

Last Man 261

Chapter 261 - An elite school indeed

Both Tae and Rei going out together from her office while holding hands with each other since they walk from VIP pathway or else they already been the headline news from all the entertainment medias and paparazzi. They hop together inside the car and now on the way to school.

Looking to his wife driving and notice her baby bumps almost touching the steering wheel, it didn't calm his worried heart so he reminded her.

"Next month Sis 3 will be the one driving you and also staying with us until the day of your giving birth and then I already ask Mom and Dad that they have to babysits our babies because of our busy schedules, we have might available schedules because I know you prioritize me and our kids but you don't need to do that Hon because the team might find it suspicious so just do the same without any changes. I request Mom and Dad to do the babysits instead of a nanny because both of us were raised from our own parents without any nannies helping us, so you understand me how it's important to be raised with your parents around. I want to do it but I'm an artist and no body knows that you are my wife and the mother of my kids, so I need Mom and Dad to be my substitute until I've become free to be with you"

"Uh-uh and whatever it is I will follow your arrangements as long is good for us then next month will be my last month working behind the scenes before the day of my maternity leave"

"So you will go back with the team again"

"Uh-uh but it also depends of Mr Hwang decision and you"

"How about me Hon?"

"Well duh, I will get back to work on Dec 01 and I'm giving birth around October 08, so my recuperation period will be until Nov 07, so my Dear we have many days left before Dec 01, so what if you got me pregnant again?"

“Then let’s use contraceptive pills”

“No I don’t want that because I want to become one with you always.” After hearing it, Tae remembered the french kiss given by his wife in the office and blush hard while Rei glancing to her husband “why are you blushing Dear?”

“N—nothing”

“Don’t tell me that you are thinking perverted again”

‘Hon, it’s not me but you are the one doing perverted to me’ and then he feels that his partner got aroused again ‘what the? I need to relax and calm down first’

“Tae, were here”

“Uh-uh” agreed with a hoarse voice

“Eh, are you alright Tae?”

“No I’m not Hon and look to my partner”

Rei looking down and notice his partner arousing from his pants then said to her husband “later, I will take care of that but for now control it because the kids are coming to us”

“Okay” Tae not surprised that she got it right away because doing it every weekend for five months, Rei start to not feeling shy anymore but only if it’s the two of them.

Ellyn : Hey you two what are you whispering about?

Both : Nothing and boys matter (then laugh together)

All : ....

The Seniors and Juniors classmates of them and as well as schoolmates are looking to their directions then witness the two handsome and genius young boys laughing together that cause of them too blush hard.

All : 'What the? Just a simple laugh, oh no my young heart'

Jinxi : (notice the girls blushing face from afar and then warn the two) hey, you two, I mean Bro Jinyu and Ken, the two of you need to stop it now or else they will be many dead bodies of a young ladies here any minutes by now.

Both : ...

Yuhan : Jinxi, are you sure that it's come from your mouth?

Jinxi : Wow, you are speaking to me now Yuhan

Yuhan : ...

Ken : (whisper to Yu) neh, Bro Jinyu are you sure that Bro Jinxi is your brother?

Yu : (whisper to him back) I also wonder that one but then we have the same features so I need to accept that his my brother, how about you? Your twin brother is also like that you know.

Ken : Now that you remind me that one, if were not identical twins then I'm already questioning my mom about that one.

Yu : .....

Ken : Ah, that's right someone is looking at me now and I need to stop.

Yu : Who?

Ken : Ellyn, what is it?

Ellyn : Nothing and let's go now.

Ken : Okay, bye guys

All : Bye

Ken and Ellyn approach where Rei park the car then entered and seat at the back side.

"Jinyu and Jinxi are also studying here?" ask by Rei since she recognize the two kids standing beside them awhile ago.

"Yes Auntie Rei"

"I see so both of you become friends with them"

"Uh-uh"

"Especially you Ken, you are now close to Jinyu"

"Uh-uh and his now my best friend Auntie then later will become my cousin in law"

“Ha, ha, cousin in law and where did you learn that Ken?” Tae b.u.t.t in

“Eh, Uncle Tae you are here?”

“Yeah and the two of you are really fluent in Sean Language now”

“Thanks Uncle Tae”

Rei is driving while the kids are talking and chatting with their Uncle Tae then they arrive and got stopped by Rei what they do, since the three of them almost opening the car door.

“Not yet guys”

“Eh?”

“There’s someone lurking around”

“A paparazzi?”

“Yes Dear”

“What’s a Paparazzi Auntie Rei and Uncle Tae?”

“Ellyn, Paparazzi is a person who disclose the privacy of an artists or celebrity without their permission. Someday you will become a Singer, so you need to be careful with this peoples”

“Good explanation Ken and for now shh, Auntie Rei need to call the Security Personnels”

“Yes Auntie Rei”

— Calling the Security Personnel on handsfree Mode —

“Ring, ring, ring”

“Yes Ma’am Rei, what’s the problem?”

“There’s a paparazzi lurking around and I will tell you where are they hiding”

“Yes Ma’am Rei”

“All parking area that assigned for M’dols Members Car and Team Car, they are at least 10 paparazzi hiding in there”

“What are we going to do with them Ma’am Rei?”

“Just take note the time and monitor their movements then get an evidences that they fake the visitor pass and also see if you can discover their fake identities”

“Yes Ma’am Rei”

“Okay”

End of call

— Another call —

“Ring, ring, ring”

“Yes Manager Rei, what’s wrong?”

“I just arrived here in the residences and I found out at least 10 paparazzi’s hiding where the team car and members car park. I’m with Tae and the kids so we didn’t go down. I call the Security Personnels first before you then instruct them to note the time and monitor their movements, I also notice them to get an evidence of their faking the visitor pass and see if they discovered their identities either it’s a fake one or a real one”

“Thank you for your quick actions Manager Rei but for now stay in your car with them”

“Yes Mr. Hwang”

End of call

Mr Hwang calling the Head Security Personnels of Annex A then instruct to capture them all and delivering it to the police station by trespassing and falsification of doc.u.ments.

After making sure that all of them already captured, all of them got down and now inside the elevator.

“So being one of the artists manager is really that hard, huh?”

“Yes Ken but you need to be strong in order to achieve your dreams”

“I see, but how can you know all their directions Auntie Rei?”

“Because all of them are suspicious enough”

“Yeah but they are quite simple minded?”

“And what do you think about that one Ken?”

“They’re not hiding in the blind spots area, if I am one of them then I might hide where’s the blind spots are since no one will that I’m hiding there they will not even get an evidence that I’m there without permissions or any passsesm to get in”m Ken explained leaving all of them speechless including Rei

“.....”

Ken didn’t notice and just ask worriedly when he notice the expression of his cousin “Ellyn, are you alright?”

“Uh-uh but I didn’t expect that they have deployed many paparazzi in just a day”

“The more famous you are, the more of your enemies try to taint your reputation”

“Eh,what do you mean Uncle Tae?”

“You will know at the right time Ellyn and for now just focus being a student”

“Okay”

Ding, the sounds of the elevator stops them talking, they walk to their house and now they are inside the room. Tae preparing for their dinner while Rei seating in the couch looking to the kids who’s now doing their homework and Rei commented it.

“Your school is really an elite school because they provided your school bags, workbooks, worksheets and books”

“Yeah Auntie Rei, including pens and pencil” Ken replied while doing his homework

“How about your school shoes?”

"It will be delivered together with our school uniform Auntie Rei"

"I see"

"Neh, Auntie Rei, can you help me with this?" Ask by Ellyn

"Okay" then Rei helping Ellyn but didn't answer the question instead she's explaining it to Ellyn and by her explanation Ellyn got it right away.

"Woah, you are more like a Teacher Auntie Rei compared to my Teacher"

"..."

"Auntie Rei, please check it for me if I'm right"

"Okay" then Rei looking to Ken answer and then said it to him "I think you need to elaborate it more Ken, so that your Teacher will not doubting your answer. Your answer is right but you need to elaborate it further so that they will not think that you are cheating."

"Okay Auntie but Auntie?"

"Yes, what is it?"

"Is it normal for the first day of School to have a homework right away?"

"Yeah it's normal if you are 2nd Grader to up in order to review the learning of the students. As for the two of you, you advance right away and knowing your Entrance Examination Results both of your teachers knows that you will catch up."

“I see”

Rei and her family members already know that S Elite Academy is a very high standard school that you can't enrolled if you didn't get 80 up of the said Entrance Examination Results since all school items are provided by them. They also have an exceptional rules that if the students are Rank 1st to 3rd in overall rankings in Category of Primary, Secondary and Tertiary are automatically scholars of the school and the fees are all free of charge, so the said student who's in rank will be automatically got refunded by their payments. Primary consists of 1st Grader to 6th Grader, Secondary consist of 7th Grader to 12th Grader and Tertiary is an University Student.

Remembering this, Rei commented it out loud “an elite school indeed”

Kids didn't hear her comment since they focused on their own homework meanwhile Tae just got done preparing their food heard his wife and ask to her.

“You mean S Elite Academy?”

“Uh-uh”

“All of us, I mean Senians knows that only an influential ones and geniuses can enrolled on that School”

“Eh, really?”

“You don't know about it?”

“I only know how high standard it is and some's of rules and regulations since Mei is a former Teacher in S Elite Academy”

“Is that the reason why Mei meets Bro En?”

“Nah, Mei already meets Bro En in C Country before Mei transfer in S Elite Academy”

“The Main Branch is in C Country, right?”

“Yeah”

“I see and by the way the foods are ready”

Hearing foods both Ken and Ellyn said at the same “Foods ready, Uncle Tae?”

“Uh-uh and go first to the dining area while I’m assisting your Aunt”

“Okay” then the two of them run off right away as if they forgot how serious they are when they answered and did their homeworks awhile ago.

“...” Jun couple become speechless

Chapter 262 - D.e.s.i.r.e for my wife

The couple follow after Ken and Ellyn then they notice that the kids are waiting for them. They seat at the same time and as usual Tae assist his wife to take a seat first before him. Then they pray silently since Tae have different beliefs with them, after praying they eat together as if they are parents and kids relationship rather than Uncle/Auntie and Niece/Nephew relationship.

After eating, the kids go back first to the living room and continue doing their homeworks. Meanwhile Tae washing the dishes and Rei just looking to her husband without knowing and realizing that her husband already controlling himself very well from the time his loving stealing a kiss to him until he said it himself.

“Hon, I guess you need to stop looking at me like that or else I will eat you up right here and right then”

“Eh, are you sure? I’m just looking at you, you know”

Tae facing his wife and pointing his partner “then what do I call it, if you just looking at me?”

“What the?” Rei really can see her husband already aroused and seeing his pants like that she suddenly looking around and she heard the voice of kids discussing something or rather Ken teaching Ellyn, so she said it to her aroused husband “later, when both Ken and Ellyn are sleeping”

“Okay, geez, I’m really glad that the rooms in CA Residences and Complex are all soundproof or else they heard our love making from the very first day that we consummate our marriage” Tae said while continue washing the dashes.

“....” Rei got speechless

“Neh Hon?”

“Mmm?”

“Aside from us, who are else that also got married and living here?”

“My fellow colleagues who’s already married and then who got married but not a CA Families, then some artists who also married their Manager aside from us”

“Oh, I already know about the artists who married their own Manager but I didn’t know about the Business Department”

“Well before I joined the Entertainment Departments, we have restrictions about not interacting with someone from Entertainment Department but I think I’m the only one from Business Department who manage to violate that rules though I inform Mr Hwang when we become officially dating”

“How about that ex-Secretary who tried to hurt you?”

“She’s a spy from another company and then she’s an official fan of your teams before she become a spy. Well, if I remember correctly her main bias is you and who happened to got a kick from you.”

“She’s my Fan?”

“Yeah and don’t tell me you didn’t know any of your fans?”

“I’m aware of my fans, so mostly I didn’t recognize her because she might have a plastic surgery”

“Dear, let me remind you don’t let any ladies heard about plastic surgery or else they will transformed into another one”

“Okay”

“By the way Dear, if you are aware of your fans then how come you are not aware about me and Mei?”

“Are you an Official Fan?”

“Ha, ha, ha that’s right, I and Mei are both unofficial fans of your teams. Geez, to tell you frankly, your Fan Membership is very expensive including your CD’s, Tickets and others that involves about your Team, so that’s why I just download it.”

“Ha, ha, ha, if my wife is not R then for sure she’s already got in prison before meeting my wife.”

“Silly, I didn’t illegally hack your teams details and information because I simply download it from legal software and apps”

“I see, so my wife is really a law abiding citizen”

“If I’m not then I already kidnapped you when you come to me”

“Then why you didn’t? If you are then I will open my arms widely and eat you up right away”

“.....” Rei got speechless again

“Done washing the dishes, let’s watch Ken and Ellyn first”

“Okay”

Both of them go to the living room and notice that’s the kids are already not there since they left a note from the center table.

[To Auntie Rei and Uncle Tae

I and Ellyn already done working our homeworks. We’re now sleepy so we go to our own room first and sleep. Good Night Auntie Rei and Uncle Tae, from Ken]

[Auntie Rei, I almost forgot to tell you this one but no need to drop off and picking up both me and Bro Ken because starting tomorrow Yu will be the one doing it instead of you Auntie Rei, from Ellyn]

“Both Ken and Ellyn are quite responsible at such a young age, Hon”

“Well having both Fathers who’s very strict, then it’s expected that they are like that”

“Can they manage now to awake on their own?”

Rei remember that she already said that one when she’s telling that story to him during lunch time, so she’s facing her husband and that she accidentally touch his manhood “I already told you...” she realized that she touch it “geez, you did it on purpose and let’s go to our room now”

“He, he, he, he” Tae smiled and got amused by his wife

“Why are you smiling like an idiot Tae?”

“Because My Wife can already sense that her husband needs her and wants to eat her up”

“...” speechless then walks to their room and then wait her husband before closing the door.

A/N : This part will be not suited for young readers so you skip this part and for those who are m.a.t.u.r.e enough are free to continue this part and take your own risk to see this part.

“Neh, Hon?” Rei is now seating on the bed while Tae standing beside her.

“Yes, what is it?” looking to her husband who’s just standing near her.

Tae didn’t answered his wife and just pull his shirt then pants along with his u.n.d.e.r.w.e.a.r and now his fully n.a.k.e.d standing beside his wife who’s seating on there bed and still wearing her maternity dress.

Rei already know what to do but she ask her husband while holding is very hard manhood “so, what I’m going to with this Dear?”

“I think you already know what to do Rei and ....” didn’t finish because Rei already s.u.c.k.i.n.g and kissing it while Tae groan louder and more louder “yeah that’s right Hon, go faster and more deeper” then repeated his requests many times and yeah, she’s really glad that all rooms are soundproof or else they will be the headlines for at least many years as long as they remembered for having a scandal on her room with M’Dol Woo wihout knowing that are already legally married.

“...” didn’t replied to her shameless husband because she got embarassed but she just did what he request to her until she can taste and drinks his c.u.ms many times.

“That was so good Hon but for now before eating you up I need to do something first”

“And what is it?”

“Do you know French Kiss?”

“What is that?”

“Are you sure you didn’t know about French Kiss?” ‘You did it when I’m pretending to be sleeping’

“Don’t tell me that kisses have different types?”

“Yes Hon and I think before eating you up I need to tell everything I know and it’s my own meaning”

“...” Rei got confuse

“Just listen to me and remember it clearly Hon, so now here are the kisses that I know with my own meaning of it.

1. Forehead Kiss (Tae kiss her forehead) and it’s means I care about you.
2. Nose Kiss (kiss her nose) you’re cute.
3. Eskimo Kiss (same as nose kiss but the different is Tae pressing the tip of his nose to Rei and then rubbing it) you make me smile.
4. Check Kiss (kissing her cheek) I know you better.
5. Eye Kiss (kissing her eye) I’m close to you.
6. The Peck (pecking her lips) I like you.

7. Neck Kiss (kissing both side of her neck) let's explore this further.
8. Lip Kiss (kissing her lips) you're hot
9. L.i.c.k.i.n.g kiss (lick her kiss then explain) if I lick all your body it's means I want you Hon
10. Nibble Kiss (bite her lips then explain again) I can nibble all parts of you Hon and that's mean for me that you're delicious.
11. Ear Kiss (kissing both her ears) you turn me on.
12. Hand Kiss (kissing both of her hands) you are lovely.
13. Palm Kiss (kissing both of her palms) I trust you.
14. Elbow Kiss (kissing both of her elbows) you are s.e.xy.
15. Shoulder Kiss (Tae taking off her dress and leaving with her u.n.d.e.r.g.a.r.m.e.n.ts only then kiss her both of her shoulders) I like being near you.
16. Shoulder Blade Kiss (kissing her shoulder blade) I like to spend time with you.
17. Foot Kiss (Tae crunching down and kiss her feet) I want to make you mine.
18. Jaw Kiss (Tae stand up and kiss her jaw) I like all of you
19. Finger Kiss (Kiss her 10 fingers) I love each part of you
20. Hickey Kiss, I think you already know that one Hon and it's means you are mine.

21. And Last French Kiss it means let's take this further and I want to become one with you."

After explaining of the kisses he knows with his own meanings of it, Tae didn't do the last one and just looking at Rei who's already have a hard blush because of his kisses. Yeah, they already did that kisses but the meaning he said just now didn't help her but rather she become more hot and horny towards to her own husband.

"What are you looking at me like that Hon? Are you going to eat me up?"

"Idiot, so now tell me what's French Kiss?"

"Just do what will I do to you" then Tae kiss her then letting his tongue get inside of her and said "open it up Rei and just do what I did". The two are kissing and their tongue touching each other then l.i.c.k.i.n.g their lips and when they out of breath, Tae said to her "that's a French Kiss Hon or rather a E.r.o.t.i.cally Deep Kiss"

'I did it awhile ago inside the office' "Uhm, Tae?"

"Yes Hon?"

Rei touching his c.h.e.s.t and then down to his manhood while said it seductively "awhile ago, are you pretending to be asleep when I, your wife stealing a kiss from you and then doing that one of what we did awhile ago?"

"..."

"I see"

"You are not mad?"

“Why would I be? At least you pretend to be asleep or else I’m too ashamed to be caught red handed by you”

“ ... ”

Then Rei grasping his manhood and said seductively “are we doing it or not?”

“Of course we’re doing it Hon, if you are not pregnant then we already did it for many rounds or rather for the whole night without taking any sleeps or a nap”

“ ... ”

Tae sitting down on the bed beside Rei and said to her “come sit me on and I will enter you gently”

“Pervert” Rei said it but she stand up, pulling her u.n.d.e.r.w.e.a.r and then sit on his l.a.p while Tae guiding his partner to enter her and now they become one again after one month. The whole room of them are covered by their m.o.a.n.s and groans, then they did again and again until they only did it for 5 rounds before cleaning up and sleeping while embracing each other, because Rei is pregnant, Tae just did it for 5 rounds and embrace his wife by her back and then the two are joining to their own slumber state.

Chapter 263 - Ken is becoming more like his Mom

On the next day, Tae awake first at the same time Rei also awake and both of them smiling each other before Tae going out from the room and prepare the foods for them while Rei sleeping again since she will be awake around 7am. After cooking and preparing the foods, Tae go back to their room and just give a forehead kiss to his wife before exiting the house and getting inside to their Team House. When he entered the house, all of his teams including the Managers are just awake and didn’t got surprised that Tae already here since he said that he will be back on their Team House around 3am, so they know it’s before 3am since they got used of Rei’s schedules before 30 minutes of the said scheduled events or any scheduled appointments.

Around 7am, Rei wake up and then preparing herself before eating what his husband prepare. She directly eat it without heating because preheating foods is bad for their babies. Then 20 minutes before 8am left a note or rather a message to Ken only.

[Ken the foods are ready and just look it in the dining table, both of you must eat first before leaving.

No need to check if you forgot to lock the house because the door will be automatically lock including all appliances because it will also turning off the moment you lock the door.

When you got back before me, just get in right away since both of your thumbs print already registered thru the system.

If you have found out some paparazzi or suspicious persons don't be scared since they are not after the both of you. Just relax and calm down because all Auntie Rei and Uncle Tae colleagues are living in the same building, especially no one knows your identities.

Take care with Ellyn and be a good student.

Say to Ellyn that Auntie Rei already leaving and must take care herself when I'm not around.

By : Auntie Rei]

Rei just put the message near the door knob of the boys room since Ken is quite the observative type compared to Ellyn because she's quiet naive for that matter, so that's the reason why she leave that message to Ken only. After leaving the message Rei leave and do her routines as usual while at 8am both Ken and Ellyn waking up around the same time. Rei is right, Ken see it right away and then just taking a bath after reading it and waiting for Ellyn to go out from her room so that the two will eat their breakfast together.

30 minutes, they heard a tone and know that someone already pressing the doorbell and since Rei have a talking monitor screen both of them just heard.

"Mr. Li Jinyu is here"

“...” Both Ken and Ellyn got speechless but not that surprised because they already know about the real identities of their family members, then they got up from the couch and leave right away together with Yu.

“You already have a visitor pass?” Ken asks softly

“Sort of” Yu just said it

“Bro Jinyu, we didn’t tell you about where Auntie Rei house is but only we said the address but you already know where it is”

“Did Aunt Rei tell you something?”

“Auntie Rei only said that she knows about you and nothing else”

“I see”

“Neh, the two of you when did you become so close?”

“Best friend Ellyn and you are more special to me compared to Ken”

Ellyn blush while Ken thinking ‘what the? what’s wrong with this two?’ then looking to them who’s looking each other without moving.

“Neh, if I’m bad enough then I’m already pushing the both of you or rather I already dragged the both of you so that you can move”

“Oops sorry Bro Ken”

“It’s alright Ellyn” then whisper to Jinyu “told you Bro Jinyu that you didn’t need to do so”

“Yeah I guess so since you are a third wheel but Aunt Rei is pregnant and you are my best friend so I just need to be patience with you”

“Hai, hai and too bad Bro Jinyu you need to wait for 11 years being with me”

“11 years, why?”

“Because Ellyn will be with you at the age of 16”

“I see then 11 years it is” done whispering to him then ask “How about you, do you have someone you like?”

“Mmm....I can’t tell for now because I still have a goal to do so”

“I see, how about your homeworks?”

“Done with it Bro Jinyu but I think you ask the wrong person here”

“.... uhm...Ellyn?”

“Yes Yu?”

“Did you do all your homeworks?”

“Yes Yu I’m done with it both Auntie Rei and Bro Ken helping me, why?”

“.....”

“Bro Jinyu want to help you too Ellyn”

“Eh, really. Geez just said it directly to me Yu”

“...”

“This young boy who likes my cousin, are you really sure that you want to be with Ellyn? Now I’m going to rescue him again”Neh Ellyn?”

“Yes Bro Ken?”

“Every Sunday afternoon let’s do our homework together with Bro Jinyu”

“Really?”

“Uh-uh”

“Then let’s do it together with Bro Jinxi and Bro Yuhan”

“Ouh-ouh”

“What’s wrong Bro Ken?”

“Nothing”

Ding – then the three kids arrives at the ground floor.

"Thanks"

"And what will I gain after helping you Bro Jinyu?"

"...."

"I don't need anything Bro Jinyu and in the future if you really became a couple just take care with Ellyn especially she wants to become a Singer here with so many paparazzi lurking around"

"I will"

"Hai, hai, now go sit at the back seat before I change my mind"

"Ken you know what?"

"What Bro Jinyu?"

"Aunt Rei said to me to act according my age but how about you?"

"Me?" Jinyu nodded then Ken said in Ceno "Well Auntie Rei already know who am I and I'm more than a kid compared to you since I still don't have someone I like".

Jinyu said in Sean “ha, ha I see but well if you have someone you like then I will tease you back later”

“I knew it, so the one who really taught you in Universal Language and Ceno is Auntie Rei”

“T—-that”

“Don’t worry I won’t tell Ellyn, I love Auntie Rei and also you’re my best friend so I don’t need expose both of you. I just noticed it when Bro Jinxi didn’t speak in Universal Language until now since that day”

“He didn’t like studying language”

“I see, how about Rui?”

“He knows because .....” got interrupted by Ellyn

“Neh Bro Ken and Yu, are you not going in?”

“Coming” then Ken sit at the front seat while Yu sit beside Ellyn that the two suddenly became awkward but Ken saves the day again.

“About the Sunday doing homeworks together, are you okay with that Bro Jinyu?”

“Yes Ken I’m alright with it, so which place”

“Auntie Rei place of course” Ellyn answered without hesitation.

“Okay” Jinyu agreed right away.

“Oh, that’s right Bro Jinyu”

“What is it Ken?”

“Is Weekend Homeworks is also the same with Daily Homeworks?”

“No, it’s quite different and long since the Weekend Homeworks are for the whole week in advance and then some Teacher are also giving pointers for the exam on Monday, so maybe we can have it on Saturday rather than on Sunday”

Ken thinking that one while Ellyn said “eh, is it really that different and long Yu?”

“Uh-uh”

“Young Master Jinyu we are here”

“Okay”

Then the three of them hop outside from the car while Jinyu helping Ellyn.

“Let me help you carry your bag Ellyn”

“Eh, okay” then give her bag to Yu

‘Ha, ha, ha at least he make a move now’

“By the way Ellyn?”

“Yes what is it Yu?”

"I noticed that day when we first met, then yesterday and now you are only wearing yellow and pink, is it your favorite colors?"

"Uh-uh"

"I see noted"

"Eh?"

"And you Ken, you like blue that much huh"

"Yup but next week will be wearing uniform so you cannot see Ellyn wearing dress or skirts anymore. Ah, wait the uniform for girl still had a skirt so you still can see Ellyn wearing a skirt but not a dress anymore"

"....." Both Jinyu and Ellyn blush hard

"Alright I will stop teasing both of you but for now let's go to our classroom first" they nodded and walk to their room. Both Ken and Jinyu accompany Ellyn first.

"Here's your bag Ellyn"

"Thank you Yu"

At the exact time Jinxi arrives and then notice the two "oh, what a scene? My..." didn't finished because Jinyu his brother covered his mouth like a ninja.

"Go to your desk Ellyn"

“Okay Yu” then Ellyn leave and then spotted Yuhan and talk to him because they still have 10 minutes before the class start.

“Now, now Bro Yu you need to let me go so that Ellyn will not got steal by someone”

“Okay go and be a good student”

Ken and Jinxi said it in unison “what the? Are you my/his mother?”

“Go now”

“Hai, hai this brother of yours will going now” then escape right away and sit to his desk and joining their conversation.

The two serious boys walking and chatting each other with only them can hear it since they talk very low voice and speak quietly.

“Both of you and Bro Jinxi are young masters so Rui is also a young master since his your cousin, right?”

“Yeah and you are quite sharp, well you got full marks by the way what language you took during the examinations?”

“Both I and Ellyn took the exam in Universal Language one, do you think we will pass if it Sean?”

“You’re right, by the way how about Ren and Lynel?”

“They study in C Country”

“I see and in what grade?”

“Ren is on 6th Grader while Lynel is same with Ellyn”

“I see, ah we’re here”

“Yeah we’re here”

The two entered to their classroom and their classmates greeting them while they just greeting back before sitting to their desk which is just beside each other.

“By the way Bro Jinyu?”

“Yes?”

“Let’s just do our own homeworks on Saturday and have a working homeworks together on Sunday just by helping them. You will teach Ellyn while me teaching Bro Jinxi and Bro Yuhan.”

“Are you alright with that?”

“Or do you want me to teach Ellyn and what’s the purpose of studying together?”

“Thanks but are you sure you can handle Jinxi and Yuhan?”

“No worries I can handle both Jinxi and Yuhan because the two of them is just a combination of my brother Ren”

“By the way why Sunday when you have free on Saturday?”

“Auntie Rei working halfday on Saturday and I want her to rest. Sunday morning we will attend the mass because that’s our family practice and tradition then after the mass we will have a video call to our family members, so that’s why we will have it in the afternoon”

“I see, then leave the Snacks to us, me and my brother”

“Oh, that’s a good idea and no spicy food alright”

“Noted”

Both of them heard the bells sound and stop chatting. The class start and around 4pm the class end, as what Yu said he drop the two first then leave after dropping them off to his on family home. The kids arrives first but at the same Rei arrives and just greeting back the kids before opening the door.

When they seated the couch Ken inform right away about the homeworks and study group along with Jinyu, Jinxi and Yuhan.

On the next day they did the same routine and Rei left a message again to her niece along with Yuhan and Jinxi visitor pass. The visitor pass is consist of the Unit Owner, Unit Number and Name of Visitor and Purpose of visit such as like this:

Unit Owner : Din Lou Rei

Unit Number : Unit 3203

Name of Visitor : Li Jinyu

Purpose of Visit : Study

— With a Seal of the Building Premises and initial of the Unit Owner —

Chapter 264 - Promise

On the next day, Ken found the notes again including the visitor pass for Jinxi and Yuhan. Ken just did the same thing of what he did yesterday. He keeps the note to his wardrobe while putting inside his bag the passes and taking a bath before waiting Ellyn outside so that they can eat together.

After eating, they are now seating in the couch and waiting for Jinyu. 38 minutes before 9am, they heard the door bells and then the voice of monitor screen said to them.

“Mr Li Jinyu is here”

“Neh Bro Ken?”

“Yes?”

“When we arrive here in the afternoon let me enter first while you’re going to press the door bell, okay?”

‘This girl’ “so that curiosity can kill a cat, so then I need to press the door bell and your query can be answered if the monitor screen know me, am I right?”

“Uh-uh, alright let’s go now”

“Okay but you need talk to Bro Jinyu because if I will be the one talking, you will be sulking if I or him talking with each other and then you suddenly glaring at me, it’s not my fault you know”

“Geez I know but just don’t forgot that I’m also here when both of you are talking with each other”

“Yup, yup now let’s go now because your prince charming is waiting outside”

“Geez Bro Ken don’t tease me”

“.....”

Then the two go out together and then both of them looking to Jinyu wearing his uniform very neatly.

“Woah, what a handsome young boy? His really my prince charming” commented by Ken

“Bro Ken / Ken?” warned by Ellyn and Jinyu

“Hai, hai, I’m going first but still I’m waiting inside the car. Ah, don’t worry about me they are 4 elevators available, so now bye” then running off and then ride the elevator alone leaving the two kids become speechless of his actions.

“...”

— Ken POV —

“Now I’m not a third wheel anymore as what Bro Jinyu said many times but wait what do you mean by a third wheel? Ah, I just need to ask about that one to Auntie Rei that.”

Ding

“Woah the elevator sure is fast and its just 3 minutes from 32nd Floor to Ground Floor or rather the two are just slow?” then Ken looking and spotted the chauffeur waiting outside the car, running to him while gives a greeting.

“Good Morning Sir”

“Good Morning Young Master Ken, you can call me Butler Yan and not Sir”

“Ahh, okay but don’t call me a Young Master Butler Yan because I’m not a young master, just Ken” ‘wait a minute Dad is a heir of Jang Corp and then Mom is also a rich lady together all my family members so I, my brother and my cousins are also considered as a young master or young lady? Nah, I rather choice to be Ken and just the normal Ken just what my family choice.’

“Eh, is that alright?”

“Hai, hai Butler Yan and your Young Master is Bro Jinyu and not me”

“Yes Ken as you wish”

“Good, good now speaking about your Young Master, why did he take it so long?”

“Maybe talking to Young Miss Ellyn”

“Shhh...(looking around) if Ellyn is here don't call her like that but if you are with your Young Master Jinyu then you can call her like that, well she will be your future Young Miss so I think she need to be use that one”

“That's right Ken but where are they?”

“Who knows, maybe your Young Master kidnap his Young Miss already.”

“And why would I kidnap Ellyn?”

“Ohh his here, you are so slow Bro Jinyu”

“You're the one who left us and ride the elevator alone then we need wait for it because of you”

“Eh, did I tell you before I run off that there are 4 elevators available?”

“...”

“I see so you didn’t notice it” then whisper to here “you’ve been here before us, so why you didn’t notice it Bro Jinyu?”

“Shut up, idiot”

“I see” then whispering again “it’s because you are with Ellyn that you totally forgot about it”

“...” Jinyu blushing hard

“Neh Bro Ken is it really 4 and not one?”

“Yes Ellyn it’s 4 and not one. We’ve been here last May so it’s almost two months for us that we are here and don’t tell me you forgot because...” got cut off by Ellyn.

“Bro Ken”

“Aiyah, aiyah”

“Ken if you are going to tease us again then you are not going to ride with us”

“Really Bro Jinyu?” then looking to him as if saying “then I won’t ride it but I tell Auntie Rei that you bullied me”

Jinyu got the meaning of his looks and surrendering to him “Ken, you win this time and now sit in the front seat”

“Hai, hai” then sit at the front seat

‘How unusual Young Master Jinyu gives in? Or rather Ken is really the one who’s more dominating compared to Young Master?’ wondering while opening the door for his young master and young miss.

— Flashback after Ken runs off —

“Sometimes I wonder if Ken is really a young boy or a m.a.t.u.r.e one in disguise”

“The same with us Yu”

“Us?”

“I, Lynel, Bro Ren, Kaede, Jiru and Shi”

“I see”

Then both of them said at the same time when they realized something “the elevator, geez Bro Ken/Ken” so that’s the reason the two is late because they wait the elevator and both of them pressing the down button for that elevator that Ken just ride.

“Neh Ellyn?”

“Mmm?”

“Can I carry your Bag everyday and then?”

“T—-that okay” then give her bag to Yu

“Thanks”

“Neh Yu?”

“Yes?”

“I can date you at the age of 16, I mean when I will be 16, so wait me for 11 years okay?”

Jinyu blush when he heard that one and then replied “okay”

“Promise?”

“Promise” and the two kids make a pinky promise deal.

Then the two ride together the elevator while chatting and talking for the whole ride of elevator.

“Neh Yu?”

“Yes?”

“How did you know Auntie Rei?”

“I will tell you how did I meet Aunt Rei but only when it’s the only the two of us because Ken and my brother will only tease us more”

“Oh, right but Bro Ken is more a teaser compared to Bro Jinxi”

“Yeah he really is”

“But you become best friend yesterday”

“Well I already treat him as my best friend after I meet Ken that day. Ken is a good and nice boy except for being a teaser”

“Ha, ha yeah you are right and that’s the reason why Kaede like him”

“Eh Kaede you mean that girl?”

“Uh-uh but don’t tell it to anyone only me and Lynel knows about that secret of Kaede and now you know”

“I see so Ken have a secret admirer but well Ken is very oblivious with that matter”

“Yeah and yesterday he become more popular, geez it must be hard for Kaede”

“Yeah really hard for her Ellyn, since the boy she like is very naive yet a smart boy.”

Ding

“Ah, were here”

Then the two walk and heard Ken talking about kidnapping.

— End of Flashback —

After the rides, they arrives in the School Premises then they drop Ellyn first and again at the same time Jinxi arrive but he didn’t tease his brother.

“You have a good mood Bro Jinyu”

‘This kid is really a sharp one and yet he didn’t that Kaede like him’ wondered and then ask him “How?”

“Nah I don’t know what happens when I run off that time but I guess they have some changes but well you have made a progress Bro Jinyu”

“....”

“Ah, that’s right we have a group activities today, so I hope will be in the same group Bro Jinyu”

“Uh-uh” ‘I rather to be the same group with you because you will be able to grasp it right away and not with them (other classmates) even though you are such teaser but you know when to separate it’

“Ken, Ken” there classmates are calling him and mostly girls.

“Yes?”

“I hope to be in the same group with you”

“Same here”

“Ha, ha it’s Teacher decision how to group us”

“You’re right”

‘Kaede will be sure have a hard time for it. Wait Kaede and Rui have the same age and turning 4 this year. Speaking of Rui (sighing in relief) at least Rui will start studying at the age of 5’

“Bro Jinyu?”

“....” didn’t heard him because his busy thinking of a group of teasing kids namely Ken, Jinxi and Rui.

Ken calling him many times but there's no response from him so then he whisper it to him "Bro Jinyu stop thinking about Ellyn"

"W—"

"Shh, the teacher is here"

'What a perfect time for the teacher to come in'

At the end of the class, the two go downstairs to the ground floor and then picking up their friends. Yeah, they've become friends without knowing when especially to Yuhan since he just got dragged by both Jinxi and Ellyn. The 5 kids consist with 4 boys and 1 girl are inside in the School Premises near the gate and waiting their car. Yeah, each of them have someone to pick them up but since Yu offered for the two cousins that offer, then Rei got saved by it especially Tae feel relief after knowing it from Rei and his worries slightly decrease. Yes slightly since his wife still driving on the way to the CA Entertainment and to their house.

While waiting for the car, the 5 of them are chatting while the other students looking to their direction since they are already tall with their young age and especially all of them have a real beauty. Ken from his Mom, Ellyn from El, Yuhan from his Mom and the two brothers got their beauty from their Mom which is widely known to whole nation as Goddess Li.

"Ah, right" Ken interrupt them even though his sulking since the end of class.

"Yes?" all of them ask at the same time

"I already have the Visitor Pass with me (then open his bag, get the passes and said to them), so Bro Jinxi and Bro Yuhan, this coming Sunday Afternoon will be having a Study Group together at exactly 1pm, GROUP, I say, so you need to be there"

"What the? Since when did I agree?" retort by Yuhan

Whisper to him “I know that you are the only one heir of Song Jewelry Group, if you won’t come then you want me to disclose it, right?”

“What the? How did you know?”

Whispering him back “My Mom and your Mom is best friend with each other so I know you, woah, you are quite heartless Bro Yuhan”

“Eh you are Ken, as in the Eldest Twin Brother of Ren?” said in Tanes Language

Replied in Tanes “At least you remember me” and then the two kids talking in Tanes leaving the other 3 looking with them and all have a confuse expressions.

“Geez, I though I would never meet you again Ken but why are you here?” then looking to the Visitor Pass he just gives and he realized something “is this your Aunt that both you and Ren blabbering every time I and Mom visit your Mom?”

“Hai, hai and I saw the news”

“Yeah, I though I would be alone forever and then this Ms Din here start talking to me yesterday (again he realized something) w—wait, Ms Din is your cousin?”

“BINGO, ha, ha you are still sharp as what I know you Bro Yuhan and yet she’s my cousin. She’s talking with you since she got ask by Mom to become a friend with you”

“I see. Your Mom, I mean Aunt Mei is really good and nice, same with you Ken and you got that traits from your Mom”

“Really?”

“Hai, hai but Ken 3 years since I have not seen you and you become more taller compared to me”

“Ha, ha, ha”

“Bro Ken, what are you speaking about and what language is that?”

“Alien Language Ellyn”

“...”

“Ah, Butler Yan is already here and also your Butler is here Brother Jinxi. Please don’t forget about Study Group, I say GROUP this coming Sunday Bro Jinxi and Bro Yuhan”

“Okay” agreed by Yuhan

“Eh, your coming?” ask by Jinxi but got ignored by Yuhan and he walk to where’s his chauffeur waiting.

Ken saw how Yuhan ignored and just chatting with him”Ha, ha, ha don’t mind him Bro Jinxi and you agreed right?”

“Do I have a choice?”

“Good, good”

“But we still have class tomorrow so why not telling it tomorrow rather than now?”

“It’s better to be early and let’s go now”

“Now that I see it, you and Ren are really twins”

“You just realized it now Bro Jinxi?”

“Silly, what I mean is you and Ren have the same personalities and characteristics”

Ken going to reply but stop by Jinyu “Ken, are you coming or not?”

“Of course I’m coming, bye bye Bro Jinxi” then walk fast, approaching him then tease Jinyu “neh, Bro Jinyu are you an old man perhaps?”

“What?”

“Ha, ha, ha” running then sitting at the front seat while asking him the same thing “Bro Jinyu, are you coming or not?”

“.....”

“Bro Ken”

“Oops it’s yours so of course you are”

Jinyu open the car door at the back and sit then talking to Ken “at least you got back to the Ken that I know. You are sulking at the end of the class and you emphasize the word Group twice”

“.....”

“Eh, what happened Yu?”

“Well Ken sulking when he knows that I and him, working individually for the activities we had at the class.”

“Geez” Ken remembering it and start sulking again

“You don’t need to be worry because both you and I got full marks so you will be happy instead og sulking”

Ellyn can grasps what they’re talking about and out of nowhere she whisper to him “so Bro Ken is sulking around the end of the class because he work alone rather than in a Group”

“...” speechless and blush because of the sudden closeness.

“We are here Young Master Jinyu”

“Bro Jinyu please accompany Ellyn to the elavator and I’m going first” then running away to the elavator and riding it alone.

“What happened to him?” ask by the confuse Jinyu

“For sure Bro Ken is going to complain it to Auntie Rei”

“His quite attach to Aunt Rei”

“Yes he is and same with us since we’re attach to Auntie Rei, but his more closer to Auntie Rei than us”

“I see then let’s go now, I’m going to accompany you”

“Thanks Yu”

“Butler Yan wait me here”

“Yes Young Master Jinyu” then the two follow where Ken runs off and this time both of them didn’t forget the 4 elevators unlike what happened this morning. The two are chatting while riding the

elevator, Yu is carrying Ellyn bag and then the two meet Rei and Ken who's holding his Auntie hand and already done sulking since he was smiling while talking to Rei.

"Good Afternoon Aunt Rei"

"Ah you're here Jinyu"

"Yes I'm just accompanying Ellyn going up here"

"I see and thanks for that, want to get in?"

"My butler is waiting me at the Car Park Aunt Rei so I need to decline today, also I need to be home before 5pm"

"Then have a safe ride"

"Yes bye bye Aunt Rei and Ellyn here"

"Oh right thanks Yu"

"Uh-uh" then left right away because he was so embarrassed because Aunt Rei see him carrying Ellyn bag and accompanying her upto here.

Ken notice it and teased him again "Bro Jinyu are you that shy?"

"Shut up Ken" then the elevator open and he got inside right away while heard Ken laughs until the elevator close "I'm so embarrassed, I'm so embarassed" Jinyu said it many times and his face are still red from blushing and because of being embarassed of getting caught red handed.

---Flashback---

After he said that, he run and ride the elevator then upon reaching the 32nd floor, he got out right away and his right, his Auntie Rei already standing outside the house and almost pressing her thumb prints but then got stopped by him.

“Auntie Rei” said with a sad tone as if he got bullied by someone

“What happened Ken?”

“Today we’re having a group activities but then it becomes individual to me and to Bro Jinyu. All of my classmate have group or rather at least group of 5-7 per groups but then I and Bro Jinyu working alone. How can it become a Group Activities when both I and Bro Jinyu have a solo activities, so it’s not a group activities but rather an individual activities for us. That teacher said that both I and Bro Jinyu can do it alone because we got full marks during our entrance examinations. I’m going to retort to the teacher that how can it become a group activities if both I and Bro Jinyu working alone but I didn’t because it’s bad and Teacher is a.d.u.l.t. Ken is a good boy so I just keep quiet then doing the activities without complaining to the teacher. Even though both I and Bro Jinyu got full marks but still the Teacher said that it’s a Group Activites but I’m working alone”

“Well that Teacher of yours are just testing you Ken since you got full marks for the entrance exam and later some teachers also going to test you like that, then some of them either teacher or student will got envy and jealous because of that but I will always reminding you that just stay who you are and do your best of what you can do, just ignore them”

“I see but Auntie Rei are they really like that? I mean if they don’t want to be get jealous and envy then why not trying their best instead hurting each other?”

“If it would be like that then our world is really a peaceful world Ken but human nature is cruel, remember your Uncle El told all of you during that day that all of you must not be controlled by Power, Authority and Money because you can still be who you are but if you got controlled by it....” Rei stop on purpose so that Ken will finish it.

“If we got controlled by it then our family and our important person will be faded slowly by slowly until no one’s left and we can’t restored it again unless we have another life”

“Good, now are you alright?”

Ken hold his Auntie hand and said “uh-uh and Auntie Rei, I revealed myself to Bro Yuhan”

“I see, so then, did he remember you”

“He only remember me when I said that mom and his mom is best friend with each other”

“Don’t tell me you are talking Tanes with him?”

“Hai, hai and Ellyn ask what language is it and I just said Alien Language, ha, ha”

‘This kid is really Mei son after all, no doubt’

“Neh Auntie Rei?”

“Yes?”

“What is it Ken?”

“What do you mean by a third wheel?”

“A third wheel is someone who is unnecessary to a group and is tagging along. In this case, the group usually consists of a couple and the third is a superfluous person.”

“I see”

“Who said you that one?”

“Bro Jinyu said that one to me Auntie Rei. Woah, Bro Jinyu is two years older than me but he already knows that one. Well, he already like Ellyn and same with Ellyn, wait, don’t tell me that I’m the abnormal one Auntie Rei?”

“As what I told you Ken, you are you and they are different from you. It’s not because you’re young or old rather like someone and understanding that one is not yet your time”

“I see, so when it’s my time Auntie Rei?”

“You won’t know when because it’s will comes to you at the right time” Rei explain then notice the two just getting out from the elevator “oh, they are here”

“Oh. so slow”

— End of Flashback —

## Chapter 265 - Group Study

After teasing Jinyu, the three of them entered the house and now seating at the couch while waiting for Sis Tia Wen to arrive and bringing their foods. When Tia Wen arrives, the Kids and Rei start eating while chatting to her, yes the kids can now converse their Aunt Wen without worries not the same when they first meet her. After eating Tia Wen leave right away and before sleeping they need to digest the food first before going to their rooms. As the same routine Tae arrives and sleeping with his wife for one hour then leave around midnight and back again half hour before 3am then going back to his team house.

Meanwhile Rei is also doing the same routine by waking up at exactly 7am then preparing herself then leave a message to Ken before going. The kids also doing the same routine by waking up around 8 then preparing themselves by taking a bath, changing clothes since the uniform is not yet available at this moment and eat the breakfast after preparing for the day then wait for Jinyu. Jinyu time is not consistent since this time he arrives 20 minutes before 9am and they just go right away without Ken teasing because if he will and if he did then for sure they will be late. They arrive in the School Premises 5 minutes before 9am and as usual they drop Ellyn first, Jinxi already sitting at his desk including Yuhan who always arrives 15 minutes before 9am. The two bestfriends walk and climb the stairs fast but not running since it’s against the school rules and then at exact 9am they’re already sitting in their own desk.

From 9am to 12nn the class going on and then lunch break comes, that 5 of them eat their lunch at the cafeteria together and sit at the same table. To avoid being found out of his real identity, Ken didn't converse with Yuhan in Tanes since his now back to his ownself which is the same as Ken. Then after eating, the 5 of them separate and go to their own classroom and then the class continue and going on from 1pm to 4pm.

At exactly 4pm, the same group of 5 again are now standing inside the School Premises near the gate and then again they wait for their own chauffeur to arrive. For the Li Brother's they have their own Butler, as for Yuhan, his Mom is the one who picks him up because they don't trust anyone especially now that his Mom is now the CEO of Song Jewelry Group and hidden bodyguards who always follow them since no one knows their real identity except for Din's Family Members since all of them know about it including Tae and then later the two Li Brothers will know about it because their friendsh.i.p.s will become more stronger as time goes by. As for the Din's Family Secrets only those who become part of the Family Members will know about their identities.

"Guys don't forget about this coming Sunday 1pm" Ken reminding them again just like an alarm clock who will always remind after setting the snooze option.

"Geez Ken, how many times you repeated it?" Ask by Yuhan

"If I remember correctly, I only said it once during lunch and now, so only two times Bro Yuhan and you're quite forgetful. Don't tell me you're already an old man?"

"I'm Seven, just one year ahead from you Ken and I didn't meant it today"

"Neh Yuhan, is this the real you?" ask by Jinxi

"Uh-uh but I got changed because of what happened to my family. I think both of you know it already, right?"

Jinyu nodded and then Jinxi just realized it now "eh, y—you mean you're....." but his mouth covered by Ken.

“Keep that mouth of yours to sealed for a moment Bro Jinxi and we’re in School” then Jinxi nodded and Ken release him

“Hai, hai tsk, tsk you are quite strong as a kid you know”

“Don’t tell me you’re not a Kid Bro Jinxi?”

“...” speechless

“Uhm, excuse me Yu, Bro Ken, Bro Jinxi and Bro Yuhan but they are 4 girls looking for you” Ellyn said then pointing the girls who’s looking to them and then right away the girls approach and give something to them before running away.

All : (Boys except Jinyu) What the? What is this? (and they are all looking to Jinyu)

Yu : It’s... (he didn’t finish his explanation because he notice that someone approaching to Ellyn and before Ellyn have time to accept it he hold Ellyn right away and let Ellyn stand behind his back while glaring the boy who approach and then the poor boy just running away because a Beast surround the Beauty from his back)

All : (Witness his actions and can’t help but comment it in sync) woah, you’re so fast Bro Jinyu and just like a knight.

Yu : ‘These three of them are quite sharp but how come they didn’t know that it’s a love letter?’ (and then he heard all of them that he almost lost his balance)

Ken : Oh right what is this?

Yuhan : Yeah, how come they give us a colored envelope with some scent of it? Are we a girl?

Jinxi : Right, right how come the four of us received this envelope?

Both : (Yu and Ellyn got speechless because of these three young boys) ....

Yu : (just comment it without hesitation) either you will keep it or throw it away

All : Woah, are you a bad boy Bro Jinyu?

Yu : .....

Ellyn : (whispering to him) Yu, are you not telling them the truth?

Yp : (jvalnuzare vuz gfhc) rfv, iuo ovuq talhmsuz jvfo ao al frt I jaii easu oval iuouuz om wmp ifouz.

Both : ...

Yuhan : Ah guys and Ellyn, I'm going now my mom is here now (then leave while putting the envelope on his bag and same with Ken and Jinxi)

All : Bye

Jinxi : Bro Jinyu, Ken and Ellyn I'm going first

All : Okay

“Ah Butler Yan, you are here, come now Bro Jinyu and Ellyn” then run first followed by them.

“I see but just in case because you’re still a kid and easy to be defeated by a.d.u.l.ts”

“Hai, hai Old Man”

Ignore the Old Man part and continue chatting with Ken “just tell Aunt Rei that no need to be get trouble about the foods on Sunday since I will bring foods”

“I already told that one Bro Jinyu, now go now and bye bye”

“Bye and take care Ken and Ellyn. Both of you must go first and we will leave after seeing you riding the elevator safely”

Whisper to him “neh Bro Jinyu are you sure that you’re an Eight Year Old boy and not an Old Man?”

“Shut up Ken and same to.....” didn’t finished since he just realized that Ken already running away along with Ellyn since he grabbed her wrist.

“Young Master Jinyu, you are quite fond of him”

“You mean Ken?”

“Uh-uh”

“Well his the first one who notice that I like Ellyn that day”

“.....”

“Let’s go now”

“Yes Young Master Jinyu”

At night after entering their own rooms, around 10pm Ken awake then got raise up before carrying all his homeworks and going outside to do his homework in the living room. He sit on the carpet, lay his workbooks and books in the center table. Ken doing his homework one at a time then Rei just happen to pass by since she’s drinking water and notice her nephew.

“Oh doing your homeworks around this time?”

“Uh-uh”

“You can do your homeworks to your own room, you know”

“Eh?”

“You are suggessting this Group Study so that Jinyu and Ellyn will become closer, right?”

“Uh-uh”

“Next time if you have a group study again, just schedule it on Saturday afternoon so that all of you can relax the next day before going back to class. I know you didn’t schedule it on Saturday because of me but you didn’t to trouble about since I will just watching all of you. Also you can do your homework with them and it’s fun to do with them. Don’t cut your sleeping time, okay?”

“Yes Auntie Rei”

“Good, now do your homework and ask me if you didn’t understand anything.”

“Yes Auntie Rei”

“Just wake me up if you want me to check because I’m taking a nap” then Ken nodded and doing his homework meanwhile Rei sitting on the couch while laying her head.

Around 11pm, Tae arrive and notice that the light in the living is still on, so he go there and then notice that his wife is sleeping on the couch while Ken still doing his homework.

“Doing your homework at this time?” Tae asks softly.

Looking around who ask him and realized who is it “yes Uncle Tae and I’m going to wake Auntie for checking my homeworks”

“I see but let me check it and just don’t disturb your Auntie” said then sitting beside Ken and looking thorough to his answer “it’s all correct but you miss this item, here, and here”

“Oh, you are right Uncle Tae”

“The answer is bla, bla, bla and bla” Tae just tell the answer right away without explaining a very different to his wife, since Rei just explaining and didn’t tell the answer so that Ken can figure it out.

“He, he you are quite different from Auntie Rei but well both of you are smart Uncle Tae. I need to figure out how did you got that answer Uncle Tae” then Ken studying it and said “woah, you are really a genius Uncle Tae”

“Oh, really but I’m nothing compared to your Auntie” then looking to his wife sleeping figure

“Ha, ha of course we are different Uncle Tae but Auntie Rei didn’t see you like that”

“....”

“Oh right?”

“Mmm”

“Thanks Uncle Tae” then Ken kiss his Uncle right cheek and said “I’m done Uncle and I’m going to my room first, Good Night”

“Good Night” Ken go to his room while Tae carrying his pregnant wife. Rei struggle a little bit but then stop when she smells the aroma of her husband and just wrapped her arms to her husband neck. Tae just have an amuse expression seeing his wife like this. For the first time, he didn’t sleep for an hour with his wife instead he just staring at her while softly c.a.r.e.s.sing his face then leave after saying I Love You Mrs Jun Lou Rei.

Another Day pass and the day of Group Study comes. The family of three with having different last name but related to one another already done attending the mass and as of the moment they’re talking to their family in C Country. Of course the three of them talk in Ceno and tell the updates of their whole weeks activities and then Ken blurt it out how did Ellyn and Bro Jinyu become closer from the first day of class until last Friday that El can’t help but just reminding his daughter about his condition again and just have a firm reply from Ellyn that she will remember it forever. They also tell how they misses each other well mostly it’s from the kids since Rei already away from her family for 3 years and almost 2 months by now. After chatting for almost two hours they are now seating on the couch and waiting for their lunch. Yup, it’s Tia Wen again since she’s the delivery girl for her Sister in Law Lunch every Sunday then Dinner everyday since the day after Golden Week. After eating, Tia Wen leave and now the three of them are now waiting for three kids. But before the other Kids arrives arrives and Tia Wen already leave, they heard a doorbell and it’s from the Security Personnels. Rei accepts two parcels from the Security

Personnels or rather just let the personnel put in on the floor because she's pregnant, the parcels is for Ellyn and other one is for Ken. She reads uniforms with their School logo on it from the notes that stick with the said parcels.

"Ken and Ellyn you're Uniforms arrives earlier than what did you expect to arrive"

"Eh?"

"Here" pointing the two parcels.

A/N : S Elite Academy School Uniforms

---

Both Ken and Ellyn open the said parcels at the same time then they see their uniforms (for Primary School Uniform), Ken have a happy face because it's his favorite color that as long as it's blue whatever if its sky blue, light blue, dark blue or navy blue he will like it while Ellyn have a gloomy face because this is the colors she hate the most even though she already know this uniforms color but still all blue and red color, she hate this two colors the most which is also happened to be her twin sister favorite colors. Ken and Rei witness her gloomy face but then again as usual Ken is always the one who commented to her first or rather teasing her.

"No worries Ellyn because during Secondary your uniforms will be pink and most of all you have Brother Jinyu all the time so which is more important between the two hating your uniforms color or not being with Bro Jinyu?"

"....." Ellyn got speechless for his comments or his teasing while blushing.

Rei witness her reactions but well she's not a teaser like Mei or rather she will only become a teaser if it's her husband talking about. Instead of teasing her niece, she just ask them.

"So how many sets you received?"

Answer at the same time "5 sets Auntie Rei including the socks, 1 indoor shoes, 1 sport shoes and 1 school shoes."

Rei looking to their uniforms and can't help but commented "woah, Ellyn you have 3 white and 2 black Knee Length Socks"

"Yeah Auntie Rei, at least it's not Blue and Red"

“Neh, Ellyn?”

“Yes Bro Ken?”

“Why do you hate Blue and Red that much? I mean Lynel loves that color so are you sure you are both identical twins when you have different likes?”

“Well I don’t know about that one Bro Ken since you also like Mint Green same with Bro Ren because he also like Blue and as for us I don’t know why”

“Because Ellyn, your Dad both likes the color Blue and Red meanwhile your Mom likes Yellow and Pink, so it might because of them. Now, keep your uniforms inside your rooms because it’s almost 1pm and they will be here around 1pm”

“Yes Auntie Rei”

The two kids just carry the parcels since it’s not that heavy and both keep the parcels inside their rooms and then at exactly 1pm they heard the Monitor Screen Voice after the doorbell, at the same time both Ellyn and Ken just making a step to the living area heard the System Voice along with Rei.

“Mr Li Jinyu, Mr Li Jinxi and Mr Min Yuhan are here together with their Personal Bodyguards”

“Bodyguards?” asked by Ellyn since she wasn’t aware of Yu and Jinxi backgrounds but know about Yuhan

“...” the system didn’t answered since it’s only program to inform the guests name if someone of them will press the button for the said doorbell.

“Ellyn, if I tell you that both Li brothers are an influentials one, are you going to give up for Bro Jinyu?”

“Why would I? I’m just surprised that they have bodyguards but how about their Visitors Pass?”

Ken just realized something “ah, that’s right”

“If you were wondering about that then I already put a note from each of their visitor pass just like this :  
Only allow one bodyguard per visitor pass”

“...” ‘Ah, I forgot Auntie Rei is R, so she already know about it’ The two just wondering but unknown to them Rei will not be able to know and aware of their identities if she didn’t happened to help them during that time.

“Alright let’s welcome them” Rei said then the three of them stand and she open the door for them.

“Come in Jinyu, Jinxi and Yuhan” said by Rei

“Yes Aunt Rei” both brother answered in unison

‘Woah Ken and Ren Auntie is really beautiful just what Auntie Mei looks’ Yuhan commented to his mind only.

All : (Jinyu, Jinxi and Yuhan are now instructing to their bodyguards) you stay here outside

All : (Bodyguards) yes Young Master

Ken : Geez, such a strict Young Masters (commented and then running to the guest room before getting 3 monoblock chairs and going back to them while carrying the chairs) here Mr Bodyguard 1, Mr Bodyguard 2 and Mr Bodyguard 3 please take a seat. Bro Jinyu, Bro Jinxi and Bro Yuhan come in.

All : (Except Rei and Ellyn) got speechless

Ken : (See the three kids and commented) woah, what kind of reactions is this Young Masters?

All : (Young Masters) shut up (then get inside the house)

Jinyu : Aunt Rei here's the snacks (just put on top of the center table since Rei is pregnant)

Rei : Thanks Jinyu

Ken : (Notice something from them) aiyah, aiyah at least our all Young Masters here knows how to carry there own stuffs (the three of them carrying their bags but not a school bags since they only bring workbooks and book for their homeworks)

All : .....

Ken : Oh, right Bro Jinyu, did you also count the bodyguards and the chauffeur for the snacks?

Yu : Yes and why would I not include them?

Ken : I see but where?

Yu : I already give to them when we park the car and .... (cut himself off because Ken automatically runs outside and all of them heard his voice)

Ken : Woah, Mr. Bodyguard 1, Mr. Bodyguard 2 and Mr. Bodyguard 3 you are really luckly and got love by our Young Master Jinyu here, especially to you Mr. Bodyguard 3 since you're Young Master Bro Yuhan Bodyguard but well..... (got cut off because someone dragging him)

Yu : (follow after him then drag while saying it to him) alright, alright come here now Ken and stop acting like a kid (hold his arm and drag him softly)

Ken : I'm a Kid Bro Jinyu, remember I'm still a 6 years old boy.

Yu : Yeah, yeah but are we here for playing or studying?

Ken : Studying of course

Jinxi : Bro Jinyu you are quite unfair

Yu : And why?

Jinxi : Because you treat me and Ken differently

Yu : Jinxi you are my brother and Ken is my bestfriend.

Ken : In other words both of us witness his true colors.

Yu : Where did you get that kind of conclusion Ken?

Yuhan : Nah don't mind him Bro Jinyu because Ken is always like that

Ken : And what do you mean by that Bro Yuhan?

Jinxi : Are you sure you don't know what is it Ken?

Ken : Yup, yup but now I just realized it now (all of them standing together and chatting like they've been childhood friends. Well Ken and Yuhan is bestfriend with each other since birth while the two are brothers)

All : Realized about what?

Ken : Both I and Bro Jinyu have the same height next Bro Jinxi and last Bro Yuhan. So Bro Jinxi and Bro Yuhan are you sure that both of you are 7 years old and older than me?

Both : Idiot you are just too tall compared to us and why not ask that one to Bro Jinyu when's his two years older compared to you?

Ken : Ah, that's right.

The 4 boys continue chatting and talking or more specifically the three boys are teasing the older one that they almost forgot the main reason why they are gathering but then 20 minutes after bickering all of them stop when they heard a continuous shutter sounds.

All : Ellyn?

Ellyn : Ha, ha, ha I just want to take a picture of you guys and it's rare for the popular boys to be in the same frame outside from the school premises or rather outside from the campus.

All : (Except Jinyu) popular boys, you mean us? (ask while pointing each other)

Ellyn : Hai, hai well all of you received another bunch of envelopes after that day.

Ken : Now that you are talking about envelopes (then Ken go to where he put his bags and get the envelopes) Auntie Rei, what is this?

Yuhan : (did the something what Ken did, he put his bag and then get the envelopes) yeah, that's right, what are these Aunt?

Jinxi : Speaking about that one (also did the something put his bag first and retrieve the envelopes) why are they giving us like this Aunt Rei?

Yu : What the? Don't tell me that the three of you are bringing and carrying it everyday?

All : BINGO

Yu : And why?

Ken : Geez Bro Jinyu you need to be cautious enough, what if it's a threat letter?

Yuhan : That's right, that's right and what if someone already know and aware about our backgrounds?  
(Backgrounds of him, Li's Brother and Ken)

Jinxi : Yup we need to be cautious enough because we don't know when they will kidnap us and we must gather evidences.

Yu : And where did all of you get that idea?

All : CONAN (the three kids are certified Detective Conan Addict)

Yu : Ha, ha, ha, ha (laughing hard because of the way they think) a—are you seriously believing that our Juniors and Seniors can do that one or rather have the ability to do that?

All : (nodded their head together and said at the same time) if not, then why did they give it to us?

Yu : (speechless for a moment) okay, so now do you want me to answer that one?

All : Nah we already ask you many times but you ignore us all the time (then looking to Rei and ask)  
Aunt/Auntie, what are these?

Rei : Seeing that types of envelopes then it's a Love Letter for all of you.

All : Love Letter?

Rei : Yes

All : Woah, woah they are still kids but they already know about it. Are we sure that were the same age with them? Nah, they are all Seniors and Juniors, so it's not. By the way Auntie Rei, what are we going to do with this? (said and ask in unison)

Rei : Either all of you are going to reply them or just ignore it.

All : I see, then how about the envelopes?

Rei : Either all of you are going keep it or throw it away.

All : I see, so I'm a good boy so I will reply them and keep it. Aunt/Auntie do you have blank papers?

Rei : Yeah I have (then Rei open one of the desk drawers and retrieve it) here

All : Thanks Aunt/Auntie (at the same time they sit on the floor and start writing the same thing)

Yu : Hey what about our Group Study?

All : You study first Bro Jinyu with Ellyn

Yu : And what are you writing about?

All : I'm going to reply them that I don't know that things yet and I'm still young.

Yu : So you are going to reply them one by one?

All : Uh-uh

Yu : You can reply at least 10 of them once a day since all of you receives a bunch of envelopes especially you Ken

All : Woah, you are really a genius boy Bro Jinyu

Yu : .....

Ken : How about you Bro Jinyu? You also receives almost the same with me.

Yu : I just ignore it and someone already keep it for me.

All : Woah, you are a bad boy Bro Jinyu and for sure Ellyn is the one who keep it.

Yu : 'this three' no matter what it is we have a different ways to deal with it and to tell you frankly by ignoring it, it doesn't mean that you are bad boy because it just mean you have other priorities. Then if you are replying to them that you are still young then how about you become an a.d.u.l.t one? Are you going to date all of them? Because by replying that one it's means you are just giving them hope and that would be create a trouble for all of you.

All : I see (then automatically they give it to Ellyn)

Yu : Why are you giving your envelopes to Ellyn?

All : Eh, because you give your envelopes to Ellyn, so why?

Yu : No you can't and give that envelopes of yours to someone special in your heart.

Ellyn : (blush after hearing it and hiding behind Rei's back to avoid being teased by this 3 teaser boys)

All : (3 teaser boys) someone special in your heart? So Ellyn is that someone who is special to your heart, woah what a wonderful admission from you.

Yu : (speechless and blush)

Ken : Aiyah, aiyah you are admitting it from your own mouth Bro Jinyu and it's like you're Shinichi inside Conan.

Jinxi : And the three of us become a real witness of it (forgot about Rei and Ellyn existence)

Yuhan : Now that I heard it from you that one Bro Jinyu, I just realized and got to know why did you suddenly glared at me during our first day of class and then hiding Ellyn at your back when that classmate of us giving her a letter.

Yu : The three of you, if you want to tease me that much then go ahead but....(pause on purpose)

All : But?

Yu : All of you cannot eat the snacks that I bring.

Ken : Woah, for all the choices you have, why the snacks? Geez, I will stop teasing you Bro Jinyu.

Jinxi : Are you really my brother?

Yuhan : Alright for the sake of our snacks, let's study now and forget about teasing Bro Jinyu

Both : Hai, hai

The three of them are keeping the envelopes and put inside their bags before retrieving their workbooks

Yu : Here's your books Xi

Xi : Thanks Bro Jinyu

Yu : Where's your books and workbooks, Ellyn?

Ellyn : (get her bag but Yu got it first)

Yu : Inside?

Ellyn : Uh-uh

All : (going to tease him but then remembering the threat about the snacks so they hold back for now)

Jinxi : How about you Ken?

Ken : I'm done with my homeworks so I only need monitor the two of you

Yuhan : Eh, really? (Ken nodded) thanks

Jinxi : Alright let's start now and ignore the two

Ken : Yup, yup just ignore the two

Yuhan : (whispering to them) the two of them totally forgot about us but for now ignore it. (Rei just sitting in the couch and looking the kids)

Ken : So both of you what do you want to do first?

Both : MATH

Ken : I see

The Group Study are divided by two groups for Ken Group and Jinyu Group, well the two of them are both 5th Grader and have full marks for Entrance Examination Results, so they won't surprise they've become a teacher to them (4th Grader). After an hour they eat their snacks and then continue with their Group Study, Rei just watching at the sideline and amuse by the kids antics then observe Ellyn and Jinyu and she just smile because she know for sure that Ellyn already telling Jinyu about the condition she had from EI and Jinyu just waiting for the right time for them. After another hour, Ken Group already done with their homeworks and start chatting about Conan, yes Conan because the three of them are all Conan Addict and since they were talking about Conan, their voice start to disturb the two who's still studying and cause of them to said in sync.

"Shut up guys"

Yuhan : did we disturb both of you somehow?

Yu : Yeah very well Yuhan because Ellyn almost got it right but the three of you are so noisy that she got disturb.

Jinxi : What subject you are now?

Yu : History

Ken : Well Ellyn birthplace is T Country and she grow up for 2 years in there then living in C Country for 3 years, so it must be hard for her now that she's here in S Country.

Yu : How about you? You are also living in C Country for 3 years"

Jinxi : You mean Ken, Bro Jinyu?

Yu : Who else if it's not Ken?

Jinxi : Nah believe it or not Bro Jinyu but compared between me and Yuhan, his more like a Senian compared to us.

Yuhan : Yup in other words Ken is a boy in disguise just like Conan

Ken : Hey, the two of you I'm a boy and a real 6 years old boy.

Yu : (looking to the workbooks of Ellyn and then ask those one that she got stuck) so who's the current President of S Country?

Ken : (answer without hesitation) President Jo Kingsley

Yu : Who did he preceded by?

Ken : Former President Lim Lawrence and now the current Vice President of S Country

Yu : ...

Both : (Yuhan and Jinxi) told you Bro Jinyu

Yu : Alright we are now done and by the way what time is it?

All : (Except Rei) there (pointing the wall clock who is just place in a straight direction of Jinyu)

Yu : I see so it's quarter to 4

Ken : Woah, woah Bro Jinyu, you didn't see the wall clock until now?

Jinxi : Well having your special someone in your heart sitting beside you then you will forgot about everything Ken.

Yuhan : Yup, yup just like what Conan do if his always with Ran

Yu : The three of you shut up (they just laugh)

Ken : Ah, that's right Bro Jinyu?

Yu : What is it Ken?

Ken : Geez relax Bro Jinyu I'm not going overbroad to tease hence I'm just going to remind you that we have an exam for both Math and History, tomorrow

Yu : We have?

Ken : .....

Jinxi : Ha, ha just I told you Ken.

Yuhan : Neh Bro Jinyu and Ken?

Both : Yes?

Yuhan : Who's more clever between the two of you?

Both : (Pointing each other)

Yuhan : ....

— Flashback —

Ten minutes before 1pm, they are two expensive car arrives and stop in drop off entry in CA Residences, then two kids got down from each car and followed by two man following the kids both wearing a black suit then the security personnel approach the kids.

S1 : Eh?

Xi : Here he is Bro Jinyu (then another expensive car arrives and he just dropped but enough of them to head their conversation)

"What time I will pick you up little one?"

"Around 4pm Mom"

"I see, then I'm going now and you're friends are already waiting for you little one"

"Yeah Mom and take care"

"Always" then running off to where the brothers standing and waiting him "am I late?"

"No you're not late Yuhan and by the way give me your Visitor Pass"

“Ah, here Jinxi”

“Bro Jinyu here” give to his brother

Yu : Here Sir

S1 : Yes Young Master Jinyu and Mr Min Yuhan, where’s your bodyguard? (notice the same note but didn’t see his bodyguard)

Yuhan : There (pointing his bodyguard who’s also wearing a black suit.

All : ‘Where did he came from?’

Yu : Alright let’s go up now, ah that’s right, here’s your Snacks Sir (giving first to their bodyguards and then to the Security Personnels.)

Well if the paparazzi happened to be there at the parking area they will still not know their true identity because no one knows their real identity except Rei and Tae but then since the kids are still new for being friends they still not know the whole truth even about Ken and Ellyn but in the future they will know because the four will become best buddies to each other especially Ken and Jinyu while Ellyn will become the future partner of Jinyu.

If paparazi are smart enough then they will know that Li Jinyu and Li Jinxi are both sons of Goddess Li and the grandson of JL Hospital meanwhile Min Yuhan is the only heir of Song Jewelry Group and let’s just forget about his father while pretending his already dead because his not worthy to be remember.

Chapter 266 - Rei's 27th Birthday

After another teasing from the 3 teaser boys, the Li brothers and Yuhan leave since they inform their chauffeur – Mom for Yuhan to pick them at 4pm. After saying goodbye, the three ride the elevators along their own Personal Bodyguards meanwhile Ken just returning back the monoblock chairs to the guest rooms and again they did the same routine.

After the 10 paparazzi got caught red handed from Rei with Mr Hwang quick responses they got in prison because of using fake identities and falsification of documents because the fake Visitor Pass are very different from the Actual Visitor Pass and trespassing for entering the premises. As for the Visitor Pass only the said Unit owner who can know the real format of it and it's exclusively use from the Business Department Only, Rei included because she's a former Head Secretary while for Manager Han his rights got void after joining the team since his only got promoted for a good performance. CA Entertainment give that kind of punishment for the paparazzi in order to give warn for their rival company who's planning to set up an Entertainment News. Among the 10 paparazzi, only 3 of them are from that rival company but they didn't confess to the authorities and just sealed their mouth close because of their signed agreement that they're family will receive a Big Amount if in case they got caught, but what they didn't expect the most is that they got caught red handed on the very first day of their mission since they know that M'Dol Teams are just got back from their local concert tour. Rei as R not yet aware of this moment because she's pregnant and her husband doesn't want her to be got expose from the radiation but either she will know it or not, it doesn't affect to her as long as they didn't touch her family members.

From the whole month of July and August, the team just have a live performance and radio guesting so they just go in and out from the house to the studio, studio to the event place or broadcasting station and then going back to the Team House. It didn't effect to them when they know that they are 10 paparazzi got caught because since then the Security from the residences to the company are more tight compared before including for the Business Departments.

As usual, Tae always visit his wife every 11pm to midnight then visit again around 2am for preparing breakfast for them. All of them are busy enough but they still have breaks because Rei priority their health first and that's what the fans want most for them. Because Fans wish for them is to be healthy more because as a fan they are only to support them. As for the kids, the 5 of them become closer and they treat each other well, they have a Study Group every Saturday Afternoon at Rei's house and as usual Jinyu is the one sponsoring for their Snacks while their Personal Bodyguards are always waiting outside the door, sitting while waiting for their Young Masters. Of course the Three Teaser Boys never tease Jinyu if the Snacks still not eaten by them but when they got already eaten it then they start teasing him.

Day by days, hour by hours, minutes by minutes and second by seconds all of them are doing the same routine and now Friday afternoon, the teams are inside in the studio and discussing for their September Concert Tour in N Country.

Yun : So Manager Han when are we going to N Country?

Han : Tomorrow around 3am

San : And when we got back?

Han : October 05

Wang : Guys why all of you have a gloomy face? It's already decided and you must be happy because you can meet your Fans in N Country through your concerts.

Tae : Nothing . 'What to do? What I'm going to do?'

San : That's a perfect plan

Hwang : (Just happened to be here because of the discussion of the plan) Manager Rei is out of town for a moment (making excuses for them to cancel their plans because he notice the Birthday Girl Husband reactions)

All : Eh?

Hwang : She will be here around 5pm, so why not having a game for being the representative of the team to give her a present?

'Well at least Rei can recognize her husband voice, and it would be serve as my another present for her since she works hard'

All : (members) Game

Hwang : How about you Managers?

Han : No, we let it pass Mr Hwang because it's quite inappropriate for us to spend alone with a young lady when all of us are all married man.

All : Yes Mr Hwang

All of them leave while carrying their presents each of them for Rei, yeah Tae also have but he also have another birthday present for his lovely and beautiful wife but he needs to change the time since it's scheduled for 10:00 pm. The team are now on the way to their team house, while on the way to their way to team house, Tae secretly messaging someone when he notice the time which is 30 minutes before 4pm.

To : Tia Wen

"Sis 3, please accompany my wife for 2 hours and drop her off at exactly 6pm and then go home after that and just come back tomorrow"

"Okay Tae-nya"

To : Jinyu

"Jinyu please let Ken and Ellyn stay in your family house for tonight and just drop them off tomorrow. Just tell both of them that their Uncle Tae want to be with their Auntie Rei on her birthday before going for my team concert, no need to worry about your Aunt Rei permission because I will tell her.

"Yes Uncle Tae and I will just endure the 2 teaser boys for tonight"

To : from the recipient

"Can you deliver my orders around 5pm?"

"Yes, we already take note of your remarks that time may be changeable" (they don't know who it is because Tae use his wife maiden name and as for the payment, he use their joint accounts that Rei didn't feel suspicious because she thinks it's for their babies)

“Thanks”

“How about the delivery address?”

“Same address”

Wang : We’re here and the surroundings are safe, again no lurking paparazzi.

All : Thanks Manager Wang.

All of them hop out from the car, carrying their present and then riding the elevator together, When they arrive at the 32nd Floor, Tae said to them

“Uhm, I need to prepare”

Manager Han is the one who’s replying to him “yes go ahead Tae because it’s very rare for having a solo date with Manager Rei and you got lucky, we will just put the present outside Manager Rei’s house and then you need to get back at midnight, okay?”

“Uh-uh”

Then Tae leave the team, well his only pretending though since he just observed his teams whose everyone putting their present outside their house and after making sure that they entered the team house, Tae go right away and carrying all the present by three before opening the door using his finger prints. Tae just getting the center table ready since the room is always clean and neat because both of them are clean freaks. Tae arrange the gifts per size and go to the dining area for preparing a carbonara, after 30 minutes he already done preparing it and put it on top of the center table. Then received a call from the recipient which is him.

“Hello?”

“Yes?”

“Y—you’re a Sir?”

“Is there any delay of my orders?”

“No, we are now here but the Security Personnels wants to accepts it because we are not allowed to get in, so we just need to inform you”

“Yes they can accept it and let me talk one of them”

“Yes”

“Hello Ma’am Rei?”

“It’s Mr Jun but don’t mention my name and please help me carry all the items that got delivered by them, I already inform them that you can accept it”

“Okay”

Then Tae hung up the call and smiling because it got delivered earlier so he can arrange it according to his plan, around 5 minutes the security personnels arrives and he knows because the monitor screen inform about the 4 of Security Personnels, Tae open automatically the door.

“Thank you Sirs and just put it here” (just near the door) “and give me that one” (get something from him). The security leaves after they put the items.

Tae put the two bouquet of flowers first on the couch which is 17 Red Roses and 10 Red Tulips, putting the cake inside the refrigerator first then open the two boxes and start air pumping of all the balloons he orders, after 45 minutes Tae already done pumping all the balloons, so then Tae put all the 27 Red heart balloons and 27 yellow star balloons in the ceilings near the wall then the HAPPY 27TH BIRTHDAY : MY WIFE REI letter balloons in the wall. After setting up all the balloons, Tae looking to the wall clock and

realized that he took 15 minutes for setting up the balloons and he have 20 minutes left before his wife arrives. He go to their room first, taking a bath for 5 minutes then wearing a My One Red T-shirt and black pants. Then he retrieve the cake from the refrigerator and put on top the center table then setting up the candles, 2 tall candles and 7 small candles. The tall candles are place above of the cake and 7 small candles are place below of the cake with a message I LOVE YOU HON in the center of the cake. After setting up the cake, he lift the two bouquet of roses and tulips then standing up near the door, he already turning off the automatic function for the lights.

At exactly 6pm, Rei arrives and now pressing her finger prints to the sensor then the door open. After closing the door, Rei notice that the lights didn't turn on automatically.

"Eh, weird" then Rei notice the candle light but she can't see it since she still standing near the door and then she heard her husband singing.

"Happy Birthday to You

Happy Birthday to You

Happy Birthday, Happy Birthday

Happy Birthday my dearest wife"

"You surprise me Dear"

"Here" give the flowers and then said "from here I need to cover your eyes"

"Okay" then her husband covered her eyes, at the same time Tae turning on the automatic function and then guided her to the living room. Rei notice that they stop but Tae still covering her eyes "what's wrong?"

"I hope you will like it Hon"

“Whatever it is as long it came from you Dear, I will always like it”

‘This wife of mine is really a sweet-tongued’ thinking and then release his hand from his wife eyes.

After releasing Tae hands, Rei adjusted her sight then after adjusting she’s really got shocked, dumbfounded and surprised that no single words come out from her mouth until she feel the sudden wet of her eyes and her tears flowing uncontrollably. Tae didn’t heard from his wife so he looks to her and just realized that his wife is crying silently that automatically he wipes his tears.

“Are you really that surprised?”

“Uh-uh and I’m so touch Dear”

“I know and let’s take a seat first” Rei nodded then Tae assist his wife.

After 15 minutes of being emotionally touch by her husband surprise, Rei looks at it again with the Birthday decorations and then to the bouquet of flowers.

“Neh, Tae?”

“Mmmm?”

“Do you know the Rose and Tulips means?”

“Uh-uh and both means Love, perfect for you Hon because you’re My Love”

“Ha, ha, yup, yup then out all of the birthday cakes, you are the only one who have a message I Love You even the Valentines Day, everyone will put a message of Happy Valentines instead of this”

“Uh-uh, I did it on purpose. I also chose red for roses and tulips because it means deep love”

“You are here, so it means that I guess it right.”

“You already know?”

“Nah, I don’t know what’s your consequences but knowing the teammates who always playing with consequences ahead so I just guess your name right and make a guess wrong on purpose for everyone”

“Thanks and Hon?”

“Hmmm?”

“Let’s eat the cake and the carbonara first because after this I will eat you up until midnight because I will be away for a month”

“...”

“And by the way please retrieve this footage for me”

“From what time?”

“4:30pm until 6:30pm then another footage for our love making and will add to my love making collections”

Already used of his shameless “Dear you really need to be careful with that”

“Hai, hai and that’s the reason why I store it to your laptop in case it got hacked”

“I already secured and tight the systems of your phones and any devices you have”

“Yup but I don’t want it to store it with my devices because they might accidentally seen it. Ah, Hon let’s hurry eat this because I’m already hungry with you”

“.....” speechless but then they eat together because she also wants to be eaten by her husband.

After eating the foods, Tae carry his wife softly and gently even though she’s almost 8 months pregnant. The Jun couple entered the room and then later the room is full of sounds for their m.o.a.ns and groans, well Tae just did it gently because he might accidentally injured the babies inside her w.o.m.b either by pressing Rei’s belly through his body or his hand so he did it mindfully and gently. After doing it for 5 times, Tae carry his wife to the bathroom and cleaning up before going back on their bed. The couple both laying down on the bed. Rei’s head on his shoulder while Tae embracing her by one arm.

“So until what time you will be here Dear?”

“12 Midnight and I only have an half hour left before leaving my wife”

“Saying that it looks like you’re saying : Ah, if I could choice between my wife and my career then I would rather choice My Wife”

“Ha, ha, ha you really know me well Hon”

“Now that I realized something Hon”

“Hmm?”

“Both of our carreer got link and connected to us. Me as an artist you’ve become my unofficial fan while you as a Secretary, I’ve become a certified stalker and in love with you”

“You are right Dear” then Rei looking to her husband and move her face to him and give him a kiss then said to him “I Love You Jun Tae Woo”

“.....” Tae’s blushing while being speechless

“Neh Tae what time Sis Tia Wen, Ken and Ellyn will be here tomorrow?”

“Early morning maybe 7am”

“I see”

“By the way the team prepare a gifts for you”

“Yeah, I’ve seen it, you even arrange it accordingly by it’s sizes” then Rei hug his waist.

“Neh, Hon?”

“.....”

“Hon?”

Tae looking his wife and he just realized that she’s already sleeping, so he just carress her face and hair, then kiss her forehead before leaving the room. Yeah, Tae wearing the same clothes to avoid being found out that he did something intimately with Rei. After making sure that he didn’t have anything obvious hint like for a smell of love making and wrinkles from the clothes, fortunately both of them is a clean freak because even doing it they put their clothes neatly. Tae left a message to his wife before leaving.

[Hon I know that you know when will I’ll be back but please wait for me before going to the hospital. Even though Doc Annie already inform us that you need to be hospitalized one week of your estimated due date but let me accompany you, so please wait for me, okay? Just prepare all the things that needed to bring, I Love You Jun Lou Rei, my beautiful and lovely wife.]

After an hour, they're now waiting for their boarding time and will leave S Country for exactly month and 5 days.

Meanwhile Rei awake and then stared at Tae's note after reading his notes.

"(sigh) Babies let's wait for Papa to come back home, okay?" then Rei feels the sudden kick from her w.o.m.b and it's first time for her to feel it "geez Babies at least you let your Papa know" Rei c.a.r.e.s.sing her w.o.m.b and then going back to her slumber state.

Around 7am, Tia Wen arrives and open the door using keys then enter, when she step first in the living room she notice the Birthday Decorations and very shocked for this situation because she never witness it since he never gives birthday surprise to her and even her sisters and as what she knows and aware, Tae, her brother will only give birthday presents and that's it, not like this with how he did now.

"..." frozen for a moment of time and didn't even notice that Ken and Ellyn arrives at the same time as her. The two kids are still wearing their uniforms since they just sleeping wearing sando and short underneath to theit uniforms.

Ellyn : Neh, Auntie Wen, why are you standing in a daze?

Tia Wen : ...

Ken : Ellyn loos (pointing the said decorations)

Ellyn : Woah, Did I Uncle Tae decorated it?

Ken : Yeah, so that's the reason why he abandoned us.

Ellyn : Abandone?

Ken : Yup, yup then later when you got m.a.t.u.r.e enough you will also abandon us in order to be with Bro Jinyu, well for you, you will abandon us forever because you will be with him and as for me I'm going back to C Country after I will achieve my goal.

Ellyn : Bro Ken

Ken : Hai, hai I will stop teasing you for now but well I never expect that Uncle Tae would be doing this.

Eiiwr : Fmz lpzu ad wmp dart lmqumru lnuhafi ar wmpz vufzo, jvfo Urhiu Tfu tat, wmp jaii film tat ovu lfqu ovare.

Ken : I see but I'm still a kid, so I can't tell who's my special someone in my heart.

Rei : (just awoken up and then go to the living room so that she will arrange the flowers given by her husband on her day but got ignored since both of them are busy eating each other, she go directly to the living room the moment she got awake so that she can put the flower on the flower vase but just only to witness the frozen lady while the two kids just talking) oh, you are now here Sis Tia Wen, Ken and Ellyn.

Ellyn : Auntie Rei?

Rei : Yes?

Ellyn : C—can I have the Y and E balloon including 1 heart Balloon?

Ken : Woah, hearing that one it means Yu love Ellyn

Ellyn : Shut up Bro Ken

Ken : Ooh-ooh you've become Bro Yu

Rei : Ken

Kur : Omnl Imzzw Eiiwr

Ellyn : Okay

Rei : You can have it Ellyn and by the way there's still a cake left for you guys.

Both : (Ken and Ellyn) where?

Rei : Inside the ref (then the two automatically run to the dining room and retrieve the cake), Ken and Ellyn

Both : Yes Auntie Rei?

Rei : Take off your uniforms first (then just heard of their running steps and see both of them put their uniforms to the laundry outside the door of their rooms, so she feel satisfied for their actions and then calling the frozen lady) by the way Sis Tia Wen

Tia Wen : ....

Rei : Sis Tia Wen?

Tia Wen : ...

Rei just ignore her and then get the flowers before arranging it to the flower vase, the rose already have no thorns since it's only a stem of Rose. After arranging the flowers (Roses and Tulips), she put it on the center table because she knows that both Ken and Ellyn are not that naughty. Rei just happened to put the vase when she heard Tia Wen suddenly shouting and giggling like an idiot then a shutter of sounds from the camera followed. If Rei not used of Mei antics then for sure she will already drop the vase but well she's very used of Mei so she didn't got surprised for that actions of her sister in law.

After that, Ken got another serve of cake then give to Tia Wen and then let the decorations be like that and will keep the balloons after it got flatten on itself.

For the whole month of September, Rei only staying the house by taking a nap, eating and talking with her babies aside from her niece, nephew and sister in law then talking with Doc Annie every weekend thru phone on handsfree mode. Tia Wen is going on or off from her works, she's an assistant director and mostly her works is in different schedules so she's very busy but always free for her younger brother and sister in law. Ken and Ellyn are also going on or off to school then every weekend the three kids are always coming in the afternoon for their study group, of course the teaser boys always tease the two. One week left before Tae's coming back after the Concert Tour in N Country, Rei always start to received a call everyday from Doc Annie but still on handsfree mode instead of every weeken. Rei's family just arrive late at night, so at this moment all of them are sleeping at the moment only Rei who's awake at this time, Each couples from the Din's Family members are sleeping in the guest room along with their Mom Aya, Ellyn and Lynel in the girls room along with Tia Wen while Ren joins his brother in other room. All of them except Rei are sleeping soundly and quitely, at the same time the day of Tae's arrival arrives while Rei talking to her Doctor and that's the reason why she's awake because Doc Annie is also calling her again and for sure she know why.

"Did I told you to get admit one week of your estimated due date?"

"Yes you told me that one Doc Annie but I need to wait for my husband arrival first"

"Geez, what a stubborn wife you are?"

"..."

"Just come here right now and got admitted right away"

"No, I will wait my husband first"

"Either you chose to come here or I will let you got kidnap so that you can be here in the hospital"

"Just this one Doc Annie, I will be there when Tae's already here"

“For sake Rei, I’m your Doctor so just listen to me instead of your husband”

“My husband is my topmost priority Doc Annie”

“And how about your babies, huh?”

“They will be fine Doc Annie and I know it because I’m their mother”

“Geez what a stubborn you are? And why do I have an additional daughter who’s very so stubborn like you”

“.....”

“Alright, so then what time he will comes huh?”

“7am is the time of team Estimated Time of Arrival, so maybe 2 hours from now”

“2 hours?”

“Yes you heard it right Doc Annie”

“Aside from you, who are with you now?”

“My family members and Sster in Law”

“So don’t tell me that no ones from them tell you to be got admitted one week before your due date?”

“No one because they told me it’s right for me to wait my husband first and that I know my condition very well since it’s my body”

“.....”

Doc Annie became speechless of this weird family antics but both of them heard a familiar voice

“Hon?”

“You scared me Tae”

“Acting like that, it’s looks like you got caught red handed by cheating”

“Cheating, what the? I’m only talking with Doc Annie”

“I know and let’s go ....” got interrupted because of Rei

“Ooh-ooh”

“What’s wrong Hon/Rei?”

“I think my water broke”

After hearing it, Doc Annie said to her “see, see I told you that you needed to be admit one week before your estimated due date and now you feel your water broke, get here right now since your labor and delivery will be around 2-3 days from now. Mr Jun please bring your stubborn wife here right now. You’re Hospital Room already available since I reserved it one week before her due date but this stubborn wife of your didn’t come. Both of you need to come here within 20 minutes or else I will kidnap you’re wife in order to be here” then hung up after she said it.

“.....”

— End of Call —

“Are you fine Hon? Let’s go now” (then panicking and just call someone without mentioning anyone name )  
guys, everyone I need your help”

“Dear you need to calm down first I just feel that my water broke, so first you need to wake up Sis Tia Wen in the girls room and not my family members since they just arrive last night. Bring that bag (pointing where the bag is, since she already prepare everything such as their clothes, prayer beads, phones, charges, snacks and other necessary) and I will leave a note for them.

“Okay”

Rei writing a note for them while Tae waking his Sister quietly.

“Sis3, Sis3”

“Mmm”

“Drive us to JL Hospital”

“Okay”

“No need to change and you will be back here when you drop off us at the Hospital”

“Uh-uh” then getting up and going out quietly from the room.

Tae approach his wife and assisting before asking to her “done writing the notes?” Rei nodded then Tae assist her. Rei can really sense how nervous he is, so she just hold his hand tightly and said in Ceno “it will be alright and I will be fine, trust me Dear”

“I can’t help it”

“Yeah I know” then the three of them left and because it’s just 5kms away from CA Residences they arrive in the hospital within 10 minutes since it still quarter to 8am and a weekend also that no traffic jams because it’s still early for the Senians to go out. When they arrive, Doc Annie are waiting them and said in a relief.

“Geez at least you arrive before 20 minutes and I don’t need to kidnap you, come here I need to check you up”

“Yes”

## Chapter 268 - Labor and Delivery

Rei just followed Doc Annie quietly in the laboratory for check up her and her babies condition because she knows how she’s worried about her and her babies meanwhile Tae just instruct his Sister to go back and he will call for the updates, his Sister just left without saying anything other than saying bye to them.

Meanwhile when the couples and Tia Wen left, her family members are already awake and just read the message from Rei.

[Ma, Bro El, Mei, Bro En, Lyn, Ken, Ren, Ellyn and Lynel, I’m going now to the hospital in order to get admitted, Tae is with me and Sis Tia Wen is the one driving us to the hospital. Tae is the one who’s going to call you for my updates since I’m not allowed to use any devices. Ken and Ellyn both of you must attend class]

Ken : Ooh-ooh

All : What’s wrong Ken?

Ken : I’m already thinking of not attending the class today but Auntie Rei got me first.

Mei : Ken?

Ken : Yes, yes Mom I'm going to attend the class, I'm just kidding you know.

All : Kidding you say?

Ken : Oops, I got caught.

All : .....

Ren : You've become talkative Bro Ken

Ellyn : Geez Bro Ren it's because Bro Ken are talking to us, his family members.

Ren : Hai, hai by the way, is Bro Ken always receiving a letter from the girls of your school?

Ellyn : Yeah, they never miss a day after that time.

Lynel : How about you Sis?

Ken : Didn't receive anything aside from Bro Jinyu letters since his always glaring the boys who tried to approach Ellyn and to tell you again, the boys are just two meters distance by they already got glared by Brother Jinyu.

Lwruui : Wmfv, jvfo f craevo ovfo wmp vfsu Sal Eiiwr.

Ellyn : (speechless while blushing)

Ken : And how about the two of you?

Both : .....

Ken : Seeing you being like that then that means you still receive a bunch of envelopes like us.

Lynel : Yeah Bro Ken, lucky for Sis since she have Bro Jinyu already.

Ren : Yup yup very lucky indeed

Ken : Oh speaking about that, the Li's brother and Yuhan will be coming here for our Study Group tomorrow

Both : We don't speak Sean

Ken : Nah, nah don't worry it can manage because the three of them know Universal Language especially Bro Jinxi, he studied because he doesn't want to left behind.

Mua : Kur em frt ofcu f gfov rmj

Ken : Yes Mom

After that both Ken and Ellyn taking a bath in their own rooms then after that, the family are eating together since Lyn already preparing their foods when she already done reading the message Rei left for them. And with the same routine both Ellyn and Ken got pick up by Jinyu but Ellyn didn't let him come in because she knows that they will be late for sure knowing how much Ren more a teaser compared to Ken and of course Lynel.

Back to our Jun Couple

After Tia Wen leaves, the couple are inside the laboratory while Doc Annie instruct Rei to lay down for her to check their conditions. After 10 minutes, Doc Annie shared her findings.

"I'm going to change Dear"

"You can just change it here because I've already seen everything about you and I'm going to lock the door" then Tae just take 10 steps to the doorway and lock the door.

"...." speechless but then change her dress to the Hospital Gown.

After changing, Tae automatically unlock the door then Rei laying down without any dextrose since she's in good and healthy condition including her babies and Tae just assist her but she can still feel his nervousness.

"Why are you so nervous?"

“I...I don’t know and I can’t help it because what if something happened to you during the operation?”

“Just relax okay?” then hold his hand and ask “why did you arrive earlier than the scheduled time?”

“We have an early flight to here and the team just drop me off to the residences since they will also visit their family because of the 8 days break from us which specifically I know why”

“Oh, so you know that I ask that 8 days break from Mr. Hwang?”

“Uh-uh because it’s for me and the team will not feel suspicious when I suddenly had 8 days absences after we arrive”

The couple are chatting and talking until 3 hours pass, Doc Annie comes and checking her up again and then followed by their meals, the two didn’t ask about their VIP treatment since they have already guess why and the reasons is, first maybe Doc Annie already got informed by her husband that the couple are the one helping their son and daughter in law with that incident, second Rei and Na is friend with each other and lastly Doc Annie treat Rei as her daughter.

Every 3 hours pass and Doc Annie will always checking the mother and babies condition while Tae always giving updates to his in laws and family about the updates without knowing that his family members are already staying at their residences when Tia Wen inform them that Rei got admitted on that day until Monday, 10am October 07, Doc Annie give instructions to her teams.

Pressing the intercom above Rei’s head and she instructs right away “prepare the operating theatre room and I need my teams from OB/GYN to be there right away”. Then give another instructions after pressing the intercom again “I need a wheelchair and for Patient VIP Suite 301” after 2 minutes a nurse with a wheelchair comes. Rei seated right away when Tae assists her, Rei already sweating enough because she already feel that their babies wanna come out and see the world. Doc Annie notice something and commented it out loud.

“Why Mr Jun is more nervous compared to Mrs Jun?”

“...”

Rei look up and just hold his hands without saying anything.

All of them arrives in the Operation Theatre Room and Doc Annie tell Tae just to wait there outside the operation room and then the Doctors and Patient are now in the operation room. Tae almost forgot to inform the updates when his wife reminding him before entering fully to the operation room.

“Dear, don’t forgot to inform them” then entered in the operation theatre room that assist by the nurse since she’s seating on the wheel chair.

Tae dial Mei’s number right away after he got reminded by his wife.

— Pvmru Cmrsuzlfoamr —

“Ring, ring, ring”

“Hello My Dear Brother in Law, so what’s the update of your loving Hon?”

“Mei, Rei is now inside the operation theatre room”

“What the? How did you just inform it right now?”

“...” didn’t have chance to reply since he heard Mei speaking in Sean and then speaking in Ceno with Same contents.

“Sis Rei is now on the process of giving birth, so let’s go”

“My family members are already there?”

“Oh, yeah they’re here”

“And when Mei?”

“The day that Sis got admitted and it’s very awkward for them, if not for me and Sis Tia Wen then my family and your family will be like a bullfighter waiting when to attack first, ah by the way don’t hang up since we are now riding the elevator Bro Tae”

“Okay” then after 8 minutes Tae heard an engine start and ask worriedly “don’t tell me you’re driving Mei?”

“Me? Nah I’m not or else if I want to have a long scoldings from the old man here then I’m the one driving even I’m pregnant. So since the old man is here with me, I didn’t drive and just be a good wife when his around, so instead of me, Bro El is the one driving. You might want to know how all of us well go there in one go, right?”

All : (Din’s Family Members reacts on their minds only since Mei is talking in Ceno) ‘so if En/Dad/Uncle En/ I’m not here, you will drive even you’re pregnant’

“Nah, I already know, knowing my wife then she already renting a Van that have the capacity for our family members”

“Hai, hai you really know my Sis well, oh we’re almost there bye”

Tot tot tot

—End of call —

The Jun and DIn family arrives right away while Mei ask the hospital receptionist where’s the Operation Theatre Room of Giving Birth and then all of them go right away.

“Bro Tae” Mei is the one who called first when she see him.

“Oh” just answered like that but his nervousness still obvious from his voice.

“Woah don’t be nervous Bro Tae it would be alright and nothing will happened to Sis. Oh, right just think of it that you are performing now in the stage with a lot of fans and anti fans of yours watching you”

All who understands Ceno reacts since Tae and Mei talking in Ceno again “and how come she comes up with that kind of conclusion?”

Then Tae just realized that all his family members are all present including Jia who have a class today is here “all of you are here and don’t tell me you got a leave of absence for 5 days?” ask in Sean

“Yes Tae-nya all of us absence for 5 days just for you and Rei” answered by Tia Wen

“Nah don’t be mad Bro Tae they are just concern for you and Sis, also they we’re all excited to see the Mini versions of Bro Tae and Sis” followed by Mei in Sean

“I know but Jia also got to be absence from her class” ‘and she doesn’t have a brain like Ken and Ellyn’ the later part is only his mind because he doesn’t want to hurt his niece feelings.

“Oh, if you’re talking about that then don’t worry because Ren and Lynel also both absence from their class”

“.....” Tae speechless because of Mei

“Ooh-ooh, speaking about the class the two who’s very excited since Sis got admitted are still in class”

“I will message Jinyu about that”

“Oh, you have Jinyu number?”

“Yes and why Mei?”

“No reason but give me his number later”

The father of Ellyn interrupt “and for what reason Mei?”

“He, he, he I think you already know Bro El but for now I won’t since they’re still young so I also need to wait for that day they’ve become a couple”

“.....”

The family of Jun and the family of Din are both seating in the bench waiting for the operation to be done until 2 hours left all of them heard the frustrated voice of a husband but only the Din’s family understand it because unknowingly he said it in Ceno.

“Why did it takes long hours for them?”

“....”

Tae already stepping back and forth then walk from his seat to the operation theatre door then to his seat and vice versa. The two families are just looking to him and didn’t disturb him because they know how he feels especially the husbands one, because they understand how terrifying it is to wait your wife from giving birth. Tae always doing that every minutes and then someone stand, approach and then called his attention “Uncle Tae?”

“Yes?”

“Auntie Rei will be alright along with the babies, my cousins, so you need to calm down because Auntie Rei will also feel nervous when you are like this”

“Thank you Ren”

“And if you want to know why did it take long hours for them then ask Mom because she will know it for sure”

Tae crunching down then hug the boy “I know why but I’m just anxious and worried for your Auntie”

“Are you that scared Uncle Tae?”

“Yup, very much”

“Oh, okay, I’m still young to understand how it feels but I know it would be fine, so just relax Uncle Tae okay?”

“....”

Mei just looking to her youngest for the time being and then commented it using the Sean Language  
“woah, you are such a kind and nice boy, Ren”

“Mom aside from my name I didn’t understand anything of what you said”

“Oh right, sorry that’s Mom fault but I won’t repeating it again”

“Oh then I will ask Bro Ken about what it means”

“Oh really then did you memorize what I said awhile ago?”

“Yup, yup and you said like this (Copy her Mom in Sean perfectly) woah, you are such a kind and nice boy, Ren”

“Oh you really memorize it when you just heard it once, ha, ha you are really my son after all”

“If I’m not your Son then who would I be?”

“Perhaps an Adopted Son if you are not my son”

“An adopted son which a carbon copy of your face, personalities and characteristics?”

“Yup, yup”

“I see then you’re also my Adopted Mother if I’m you’re Adopted Son”

“Yup, yup, you are really a smart boy Ren”

“You’re also smart Mom”

All : (Din’s Family and Tae) ‘this Mother and Son pair’

All : (Jun’s Family except) ‘they really look alike both mother and sons (they already meet Ken because they are staying temporarily at their Jun Family’s House during the renovation period of the guest room)

#### Chapter 269 - Fraternal Twins

Rei's hospital bed got pushed by the Hospital Personnels and Tae just followed her while holding her hands then c.a.r.e.s.sing her hair on his free hand and wiping her sweats leaving the family members, Doctor Annie and the two nurse who carry the babies outside the theatre operation room.

Nurse 1 : Eh, how about the babies Doctor Li?

Annie : Ha, ha, ha the husband top priority the most is the wife first before the babies.

Mei : U—uhm Doctor Annie right? Do you remember me that time?

Annie : Of course I remember you and you are Rei younger sister

Mei : I see, then may I see the babies Doc Annie?

Annie : Yes, go ahead.

Mei : (Speak in Ceno first then Sean) alright Guys we can see the babies now (automatically all of them surrounds the two nurse and just look the babies then comments without touching the babies since they just got out from Rei's w.o.m.b and very vulnerable)

— Jun Family —

Tae's Mom : Woah, what a beautiful babies

Tae's Dad : Indeed they got the looks of their Mother and Father

Sis 1 : Ha, ha, ha for sure this two babies here will be more famous compared to our Tae or rather compared to their Father.

Sis 2 : It's still early to tell but the two really produce a beautiful babies seeing this two little angels.

Sis 3 : Ha, ha, now we have two little angels added to our family

Sis 1 Husband : They have twins for their first baby

Sis 1 : What kind of question is that when we already know it's a twins?

Sis 1 Husband : .....

Jia : Mom, Dad let me see my cousins (but got ignored)

— Din's Family —

Aya : This two babies is my Grandchildren from Rei, at least she gives me a grandchild now.

El : Yeah Ma and the two babies are both mixture of them (Rei and Tae's beauty)

Lyn : Ohh no another pair of beautiful kids, geez your family genes is really strong El, you really have a monster genes.

En : Ha, ha you might right Lyn but Tae also a handsome one so they both have a monster genes.

Ren : (already carried by his father En) Geez Dad saying that one don't tell me you admit that you are an Old Man? And to tell you Dad, you also have a monster genes because I'm your Son, right? (his father glared at him but ignoring him because his now looking to the babies again) woah, woah, this is my cousins. Tsk, tsk lucky for Bro Ken and Ellyn because those two will always see my cousins while I'm not but well our blood is connected and well always chatting every weekend so it doesn't matter as long we're all connected.

Lynel : (carried by his father El also and replied to him) Nah, they are not lucky enough Bro Ren though we will see our cousins every weekend but both of them will also not see our incoming siblings and cousins.

Ren : That's right, that's right

Mei : The two of you are always talking and see them every weekend when we have a video chat every Sundays, so it's not unlucky enough.

Both : It's different Mom/Auntie Mei

Mei : Hai, hai but well what's the gender of these two babies?

All : Now that you mention about that one, we didn't ask that one (then all of them looking to Mei)

Mua : (emo ovu nmaro jvfo ovuw qufro frt frljuzut ovuq jaovmpo flcare jvfo) I crmj, I crmj, jmfv vfsare ojm dfqaiw jaov tadduzuro ifrepfeu frt iasare ar tadduzuro hmprozv al zufiiw oazare wmp crmj (laevare)

El : Mei you are talking as if you are not also, remember you are the first one who got married with a different language and a full Tanes just like Rei.

Mei : Hai, hai but at least it's not me who do the talking one since My En is the one who talk for both of the families. Geez that Bro Tae, he already know Ceno and yet I'm the one doing the task, Am I Sis Husband?

El : Geez, we have no choice Mei because Tae just worried about Rei. Now go ask the Doctor about the gender or I will tell about this one to Rei and that you are complaining about Tae which happened to be her husband.

Mei : What the? Why are you so serious Bro El? I'm just kidding okay and don't tell it to Sis because that idiot is very doting toward her husband and for sure I got a scolding by her, of course she's like the old man here (pointing her husband) since the both of them always scolding me.

All : So?

Mei : Hai, hai I will become a translator for them (then she ask Doctor Annie in Universal Language)  
Doctor Annie, all of us want to know their gender)

Annie : (Answered in Sean) this baby here (pointing the baby) is the Eldest Twin Sister of this (pointing the other baby) little boy.

Mei : (Universal Language) eh a baby girl and a baby boy?

Annie : (Sean) Yes, a baby girl and a baby boy and they are fraternal twins

Mua : Tvfrcl (ovur ardmzqare ovu dfqaiw) epwl, ovu....

El : We already know and if you ask how, it's because you speak using the Universal Language one

Mei : I see (then Mei inform their gender to the Jun Family in Sean since only one from them who understand using the Universal Language one)

Annie : Alright everyone let's deliver the baby first to their parents.

All : (Just nodded and follow Doc Annie)

After 20 minutes of walking, they arrive in the room and just witness that Tae is c.a.r.e.s.sing his wife face while Rei is already sleeping quietly, of course they knock first and entered when they heard Tae said come in.

Annie : She just got tired okay (said when she realized the worried expression of Tae)

Tae : I know and by the way Doctor Annie where are they, my babies?

Mei : Woah, woah at least you didn't forgot that you have now a babies Bro Tae (then look to the nurse and said) the father wants to see the babies.

Nurse : Yes Ma'am

Mei : (Ceno) Ma'am? Do I look like a Ma'am? Oh no, look like what you did to me My En? For sure, it's because I'm always with you who's an old man and now I look like a Ma'am now..... for sake I'm still 25, so I'm not that old to be get called Ma'am and for sure this nurse here is already than Bro El.

Tae : (Ceno) silly, the nurse called you Ma'am because it's a respect for a married woman and you are 5 months pregnant so that's the reason why the nurse called you Ma'am.

Mei : (Ceno) woah, woah hearing it from you Bro Tae it looks like I heard it from Sis. Did you perhaps switch your souls from Sis?

All : .....

Tae : (ignore her then looks to his babies, the nurse give the babies and Tae receive the one baby first because he can only hold one) thank you, woah, this is my baby boy.

Mei : And how did you know it's a baby boy?

Tae : Rei told me that we have a fraternal twins, so I have one baby boy and one baby girl.

Mei : That sister of mine

Annie : Mr. Jun you can put the baby here (baby beds) after carrying your baby, so that you can carry the other one

Tae : Thank you Doc Annie (then after 2 minutes, Tae put the baby and carry the other baby) all of them can see his subtle expressions when he put his babies on the beds and then said to his family in Sean) Mom, Dad I'm now a certified father, I would do everything for my family and I would try my best to become more better, a good husband to my wife and a good father to my kids (looking to his kids again) wow, amazing so this the real feeling of becoming a father and also I'm a father of the kids with the woman I love (looking to his wife sleeping quietly in the hospital bed and then looking to his kids.)

After looking the love of his life, first his wife and now the babies he didn't control his emotions anymore and his tears started flowing from his eyes again that cause everyone to become overwhelm because this is the first time of them to witness Tae being like this. Tae silently sobbing because he doesn't want to disturb his sleeping wife who just giving birth of the two little angels of them but well, the two already connected with each other that Rei waking up and happened to see her husband sobbing again.

Rei : (said with a hoarse voice) you are really such a crybaby Dear, come here.

Tae : (approach then sit on the hospital bed) are you alright now?

Rei : (hold his face and wiping his tears) uh-uh, if your teams and fans know this side of yours, nah for sure it would be very troublesome for me and needs to get rid of the bugs that bugging my husband.

Tae : (hold her hands from his face and said heartedly) thank you Hon, thank you for everything

Rei : Well did I tell you already that I would do everything for you Tae and now my priorities added because I'm now a mother of our kids.

Tae : (again his tears started flowing and really can't control his emotions)

Rei : (wiping his tears and asked) are you really that happy, hmmm? (which Tae nodded)

Mei : Ehem, ehem I think both of you already forgot about our existence. Sis and Bro Tae we're here you know.

Both : (got speechless because they totally forgot about them) .....

Mei : Now, now want to see your babies Sis (Rei nodded), so now Bro Tae please carry your babies to your wife, so that she can see who's more got the beauty from both of you.

Tae : You are really know how to break the good moods between us Mei

Mei : (said in Ceno while signaling the kids) hai, hai or else it's gonna be late for me to stop both of you, remember we have three kids here and what if both of you suddenly kiss?

All : (Din's family except kids since the two covering there eyes automatically after got signalled by Mei)  
Mei!

Mei : He, he I'm just stating the truth you know.

Rei : I'm not like you Mei.

Mei : Eh, really? But Sis you are my Sister after all and now you even forgot about our existence so it's prove that you are really my sister.

Rei : .....

Mei : (stop teasing Rei since she sees that Tae already carrying the two kids one by one and lay them beside Rei) ohh, so now my Dear Brother in Law and my Hon Sister, what would be the names of this two little angels?

Chapter 270 - Woo Rei and Rei Woo

After hearing it from Mei both the babies father and mother are now looking with each other with a very obvious subtle expressions from their face and then answering together with the same name.

Both : Woo Rei and Rei Woo

Mei : (React after hearing her sister and brother in law that they replied in unison) Wow, wow both of you answered at the same time and don't tell me you already discussing the names of the kids in advance?

Tae : Nah it's not Mei and it's just a coincidence that I and Hon thinking the same thing for our babies names.

Mei : Really?

Rei : Yes Mei and it's really a coincidence

Mei : I see, and then both of you are really in love with each other because the babies names are name after both of your name.

Rei : Woah speaking about that Mei, you also name both of them with Bro En names on it, right?

Mei : Ha, ha right right at first I'm planning to name them Men and Enen but it's very weird especially Men, ha, ha, ha.

Rei : .....(got speechless)

Mei : But well if I have a baby girl then I will name them either Meien and Mein, now, now so who did Woo Rei and Rei Woo got their looks from?

Rei : (move a little bit but then Tae assists her automatically) thanks Dear (then looking to their babies features and commented) woah Dear, look we got both mini versions of us, Woo Rei is the mini version of you while Rei Woo is my mini version.

Both : (Tae and Mei) eh, really?

Rei : Don't tell me both of you didn't realized it until now?

Both : (Tae and Mei didn't answered her and just look again the kids features)

Tae : You are right Hon

Mei : My, my, my Ren, my little boy come here, come here

Ren : What is it Mom?

Mei : Look out with your cousins features and both of them is a carbon copy of your Uncle Tae and Auntie Rei but the opposite.

Ren : Eh? (then approach right away) woah, you are right Mom (then hold the babies hands) hello my little cousins, I'm Bro Ren, you're dearest cousin and elder brother, nice to meet you.

Lynel : (see them and want to join so she ask them) Auntie Rei, Auntie Mei and Uncle Tae, can I come and see my cousins as well?

All : Yes you can

Lynel : (approach slowly) woah, now I've become an elder sister. hello my little cousins, I'm you're Elder Sister Lynel.

All of them just looks the kids talking to the babies as if they have a conversation with each other. Jia want to join but she didn't understand what they are saying until all of them heard a running steps from the corridor and yes it's the five of them (Ken, Ellyn, Jinyu, Jinxi and Yuhan) because Jinyu got a call from Tae saying that Rei already giving birth and now they're in the assigned room for them and telling to drop them (Ken and Ellyn) in the hospital with the room number given but instead of Jinyu answering the phone it was Butler Yan. All of them got informed by Butler Yan since it's still the class time when Tae called Jinyu phone and Butler Yan informed all of them when he met his master, and since he informed him with everyone, all of them heard it and that cause of everyone to come and see the babies. Yuhan called his Mom that he will be late and no need to pick him up because Jinxi will drop him off.

All : (standing outside the door and catching their breathes while asking in unison) w—where the babies?

All : (a.d.u.l.ts except Rei, her family and Tae become speechless because of the kids appearance since all of them are wearing S Elite Academy uniforms although they already seen Ken and Ellyn wearing it but still they can't help it but be dumbfounded because of their School Names which is widely known in S Nations to be a highly standards schools)

In Universal Language since all of them understand it and yeah Jinxi already can speak the said language since he bugged his Brother for many times to teach him about the Universal Language so that he won't be left out alone if his friends and Brother are talking in Universal Language

Ren : (commented after seeing them being like that) woah, woah, what a scene? And why all of you running with all your might like you just escaped from a Serial Killer?

All : And how come you come up with that kind of conclusion, huh?

Ren : Don't know, maybe too much watching of Detective Conan.

All : .....(Speechless)

Ren : Ha, ha, ha, now, now, come in, come in My brother Ken, Ellyn, Bro Jinyu, Bro Jinxi and Bro Yuhan or else the Serial Killer will catch you up if you won't.

Ken : Stop with your nonsense and where are my cousins?

Ren : I've never thought that Bro Ken is blind..... (stop when he received a glared from Ken) hai, hai, here (pointing the babies).

All : (approach slowly but then Lynel stop them)

Lynel : Before all of you touching My Lovely Little Cousins, please wipe your sweat first and be sure that you are not smelly enough.

All : (speechless but still did what Lynel said because they knows how s.e.n.s.i.t.i.v.e the baby is)

Lynel : Ha, ha, ha

All : And why are you laughing huh?

Lynel : I'm just teasing all of you, ha, ha, ha all of you didn't sweat that much you know or unless you just got escaped from a Serial Killer.

Jinxi : Neh Lynel are you really sure that you are Ellyn twins?

Lynel : Well I also wondered about that one because aside from having the same face and features, we are really and totally opposite with each other. How about you Bro Jinxi, both you and Bro Jinyu are also like that, right?

Jinxi : Now that you ask about that one Lynel, maybe....(then both said at the same time)

Bmov : Mfwgu ju emo ftmnout frt bplo vfnnurut om vfsu ovu lfqu dfhu jaov ....(gmov emo ofn gw  
lmqumru frt fo ovu lfqu oaqu ovuw lfat ar pralmr)

Both : We are now in the hospital so why have a DNA Test, huh?

Both : (Ken and Ren laughing after witnessing it) ha, ha, ha, ha

Yuhan : (ignoring his weird friends) Aunt Mei, Aunt Rei and Uncle Tae please excuse me for my friends  
weirdness

Mei : It's alright and I'm so used with my sons and nieces antics but I didn't expect the Li Brothers would  
be also like this

Yuhan : After meeting Ken and Ellyn, they've shown their real side,s well only to us though. Can I see the  
babies Aunt Rei?

Rei : Yes you can Yuhan

Yuhan : Thanks Aunt Rei (then looking to the babies) woah they are so cute Auntie Rei and Uncle Tae, by  
the way what's the babies name?

Before the couple answered his queries, the kids who are showing their trueself to each other just now  
while still wearing their prestigious uniforms of S Elite Academy because it's widely known from the  
whole S Nation that all student are either influential or a genius one, and all of them suddenly heard his  
query, stop and then interrupt them.

All : (Kids) Since when did you come in?

Yuhan : I entered at the same time with all of you and don't tell me all of you didn't see me?

All : (Nodded then ask) Really?

Yuhan : Aunt Mei, Aunt Rei and Uncle Tae, I come in together with them right? (the three of them nodded) see, they see me and yet the six of you (Ken, Ren, Ellyn, Lynel, Jinyu and Jinxi) didn't see me, I'm not that short for all of you not to notice me, you know.

All : Are you sure?

Yuhan : (Ignoring all of them) Aunt Rei what are the babies name?

All : (Interrupting them again) ah speaking about the babies, where are they? (then look to Yuhan directions and see two babies in between Rei and Tae, all of them surrounds them) woah, they are so cute (except Lynel and Ren since they already seen the babies)

Ren : Yup, yup they are so cute and that's my baby cousins

Lynel : He, he, he (then suddenly thought an idea) Sis Ellyn, Sis Ellyn.

Ellyn : What?

Lynel : Among the boys here except A.d.u.l.ts, rank them according to the most handsome one

Eiwr : Mq...l luu.... (emo arouzpzno gw vuz wmpreulo ojar)

Lynel : Wait and stop for a moment

Ellyn : And why?

Lynel : Excluding Bro Jinyu because I know for sure that his the most handsome one for you.

Both : (Blush)

Lynel : Ha, ha, ha, ha I'm just stating the truth and yet the two of you suddenly become like that. Ah, tsk, tsk so easy to tease and forget that one because this one little boy here will be the most handsome boy because he look alike with Auntie Rei and of course I'm proud of it because his my cousin. Ah, before I forgot, also this one little girl here will be the most pretty girl because she had the looks from Uncle Tae which known as an idol artist globally.

All : (Including Ellyn and Jang Twins) Show off

Lynel : (Ignoring the others) what? Don't tell me you are not proud of your little cousins Sis Ellyn, Bro Ken and Bro Ren?

Ellyn : Of course we are proud of that but what's the babies name?

Ren : Oh, if about names then the little girl is the eldest one with a name Woo Rei while the little boy is the youngest with a name Rei Woo.

Ken : I see but there's one thing I'm curious about

All : (Except the Jun Family) And what is it Ken?

Ken : Why the little boy Rei Woo look alike with Auntie Rei and then the little girl Woo Rei to Uncle Tae, why?

All : (Speechless of his nonsense query)
