Ken : Mom what if Yuhan will likes Ellyn?

Mei : Nah he won't

Ken : And how sure are you Mom?

Mei : My Guts tell me

Ken :

Ren : Ha, ha, ha, just trust Mom Bro Ken, so now Mom are we also going to school when we got back?

Mei : Yeah that's right so which school?

Ren : Same School that you attended Mom

Mua : Ov, zuffiw?

Ren : Yes Mom and what's wrong with Public School? Whichever it is, the important is I will attend school and start studying.

Mei : Okay, how about you Lynel?

Lynel : I will also follow wherever Bro Ren, Aunt Mei.

Mei : Oh, okay. Then the next day after we arrive, both of you will take the School Entrance Examination since C Country will start the school around June.

Both : Yes Mom / Auntie Mei

Rei : By the way the two of you, if you have chance to skip grades, do you want it?

Both : Yes Auntie Rei and we don't want to be defeated by them. (pointing their elder twins)

All : (except KIDS) 'and since when did it become a competitions with them'

Rei : Alright both of you Lynel and Ellyn, when do you want to start your career as a singer?

Bmov : Wvur al ovu gulo tfw Aproau Rua?

Rei : Mmm....it will be better if both of you will study first then both of you will get a degree in Music and Arts then proceed to start your goal as a Singer.

Both : Then we will follow Auntie Rei arrangements.

Rei : Good. For now, since Lynel Personal Manager will be Mei then you can train at an early age and don't worry Mei will become your Vocal Trainor and everything else since she have that talents and as

for Ellyn, I will only be your Personal Manager and your Uncle Tae will be your Vocal Trainor because I don't have that kind of talents.

All : (KIDS) eh you don't know how to sing Auntie Rei?

Rei : I'm just an unofficial fan and appreciates musics but I don't have any talents in terms of Music and Arts. And what do you think of your Aunt Kids?

All : Auntie Rei who knows everything.

Rei : ...

Mei : Woah, among the 4 of you, who among of you have no talents in terms of Music and Arts? (everyone looking to Ken directions) see we are all human so we have strengths and weaknesses. That area are both Ken and Sis weaknesses. Ah, that's right Ma, Bro El and My En also have that weaknesses.

All :

Rua : Ymp crmj jvfo Mua?

Mei : What?

Rei : I almost got touch that you are defending me and then the later part but still thanks and Dear, I need to bother you to train Ellyn.

Tae : No problem

Ellyn : Eh, but Uncle Tae is busy, you know

Rei : Yup, yup his busy but he can manage it but for now starting tomorrow until before the day of your starting class, Aunt will teach you the Sean Language. You have One Month and Half so both of you can manage it.

Ken : Speaking about that how long did you learn the Sean Language Auntie Rei?

Rei : One Week

All : (KIDS are not aware because only the a.d.u.l.ts knows and if talking to the KIDS they just updating how's their day and what did they do) One week?

Rei : Nah no need to be shock because I'm the one who's the longest one to learn and studying the language because 6 days for me, 4 days for Mei and 2 days for El.

All : (Except Aya) 'woah they are really a monster. How come you learn a Language in just a matters of days especially Bro El/El/Uncle El/Dad?'

Ren : Now speaking about languages what did you know Mom, Auntie Rei and Uncle El?

Mei : As for me Ren, 20 languages and the rest I can only understand and can't speak.

Rei : Almost the same with me by Mei but since I was a Head Secretary before I know at least 32 languages and the rest I can't speak but I can understand it.

El : Because of my work I know all 65 languages, so I can understand and can speak.

All : (except Aya) 'What the? Indeed they are really a monster'

Lynel : How about Mama Grand?

Aya : mmmm.... I only know Ceno and the Universal Language so it's only two and the rest I can't understand and can't speak.

All : 'Then how did this three monster become like this?'

Aya : If you were wondering why did this three siblings become like this then it must be because we've been poor and then around the age of 14-16 when Elvi their Father, your Grandpa and Father in Law died. El is 17, Rei is 16 and Mei is 14.

Kur : Wvfo vfnnurut om Gzfrtnf, Gzfrtqf?

Aya : You will know it at the right time Ken.

Ken : Okay

All of them except the Kids already know what happened. As husbands and wife of this three siblings, they already know because they are their lovers and so they know how they strive hard to become like this. Actually this three is really normal to begin with and a smart one but then because of being poor and then their father died they change and strive to become better. After that they changed their fates and do their best to become like this but never change and always helping each other because as for them the family must stick together and not stabbing each other throat.

El : Alright enough with this lonesome surroundings and kids all of you, you will know about it at the right time because we don't want all of you to get trouble when it's our own matter. Yup, we are a family but at least you will not feel what we feel before but don't worry you will know it at the right time and that's the time we know that all of you can handle it.

All : Yes Dad / Uncle El

Mei : Good, good now tomorrow will be leaving at exactly 8am together with the Meng Family except the couple since Feng will giving birth next month.

En : Ah, that's right Meng will also stay here.

Mei : And why My En?

En : Don't know but I think it's because of that man.

Aii : (Ekhuno Katl frt Jpr hmpniu) ovfo Mfr?

En : Uh-uh, a Man of course.

Mei : (realized that Rei didn't react but ignore Tae even since she know that his like that because she's also an unofficial fan of the team) and why are you not surprised Sis?

Rei : (as a straightforward she is, she signaled the kids first and automatically covered their ears then said to them silently) Meng is now with Mr. Fu (then tell them everything without letting them react)

Mei : Tsk, tsk you are really a boring one Sis but well good for her, so now let's go with your plan by hiring another Assistant Manager since he got steal from us. I will tell the Branch Manager to hire another one and just have 5 months of training before your screening it.

Rei : Yes and for now we will going back first since I only applied our leave of absence until today.

Aya : You need to be careful Rei

Rei : Yes Ma

Mei : Ken don't be a burden to your Aunt

Ken : Yes Mom

Lyn : You too Ellyn and don't be a burden to your Aunt

Ellyn : Yes Mom

Lyn : Don't forget about your promise to your Dad

Ellyn : Yes Mom

Aya : Take care everyone

All : Yes Ma/Grandma/Mama Grand

Rei : We will book you a flight 2 days before my estimated dates of giving birth. How about you Bro En, can you come that day?

En : I will try to open my schedule for those days

Rei : If I remembered correctly Mei is already 5 months pregnant almost that day

En : Count me in

All : (speechless)

Mei : Ha, ha you really know how to convince My En, Sis.

Rei : If you are a good husband, the wife is the top priority. Now, bye bye guys

All : Bye

2 months for concert and then the golden week followed. Tae just put the delivery schedule at the end of golden week and deliver it here without letting everyone knows except the Security Personnels in CA Complex and Residences Annex A because they always seen that the two always going out together during holidays but they don't know when they start dating and what's the real status of them because what they only know now is that their Ma'am Rei is pregnant with Mr. Jun child and nothing else. During Golden week the couple also go together and they witness how sweet they are, if ever happened with this two or rather their relationship got exposed from the media or rather a paparazzi because Mr Jun is an artist, for sure the security of Annex A will not hesitate to become a witness that they indeed in a relationship even though they didn't know their real score but at least they can prove it. The security of Annex is the one receiving the 2 big packages with 1 small package (which is the 2 baby cribs and 24 sets of Maternity Clothes). The security received it from the delivery personnels with an address of Din Lou Rei at CA Complex and Residences. The security got surprised when they notice that Tae got down because he got an update that his packages already delivered and then approaching the Security Personnels with his pajama only and talk to them.

"Sir thank you for not exposing us but for now can you help me carry this packages"

S1 : No worries Mr Jun (then call his colleagues and 4 of them helping him)

S1 : It's alright Mr. Jun.....(got cut off by Rei who's also wearing a maternity pajama same design with Mr. Jun

Rei : Accept it guys, I know the rules in the Building Premises but you always stick to the rules but this time accepts it because you are keeping our secrets for good.

All : (Security) yes Ma'am Rei and we're always rooting for the two of you

"Thank you" then the security left while Tae closing the door and his wife ask him "what are these?"

"You already awake?"

“Uh-uh” then seating at the couch and looking to Tae while taking a picture when he start to open the packages

“Why are you taking a picture of me?” ask while opening the packages

“Well it’s rare to see the excited expression of my husband.”

“Then take a lot of shot and don’t miss anything”

“Uh-uh”

“Do you have any idea of this?” ask while pointing the packages

No idea because she’s a first timer mother to be, also both Mei and Lyn give birth away from her “don’t know what is it but I can guess it for us, me and our babies”

“Well you guess it right and here it’s for you. It’s 12 sets of Maternity Clothes for works and 12 sets of Maternity Clothes for house since the baby bumps start showing off”

“Thank you Dear”

“Geez, why are you crying?” approaching her and wiping her tears

“Because I feel your love Tae, I Love You”

“I Love You Too Hon” then start to cry.

“And why are you the one crying when it’s me who cried first?” ask while wiping her husband tears.

“Don’t know maybe tears of joy”

“You are such a crybaby, so now tell me what are those 2 big packages?”

“You will know what is it after I open it”

“Yeah, yeah but your tears still flowing from your eyes Dear” wiping it again and again then the two looking through their eyes again.

“I want to eat you up Hon”

“Too bad you can only eat me up once a week”

“But I can still kiss you everyday Hon” then give his wife a passionate kiss without touching her baby bumps

“Ah, that’s right?”

“Mmm?”

“When can I eat you up after you give birth?”

“One Month is duration of my recuperation after giving birth, but what’s with that question? You always eat me up once a week”

“Yup, yup but what I want is to eat you up everyday”

“You pervert”

“Only you Hon”

“Go now and open that package”

“Hai, hai” then open the package “how is it?”

“A baby crib beds, woah it’s nice but how come it’s blue and pink when we doesn’t know their gender yet” looking it and then feels the back hug of her husband while replying to her

“Whatever it is your favorite is pink and my favorite is blue but I have a guts that it would be a pair of a baby boy and a baby girl”

“How can you be sure?”

“Because my guts tell me”

“I see so where are we going to put our babies beds, to our room?”

“No, no not our room”

“And why?”

“Because I will eat you everyday and I don’t want our babies to listen our love making”

“ ... ”

—End of Flashback—

Ken : We will just inform Mom to bring my clothes here when they come back here around October and just buy at least 3 sets of clothes.

Rei : That would be my idea for both of you and Ellyn but not 3 sets of clothes. At least many that you can change daily, alright let's buy 12 sets of each for casual and formal or semiformal for both of you.

Ellyn : Mmm...Auntie Rei I like dresses

Rei : Yup, yup I know and by the way are you going to go with me to my work place or stay here?

Ken : What's your arrangement Auntie Rei?

Ken : Okay

Tae : Ah Hon, I guess let me do about the babies clothes and for you, so you just focus both on Ken and Ellyn clothes

Rei : Okay and come with me Ken and Ellyn.

Both : Uh-uh

Rei : For the time being, since your Uncle want to renovate this room and I don't when its the exact target, so the two of you just sleep here but in separate beds since you don't want to sleep in the same bed anymore, but when did it start?

Ellyn : After you leave that day Auntie Rei because if all of us sleep in the same bed we will remember that time when you are still with us at that time and sleeping with us.

Ken : Yup, yup Auntie Rei so starting that day all of us agreed to stop sleeping in the same bed and to avoid missing you. Then it became a habit of us to not sleep in the same bed for 3 years until now.

Rei : Ah, I see. Both of you will sleep here in the floor for now but don't worry you won't get cold since we lay a mattress. Tae help me set up their beds.

Tae : Yes Hon (then Tae put a mattress first then followed by a sheets and pillow then another sheets to cover their body to avoid feeling cold and then repeat it again to the other sides for Ken)

Both : Thank you Uncle Tae

Both : I see, so it's a secret.

Rua : Ypn f luhzuo ovfo mriw ovu dfqaiw crmjl

Both : Okay

Rei : Alright we were going to our room now. (then the kids nodded before closing their eyes)

Inside the room, the Jun couple already laying down but still chatting to each other.

"Why are you looking at me like that Tae?"

"Because I want to eat you up"

"2 days left before it will be one week again"

"....."

“Now, now let’s go to sleep and we need to wake up early tomorrow to prepare the foods for us”

“Okay and by the way, how did you got a permission for my leave of absences?”

“Just Family Events for everyone and Mr Hwang know the real reason”

“I see, so what time you will drop me off you dear husband to the team?”

“Well, we go together tomorrow and separate our ways since inside the CA Entertainment premises because you are going to the studio while I’m going to my office”

“Okay and tomorrow be careful when you go shopping with Ken and Ellyn.”

“Uh-uh”

“Geez, why all of you so look stunning?” then embrace his wife in a back hug way and c.a.r.e.s.sing her baby bumps “my babies, please grow faster because Papa already want to eat up your Mama everyday, ouch” got elbowed by his wife.

“Don’t talk like that and they will become a pervert if you always saying that and Dear?”

“Mmm?”

“Please beware of your spoken language because you are still talking in Ceno”

“Don’t worry I know and by the way?”

“Mmm?”

“Mei give me something”

“And what is it?”

“Your photos during your farewell party in C Country”

“Do you like it?”

“Uh-uh and my wife is so pretty” then kissing her neck

“Don’t put any marks in there because I’m going to shop with the kids tomorrow”

“Can you shop online instead?”

“Just for tomorrow okay and don’t worry it would be alright and we just buy for Ken and Ellyn clothes then go home right away but first after leaving the CA Entertainment I will drop the laundry first.”

“You must be careful Hon”

“I will”

“Okay I trust you Hon and after everyone knows about us then you must teach me how to drive because I don’t want you to drive if you got pregnant again and I can also use that useless SUV of mine”

“Okay and let’s go to sleep”

On the next day, again Tae is the one who awake first, he slowly got up from the bed and moving slowly so that he can’t wake up his beautiful wife. After getting up, he kiss his wife forehead before her baby bumps and then go to the kitchen area to prepare the foods.

After preparing the foods, he go back to their rooms and realize his wife already taking a bath, so he go to the guests room and waking up the two kids.

Ken : Mom, is still early you know.

Tae : Ken?

Ken : (realized somethings off and wake up then see his Uncle Tae face) so it's not a dream.

"You can go now Dear"

"Okay and you must be careful Hon"

"Yup, yup and go now, don't worry I already inform Mom and Dad about the reason for your absences, in case the team will call so our real reason will not be found out by them"

"Okay" then leave his wife and go to the studio of his team.

Ah, right Bro En screamed like a man yet Bro Yun shouted like a woman even my wife didn't shout like that when I always entered the room without knocking and if happens she's changing clothes she just covered what she needs to be covered'

A/N : Of course Tae you are the only one who can enter the house freely because you have an access to it and your wife is not a scaredy-cat person.

Han : Oh, you arrive on time Tae. Are you done with your Family Events?

Tae : Uh-uh

Han : Luckily for this 3 days we mostly focus to our members solo activities and not for a team schedule. Geez, having Manager Rei as one of the Manager of the team is really a bless for us.

Yun : Yeah indeed Manager Han and for now Manager Rei just do her job behind the scenes.

Han : Manager Rei is not only the M'DoITeam Manager but she's also the Schedule Head Manager for Concert Planning Team and the CA Entertainment Artist Manager.

All : (Except the husband one because he already know but the team already used of it because he always like this) eh, what did you say Manager Han?

Yun : What the? That surprised us 125 women involves and the current one is Xue Yui?

San : So that's the reason why Ms Xue Yui suddenly raise up from her career but she's still not famous compared to Goddess Li and Ms Nan Ha

Je : Last year it's about Nan Yi and fake partner of Ms Nan Ha

Han : Well we can't really tell what happened but at least that Casanova got exposed by R or else he have another victims for his naughtiness.

Han : What's with H. EM Entertainment today?

Rei : Hai, hai I Love You Dear

Tae : I Love You Too Hon

—End—

At the same time, everyone of them from the Entertainment Fields heard the announcement from Mr. Hwang.

“All Managers except Manager Rei please come to the Conference Room 101 As Soon As Possible (ASAP).”

Chapter 255 - Emergency Meeting

After hearing that announcement from Mr Hwang, all Managers are now leaving to their assigned studio and go to where's the Conference Room 101 located.

Han : Yun take charge.

Yun : Yes Manager Han

Shi : What's wrong this time?

Yun : It must be connected to H. EM Entertainment for suddenly buying the AS Entertainment.

Je : What are they planning?

Yun : As of now, we don't know but let's be more aware to our surroundings starting today.

All : Yes Bro Yun

Yun : Aside from Tae and Je loving Manager Rei, who else the 3 of you have someone you like?

Shi : I don't have as of this moment Bro Yun

San : Same with me Bro Yun

Bi : I...I...

Aii : Ymp jvfo?

Bi : I also like Manager Rei but I already give up when I heard that Manager Rei already have someone important to her heart.

Je : Eh you give up?

Bi : Yes, why?

Je : I'm just glad that you give up Bi because your the Visual of the group.

All : ...

Yun : Enough with that both, you Je and Tae must be careful enough because we don't want Manager Rei to be got implicated because all of us know and aware how messy the entertainment is and Manager Rei just joined the team at the beginning of the day after holidays this year.

Both : Yes Bro Yun

Je : Don't worry Bro Yun I won't be careless

Tae : 'Same with me, I don't want my wife to be get troubled.'

— Muoore —

Mr. Hwang : I call all of you here because we have something important to discuss and before I proceed, all of you must report to me one by one about the update of your assigned artists.

M1 : Aside for being married with my artist nothing else because she don't want to have a child as of this time.

M2 : Only me and from our Department got to know that my artist is gay

M3 : Aside from 3 abortions of my artist nothing else

M4 : My artist is known married to all S Nations

M5 : My artist is a lesbian and have a relationship with this Lady W

M6 : Mr Hwang, I forgot to report you but my artist got pregnant last year and already giving birth last month.

Mr. Hwang : And the father of the child?

M7 : My artist Mr. Hwang

Mr. Hwang : Alright, let's make another schedule meeting for the two of you with your assigned artists.

Both : Yes Mr. Hwang

Mr. Hwang : Alright continue

Then all Managers reporting the updates of their assigned artists, mostly of them are already been reported to him and they have already planned for counterattack in case they got exposed and last to report are the Managers of M'dol the first boy band of CA Entertainment and most famous in S Country along with other groups in different Entertainments.

Han : For our artists nothing so far Mr Hwang and all of them are not in a relationsh.i.p.s.

Mr. Hwang : Okay, Manager Han 'I see, so Manager Han and them are still not aware that Tae and Rei are married and soon to be parents with their first babies. Tsk, tsk, why I'm the one who most scared compared with this two involves? I need to talk this with Rei' (everyone didn't feel something amiss because they only know that Mr Hwang thinking for the safety of the artists without knowing that his thinking one artist and Rei who's like a daughter to him) alright, everyone the reason why I called you because I got warned by R that H. EM Entertainment bought the AS Entertainment because they plan to open up an entertainment news media since they already hired 50 paparazzi on duty but the operation of Entertainment News will start next year after the holidays.

All : Eh?

Mr Hwang : So all of you must need to be more alert and more aware of your surroundings because there's another bunch of paparazzi who would be lurking around to our surroundings. CA Residences and Complex Annexes A, B and C are always have a tight security. 'Well except that one that Rei found out and report it right away' Even though Annexes B and C are all from Business Departments we still need to be cautious enough because they are members of our CA Families and more fragile to us since they have different views from us and that's the one main reason why I prohibit them to interact with anyone from Entertainment Departments because they have different aspects views and they don't how messy the Entertainments is. 'Well except for Rei again. I just realized that I made many exceptions from her but well she deserves it because she always reported it to me and even telling me that she violates one of the rules by dating Tae which is belong from the Entertainment Department.' Everyone just report everything to me in case you will find something amiss or somethings off and protect well for your assigned artists.

All : Yes Mr Hwang

Mr. Hwang : Alright go back to the studio now and just do what the best you can do to protect your artists.

Aii : Yul Mz Hjfre

Mr. Hwang : 'Now I need to check Rei. Geez, I got another child who's also been very independent and speaking of her, how is she now? (sigh) She's the Artist Director and yet I'm the one doing her jobs.' Then stand up from his chair, getting out from the conference room and go to Rei's office.

"Knock, knock, knock"

"Let me open it Auntie Rei"

'It must be Mr Hwang since only him and Tae know where's my office is then got hidden from everyone because of my pregnancy "okay, open it Ken"

Ken open the door "oh?"

"Oh, hello little boy you must be Ken, right?" Already know about the kids because Rei ask his permission first before bringing the kids with her.

"Sorry to disappoint you Mr Hwang but the kids are still learning about Sean Language"

"Oh, sorry Mr Hwang and please take a seat"

"Thanks, so how's your pregnancy Rei?"

"Nothing's wrong Mr. Hwang and Doc Annie always updating me once a week"

"Ha, ha, that sister of mine but she's just concern about you"

"I know"

“You already heard it from Manager Han, right?”

“Uh-uh and I will take note of it”

“Not just about that, I also got warned by R about my rivals who’s planning to open an entertainment news media since they hired 50 paparazzi and will start their operation next year, so you need to be careful along with your husband Tae”

“Yes Mr Hwang and I will”

“I’m just curious about something”

“About what?”

“When are you planning to disclose your relationships?”

“I don’t know Mr Hwang but I will follow my husband arrangements”

“You really love him that much, huh”

“Uh-uh”

“So then?”

“Mmmm?”

“That little girl?” looking to Ellyn directions who’s humming while studying about Sean since Rei give them her notes when she’s learning Sean at that time and also give them a quiz.

“Mmm”

“Is she planning to become a singer?”

“Woah, you really have an eagle eye Mr. Hwang and how did you know?”

“By just listening her humming and I can tell that she’s been trained”

“Nah, it’s only my sister who trained her together with her younger twin and Ren”

“Do you plan to sign them up?”

“Yeah but after she become an University Student”

“I see then signed her up to my company”

“Yes I will Mr. Hwang”

“Good now how about her sister?”

“She also wants to be a Singer but will debut in C Country”

“Then you must signed her to my company there”

“Eh, you have an entertainment department in C Country?”

“No it’s separate and it’s HL Entertainment”

“Ah, so it’s names for both Bro Lin and Lina”

“Ha, ha as expected of you Rei but you need to tell her”

“Okay”

“Wait”

“Mmm”

“Let me tell it personally maybe I will visit there next time”

“They will be here during my schedule of giving birth, Mr. Hwang”

“Ah, I see, then I’m going to prepare” then stand and leave right away.

“...”

“That’s your Boss, Auntie Mei?”

“Yes Ken, why?”

“Nothing’s and his a good boss but kind of a weird man”

“...” Rei don’t know what she’s going to reply of Ken and just thinking ‘How come he have that kind of conclusion? But wait who’s more smarter between Ken and Jinyu?’

“Auntie Rei, can you check it for me?”

“You’re done?”

“Uh-uh but I’m not sure”

Rei accept the said guess and reviewing it before commenting “you’ve got all the easy one but the hard part you only got 1 right”

“Figures”

After the 2 Security Personnels leave, Rei looking at the box, the said package that she just received has a note with a Tanes Language : For Mei, Rei from Song Yue.

After seeing that note, Rei didn’t open the package and just put it under the desk then checking the envelope, of course she already know what is it because of the School Seal and then she still open the brown envelope and found 2 letter envelopes inside while informing the kids.

“We can open it now Auntie Rei?”

“Of course you can Ellyn”

Ken suddenly have a big reaction or rather overreaction “what the? What’s wrong with this? Are they serious?”

“What’s wrong Ken?”

“Auntie Rei, what it’s mean? Geez, they give us an Universal Language Examination, so then how come the Admission Letter is written in Sean?”

“Let me see”

“Here, Auntie Rei. Tsk, tsk if we didn’t ask Jun Tae the results yesterday then the 100/100 will be something but just only a number to me for example a hearth rate instead”

“Ha, ha, ha you’ve becoming like Mei now Ken”

“Of course Auntie Mei, if not then I’m not Mom’s son right?”

“Ha, ha, ha right, right”

“So what its means?”

“Just like what your Mom said, it’s just a congratulatory letter and welcoming you for becoming one of the student in S Elite Academy. Then you result for the School Entrance Examination which is 100/100 together which Class you belong. Your class will be Class 5A – Advance Section.”

“Give me the letter Ellyn”

“Oh, here it is Auntie Rei”

“Just like what I explain to Ken, it just a congratulatory letter and welcoming you for becoming one of the student in S Elite Academy. Then your result for the School Entrance Examination which is 90/100 together which Class you belong. Your class will be Class 4A – Advance Section.”

“It’s different result from Jun Tae”

“Jun Tae give you the exact result but the School just round it off”

“Oh! Okay”

“Both of you no need to worry because I know you can do it, you have one month and half to learn about Sean” encouraging them because they have a sad expression when they realized that they still don’t know anything about Sean.

“Okay Auntie Rei”

Around 7pm, Tia Wen arrives bringing foods good for 3.

“Of course, ha, ha it must be hard for you to do it every afternoon”

“Yeah, yeah but it’s for you and to my future niece/nephew. Also....”

“Mmmmm”

“It’s rare for Tae-nya to ask me a favor”

“Yeah and that’s because he doesn’t want me to cook while pregnant”

“Ha, ha, ha right but then when you are 7 months, I will be start staying here for your personal driver and personal assistant”

“Thank you Sis Tia Wen but the kids also happened to be here since they were going to study here”

“Eh, I thought that they’re only here for visits?”

“Didn’t Tae explain to you?”

“That brother of mine”

“...”

“No worries, by the way, you and the kids must eat now or else that brother of mine will be mad”

“Ha, ha alright, Sis Tia Wen the kids are still learning”

“It’s alright, I just want to meet them and see personally how they looks”

“.....”

The two of them walk and go to the living room.

“Ken and Ellyn, this is your Auntie Tia Wen and your Uncle Tae elder sister”

“Hello Auntie Tia Wen” said in Sean.

“Nice to meet you Kids, woah both of you really look like Rei and have a real beauty.” said in Sean.

“Sis Tia Wen the kids didn’t understand anything except my name”

“That’s right, silly of me. You go eat first together with the kids”

Rei accept the foods from her sister in law “is Mom still the one preparing it?” then putting the foods on the center table.

“Yeah she is. Tsk, tsk after Tae-nya ask that favor from me, Mom eavesdropped about it and insist to me that she’s the one preparing the foods while me as delivery girl.”

“Thank you for that Sis Tia Wen and just tell Mom that I’m very happy”

“Nah, it’s alright and being with that Brother of mine it’s really enough for us”

Rei speechless for a moment then said to the kids “Kids eat first”

“Yes Auntie Rei”

“By the way Sis Tia Wen?”

“Hmmm, what is it Rei?”

“When did Tae ask you this favor?”

“The last day of golden week, Tae-nya awake first then ask me that favor”

“Ah, I see so that’s why he told me that I will not cook from that day until I give birth”

— Flashback —

The Jun couple just got back from the Jun Residence and arrive at their own home (Rei’s Unit).

“By the way Hon”

“Mmm?”

“Starting today until you give birth, Sister 3 will be the one bringing the foods you here around 4:30pm to 5:00 pm”

“Eh, but are we not bothering Sis Tia Wen?”

“Just trust me Hon and no we’re not bothering her”

“Speaking about that, why not ordering food from our Family Restaurant?”

“I’m planning about that one but then they will know that I’m married with you”

“Ah I see, okay I follow your arrangements and you can still use my maiden for delivery purpose”

“Yes I will always use your maiden name and thanks Hon for trusting my arrangements”

“Silly you’re my Husband, so of course I trust you”

—End of flashback—

“So Rei, how about your lunch if that brother of mine didn’t allow you to cook?”

“He always drop the foods at my office if his team are in the Studio and if they have schedules then he will order foods and deliver it to me”

“And by doing all of that, how come no one is not aware of your relationsh.i.p.s?”

“About that I don’t know how did he do it but I’m sure he use the VIP path going to my office and if it’s delivery to my office, he just messaging me that he ordered foods for me, so I will wait at the VIP Path and wait for the delivery”

“And the delivery?”

“Of course a girl, he request it before ordering”

“What’s the restaurant name?”

“It’s El...” Rei got cut off because Tia Wen phone rings and she answered it. Rei eat her foods and heard her sister in law asking her.

“What did I ask awhile ago? Ah, never mind about that I’m going after you eat”

“What time of your work tomorrow Sis Tia Wen?”

“9am, why?”

“Then just stay one night here, if you leave after I eat you will be got home around 10pm and you are a lady Sis Tia Wen”

“Woah, you are really kind Rei, thanks”

“You can leave tomorrow around 4am Sis”

“Okay, by the way speaking of tomorrow, who prepare your foods for Breakfast?”

“Tae, why?”

“And how did he do it?”

“Ha, ha, ha you will know it tomorrow Sis Tia Wen”

“.....”

“By the way, where are you going to sleep?”

“Here in the couch and no need to bother me”

After digesting the foods they eat, the kids go first and sleep right away but right at the moment Ken got back and bringing a bed sheet then give it to Tia Wen without talking then go back to his room.

“...”

“Ken brings you that one in case you will get cold”

“Eh, that’s Ken and not Ren?”

“Uh-uh”

“How about the little girl?”

“Ellyn”

“...”

“By the way Sis Tia Wen, I’m going to sleep now”

“Yes go ahead Rei and don’t bother me”

“If you are still not sleepy then you can just watch drama”

“Okay”

“Good night Sis Tia Wen”

“Good night Rei”

Around 11pm, Tae arrives at their home and notice the light in the Living Room are still on then heard the sounds of TV.

‘Eh, Hon still awake?’ “Hon?”

“.....” that someone is immersed of watching the drama

“Hon?” then walking slowly and see her features but that’s not his wife because he knows her backs very well “Sis 3, why are you still here?”

“Gyaah, you scared me Tae-nya”

“Are you supposed to leave after Rei done eating?”

“Yeah but Rei stop since I will be home late”

“Okay and just don’t disturb us”

“Rei?”

“Oh, you are awake Sis 3?”

“So it’s you Tae”

“What time you will leave?”

“4am, why?”

“Eat first since I’m almost done”

“How about Rei?”

“She will eat at exactly 7am and for now I’m going back or else I will be doomed”

“If you will tell them that you are married and Rei is your wife then you will not do this kind of troublesome for both of you and do all this things secretly. I’m sure Rei already know how tired you are but she didn’t stop you because she will trust and respect your arrangements but Tae think about your wife, what if you suddenly collapse and what do you think Rei would feels after hearing it?”

“...”

“I’m not blaming you Tae but as your Elder Sister I’m just concern about the two of you and Tae, to remind you, Rei always be with you, she didn’t complain or said anything but she’s concern about you”

“Yeah I know and thank you Sis 3, I’m going now”

“Okay be careful”

Chapter 258 - Learning Sean Language

Around 4am, Tia Wen leave while Tae thinking what his sister said to him. He already know about that, he already know that his wife just watching over him and concern about his health. He want everyone to know that Rei is his wife but it’s not the right time yet. He knows that Rei can handle everything when they disclose their relationsh.i.p.s because his wife but he doesn’t since he only sees his wife as Rei and nothing else. He also knows that Rei is just waiting for him and he knows that Rei wants him to disclose their relationship by his own mouth because Rei trust him that much. After thinking all of that Tae just sighing and waiting for the right time.

Just what Tae told to his sister, Rei eat her breakfast at exactly 7am and this time with Ken and Ellyn. 20 minutes before 8am, the three of them leave and 5 minutes left before 8am they arrive in CA Entertainment and arrive on time to her office using the VIP path.

For the whole two weeks Rei did the same thing, eat her breakfast that prepared by her husband Tae and sometimes he left a note that they have a local concert even though Rei already knows that ones because she's their Time Manager but he still left a note as husband not an artist and then Tae just order foods at El & Lyn and Family Restaurant using Rei's name then will be drop by the Security Personnels who ever received the delivery at that time. Meanwhile the kids just have a whole two weeks of studying the Sean Language through her notes.

"Are you sure?"

"Uh-uh"

"Bro Ken, Bro Ken" realized something

"What?"

"Y---you are talking with Auntie Rei using the Sean Language and not Ceno"

"Eh?"

"Really and since when did you learn?"

"I don't know....." cut off himself because he also realized something "w–wait Ellyn, what did you say just now?"

Then both of them looking to Auntie Rei and call her attention "Auntie Rei?"

"Yes Ken and Ellyn?"

"When did we learn speaking in Sean?" ask both of them

"If it's about speaking then just now and if it's about learning then two weeks after studying Sean"

"...."

"Alright, alright come and seat beside Auntie" the two raise up since they are seating in the carpet while answering the last quizzes Rei give to them and now seating beside them.

"What is it Aunt Rei?" Ken ask after seating beside her

“Give me that one”

“This?” raising the paper that they hold.

“Yes”

“Here Auntie Rei”

“Ken and Ellyn, the last quiz I give you are written in Ceno”

“Uh-uh”

“But the 1st Day of this week until yesterday quizzes are all written in Sean”

“What?” they have a wide eyes and shocked expression.

“You heard me right” then Rei retrieve all the papers she kept from the desk drawer “here, these are the quizzes that I given both of you and you answered it all without realizing that it was written in Sean.

“ ... ”

“Ken you are really Mei’s son and Ellyn you are really Lyn’s daughter”

“

“Now, now see it for yourself if you don’t believe me. I already check all your papers except for today” give the papers to them while getting the last quiz from their hand and checking it.

Both Ken and Ellyn are looking it seriously but the more they look the more their eyes getting wide until Rei heard Ellyn.

“Woah, woah we did it Bro Ken, we learn Sean without our knowledge and Auntie Rei it’s like magic and you are magician Auntie Rei ”

“.....” Rei got speechless

“Not just magic Ellyn. I think it’s kind of an enchanted one. I mean Auntie Rei is like an Enchantress just like Mom because all men’s eyes are looking to Mom’s direction wherever she go”

“....” Ellyn got speechless this time

“What kind of conclusion that you have gathered Ken?” Rei asks and didn’t got speechless this time because she already got used of her sister antics. Not only that because she already used by Mei and Lyn reactions but what she never expects that both of them have this kind of reactions from their mothers.

“Well it’s because we learn Sean without knowing how and when”

“Just because both of you are studying hard for the whole two weeks. But Ken you know what?”

“What Auntie Rei?”

“To tell you the truth your aura is like Bro En while your personalities and characteristics is a carbon copy of Mei”

“Of course Auntie Rei, I’m their son after all”

“I see, so now how are you feeling after knowing that you already know Sean?”

“I’m happy Auntie Rei”

“Glad to hear that one Ellyn and Ken no need to answer me because I already know what’s you mind thinking about”

“Really? And what is it Auntie Rei?”

“You are thinking, what kind of question you ask Auntie Rei? Is it obvious that I’m happy?”

“ ... ”

“Seeing your expression I guess it right”

“ ”

“And being silent it’s a Yes”

“So now what are you going to do?”

“For me Auntie Rei, I’m still going to study in case I forgot” Ken said

“Same with me Auntie Rei” followed by Ellyn

“Go ahead and here’s my notes”

“Thanks Auntie Rei”

“By the way Ellyn?”

“Yes Aunt?”

“Are you really alright not celebrating your birthday?”

“Yes Aunt because you already give me a big present”

“And what is it?”

“Being my tutor and everything”

“Oh, then just ask me anything if ever you need something from me”

“Yes Auntie Rei”

“Auntie Rei?”

“Are we going to attend mass tomorrow?”

“Yes, why?”

“Because I’m going to thank Our Creator and Savior above that I have a wonderful family and that I’m blessed to have all of you”

“.....” Rei’s no comment

“By the way Auntie Rei, where’s Uncle Tae?”

“Concert, Ken”

“I see”

The kids are still studying Sean Language because they don't want to forgot what they learn. Every weekend they go to a laundry shop and drop their clothes then pick up it on the next which is Sunday and that after the mass.

Since the day Rei arrives here in S Country, she never miss a day to attend the Mass every Sunday because it's a family tradition and practices of them but doesn't mean that she will miss a day and not attend the Mass in Sunday on purpose because she already knows that she will miss one day especially now that she's giving birth 3 months and half by now.

One day before the starting of class and first day of school for both Ken and Ellyn, the renovation of the gues room are already done. Yes, it just done within the whole period of June 7 to July 6. Tae is the one paying for all expenses and his parents is the one supervising the carpenters and mens for the renovation because Tae doesn't want Rei to supervise them in order to avoid any incident to her. Rei just got a Renovation Permit and Visitors Pass for them then give to her parents in law before leaving the house temporarily. Rei and the kids are staying temporarily at her in-laws house until the renovation period is done, so it means Rei and Tae didn't meet for the whole period of June 7 to July 6 because aside from renovation, the team also have one month Local Concert in Sejuh, S City but even their away their hearts and mind are still connected to each other and getting more stronger.

Chapter 259 - Meet Jinyu again

At night, both Ken and Ellyn are so nervous because they will now become officially the students of S Elite Academy tomorrow. Rei notice how her niece and nephew got nervous.

Rei : Both of you just relax, you know.

Both : W—we were nervous Auntie Rei

Rei : Both Ren and Lynel attend the classes without worries.

Ken : Yeah but it's kind different for us I mean it's not that I don't love you Auntie Rei but Ren have Mom at his side, well it's my choice to be separated with them but I can't help it Auntie Rei because I'm always with them.

Rei : I understand you Ken but don't worry I will always be here with you. I know I can't give a motherly love but I'm here to support you and just do your best because it will just pass around and later you will meet them again.

Ken : Uh-uh but you know Auntie Rei it's kind of unfair

Rei : What's unfair? (already know but still asking)

Ken : Ren is also skipping grades and got advance to 6th Grader after one month of Class Opening.

Rei : Well Ren always got full marks every his quizzes and tests, so that's why the admin of the school decide him to advance.

Ken : How about me?

Rei : Ren is Ren and you are you, don't compete yourself with your brother because both of you is different. Although you are siblings in blood and flesh but you have different body.

Kur : Tvfrwmp Aproau Rua

Rei : Just look out with Ellyn, she knows that she is her and Lynel is Lynel. After knowing that Lynel is got advance right away to 4th Grader because of her full marks result in Entrance Examination she didn't got fl.u.s.tered.

Ken : Yes Auntie Rei

Rei : (disturb the little girl who's busy daydreaming) what are you thinking Ellyn?

Ellyn : Neh, Auntie Rei?

Rei : Yes?

Ellyn : When you arrive here, did you meet Uncle Tae right away?

Rei : You're Uncle Tae only see me that time but I never did though I already know him.

Ellyn : I see, so it's either me or Yu that see us first.

Rei : Neh, I'm just wondering why did you call Jinyu when you are 3 years younger than him?

Bmov : Ev wmp crmj Bzm Yp / Yp Aproau Rua?

Rei : Ouh-ouh

Ellyn : Auntie Rei?

Rei : Shh, it's a secret from the three of us but don't tell it to anyone especially to your father Ellyn.

Ken : So, how did you know it Aunt Rei?

Rei : Well you will know the whole story at the right time but for now I will tell to the both of you that Jinyu knows you Ellyn because of me but for when, what, why, where and how, I will tell you at the right or rather Jinyu will tell you that one.

Ellyn : I see then it's good.

Rei : You're not mad?

Ellyn : Why would I? If it's not for you Auntie, then I won't meet Yu.

Rei : I see

Ellyn : Thank you Auntie for meeting me up with Yu. I call him Yu because he said that he likes it if I call him Yu because he will feel more special by calling that one. He didn't chose Jin because it's like I'm calling his Dad, he also didn't want Jinyu because everyone who knows him calling like that just like you Auntie Rei and Bro Ken and he didn't want Bro Yu because he feels that his brother or sister was the one calling him.

Ken : Are you sure his a kid like us? (He ask what Rei want to ask)

Ellyn : Yeah he is and Bro Ken, hearing that from you it's kind of awkward you know.

Ken : And why?

Ellyn : Nah, nevermind that one Bro Ken

Rei : Alright enough with that and let's sleep now. Both of you have now your own room.

Both : Yeah Auntie Rei and when are we going to see Uncle Tae?

Rei : Tomorrow at 11pm but it's very late since you were sleeping already but I will tell him that you are both thankful for the room you have.

Both : Yeah and thank you Auntie Rei

Rei : You're welcome.

The room of them are just what Tae's plan, a bunk bed and single bed with 3 wardrobes then a guest room which have the same size of Tae and Rei's room. The two restroom in the guestroom are still in the guest room while they have another restroom install for ladies and gentlemen's room.

Rei already ask excuse for Mr Hwang for being late one hour since the class will start at 9am and she will drop the kids first. At exactly 8am, Rei awake at the same time the delivery of foods arrives and she accept it from the Security Personnel and lay the foods on the dining table and wait for the kids to wake up since they already know how to wake up by their ownself. Thirty minutes pass, all of them are done bathing and now on the way to the school.

After 10 minutes they arrive and Rei instruct the kids “we are here and kids your class will end at 4pm, so just wait me here. The school already assigned someone to assists both of you”

Jo : Good, now come with me. We will just give your School ID during your class break since we forgot to send it to your address when we send the Schools Items. (Mei also send their pictures but this old man forgot and he also forgot to announce their results, so it's not surprising that he forgot their ID's). So now who's going to go to the class first.

Ken : Ellyn, Mr Jo

Jo : I see, now follow me including you Mr Jang since I will also accompany you to your room.

Ken : Okay

Chapter 260 - I miss you

After dropping her niece and nephew to the school, Rei arrive 5 minutes before 9am in CA Entertainment and now sitting at her office chair and just thinking about Tae.

"Is he alright? Did he eat on time? Did he do well on his group and solo performance?" then looking to her bump which is now very obvious because tomorrow she well be now six months pregnant with their twins and now c.a.r.e.s.sing her stomach then said to her babies "my babies, Mama really miss your Papa"

Rei start working but then asking herself "what time is it?" then looking to her watch "9:25am (sigh), almost 14 hours to wait my husband return"

Then she got back to work and now immersed to her work that she didn't realize that it's already lunch time until some familiar voice interrupted her, the voice that she really missed the most.

“I see, so Hon never miss me when I’m always missing her”

Rei thinking out loud “woah, I’m already hallucinating my husband voice now, few more hours and I will be insane missing my husband for sure”

Tae got dumbfounded by his wife reactions and then said to her “I’m here now Hon”

Rei look up and see her husband standing inside her office and she slowly got up from her seat because she’s pregnant and slowly approaching her husband.

“I miss you” said the both of them then laugh together.

“Let’s eat together”

“How about the teams?”

“I said to them that my family are waiting me today, so I excuse myself and will return tomorrow at our team house before 3am”

“That’s good”

“Let’s eat now”

“Before that can you give me a kiss?”

“Of course and if you are not pregnant then I already eat you up since your office is also happened to be a sound proof”

“.....”

“Let me kiss you my wife”

“Uh-uh, I already ask you...” cut off by her husband kiss and he avoided her bumps and after that she feels that her husband c.a.r.e.s.sing her stomach.

“Our babies slowly growing up to your w.o.m.b Hon”

“Uh-uh” then Rei turn her back so that her husband Tae can give her a back hug and as she turn back, Tae already hugging her while c.a.r.e.s.sing her stomach

“How’s your life without me?”

“I feel I got abandoned”

“Abandoned?”

“Uh-uh, geez I’m already used to be with you. It’s kind of weird since I arrive here alone and then when you comes to my life I’m already not used of being alone. At least Ken and Ellyn are here, if they are not here then I don’t know what will happen to me but then I’m going to do my best because I know it’s for our future. The guest room renovation is already done and we returned back to our house yesterday”

“You know what?”

“What?”

“You are really a straightforward but then that’s how I love you, so speaking of Ken and Ellyn, how are they?”

“They’re already fluent in Sean Language and Dear the two didn’t even realized that they already know” then start telling what happened for the whole month without minding that they are still standing while embracing each other, well it’s a back hug though. Tae just listening to his wife story about the kids although she’s telling about the kids he can sense that his wife also misses him that much same what he

feels during this whole one month without his wife around. At least everyday when his around, he can go to their house and sleep with his wife for an hour then prepare foods for his wife for 30 minutes which already enough for him compared to being away of his wife for one month but what the most he want is being with his wife everyday, every hour, every minutes and every seconds.

“Neh Hon?”

“Mmmm?”

“Tell me the truth and nothing but the truth”

“Uh-uh and what is it?”

“Let’s seat down first”

“Okay” then the two seating in the bench and Tae assists his wife and automatically Rei lay her head on his shoulder.

“How are you feelings when I’m going to sleep you for one hour then leave and got back to prepare foods for you?”

“Well, I’m really glad and fortunate for your whole efforts Tae but I’m worried about your health because your cutting your sleeps. I know it’s for me but what if you got collapse? I have so many what if and ifs but I chose to trust you and respect of your arrangements. I know you are eager to let everyone know that were in a relationship and that we are married but you have your plans so I don’t want ruin your plans and I will wait for that”

“Thank you Hon, thank you and I’m really happy that you understand me well, I’m really” stop because he start to sobbed

Rei hold his arms from her c.h.e.s.t and removes it before turning away then said to him while cupping his face “he, he, he you are really a crybaby Dear”

“Yeah I become one after meeting you” said then holding her hands from his face and then slowly getting closing their distance before they said it together.

“I Love you” because they said it together again they suddenly laugh.

“Neh Tae?”

“Hmmm?”

“No matter how long it takes, I will always stay with you and be with you forever”

“I know”

“Neh Tae?”

“Hmmm?”

“No matter how long you want to hide or keep our relationship, I will endure it and wait for the right time”

“...” speechless and blush hard

“Neh Tae?”

“What is it this time?”

“He, he, he, I just want you to know that you are the best man that I know and the best husband ever”

“.....” getting blushing more

“Neh Tae?”

“Yes My Love?”

“Wow, it’s my first time hearing it again My One”

“Yeah you are right but I prefer Hon and Dear, it’s more sweet for a married couple”

“He, he, he right, neh Tae?”

“Hmm?”

“I just want you to know that whatever and whenever it is, my love for you will never be faded away instead it will be going deeper and deeper, in other words I’m being crazy in love with you day by day”

“Same with me Hon” said while blushing “by the way Hon?”

“Mmm?”

“Your office have a CCTV right?”

“Yeah, why?”

“Please retrieve that one and give me that copy from the moment I enter until this time because that’s what the most sweetest you said to me aside from the confession you replied to me”

“Okay”

“Let’s eat now”

“Uh-uh and feed me okay?”

“My wife wish is my command”

The two eat together while chatting and talking to each other because they both missing each other.

At exactly 1pm, Rei go back to work while Tae just looking to his wife working seriously until he got asleep from being tired of the concert they have. Rei just look up every hour and looking to her husband sleeping figures then smile before going to work again until the time for off to work are now coming close. Ten minutes before 4pm, Rei stand up and call her husband.

“Tae, 10 minutes left for 4pm and get ready were going at exactly 4pm”

“...” still sleeping at the moment

“Still asleep?” then Rei approach her husband and waving her hand to his face.

“Tae?”

“...”

Rei looking to her husband sleeping face then down to his lips and she’s thinking out loud about something.

“Why not kissing him? No it’s bad Rei but stealing a kiss to your husband is not bad, so why not try it?” Rei debating herself to kiss or not but unknown to her, her husband already awake the moment she seat beside him and just pretending sleeping when he heard his wife. Rei still debating but then looking again to his lips “it’s alright Rei you have rights to do so because Tae is your husband, yup, I can do it” Rei for the first time stealing a kiss to her dear husband and she didn’t feel satisfied so her tongue got inside to Tae then stop herself before her husband caught her red handed.

“He, he, kkyyaah (Rei giggling) I did it, I did it. Woah, woah stealing a kiss is really hard, I thought it was easy to do so but it’s not and I got nervous. Calm down my heart, inhale and exhale” Rei blushing hard, fanning herself using her two hands and calming down herself.

— Tae point of view —

“I’m sleeping inside the office of my wife for the first time and I spend my half day with my lovely wife. Aside from her confession of my confession before we become an official couple, it’s my first time hearing it like that and so I ask my wife to retrieve it because this is the sweetest she said to me ever we become an official. Woah, I really love my wife and I’m very fortunate to have her. She always here for me and she didn’t ask anything from me instead she just followed whatever my arrangements are. She didn’t even complain how busy are schedules especially mine and she didn’t failed to show how she loves me. I was afraid of getting divorced so I did my very best to show how much I love her but now hearing it like now, I’m really a lucky man, lucky and very lucky indeed because I love her and she loves me. After feeding my wife as per her request, we brush our teeth together and then I sit in the bench and looking to her who’s already working seriously. Yeah, my wife really know how to balance herself in relationship and in working. By watching her working seriously, all my tiredness got released that I suddenly got feel sleepy and then sleep without me noticing. Few hours passed, I notice my wife sitting beside me while hearing her about kissing me. Really, my wife want to steal a kiss from me. I’m so nervous because my wife is going to kiss me eventhough it’s not our first kiss but still I’m nervous because it’s her first time stealing a kiss me because I always steal kiss on her, then while wondering about that I felt her lips touching mine that I’m on a cloud nine but then I notice that her tongue get inside my mouth, I almost lost control and calming down my self while reminding my partner down there to calm down because I can feel that his already aroused. While I’m calming down myself I heard my wife also calming down herself but it’s different from mine because my wife just doing it because she was shy but mine is very different from my innocent wife since I’m calming down my wife because I d.e.s.i.r.e to become one of my wife again. After calming down with myself, I also heard that my wife already relax, so I start to pretend that I just awaken up”

— End of his POV —

“Done?” another hidden message

Rei didn’t got the hidden message and replied to her husband “uh-uh, it’s now 4pm and were going to pick the kids first”

“Okay”
