

Last Man 301

chapter 301 - Team's Meetings

All of them, the Teams, Mr. Hwang and Lina are now inside the conference room and waiting who's going to speak first. Everyone except who's aware of it are now looking to each other since they are confuse what's going on and how it's related to Tae's post of this sudden meeting of them.

Hwang : (First one to speak out) alright stop looking everyone and listen first to me.

All : Yes Mr. Hwang

Hwang : Okay, so first all of you already aware that Manager Rei is not only a Team Manager of yours but an Artist Manager, right?

All : Yes

Hwang : Artist Manager not only means that will only scout an artist and assign Manager for the said Artist but Manager Rei main role as the Artist Manager is assigned everything to CA Entertainment Artists welfare and well being.

All : Eh? (Except Tae, Lina and Rei)

Hwang : Alright stop being surprised and shocked but only this team know what Manager Rei main role as an Artist Manager and I know she can do that because Manager Rei is my former Secretary. For now our Main Concern, is why are we here and how is this related to Tae's post, right? (Everyone nodded). Alright, I, the Artist Manager which is Rei and Artist Director Lina (everyone are not aware that Lina is Mr. Hwang youngest daughter including the Team, only the one who's closer to Lina knows her real identity) are already monitoring about H.EM Entertainment since the news release that they bought that entertainment and who's also happened to hired a lot of paparazzi for their convenience. All of us might forgot that the main sources of H.EM Entertainment is their Entertainment News since few years ago they are engaging with Entertainment Fields that involves celebrities and artists. Both our Artist Manager and Artist Director already get evidences that this paparazzis hired by them are always lurking

around and following all artists that signed here which is CA Entertainment but then yesterday Tae approach me first and suggest this plan to me.

All : Eh? T—t—then, is it really connected to Tae's / Bro Tae Post?

Hwang : Yes

—Flashback—

Yesterday around 4am, the team already in the studio for preparing their next schedules meanwhile Tae excusing himself to go out since he feel hungry just for an excuse because his going to Mr. Hwang residence and inform his plan. He ride the VIP Elevator and arrive at the last floor which is Mr. Hwang pent house because he already know that if Mr. Hwang is not in his office, he will be at his house. Tae press the doorbell and it happens that Lina husband was the one opening door.

Lu : Ohh, you're here Mr. Jun.

Tae : You're living here Mr. Lu?

Hwang : (happened to heard him and replied) why? Is it not allowed for my Son in Law to live here, Tae?

Tae : ..... (got speechless)

Lina : Geez Dad, you're teasing Mr. Jun and by the way Mr. Jun since I got pregnant, Dad didn't allow me to leave at his side, so both I and Wen decide to live here with my parents.

Dad : You don't need to explain Lina. By the way Tae, why are you here in my house and not in the office?

Tae : I already visit to your office Mr. Hwang but you're not there so that's why I'm here.

Dad : I see so.....(got interrupt by Lina)

Lina : So where's Rei?

Dad : Why are you interrupting me and what kind of daughter are you?

Lina : Eh, you're not going to ask where's Rei?

Dad : I'm not and I think you already know that Rei will reporting back on December 1.

Lina : Ohh, I forgot that one, Geez, since I've become pregnant, I have now a baby's brain on me.

Dad : Don't blame my granddaughter and stop acting like this because you are not like this.

Lina : Then, do I need to leave here with my husband and live with our own household?

Dad : (Ignoring his daughter and ask Tae) so why are you here Tae?

Tae : The main purpose of why I'm meeting you Mr. Hwang without notice is because I want to post from my private SNS Account about my babies. It's not their feature but instead two baby cribs with a caption of Welcoming of Two Little Angels to our Family.

Dad : I see, so you're now going to disclose your relationship with Rei.

Tae : Not totally disclose Mr. Hwang but a Hint to them and also after I will post that one to my SNS Account, Rei will be here along with you for having Team Meetings. I will let the public know about the babies but I won't disclose to them that it's my childs but I will tell the team that it's my child without letting them know that Rei is the mother and my wife. Well Rei already told me that I can post the photo of baby cribs with a caption of Two Little Angels or New Members of the Family without alarming the public but I change to be like that because I'm now giving them a Hint. For sure this well let the rival company which is H.EM Entertainment to move openly and not lurking around.

Hwang : I see, so then you will set a trap for them so that we can capture the mouse.

Tae : Yes and also Mr. Hwang not only them but I'm also setting this trap for the other paparazzi's to be alert.

Hwang : Did you already informed this to Rei?

Tae : Yes I already inform her and she didn't oppose what I plan instead she support me whatever I plan. Rei suggest that tomorrow is the right time since we will be having a live interview tomorrow which both parties agreed that will only talk about our activities and not our personal life, so I'm safe for any question about the post but instead I will only tell them that it's a fraternal twins and they are the new member of Jun Family.

Hwang : I see and whatever it is just go with your plan since Rei also agreed with you.

Tae : Thank you Mr. Hwang and don't worry I'm already planning to disclose my relationship at the right time.

Hwang : That's good and by the way tell Rei that she will not forgot about me of becoming the Godfather of your twins.

Tfu : Ov, I fiqmlo dmzemo fgmpo wmp Mz. Hjfre.

Hwang : You're the one listing and not Rei?

Tae : Yes and I don't want Rei to become more busy when she already is. By the way Mr. Hwang the twins baptism will be on November 07 and that's all Mr. Hwang, I'm going now before the team start looking for me.

Hwang : Yeah you can leave now Tae (then Tae leave right away)

Lina : Do I need to appear in the Team Meetings tomorrow?

Hwang : Of course and who's the Artist Director?

Lina : Me but I have work Dad.

Mom : (Only heard the later part since she's done cooking) work? Lina, my dear don't tell me you're still working and didn't resigned from your work?

Lina : I.....(got stop by her Mom)

Mom : No dear, I don't want to listen your explanation since you always making excuses, so then Wen, did this daughter of mine already resigned from her work?

Wen : Yes Mom and she already resigned after knowing that she's pregnant.

Mom : I see, that's good and what about work she's talking awhile ago?

Wen : She means work as the Artist Director Mom

Mom : Good, good and well Lina that's your punishment because you're Dad always your scapegoat everytime you have a mission (then suddenly laughing when she remembers something)

Lina : And why are you laughing Mom?

Mom : I just remember that you will resigned as Police Officer after reaching your goal as member of the Bomb Squad but instead you resigned since you got the bomb instead.

Lina : ....

Mom : By the way, who's the sudden visitor at this early morning?

All : Mr. Jun / Tae

Mom : Eh, why are you.....(didn't finish her question since the Father and Daughter pair answered her)

Bmov ; Rua al rmo jaov vaq

Mom : Oh, I see. By the way Dad (Mr. Hwang) and Lina, tell Lin (son and Lina's brother) that he needs to hurry because both his Sisters already done baking a bun.

All : Bun?

Mom : Duh, what I mean is Rei already have twins and you also have baby in your w.o.m.b, so tell Lin to hurry or else I will drug him so that he will i.m.p.r.e.g.n.a.t.e his wife. That idiot already married for 5 years and yet he doesn't have produce at least one because his too focus on his work as the President of CA International and Group Company. Geez how much more if Dad (Mr. Hwang) will pass his position to him as the CEO?

All : .....(got speechless)

—End of Flashback—

Hwang : Alright stop looking to Tae like that and if looks can kill a person, then Tae already die from that. So for now I will give the floor to Manager Rei.

chapter 302 - Rei's presence never fades

After hearing Mr. Hwang signal, Rei stand right away and now standing on the podium while looking to the team who are still confuse what's going on and what's situation that they don't know about.

Rei : Alright guys stop looking like that and we will know it later but first before we proceed this meeting, I need to ask Tae.

Tae : Yes Manager Rei what is it?

Rei : How are you related to that post you posted today from your SNS account and who are they to you? (Asking her husband so that she can select better option for them. If Tae admit the truth then she will proceed what her husband plan and if not then she will suggest another plan but then she already his answer.)

Tae : My child and I'm the father of the two babies.

All : Eh? (except for those who know)

Both : (Lina and Mr. Hwang) 'This husband and wife pair.'

Han : W—wait, what? Am I hearing it right?

Wang : W—what did you say Tae?

Tae : My child and I'm the father of the two babies,

Yun : What's wrong with you Tae? Are you kidding with us?

Tae : I'm not joking Bro Yun and I'm telling the truth.

Yun : Since when? And how did it happened?

Tae : Well I got my ex-girlfriend (ex-girlfriend since Rei already his wife) pregnant.

All : (Except Rei, Mr. Hwang and Lina) T—that, w—why did you let it happened?

Tae : Eh? (didn't get what they meant)

Han : As the Head Manager of the team, why did you let it happened Tae? I mean, you can have s.e.x with your ex-girlfriend but you need to use birth control to avoid impregnating your girlfriend. Do you remember that you're an artist?

Tae : .....(got speechless)

Je : Geez, you're unbelievable Bro Tae and you even fighting me for Manager Rei affections yet you got i.m.p.r.e.g.n.a.t.e someone.

Tae : 'Since when did we fight?' (then looking to his wife and asking for help since he don't know what his going reply to the team since everyone are now throwing many question to him).

Rei : (Looking to Tae and get what his looks means then interrupt the team who's now busy throwing many questions to her husband) alright guys that's not our main issue here and I think I need to remind you guys that you've been with Tae for many years so just trust and believe him. Although he make this sudden announcement today but all of you must know Tae's personalities and characteristics. We know that Tae is not an unreasonable person, am I right? I know you have this kind of reactions just what you show right now because you are concern with Tae and been with him for many years but for now, let's put our trust to Tae because for sure Tae will inform or tell us at the right time for the complete explanation.

Han : Hearing that one from you Manager Rei, its looks like that you've been with Tae for many years rather than us.

Rei : Well at least there's one from the team to remind on how did you become a team.

Je : Tsk, tsk Manager Rei if you're always like that then you will receive many confession even you got married someday.

Rei : .....(got speechless because Je is right)

Yun : Stop with that Je and let's proceed to our main concern.

Rei : Thanks for that Yun, so then Managers and Guys, we are now heard that the post Tae posted to his SNS Account is related to him even though he only posted two baby cribs, the caption itself can confuse the minds of who reads that one and right now we all heard that Tae admit that his the father of the two babies (no one notice that Rei have a subtle expression when she mention that Tae admit that his the father of the two babies except the husband of her and the two Hwang's). Well Tae already told this to Mr. Hwang but hearing Tae admission personally, we are now affirmed that it's the truth so this is what Tae's plan that already got relay it to Mr. Hwang earlier before the post. Tae wants everyone to know about the babies existence but only that one since his setting a trap to the CA Entertainment rivals especially to H.EM Entertainment and not only that one since he use this opportunity so that we will know the other parties who's lurking behind us aside from H.EM Entertainment. (Rei view the photo using the projector that already connected to the computer).

All : (Except Tae all of them wondered and asking at the same time through mind only) 'Since when did Manager Rei set up that one?'

Rei : (didn't realized that the team looking to her with an amaze and awe expressions because she continue) so then, this is what Tae post around 9am and right now it's 10am, almost one hour pass but this post have been shared many times, received many likes and dislikes which all of us known that the likes and dislikes are both came from fans and anti-fans. This post also been received many reactions, comments and also been quoted many times. In other words, by only one post of Tae, he already create a turmoil for whole S Nation but that's not our main concern since all of us here know that this only a normal reactions from the fans, anti-fans and medias, so then our main concern is this (showing the entertainment medias who's now start slandering the CA Entertainment, M'Dol Teams and Tae). We are all aware that H.EM Entertainment is the number one rival of CA Entertainment but then this 3 Medias are now showing their tails and start slandering us.

[H.EM Entertainment : M'Dol Tae lied to his fans and not truly true to himself but now his true facade was now blown out because of his own post]

[J.L. Entertainment : CA Entertainment are not what we see, we might don't know but maybe they're using underhand methods since M'Dol are already famous enough even though they're the only boy group signed with CA Entertainment.]

[JKR Entertainment : The dark secrets of CA Entertainment, Boygroup M'dols and M'dol Tae are now appearing]

[KS Entertainment : M'dol Tae is a pedophile didn't even escape a newborn babies. Even he only post two baby cribs it's proven that he is a pedophile]

Including H.EM Entertainment, they are now four entertainments who's been watching us and waiting to attack us. Right now our Artist Director will release an official statement regarding this concerns and as for Tae, he will release an official statement during the live interview this afternoon.

Tae : (looking to his wife and become more in love with her because her presence never fades since the day that his sight got laid to her)

Han : But Manager Rei, as what I remember the live interview signed a contract to us that they will only ask about the M'dol activities and not their personal one.

Hwang : Manager Han, Tae will only say that the photo of two baby cribs is a twins and they are from the Jun Family.

Han : I see

Hwang : How about you Director Lina?

Lina : Done, Mr. Hwang

All : (Except Rei, Mr. Hwang and Tae) 'seriously this two ladies, how come they are more powerful compared to us?'

Hwang : 'I will be glad that someday Rei will be Lina COO when it's her turn to be the CEO'

Tae : 'My wife friend is really the same with her but well nobody can be on par with my wife because my wife is my number one'

chapter 303: Official Statement

After that, the Team Meeting got dismissed and the three of them leave the M'dol Teams in the studio since they will also have another meetings schedules for all CA Entertainment Managers Meetings and updates of their assigned artists.

Mr. Hwang, Lina and the teams didn't notice that Tae holding Rei's hand secretly and pass a paper to her before the three of them leaving the studio.

Rei : (reading the paper that her husband give to her) 'seeing you discussing about me, woah, it feels like I'm a fan watching you in the screen, I Love You Hon. So when are you coming back to home?' then Rei reply through her phone.

In the M'dol Studio

After they leave, the team are now discussing about their upcoming live interview but got pause when they heard a message tone and looking to where it comes.

[Incoming message tone then Tae read it right away

'I will come back home after our General Meeting and geez, you already know that I'm still not officially back to work you know' then another incoming message tone and Tae read it 'I Love You Tae and take care, for sure the team will be curious about you or worse they will feel suspicious about you and their trust will decrease because of it but don't worry Dear because I will always support you]

Yun : Is it come from the Mother of your kids?

Tae : Uh-uh

Shi : Geez, so you're really now a Father, Bro Tae.

Tae : Uh-uh

Je : I can't still believe it and the one who ask about the post you posted is from the person you like.

Tfu : Yul Ju gpo Mfrfeuzl, Bzm Ypr frt Gpwl, bplo ozplo qu fizaevo?

All : Yeah we trust you Tae / Bro Tae.

Tae : I really want to tell it to you guys but right now is not the right time but don't worry because you will be the first one to know what is it at the right time.

Han : Alright it's up to you Tae but for now, if you have problem just tell us and all of us are willing to help you, okay.

Tae : Yes Manager Han.

Han : Alright guys let's continue with our discussions and prepare for...(got stopped when the youngest stop him)

San : Manager Han

Han : Yes?

San : Before that, let's see what's the Official Statement got release for CA Entertainment sides which is from our Artist Director.

Han : Ah, that's right.

Tvur fii md ovuq mnur ovuaz jugnfeu ovzmpev ovuaz mjr nvmru frt zuft ovu mddahafi lofouquro md ovu Cmqrfrw.

[CA Entertainment here, as the Artist Director of the Entertainment, I represent all artists signed from the CA Entertainment.

So regarding of M'dol Tae post from his SNS Account, he will personally say it on how it related to him through the Live Interview this afternoon. As for the private life of him and all signed artists from CA Entertainment it will be their decision if they will keep it or disclose. We, the CA Entertainment will never indulge their private life and we all respect for their private life. We only here to support their dreams and to protect them by legal means. We, the CA Entertainment didn't sign them up to be the CA Entertainment Money Maker Machine and most of all not for p.l.e.a.s.u.r.e. All of us are human beings, so the Artists and Celebrities signed with CA Entertainment are received and welcomed to us with full respect and importance as human beings. We are only a medium for them to reach their dreams and shine through legal means.

As for the Four Entertainments namely H.EM Entertainment, J.L. Entertainment, JKR Entertainment and KS Entertainment who tried to slander us from the CA Entertainment and mostly directly slandering M'Dol Tae just because of his one post made through his SNS Account will receive a letter from our Legal Representative and must face consequences of their actions. This Four Entertainment mentions are all from the Entertainment News Media which is their main source of medium is to release news or articles about the artists of all S Nations, and yet they are the one who slander the artist first and slandering without even presenting any evidences. We, the CA Entertainment are not from the News but we all know that News will only release a statements and articles that's it 100% accurate for fact, reality and certainty in order to relay the message with 100% Real to the public. You exists for relaying the truth and not a fiction because you're not producing a dramas and movies.

Let's have a direct confrontation and not attacking us through articles that's not been proven if it's true.

In behalf of CA Entertainment, Artist Director]

Yun : Woah, what a cool statement from our Director Lina and as expected of her.

Han : And yet everyone of us here don't know her real identity,

San : Right, right but why do I feel that Manager Rei and Artist Director Lina is kinda having the same characteristics, right?

All : (Except Tae) Not only you San but we also feel the same.

Tae : 'Well they are best friends with each other so they are sometimes they are alike and only sometimes since they are not related with each other.'

Han : Alright, let's discuss now about your incoming Live Interview since we don't know what they are going to ask about us but we can relax much since they will not ask regarding your private matters especially you Tae since they already signed a contract and agreed for our terms and conditions.

The team are now discussing seriously without interruption and around 11am, they eat their lunch earlier since the Live Interview at Star Life Buzz Live will start at exactly 1pm and now get ready because they already got used of Rei's 30 minutes arrival before the appointed time.

At exactly 1pm, the Live Interview of Star Life Buzz Live are now officially commence and everyone either M'Dols Fans and Anti Fans are now tuning on and listening to their interview.

The team entered with their group greetings before seating and then the program start by questioning them about their succesful concert last month and the following activities they have from January until now. The team also performing acapella songs and then chatting with the MC about their life as a Star. The Live Interview also take for an hour until the MC ask Tae about the Official Statement he read awhile ago.

MC : M'Dol Woo, I think you already know what I'm going to ask but everyone here happened to read the Official Statement release from CA Entertainment that you will personal say about how are you related to the post you posted this morning, so did they meant here or another Live Interview?

Tae : They meant here and yes I will say it personally on how it related to me. They are two baby cribs since they are twins and yes, the babies our New Member of the Jun Family.

MC : I see so then (going to ask personal things but then remember their Management reminder, so he cut it off and give a conclusion) alright everyone to those who stay tuned, M'dol Tae is now explaining on how that post related to M'dol Woo, so now all of us know and heard that the post M'dol Woo posted this morning is related to him. So then again, the babies are twins and a New Family Members of the Jun Family which also happened to be M'dol Woo Family Members, so that's why he have that kind of caption. For now this Live Interview with M'dol Members come to end and hope they will become a guests here again without restrictions.

chapter 304 - Tae's being shameless again

All the Entertainments that got mention by CA Entertainment Official Statement are making public apology, at first they won't admit since they already deleted their released statements but then the CA Entertainment Legal Representative already have a copy of it and it's came from their website so they leave with no choice but to have a public apology and it doesn't mean that they give up since they just stay low profile for a moment until the issue will calm down. Rei as R, let it be deleted in order for being not finding out that R is linked with CA Entertainment especially to Tae since his the one who received the most of a slander from different medias and an anti-fans of him.

Also, after hearing that statement from Tae personally through Live Interview of Star Life Buzz, the fans of them are always trusting and believing their bias while the anti-fans continue attacking but it doesn't affect to them since the team already know whom to trust and whom are not because they've been in this Entertainment Fields for almost 15 years since the eldest of the teams (Yun and Tae) start at the age of 15 and one of the two almost reaching on his 30's.

The speculations from the anti-fans still going on while the 4 Entertainments who made public apologize are still staying low profile but they still monitor the Artists and Celebrities that signed under CA Entertainment.

Almost one month pass since the Official Statement of CA Entertainment and Tae release, the team still doing their usual routine until the day of the Twins Baptism arrives and Tae remind the team one day before the said baptism of the Twins.

Tae : By the way Guys

All : (Stop what they're doing and looking to Tae seriously because they are thinking that he must have another shocking news from him) Yes?

Tae : Just relax okay and why all of you have these kind of expressions?

Han : Spit it out Tae and don't make us an useless Team Managers of yours since when all of us are not aware of the Team actions and movements especially you.

Tae : No you're not useless Manager Han and same with the other Managers, it's just me who's keeping it for awhile and I will tell it at the right time but for now I'm going to tell you that tomorrow is my twins baptism and all from the team got invited.

All : (Except Han) Eh?

Han : So that's the reason why we don't have a schedule tomorrow and then Manager Rei already know of it since she's the Time Manager.

Tae : Uh-uh

All : (Members Only) w—wait, don't tell me you're also invited Manager Rei?

Tae : Of course (affirmatively answered and then on his mind only) 'and why I wouldn't invite her, when Rei is the mother of our twins and my wife?'

Yun : I can't really understand you anymore Tae and I don't know you anymore.

Tae : Eh?

Han : Alright let's go now, by the way Tae what time and where?

Tfu : Tvu Bfnoalq jaii gu fzmprt 10fq fo SAC Cfovutzfi frt ovu efovuzarel surpu jaii gu fo qw dfqaiw vmpu fzmprt 12.

Han : Okay noted and we will go directly to your family house to avoid being followed by the paparazzi's and mostly avoiding another trending news from you.

Tae : Taking note with that Manager Han.

Then the team leave right away and around 30 minutes they arrive at their team house, chatting before resting. As usual around 11pm, Tae visit his wife nextdoor and then spend the time by becoming one of her since Rei just finish today of her recuperation period and of course they did the deeds with birth control this time and the most important one, the babies are now sleeping with their grandparents to avoid waking them up from their making out. After finishing the deeds, Tae told to his wife.

“You are really right Hon and the team will not come during the baptism of our twins to avoid being spotted by the paparazzi’s”.

“Told you but then I’m still anticipating them to come so that they will know that I’m your wife”.

“Right but well I’m already giving them many hints like speaking up for you during of your first day as a Manager, confessing to you with the members around, by being close with you, then you working behind the scenes, announcing about the twins, then for tomorrow and last by looking at you lovingly”.

“If they will find it out tomorrow, are you going to disclose about us to the team?”

“Yes of course and the team already like my family but if they will not finding out anything tomorrow then it’s not the right time for them to know. Alright stop talking about them and I will eat you now”.

“It’s almost midnight you know and you already done eating me”

“I know but only a quickie okay and do you know how much I restrain myself?”

“Idiot you’re partner is still attach to mine, don’t you.....(stop because she m.o.a.ns when Tae thrust deeply to her and then as what Tae said they really did it quick) you are really shameless Dear”.

“(Didn’t heard her comments since his busy pulling the c.o.n.d.o.m from his partner) mmm....what is it Hon?”

“I said you are really shameless Dear (then giving him a back hug and said to him) I already inform the Team that you won’t come back tonight because of the twins baptism preparation”.

“Eh, how?”

“Silly (tap his head), I know you well Dear and maybe forgot about telling that one to the team, so I use your phone and message them”.

“I see (then attacking her again while replying to her) thank you Hon (and plan to enter again but Rei reminded him)”

“You already pulling off the c.o.n.d.o.m, remember?”

“Ahh, that’s right (agreed, get another one of the c.o.n.d.o.ms from the desk and then give it to Rei) here, help me put the c.o.n.d.o.m on my partner”.

“Idiot (but still accept while asking to him) when did you bought the c.o.n.d.o.m and this many, huh?” (already seen many c.o.n.d.o.ms package at their wardrobe)

“I added the c.o.n.d.o.ms one when I order diapers for our twins and I didn’t expect that I will really use this (explaining while looking to Rei who’s rolling the c.o.n.d.o.m to his partner seriously)”

“So then you bought one box of it, huh and it contains 1,000 pieces (already done rolling the c.o.n.d.o.m to him)”

“(Let his wife lay on the bed under him and replied) well I can last for the whole night but you only allowed me to do it for 5 rounds to avoid getting sick from lack of sleep and energy. So then I will use 5 c.o.n.d.o.ms every day then we have 365 days if not a leap year so it would be 1,825 every year but then November next year, I won’t use c.o.n.d.o.m because I want another child”.

“And what if I got pregnant again even you’re using c.o.n.d.o.ms, huh?”

“Oh, then I will consumed all the c.o.n.d.o.ms and I won’t buy it anymore since it’s useless for me”.

“.....” got speechless of her husband comments

“Alright let’s stop talking with that and let’s get back to our main topic (then attacking his wife again)”

The couple are now becoming one again after one month of Rei’s Recuperation and one month of Tae’s Restraining himself by having a cold shower. Every time the two reach climax of their making out and same with Tae already done c.u.m.i.n.g, he clean his hand after pulling the use c.o.n.d.o.m and put another one before doing the deeds again until they reach their limits for 5 rounds.

The two lying on the bed and both still n.a.k.e.d from their making out. Rei lay her head to her husband c.h.e.s.t and they chat about the baptism of their twins tomorrow.

“After the baptism of our twins and it’s your turns now Hon”.

“Well I only claim their Baptismal Certificate on next week aince I already claim the twins passport last week”.

“I see and I’m really excited to visit your Hometown Hon since we only have a concert at the Capital City of C Country”.

“Right and they (Din’s Family Members) don’t know when are we visiting them since they only know that we are going to visit them around year end holiday breaks”.

“.....”(no reply since he didn’t heard her because his already sleeping)

“Tae?”

“.....”

“(Looking to him and just realized that he already asleep) you must really tired Dear (then give a peck on his lips before looking to her phone and reading again what the anti-fans post about him, Rei sighing again and said to herself) what I can do for you Tae? (then remembering what Mei said to her while Rei shaking her head and hug Tae then sleep)”.

## chapter 305 - Twin's Baptism

The day for the Twins Baptism arrives, all Godparents and the parents are already awake and preparing for this day. Tae's Godparents list are Jo Couple (Chin and Na), Li Couple (Goddess Li and Paparazzi Li), Lu Couple (Lina and Wen) and last that almost forgotten by Tae, the Hwang couple (their boss and his wife). Tae's family are busy with the preparations even though Tae hired a caterer and its Rei's Family Restaurant that the Jun Family doesn't know about since Tae told Rei that it's good for them to not know just in case the loud mouth Sister of her well suddenly blurted it to someone that it might be known to everyone that her Sister in Law is related to this Family Restaurant when in fact no one know their real identity since the Din's Family are the most low profile from the family of influential as what Tae conclude because his wife and his in-laws always treat everyone with the same level that no one is above and below. This is what he attract the most to his wife, her good characters and not her beauty outside but rather the beauty of her inside which is her personalities and characters.

The family are now leaving and going to the church, yes they use a Van and then Butler Yan is the one driving since Jinyu offered this one.

Ken : Uncle Tae, Uncle Tae

Tae : (Carrying Rei Won) yes Ken?

Ken : I'm just glad that you select a weekend for my cousin baptism.

Tae : Well if I select from the weekdays then you won't be here Ken since for sure you are not allowed to be absent from the class.

Ken : Yup, yup (then changing the topic and ask another one from them) Uncle Yan, Uncle Yan.

Yan : Yes Young Master Ken?

Ken : Geez Bro Jinyu is not here

Yan : Ahh, that's right sorry Young Master K..... I mean Ken

Ken : It's alright even though your Young Miss is here (and he forgot what his going to ask to him).

Ellyn : Bro Ken

Ken : Shh.... our cousin are sleeping, tsk you're no fun at all (then asking quietly to Rei, since he seated beside her) Neh Auntie Rei?

Rei : (Carrying Woo Rei) Yes Ken?

Ken : Uncle Tae teams will be there, right? So are you going to carry my cousins when they are there?

Tae : How did you know that my teams will be there, Ken?

Ken : (showing the guest list to him) well they are on the guest list Uncle Tae

Tae : Don't tell me you ask the list from your Auntie Rei?

Ken : Nope, nope Auntie Rei won't tell me so I didn't ask it from Auntie Rei so then I ask the list from Aunt Jun (Tae's Mom)

Tfu : ..... (emo Inuuhviull)

Ken : So then Uncle Tae, this (showing the list with a circle mark of one name from the teams)

Tae : (see the mark and got speechless when he sees the name)

Rei : Ha, ha, why are you circling San name, Ken? (already guessing it why but still asking her nephew)

Ken : Well he is my Mom bias so I need to see how handsome he is as what Mom said but then his Uncle Tae teammates so he must be a handsome like Uncle Tae.

Rei : And if he is?

Ken : Well too bad for Mom since Mom got married with Dad or I can suggest Mom to divorce Dad, ha, ha, ha just kidding. I Love My Dad and I know Mom will never do that because we both love Dad, now thinking about them I really miss them.

Rei : We will always having a video chat to them every Sunday and it will be tomorrow, Ken.

Ken : Uh-uh but Dad is on board so I can't talk to him.

Rei : Do you want me to contact your Dad, so you can talk with him?

Ken : Nah, don't do that Auntie or else Dad heart will be dancing in joy since his Eldest Son missing him.

Rei : .....

Tae : You really like teasing you're Dad, Ken.

Ken : He, he yeah but I can't do that to Dad personally because I love Dad.

Tae : Sometimes you've become like you're Mom

Ken : .....

Ellyn : Yeah Uncle Tae both Bro Ken and Bro Ren is really like Auntie Mei and a pure carbon copy of Auntie Mei because even the looks they got it from Auntie Mei

Ken : And how about you, both you and Lynel also got the look of Uncle El.

Ellyn : Yeah but we are mixed from Dad and Mom, not like you Bro Ken

Ken : Eh then....

Yan : (interrupted the family who's talking different language but still understand it since all Li's Butler/Bodyguards are trained with the necessary one to protect the Li Family Members such as Martial Arts, Languages and Behavioral Acts) Sir, Ma'am, Young Master and Young Miss we're here.

Tae : Thank you Sir

Yan : You're welcome Sir

Ken : He, he, you are really a trained Butler, Uncle Yan.

Yan : .....

Rei : Sorry for that Sir Yan and Ken really love to tease especially the person he close with.

Yan : I don't mind that one Ma'am and if I have Son, I would be glad if I have like Ken.

Ken : (Heard it and looking to his Auntie for asking if he can interrupt then Rei nodded) eh, you don't have a Son yet Uncle Yan?

Yan : Yes Ken since I'm not yet married.

Ken : (spotted Jinyu who just step down from the car and running to him then back riding him even though they have the same height) Bro Jinyu

Yu : (Almost lost his balance because of him) what the? You scared me Ken and what's with that?

Ken : Uncle Yan said his not yet married. Geez you've been so strict to him, see. What a heartless Young Master you are?

Yu : Did I told you that Butler Yan will be turning 20 next month?

Ken : Don't know maybe you did or not, but eh Butler Yan is still young and why?

Yu : You're expression is very obvious and I can tell what's on your mind.

Ken : He, he, he (then greeting his parents) Good Morning Aunt Li and Uncle Li

Yun : Good Morning Ken, and where's my Daughter in Law?

Ken : (Pointing Ellyn) there Aunt Li, eh, you didn't bring Yujin along with you Aunt Li?

Yun : Yes and I can be safe if I'm not bringing my daughter since we're outside and you know your Auntie Li is a celebrity.

Ken : Eh, but it's a private Baptism Aunt Li and Uncle Tae will be also here.

Jinxi : Told you Mom and you didn't listen to me.

Yun : I need to be sure and I guess I spotted a paparazzi just now.

Both : (Ken and Jinxi) eh, where?

Yun : Here (pointing her husband)

Both : (Ken and Jinxi got speechless) .....

Yun : His really a paparrazi you know and if I remember correctly my daughter in law want to be a singer so perhaps my Jinyu will also become one.

Yu : (Heard his Mom and refute right away) that's impossible Mom.

Jin : Oh that's what I said before Jinyu but then look what happened to me, I've become a paparazzi just to support your Mom.

Yu : .....

All : (Ken, Jinxi, Yuhan and Rui already gathered around since they are now chatting but then heard what they're talking about then looking to Jinyu that all of them suddenly laughing since they imagined a scenario of a serious and genius Jinyu lurking around like a real paparrazi)

Yu : What are you laughing all about?

All : Nothing

Yun : Eh, where's your parents Rui?

Rui : Hospital Auntie Li

Yun : I see

Rui : (approaching Rei Woo who's been carried by Tae) how's my future husband, Uncle Tae?

Tae : .....

Ken : R—rui, are you really serious to become a gay?

Rui : Why not or do you want to become my future husband?

Ken : .....

Yu : Alright stop with that Rui

The kids continue talking while the a.d.u.l.ts talking except the Jun couple since they are waiting them at the entrance and the a.d.u.l.ts who's chatting almost forgot that they are gathering here for the twins baptism and not for a reunion if one of them didn't remind them.

Lina : If you really want to be got spotted by a real paparrazi Goddess Li, then go ahead and let's have a chat here. I don't mind them since the Jun couple can continue the baptism of their twins and we are here just to be their godparents.

Yun : You didn't change Lina (and realized that Lina is with a guy that she just met but already aware that she's married since Na told her), so this is your husband?

Lina : Hai, hai but let's get in or do you really want to be the star of Entertainment News tomorrow?

Yun : .....

Lina : (approach where Rei stand and said to her) if ever one of the entertainment news spotted us then we will face the consequences Rei.

Rei : Yeah I know and why Bro Lu wearing his uniform?

Lu : I'm excusing myself after the ceremony since I have to report.

Rei : Well you can eat first before leaving Bro Lu.

Lina : You can't stop him Rei since I also said him that one but at least his here for the baptism ceremony.

Rei : I see, alright let's go.

All of them entered the premises and the baptism ceremony start by the initiator. All godparents received a candle from Tae as a symbol of Light (Light is essential to the survival of life because without the light of the sun, nothing would exist on earth). After baptism of the twins, the initiator reminded the parents that will guide their kids at the right path and the godparents are there to assist the parents to guide the kids at the right path. Then they leave and go to the Jun Residences for the gatherings.

All of them ride in different car since they have their own car. Rei and her family ride in the same van and the other guests just follow them since some of them doesn't know where the locations is especially to the guests who's not a CA Family Members.

Half hour pass, they arrive at the Jun Family House and the team is still not yet around. Rei and Tae changing the clothes of their twins since they've been crying along the way to here because they didn't feel comfortable with their white gowns and white suit.

Ken : Are they alright Auntie Rei and Uncle Tae?

Rei : Yes they are fine Ken and they are just not comfortable with their clothes.

Ken : I see

Yun : (observe the two who's busy attending their twins and can't help but commented it loud) you two, you just become a parent for one month and yet you already used of it.

Lina : (just observing the two and taking note of it since she will become a mother in 5 months from now)

Yue : You are right Ma'am and it looks like that they are not a first timers parents.

Yun : Ma'am? Me?

Yue : Yes

Yuhan : Mom that's Auntie Li, Bro Jinyu and Jinxi parents

Yue : Ahh, I see

Yun : You are Yuhan's Mom?

Yue : Yes, I'm Song Yue former Min Yue

Yun : Tsk, tsk you're ex-husband must be blind, how come he search another mistress when he already have a Goddess Ex-Wife like you?

Yue : You're flattering me Mrs. Li

Yun : (whispering to his son) Jinyu my boy, how come she didn't recognize me? I'm famous after all.

Jinyu : Don't know Mom. How about it Mom, just ask her and not me instead, right?

Yun : .....

Yuhan : (whispering to his Mom) Mom, I already told you that Auntie Li other identity is Goddess Li.

Yue : (whispering to her son) I know but it's quite inappropriate for me to become informal with her when it's our first meeting here.

Yuhan : You are just thinking too much Mom

Yue : .....

chapter 306 - Director Lina or Her?

After that, all of them are just observing the parents of the twins who's busy wiping the sweats of their twins, putting a baby powder and towel on their back then change their clothes. Tae is assigned for his baby boy while Rei for her baby girl. Then the parents done changing the clothes and at the same the team arrives that fails to know who's the mother of the babies since Tae give Rei Woo to his Mom and then carry Woo Rei from Rei.

Han : Eh, we're late?

Tae : Not late Manager Han

Yun : Where's Manager Rei?

Tae : Already here (then pointing Rei who's busy assisting the guest to their seat, well, it's a normal gatherings since Tae only invites the Team, Family and Friends but for baptism, although it's only invited for a family and friends, the celebration is still special since Tae got a catering services for this occasion.)

San : Ha, ha as expected of Manager Rei (then notice one of the guests) eh, Goddess Li is also here?

Tae : Yes, I invite her together with her family (pointing where they are seating)

Je : Neh Bro Tae, Bro Tae

Tae : Yes Je?

Je : Where's Manager Rei going to seat?

Tae : In our team, why?

Je : I see and well I thought you're ..... (got stop since Woo Rei holding his mouth as if saying you're too noisy that cause of the team to laugh)

Wang : Seeing this, I think the baby wants you to be quiet Je

Chi : This is your baby boy, Tae?

Tae : Baby Girl Manager Chi

All : Eh?

Tae : .....

San : Wow, we have now a girl version of Bro Tae but where's the other one?

Tae : My Baby Boy is with my Mom right now since the Mother of my twins is busy at the moment.

All : Y—you invited your ex-girlfriend?

Tae : Of course, she's the mother of our twins so why I would not?

Ypr : Tfu, hfr I ofic om wmp dmz f qmquro? (Tfu emare om frljuz gpo ovur Rua fnnzmfhv ovuq frt emo arouzpnout)

Rei : (interrupted them) guys our seats are here.

All : Thanks Manager Rei

Rei : (Then led them where there Seats are)

All : (awkwardly silent since they feel guilty for Rei. They know that Tae likes Rei, yet he i.m.p.r.e.g.n.a.t.e his ex-girlfriend and then invited the woman Tae likes which is Rei without knowing anything)

Rei : What's wrong guys?

All : .....

Tae : (just looking to his teams and to his wife then ask her using their eye conversation) 'what's wrong with them?'

Rei : 'Don't know and they look guilty towards me'

Tae : 'Guilty for what?'

Rei : 'Don't know'

Tae : (Ask straightforward to his teams) Neh Managers and Guys, why are you all looking guilty to Manager Rei, as if you've done something bad to her?

All : 'It's because of you, idiot' (just thinking and didn' say it loud)

Tae : Mmmm?

All : 'Please send someone here for us to break this awkwardness of us'

Ken : (Send by an Angel since he come at the right time) Uncle Tae, Uncle Tae who's Mr. Han from your team?

All : 'Thank you boya, but wait who is he? Why did he call Tae / Bro Tae as Uncle? And why he looking for Mr. Han / me (the two's Han of the Team)

Yun : Boya, we have two Han from our Team, one is our Manager and the other one is our Teammates.

Ken : Ahh, what I mean is Mr. Han from Uncle Tae teammates.

Yun : You're looking for San?

Kur : Uv-pv

Yun : Then his the Mr. Han you're looking for (pointing where San seated is).

Ken : (said in Tanes and not in Ceno to avoid getting exposed) Woah, he really a handsome one fellow, tsk, tsk at least Dad win Mom's heart first or else he will get beaten right away (then asking San in Sean) Mr. Han, Mr. Han can I have a picture of you?

Rei : ....(got speechless of her nephew antics)

San : Eh, okay

Ken : Yeepey (then suddenly remember something) oops, I don't have a camera or mobile phone yet (and looking to Rei and Tae but then just ask his Uncle for avoid being found out) Uncle Tae, can you take a picture of me and Mr. Han from your phone?

Tae : Yes I will (then Tae take a picture at least 10 photos since Ken already said so and then leaving while laughing)

Ken : Thank you Mr. Han, bye everyone and sorry for interrupting your discussion.

All : (Except the Couple) 'You're not interrupting us Boya'

San : Neh Bro Tae few months ago you ask my signature, is it for that kid?

Tae : No and it's for his Mom

San : I see and he must have a pretty Mom since he already a handsome one when he still a kid (said while having a gloomy aura).

All : What's wrong San?

San : Nothing and I just feel that I already lost something important to me and even I didn't know what is it.

All : .....

Lina : (called someone from them) Rei, can you come here for awhile?

Rei : What's wrong? (then stand and excusing herself from the team)

All : (Except Tae) eh, Manager Rei is friends with Director Lina? (then looking to them and got a conclusion) it seems they are really friend with each other.

Je : Woah, seeing Manager Rei laughing, she's looks more beautiful than she is now.

Tae : Indeed

Yun : 'Indeed?'

Je : Eh, what's with that Bro Tae?

Tae : Mmm?

Je : Don't tell me you still like Manager Rei when you are already have twins?

Tae : Yes, why and I'm not allowed to do so?

Je : .....

Yun : Tae is not that I'm indulging you're private life but is this not kind of absurd? I mean you're liking Manager Rei when you already a father?

Tae : Yes it's true that I'm now a father but I still like Rei and not only like because I always love her.

All : .....

Tae : .....

Mom : (approaching them while carrying one of the twins) Tae you're baby boy is looking for you, here's your baby boy and give me the baby girl.

Tae : Yes Mom (then swapping the babies and his Mom leave right away), this is my baby boy guys.

All : (just looking the babies and didn't get the hint since Rei Won have got his features from his mother Rei then ask at the same time) neh Tae / Bro Tae tell us honestly who's the mother of the twins Director Lina or her?

Tae : Her?

Yun : The one who's standing left side with Manager Rei, is she the Mother of your twins or its Director Lina?

Tae : (looking who standing beside his wife and got speechless).

Han : Just tell us Tae and we won't judge you, okay.

Tae : Not the two of them since it's Rei the mother of our twins

All : Rei? You mean Manager Rei?

Tae : Yes

chapter 307 - Impossible

After hearing that affirmation from Tae, everyone from the Team are now in a daze and slowly absorbed to their minds of what Tae just said but all of them didn't believe him.

Je : Woah, are you serious Bro Tae?

Tae : Yes

Shi : Ha, ha, ha so Bro Tae you're of one of Manager Rei fans who fancy her and hoping to be his wife and mother of your kids.

Bi : Yeah seriously and I didn't expect that you've been this crazily in love with Manager Rei, Bro Tae.

Yun : If you really not ready to share who's the mother of your twins then we won't force you Tae and we will wait for the right time that you're going to share it when you are now ready to tell.

San : (holding Tae's head) you're not running a fever Bro Tae but then thankfully Manager Rei is not here or else it will be too awkward here.

Han : Alright let's pretend that we didn't heard it from you Tae and no one's going to mention it to Manager Rei.

All : (Except Tae) Yes Manager Han

Tae : I didn't lie you know and it's really Rei

All : ...

Tae : I'm really telling the truth that Rei is my wife and the mother of our twins.

All : ....

Yun : (Holding his head and ask) are you really sure that you're alright Tae?

Tae : Yes I'm alright Bro Yun and why all of you didn't believe me?

All : Because it's impossible

Tae : What? But I have a marriage certificate (then looking to his marriage certificate that his always bringing it everyday and inside his bag which Rei remind him that if he bring the marriage certificate

everyday it might get stolen from someone and his status will be disclosed but then he only replies to his wife that let it be and no need to worry since Rei still has a copy of their marriage certificate, after that Rei allowed him to carry the marriage certificate everyday but today he didn't bring his bag with his marriage certificate and now left at their house because he brought another bag for the baby supplies) oh, I forgot it at home but I will call Rei to come with us so that you will believe me that I'm not lying.

Shi : Bro Tae is really alright to dream and hope that Manager Rei is your wife but can you not lie to us, we're your teammates, you know.

Tae : ...

Tae : Why all of you didn't believe me?

Bi : Because Bro Tae it's very impossible

Tae : Why?

Chi : I think you didn't know about it Tae but Manager Rei is such a high caliber so the most suitable for her are mostly come from her same level such as CEO, Manager, Doctor, Lawyer or Secretary.

Tae : ....

Han : We didn't mean that we look down our fields but we just here to help you Tae so that you won't be hurt in the future.

Li : Yes Tae and we are your Team especially Manager Rei is from our Team, so let's forget what are we talking about right now and pretend that all of us are not discussing about this one.

Wang : (Just looking to Tae and the Teams but didn't say anything because he have the guts that Tae is really telling the truth and just looking to the team since his now confuse of why they didn't believe Tae)

Yun : Do you know that we are concern to you Tae?

Tae : ....(got disappointed from his team and don't know what his going to do)

Rei : (suddenly pop out of nowhere because she can sense something wrong with her husband) what's going on guys?

All : Eh, nothing Manager Rei

Rei : (looking to Tae and ask him using their eye conversation) why are you having a disappointed expression Dear?

Tae : 'See my wife can sense right away but my team who's been with me for 15 years didn't even believe me' (then Tae stand from his seat, hug Rei in front of his Teammates but not a tight hug since he carry Woo Rei and whisper to her) I need an air breather and need to be alone for a moment. Just stay here with the team and don't worry I'm alright, really. (Then leave right away without saying excuse to his Teams Manager and Teammates)

Rei : (Looking to her husband back) 'You're not alright at all Dear (following him but then got stopped by the Teammates)

All : (Except Managers) Eh, where are you going Manager Rei?

Rei : I really need to talk with Tae, so guys and Managers just eat here first without us. Then if Tae and I are not yet come back, you can also leave without us and just let Tae's parents know that you're leaving. Excuse me guys (then following Tae right away)

— Flashback —

After Rei excusing herself, she then approach Lina and ask right away.

Rei : What's wrong Lina? Did they discover Tae's secrets?

Lina : Geez, what a doting husband you are? I'm just calling you because I and Yun just got to know that Yue is that bastard ex-wife. (Even though Yue already introducing herself at first that she's Song Yue and former Min Yue to Yun but Yun didn't grasp it since she thought it's only the same name)

Rei : Y—you only called me because of that?

Lina : Yes, why?

Rei : I'm thinking here that maybe Tae got another feedback from the teams of Anti-Fans and Medias.

Yue : You really love your husband Rei

Rei : Of course Sis Yue and Tae did everything for me so as his wife I'm also doing everything for him

Lina : Woah, what a lovable couple you are.

Rei : Silly (then laugh)

Yun : Geez I really wonder why all paparazzi's doesn't discover you and Tae, yet?

Larf : Wuii ovu nfnzfxxa fzu omm limj.

Yue : Eh, but Yun husband is a paparazzi, right?

Yun : Yes he is but he only release an article after the couple disclosing their relationship.

Yue : I see

Yun : So then Rei when the two of you going to discuss you're relationship?

Rei : .....(didn't reply since she's just suddenly out of sight)

Yun : Eh, where's Rei?

Lina : That idiot suddenly disappear out of nowhere and going to her husband seats but at least she know how to excuse herself.

—End of Flashback—

Rei leave the team and following her husband ways.

chapter 308 - Tae's Disappointment

The team witness how Tae hug Rei and then walk out but still they didn't get the clue and thinking that maybe Tae confess to Rei again and only got heard the same reply with Rei. Then Rei excusing herself only proof what their thoughts running that maybe Tae got properly rejected this time since he walks out and then Rei suddenly acting like that without knowing that Tae got disappointed with them while Rei just concern to her husband.

Rei followed where Tae walks but then they are quite difference since Tae really walk fast because his a man and then Rei just noticed that Woo Rei is now carried by her grandma.

Rei : Mom, where's Tae?

Mom : I don't know Rei since Tae just give Woo Rei to me and leave right away.

Rei : How about Rei Woo, Ellyn and Ken?

Mom : There (pointing Rei Woo who's been sleeping like a log and the kids who's busy chatting with their friends)

Rei : Help me look for them Mom

Mom : Okay

Rei : Did you see where's Tae going?

Mom : I didn't, why? Is there's something wrong?

Rei : Uh-uh Mom but I'm looking him now excuse me Mom (then Rei walk right away and thinking again what did Tae said to her before walking out and then ask one of her Sister in Law) Sis can I borrow your car?

All : Eh? Me?

Rei : Any one of you

Wen : Here Rei, is there something wrong?

Rei : Uh-uh and thank Sis Wen

Then Rei get the key right away and use Wen car before starting the engine right away. Rei got the wrong direction since 1 km pass, she didn't see Tae, so she drive back and go to other direction and indeed after half kilometer, he spotted her husband walking slowly without even disguising himself. Rei open the window while honking the car and said to Tae.

Rei : Hop in Dear

Tae : Eh, h—how did you know, Hon?

Rua : Jplo vmn ar frt ju jaii ofic ifouz.

Tae hop in right away but still keeping silent and didn't say anything meanwhile Rei just drive silently while waiting her husband to open up. She's alright like this since Tae's is not with her rather than seating with the team when she's not sure if her husband is safe or in danger.

After driving for 20 minutes, they arrive at the place where Tae can be feel at ease.

Rei : We're here Tae and let's get out now (both of them unbuckled the seat belt and they got out at the same time)

Tae : (Got surprised because his wife really know him since this is place he really want to go) you're really know me well Hon

Rei : You're my husband after all and this is the place where everyone doesn't know about that it's your property.

Tae : Uh-uh (then the two back in silent again)

Rei : (After half an hour, she speaks first) sorry Dear for not following you to stay with the team since I'm more concern about you. I will be feel at ease like this rather than to be with the team while wondering about you. I already told you that the main reason I accept Mr. Hwang offer and that I've become part of the Team Manager is mainly because of you, so whatever it is I will always be with you Tae.

Tae : Are you not going to ask me what happened?

Rei : If you won't say it then I won't (then she seat from the car) come here

Tfu : Mqq? (ovur fnnzmfvare val jadu frt ovur lvu easu f gfhc vpe dazlo gudmzu hmqdmzoare vaq)

Rei : I don't know what it is Tae but I'm always here with you. Whatever it is you need to remember that I'm always here with you, who always here for supporting you whatever it is and who always there for you because that's my job as your wife, okay.

Tae : (Nodded then hold her hand that already wrapping around his neck and then he burst it out. The feelings of being disappointed because his team who's been with him for 15 years didn't believe him. After crying for 15 minutes, Tae throwing many question to his wife) how come they didn't believe me? How come they think that I'm only dreaming? How come they think that it's impossible for me? Is it because I'm just a mere artist that I can't be with you? Am I really that low and a liar for them for not believing me of what I said?

Rei : (tightening her hug to him and said) you are not a mere artist Tae and you're the one I love. Our own career is the one helping us to meet with each other. If you're not an artist then I won't know about your existence and then if I didn't work here we won't meet even once, so by this our career help us to meet with each other. You are not a lowly person because I respected you too much Tae and you're not a liar.

Tae : But they said it's impossible for me to be with you because you're such a high caliber Rei.

Rei : The they you meant is the team?

Tae : Uh-uh and they think that you're only suited to be with the same level of you like CEO, Manager, Doctor, Lawyer or Secretary.

Rei : ..... (got speechless because they thinking highly of her and then listening because Tae tell her evrything what happened after she got called by Lina)

Tae : (Blurted it out then said) see I told them the truth but they didn't believe and then today I forgot the Marriage Certificate that in fact I'm bringing it everyday.

Rei : Perhaps is not the right time for them to know today.

Tfu : Wvw?

Rei : First, I got called by Lina and can't confirmed to them that indeed you're my husband. Secondly, our baby boy is with you that they didn't notice that our baby boy have inherited my features. Thirdly, you forgot your Marriage Certificate that when in fact you are bringing it everyday that it will serve as solid evidence that you're not lying. Lastly, as what you said yesterday that you were giving many hints for them but they didn't get what it means even once, so maybe today it's not the right time for them.

Tae : Do you think so Hon?

Rei : Uh-uh and by this, you can't still disclose it to the public since the team didn't believe you who have been with you for 15 years, so how much more if you disclose it to the public especially to the paparazzi's, medias and anti fans when in fact the team didn't even believe you.

Tae : I see but how about our fans?

Rei : The team fans and your fans are waiting for the team announcement but then we need to be sure that the team believe us first before the fans.

Tae : We?

Rei : Uh-uh and this time let's tell the team with the two of us

Tae : No need Hon and I will find another time to tell them but first ask me a 3 days leave from Mr. Hwang.

Rei: Eh? Y—you.... (gut cuff by her husband)

Tae : (cutting her off then facing his wife and tap her head) silly I'm not that idiot to sacrifice my career it's just a coincidence that I will be on leave for 3 days. It's true that I'm very disappointed with the team but I need to ask for 3 days leave because Hon, my birthday is coming and I want to celebrate my birthday with you as my wife and to our twins on my first birthday having you in my life.

Rei : Oh, I see.

Tae : Thank you Hon (and then c.a.r.e.s.sing her face and give a light kiss) let's go now and I'm really fine this time.

Rei : Okay and Tae let me remind you something.

Tae : Mmm?

Rei : (Tap his head and said) don't ever said to me that you're fine when in fact you are not.

Tae : Sorry but only that one.

Rei : Good

Tae : Alright let's go now or else I will eat you here.

Rei : ...

chapter 309 - \*\*\*Tae's 30th Birthday\*\*\*

The two got back and everyone are still there since they just gone for not more than 2 hours and less than one hour and half. Tae got back from the team assigned seats with his baby boy on his arms while Rei got summoned by Lina since she disappeared for more than one hour. The team didn't even think that what Tae said is the truth and instead they are still thinking that maybe Tae got properly rejected by Manager Rei this time.

The team observe Tae and they can tell now that Tae is back to normal and the Tae they know. After that, the celebration of baptism of the Twins coming to end and all guests start leaving on their own while Tae told his team that he will be on leave for 3 days because he want to celebrate his birthday with the family and again the team didn't get this hint.

On the next two days, the couple just do their normal routine while the team continue with the group radio shows and group performance for 3 days even the absence of Tae. Then out of the blink, Tae's Birthday arrive and at exactly midnight, Rei wake up first and then waking up her husband with a very big surprises to him.

Rei : Dear, Dear (waking him up).

Tae : Mmm (start waking up).

Rei : (Riding on top of him) wake up first Dear

Tae : (Slowly waking up and then only got a wide eyes when he notice that his wife only wearing a see through one piece bikini that he can see everything and most of all she's on top of him) H—Hon? (surprise first while staring his wife that cause of his partner to become active again)

Rei : Geez, don't stare at me because I'm already embarrassed you know and don't move.

Tae : (Blushing hard because this is the first time that his wife become so bold and aggressive)

Tae : (Now on top of her and said to his wife) don't ever think about escaping Hon after getting me aroused for just a matter of minutes.

Rei : E—h? Ah (suddenly m.o.a.n.e.d when Tae dive in to her c.h.e.s.t and then carresing her private parts. And then she heard a tearing sound and it came from her see through bikini and said to Tae out of breath) y—you've b—be—become w—wild T—Tae.

Tae : (replied with the same manner since his also out of breath) b—be—because i—it's m—my f—first t—time t—to w—wit—witness t—that m—my wife b—be—becoming b—bold and a—aggressive.

After that, Tae continue giving p.l.e.a.s.u.r.e to his wife and continue s.u.c.k.i.n.g her b.r.e.a.s.ts while c.a.r.e.s.sing her private parts. After satisfied of s.u.c.k.i.n.g her b.r.e.a.s.ts, Tae go down and then start l.i.c.k.i.n.g and s.u.c.k.i.n.g her private parts that Rei cause to m.o.a.n louder than usual of their making out and because of this Tae become more aroused and the room are now filled with their m.o.a.ns and groans without even becoming one since Tae still not satisfied of every parts of his wife. Then Tae reach his climax and now want to become one with his wife but before joining one with her, his wife reminded him with a hoarse voice because of loud m.o.a.ning.

Rei : Y—you're not going to wear c.o.n.d.o.m?

Tae : Ahh, right (then hurriedly stand and get the c.o.n.d.o.m from the desk drawer before hurriedly rolling the c.o.n.d.o.m to his already hard manhood)

Rei : You don't need to be hurry, you.....(got stopped and then m.o.a.n louder because Tae give her a very deep thrust.)

And now the room are filled with m.o.a.ns and groans again from them. Even the room itself can tell that they are full of l.u.s.t, passionate and intimate from their making out this time. After being done with one deep thrust on it, Tae still not satisfied and did the deeds for 10 rounds with safety precautions by wearing c.o.n.d.o.m every rounds. Even though Tae transform into a wild beast, he didn't hurt his wife since he did the deeds gently but rough and hard but very different for their usual making out.

After making out for 10 rounds, the couple are cleaning thereself in the bathroom and now cleaning the room. Rei is applying scented smells to cover the smells of making out while Tae looking to the torn one piece see through bikini and then ask his wife who still spraying perfume to their room.

Tae : (Holding the torn bikini) where did you buy this Hon?

Rei : I didn't buy that one and its Mei's present to me.

Tae : I see so then where did you get that idea, Hmm?

Rei : (Just realized that her husband still holding the bikini and commented) you look like a pervert and maniac by holding that one Tae.

Tae : Silly (then tap the bed beside him signaling Rei to seat beside him)

Rei : (Seat beside him and Tae wrap his arms around her waist while she lay her head on his shoulder) you really want to know where did I get that idea?

Tae : Uh-uh

Rei : Well its still Mei's idea since she's the one giving me that one (pointing the see through bikini that her husband still holding it).

—Flashback—

One month before Tae's Birthday and this was the day that her family going to leave and back to their hometown.

Mei got awake because she know that Tae is helping his parent preparing breakfast for them and know that her brother in law will not let her sister help because she just got discharge from the hospital 2 days ago, so she sneakily got out from the guest room and go to her sister room while carrying something on her hand. She knock first even though the door of her sister room already open.

Rei : (Notice Mei's standing at the doorstep while carrying paper bag on her right hand) come in Mei

Mei : (Get inside right away and seated beside her) neh Sis?

Rei : What is it Mei and why do you have that kind of expressions? Are you plotting something, huh?

Mei : Nah, I didn't and by the way Bro Tae's birthday will be next month, so what presents you will give to your Dear Husband?

Rei : No worries Mei because I have my own plans

Mei : I see and since I know you, so instead of unique surprise for your Dear Husband you rather give him a normal birthday gift surprises to him.

Rei : And what do you mean by unique surprise?

Mei : Here it's for you and you can use this one for Bro Tae's birthday but well you're husband must love it without wearing anything but knowing you, I give you this one since you're very too innocent and easy to get feel embarrassed even you already a mother. By the way Sis, giving a normal gift to you're man they won't feel satisfied since they are not like us, as a woman and the wife of husband who always love receiving gifts from the husband even a simple and smallest thing will make us happy but for the husband, the better gift of the husband is becoming one with the wife. The husband will love it and for sure your husband will be satisfied with that present of yours especially you're the one who initiate it first. Sis this is my advice as a married woman for 5 years, becoming one with your husband is the most better gift from the wife. Alright, I'm going now or else you're husband will hear this plan and is not exciting anymore. Bye, bye (then leave right away).

Rei : Hey, wait what is this?

Mei : Ha, ha, ha just see it on your own Sis

Rei : (Speechless but still curious and open the gift from her sister that cause her to have a wide eyes and then hurriedly hide the paper bag to her Control Room while pretending that she didn't see what inside on the paper bag)

—End of Flashback—

Tae : Never expect that Mei is very bold and she's younger than you Hon

Rei : Well she's only like that if she's talking to her family and right she's more m.a.t.u.r.e compared to me when in fact I'm 2 years older.

Tae : So then you use Mei's idea?

Rei : Well I just want to know if it's really the best present from the wife to her husband and yes it's really effective because I witness how did you transform into a wild best but at least you don't forgot to gentle with your wife or else I will be break into pieces.

Tae : .....

Rei : But see Tae I only doing this once for your Birthday today.

Tae : Okay but I still prefer you to wear nothing.

Rei : Wearing nothing or wearing a see through one is still the same and let's stop talking about that and for now you will stay here in the room and only going out after I say so.

Tfu : Ov, wmp loaii vfsu f nzuluro dmz qu?

Rei : Uh-uh and this time it's my original plan

Rei : No my Dear it's your Day today so then your Queen will serve you My King, so just wait here okay?

Rei : Yeah I know and thankfully it's now a winter season so they can't see it. Alright I'm going out now and stay here, don't go out and especially don't peek.
