

Last Man 271

Chapter 271 - Formally introduce to the Family

After that weird and nonsense query from Ken, the Din's Family including Tae just shrugged it off except for one, yes it's Mei, his own and biological Mother is laughing him like his an idiot who just asks a very stupid one question and then yet he realized that he really did when he heard his Mom laughing, so he pretend that he didn't ask that one and ignored his mother who's laughing to her hearts content and just asking his Uncle instead.

"Neh Uncle Tae?" ask in Sean

"Yes Ken?"

"I think you forgot the existence of your important persons now"

"Me? (Ken nodded) I didn't"

"Really?"

"Yes"

"Then how about them?" (pointing the Jun Family Members)

"..."

Ken control his laugh because this Uncle of him is the most important person of his Auntie Rei, so instead laughing of his Uncle Tae antics and since it's not good to laugh to the a.d.u.l.ts, he just said it to him "please introduce us to them properly Uncle Tae because from the day they arrive in the house except me, Ellyn, My Mom and Aunt Wen, my family members and them are like a bullfighters waiting when to attack with each other"

'They are really a Mother and Son pair indeed' thought by Rei, Tae, El and En.

After thinking that one, Tae replied to him "ah, that's right Ken and thank you for reminding me about that one" then facing all of them who almost forgotten their existence and continue "well at first I want to introduce My Wife family members to mine by herself while I'm the one introducing all of you to them but I guess I will do it alone since Rei just give birth right now and she's quite tired" Tae looking to his wife and he knows she's resting already but he doesn't want her to be get tired because giving birth is the hardest one to do as a mother and wife, so he won't let do that and just said to her "you need to rest and let me do that one, okay?"

"Okay"

"Thanks Hon" then looking to his wife lovingly and again he almost forgot that his going to introduce them to each other when someone got reminding him.

"Hello to earth Bro Tae, are you sure that you are going to introduce us or you want to stare Sis for the whole afternoon?" interrupted by Mei and she's that someone who reminding him.

"... Ehem, ehem, yeah I almost forgot that one Mei, so for now this is my Family Members and your in laws." (pointing them one by one) This is My Dad Jun Sun Woo, My Mom Jun Wei Tia, My Elder Sister Hu Yu Mei, her husband Hu Ji Meng and their only daughter Hu Jia. She's my next Elder Sister Jun Wei An and then her my other Elder Sister Jun Tia Wen. Dad, Mom and Guys, you already meet them in a very awkward situation but my in laws are all kinds and nice just like My Wife when did you meet her for the first time. Although you can't converse them because of the language barrier we have but among all of them, they can understand Sean Language especially Mei, Bro En and Bro El because of their works. You don't need to be feel awkward just because you didn't understand with each other but I'm assure that you can be good in laws towards with each other. Language doesn't matter because for you to know My Wife Rei, is always watching and listening to me when she still not know and learn about Sean Language and she become truly a fan of me even though she doesn't understand everything and most of all she doesn't know me well, so it would be the same as yours. All my in laws can converse using the Universal Language one but then mostly of us doesn't speak fluently and only know the basic in that Language because we're all patriotic in S Country so we only know Sean, as for Sis Wei An, she can speak because

of her works, not totally fluent though but Sis can understand that language and as for me I'm already fluent in Ceno but not in the Universal Language one since it's very hard to learn and Rei still teaching me that language and never give up to teach me until I will learn but well since it's very hard to learn, I'm still learning and my wife still teaching me secretly. So by now we can speak using the Sean and I will help translating it to Ceno, well the three of my in laws already know and understand what did I say just now since they know about Sean....." pause for awhile then looking to his in laws and his right because the moment he paused Mei looking to him and asking him innocently.

"Why did you pause Bro Tae?"

"Ha, ha, ha see, they already catch up of what I said, so then Dad, Mom and Guys, this is your in laws and Rei's Family Members. This is Mama Din Aya Rei's mother, Brother in Law Din El Rei's Elder Brother, his wife Din Lyn and their twin daughters Ellyn and Lynel. Jia, you are older by them by 3 years since they just got turn 5 last June 15, you and them have also share the same birthday with each other"

"Eh, really Uncle Tae?"

"Uh-uh, you might wondering why Ellyn didn't tell you about that one when you already meet twice and of course when they also stay temporarily to our Family House but" got cut off by Jia.

"Nah, I already know that one Uncle Tae because Ken told me that time when we meet second time but then I didn't know that Ellyn had a twin sister, so who's the older one?"

"Ellyn"

"I see, then you can continue Uncle Tae"

"Okay, then next, Jang Mei, Rei's younger Sister, her husband Brother in Law Jang En and parents of Ken and Ren"

"Neh Uncle Tae"

"What is it Jia?"

“Don’t tell me that Ken and Ren are also twins?”

“Bingo and you got it right Jia, both of them are identical twins different from your new young cousins since my kids are fraternal twins”

“....” Jia got speechless

“So now guys these are my wife family members, any questions?”

“Me” ask one of his sisters.

“Yes what is it Sis 3?”

“Can you also tell us, how old are they?”

“Oh, you really want to know?” then looking to his sister while smirking.

“What’s with that looks Tae-nya?”

“Nothing and okay since you want to know then I will tell you. Bro El is 5 years younger by you Sis 3, while Mei and Lyn is both 8 years younger compared to you and then Bro En is almost the same age with Sis 2”

“What the? T—then I need to get married already and have kids on my own, you too Sis 2. I thought all of them have a baby face and already the same age with us. Wait, how old Rei again?”

“6 years younger by you Sis 3 or rather I say, My Wife just turned 27 last August”

“Gaah, I forgot that one I thought I and Rei almost have the same age since she acts more m.a.t.u.r.e compared to me and then I suddenly realized that Tae-nya is my younger brother and then Rei is younger than you by 3 years. Tsk, tsk” (Ken and Ellyn realized that their Aunt Wen will become weird again so they look to their siblings and giving them a signal to go out including the other kids since covering their ears can’t help because Tia Wen have a loud mouth, so then the moment they’re out in the room Tia Wen continue without realizing that the kids already out from their sights including her family members except the Din’s and Tae because they notice how Ken and Ellyn give signal to the other kids, then Jinxi also drag Jia along with them even though it’s their second time meeting with each other.

—Flashback—

Rei and kids are waiting Tia Wen to arrives since it’s almost lunch time. Then, Tia Wen arrives and give the foods right away to her sister in law and the kids because she’s late 5 minutes for lunch time. Rei accepts the foods while saying thanks to her again and then they eat while Tia Wen just looking to them and suddenly she ask a very weird question that the kids got caught off guard.

“By the way Rei”

“MMM” ask by Rei and never expect that she ask a very shameless question to her.

“Is Tae-nya really a shooter? I mean he really knocked you out after having s.e.x”

“Cough, cough” both Ken and Ellyn got choke from the foods they just eat and looking to Tia Wen while covering their ears but they still heard it.

“Are you alright Ken and Ellyn?”

“.....”

“Never mind that one, so then Rei how’s my brother bed performances?”

“.....” Kids got speechless again until Ken said frankly to his Aunt Tia Wen “Aunt Wen, I guess I need to remind you that I and Ellyn are both young so don’t talk like that when we are here and covering our ears is really a useless one because you have a loud mouth”

“Oh that’s right I forgot about that one, about you and Ellyn are both kids since you always act m.a.t.u.r.e compared to me, so then Ken why are you so young?”

“It’s not my choice Aunt Wen and again I told you that even I born the same age with you Aunt Wen, my first priority is my family members and my goals, so don’t ask me that one again.”

“And how come you know what I’m going to ask?”

“It because of your expressions Aunt Wen”

“Ha, ha, ha but well we might don’t know what well happened if you born with the same age of me you know and of course I’m very pretty and beautiful just like your Aunt Rei” Ken automatically stands and running away from Wen when he heard her calling him “Hey, why are you running away?”

“Because Aunt Wen you’re a weird person”

“.....”

Then Ken thinking something and ask her “Neh, Aunt Wen?”

“What? Are you willing to be with me when you become a Man?”

“I won’t but Aunt Wen are you the one preparing the foods?”

“No I’m not and it’s my Mom because I’m just the delivery girl”

“Oh I see then it’s good” Ken back to his seat and eating again.

“And what do you mean by that My Ken?”

“I’m not yours Aunt Wen”

“Ha, ha, ha yeah I know but then both I and Jia likes you, so between me and my niece who’s the most you like?”

“I’m still a young boy and kid Aunt Wen but you are my Aunt and Sis Jia is like my elder sister, so I like both of you”

“Nah, I didn’t mean about that one”

“Oh”

“Are you really sure that you are a young boy My Ken?”

“Yeah, why?”

Ellyn interrupted the two because Yu and other are almost coming “Aunt Wen, you still have work this afternoon right?”

“Oh, that’s right and thank you for reminding me Ellyn but how did you know?”

“You still wearing your Assistant Director’s outfit, Aunt Wen” answered both Ken and Ellyn.

“.....” got speechless because of them.

“Sis Tia Wen, I’m already done eating and kids continue with your lunch”

“Yes Auntie Rei” then the kids continue eating while ignoring their Aunt Wen.

—End of Flashback—

“Dad and Mom, I think I need to drug my boyfriend really well so that I will be knocked out right away because having s.e.x.u.a.l i.n.t.e.r.c.o.u.r.s.e for 3 years, he didn’t got me pregnant. Well first I thought either one of us is infertile but we both healthy and normal after got results from the checks up we have from the doctor, so to tell you in advance maybe I need to drug my boyfriend and doing it for the whole night since our limits is for 5 rounds only”

“What the heck is that Tia Wen?”

“Geez, no need to be shy Sis1 because I also know that you and Bro Ji Meng also doing and having s.e.x.u.a.l i.n.t.e.r.c.o.u.r.s.e for 8 years but you didn’t produce any babies aside from Jia”

“Jia is here” reminded by the Jun Family Members except Tae

“Ahh, that’s right, Jia erase that one”

“.....”

“Eh, Jia?”

“The kids are all gone the moment Ken and Ellyn realized something amiss so they got out before you become shameless again” Tae answered instead of Jia because she’s already gone.

—Flashback—

Around that day, after the group study both kids ask the same time to Rei.

“Auntie, what time Uncle Tae will be here?”

“Around 11pm”

“Thanks”

Almost 11pm, both Ken and Ellyn got awake at the same time to their own room. Both of them got out from the room and then they realized that the two of them have the same thoughts and just laugh then go to the living area and waiting their Uncle. Tae arrives and then the kids interrupt him.

“Uncle Tae” called both by Ken and Ellyn

“Eh, you are still awake?”

“I just got awake and same with Ellyn but Uncle Tae, Aunt Wen is really a weird one”

“And why?”

“Neh Uncle Tae?”

“Yes Ellyn?”

“Aunt Wen ask a very weird questions to Auntie Rei but I didn’t really catch up what it is but it’s really a weird questions.”

“Why did she ask?”

Ken signaling his Uncle to crunch down and then Tae crunch down while whispering to him “Aunt Wen asks Auntie Rei about how’s your bed performance and she also ask that are you really that shooter since you knocked out Auntie Rei after having s.e.x. By the way Uncle Tae what’s s.e.x? And aside from sleeping, you also have bed performance, are you not tired from singing and dancing since you’re still performing in the bed, Uncle Tae?”

“.....” got speechless and thinking about something ‘this sister of mine, did she forgot that they are still kids when she ask that one to Rei?’

Done whispering to him and then ask again to him “what’s that mean Uncle Tae?”

“.....”

“Ah, that’s right I guess I need to ask Bro Yu about that one”

Tae answered right away to him but he didn’t tell what is it since they are both kids and it’s very inappropriate for them “no you don’t need ask that one Ken and to know about that one since it’s for the a.d.u.l.ts only. For now both of you need to run away whenever Aunt Wen become like this (Tae’s mimicking his sister by showing expression of suddenly smiling weirdly or have an amuse expression), so that you cannot heard her weird questions”

Both Ellyn and Ken laugh then answered in unison “okay Uncle”

“Good and both of you need to remember that one because Aunt Wei is really a very weird one”

“Yes Uncle Tae”

“Ellyn you can go back first to your room and Ken stay for awhile”

“Okay” Ellyn go back first while Ken stay.

“What is it Uncle Tae?”

“The one that you said to me awhile ago keep it a secret and don’t ask that one to anyone or even search about what is it, understand?”

“Eh not even my family members, Auntie Rei, Mom and my brother?”

“Yes not even them”

“Okay but in one condition Uncle Tae”

“What is it?” Tae just ask but never imagined that he heard it from him.

“You need to tell me about that one when I already reach my goal of becoming like Auntie Rei as R”

“Okay deal” Tae agreed right away but again he never imagined that he will tell about it to him when Ken still a Teenager because he will be 15 that time when he got an approval from Rei to start his hacking skills and becoming like her.

“Deal” then said it loud “I don’t know about singing and dancing so I don’t know if I can have a good bed performance someday and then aside from sleeping, I need to have s.e.x so that I can become like Uncle Tae”

“.....” Tae got speechless and thinking his sister from his mind only ‘Sis 3, I really need to scold you for long because you are already planting something to this innocent mind who’s very genius yet an innocent one’

“Is that all Uncle Tae?”

“Yes and you can go back to your room now”

“Okay and Uncle Tae don’t forgot about your promise”

—End of Flashback—

All : (Jun Family) eh?

Tae : See for your own (then all of his family members looking around and indeed they are out of sight)

Sis3 : Oh, I see then I can continue to become shameless again since all of us here are all a.d.u.l.ts and I won't get a long scolding from you Tae-nya and guys (Tia Wen got a very long scolding from them, because on the next day after that night when he got informed by Ken , Tae called Manager Kim that he have an urgent family meeting after informing his wife that he have an urgent family meeting and then he got accompanied by Manager Kim. They arrived and Tae got inside to their house right away and telling right away what happened and all of them scolded Tia Wen while Manager Kim waiting him outside the house without knowing the real reason), so then how about you Sis 2? Are you planning to drug your boyfriend because you still didn't produce a baby for almost 5 years, right?"

Sis2 : (Blush then defend right away) what the? Don't compare me with you Wen, although we are already engaged for 1 year and dating for almost 5 years nothing happened between us.

Sis3 : Eh, really?

Sis2 : Yes that's the truth

Sis3 : Are you sure you are from the Jun Family?

Sis2 : Yes and why did you ask that one?

Sis3 : Look Sis1 have already Jia in her w.o.m.b before getting married and then Tae-nya got Rei pregnant, so for sure they did it before registering their marriage.

Tae : Ooh-ooh you got it wrong Sis3 because Rei got pregnant after our marriage registration. Look today is October 7 and we registered our Marriage on January 2, so you got it wrong.

Sis1 : So don't tell me I and Tia Wen are the only shameless one?

Sis3 : Yup, yup you are right Sis1 and Sis2 you already engage for 1 year, so when are you getting married so that we can have another bun and for sure you already want to eat your future hubby, so just drug him and have a taste to your hubby..

Chapter 272 - The Shameless Family - Jun Family

After hearing that question and suggestion from her younger sister, she's got speechless enough but answered her even though it's quite embarrassing.

Sis2 : By eating your future hubby, it's means having s.e.x with him right?

Sis3 : Yes you got it right away Sis2, so when?

Sis2 : I don't know because of our busy schedules. I mean I'm a Hotel Manager and his also the same, since his also a Hotel Manager in other Branch.

Sis1 : Talking about that one, are you sure that you're still with him? I mean his working in different hotel as a Hotel Manager, so are you sure his not cheating with you?

Tae : Yeah Sis2, mentioning about that one, so aside from the marriage couple things, what did you do when you meet up with each other?

Sis2 : Just chatting and enjoying with each other

All : (Sis1, Sis3 and Tae) without doing anything?

Sis2 : Geez of course kissing, hugging and holding hands because it's normal for a couple to do that.

Sal1 : Sm vfsu wmp usuz ozaut om guhmqu aroaqfou jaov ufhv movuz?

Sis2 : D—do I need to answer that one? (all her siblings nodded in unison) Geez, okay we already sleeping with each other many times.

All : (Jun Siblings) sleeping with each other?

Sis2 : The three of you need to stop that one and before your minds going wild, we did nothing as what married couples do and well only sleeping with each other and that's all because both of us want to consummate it during our honeymoon phase.

Sis3 : Are you sure his not cheating with you behind your back?

Tae : I'm not doubting about your boyfriend Sis2 but as a man and having someone you love beside you, for sure he will try touching you.

Sis2 : (realized that aside from sleeping with each other, her fiancée didn't do anything so she start to feel suspicious but have a firm answer) I don't know that one Tae but I assure you that he didn't cheat and he loves me, I trust and love him so even you're my brother and my family I need to trust him and see it with my own eyes. I know all of you love me and care for me but I trust Seo Bum that fully.

Dad : I understand you Wei An, but as your Dad and as a Man, Tae have a point, so being with someone your love on your side we will always lost control of ourself but we need to control of it because of how we love with our partner. For me, I will always being honest with your Mom that I need to be more intimate with her because Kissing, Hugging and Holding Hands is not enough for me, I don't know how your Brother Tae solved that matter but for your brother in law they did it before getting married and same with Tia Wen boyfriend, so are you not suspicious of your boyfriend?

Mom : An it's not about we're against your boyfriend but we need to be sure that you're in good hands. You're the campus belle since 1st Grade until you graduate in University so I'm sure someone trying to fascinate with you but only Seo Bum won your heart not like your Sister 3 who always have different boyfriends after breaking up.

Sis2 : So what I'm going to do Mom? I love him and trust him.

Mmq : Tval al bplo f lhurfzam dmz wmp, lm jvfo ad wmp emo talhmsuzut ovfo vu hvufo jaov wmp mz jmzlo wmp talhmsuzut frt jaorullut ovfo vu vfsu l.u.k jaov movuz jmqr flatu dzmq wmp, jvfo fzu wmp emare om tm Ar?

Sis3 : For me Sis2, you need to break him up because his worst like a jerk.

Sis2 : And what about you? You're like a playgirl always changing boyfriend after breaking up and what worst is that you have s.e.x with all of them before breaking up.

Sis3 :

Sis1 : Wei it's not about Tia Wen, it's her life and she knows it herself. I know how you feel right now but quite different for me because before marrying with Ji Meng, I also have s.e.x with my first boyfriend before breaking up because we don't love each other anymore and as for you, Seo Bum is your first boyfriend and you've been dating him for 5 years without s.e.x, so we were just concern about you, so that scenario given by Mom, what are you going to do if that happened?

Sis2 : I don't know, I don't know, I love him and trust him, so what I'm going to do? Do I have to s.e.x with him so that I can assure that his mine?

Tae : Sis2 doing the deed is not an option that his yours, if you trust him that much then trust him and never swayed with your feelings. I don't know your boyfriend that much so I can't tell but as for you know him well so just trust him as what you always do and all of us are just concerned about you because his your first boyfriend and what we need is your answered because what if one day you happened to witness that his cheating with you, so what are you going to do?

Sis2 : I need to give him another chance if that's happened and I will just assure that he didn't get her i.m.p.r.e.g.n.a.t.e because I don't want to be a homewrecker eventhough his my boyfriend for 5 years but then the baby is an innocent one, so I need to back down if in case he got i.m.p.r.e.g.n.a.t.e someone.

Ji Meng : (the only one who didn't got surprised and shocked from their conversation but not that much because he already know and aware of it 8 years ago about the Jun Family Antics but for now he need to remind them because they really forgot something very important) uhm, Mom, Dad, YuMei and guys.

All : (Jun Family) what?

Ja Mure : I ruut om zuqart wmp ovfo Rua frt vuz dfqaiw quqguzl fzu vuzu jaov pl.

All : Eh?

Ji Meng : So you really forgot about their existence and I guess they already know and aware how the Jun Family are, especially Rei and the three of them that who also happened to understand us.

All :(looking to the Din's Family but then all of them have a normal reactions except Rei since she's was blushing enough because she got embarrassed of their conversations and now know where did her husband inherit his shameless).

Tae : Hon? (just calling his wife attention because he was scared that what if Rei got disappointed by his family members and her in laws antics)

Rei : You said to Sis Wei An that you know him well so just trust him and it's also apply to me because I know you well, so I trust you including your family members because they're my in laws. I would never be got disappointed because of that Tae and also Mei didn't translate your conversation with them because it's your private matters and my family also know when not to cross the border lines, so no need to worry.

All : (Jun Family Members sighing in relief after hearing that one from Rei)

Chapter 273 - Seo Bum

All Jun Family feel relief after hearing that assurance from Rei because they don't want to be the reason that Tae got break up with her because of them. Well, Rei already know how shameless her husband but she didn't expect that her in laws are also like that but then Rei love Tae and she knows Tae very well and she trust him that much, so she won't be swayed with her feelings because of his family Antics because Tae also knows her family Antics but never got swayed and also trust her. Most of all, the one they love is not their Family Antics but instead their partner characteristics and personalities or they love each other of who and what they are.

The Jun Family continue talking with their shameless characteristic without worries since they heard the assurance from Rei, then suddenly Wei An ask something to Rei.

Wei An : Neh Rei?

Rei : Mmm? (already guess what she's going to ask but still not sure if she guess it right.)

Wei An : Tae is your first boyfriend right? (and Rei guess it wrong because she thought she was going to ask the same scenario of what her Mother in Law ask to her)

Rei : Uh-uh and Tae is My First and Last Man

Wei An : I see, so then what are you going to do if one day Tae will be cheating on you or rather you witness it that Tae having s.e.x with other women aside from you? (then Rei guess it right)

Rei : I can't predict what our future await for me and Tae but I'm assure that Tae would never do that because I trust him that much and I will always because I chose him. You know well that Tae is working from the Entertainment Fields and aware how this department is messy enough but I choose to be with Tae because I know him well and I trust him that much. As what Tae said, you need to trust him and never got swayed by your feelings, so that's my answer. I'm also doing my best as a wife and mother of our kids so that Tae will never leave me.

Tae : I would never do that Hon and I promise. I know we can't predict what our future awaits but if one day that I've become a jerk and got seduce by someone then you need to get me back and give one chance because you're my wife but I'm assure that you won't let anyone give a chance to seduce me.

Rei : Okay I promise but I'm aware that you will never do that because I witness how much you sacrifice just for me.

Tae : Thanks Hon and I Love You.

Wei : (Rei didn't have chance to reply because she interrupts the love bird) ehem, ehem, I need to interrupt between the two of you Tae and Rei or else you might forgot about us and the two of you start eating with each other.

Bmov :

Wei : So then Rei how can I assure that my boyfriend didn't i.m.p.r.e.g.n.a.t.e someone because I don't want an innocent kid to grow without a Father, I know I'm his fiancee but I need to be sure that I will not hurt an innocent kid because of the a.d.u.l.t careless mistake eventhough I trust my fiance but still a woman in desperate is really a cruel one because they can do whatever it is just to be with the person they d.e.s.i.r.e.

Mei : Uhm... I think you need R for help with that.

Wen : Ahhh, that's right the Mysterious R can help us with that but the question is how can we contact R?

Mei : About that no worries because we're also a Ceno so maybe R will help us.

All : (Jun Family except Tae) I see

—Din's Family having a Ceno Conversation quietly again including Tae)—

Aya : What's with that suggestion Mei?

Mei : Well Sis is R, so she help them because they're our in laws

En : My Mei you forgot that Rei real identity is not expose with them because as for the Din's Family Rules, only a member of the Family Members will know that secrets alone.

Mei : Ohh, that's right.

Rei : You're really unbelievable Mei and you suggest like I'm not here you know

Mei : Well what are you going to do?

Rei : It depends on how Tae suggests

Tae : I want you to help my Sis2, Hon

Rei : Okay I will

Mei : What the? You're also unbelievable Sis and are you sure that you're my sister?

Rei : Yes you are but for now my top most priority is my husband after you.

Mei : ...

Lyn : So what's the name of her boyfriend? (didn't know what they're talking awhile ago because she only know Ceno, Universal and Janes)

Tae : Seo Bum and they've been dating for 5 years.

EI : Seo Bum?

Tae : Uh-uh and what's wrong Bro EI?

EI : Nothing's wrong but I have someone I know with the name Seo Bum, his also a Hotel Manager of Class A Hotel in Jinju City and have a girlfriend name Buman for 5 years but I guess his not the same since your Sister name is Wei An and that Seo Bum I know have another identity aside from being a Hotel Manager.

Tae : (Directly ask his Sister loud in Sean when he heard that from El using the Ceno Conversation) Sis2, is Seo Bum working in Jinju City?

Wei : Yes he is and same hotel name where I work since it's their Branch in there.

Tae : Then do you know who's Buman is?

Wei : Eh, how did you know that one? (didn't heard that El mention her name because the Din Family are talking quietly).

Tae : Just answered me if you know who's Buman is.

Mom : What's wrong Tae?

Tfu : Nmovare Mmq frt l bplo ruut om hmrdaq ad Sal 2 crmj jvmlu Bpqfr al?

Wei : Geez, alright I well answer you now Tae, Buman is my name and Seo Bum combination, Bum from him and An is from my name.

Tae : Then that's it.

All : (Jun Family) eh?

Mei : (Quite amuse because Tae and Rei is the same and they are both straightforward person) Uhm guys I think we don't need R help since my brother here (pointing El) knows your boyfriend Sis An.

All : (Except Tae) eh?

Mei : Hai, hai you heard it right so Bro El is your turn to talk.

EI : I'm still not sure if they are the same person you know.

Mei : Eh, why?

EI : Seo Bum is my Senior and my best friend here in S Country aside from Officer Lu but I'm not sure if they are the same person.

Rua : Wvw Bzm Ei?

EI : Well I told you awhile ago that aside from a Hotel Manager, he also have another identity since his also the brother of the owner of Class A Hotel but he didn't disclose it because he don't want his private life to be get invade by the press and especially his getting married on December 12 which also his girlfriend birthday, so I think they are not the same person.

Wei : Y—you know Seo Bum and h—how come I didn't know that we're getting married on my birthday?

EI : Ouh-ouh, so that's a surprise but I exposed it without knowing. Wait for a moment I need to call your husband to be. (Then get his phone and call his friend then set his phone on hands free mode)

— Phone Conversation—

"Ring, ring, ring"

"What is it EI? I'm busy you know and don't tell me you're going to back out for my best man, huh?"

Ignoring his questions and just stating to him right away "you're girlfriend real name is Ms. Jun Wei An right?"

"What the? How did you know that one? I only tell you that my girlfriend name is Buman, so how come you know about it? Don't tell me you are now investigating me, your own best friend and Senior, huh?"

“You have quite a wild imagination Bro Bum but for now sorry because I just exposed your surprise wedding to your girlfriend”

“What?”

“Come here in JL Hospital and you will know why”

“What the? You’re really investigating me because my girlfriend is having a break because her sister in law will giving birth within this week, so how come you are there in JL Hospital? Don’t tell me you’ve taken interest with my girlfriend? For sake El, you are not like that and you are my best buddy and you have a beautiful wife. How dare you taking interest with your best friend fiancée when you already have a beautiful wife? Wait, don’t tell me you also have taken interest with her sister in law and for sake El, her sister in law is her younger brother’s wife and don’t be like that because you’re not a playboy and also you’re not a casanova. Where are you right now? Because I really need to knock your senses out”

“JL Hospital VIP Room Suite 301 and that’s the reason why you are not the CEO because you’re a childish one”

“What?”

“You’re in Jinju City, right?”

“Nah I’m here in S City near JL Hospital since my future wife is walking around freely, of course she’s with her family but I need to do so and I need to be alert because they might a bugs or someone trying to steal her from me and now you are trying to steal her from me, you’re quite a jerk if you really did”

“Come here right now Bro Bum. Both Bro Lu and I really right that you’re really suited to become an actor instead of Hotel Manager”

“What the heck with that? I just need to become an Actor so that I can kiss, hug, holding hands or worst having s.e.x with an Actress, nah I don’t want that because what I only want is my future wife. Both you and Lu both know that I’m always having a cold shower for five years because of my d.e.s.i.r.e for my wife. Well aside from you who already eat your wife long enough, Lu also didn’t eat his wife and they

got a divorce without eating his wife, so you don't know what we experience for having a cold shower everynight when we have our love on our side"

"Right now, you're true colors got exposed by your future wife and your future in laws"

"What?"

Ignore his questions and ask "where are you now?"

"I'm here outside but why are you inside of her sister in law hospital room?"

"Come in"

"What?"

Tot, tot, tot

— End of call —

Chapter 274 - Meeting his in laws

After that call, El just looking to them and then said to Tae since he was not close enough to his in laws.

El : Tae, I guess that's your future brother in law to be.

Tae : I see

Wen : Sis2, that's you're boyfriend? I mean how come we didn't know that's his real personality and his real background?

Wei : Wow, you're asking that one when you also have a unique personality Tia Wen

Wen :

El : Oh right Tae, I think I need to knock your future brother in law some sense since he got wrong that I have taken interest with your sister and my sister which is happened to be your wife.

Tae : Yeah go ahead

Wei : Tae

Tae : Hearing that one Sis2, I think you're boyfriend is quite an idiot for not recognizing El as Rei's brother and they are friends with each other.

Wei : Well that's true his quite an idiot but he just an easy going person just like Tia Wen

Tae : Yeah but at least his not like Sis 3 who's very a playgirl.

Wen : Hey, what do you mean by playgirl? I didn't cheat with my boyfriend.

Both : (Wei and Tae) yeah you're not cheating but you have many boyfriend and always eating them before breaking up, we're quite sorry for your current boyfriend now.

Wen : What the? I only eat my boyfriend for 3 years and I didn't eat another man.

YpMua : Uvq, epwl I ovarc wmp dmzemo ovfo Wua Ar gmwdzaurt al mpolatu ovu tmmz wmp crmj.

Both : Oh right.

Mei : Bro El you go welcome you're friend and he, he, he

El : And why are you laughing Mei?

Mei : Well I just realized that you have quite a weird friend Bro El, I mean I and Sis meet your friends during your wedding but then Officer Lu froze the moment we meet him then now Bro Bum forgot about us and he didn't even recognize you when his stalking his future wife.

El : I don't know if that's a compliment or not but then I need to open the door for him.

All : (Except Aya and Lyn) eh, but the door is open?

El : His an Hotel Manager for 5 years but he will never open a door without a response from inside since his already knocking for many times already (then walk and open the door for him), your hand will be injured by knocking that hard you know.

Bum : Because I thought you(got cut off by El because El covering his mouth and dragging him to get in because as a friend of him for almost 7 years, his the type to believe by seeing it with his own two eyes and only to stop assuming after seeing it.)

El : (forgot that he talks using the Sean Language and all of them except his Mother and his wife understand it since they were all Senians and his others family know their language) here's your in laws Bro Bum and your future wife is also with them, well you didn't mention to me that you have a wedding surprise for her since you just put me on your list as your bestman without waiting for my reply and I just got inform after the invitation got sent to me that I received from you. Also I didn't think that you and my Sister in Law boyfriend is the same person since I thought you are different from him because she's describing you like a noble man rather than describing a childish one because that's the real you.

Both : (Rei and Mei) Bro El you're speaking in Sean

El : Ooh-oooh

Bum : (In a daze and only three words he remember) Sister in Law, who?

El : Your Future Wife is my Sister in Law

Bum : (like a bomb that stuck thru his mind and got speechless).....

The scenario of Officer Lu who meet the sisters of him during his wedding ceremony got repeated with different situation.

El : (continue talknig using the Universal Language one) so stop with that kind of mind of yours, Bro Bum.

Bum : ...

El : Also your future wife Sister in Law is my Younger Sister.

Bum :

El : Are you my friend or not? You didn't even recognize me and my sisters when you already meet them.

Bum : (El continue talking but Bum still didn't response until El realized that he got frozen when both of his sisters reminding him again).

Mei : Bro El, is he alright?

Rei : We're in the hospital right now so calling an ambulance is not needed since we're here.

Mei : Let's call a doctor first before it becomes worse

Rei : Yeah, that's the best thing to do.

El : (Just got realized that's the scenario of Officer Lu got repeated and then he slap his back hard or else he will be put on the operation room without any illness) PANG

Bum : (Feel the sudden hard slap from his back and return to earth after got kidnap by who knows who) what the?

El : I help you before you got operated in the operation room since my sisters thought you had an illness attack.

Bum : (Answered in Sean) what the? You're sisters are both weird and how come they think that I have an illness attack when I'm just in a daze and trying to catch up of what you said to me?

Both : (Rei and Mei) 'Weird? But it's a normal to react like that if you see someone being like that awhile ago'

El : (Answer his Sisters thoughts out loud using the Sean since he speak it in Sean) It's a normal reactions for them because it's their Second Time meeting you and first time seeing you like that, so they are not used of it and if they are then they just ignored you until you got back from the reality.

Bum : You're quite cruel you know, you and Officer Lu is really a Monster, how did I become a friend of you two Monsters?

El : Continue with that attitudes of yours and you might have a Runaway Bride before your wedding day.

Bum :

All :

Wei : (as a girlfriend of him for 5 years, she already knows his Antics but her family doesn't know, so she need to help her prince damsel in distress) Uhmm, this is the real Seo Bum and he just put up a facade like a noble man because he doesn't want my family to be got disappointed about him.

Mom : Well as long as Seo Bum is true to you then we don't have any comment about it.

Dad : Yeah and I guess Seo Bum is a fine man with that characteristics of him.

Sis3 : Ha, ha, ha now I know why he didn't eat you up Sis Wei An.

All : (Except the Din's Family and Tae) Tia Wen!

Sis3 : Oops I said it loud but I think he doesn't understand it.

All : (Except the Din's Family and Tae) 'If his an innocent one than he won't'

All : (Tae and the Din's Family) 'His an innocent one and he really didn't understand that one'

Bum : (one of their thoughts got answered) Uhhmm..... what do you mean by eating up with Wei An? Wei An is a woman and not a food, so how can I eat her?

All : 'Uh-uh his really an innocent one'

All : 'See'

Bum : Guys?

All :

EI : You're a child so you don't understand about that one Bro Bum.

Bum : What do you mean by that EI? I'm older than you by 7 years, so your the child one.

El :

Bum : Geez, you and Lu are quite a young monster but you're the most a monster one since Lu is 4 years younger than me compared to you while I'm the normal one but forgot about that one since you got me exposed so I have no choice but (pause then grab something from his pocket and kneel one knee and propose again straightforward) Ms Jun Wei An, I meet you from my family own Hotel and I got fall deeply in love with you, I've been courting you for 2 years before I got replied from you. We've been dating for 5 years and engage for 1 year because I proposed to you last year but now I want you to be got tied with me forever on your 36th Birthday, so then Ms Jun Wei An, are you willing to marry me on your birthday?

Wei : If I say no, what are you going to do?

Bum : Eh really? (Wei An nodded) then I need to propose you again and again until your willing to get married with me on your birthday because it's already been set and everythings ready. I already sent out all the invitation letters to my family and friends (then he realized something) woah, El thanks for exposing me or else I really have a runaway bride if I continue and follow with my plan.

El :

Wei : Who thinks that childish plan?

Bum : Me, why? Is it really a childish one?

Wei : Uh-uh very childish one but I'm willing Buman.

Bum : I see so it's a childish one....(pause when he think he heard something) w---what?

Wei : I said I'm willing idiot.

Bum : Really?

Wei : Uh-uh

Bum : (Jump in Joy and forgot to put another ring to her ring finger)

All :(got speechless)

El : (already got used of his antics and just grab him then said) stop jumping like an idiot and put the ring on her (then realized that his Sister in Law already wearing a ring), don't tell me you also have another ring for your wedding?

Bum : Yup, yup, yup ring for being a couple, ring for every anniversary, ring for being engaged, ring for agreed to marry on her birthday and then final ring for being my wife.

Chapter 275 - El's Weird Friend

After hearing that declaration from him everyone are in awe because of his straightforwardness but then got disappointed after hearing the later part. As a friend of him, El said to him frankly.

El : It really proves that you're really a real idiot because you're the only one I know who gives ring to their partner on every occasions.

Bum : Woah, woah it's my first time that you talk to me like that El

El : Well it's also my first time witnessing that you're really an idiot.

Bum : Aside from you, my brother also calling me an idiot one.

El : And for what reason? (Already know why but he still ask)

Bum : (pretending that he doesn't know) who knows....

Mei : Bro Bum?

Bpq : Yul Mw Salouz Bpttw Mua?

Mei : Woah you really know me

Bum : Of course I know you because you're my Sister Buddy and you are like a Sister to me.

Mei : Thanks but I need to know why Bro El and your brother calling you an idiot?

Bum : Don't know why but then the two of them start calling me an idiot after I always donate my earnings to charity.

Mei : Well, it's a good deed so why?

El : You're not telling them the real reason.

Bum : It's the truth that I donate my earnings to charity.

El : Yes it's the truth but then when you act as CEO to your family business, one day you told your family that you will sell the company and give the money to the charity because they needed it.

All : (got speechless)

Bpq : Tvuw zufiiw ruutut ao frt qw dfqaiw vfsu qfrw hmqnfraul lm luyiare mru md ovu hmqnfrw jaii rmo fduho dzmq pl.

El : Yeah it won't really affect to your family but how about your board of members? Your Employees and Staffs?

Bum : Now that you mention about it El, ha, ha, ha so that's the reason why they didn't let me handle the company and instead they just let me do what I want as long as I won't sell the company. Ha, ha, ha so then my brother become the CEO even though his my younger brother and I'm 4 years older by him.

El : Yeah very lucky indeed that you have Bro Sumin or else nothing left to your family now.

Bum : Yeah you're right but well my families well never go bankrupt since we have many branches and most of all I have An, she's always manage my accounts and other necessary things.

All : (Except An, Lyn and Aya) Secretary?

Bum : Woah, woah, how did all of you know that one? Are all of you a psychic?

All :

El : (Tap his head and replied while ignoring the last part) we're not a kid like you, so we know what it is.

An : (Tap his head also) Neh Bum, don't tell me you let me handle it without thinking?

Bum : Yes and I will let you handle everything because you're love of my life and most of all you're more important compared to money and other things.

All : (Speechless while An blushing hard)

El : And what if you meet like Bro Lu ex-wife?

Bum : Nah, I'm not that useless and I can tell who is who but well if An is like that then I just give her everything and just stay with her even if she likes it or not.

All : (Speechless again)

Bum : Ahh, by the way El, where's your beautiful sisters and wife and how come they are not here? W— wait, you said that An's younger brother married to your sister, so don't tell me you have another sister aside from those two beautiful sisters of yours. (Then looking to his surroundings and comes up with a weird conclusion) wahhh, are you El? I think you are not because the El I know is not a casanova one and most of all not a player, so how come you have many lovers? Don't tell me this is the real you El, who both likes men and women.

El : (Running out of patience and said it right away while grabbing him) since we're already here in the hospital, I guess you need to check your mind condition because you're not normal anymore.

All : (got speechless again)

Bum : Hey, hey wait I'm just kidding you know and you're El that I know.

El : Really?

Bum : (Nodded his head continuously and explain right away) yes, yes I'm kidding and El, please introduce me to them because aside from you and El, I don't know everyone here.

El : Even I already told you that they are your in laws? And did you just recognize Mei, my sister awhile ago?

Bum : Eh, you told me and did I? (El nodded) Since when?

El : (got speechless this time)

An : (Helping her boyfriend before everyone will be got disappointed of him) Bum, Rei's Brother already told you the moment you come in and then you also recognized Mei right away.

Bum : I see and by the way who's Rei and who's Rei's Brother?

An : (Speechless but already used of his weirdness) you're friend is Rei's Brother

Bum : Eh, El is Rei's Brother? (An nodded) I see, then who's Rei?

An : My Sister in law and this is Rei, you're friend Sister. Don't react and become a childish one instead just listen to me, okay?

Bum : (Going to react but then stop before his future wife will got mad at him) okay

An : Good, so then this is my Dad, Mom, my Elder Sister, my Younger Sister and my younger brother. Guys, you already meet Bum once a year after we start dating but the one you meet is not the real him because this is the real him and the Bum you know is only a facade of him. Hope you won't be disappointed because of his weirdness, Bum is a rich man and born with a gold spoon since birth but his not a hypocrite one instead his very kind and nice aside from being an idiot and a childish one. I'm the one who suggest to become his Personal Secretary because he didn't trust everybody aside from his family, friends and me but well his easy to trust a person so everyone who knew the real him will take an advantage of it so that's the reason why I suggest it to become his Secretary. Well as what I said awhile ago he might be an idiot but his an outstanding man and a graduate with first rank at S Elite Academy and become an idiot if in terms of his family, friends and me.

Bum : An, you said the idiot words many times. (complain while pouting his mouth)

An : Well you're a real idiot when I, your friend and future families here but no matter how idiot you are, you are the man I love and my future husband.

Bum : (blushing and then after that words submerged to his mind, he suddenly jumps and smile like an idiot)

An : (Grabbing his hand) stay still and stop acting like a kid when you're not.

Bum : Okay

All : (Speechless)

El : (Can't help but commented and feel embarrassed for the first time of his weirdness) I really wondered how did I become friend of you and most of all I wonder if you're really the older one compared to me and Bro Lu?

Bum : (Heard it and become childish again) what? You want me to show you my Birth Certificate so that you can believe that I'm 7 years older than you?

An : Bum?

Bpq : Hfa, vfa hmroarpu Bpqfr

An : Good and well you already know my family since you meet them every year but well you didn't recognize them since you're quite an idiot to notice it, so then this my in laws. This is Rei, my younger brother's wife and younger sister of El, which also happened to be your friend.

Bum : (Looking to Rei and El then going to comment but got stopped by An) woah, you really have a beautiful...

An : Stop with that comment of yours and I'm not yet done.

Bum : ...(speechless and have a looks as if saying 'you don't love me anymore?')

An : (got what that looks means and said it right away) I love you but let me finish first.

Bum : (Smiling and nodded his head)

An : So this is Rei my sister in law and then Mother Aya, Tae's Mother in law, El his brother in law, his wife Lyn. then this is Mei the youngest among Rei and your friend then his husband En.

Bum : (Become serious and his childish character suddenly disappeared when they greet them using the universal language one) nice to meet you again guys, I guess you might not remember me but I'm Bum, El's bestfriend, best buddy and senior.

El : My family are not like you, you know.

Bum : (Ignoring his friend and continue with his speech) by the way, why both of your sisters quite looks familiar to me?

El : Because you meet them during my wedding ceremony, you know.

Bum : No, that's not what I mean...(then suddenly got hit by realization) eh Teacher Mei and Secretary Rei?

Mei : Woah as expected of you since you're an Alumni in S Elite Academy but as what I remember you didn't become one of my student since your already graduate before I've become a family in S'elite.

Bum : Yeah but well you're famous enough in the school so I heard of you and my batchmates and underclassmens want to meet you but I never imagine that you're El sister and I never recognized you when El got married that day and he introduce both of you to me.

Mei : Ha, ha, ha I see but well how did you know my sister Rei?

Bum : Well aside from you who's famous enough in the education department, your sister is also famous in the business department field and many CEO's here in S Country eyeing her to become their Secretary but well no one can get contact number of her and can't reach since CA International and Group Company is known of its strict and tight security.

An : How about the CA Entertainment?

Bum : I don't know how strict and tight of CA Entertainment Security since I'm from the business fields but well it's CA International subsidiary so for sure they have strict and tight security also.

An : I see

Bum : (Suddenly realized that cause him to said it loud) oh, thinking about that one.

All : (except Lyn and Aya since they ask in Sean) What's wrong?

Bum : I just realized that you're not only a Monster El but you're two beautiful sisters is also a monster in disguise.

All : (got speechless again)

An : (Knowing her younger brother Tae, who's very doting to Rei, she grab her boyfriend/fiance before this brother of her explode since his wife got told as a monster by her boyfriend) ha, ha, ha he just kidding and we're going now. By the way Mom and Dad, maybe I won't go home tonight so I will ask both of you from your permission.

Bum : Eh, wh... (got covered his mouth by her)

An : I'm going to eat him tonight so I won't go home.

Wen : Ha, ha, ha so Sis you're really from the Jun Family.

An : (Ignoring her sister) so Mom and Dad, is it alright?

Mom : Yes go ahead An and you're already engage with Bum so why not.

Dad : As long as you're happy An then go ahead with your plan

An : Thanks, Dad and Mom

Bum : (get her hand away from his mouth and being an innocent he is, he didn't get any clue what they're talking about and asking her) what do you mean by eating me tonight?

An : (Ignoring him and just said to him) let's go now (then hold his hand and walk but got stopped by him)

Bum : Wait

An : Why?

Bum : It's rare for me to meet El (An nodded because she gets what he means), so El how long will you be here?

El : I and my family members are going to leave on October 10.

Bum : I see then let's meet up on October 9, 3pm at SB-SW SnackBar and Coffee Shop, I'm also calling Lu to meet up there.

El : Do I need to bring my kids and wife?

Bum : Yes, yes that's a good plan and he, he for sure Lu will be full of vinegar when I'm also bringing my future wife. Bye, bye I and my future wife will be having a whole night date. (Then the two of them leave right away leaving all of them in silent)

Wei : (Suddenly speaking without hesitation) so then Tae-nya, since is now confirmed that Sis 2 is really from our family so how come you are not like us?

Tae : I think you ask the wrong person here and I guess you need to ask Rei about that one, if I'm really came from the Jun Family.

Wen : Ah, forget about that no matter how I ask Rei about that matters, her mouth is always sealed regarding that matter. Now, back to our topic where are the kids now?

Mei : (already got informed by Jinyu since they exchanging message to each other) Jinyu already inform me that the kids are already at Sis Rei house.

All : (Jun's Family except Tae) Jinyu, who?

All : (Din's Family) since when did Mei got Jinyu's number?

Chapter 276 - Kid's Bonding Part 1

Ken and Ellyn suddenly notice the expression of Tia Wen then remember that their Uncle Tae already warning them to run away when they notice that kind of reaction from her, so automatically they give signal to their twins and then Ellyn give signal to Jinyu while Ken to Jinxi and Yuhan. All of them didn't expect that Jinxi suddenly grab Jia since they know it's their second meeting after they meet during their last Saturday Study Group but they didn't interact with each other and not even one words from both of them.

After getting out from the Hospital Room, they seated at the bench and all of them seated together and talking in Universal Language leaving Jia left alone since she only know Sean Language.

Jinxi : (The most naive one compared to them and ask them) Why are we getting out from the room?

Ken : Who knows.....

Jinxi : Ken?

Ellyn : It because Aunt Wen will become weird

Yuhan : But she only change her expression, so how come she will become weird?

Jinyu : (Already know what is it since Ellyn shared it to him and just said to them) she will become weird so it's good that we got out at the right time 'or else your innocent mind will be get corrupted from her'

Ellyn : Neh Yu?

Yu : Yes?

Ellyn : What do you mean by a shooter, since it got knock out after having s.e.x and how about bed performances?

Yu : (caught off guard and he knew what is it because he been trained in medical fields since 5 years old) w—what did you ask?

Ellyn : I said what do you mean by a shooter since it got knock out after having s.e.x and how about bed performances?

Yu : (got speechless and blushing hard because he really heard it right from her innocent Ellyn)

Ken : Ouh-ouh (then looking to both of them, Ellyn is still the innocent one and no changes of expression while Jinyu is having a red face like a tomato then he look to Butler Yan with the same expression from his young master and suddenly remembered his Auntie) Neh Bro Jinyu and Butler Yan, both of you have the same reaction of Auntie Rei when she heard that question.

Both : 'This two is really innocent and a naive one yet they are both smart'

Ellyn : Really Bro Ken? I thought Auntie Rei have that kind of reaction because she got surprised from Aunt Wen

Kur :

Yu : So both you and Ken heard that kind of question, so did you heard it from Aunt Wen?

Ellyn : Yes you got it right Yu, so do you know what it means?

Yu : I know what it means but do you want to know what it is?

Ellyn : It's up to you Yu

Yu : I see, how about you Ken? Do you want to know what it is?

Ken : Nah I'm not interested Bro Jinyu and I already make a promise to someone important to me (already treat his Uncle Tae as important to him)

Yu : 'That someone important to him must be Aunt Rei since he still a kid' (never comes to his mind that his also a kid) so Ellyn you want to know?

Ellyn : Is it appropriate for me to know what it means?

Yu : No

Ellyn : I see then don't tell me what is it and just let me know at the right time.

Yu : I see, then let's pretend that you didn't hear that one and Butler Yan, you didn't heard anything from us, okay?

Yan : Yes Young Master Jinyu

Yu : Thanks and let's go or else I and Ellyn will be late for school.

Yan : Yes Young Master Jinyu

Ken : Hey Bro Jinyu what do you mean by I and Ellyn, I'm also here you know.

Yu : Oh, right I almost forgot your existence Ken

Ken : Woah, woah since when did you become a teaser? But well you won't ever win from me Bro Jinyu, so how is it? Are you also thinking doing bed performance to Ellyn, hmm?

Yu : (Blush hard)

Ken : Woah, seeing the reactions from you Bro Jinyu, so you really think about that one, but well since you're also a good singer, then you already imagining yourself singing in front of Ellyn to te bed aside from sleeping. He, he, he I really have no talents in arts and music but well I'm still young so I don't mind. Lucky you Bro Jinyu you have a talent in singing just like Uncle Tae.

Ellyn : Oh, right Bro Ken and you have a point so that's what bed performance means, I see.

Ken : Yup, yup

Yu : (his looking the two cousins talking while he sweatdropped and wondering) 'I'm the corrupted one and this two are still innocent as they are'

Yan : (Looking to his young master and chuckled)

Yu : Butler Yan?

Yan : Oops, sorry Young Master and we're going now.

—End of Flashback—

Both : (Yuhan and Jinxi since the two other twin Ren and Lynel already got warned by Tae about his sister expression even though they didn't understand Sean but just in case since this two are also both smart just like their parents and family members) how?

All : (Pair of twins) she will become weird, that's all

Both : (Looking to them confusedly)

Yu : (sweatdropped and said to them) it doesn't matter what is it. They are all a.d.u.l.ts and we are kids, so let's have time with all of us here.

All : (forgot their topic and agreeing in unison except Jia since they're talking in Universal Language) that's right, woah, woah you are really smart Bro Jinyu/Yu.

Lynel : (Notice her sister and asks) neh Sis Ellyn, why are you calling Bro Jinyu without honorifics? Are you now a couple?

Both : (Blush but shaking their heads)

Ren : Woah, you already know what a couple means Lynel?

Lynel : Well duh Mom and Dad is a couple, so then Uncle En and Auntie Mei and last Auntie Rei and Uncle Tae.

Ren : Right and they're calling each other without honorifics, so what's the status of the both of you Bro Jinyu and Ellyn?

Ellyn : What the heck is that? I'm still young and I make a promise to Dad, so I won't break it.

Both : (Ren and Lynel) yeah you did but you can keep it a secret from them.

Ellyn : (got speechless)

Kur : Hf, vf, vf gmov wmp Rur frt Lwrui fzu zufiiw prnzutahofgiu gpo fii md pl loaii f cat wmp crmj.

Both : (answered in unison) well duh, both Conan and Ran are childhood friend then they become a couple so why not?

Ellyn : They didn't become a couple when they are kid and most of all they become a couple when they reach high school.

Lynel : You got a point there Sis but look, Bro Jinyu is more handsome compared to Conan and knowing that he received a lot of letters, he will become more popular and someday he will be get snatched away from you.

Ellyn : Are you sure you are my younger sister?

Lynel : Yes sure it is, why not take a DNA test if I'm really are?

Ellyn :

Yu : (Interrupted the two) Neh Lynel?

Lynel : Yes Bro Jinyu?

Yu : About that one, no matter how popular I am, I won't ever let go of Ellyn and will be forever hers as long as Ellyn wants me and of course no body can snatch me away from Ellyn.

Lynel :

Both : (Ken and Ren) woah, what a declaration from you Bro Jinyu

Yu : Yeah but that's the truth

Lynel : Ehem, ehem are you really sure that you are an Eight (8) years old Bro Jinyu? I mean are you not hiding the real you in disguise?

Yu : (speechless)

Yuhan : Ha, ha, ha what a rare of reaction of that Bro Jinyu? But well, yeah his really an Eighth (8) years old Boy, Lynel but well he already sent many boys away from Ellyn, so what he said is the truth and I think you already know that all his letters are in Ellyn good hands.

Ken, Ren, Lynel, Jinxi and Yuhan are joining forces to tease the two little love birds even they are still not a couple but they already act one until Jia can't hold it anymore since she got left out and didn't understand what they are talking about, so she hold Ken arms and interrupted him.

Jia : Ken?

Ken : (stop teasing the two and ask concernly) what's wrong Sis Jia?

Jia : I'm still here you know and I don't understand any of it

Ken : Sorry, I almost forgot that you're with us.

Jia : It's alright Ken

Ken : Neh guys, we almost forgot that Sis Jia is with us and she didn't understand what were talking about. Both Ren and Lynel doesn't know Sean but knowing the two of you are smart enough then I think you need to study Sean Language starting today.

Both : What the heck? We're not staying here, so why?

Ken : Right but it will be use in future especially both of you Ren and Lynel.

Both : How?

Ken : Who knows how but you need to do so because our new cousins are both Half Ceno and Half Senian, so you need to know.

Ren : That's right you got a point Bro Ken even though we are sure that Auntie Rei will teach them Ceno but I and Lynel need to learn since we're going to protect them even though we're away.

Ken : Good

Both : (Ellyn and Jinyu notice the two closeness while thinking the same thing) 'Kaede is in danger and what's wrong with Bro Ken/Ken actions now?'

Yuhan : (also notice their closeness and ask bluntly) don't tell me you like her, Ken?

Ken : What the heck is that? I treat Sis Jia as my elder sister and where did you come up with that kind of conclusion Bro Yuhan?

Jia : (Who really admire and like Ken suddenly feel pain without knowing why) 'I'm really a sister to him, it's hurts hearing it from him but why?'

All : (notice Jia's expression but except Ken) 'so she really like Ken/Bro Ken'

Ken : (notice their reactions except Jia since she's standing beside him) Geez what's that looks means?

Yu : (stop this naive and blunt friend of him before his going to hurt this little girl heart without even realizing the real reason) nothing Ken, so then what are we going to do?

Ken : Don't know

Ren : (whisper to Jinyu in Ceno) thanks Bro Jinyu for stopping my brother even though he didn't realized it yet.

Yu : You know that I understand Ceno?

Ren : Obviously since you can differentiate between Ellyn and Lynel on that day we first meet and then it also happened that you know Auntie Rei

Yu : 'they are twins and his more sensible compared to Ken' so you also know that Kaede likes your Brother?

Chapter 277 - Kid's Bonding Part 2

Hearing that question from Jinyu, Ren is not surprised since he like his cousin Ellyn and just simply answered in Ceno.

Ren : Yeah you got it right and knowing that you know about it, it might because Ellyn told you that one but well I also admired Kaede but opposite to yours towards Ellyn.

Yu : You and Ken are really twins

Ren : What kind of conclusion is that, so aside from having the same face, are you still wondering if we are twins?

Yu : (Laughing) nah, I'm not but you are more sensible compared to Ken.

Ren : Nah, I'm also not since I also did the same thing.

Yu : By pushing Meng Shi towards Ken eventhough the one she likes is you?

Ren : Woah, you're quite knowledgeable about it and Ellyn really trust you that much since she's not a talkative type. (Then suddenly realized) wait, you're not quite surprised about the condition Ellyn spoke about, so don't tell me Ellyn also said that one?

Yu : Yeah and I already know what is it so I will wait for her.

Ren : (Looking to Ellyn teasingly)

Ellyn : What's that looks means Bro Ren? (ask in Universal Language one)

Ren : Nothing (also replied in Universal Language and then all of them talking in Universal Language and Jia become left alone again)

Ken : Hey what are you talking about and since when did you become close?

Ren : Don't know when

Yu : (Laugh this twins antics and answered this two) maybe because you're twins so I also treat Ren as my best friend.

Ren : When did I become you're best friend? And are you sure it's best friend and not a brother in law instead?

Yu : (got caught off guard but since Ken already said the same thing, his now getting used of it) yeah in future but we will both become brother in law and best buddy in the future.

Ren : Woah, Ellyn you're future husband is really set and it's Bro Jinyu

Ellyn : Can you stop teasing us, Bro Ren?

Ren : I won't and I only have today to tease both of you, so my apologize in advance.

Bmov : (emo Inuuhviull md val giprorull)

Ren : So then, when did you like Ellyn, Bro Jinyu?

Yu : I won't say it to you and Ken also the same thing but I won't since Ellyn still not know that one,

Both : Stingy

Yu : Hai, hai but after Ellyn know then I will tell both of you.

Both : When?

Yu : After we become a couple

Both : But you already a couple

Yu : We're not and I'm still waiting for Ellyn

LyneL : Ha, ha but Bro Jinyu Ellyn also like you the...(got stop because Ellyn covered her mouth)

Ellyn : Don't listen to her Yu and she just blabbering something.

Lynel : (glared her twin sister but it doesn't affect to her)

Yu : (got amuse because Ellyn is really fast to covered her twin sister mouth)

Jinxi : Ken and Ren?

Both : What?

Jinxi : You want to know when did my brother likes Ellyn and how? (Jinyu already got alert after hearing his brother)

Both : You know?

Jinxi : Of course I know because I also.....(got stop automatically by his brother since his mouth got covered by his brother hands)

Yu : Don't mind about him Ellyn. Ken, Ren and Lynel you will know about it but Ellyn need to know first, okay?

Both : (Only Ken and Ren since Lynel still got covered by her twin sister) then just tell it to Ellyn

Yp : Nmo ovu zaevo oaqu

Both : No worries, we will keep it a secret

Yu : I'm a Man of my promise

Both : But you're a Kid and not a Man.

Both : (Lynel and Jinxi struggle from this siblings then when they got release they said in sync) I almost lost my breath, geez are you really my sister/brother?

Both : (Ellyn and Jinyu) yes I'm really are, why? Are you disappointed?

Both Lynel and Jinxi glared their siblings before running away then hiding behind the other twins who's amusedly looking to them. Lynel hide behind Ren while Jinxi hide behind Ken.

Lynel : Where's my sister that I know?

Jinxi : Same here where's my brother that I know?

Both : (got speechless of their siblings antics and most of all they got shocked since they have the same comical reactions)

Ken : Alright stop with threatening your siblings Ellyn and Bro Jinyu, seeing the two of you acting like that you are like my Mom and Dad but for now, let's get back to them now.

Ren : Yeah, that's right they will be get worried for us now.

Yu : Let's wait them at Aunt Rei house.

Both : But.....

Yu : Stop being silly when you are not and for sure they're still talking that it's not good for us, so let's wait them at Aunt Rei house and I will inform Aunt Rei that I drop you off, wait Aunt Rei just give birth today so I'm going to inform Uncle Tae instead (then get his phone and called his Butler then instructing him right away) change the car for 10 capacity and let Butler Hu come with you, do it within 30 minutes and inform me when you're already here in JL Hospital, also do what I always do when I'm visiting Aunt Rei house (and hung up right away, realizing that all of them except Jia looking at him seriously and as if

saying 'woah, you're really a Young Master indeed' and what surprised him more are both his brother and Yuhan also have that kind of looks with the pair of twins) Xi and Yuhan?

Jinxi Ha, ha, ha you're really a Young Master Bro Jinyu because I'm not like that since I'm calling my butler as Uncle Hu.

Yuhan : Same with me I have butler but I called them Mr and so on.

Yu : But I'm not a bossy Young Master

All : (Except Jia) Yeah you just did it awhile ago. (said in unison that all patients and people inside the hospital premises lobby are looking to them) oops, sorry everyone.

All : (Patients and People inside the hospital thinking the same thing) 'they are really handsome boys and pretty girls then four of them are wearing the S Elite Academy uniforms'

Kur : (nmcare Jarwp) Bzm Jarwp, Bzm Jarwp

Yu : What?

Ken : (whispering to him) this is your family hospital right?

Yu : Yes I already told you, why?

Ken : Well poor them they didn't recognize you and Bro Jinxi as the young masters owner of this hospital.

Yu : That's what the only concern you have?

Ken : Yes that's all and I already know why everyone doesn't recognize you since you're family keeping low profiles.

Jinyu going to reply but then stop when his phone rings and receive it right away then hung up while said to everyone.

Yu : Let's go now and you can come with us Miss

Jia : Eh, me? (Jinyu nodded and she got speechless)

Ken : (see this interactions and suddenly laugh) what the? You're calling Sis Jia as Miss? (then continue laughing)

Yu : Shut up (then grab the laughing boy and said to them) let's go now

Ken : Woah, woah, you're holding the wrong person here

Yu : I'm not, see? (Yu also grab Ellyn on his right hand)

Ren : Why are you holding Ellyn arm and not her hand?

Jinxi : Yeah, right Bro Jinyu, why are you not holding Ellyn hand?

Yuhan : Don't be shy, all of us here are your friends, so just hold her hand.

Lynel : That's right, that's right and we won't tell anyone that you hold Sis hand

Yu : Shut up you teasers, if not then I will leave all of you here except Ellyn

All : (Except Ellyn) go ahead but you will be an irresponsible one since you're the older one among all of us here.

Yu : ...(walk out but slowly walking since he have both Ken and Ellyn on his sides while the other kids following him)

Ellyn : Guys, stop teasing Yu, alright.

All : And here's the wife

Ellyn :

Ken : Ha, ha, ha enough guys or else Bro Jinyu will never let us eat the snacks later.

All : Eh, we have snacks?

Ken : Yes, yes, we have and knowing Bro Jinyu who will always bringing snacks everytime his going to Auntie Rei house, I'm 100% sure that we have snacks, so let's not tease him or else he will give the snacks to someone else other than us.

All : I see, sorry Bro Jinyu and we're going to stop teasing you. 'For the sake of snacks we won't for the meantime' (they only thought for the later part'

Yu :

Ken : (notice Butler Yan opening the Van and approaching him while asking) Uncle Yan, Uncle Yan?

Yan : Yes Ken? (forgot calling him Young Master because he also got excited by Ken excitement)

Yu : Why are you not calling him Young Master?

Ken : Geez what a strict Young Master. Don't mind your Young Master Uncle Yan, so then did this young master of yours (pointing Jinyu on his nose) also told you to bring snacks for us?

Yan : Yes Young Master Ken and indeed Young Master Jinyu instruct me.

Yuhan : When did he instruct?

Yan : Young Master Jinyu instruct me during the call Young Master Yuhan

Yuhan : I'm not you're Young Master, so you can also call me Yuhan

Yan : 'What the heck with this two kids? Are you two planning to get me kicked out by this cold Young Master of me?'

Ken : (Notice the expression of Butler Yan) eh, what's wrong Uncle, are you scared with Brother Jinyu? His not scary you know because his very kind and a nice boy. Ah, that's right if someday this young master of yours is bullying you then just tell it to Elyn and you will be safe from this young master of yours.

Yan :(got speechless but he take note with that reminder of him)

Yu : Let's get in (then his Butler open the door automatically and all of them get in)

Ren : (Heard the same sentence from his brother of what his Mom said in the lobby of emergency room and ask him) neh Bro Ken?

Ken : Yes?

Ren : What do you mean by this 'woah, you're really such a very kind and nice boy Ren?'

All : (all Senians kids ask in Sean) eh you know Sean?

Ren : What the heck is that?

Ken : Hearing that one, so you only heard it from Mom, right?

Ren : Uh-uh

Ken : Mom said that woah you're really such a very kind and nice boy Ren.

Ren : That's all?

Ken : Yes, why?

Ren : What the? I thought Mom giving me a mission, so I really take note of that sentence.

All : (Except Jia) 'where did he get that kind of conclusion?'

Ren : What's with that expression everyone?

All : Nothing

Ren : (then notice Jinyu message someone from his phone and before he send it, he interrupted him) Neh Bro Jinyu who are you sending that message?

Yu : I'm going to inform Uncle Tae that we're going to wait them at their house.

Ren : Nah, nah, don't message Uncle Tae instead send it to this number XXXX-XXXX

Yu : And who's that number Ren? (Ren just laugh) why are you laughing?

Ken : Just do what my brother say Bro Jinyu and you will know it who.

Yu : Who?

Both : (Ellyn and Lynel) why are you giving Auntie Mei's number Bro Ken and Bro Ren?

Ren : Well Auntie Rei is too serious and she will only help Bro Jinyu to become you're friend Ellyn and for sure she will only let Bro Jinyu do his best to win you while for Uncle El, nah his not a good choice since his too strict or he might a hindrance of your love affair Ellyn.

Ken : Yup, yup and the best choice is my Mom because she will give advices to Bro Jinyu, so Bro Jinyu you heard it right, so it's your choice to message Uncle Tae or my Mom.

Yu : (touch with the twins supports for him and Ellyn) thanks Ken and Ren.

Chapter 278 - Mei and Jinyu interactions

After thanking with the twins help, Jinyu messaging their Mom Mei right away.

Yu : Good Afternoon Aunt Mei, this is Jinyu, Ren give me your number and I'm going to drop them at Aunt Rei house.

Mei : Oh you got my number from Ren?

Yu : Yes, are you mad?

Mei : Nah, I'm not and I'm just happy since Ren initiate first because I'm going to ask your number but then they are two monster who's always monitoring me.

Yu : You mean Aunt Rei and Ellyn's Dad?

Mei : Hai, hai you got correct for her Dad and the other one is wrong since it's not Rei instead it's Ellyn Mom so then are you really going to drop them off?

Yu : Yes, why?

Mei : What's your curfew time?

Yu : 5pm Aunt Mei

Mei : Oh you still have an hour left.

Yu : Yeah and we're lucky that the class ended around 3pm today since the teacher's have their monthly meetings so we see the two babies.

Mei : You can go home around 6pm and just chat with the kids, I mean not only to Ken and Ellyn since Ren and Lynel will become more helpful to you though they are more teaser compared to Ken but they are not naive enough compared to Ken who's only his attention wholly focus with his Auntie Rei, well he really loves my Sis aside from me and his Dad.

Yu : I see and okay I will but need to tell my parents first that I will be going home beyond our curfew time but what about Yuhan?

Mei : Nah, don't worry I will inform his mother.

Yu : Thanks Aunt Mei and please just tell Aunt Song that I'm going to drop Yuhan.

Mei : Okay, so now back to the topic.

Yu : Eh?

Mei : It's about you and Ellyn, how's your progress? Are you already a couple?

Yu : Not yet Auntie Mei and I'm waiting Ellyn when she turns 16.

Mei : So Ellyn already inform you about my brother condition to her.

Yu : Yes

Mei : Well seeing the two of you, you're already close enough and then Ellyn already calling you without honorifics, so it's such a progress for both of you but let me know when are you going to court her?

Yu : When she's turn 16 Aunt Mei

Mei : Are you willing to wait her that long?

Yu : Yes Aunt Mei

Mei : Well, well I have a good suggestion but you can also tell this to Sis.

Yu : But Aunt Rei only helping me to become friend of Ellyn and she already did what she promise.

Mei : Are you really sure about that she's only want you to be friend with Ellyn?

Yu : Yeah, why?

Mei : Tsk, tsk you're still a young boy Jinyu but well thank goodness that my son give my number to yours, so this Aunt of yours will give you an advice and a secret.

Yu : Is it really okay for me to know?

Mua : Yul, wul gpo cuun ao f luhzuo.

Yu : Thanks Aunt Mei and I will.

Mei : Good so then a secret first, do you think your Aunt Rei only support you to become friend of Ellyn knowing that you like her? Do you think she support Ellyn to study here knowing that you like her? And last why did she allow all of you to have a weekend study group in her house knowing that Ken suggests this to her for you to be closer with Ellyn and knowing that you like her?

Yu : (Realization hit him and blush then replied) so all this time Aunt Rei also supporting me to be with Ellyn?

Mei : Yes Dear and we only wait for the right time since both of you are still young.

Yu : T—then....

Mei : What is it Dear?

Yu : Is it okay for me to court her when she's 15 and then registered our marriage when she's 16? I know it's still early to get married but I want to be with her and 16 is the right age here in S Country to be legally married. Ellyn is going to become a singer here and I don't know when, so I want to be tied with her secretly and will always support her dreams.

Mei : I see but care to share that one to your Aunt Rei since she's going to be her Personal Artist Manager.

Yu : Eh?

Mei : So Ellyn didn't told you yet?

Yu : She didn't told me that Aunt Rei is going to be her Manager, Aunt Mei.

Mei : I see, so Ellyn didn't tell you that one since she's still studying at the moment and knowing my sister, she might already said that she will only pursue her singing career during university and get a degree of Theater and Performing Arts Course.

Yu : I see and you might already heard it from Ken but I need to tell you properly that I'm going to follow my Dad's steps.

Mei : Eh by becoming a paparazzi?

Yu : No... not that one Aunt Mei. My Dad is a silly one to become a paparazzi for supporting my Mom when indeed he can support Mom on secret and behind the scene. I will become a Chief Physician and then supporting Ellyn behind the scene though knowing Aunt Rei who's amazing enough so she can do it without my support but well Aunt Rei can't give as what husband can give to his wife.

Mei : You are really m.a.t.u.r.e compared to your age, well as expected of you since you're the eldest heir of JL Hospital.

Yu : Yeah Aunt Mei, I can't help it since I cannot choice my family but well I'm glad that I came from this family because if not then I won't know Ellyn by chance since I will not meet Aunt Rei.

Mei : Eh, don't tell me you're also related to Mr Hwang?

Yu : Uh-uh, his my grandpa since my grandma is my grandpa younger sister.

Mua : Sm Dmh Arrau al wmpz ezfrtqf?

Yu : Hai, hai

Mei : I see, alright let's stop chatting today since the two monster already suspicious enough about me and your Aunt Rei already give me a warning look but well Sis support you but then the other monster which also happened to be your future Dad in Law and Mother in Law are quite strict, so let's stop for awhile and go chat with the kids before they start suspecting something that we join forces.

—End of Conversation—

Yu : 'But Ren and Ken is the one who advise to contact you Aunt Mei'

Yan : We're here Young Master Jinyu

Yu : Thanks Butler Yan

Yan : You're welcome Young Master Jinyu

Yu : (then get the two basket of snacks and carry it while getting out the car)

Ren : (First time seeing him carrying it) eh, you're not going to ask your Butler to carry it Bro Jinyu?

Yp : Wvfo tat wmp ovarc fgmpo qu, vpv?

Ren : He, he, he I thought you're a spoiled young master Bro Jinyu

Yu : (sweatdropped)

Ken : Hey, hey, Ren although he looks like that his kind and nice you know, look his the one carrying his bag and Ellyn bag for the whole time.

Ren : Ahh, that's right but well Bro Jinyu this is your family car right?

Yu : Yeah, why?

Ren : Then why not leave your school bag in the car, see Bro Jinxi already leave his bag.

Yu : (speechless then leave the bag and said to Yuhan) Yuhan you can also leave your bag here and we will going to drop you off first.

Yuhan : Ahh, I see thank you Bro Jinyu

Yu : You're welcome Yuhan. Butler Yan just wait us here and here this is your share and Butler Hu share.

Yan : Thanks Young Master Jinyu

Yu : Don't turn off the engine since it will be hot inside, okay?

Yan : Yes Young Master Jinyu

Yu : Just do I say alright and don't turn it off, okay?

Yan : Yes Young Master Jinyu

Yu : Good and guys let's go.

Chapter 279 - Jia's New Friends

The group of 7 kids are now riding at the elevator and when they arrive at the last floor they get out right away and now standing while facing the door, Ken open the door using the keys since they didn't disclose to them that their Auntie Rei is R and only a family members who will only know that one, so

they didn't use the thumb prints one or else their Auntie cover will be exposed to them especially to Jinyu who's very smart and a genius one.

All of the kids who's wearing uniform just take off the blouse or polo shirt and leaving only their sandos above and the kids are now seating in the couch.

Ren : By the way Bro Jinyu what did you talk to Mom?

Yu : It's a secret between me and your Mom, Ren

Ken : Stingy

Yu :

Lynel : The moment you have a conversation to Aunt Mei, you always blushing Bro Jinyu so it's about...(got stopped by her cousins and reminded by them)

Both : Snacks

Lynel : Oops, I almost forgot that one, he, he, he, he so then (looking to other kids and continue) before we forgot the whole existence of Sis Jia, what are we going to do now?

All : (Except Jia) ouh-ouh

Lynel : What the heck? You really forgot about Sis Jia? (they nodded and then she's looking to Jia)

Jia : (In Sean) It's alright Ellyn though I don't understand what it is, but I'm really fine.

All : (Except Lynel) Lynel

Jia : Eh?

Ellyn : (Explain to her) Sis Jia, she's Lynel my younger twin sister and she's the one who didn't forgot that you're with us and sorry for that,

Jia : Y—you, you're Ellyn and this is Lynel?

Eiiwr : Yul Sal Jaf

Ken : Now speaking about that, how come you can tell me right away Jia?

Jia : (just blush)

All : (Except Ken) 'it's because she likes you Ken / Bro Ken'

Ken : Oh, right speaking about that except me and Ellyn, all of you didn't introduce properly to Sis Jia.

Yu : That's right Ken, so I'm Li Jinyu, 8 years old

Jinxi : Li Jinxi, 7 years old

Yuhan : Min Yuhan, 7 years old

Ken : His Jang Ren my younger twin brother, 6 years old

Ellyn : Din Lynel my Younger twin sister, 5 years old

Jaf : Ja Jaf, 8 wufzl mit rahu om quuo wmp epwl

All : (except the twins) nice to meet you also

Jia : All of you can continue talking using the Language you converse for the whole time and I won't mind it.

Ken : It's alright Sis Jia, I and Ellyn will help translate it to them.

Jia : Thank you Ken

Ken : (smiling while replying to her) he, he you're welcome Sis Jia

Jia :

All : 'That's a foul play Bro Ken / Ken'

Ken : Eh, why are you having a red face Sis Jia?

Jia : Nothing

Yu : Let's eat the snacks first and then seat beside me Ken (already grabbing Ken and let him seat beside him)

Ken : What's with that Bro Jinyu?

Yu : Who knows but are you not going to eat?

Ken : I'm going to eat, geez Bro Jinyu if you continue like that then you are really going to become an old man at very early age.

Yu : At least an old man who's sensible enough.

Ken : What do you mean by that?

Yu : Who knows and now eat

Ken : What the? Am I your son?

Yu : Maybe yes or not

Ken :

The kids eating their snacks, well they're still a kids so they love to eat especially snacks but it's a healthy and nutritious snacks since Jinyu came from family with a background in medicine fields.

They eat and eat quietly until Jinxi suddenly ask but luckily he ask using the universal language one.

Jinxi : So Ken you like her? (pointing Jia who's busy eating the snacks that she failed to notice that they're talking about her)

Ken : Where did you get that idea?

Jinxi : I don't know but you need to answer Yes or No.

Ken : (didn't get what he means and answered him) yeah I like her, I also like you and everyone here, why?

Jinxi : I didn't mean it that way what I mean is what Bro Jinyu feel towards Ellyn.

All : (except Jia) Bro Jinxi / Xi?

Ken : It's find guys and I get what you mean Bro Jinxi but I'm still young and I still don't know what it means, so I won't answered you because I also don't know, right now I only treat her a sister.

Jinxi : I see then I think.. .

Yp : Somn dmz f qmquro Xa frt Eiiwr em, fii md wmp qplo vfsu f eazi ofic.

Ellyn : Okay

Lynel : Geez Bro Jinyu, are you an idiot one? And how can I converse when I don't understand the language here?

Yu : You want so stay with us?

Lynel : Yup, yup Sis Ellyn can do it alone and I'm not useful enough so I will stay here.

Yu : Okay, then Ellyn... (stop when he realize that Ellyn glare her twin seriously) 'is Ellyn jealous to her own Sister? And it's my first time seeing her like that since every time I received a letter she didn't have any reactions like this'

Lynel : (suddenly feel the scary aura from her back and look where it comes) what the? Why are you looking at me like that Sis Ellyn? I'm not going to steal him away from you so just relax and calm down, duh even though we're twins we have different likes and yes his handsome but not my type, so be at ease okay?

Ellyn : Remember that one Lynel (said in seriousness then back to her own self and asking Jia in Sean) Sis Jia, do you want to look my dress?

Jia : (who also like dress) Really?

Ellyn : Yes you can

Jaf : Bpo vmj fgmpo mpz dzaurtl?

Ellyn : Nah don't mind them, let's go. (then grab Jia and go to her room)

Lynel : (after making sure that her sister is out of sight, she sighing in relief) phew, if glare can really kill a person then all of you already found me 6 feet under the ground

Ren : Yeah you really are Lynel but it's my first time witnessing Ellyn being like that.

Lynel : Now talking about that, guys is this normal for Sis to become like that? (all shaking their heads) what? It's your first time also? (and everyone nodded) what the heck and how will my Sis react when she witness you receives a lot of letter Bro Jinyu?

Yu : She's very normal and no reactions.

Ken : Yeah very normal but her reaction right now is a carbon copy of what we always witness from Bro Jinyu

Lynel : I see (then realized that Jinyu seated beside her), hey why are you seating beside me? Do you want me to be get killed by your wife? (then avoid him and seat beside her cousins)

Yu : I just realized why Ellyn become like that.

Lynel : Bro Jinyu that smiles of yours, don't ever think about using me to get my sister jealous.

Yu : Silly I'm not that idiot to use a person to get the person I like and especially to her sister, so relax alright?

Lynel : Then just now why are you smiling like an idiot?

Yu : It's because I just realized that you two really exactly look the same and everything of you is a carbon copy.

All : (speechless and dumbfounded)

Jinxi : (as a brother of him, he stand and check his temperature by touching his head) no fever guys, so his normal.

Yu : Hey, what do you mean by that Xi?

Xi : Well I thought you have a fever since you've become an idiot and since when did an identical twins to be different huh?

Yu : (just realized that his brother is really right)....

Lynel : Neh Bro Jinyu everything between me and Ellyn is not really a carbon copy because Sis like a girly type things while I'm not, so keep that in mind and I don't want to die without meeting my partner yet.

Yu : Noted, so now back to our topic, Xi what are you going to say to Ken awhile ago?

Xi : Ahh, that's right I almost forgot about that one.

Chapter 280 - Ken presumption

After hearing that reminder from his brother, Jinxi look where Ken seated and said to him directly.

Xi : Ken I think she likes you

All : (Except Ren and Lynel) 'Since when did he become observant about this matter?'

Ken : That's what I also thought Bro Jinxi but I don't want to assume because it's only my presumptions and I'm not really sure if I'm right or not. I mean Sis Jia never give me any letters to me so maybe I'm just being paranoid. Paranoid of thinking that maybe I got it right or not because if I got it right then what would happened to Auntie Rei and Uncle Tae when I hurt Sis Jia feelings since Sis Jia is Uncle Tae's niece and then if I got it wrong then it would very embarrassing to our family, I mean as Auntie Rei nephew who assumes that Uncle Tae's niece like me.

Ren : (can get his brother concern and tap his head) relax Bro Ken and you just overthinking. You're the only one who always saying that you're still young and we don't know our future ahead so just don't be bother about that. Of course both Auntie Rei and Uncle Tae are a.d.u.l.t.s and m.a.t.u.r.e enough that they can handle it well, so just focus on your own things but the only thing you need to do is keep out stealing Sis Jia heart.

Lynel : Woah Bro Ren, I can't believe that I really heard it from you, are you really sure that you and Bro Ken are not Conan in disguise?

Both : And where did you come up with that conclusion, huh?

Lynel : Who knows, maybe too much watching Detective Conan I guess

Ypvfr : Guux ovu ovzuu md wmp fzu zufiiw hmplarl jaov ufhv movuz gpo dmz rmj Rur vfsu f nmaro Kur, Im wmp ruut om fsmat loufiare vuz vufzo.

Ken : This is my character you know, so I can't avoid it.

Jinxi : Yeah this is you and what you are Ken but you need to be careful especially to those girls who have very low immunity towards you.

All : (Except Jinyu they said it in unison) phew, acting like an a.d.u.l.t is really hard (looking to each other then they laugh)

Yu : (speechless and then said to them bluntly) all of you are already cool enough but then become a kid on the later part.

All : We are all kids, remember?

Jia : I see. (then Jia continue looking Ellyn clothes from the wardrobe)

Ellyn just observing Jia and thinking 'and the one I really want to be with Bro Ken is Kaede, sorry Sis Jia I can't tell you that one but Kaede is the one who know Bro Ken first. Well I won't push Bro Ken to be with Kaede since it's his choice but the one I really want to be paired with Bro Ken is Kaede, she's been crying the moment she knows that Bro Ken studying here until now but then both Bro Ren and Lynel comforting her that he will be back after reaching his goals which she doesn't know about it since it's only exclusive for family members (sighing), at least the one I like also like me but I don't know what both of them feels when someday Bro Ken will find someone he like' Ellyn continue wondering but then cut off when she heard a knock from the door.

Ellyn : I'm a bias friend because I only want Kaede to be with Bro Ken

Yu : I see but it's upto Ken choice and you don't need to be get troubled with it.

Ellyn : Yeah (then looking to Ken's direction and commented quietly) geez, if Bro Ken already the same with you Yu, then Kaede's future to be with him is forever secure.
