The organizer still entertaining the guest, she let the kids go back first to their seats and then chatting the other guests meanwhile the host suddenly return to the reality

Host : Eh, where's the kids?

EO : Oh, you're now return to the reality Wen and here I thought that you've been abducted by an alien.

Host : speechless while the guests are laughing hard

EO : So I let the kids seat first before they will steal the couple's attention so now here's your prize (give the Mic to him)

Host : Ha, ha you're really funny Ma'am but well thank you for my prize (then accept the microphone) my fellow guests and our main star, sorry but my mind wondering around to my own world after witnessing our Ms. Din Ellyn and Mr. Li Jinyu wonderful performance.

All : Laugh

Host : Before the main star letting all of us here eat what the main star prepares for us, let's just wait for awhile after hearing how our main star meet or else all of us here will be kicked out if we won't listen to it.

All : Laugh again

Host : Now, now I will stop stalking or else our groom here will shot my head live on spot

All : Another laugh

Host : By the way, Mrs Lin and Chief Lin, who want to talk first?

Lin : Am I the host?

Host : Geez Chief don't be too strict we're not in the work right now (and it turns out that this host is one of subordinates of Lin Wei or else he will be really gone forever)

Lin : (glaring his subordinates)

Host : ...

Feng : Don't worry Wen nothing will happen to you and so hubby, who want to talk first?

Lin : Let me and (whisper to her) you're story is only I who know about it.

Feng : Hubby

Lin : Alright, alright I will let you but only this day

Feng : Thank you Hubby

Wen : (heard the couple conversation since he just standing near them) 'what's the difference between me and Mrs Lin? I know you Chief for more than decades but how come you give me a cold shoulder compared to your wife?'

Lin : Stop wondering around while in a daze and do your work

Wen : Yes Chief Lin. Alright my fellow guest since we have a rule that ladies first so let's give an around of applause for Chief Lin to talk first.

All : Laugh because of his weird introduction

Lin : (Glared to him)

Wen : Ahh, I got it wrong my fellow guests, what I mean is our dear Groom here want to talk first, so let's give him an around of applause.

Aii : Cifn ovuaz vftrl

Lin : (Stand and take the mic from his subordinates right away since he know's this Wen playfulness)

Wen : Eh, you're going to Host?

Lin : (said in a low voice) being quiet or 100km runs for tomorrow.

Wen : Eh, I'm just kidding Chief Lin and you can talk now

Lin : Good

Wen : (talking to Feng) what did you see about him? His not an approachable one, so serious, an old man and most of all a workalcoholic officer.

Feng : You will know it later Wen

Lin : 150 kms run tomorrow

Wen : Ah, Mrs. Lin you're really lucky to marry our Chief Lin, his not just a handsome man but an excellent man.

Fure : Inuuhviull

Lin : (ignoring him) alright everyone thank you for attending my wedding and I'm sure all of you are all busy one but still you share your time to attend and witness my wife and my wedding and I'm grateful for that. You might wondering around how did I fall in love with my wife but well it's like we were really destined to be. It's like this, I was consumed to my works and as a police officer with a high rank is not just living with luxurious life but you have a big responsibilities so being in a relationship is not my first priority. At first I didn't know what love is but seeing a young lady who helps Feng from the Car Accident teach and realize me that I'm not a robot but I'm a human instead. Feng who's my wife taught that I fell in love at first sight with the young lady but she got it wrong (looking to his wife with a wide eyes), yes you got it wrong wifey but well she's pretty and as a man you will be attracted to her for sure but well she's too smart for me and we're not compatible with each other at all. You might wondering who she is but well you will know it later when it's my wife turns to share how she falls in love with me. That young lady taught me that I'm a human but still I'm still too slow to realize that I already love Feng the day when we got together. You might wondering how I am so slow when I'm an officer with a high rank, but well it's because that time my priority is my career as a police officer but now it's got change since I am a married man and a father of my kids. I found it funny that I'm very coward that time, my wife Geng have a plan how to get me and that's the day I fell in love with her. It's like our role got reverse and I'm the wife instead but well it's up to us since we're the one who got married to each other with. If other hear it, they may found it weird but I'm proud that my wife did that plan because if not then maybe I'm still a workalcoholic officer without doing anything and my wife got married with another man. Wifey, do you want me to tell what you did that day to them?

Feng : It's up to you hubby

Lin : I see then I will let them know since I'm proud that you did it. Everyone I know it's kind of weird but well it's my wife and I'm proud of it. Feng, my wife always visit me at my office before we got together and one day after we have a celebration from our office, Feng suddenly entered at my office and told me that I was too drunk yesterday and we did the deeds what the married couple do, so the next day since we did it and as my responsibility we registered our marriage and then after that I realized that we did nothing and I'm not angry of my wife's doing because I realize that day that I already love her without realizing when and I didn't found her annoying who visit and budge my office everyday and that's all everyone. It's really a simple love story but for me it's the greatest gift that I have Feng as my wife and the mother of our kids. It's my wife turn but since she's pregnant, please allow her to talk without standing.

All : We don't mind

Feng : Ha, ha what a lovely husband you are hubby but well why are you not telling me that young lady is not you're first love?

Lin : Well you never ask my opinion

Feng : Ha, ha I see then who's your first love?

Lin : You, my wife

Feng : Idiot but well Rei still consider as your first crush right?

Lin : If it's a crush then maybe it is

Feng : I see and right Rei you heard it, you're not my husband first love but you're still his first crush. By the way everyone before I tell my sidestory, I will ask one thing to my husband first.

All : Go ahead.

Feng : Neh Hubby

Lin : Mmmm?

Feng : Why did you love me instead of Rei?

Chapter 222 - Meng Feng Love Story

After hearing that question from his wife, he also question himself why and then realized why and ask his wife first before answering her query.

Lin : Why? Do you want me to love Rei instead of you?

Feng : No I don't want it even though I know that Rei is too smart compared to me, very kind and nice compared to me and most of all very beautiful compared to me, I still don't want it.

Lin : And that's it.

Feng : That's it what?

Lin : I didn't fall in love with Rei because she's too way good for me, too smart and very nice. You know how Rei is, is she's the type to make move first?

Feng : No she don't but then don't tell me you will fall in love with another woman if she make a move first?

Lin : Silly you are already my wife and are you letting another woman snatch me away from you?

Feng : No way and I didn't even want Rei to snatch you away from me so that's why I did that plan when I taught that you're in love with her.

Lin :

Meng : Alright everyone sorry for wasting your time here but well my husband already know this one and he don't want me to tell it since he only want himself to know about it but well since it's our day so he don't have a choice but I will tell it. His first meeting to is really disastrous since I involved in a car accident and I was in a coma for a week. Rei, which referred to my husband as a young lady and the one who save me from the accident. She was really smart even the doctor's taught that she's a doctor but she's not because her first aid that applied to me is a first skill and that's the reason why I only have a coma for a week. After I regain my consciousness I found out that Rei will leaving from the company and so I escape from the hospital and go where she is. At least I got talk to her before I comeback to the hospital but then I never expect that my husband or what I know that Officer Lin is waiting outside my hospital room and because I was just escaping I didn't notice him, so we got stumble and I fall on top of him and cause of our first kiss to have and then that the day I fall in love with him. Well, my husband is really a slowpoke and then he just visit me the following days for almost a week since he was in charge of my case and since I'm still recuperating from the injury. I didn't visit him to his office but I already ask my Secretary to investigate about his background so that when I'm already recovered, I know that I'm

chasing a good man So then everyday I visit to his office and then one day I bribe his Superior and have a celebration for the officers for his fake birthdays so then they have it and thanks to my idiot husband that he didn't even realized that his Superior fake his own birthday that day and didn't even realized so my plan didn't failed, so that's why I told him that we did it, we registered our marriage then he found out that we did nothing that night he didn't even get angry but he didn't tell me that he already love me until one day, this is the one he never want everyone to know but well too bad it's our wedding day so everybody will know. Yeah, my husband will only drink an alcoholic beverages if it's a big occasion or celebration and that day is his Mom birthday and his parents doesn't know that his married with me and only know that I'm his girlfriend who happened to arranged a marriage with another police officer and he rejected that offer firmly and said to his parents that his already married to me and the one he love is me and then said to that police officer that whatever schemes she had, he will never loved her because he love me dearly and I'm his legally wife. After that declaration to his parents and to that police officer, he kissed me in front of them and the other guests. Then after that, I taught he was drunk but then I got it wrong and only to realized that we already did the deeds before telling me that he love me and never allowed a divorce from us. Yes, that's the day he tell me that he loves me and then it also my most unforgettable day. Ahh, by the way everyone that police officer who's his arranged marriage to be was only an act together with his parents because he want me to become his and unknown to me my in laws already know we registered our marriage and since my husband is a slow poke he doesn't know how to confess to me, so he did that silly plan and that's why he don't want everyone to know that he had a silly plan in terms of relationship but well I taught that I'm only the silly one but then my husband is also a silly one. If you're wondering where I know that one well my husband tell me that one when I got pregnant with Kaede. Maybe as everyone see my husband is a workalcoholic officers, a serious and a serious officers but to me his a good husband and father to our kids and especially a loving man for me. Same with me because my husband love me for who I am not for what I have or my background is. And well if you also wondered who is Rei, then she's the reason why we just held our wedding today because of her availability, you might found it silly that we as the host of this occasion just waiting for the availability of her time but for us Meng family, Rei including her family give a great help to our family without asking for anything. As for me, even I treat her badly during the time when we were a previous coworker's, she didn't avenge on me but instead helping me. As for my husband, Rei also help him to realize that his human and have feelings. It really ridiculous that me as a wife of my husband never get jealous of Rei because I know her that she's not the type to snatch a man from her friend and most of all to her sworn sister. Everyone might wondered who she is but only my family and my husband family know her identity and sorry for everyone to keep in suspense but Rei also has her privacy so I won't reveal who she is.

Yes indeed, she introduce to the family board of members and not with the other guests who are not a family member for Rei safety because being an influential family have many rivals waiting for that family to go down.

Chapter 223 - The wedding still going on

After hearing Meng story, some of them cry, laugh and can relate to her. The Host give a break time for the guests in order for them to retouch their ruined make up and chat since they can relate their story to each other.

Mei : Woah I never expect that Sis Meng bully you Sis

Rei : Past is past Mei and Meng didn't do anything to harm me and only words but it's not the truth so it doesn't hurt me.

Lyn : I see but well you're too good Sis Rei and never expect that Meng is like that.

Rei : Well she said that she's like that because of her lose memory of who she is but past is past and let's remember Mama's rule to us.

All : (Except Tae since he just joined the family) Never avenge in violence

Aya : So you still remember it?

All : Of course Ma

Awf : Gmmt, emmt frt qw tufz Rua wmp loaii ruut om oufhv Tfu md mpz dfqaiw zpiul.

Rei : Nah Tae already know it Ma and it's just because he just meet you guys and just join our family so he forgot.

Aya : Yeah, yeah geez, you're now defending your husband. Are you going to Fengfeng, Rei? (ask her because she notice Rei stand up from her seat and assist by her own loving husband Tae.

Rei : Yeah since we have a break.

Aya : Alright go ahead since you only meet yesterday after you visit her.

Rei : He, he yeah you're right Ma.

Then Rei and Tae left then approach to the newlywed couple. When they reach to them Rei said to them teasingly.

Rei : You always mentioning me, did you guys forget that I'm here or else you just trying to show off but well too bad I already have my husband? (then the other guests who don't know her didn't hear or else they already know her real identity and she's the Rei mentioned by the newlywed couple)

Feng : Ha, ha, ha

Rei : Frankly, I thought you registered your marriage because you got pregnant Feng.

Fure : Gffv, jvfo tm wmp ovarc md qu Rua?

Rei :. You're quiet an aggressive type and then looking to Chief Lin.....

Lin : You also thought that I'm a Playboy?

Rei : Not a Playboy but a Casanova Chief Lin

Feng : (Laught suddenly) what's the difference between Playboy and Casanova, Rei?

Rei : Quite similar but well they're having many lovers

Lin : speechless

Feng : Alright, alright stop teasing my husband and if you're surprised that my husband is really coward and silly then it's not only you because I also taught that his also like that since he had a well built body and his handsomeness.

Lin : Wifey, you're the one teasing me instead of Ms. Din

Feng : You're still calling her Ms. Din, she's already Mrs. Jun.

Lin : That's right, sorry out of my habit.

Rei : Alright guys we leave you here since the wedding and reception still going on.

Feng : Ah, that's right.

Then the couple go back to there seats and then the host resume the program before announcing that they can eat now while playing the video of the couple's argument. Yes it's not a picture of their childhood photos or their sweetness but instead a video of there arguments. like they didn't agree who's going to pick up Kaede, getting married without Rei, doing household chores and most of all a video after the fight by Lin coaxing his wife by giving a back hug and kiss on her cheeks. Yes they didn't show how intimate they are since it's only for them and most of all they have kids in the guests so it's inappropriate to show their kissing scenes with the kids around.

Speaking about kids they're now chatting to each other leaving the two other kids who's both the niece of newlywed couple and Kaede's cousin since they keep quiet the whole conversation but knowing Ren and Lynel the two kids who's been quiet the whole time joined there kids conversation.

Ren : Speaking of us, aside from us Ceno who else know to speak using the universal language? (asking out of nowhere)

Kaede : Bro Ren?

Ren : It's kind of boring here so let's have a chat since all of us are kids here

Lynel : Yup, yup so Brother Handsome 1, do you know how to talk using the universal language one?

Jinxi : E—h, me?

Lwruui : Ogsampliw wmp fzu lm wmp crmj vmj om lnufc ovu prasuzlfi ifrepfeu?

Jinyu : Unfortunately he don't know Lynel

Lynel : Eh, you know my name?

Jinyu : Yes since Ellyn inform me about that and not only you because I know your cousins name Ken and Ren.

All : (Lynel, Ken and Ren are looking to Ellyn)

Ellyn : It's the truth and I tell Yu about you Lynel including Bro Ken and Bro Ren. (yes indeed she tell it to him and then Jinyu only know both Ellyn and Lynel from Rei but not with the other twins)

All : Yu? 'Since when did these two become so close after just meeting for 2 days?'

Ellyn : It's his name and I ask if it's alright to call him either Jin or Yu so that's why.

Lynel : I see, I see but why are you blushing Sis?

Ellyn : No I'm not.

Kur : (mgluzsu ovu ojm larhu gmov Eiiwr frt Jarwp giplv fo ovu lfqu oaqu, lm vu flc gw jvalnuzare om vaq) wmp iacu qw hmplar Eiiwr?

Jinyu : Eh? T— that, yeah I like her.

Ken : I see and how old are you Bro Jinyu?

Jinyu : Turning 8 next months

Ken : Mmmm.... I see but both of you are still young so don't get carried away and well it's my first time seeing my cousin being like this.

Jinyu : So how about you, how old are you Ken?

Ken : I see so you're smart Bro Jinyu and it's not a surprise that you can tell who I am right away without confusing about me as my twin brother since you can distinguish between Ellyn and Lynel. I'm 5 years old, Bro Jinyu

Jinyu : I see. 'Auntie Rei you told me to be a kid and act accordingly to my age and yet you're nephew here is also act like an a.d.u.l.t'

Ren : (interrupting the two serious kids) Bro Ken and Bro Yu, what are you talking about?

Both : Nothing

Rur : Soarew, gpo juii flatu dzmq wmp Bzm Jarwp jvm uilu dzmq ovuq (nmaroare Rpa frt Jarka) crmj om Inufc plare ovu prasuzlfi ifrepfeu mru?

Jinyu : Mmm, my cousin Rui know how to speak but his kind of you know and then my brother doesn't know.

Lynel : Eh, this is your brother?

Jinyu : Uh-uh, what's wrong?

Lynel : I see so that's why the two of you have the same features.

Jinyu : It's alright.

Ren : By the way guys you forgot that Meng Shi and Du Ara is here.

Both : Eh, we're alright Bro Ren

Lynel : Nah, you're not and the two of you have been so quiet so please join with us since all of us are all kids here.

Both : 'Yeah we're all kids but why we do feel that all of you here act like an a.d.u.l.t except us'

Even though the two kids are complaining to their minds they join the conversation because Lynel and Ren will never leave the two kids out of place. At first Rui is awkward to join them but later he joins when all the kids introduce themselves to each other. Jinxi didn't feel out of place because Jinyu helped him translating what he said to them and then translated it to him. The kids are now enjoying chatting like they've been raised and grown up together until they stop when the Host interrupted them.

Host : Alright for the final event we will let the young entourage have a picture taken together with the Main star by pairs. And may I call the attention of Ms Du Ara and Mr Jo Rui

Both : ...

Host : (looking to the kids and realize that all kids are talking seriously) Uhm kids the wedding still going on and you're not here for a Kids Conference.

All :(didn't react since they're busy chatting)

All : (looking to the kids direction and indeed they're talking as if they've been childhood friend since birth)

Chapter 224 - Meng disappearance

One minute, two minutes and five minutes pass the kids are still chatting.

Feng : Wen, give me the mic

Wen : Eh, yes Mrs. Lin

Feng : Kaede, my ba.....(

Kaede : (Stop her Mom before she finish her weird nickname, yes it's baby girl but she doesn't like it because she's now 3 years old and already big sister of Jiru) yes Mom?

Feng : Uncle Wen already called you guys many times.

Kaede : Eh really? (all a.d.u.l.ts nodded including Wen who nods like crazy) oops, geez Uncle Wen why you didn't called us and make it louder because you're an officer like dad so be strict, okay.

All : speechless

Lin : Kaede?

Kaede : Oops Dad sorry, so Uncle Wen what's wrong?

Wen : 'This two, like father and daughter really is' Uhm Kaede, we're now in a last event for our program and only you guys left. So for now let's have a picture taken with the Main Star by pair of your entourage.

Kaede : I see, so go ahead Uncle Wen

Wen : 'One day I will be die from this father and daughter pair'

Kaede : Uncle Wen?

Wen : Ahh, yup, yup now Ms. Du Ara and Mr. Jo Rui please come in the stage and have a picture with our main star and followed by your line up.

All : (Kids) so that's all.

Wen : Speechless

After the picture taking, the programs end and now the guests slowly leaving the place returning to there own house except for the family since they will still have a family gathering for tomorrow.

Before leaving, Jinyu called Ellyn and chat for a little awhile.

"Ellyn"

"Yes Bro Yu?"

"Here it's my picture and please don't forget about me"

Accept the picture of him and it's a picture of him after walking the aisle and seating to his assigned seats "ahh same with me Bro Yu, here and also don't forget about me including you're promise"

"I won't and nice meeting you here Ellyn"

“Same with me”

Mei interrupting the two “both of you what are you talking about?”

“Nothing Auntie Mei” replied by Ellyn

“I see but wow, you’re really my niece, how you sing that song without having any difficulties?”

“He, he thanks Auntie Mei”

“Geez, if my little Ken know to sings then they might catch the organizer’s attention”

“.....”

“Alright, alright let’s go and will take a rest now”

“Yes Auntie Mei, ah, by the way where’s everyone?”

“There (pointing them), we almost forgot you Ellyn”

“You’re kidding Auntie Mei”

“Ha, ha, ha, so then who’s that little boy?”

“That’s my entourage partner”

“Friends?”

“Mmm” Ellyn don’t want to keep a secret from her Mom and Aunt Mei but knowing the two of them who never stops their mouth, so she didn’t say anything and only letting know Rei about it since you can be assure that you’re secret will be keep forever.from her. Well both Mei and Lyn can be keep a secret but they will never stop teasing until the family members will know you’re secret because of the non stop teasing from them.

The newlywed couple, the relatives and the immediate family including the Din family with the in laws are now leaving separately without noticing the disappearance of Meng, the bride’s twin sister.

Goddess Li and Paparazzi Li are both notice the expression of their eldest son, who’s have a smiling face the whole time while blushing because his eyes never leave with the picture of Ellyn. If he didn’t got assist by his parents he already hit his head from the wall. As a mom, she can’t help but comment about his son actions.

“My Baby Yu, you’re still young, so don’t be carried out, okay”

“Yes Mom, but look Mom, Ellyn is really pretty right”

“Yeah she’s a pretty girl and for sure one day she will surpass the beauty of your Mom, Yu”

“Yeah Mom but well you’re different because you’re my Mom and Ellyn will be my future half. He, he we still have a long way to go for that but I will do my best”

“And how about you my Baby Xi?”

“Mmm.... Lynel is really pretty Mom but well she’s too pretty and too smart for me, so maybe being her brother in law is enough”

Listening to his comment, as a dad react to his son comments.

“Indeed that little girl is too smart and too pretty for you so she deserve better but how about Rei’s future daughter? Rei is a smart and a genius one while M’Dol is also a genius one and most of all a talented vocalist so how can you win the heart of your future half?”

“Ahhhh”

“What’s wrong my Baby Xi?” ask his son before glaring to her husband.

“I’m just starting the truth”

“Yeah right Mom, Dad is right so indeed I need to be flawless and must win the heart of my future half”

“Just calm down Xi and stay who you are and what you are”

“But Brother Yu...”

“No buts Xi, you’re already good enough and I know you as my brother so just don’t stop being yourself and try not to erase who you really are. I know you’re smart and kind, so stay as yourself”

“Bro Yu”

“What?”

“Y—you complimenting me for the first time, he, he” laugh while crying

“You look like a crazy boy who didn’t eat anything and then become an idiot suddenly’

“Ah, you’re back brother Yu”

While the family are busy chatting, Ellyn already telling it all to her Aunt Rei and only to receive an advice from her that “you’re still a little girl Ellyn and don’t act rush because you’re still a kid”

“Yeah I know Auntie Rei but I have a question”

“Mmm?”

“Bro Yu made a promise to me, so what if one day he didn’t make it?”

“Then he is not for you Ellyn” ‘Well he already like you the moment he saw your pics, so he will make it’

“Alright I will wait for 11 years and then when I have already own a phone I will call Bro Yu number and if I can’t reach him then he didn’t make it”

“I see and just trust your hunch Ellyn”

“Yes Auntie Rei”

All of them didn’t notice that one of them disappeared all of sudden including the family members”

Chapter 225 - One Night Stand

During the program of the wedding reception, Meng Feng accidentally eat a spicy food which is the number one that she doesn’t like and since they have a Senian guests which are mostly of them are a spicy eater. So without knowing, even she works at the main branch and she taught is not spicy since they have this kind of menu but then they provided another serve which is spicy and not spicy. Not only that one, she already eaten a spicy foods that she taught it was not and then she also mistook the wine as water. Poor Meng Feng, not a spicy eater and a very low tolerance in alcohol that cause her to be this kind of predicament.

“Gi—give me water” said while she eat a very spicy food.

“Ma’am this is wi....” didn’t even finish since the lady suddenly grab the glass and drink in one gulp.

"T—this is Wine" then suddenly bump her head on the table. Yes, Meng Feng who just got back from her room since she got the backup FlashDrive for the video presentation. A backup because her sister Meng Feng and Bro-in-law Wei have the original copy and yet these two couple both forgot the flash drive at there hometown, so left with no choice, she get her backup FlashDrive and then give it to the assigned personnel for the presentation and so she didn't set back to the assigned seats for the entourage since she's hungry and grabbing foods for her stomach satisfaction. Yet, she eat a spicy food and now got to drink a very strong wine.

"Ma'am, are you alright?"

"M—me, yeah I'm alright"

"..." the man don't know how to do and as a Senian, he must assure that she's alright or else he will be in jail because of mistreating a lady. Too bad, by just escorting her to her room led to them with a most inappropriate way and the two unforgettable moments.

Meng Feng looking to the man and complimented him "woah, you're quiet handsome, what's your name?"

"Thank you for your compliment Ma'am, but may I know if you're alright?" 'Geez, why are you asking that one? She's not alright at all.'

"M—me, yup I'm fine"

"..." didn't understand since Meng Feng speak in Ceno but the man familiar with it because his bosses are all Ceno. "Excuse me Ma'am can you speak using the Universal Language one?"

"He, he, so you're a Handsome Senian Man and doesn't know Ceno, hehe" still speaking in Ceno

"..."

"Are you single?"

“Ma’am if you continue speaking using Ceno then I won’t be able to understand you but can I ask if you still remember you’re room number Ma’am?”

“Hmmm.....room number (then thinking), mmm I think it’s room 907, why?” still talking in Ceno.

“I see it’s 907 (only the number he understand), then let me drop you off to your room so that nothing bad will happened to you”

“Mmm, something bad will happened to me? I think it’s not because of my strong background”

“I don’t really know what did you say Ma’am but I will drop you off first” then picking her up by just sliding off her shoulder to his neck”

“Hmmp, you’re quiet handsome but you don’t know how to be a gentleman” then Meng Feng being drunk become bold all of sudden and wrap her arms around to his neck”

Feeling the sudden wrap from his neck, his in a daze and don’t know what to do while Meng Feng trying to close her face to him who’s been avoiding her seriously and left with no choice he carry her using the bridal style and escort her to her room before something bad will happened to them.

The man walk and then ask from one of the hotel staff using the Universal Language because he know that it’s an international hotel but since it his first time here in the Class A Hotel, he still needed to ask where.

“Excuse me Miss can I ask where is the Room 907 is?”

The hotel personnel standing in a daze because the man who ask her just now is really a handsome one and then realizing that the man carried a lady on his arm must be his girlfriend or perhaps his wife so she stopped and replied to his query “At the 9th floor Sir and right side from the elevator. You can tell it right away which room it is since all rooms in here have it’s number on the other side of the door” answered in Universal Language one

“Thank you Miss” then he walk while carrying Meng Feng who’s already taking a nap on his c.h.e.s.t.

'Tsk, what a pity? All handsome man are already taken and some of it they were gay. Haiz' commented by the hotel personnel's who answered the man awhile ago.

Back to Meng Feng and the said man

The man already arrived at the 9th Floor and already standing in front of Room 907.

"Ma'am we've arrived and I will leave you here"

"Hmmm..." looking to the room number and she seen the room 907 as Room 401. "T—this is not my Room, my Room is 907"

"Glad that you speak in Universal Language Ma'am and this is your room Ma'am, it's indeed Room 907"

"I won't believe you"

"Why not try to open this using your room key, Ma'am?"

"Room Card and not Room Key"

"Oh.... I see"

"He, he, he don't tell it's your first time in the hotel?"

"...."

"He, he, he I see and " getting something from her clutch but she don't know where "ehh, where's my...." didn't finished since the man interrupted her.

“Did you search for this?” trying to hold Meng Feng by using his one arm while showing the clutch from her.

“That’s mine”

“Figure it out since it’s placed near you at the table”

“T—thanks” then get her clutch from his hand and grabbing the card key then give it to him “here”

“O—okay” accept the Card Key and then trying to insert the card at the vertical line.

Meng Feng notice it and laugh “ha, ha, ha idiot don’t insert it and just tap the card”

“Oh.... sorry” tapping the card at the door lock that cause to Meng Feng laughing hard. Left with no choice, he ask her “T—this, how can I open the door using this card key?”

“Are you an idiot or really a big idiot?”

“.....”

“Don’t tell me it’s your first time seeing this type of key?” the man shyly nodded that again cause for Meng Feng to laugh.

“Ha, ha, ha, ha”

“S—sorry”

“It’s alright and I’m not insulting or lookdown on you it’s just that I found if funny”

“...”

“Just tap the card at the screen below the door lock” and then the man follow her instruction and then the door open.

“...”

“See that’s how you’re going to open the door if it has a card key”

“...”

“Just carry me and lay me down at the sofa”

“Yes Ma’am”

Then he get inside and lay her down in the sofa “then I leave you here Ma’am”

He step and going out but then stop by her since she hold his hand.

“Wait”

“Eh, what’s wrong Ma’am?”

“I know it’s kind of weird but let’s do it”

“W—what?”

“Let’s do it, I mean let’s have a One Night Stand”

The man who heard it from her was so dumbfounded and didn't react since he was standing in a daze. He can't believe it came from this beautiful innocent Ceno lady, but wait, innocent? Well it's up to him to describe the lady beside him.

"..."

"It's a bad idea, right?"

Returned to earth and replied her straight "yes a very, very a bad idea"

"Then if you don't want one night stand with me then why not be a responsible of it"

"You're drunk, most of all we just meet and we don't know each other yet"

"Yeah, you're right Mr Wine"

"Wine?"

"Yup I don't know you yet so I will call you Mr Wine and let's do it okay?"

"No.... I won't... sorry but I'm a man with a principle"

"Even if I beg you?"

"Yes it's really not good to do it with just you meet for the first time, especially a stranger and you must be careful because what if you meet a man with no principle?"

"Mmmm" then Meng Feng suddenly hold his part and say "still no even if I touch it?"

“...” the man is speechless and he don't know what to do and almost lost his control 'no, no, don't do it, don't do it. You're a man with principle'

Meng Feng observe his blushing face and then ask him “you won't do it because you're married?”

“No, I'm not” answered without hesitation 'idiot why did I tell the truth?'

“Mmm.. so not married and then you have a girlfriend or a lover?”

“No, I don't have and I'm single” 'idiot, idiot why am I answering the truth?'

“I see then no one's will get mad”

”

No, no it's bad what if you already have a boyfriend or lover or even worse, a Husband?”

“Ohh, so you're concerned about me? Ha, ha don't worry I'm also single and if I have, do you think I will be so bold to ask that one and did this kind to you?”

“...”

“So let's do it, okay?”

“No, no, no”

“He, he quite shy are you?” then Meng Feng standing up and close her distance to him while releasing her hand to his part before hooking her arms to his neck “it's still a no?”

“Y— I mean it's still a No”

“Ha, ha, ha not honest you are, I see” then start kissing him and since Meng Feng never been in a relationship before, her kiss is quite messy and same with the man because his priority is on something else, so he doesn’t know how to kiss.

The two kiss awkwardly until Meng Feng said to him “please respond my kiss and it’s quite awkward you know”

“Th—that I —don’t know how”

“What?” then Meng Feng laugh and continue “we just follow the flow”

“But....” stop by Meng Feng

“Believe me, every man know how to even they don’t have a partner with to begin since you have this kind of instinct without even learning”

“It feels like that I’m not a man and....” and again he got interrupted by Meng Feng since she start kissing him back and start teasing him by just biting his lips or even l.i.c.k.i.n.g.

As what Meng Feng said, a man is really have this kind of instinct without learning, so having teased by her, he suddenly carry her and lay her down on the sofa before giving his warn.

“I’m warning you, I already lost my control and I will ask again, do you really want it?”

“No need to ask since I want it” then hooked her arms to his neck and the two start kissing without stopping.

The two still kissing for how long it is and then the man start grabbing her b.r.e.a.s.t while still her dress still on.

“Do you want to do it here or in the bed?”

“It’s depends on you Mr. Wine”

“You’re really aggressive Ms. Bold”

“Bold?”

“Yes, because I still don’t know you but don’t worry since I agree to do it with you then I will be responsible for what we did”

“Are you sure?”

“Uh-uh, I’m sure and I will never let you go”

“But I’m not a Senian”

“It’s alright, no body can separate us”

“I have a strong background and I’m an influential one”

Hearing the influential one he wavered but then said to her firmly “it’s alright and I will prove to your parents that I’m perfect for you” then he kissed her for the first time by his initiative and then start unzipping her dress at the back while kissing her.

Meanwhile Meng Feng just follow the flow and response to his kisses, there kisses is getting more intimate even there first is quiet messy but then it get more intimate after kissing for so long. Meng Feng already feel the cold temperature of the air-condition, yes it’s automatically on after opening the door and then the man feels that she shuddered so he hug her while carrying to the bed before laying her down again.

The man start kissing her again and then he start unbuttoning his uniform and just throw it around before diving in to his partner. After the man satisfied tasting her by his kiss, he unzip his pants and then

again throw it away before unhooking her bra and taking off her u.n.d.e.r.w.e.a.r. He taste it first which Meng Feng got m.o.a.n from the incredible feelings she feel and taste it again and again when the m.o.a.n got louder and louder.

Before entering to the paradise he ask her again “do you really want me to do it?”

“Uh-uh just do it and you must take responsible Mr. Wine”

“I will” then position himself and then thrusting his member to her which Meng Feng suddenly feel the pain and screamed.

“N—no I didn’t a—and I can explained”

“Explained?” then Meng Feng feels something at her mid t.h.i.g.h “explained? and yet your member still inside me?”

“T—that, please just listen to me and before that can I confirmed something?”

“Mmm”

“Are you Mrs. Lin twin sister?”

“Why do you think so?”

“You have the same face”

“Yes you’re right I’m Mrs Lin Twin Youngest Sister”

“Mmm. I see”

“Forgot about that but who are you and you **** me I will sue you”

“T—that I will explain and I will take responsible for what I did. By the way did you forgot all about it and did you already sober up?”

“That” he suddenly raise up and forgot that his member is still on her that both of them suddenly flinch and m.o.a.n together before pulling off his member to her “I’m sorry, I’m sorry I didn’t control myself and got seduce by you but I will take responsible for what I did and I can explained it” apologizing while bowing his head many times. He didn’t even care that he was fully n.a.k.e.d and Meng Feng seen it all but well she doesn’t forgot everything even she was very drunk last night.

“....”

“I’m really sorry, sorry can you forgive me? No, no, that’s not it. C—can you allow me to take full responsibility of it?”

Meng Feng suddenly laugh because of his actions that cause of the man suddenly realized.

“Y—you, you’re pretending that you forgot?”

“You just realized it?”

“....”

“Yeah I remembered it all and by the way I’m Meng Feng, both my sister and I have the same name and we’re identical twins. So how are you sure that I’m not her”

“You have different aura”

“In what way?”

“That... I can’t explain in what way”

“Alright but Mr. Wine are you planning to just stand there being n.a.k.e.d?”

“Eh?” then looking to his body and realized that indeed his fully n.a.k.e.d and rushly covered his member.

“I already seen it all Mr. Wine”

“...”

“So your name Mr. Wine”

“I’m.....”

“Wait before that I will need to call someone because they might start searching for me and it might getting chaos because of my sudden disappearance”

“Yeah you must be Meng”

Meng Feng caught off guard and the man call her intimately by her nickname and ask him “eh you know my nickname?”

“Huh?”

“Silly, seeing you’re reaction it must be a coincidence and come here seat beside me or do you plan to be a future nude model?”

“Eh?” then realize that indeed his still standing without clothes infront of her and rushly seating beside her and grab the bedsheet from Meng Feng.

“Let’s do it again later”

“Eh, you’re still drunk?”

“I’m not, idiot and I’m already sobering up but for now let’s fix it before it get messy”

“Yeah, so what are we going to do?”

“I don’t know how but I need to call someone because she can help me”

“Mmm, I see”

“By the way?”

“Mmm?”

“I’m an influential one Mr. Wine so are you not afraid?”

“To tell you the truth I’m afraid Meng but since I already did it then I need to be a man and take responsible for it”

“Good” then Meng Feng stand up without feeling shy that she’s fully n.a.k.e.d in front of him since they already did the deeds, so why still being shy when they already did the deeds?

Meanwhile the man witness and blushing before bowing his head then he realized something.

“Eh, b—blood?”

“Don’t tell me you’re afraid of blood Mr. Wine?”

“No I’m not but why it has a blood? I mean did I hurt you while d—doing it?”

“Ha, ha, ha, I don’t know what I’m going to do with you Mr. Wine. I mean are you playing or you really dumb that you don’t know what it is?”

“...” the man have a confuse look

“I see, so you really know why?”

“Uh-uh” nodded shyly

Meng Feng approach him while being n.a.k.e.d and seat to his l.a.p “I’m a v.i.r.g.i.n Mr. Wine, so of course it’s has a blood after doing it”

“Oh”

“Mmm... do you also know what menstruation is?”

“Uh-uh, Menstruation is a discharging of blood, secretions, and tissue debris from the uterus that recurs in nonpregnant breeding-age primate females at approximately monthly intervals and that is considered to represent a readjustment of the uterus to the nonpregnant state following proliferative changes accompanying the preceding ovulation and also known as period.”

“Ha, ha are you a walking dictionary Mr. Wine?”

“That....maybe”

“Ha, ha then if you are why you didn’t know about the blood after doing it, I mean you have Health Education during your studies, right?”

“I didn’t since I’m skipping grade for 7th times so I didn’t”

“I see so my man is a naive but a genius one”

After hearing My Man from her, he blushed and also notice by Meng Feng.

“You’re easily got to blush”

“Y—yeah I’m not used to it, I raised by my mother alone because my father abandoned me and then my mother died when I’m turning 4 so I’m an orphan, so Meng do you still want me? I mean I will be responsible for what I did but are you sure to be with me who have no strong background, not an influential one and just an orphan”

Meng Feng laying her head to his c.h.e.s.t and there fully n.a.k.e.d body are touching each other
“background, being not an influential one and an orphan is not an issue. Being you is the most important one and Mr. Wine, you’re my Man now so don’t ever look down yourself and don’t let me heard it again.”

Chapter 228 - I'm an orphan but I'm very lucky

After hearing it from here, Mr. Wine suddenly cried out loud because no body want to be with him and no body one to acknowledge him. He just being himself and doing his best alone, no body one to be his friend and no body want to employed him. If that bastard father of him didn't hired him, then he still fighting alone and he won't meet his great bosses and this lady here who complimenting him and accept him without knowing his background and identity. And most of all they just meet and both of them are strangers to each other but this lady who claimed him as her man is really good and nice. He didn't know when but he feel sure that he feel happy and overwhelming of what he heard from here and he is sure that this lady will be his wife. Whatever circ.u.mstances and problem they will have, he will face it firmly and will strongly protecting her. He already fighting alone and now that he found her, he won't give up.

Meng Feng suddenly feely wet from her back before hearing his sobs and look up to him.

"Silly, why are you crying? Are you a girl?"

"It's tears of joy Meng. I know it's kind of weird but this is my first time feeling overwhelmed. I'm fighting alone since my mother died. My father who abandoned me suddenly appeared and tried to use me but at least even he did that, I'm still thankful for him that I meet a great bosses and then you. No body wants me and they're always bullying but I didn't mind them because I have my own life. I taught that I will always alone but never expect that I will meet you in this awkward situation but I'm happy. Indeed I'm an orphan but I'm very lucky."

"Who bullied my man?"

"It's my previous classmates but it's already past"

"Mmmm"

"Really it's already past"

"You're handsome and smart, so why they did bully you?"

"Because I'm an orphan"

“Yeah you’re an orphan but I think they bully you because you’re handsome and smart”

“Ha, ha I don’t think so”

“Tell me, during your school years, are you popular?”

“Popular? Nah, I’m not but I’m famous for being get bullied.”

“So who bullied you, a man or a lady?”

“If I remembered correctly I get bullied by mostly of the girls since the boys just warning me to never approach there girls.”

“You idiot” then slap his shoulder hard.

“Ouch, what’s wrong?”

“Do you even know why they bully you?”

“Because I’m an orphan”

“You’re really an idiot Mr. Wine”

“Eh, why?”

“They bully you because they like you and the boys who warns you were just scared that someday you will steal there girlfriends from you”

“Huh?”

“Silly, you don’t understand but at least you’re quiet naive or else you’ve been already a Playboy or Casanova by now if you’re not”

“Playboy is a man who spends most of his time doing things that give him p.l.e.a.s.u.r.e while Casanova is a man who has many lovers, so I’m not that one. I’m always alone so I’m a loner not with this type of bastard Playboy and Casanova thing”

“Yeah, yeah my walking dictionary man, but you have already have me, so you’re not a loner”

“Right, right loner is a person who is often alone or who likes to be alone but now I have you and want to be with you, so I’m not a loner now”

“So My Walking Dictionary Man, what are you planning to do?”

“I taught you’re going to ask help from someone?”

“Yes I have but I want to hear you’re planned Mr Wine?”

“Since we did it without forcing and we did it willingly we must face it but not right now since you’re sister just got married and they have a happy occasion so I don’t want to mess up. I don’t know if it’s a good idea but I’m going to request my bosses to transfer in C City since the main branch is there. No body wants me here and my woman is in C Country, so wherever my woman is, I must be go where she is. I need to prove to your parents and my future in law that I deserve to be with you. At first, my first priority is to be a Restaurant Manager and become an owner someday but now it got changed because I meet you, I don’t want to be separated with you and I want to be a deserving man to you Meng who can stand stall and firm and most of all being proud that you’re mine and mine alone.”

“I see that’s a good plan Mr. Wine and as expected of My Walking Dictionary Man but for now let me ask for someone what are the right thing we’re going to do and you must inform her you’re plan also Mr. Wine”

“H—-her, who?”

“One of my boss, a friend of mine and like sister to me”

“Based from you’re description, she must be kind and nice”

“Yes she really is but later for that and let’s call her now before my family start searching me”

“Oh, that’s right” then suddenly Meng Feng stand up and suddenly gripping hard his member that cause him to groan louder.

“Oops, sorry”

“It’s alright Meng”

“Neh, Mr Wine”

“Mmmm”

“You’re blushing again”

“...”

“Ha, ha, ha you’re really shy Mr. Wine” then kissing his lips before getting her phone to her clutch without caring that she’s still fully n.a.k.e.d in front of him.

“W—wear your clothes Meng and I — I can see yours”

“Mmm.... well yeah since I’m n.a.k.e.d but don’t be shy you’re already tasted it and even kiss and s.u.c.k.e.d it hard”

“M—Meng you’re shameless”

“Ha, ha it’s only the two of us and you’re my Man so why not”

“....”

“Stop overreacting and I’m going to call her or else”

“Or else?”

“I’m going to attack you again Mr. Wine and then everyone will know that we’re doing the deeds in a live show”

“....” speechless

“Good”

Chapter 229 - I did something bold

After that warning, Mr. Wine stop overreacting and just follow her as if he was a dog that got trained by her.

Meanwhile Meng calling someone and after three rings, the other side answered the call who just woken up.

“Ring, ring, ring”

“Hello, Good Morning who is it?” answered by a sleepy Rei and ask since she answered without looking who called her meanwhile her husband just also got awoken up the moment he heard his wife voice.

"It's Meng, Rei"

Mr. Wine : 'Rei, why did it feel so familiar?'

Tae : (whisper to his wife) who is it?

Rei : (answered him back by covering the phone speaker) it's Meng

Tae : Ah, okay but please put it on loudspeaker

Rei : (just smiled and follow her husband)

Meng : Did I disturb you Rei?

Rei : Yeah you really are Meng but what is it?

Mure : Av, lmzzw Rua gpo I ruut om flc wmpz vuin.

Rei : My help, why? Are you in trouble perhaps?

Meng : Maybe Yes but I did something bold.

Rei : Did something bold? What do you mean Meng?

Meng : I will explain to you Rei but can you come here in Room 907, that's my room.

Rei : Okay (before she hung up, both her and Tae heard Meng voice), are you alright Meng?

Meng : Tot, tot, tot already hung up by her the moment she suddenly m.o.a.n.e.d because Mr. Wine just covered her n.a.k.e.d body by the bedsheet.

“I— I covered you because you might get cold”

“Oh, I see but well let’s get change first or she might be explode”

“Yeah and we must clean up”

“Yup but Mr. Wine aside from these (pointing his messy uniform on the floor) you don’t have any clothes right?”

“Yeah but I will still wear it instead of being seen fully n.a.k.e.d by her”

“Yup, yup and your fully n.a.k.e.d body is only for me”

“...”

“Are you a staff in El & Lyn and Family Restaurant?”

“Yeah I am and how did you know?”

“I will tell you later but let’s clean up now and sooner or later she will be here”

“Yeah that’s right” then notice that Meng following him “eh, we’re cleaning up at the same bathroom?”

“Of course we are Mr. Wine and don’t be shy we already did the deeds, so what’s purpose of being shy if we already did it?”

'I really feel that we have a reverse role indeed' he taught then leaving with no choice he follow Meng Feng and the two taking a bath while having exploring their bodies again.

--- Bfhc om Rua frt Tfu ---

After realizing that Meng Feng hung up the phone, Rei ask her husband "what's with this I did something bold?"

Just smile because he know the hidden meaning of it and instead he ask her "are you sure you don't understand it Hon? From her voice alone after hunging up, I think you already know what is it."

Indeed Rei already thinking of it but she refused to believe her mind "yeah I think of it but it's about her, I mean Meng is not that type of woman."

"Alright let's just see and let's go"

"Eh, you're going with me?"

"Of course I'm going with you, how can I let my wife go alone when there's a man around?"

"We're still don't know you know"

"But you already thinking of it, right Hon?"

"Yeah, yeah I am. Geez, you know what Dear?"

"Hmm?"

"You're really out of character as being known as the cold and chic main vocal"

“Ha, ha, ha well as your dearest husband, you have the right to know all of me and of course you’re the one who have a privilege to do so because you’re my wife.” Explaining to her proudly but remembering the word husband and wife, his expression suddenly change that Rei also notice it.

“Hey, hey what with this suddenly gloomy expression of yours huh?”

“I’m sorry”

“What for?”

“Even though we’re husband and wife, I can’t give you a proper wedding and then we will become parents soon but then we’re still not having our wedding”

Understand his worries and she approach him while hugging not so tight to avoid pressure on her belly
“Dear, it’s alright and as long as you’re with me and I know that we’re legally married, so having no wedding is not a problem to mw. I know that I dream to have a wedding with you but now I understand that as long as you’re love is with you, you’ll be happy forever and the wedding is just for formality that you’re married. See, some even have a grand wedding but what they end up, they got divorce or worse they’re even keeping a mistress”

Laugh for his wife encouraging but then commented for the later part “how many dramas you’ve been watching now, huh?”

“Me I already watched more dramas that even I can’t even counted it already but Dear drama is different from reality. What I said awhile ago is a reality because drama is always have a good ending”

“Right, right but I won’t allowed divorce and most of all I won’t having a mistress. It’s early to say now but I will keep my promise and you’re the only one for me”

“Yup, yup I know (then kiss on his lips) and now let’s go to them”

“Okay”

The couple are walking hand in hand and ride the elevator since they're room located in the 12th room, so they need to go down.

"Ding"

They've arrived on the floor and again they walk in hand on the way to room 907, after a few steps they arrived and Tae now knocking the door.

"Knock, knock, knock"

"....." no one answered since the two still bathing in the bathroom.

"..." the couple just looking to each other and then Tae commented.

"I think they're busy doing something bold and then forgot that your coming here, Hon" which he got a slow tap from his loving wife "ouch, I'm just stating the truth, believe me as a man and having a beautiful in your side especially it's the one you love, then you can't hardly control the d.e.s.i.r.e"

"From what I remembered, Meng doesn't have a boyfriend"

"Well maybe a one night stand?"

"One night stand without escaping any one of them and just doing something until now?"

Tae tap her nose and said "My Wife is really know about others but why are you quite naive if it's about yourself, huh?"

"Ha, ha, ha that I don't know" then she knock this time.

"Neh, Hon?"

“Mmmm?”

“At the room we stay, is it possible that’s the room is not a sound proof room?”

“Why are you asking it now Dear?”

“Because maybe they didn’t heard our knock”

“When you’re outside the room or seating in the living room, you can hear anything but when you’re inside the bedroom you can’t since the room is sound proof”

“I see”

“What’s the worry for?”

“Hon, are you playing dumb?”

“Huh?”

“We’re doing it while you m.o.a.n and I groan very loud” and then again he received another tap but Rei applied more strength, so it’s quite hurt “ouch”

Notice her husband expression “eh, sorry Dear”

“It’s alright but when we’re not outside I will pay for it”

Smiling while asking him “in what way, huh?”

“By hurting you in a different way”

“Pervert” then cause Tae to laugh hard which is heard by all hotel personnels who passed by them and including inside the room.

Rei directly covered his mouth and said “hey, you’re laughing too hard and are you aware what time is it now?”

Chapter 230 - You know each other

Inside the room, yes that’s right they’re still bathing at that time when Rei knock so they didn’t heard the time.

“Mr. Wine I only want one round and yet you’re doing it many times”

“I— I can’t help it”

“Ha, ha, ha so you’re innocent face is just a facade because you’re a beast inside”

“Stop alluring me again or else the friend you called will be waiting for us for many hours”

“Yup, yup let’s do it quick”

“What?”

“Let’s bath very quick, you’re quite dirty minded My Walking Dictionary”

“....” speechless while blushing.

“Ah, again you’re still blushing even you’re a beast in bed?” received a l.u.s.t glare by him “oops, sorry. Now let’s continue bathing and well do it again and again in the future”

“...”

“Mr. Wine, quick move or back to earth now”

“...” still in a daze because his still looking with Meng passionately.

“I don’t know what to do with you” then Meng continue bathing and let him stay like that. After minutes pass by, Meng already done bathing “I’m done” then whispered to him “Mr. Wine please bath quickly or else my friend will think that I killed you inside the bathroom” then get out while slightly closing the door.

“Did I get fall in love with an enchantress?”

“Oohh, you called me an enchantress Mr. Wine and what did you say, you’re already falling in love with me?”

“.....” speechless again while blushing

“I see so that’s why you lost control last night even you say that you’re a man with a principle, ha, ha, ha”

“Do you want to do it again, huh?”

“Not now Mr. Wine and I will wait you in the living room”

“Okay”

“Good and Mr. Wine please take a bath very quick or else you will collapse in the bathroom because of cold” then left.

“I won’t, silly”

“...” no answered since Meng already not in the bedroom.

When Meng got out she heard a laugh from outside and wonder who it is.

“Eh, a man’s laugh? Since did Rei became a Man?” then ask “Who’s outside the door?”

Meanwhile the couple heard it and Rei answered “it’s me Meng”

“Ah, it’s you Rei” ‘weird it’s Rei but why do I heard a man’s laugh?’ then she approach the door while opening it and she got surprised “Eh, who is this Man, Rei?”

“Now you’re accusing me as if I’m the one doing something bold”

“That, ha, ha, ha come in, come in” the two get inside “take a seat first, so when did you have a man, Rei?”

“Talk about me later so who’s the man? Did you pay him for One Night Stand? Did you threatened him? Where is he?”

“Woah one at a time Rei but what kind of question is that?”

“Well you’re Fengfeng twin sister”

“Ha, ha yeah but I’m quiet different”

“Yeah very different since you just meet the man and now you’re already doing the deeds”

“Eh, h—how did you know?”

“From all the hickeys that I’ve seen, don’t tell me it’s a mosquito bites?”
