paparazzi Li and Senior Li?” Tae pretend that he doesn’t know but he already know during that incident.

Li Yun : Yeah, nice to meet you M’Dol Woo and is this your wife?

Tae : Uh-uh, but I’ve never expect that Senior Li and Paparazzi Li are a married couple.

Li Yun : Actually we already married for decades but no body knows. Jin just become a paparazzi because of me but he will only release an article about the confirmed couples and not going to taint their names.

Tfu : Mqqq

Li Jin : Never expect that you’re already married Secretary Rei.

Rei : And I never expect that Doctor Li is a a paparazzi.

Na : W—wait Rei you know my brother and Mr. Jun you know my sister in law?

Both : Yeah

Na : What the heck? Too much coincidence

Both : 'Yeah really too much coincidence and we also happened the one who help your sister in law that time'

Na : Right Rei and Mr. Jun? (asking them again when the two didn't answer her and then both just nodded) alright forgot about that one so what happened Bro Jin?

Li Jin : You're sister in law almost got drugged, I mean not almost got drugged since she really got drugged and only that she almost got r.a.p.ed if I was late. And of course I got warned from R but I didn't believe it at first. I'm glad that R people's are helping your sister in law so nothing happened to her.

Na : Ahh I see but how come Sister in Law pregnant now if nothing's happened?

All : 'Did she become an idiot?'

Li Yun : I got drugged Na but don't worry only your brother use my body for the entire night. Ahh, that's right that time I'm confused if I'm the one that got drugged or your brother was the one. That's the result for me being pregnant since you're brother release all his energy to me.

Na : Ha, ha if you drugged Brother Jin maybe it's more that what you anticipate Sis Yun

All : (Only Aron, Jin and Chin) the two of you stop talking nonsense and Rui is around with us.

Both : Oops sorry but geez Rui is too young to understand that one.

All : (speechless)

While Tae looking to his wife as if saying to her 'wifey, see both of them can say it openly, so why are you not the same with them?'

'That's too embarrassing silly'

Hwang : Enough that one guys, so where's the kids?

Li Yun : They're at Jin office Uncle Hwang.

Rui : Ahh Auntie you're having a new baby?

Li Yun : Fortunately yes Rui, ah so you already meet your Daddy?

Rui : I already meet him along time ago but I just got to know now that his my Daddy. Geez, now both Brother Jinyu and Brother Jinxi will have a new baby brother or sister and yet here am I, I'm still alone. Ahh, that's right Daddy you can use Mommy body for the entire night or Mommy you might drugged Daddy so that I will have a baby brother.

All : (Except Rei and Tae) see, you two thought that his young but he can catch us fast.

Both : Ha, ha I see

Rui : Mmm, what's wrong Mommy and Daddy? Can you not give Rui a new baby sister and brother?

Na : Alright, alright Mommy will do what my prince wish (then suddenly grabbing her husband Chin)

Rui : Are you now going to give my wish Mommy?

Na : Yes Rui and it's Valentine Day today so it's perfect for both us with your Daddy.

Rui : Good, good and don't come back if you're not having a new baby brother or sister for me?

Na : Alright, alright stay with your Grandparents while we're away.

Rui : Okay

Chin : What about our work?

Na : Nah, don't worry they will not go bankrupt without us. And you're not the only one Pediatrician in the hospital.

Chin : (speechless)

Na : Bye Mom, Dad, Bro Jin and Sis in law. Ahh, that's right let's meet again Rei after I've become pregnant and Rui you will have a baby brother/sister soon.

Rui : Yeepey (then running away)

Aron : Hey, where are you going Rui?

Rui : To brother Jinyu and Jinxi, I'm going to inform them that I will having a new baby brother or sister, bye Grandpa

All a.d.u.l.ts are all speechless because of this young boy been too excited and then too ashamed for Na because both Rei and Tae witness how she is.

Hwang : Don't worry about them Rei and Tae.

Both : (speechless)

Chapter 194 - Pregnancy without Tae

After witnessing all quirks of family of Mr. Hwang, the two just don't mind it because they can relate it sometimes.

Both Tae and Rei wondered if the kids will meet someday and they don't know how they communicate to each other when they have all different personalities. Tae's niece Jia is too innocent and Rei's nieces and nephews are all smart that if they can detect that it's going to this topic they will automatically covered their ears and yet Na's son is too shameful when his still 3 years old.

Both Li's couple already left when Rui running away and Aron go back to his work without figuring that both Rie and Tae are the same person who help his daughter in law leaving Mr. Hwang, Annie and the couple in the room.

Annie : That's my family dear but let me process you're dischargement first.

Rei : Ahh yes Doctor Li

Annie : Geez, just call me Mom, dear.

Rei : That....

Annie : Don't worry about that and you're the first friend of Na that she's been worried like you're her sister.

Rei : Ahh I see, thank you Mom.

Annie : Good, good and I'm going now. Just be careful dear, you're already 5 weeks pregnant.

Rei : Yes Mom

Hwang : Alright while my sister is processing you're dischargement, the two of you can talk. I'm just standing outside.

Both : Thank you Mr. Hwang

After Mr. Hwang leave from the room, Tae c.a.r.e.s.sing the face of his wife.

"You're pregnant wifey"

"Uh-uh" then suddenly realized that Tae's crying "eh, hubby why are you crying?"

"I don't know Rei" then hug her but not so tight "I was too shocked and surprised when Mr. Hwang said that you're here in the hospital and heard that you faint. Then when I heard that you're pregnant I was too happy. My emotions is going upside down, happy for the pregnancy news and sad because you collapse and faint then I will be away for 2 months for the concert"

"Don't even think about not joining the concert, don't worry hubby, I can handle it"

"Geez, you're more important to me wifey"

"You've been rehearsing all day and night Tae, and don't forget I've been busy also for completing and fixing the team schedules for my job and for you Dear"

“Geez, if I know it then I won’t go against you to come with us”

“It’s alright and you make a good decision hubby because if not, then they will be aware that I’m pregnant”

“....”

“Don’t worry hubby, I will take care of myself and I will priority my health first.”

“Geez you always remind me and the team that our main priority is our health and yet here you are”

“Sorry”

Then release his hug and facing face to face with his wife.

“I will be leaving two days from now and then I will be coming back after two months. I would be really miss you, Hon”

“Same here dear”

Then kissing his wife passionately and release her.

“Sorry for being unreasonable that time and I was upset for nothing”

“It’s alright Tae” then wrap her arms around Rei since she doesn’t have IV Drips on her wrist “and it’s our first fight you know”

“Yeah right and by the way”

“Mmm?”

“I’ve seen your letter and notes”

“Notes?”

“Yes and it’s about how to coax your jealous husband”

“Eh, how did you know?”

“You forgot your private phone Hon and the notes was place on the dining table”

“Eh, so don’t tell me you saw it all?”

“Yup, yup”

“Geez, that’s too embarrassing”

Tae laugh and then touching her w.o.m.b “we will become a parents soon Rei”

“Uh-uh and I’m 5 weeks pregnant”

“Counting that one, today is Feb 14 so Jan 14 would be it’s 4 weeks and so mostly it’s around January 7-14. The last time we did it was last Jan 8”

“Geez, why are you counting that one?”

“It’s because that’s the day I put my seeds to you, wifey”

“.....”

“Ahh, that’s right both Bro El and Mei are having twins so maybe we might have twins Rei”

“Do you want it to be twins?”

“Uh-uh but well whatever it is I will still accept it because it’s our first baby” then put his head to her w.o.m.b “baby, how are you? It’s your Papa”

“Papa?”

“Uh-uh, I like that one and I want our kids to call us Mama and Papa, the way how you call you’re parents Hon”

“I see”

“Okay” then the moment he return to his seat, both Mr. Hwang and Annie entered the room.

“I’m already done with your dischargement dear”

“Let’s go now Rei and Tae”

“Yes Mr. Hwang”

“I will drop off you at the company Rei and you can drive but be careful okay”

“Yes Mr. Hwang”

Then the three of them left in the room while Tae carry his wife things and they’ve arrived at the company. Tae just looking his wife before she drove off and go to the studio. His been suddenly become lively because he is soon to be a father and have a baby with his love of his life. The team notice it but they didn’t know what is it.

After 2 days, Tae and the team leave for the concert tours while Rei still on break because she still need to recuperate and regain her energy back. After 1 week pass, Rei got back to work and become the schedule Manager of all the artists signed in CA Entertainment, in other words she got promoted but she’s still part of M’Dols manager team and just working behind the scenes. Tae just send her a message of how she is and how’s going on with a replied to him doing fine and the baby is behaving because Papa is not around.

The two just exchanging messages because Tae doesn’t want to call her wife because too afraid that he might get caught red handed and most of all Rei might get exposes to radiation that can be affect to the baby. Even the couple’s are in different country, they can never feel that they’re away and only one thing left is their presence to each other. Sending I miss you to each other and I love you to each other is not enough for them but they know that their doing all of this for their future family and sooner or later they will become parents to their first baby.

One month and one week pass, so only less than one month left before the couple meet again, Na got back to work and go to where Rei right away.

Chapter 195 - Na and Rei

When Na appeared to her office, Rei is not surprised at all because she knows how spoiled she is and just teasing her instead.

“I see so you got back, so how is it? Did you really fall pregnant?”

“Of course what do you think of us? By the way, I’m one pregnant so you must congratulate me”

“Yes congratulations Na”

“Geez too boring and how about you, you almost reach to your first trimester?”

“I’m alright the baby is behaving well, I didn’t even throw up or feel dizzy at all”

“Woah, what a good baby it is?”

“Of course it’s our baby”

“Tsk, tsk”

“So how did Rui react?”

“Nah, his been too excited and jumping around when we tell him the news. The moment we visit Mom and Dad, the first thing Rui ask to me is if he will become a big brother soon instead how are we. I tried to prank him but Chin spoiled that moment and just tell him the news right away”

“You’re really a spoiled brat Na, by the way I thought you’re going back to your real career?”

“Nah, I let it pass for a moment because I’m going to guard you before your husband return”

“Ha, ha two pregnant woman working together, are we looking for a trouble?”

“Geez I’m a nurse so I know”

“Fine, find but Na...”

“Geez Rei don’t you believe me?”

“Alright, alright I believe you and by the way you already wearing you’re wedding ring Na”

“Geez it’s just because of you that I’m wrongly accuse my husband and if it’s not you then maybe it’s my fifth baby now”

“Ha, ha don’t tell me you want to form a basketball team?”

“6 kids? Nah it’s too small for us because we want 1 dozen of kids. Geez what the use of us being rich and have a big house if we only too little living in the house”

“Are you planning to be a pig?”

“Nah I know how too maintain my body figures, by the way how about you?”

“I want two only but it depends how many my husband wants. I remember it that Tae wants 4, so maybe 4”

“Two or Four? Geez what a small family?”

“Ha, ha, ha and by the way why do you want to have a big family?”

“So that’s our house will be lively. Me and My Brother is too boring since both Dad and Mom are busy so our house is so quiet we have maids and butlers but they’re too quiet it’s like their not human but a robot instead”

“Are you sure it would be lively? How about if your kids will be spoiled more than you?”

“W—what?”

“Nah I’m just kidding by the way I just wonder why the only you who is not a doctor”

“Sister Li Yun is not also a doctor”

“Idiot, what I meant is, why are you a nurse and not a doctor like you’re parents and brother?”

“Ahh nah being a doctor is too boring and of course I can’t assist my husband so I’ve become a nurse so that I can support and assist my husband”

“Support and assist your husband? I see, so just by running and hiding away for 3 years then you’re here right now is really proven that you really support and assist your husband in opposite ways”

“Do you want me to come or not?”

“Alright, alright giving Ms. Na value time is my honor”

“Good, at least you know”

“By the way why are you working the other’s artist schedule? Don’t tell me you’ve been ejected from the M’Dols Managers Team?”

“Hello earth to Na, you’re also there when Mr. Hwang mention the changes of my work because I’m pregnant, remember”

“Ahh, that’s right. Ha, ha, ha I forgot about that one Rei because I was too consumed of having s.e.x with my husband so I forgot about that one and also I have a baby brain right now.”

“Y—you, are you a woman or not? How come your too shameless to said it loud without feeling embarrassed?”

“Oohh, so you’re also quiet innocent Rei but well it’s normal thing to do for a married couple. Don’t tell me you didn’t have s.e.x with Tae?”

“.....”

“Neh?”

“What?”

“How’s Tae in terms of bed exercises?”

“.....”

“Geez you’re so stingy Rei but you know Chin is innocent but when his....”

“Idiot stop and I don’t want to hear you’re intimate session, for sake Na, I can’t believe that you’re this too shameful and perverted Na”

“Geez you’re no fun at all, even Sis Li Yun can share it without worries”

“.....”

“By the way Rei?”

“What?”

“What’s your favorite position?”

“Position for what?”

“Having s.e.x duh and so which one?”

“...”

“Just answered that one Rei”

“Enough with that topic and if you still talking about that then the door is open for you to go out and don’t disturb me because I’m busy”

“Stingy” then just seat at the couch and just observing her friend working seriously.

“What time is your off?”

“4pm, geez where are you that time?”

“Ahh that’s right and sorry I’ve been tired from the s.e.x we did ...”

“Sigh, why did I ask you that one when I already know your answers?”

“Mmm?”

“Nothing”

Time pass time, second by second, minute by minute, hour by hour and day by day, Na always visiting her everyday and just chatting Rei and then Na can still show how shameless she is and Rei ignored her until one week before the team got back, Na suddenly rush out to the bath and throwing up.

“Are you alright? You’ve been throwing up lately” while c.a.r.e.s.sing her back

“Are you sure that you’re pregnant Rei?”

“Uh-uh and look at my baby bump”

“Geez, I’m a nurse but it’s my first time seeing a pregnant woman without feeling throwing up or any symptoms of being pregnant”

“Told you our baby is really behaving well”

“Yeah, yeah” then continue throwing up “this is why I hate being pregnant”

“Ohh really but I heard someone saying she want 1 dozen of kids and now that someone already complaining”

“Only for the first trimester”

“Ahh, okay ” but then she help Na because she’s still throwing up. “here, it’s good for you and for the baby”

“Thanks and by the way?”

“Mmm?”

“I already have Rui and another incoming baby boy, so if you happened to give birth a daughter then let’s marry our kids to each other.”

Chapter 196 - Fans gift to M'Dols

After hearing that one, Rei don’t know if she laugh or cry and she didn’t reply to her.

“Hey, hey I’m not joking you know and why are not answering me huh?”

“It’s because I’m against with the arrange Marriage thing”

“Are you hesitating and doubting about my kids?”

“Nah, that’s not what I mean. I rather let my kids chose who they love and I’m not forcing them”

“Alright, alright but let them be friends”

“Okay”

After one week, in a few hours the team will arrives from their successful concert meanwhile Rei, Na and others are busy receiving and checking the gifts from the fans. Na is 2 months pregnant and Rei is 3 months pregnant but their baby bump is not really obvious so no one’s can tell that they’re pregnant. All of them are clueless that this two beautiful and pretty lady are both pregnant, they got busy checking the foods and the gifts for the teams safety, though they trust the fans but they can’t be sure that the anti-fans are mixing with the fans and giving a gift to the team who is not safe enough for example testing if the food is poisonous and checking the gifts by using x-ray to see what’s inside of it. Both Na and Rei are in charge but since they’re both pregnant they just instruct what to do to the other staff without letting them be suspicious enough. The two are just simply wearing their plain maternity dress which is not quite obvious of their small bump but if you will really look closely then all of them will take a notice of it.

After making all sure there’s nothing wrong with the gifts and foods they put it all at the studio. The others already done designing and decorating the studio so then all of them just waiting for the team to surprised them. All of them are waiting but then Rei got called for the changes of the others artist schedule, so she excuse herself and go to her office.

After an hour Rei still not got back from her office and the team arrives. The staff welcome them.

“Welcome Back and Congratulations”

Li : I see

Ypr : Snufcare md Mfrfeuz Rua, jvuzu al lvu?

S2 : She's here awhile ago Yun but then she got called and still not coming back after that.

Yun : I see

S1 : After we eat this one, M'Dols you will retrieve all your gifts, geez even thought you debuted long ago, you still received many gifts from your fans.

Yun : (representing the group) Yeah and we're glad that we have a kind and nice fans who always supporting with us.

Han : Alright guys let's eat now and we trust Manager Rei.

All : Of course

Then all the team start digging out their foods and Rei still not back since she's busy with the changes of the other's artist schedule. After eating, both artists and Managers are starting looking there gifts and then all of them except the staffs notice a gift for Tae and asking him.

Han : Do you have a fan with a nickname My Love, Tae?

Tae : (caught off guard) eh?

Ypr : Yufv Tfu frt rmo mriw mru gpo ovzuu eadol dzmq Mw Lmsu.

San : From what I know, Bro Tae fans doesn't have a fan who's user name is My Love.

Bi : Yeah, yeah that's right.

S1 : Don't worry guys Manager Rei already discarded the gifts that can harm you and she's in charge for checking all the gifts and she's instructing us which one to discard and not.

Yun : I see but then I'm quiet curious who's My Love, Tae

All : (Managers and Artistd) same here Tae / Bro Tae.

Tae : (looking that gifts and indeed they're 3 of it with the same name. He opened it without worries because he knows it's from his wife and he trust her. After opening it, he found 1 men's necklace with a heart design, 1 set of blue pajama and 1 black backpack)

Yun : Woah, I never expect that this fan of yours Tae is rich because all of this are the latest product and quiet expensive.

San : Yeah Bro Tae but that necklace is customized designed because I didn't see that necklace have a heart design on it.

Bi : Yeah that's right and from what I remember Bro Tae also buy that necklace and it's design for women and then have a design of one.

Yun : That's right but this fans of yours is quiet in love with you Tae even the nickname is My Love.

Han : (who didn't see because all of them are surroundings Tae so he ask Tae instead) what did you receive Tae?

Yun : (Instead of Tae, he replied) Manager Han, Tae received a set of blue pajama, a man necklace with a heart design and 1 black backpack

Na : (After hearing this she suddenly caught of guard and choke) cough, cough, cough

S1 : (who seat beside her) eh, are you alright Ms. Na.

Na : I'm alright. 'Geez, I never expect that Rei gifted it all to her husband. What a doting husband she is?'

Rei : (at her office) Achoo.... Geez I sneezed many times already, did I catch a cold?

Han : Ahh, I see but then Tae also buy 1 set of pink pajama, black backpack and a woman necklace with Number 1 design on it.

Na : (caught off guard again and choke) cough, cough, cough

S1 : Eh, are you really alright Ms. Na?

Na : Yeah, yeah I'm fine. 'Geez what's wrong with this couple. Both our doting husband and wife. And most of all they were thinking the something''

Both : (Rei and Tae) Achoo

Rei : Don't worry baby, it's not a cold maybe someone talking about Mama.

Yun : Eh, are you alright Tae?

Tae : Uh-uh (then looking to Na and warning her using his eyes only) 'you're too obvious Ms. Na'

Na : (fortunately she understand him and replied to her eyes only) 'Yeah, yeah sorry but you're too cheesy'

Tae : 'Not cheesy because this is the way how we love each other'

Na : (speechless)

Chapter 197 - Rei, a lesbian?

The artist are all opening their gifts from their fans and they realized that only that 3 gifts have a code name since all of their fans provide their real names and just wondered why.

Shi : Geez Bro Tae, among all these gifts only your gifts have that codename.

San : Ahh, that's right maybe that fan is a new fan and might Bro Tae secret lover.

Yun : If she's a new fan then why all of us are not aware of it? (ignoring the secret lover)

All : (except the staff and Tae) how are you sure it's a she and not he?

Yun : A man buying a man's necklace to gift Tae and then a blue pajama?

San : Ahh, that's right so it's must a she but why all of us are not aware of her? So she really must be Bro Tae Secret Lover

Han : Forgot about that one guys, Manager Rei already screenings the gift so mostly it's not from your anti-fans and maybe that fan request Manager Rei not to reveal her identity and Manager Rei allow her to use a nickname.

Aii : Awv, I luu

Yun : But Manager Han, I remind you that aside from us, no body knows that Manager Rei is part of the Team Manager and not even fans knows about that one.

Han : Ahh that's right.

S5 : If you're talking about that one it's alright because some of your fans thought that Manager Rei is one of the trainee artist signed with the company or some are even thinking that Manager Rei is a staff.

S2 : Not only that one, they also think that Manager Rei is either one of the directors or daughter of the owner.

All : (Artist and Managers speechless)

S1 : And not just that guys, since you're fans also thought that maybe Manager Rei is one of your lover or more worse one of the board of directors lovers.

All : (more speechless)

Yun : Ehem, ehem I don't think it's from our fans because we know them and they're not like that.

San : Yeah that's right and maybe that's our anti-fans and then they witness how Manager Rei discarded their gifts and to revenge her, they speculate something bad to Manager

Rua.

Shi : That's right, that's right

Yun : Speaking of Manager Rei, where is she? We already done eating and opening the gifts but she's still not here.

After that one all of them heard a phone ring

"Ring, ring, ring"

Na : Ahh, it's Manager Rei

All : (except Tae) 'why Manager Rei calling her instead of me / Manager Han?'

Han : You can answer it Ms. Na

Na : Yes Manager Han (then answered the phone)

--- Phone call ---

Nf : Yul Mfrfeuz Rua?

Rei : I just start throwing up. Geez the baby know that Tae already here and help me bring a fruit juice.

Na : Ahh, I see and is that all?

Rei : Only that one Na and I'm not that demanding like you

Na : (speechless and she can't retort because no body knows she's a spoiled brat)

— End of call —

Na : Uhhm Manager Rei needs my help.

S1 : Eh, but Manager Rei can do it alone without needing any of our helps.

Na : T— that

S5 : Right Ms. Na and what kind of help that Manager Rei needs?

Nf :

Rui : What is it Ms. Na? Maybe I can help more with Manager Rei than you

Na : (don't know what excuse she's going to say and then she look to Tae and trying having an eye conversation) 'you're wife start throwing up and she needs my help'

Tae : (get what she meant) hey guys don't forgot that Manager Rei is a woman so maybe it's a woman things.

All : Ahh, that's right.

Han : You can go now Ms. Na and tell Manager Rei that were waiting here

Na : Yes Manager Han

After Na is out of sight, Rui who seen them last time started to speculate and still not recover from being rejected by her.

Rui : Neh, neh guys?

All : (except the artist and managers) what's wrong Mr. Rui?

Rui : I don't know if it's confirmed or not, but I guess Manager Rei is a lesbian.

All : What?

Rui : Two days before the M'Dols leave for the concert, I saw with my eyes that Manager Rei seating at the other side of Ms. Na car.

Kim : It's must be misunderstanding Mr. Rui, I mean as the Head Manager of the Concert Planning Team, Manager Rei is the only one who never treat us the Head or her lower level since she treat us equally. Ms. Na is not close with anyone and only Manager Rei who treat her fair. She didn't mind that they share the bed together during the last week of preparation after we comeback from the J Country.

Hang : That's right as what we observed, Ms. Na being with us from the concert planning Team, no one's around with her and she just act cold and aloof but when Manager Rei joining us, she started to open up to Manager Rei and now start talking to us, so maybe Manager Rei and Ms. Na become closer after 2 months.

All : (because of this two statement everyone except Tae start to doubt about Rei's s.e.x.u.a.lity) I see

Kim : You're misinterpreting it guys

S1 : Now that you said it Rui, I also found it weird because Ms. Na always visiting Manager Rei for this whole month.

S5 : Yeah, yeah and I don't know what happened for the last two months but Rui are you sure you seen Manager Rei seated at Ms. Na car?

Rui : Uh-uh and wait I have a picture of it. (then searching it from his phone and then show them) see? Manager Rei owned a car and why was she at Ms. Na car that time?

Aii : (ukhuno Tfu ovuw rmttut omeuovuz)

Rui : And now not only that, Ms. Na have also a ring on her left ring finger and same with Manager Rei.

Yun : Manager Rei already had a ring when she become our Manager.

All : (Team M'Dols nodded)

Rui : Nah, that's not what I mean. Manager Rei and Ms. Na have a same ring on their left finger.

Yun : But what if it's a friendship ring, like us, me and my co-members have a same ring for symbols and signs that we're a group.

Rui : That, I don't know Bro Yun but I'm sure that Manager Rei is a lesbian.

All : Why?

Rui : Because I've been rejected by Manager Rei and not just me but also them (pointing S1, S2 and S5)

Chapter 198 - Are you alright?

The staffs, managers and artists are still talking and chatting and they even ask the four how they confessed and got rejected by Manager Rei. Some of them are doubting about Rei's s.e.x.u.a.lity because the four who confess to them are the most popular staffs in the concert planning team and mostly females staffs confess to them but got rejected by them only one and it's Manager Rei who did, so they were curious how the four of them who's popular got rejected by Manager Rei. Some of the females staffs got jealous but then knowing it's Manager Rei they like then they're no questions anymore and they can't fight because they know how pretty and smart Manager Rei is. They talk and chat while Tae getting worried of his pregnant wife, so he excuse himself but almost got stop by their team leader.

"Where are you going Tae?"

"Restroom"

"But we have restroom here"

"Many"

"Ahh, that's right. Just come back quickly"

"Uh-uh"

'What's wrong with Bro Yun? He become so attentive to me, nowadays' thinking while walking.

—At Rei's office—

Rua loaii ovzmjare pn jvur Nf fzzasul frt fnnzmfhv vuz fdouz npooare ovu dzpao bpahu fo ovu tulc ofgiu.

"It's your first time throwing up for the whole two months"

“Yeah” then continue throwing up while Na c.a.r.e.s.sing her back. After 10 minutes, they got out from the lavatory but then when they step out Rei start feeling dizzy and Na assist her friend.

“Geez, what’s wrong with you all of sudden ?”

“The baby are misbehaving”

“Yeah, yeah and thank goodness my baby boy didn’t misbehave today or else I don’t know what happened to the two of us” talking while assisting Rei to seat down. “Here drink it, it will help you and the baby”

“Thanks”

After another 15 minutes Na ask her again “still dizzy?”

“Uh-uh” then massaging her heads “geez, what’s with the baby today?”

“I also don’t know since” got cut off because Tae hurriedly seating beside his wife and ask her worriedly

“Are you alright Hon?”

“I’m not, our baby start misbehaving today and the baby is not like this for the last two months when you’re away, Dear”

“Thank you Ms. Na and you can come with us after I console the baby”

“Okay, but why?”

“The two of you have been accused of being a couple and Hon, you’ve been suspected as Lesbian”

“What? Are they idiot? Geez, how come did they come out that kind of conclusion?”

“You’re spoiled brat is on mode Na”

“Shut up, how come they accuse the two pretty woman’s a lesbian?”

“Hey, did you forgot that you’re pregnant huh?”

“Ahh, right. And by the way, how are you Rei?”

“A little bit dizzy and the baby is behaving now”

Tae automatically c.a.r.e.s.sed his wife tummy and said to the kids “Baby behave now, Mama is still working and Papa just got back”

As if answering, the baby behave and Rei start to feel normal and commented to him “the baby did listen to you Dear”

“Are you alright now?”

“Uh-uh”

“Let’s go now before they get more doubting that the two of you is really a couple”

“Geez, I can’t believe you’re like this Mr. Jun”

“And I also don’t believe that you’re a cool and aloof type Ms. Na”

“Ha, ha the two of you stop it now and dear, I remind you again that Ms. Na is 2 months pregnant so don’t provoke her.”

“Ahh, I see. So you really got pregnant Ms. Na and here I thought that your husband is an innocent but I guess I’m wrong”

“You also think that one Mr. Jun”

“Uh-uh, why did I guess it wrong again?”

“Nah, you guess it right and just to tell you being an innocent is just a facade of him”

“Ahh, I see. You and you’re the same age so maybe that’s why”

“You’re saying like you also not the same age with us”

“Ahh, that’s right but I’m one year ahead”

“Yeah but it almost the same and by the way Mr. Jun?”

“Mmm?”

“I ask you’re wife about you’re bed performance but she didn’t answered me”

“I see but well it’s only for us and only my wife know how my performance is”

“Both of you are stingy”

“...” speechless

“Stop with that Na and what if we ask you how you’re husband bed performances, are you going to answer it?”

“Of course I’m proud of my husband bed performance and to tell you both, to his innocent appearance it’s the opposite when his on the bed because his like having take an aphrodisiac drug but he didn’t”

“...” speechless again meanwhile Na husband suddenly sneezing out all of sudden and his facing his son at that time.

“What’s wrong Daddy?”

“Nothing Rui”

“By the way Daddy?”

“Mmm?”

“I want at least 5 baby sisters and 6 baby brothers that it’s makes 12 including me”

“...” speechless

— — Back to them — —

“So now Rei can you tell me how Mr. Jun performance?”

“I won’t and it’s only for us”

“Stingy”

“Ha, ha but congrats in advance”

“Congrats for what Rei?”

“For having 12 kids in advance”

“I will for sure and by the way Mr. Jun?”

“What again Ms. Na?”

“How many kids do you want?”

“4 kids”

“Geez that too small but Rei said she wants 2 or 4 only”

“I said I want 2 or 4 but I just follow how Tae wants. So dear you want 4?”

“Uh-uh and is it alright with you?”

“Then 4 kids”

“You two I can’t believe you only want 4, Rei you’re just 26 maybe at the age of 40 you can have 14 kids”

“How did you come out with that one?”

“Well I’m 28 so at the age of 40, I can achieved having 1 dozen of kids. Aagh”

“What’s wrong Na / Ms. Na?” both of them got worried because she suddenly shout

"I just realized that I and Chin married at the age of 16 and I might already having 1 dozen of kids and possible I might having another 1 dozen of kids. Geez, we're really wasting our time"

The two who's worried that something might happened to her suddenly sweat dropped and got worried for nothing.

"By the way Na let's go now before they think that we did something inappropriate in my office"

"Yeah, that's right"

Chapter 199 - A surprise for Ms. Na

The three of them got out and Tae is the one entering the studio first and indeed they're still chatting about Rei and Na. Only a matter of minutes, the two entered and Rei interrupted their chatting.

"Since we did I become a lesbian, hmm?"

"Ahh, Manager Rei you're here"

"Yeah I'm here but guys when did I become a lesbian hmm?"

"Eh, you heard it?"

"Mmm, I just heard it now" but then one of them is confuse on how did she know because as what he remember Manager Rei entered only a matter of minutes after Tae entered back from the restroom as what he said awhile ago and then everyone already not talking about the lesbian, well they're still talking about the two but they never talk about the Lesbian things when all of them heard a footsteps going in.

"Sorry Manager Rei but we can't help but are you sure you're not a lesbian?"

“I’m not guys so why do you think so?”

All of them looking to Rui who started the rumors and he just standing and afraid because all of them looking to him. Rei got it but she didn’t mind it because she knows why he did it.

“Again guys I’m not a lesbian and I like men, but for now I have an important announcement for all of you a good news and bad news.”

“Eh, what is it Manager Rei?” including Tae because he doesn’t know. And Rei is not the type to run around the bush, so she explained it right away.

“Temporarily I will be working behind the scenes from the team but I’m still part of the M’Dols Managers but for the meantime I won’t be with you guys because there’s some circ.u.mstances for me that I can’t able to do so and attain, but don’t worry I will be back after I solve my circ.u.mstances”

“I see” said in unison and Tae feel relief.

“By the way Manager Rei when are you coming back working with us?”

“I’m still working with the team San but only behind the scenes but mostly not more than a year”

“Ahh, I see”

“Is it a health problem Manager Rei?”

“We can relate it to that one Yun but I don’t have an illness so I will be working back with the team”

“Ahh, thank goodness”

“Thank you for worrying me Yun”

“Not a problem Manager Rei and you’re our Manager”

Yun replied her sincerely and as a doting wife, Tae alert and can sense that for sure their Team Leader have a crush on their Manager Rei or his wife.

“Then let’s continue celebrate the success of the team and not only celebrating but we’re going to celebrate a farewell party of our camaraderie”

“Eh, what do you mean Manager Rei?”

“Our friend here Ms. Na (slight pushing Ms Na in front of her and continue) will be leaving us and all of us might not aware but she’s a registered nurse and she’s already a nurse at the age of 18 but stop around 25 and joining here for personal reasons. So as what I told to everyone, they are now done preparing gifts for you Na”

Na is speechless and not aware of this surprises from her only friend.

Han : “Don’t be shy Ms. Na and here’s my gift to you” get his gift from out of nowhere and give it to her before giving her a message from him “when Manager Rei is still not yet around, you’re the one who helping me for the team concert schedules and for those 3 years thank you for your help Ms. Na”

Na : Eh, you know it Manager Han?

Han : All of us know that you’re leaving after the day we arrive since Manager Rei informed us but we only know today that you’re a nurse.

Na : (don’t know what to do and just slightly hug Rei) geez, how did you prepare it all when I’m always around with you for the whole month?

Rei : You're really making me lesbian if you act like this Na. (everyone laugh because of her comments), they're still not yet finish and everyone are preparing their gifts to you (turning her back to face them and can see that all of them holding a gifts) see?

Li : I don't know if you like my gift Ms. Na but I hope you like it. So you're a nurse and that's why you can easily figured out if the food is poison or not.

Chi : Here Ms. Na and thank you for everything, being part of the concert planning team is not that easy but you did it for 3 years long and most of all it's not related to your career

Wang : Here it is Ms. Na and thank you.

Kim : Here Ms. Na and that's the reason why you can easily tell if that person are sick since you're nurse (everyone laugh)

Hang : Here Ms. Na, you already like a daughter of mine and you're so timid that sometimes I got worried about you but now knowing you're a nurse I can now at ease, so it's just only a facade for you.

Both : (Rei and Tae) 'her timid? Nah, you got it wrong Manager Hang and yeah it's really her facade because she's a spoiled brat'. Then Ms Na who feel it and suddenly looking to this couple but only received a smirk expression of Rei that Na got speechless of her friend.

Ong : Here Ms. Na you've been the most kind and quiet among the concert planning team. Good Luck Ms. Na

Both : (Tae and Rei speechless including Na herself)

Then slowly by slowly all the staff give a gift to her with a simple message and thank you. Yun is the one representing the gift from the M'Dol Teams since they've made it one and quiet expensive even it's only one because they know that she's the one who make their concert schedules for the past three years even though it's not comparable to Rei but it still precise and concise.

Yun : Here Ms. Na, I and my co-members are lucky to have you in the team. We know that you're the one who prepares our concert schedules for the past three years. Thank you Ms. Na

Na : You're welcome Yun.

Rei : It's my turn now, here Na. I don't know if you like it but well it comes from my heart but tell you it's not a romantic way instead in a friendly way. I heard that you're the most popular in here, is that right? (all males nodded except the M'Dols) see, but well too bad guys.

All : Eh, why?

Rei : Na already taken so you won't have a chance.

Rui : So it's the truth that Ms. Na and Manager Rei are a couple?

Rei : It's not me and again I'm not a lesbian and Ms. Na is beautiful and pretty so she must deserve a King.

Na : Eh, you invited him?

Rei : Of course and how come I miss you're King? Most of all how can you carry all of that if his not around? (pointing all the gifts that she received) You can come in now, you've been standing there since you arrive.

Rui : (but instead of Na husband Rui running and calling his mom excitedly) Mommy?

Nf : Ev wmp film arsaout qw nzarhu?

Rei : Nah, not me.

Chin : I can't stop him Na because when the moment he heard me that I'm going to pick you up, he suddenly jumping on me and never let go of me, so I had no other choice but to bring him here.

Na : I see.

Rui didn't jump on his mommy because he knows that she's carry his baby brother or sister so instead he just hug her mom legs and everyone who's too surprised and shocked that Na is married just standing there and looking them dumbfounded. The one who likes her for 3 years suddenly feel dejected because Na husband is like a celebrity and more prominent compared to them. Meanwhile while they still feel shocked and surprised, there another unexpected guests arrives and all of them like they've received a hard punch for many times and they can be collapse right now, of course except for Tae and Rei but just pretend that they don't know her but too bad for Rei, she forgot that this family is more unpredictable compared to Na..

Li Yun : Aiyah, aiyah I've never expected that you will received many gifts Na.

All : (except Tae and Rei but just play around) eh, Goddess Li?

Li Yun : Uh-uh and hello everyone.

All : (notice her bump) eh you're pregnant?

Li Yun : Yup, yup and thank you for taking care of my sister in law

Aii : Salouz ar Lfj?

Na : Rei, don't tell me you also invited my brother and her?

Li Jin : Mind you're manners Na and for your information it's you're son who tell Jinyu and Jinxi that they will picking you up and they tell us, so why not visiting my sister.

All : Eh, Paparazzi Li?

Li Yun : Oh no we got busted and I forgot this one.

Both : (Jinyu and Jinxi) hello Auntie Na

Na : You two are also here?

Jinyu : Ha, ha it's because Rui said that you're now coming back as a nurse Aunt.

Jinxi : By the way where's Auntie Rei?

Na : There (pointing where Rei is)

Jinxi : (looking to where his Aunt pointing her) Ahh, you're really pretty Auntie and please wait for me for 12 years so that I can marry you and you're next husband.

Rei : ...(speechless)

All : (Except Tae and who know that she's married) 'Next husband but Manager Rei is still single'

Li Yun : Jinxi what nonsense are you talking about?

Jinxi : That's not nonsense Mom and I'm six years old now and when I reach 18, I will propose to Auntie Rei.

Li Jin : But you're 20 years away Jinxi.

Jinxi : Nah, age doesn't matter Dad, right Auntie Rei?

Rei :

Jinyu : Forgot about that one Auntie Rei, my brother is really talking nonsense now.

Jinxi : Are you my brother or not?

Jinyu : I am and that's why I stop you Xi. Just stop that one and just ask Auntie Rei that if she marry (already know she's married but didn't expose because his parents and Na explained to him why) someday and have a kids in the future then why not chose her daughter instead.

Jinxi : Ahh, that's right. Woah, woah you're too smart Bro Yu, so Auntie Rei you can marry (follow his brother and he almost blown his Aunt Rei cover) the one you like and then you can introduce me your daughter to me.

Rei : 'They're really a family'

Jinxi : Eh, why are you not answering me Auntie Rei? You don't like me?

Rei : I see, I see so if someday if I have a daughter then I will introduce her to you and that's all I can do, okay?

Jinxi : Yes leave it to me and Bro Yu.

Jinyu : What?

Jinxi : You must not become my rival.

Jinyu : I won't

Jinxi : Good

Rui : W—wait a minute.

Jinxi : What's wrong?

Rui : I also want Auntie Rei daughter to introduce it to me.

Jinxi : Eh, then, then we're rivals.

Rui : Yes we're rival Bro Xi

Jinyu : Between the two of you stop it and why not ask Auntie Rei to have two daughters instead.

Both ; Ahh, that's right thanks Bro Yu, you're so smart, So Auntie Rei you must have two daughters, okay?

Rei :

Both : Auntie Rei?

Rei : Right, right I will try but only introducing them to you guys.

Both : Yeepey

Rei : But wait I have two nieces so why not with them? (trying to sold them out because she still doesn't know the gender of the baby and the future)

Both : Pictures?

Rei : (get her phone and show to the two kids then Jinyu also looking to the pictures that shown by her) here

Both : Mm...they're both pretty and beautiful but we still preferred your daughter Auntie Rei

Rei : ...(speechless)

Li Yun : Alright guys, don't disturb Rei and Na.

Both : (Jinyu and Jinxi) okay

Na : Are all of you waiting for me? (all of them nodded) everyone sorry but this is my family.

All : (Just standing there while in a daze)

Chapter 200 - Jinyu in love at first sight

"I see thank you"

"Where's your car?"

—-Flashback—-

After seeing the photos of one of Rei's niece, Jinyu become fl.u.s.tered and his heart beat fast. He pretend that he didn't got affected and keep his composure intact and just acting like he didn't care. He heard his brother and cousin comment.

'You two must be blind these two will be more beautiful and pretty compared Auntie Rei' yeah, his right because Rei and Mei's beauty are both combined to their Bro El beauty in a male version of course and that's the reason that sometimes their relatives can be confuse sometimes that their nieces Ellyn and Lynel must be daughter of either Rei or Mei but then these two sisters just replied to them that it's Bro El daughters.

When they got out from the studio, he said to his parents.

"Mom and Dad, let's wait for Auntie Rei"

"Why?" both parents asking him.

"I have something to ask her"

"And what would it be Jinyu?"

"Later Mom"

And the family of four are seating around the corner that no one can notice them since Goddess Li is too popular even she signed in different company and Mr. Hwang is alright with that in order to avoid connection. The family know how she's become famous and popular without using her connections and just use all her strength to achieve this achievement without using her background. After almost an hour of waiting, they notice that the people's at the studio slowly getting out and then notice that mostly all of them left then they notice that the one they waited is still not out.

"Mom, Dad let's go"

"Wait Jinyu" but too late because his already running like an athlete.

“Geez Mom and Dad what’s wrong with Bro Yu?”

“Who knows?” both answered by his parents and then then all of them follow him.
