

Last Man 20

Chapter 20 - Good News: Promotion

Xue continued packing her clothes while Vin looking around and notice that her unit was bigger to him as expected from the daughter of Conglomerate Shipping Business. He also notice that she still have a photo of her and Rei, it was during their graduation day. Both of them smiled wildly and free, so he realized even she did it all to Rei, she still cares for her even she did it all to Rei, she still keep her photo with her. She did it all to hurt her just because of him. Xue already done packing and just observing Vin then disturb the silent Vin.

“Ehem!”

“Ah, are you done?”

“What are you thinking right now?”

“I just wonder if I’m not here you and Rei will still be like this”.

“If you’re not here, I and Rei will not even know each other, you’re the reason why I approach her. It’s me, the one who interfering the two of you. But now I realized Rei only treat you as a friend, she like you and love you as a friend.”

“So you just realized it now”

“Uh uh, sorry Vin. So. how about I will drugged her after being drunken.”

“Idiot, how can she be drunk if she’s not even can drink”

“Oh, that’s right. What a boring life of her”

“That’s Rei we know and let’s go now, it’s already late”.

“Okay”

Meanwhile at the company where Rei work, the CEO and the manager discussed about her future while the one got discussed was busy handling her bestfriend and friend without knowing that her career is already on a rise.

The CEO already seating in the office chair meanwhile Manager Xia is now relying to their CEO about Rei’s evaluation. After, the CEO only commented one sentence.

“Oh! So this Ms. Rei only working for us just 7 months.”

“Yes CEO Hwang, Ms. Rei is an amazing one, with a high IQ and EQ that’s the reason why some of this Branch Team envy and jealous of her.”

“Why did you discovered her late?”

“Before she joined our team CEO Hwang, she’s working where her Mother’s working place, based on my investigation and analysis Ms. Rei just work not for the pay she receive but to support and assist her mother.”

“She’s really kind and nice. Just 7 months, she already done a lot to this Branch.”

“Yes CEO Hwang but she never claim it to the team instead she encourage the team to keep our good work even she’s the one who suggested.”

“Good, good. It’s really coincide that I’m needed a Secretary”

“Eh, Secretary Su resign?”

“He didn’t. He got promoted so tell Ms. Rei that she will be promoted and assigned as my Secretary in the main branch, B Country. Give her a month to decide. If she accepts the offer, tell her that the management will be the one processing her doc.u.ments and her living in the B country. I assign Secretary Su to be her tutor in all aspects like the culture, cooking style, driving skills, B country language, places and the company rules and regulations to the main branch.”

“Yes, CEO Hwang.”

“So how long Ms. Rei training would be?”

“One month and Half is enough for her”

“What?”

“She can do it. Don’t tell her about training duration since Seretary Su will be the one doing that and inform her about the promotion on Monday since I’m already living tonight.”

“Yes, CEO Hwang.”

“Ah, I forgot, process her doc.u.ments right now so that a week after her decision she can already leave in this place and arrive in the main branch”

‘But CEO Hwang, we still not sure if Ms. Rei will agree or not and I don’t know if Ms. Rei already had a passport.’ but he just obey and agreed.

“Yes, CEO Hwang”

“During your hiring of Ms. Rei, did you ask for a passport requirements for her?” CEO Hwang ask knowing from his expression.

“We didn’t CEO Hwang.”

“Then after letting her know, ask if she already have a passport just in case if she agreed.”

“Yes, CEO Hwang.”

“If she say Yes, ask a copy of her passport just to be ready and prepare if she will agree of her new position.”

“Yes, CEO Hwang.”

“How about your team that violating the rules?”

“I already called them this morning and inform them. My intern will be demoted effective on Monday.’

“Good and you must convince Ms. Rei for this offer.”

“I will do my best, CEO Hwang”

“Good”

Then CEO Hwang leaves without uttering any words and leaving behind his Head Manager in C City Branch.

Monday arrives and all of the team wonder why some of their colleagues got suspended starting today and don't know how it last then and another one who got demoted when she almost become a Secretary. They also wonder why Ms. Rei got called by their Head Manager that all of them know that their colleagues didn't violate any violations but unknown to them all of them except Rei offend a important guest not just an ordinary board of members but a CEO. They we're just lucky that the CEO didn't fired them out but instead they just got suspended for a month, if it's another CEO then they already said goodbye to their career.

Meanwhile inside the Head Manager Office

Rei get inside in the office and feelna little bit nervous but knowing she didn't do anything that against in company rules and regulations, so she calm down and greeted their Manager.

"Good Morning Manager Xia and I got called by you, am I right?"

"Yes, yes I called you and take a seat Ms. Rei".

"Thank you Manager Xia"

"By the way, I'm curious, so what do you think I called you here, Ms. Rei."

"That..."
