

Last Man 31

Chapter 31 - So, is it Nice?

After an hour the family are already done with their discussion about opening a shop. The four kids are sleeping with their Aunt Rei room and they sleep.

Early morning all of them are now awake except the kids, they prepare the foods and both of the mothers of the twins are waking them up and several minutes pass they awake.

The family are eating together and chatting that taking their breakfast for almost two hours then Mei and Rei are now washing the dishes while the other family are waiting for them since they will attend a mass first before visiting to the site for this shop. After the two sister's washing the dishes they go to the living area and Mei suddenly remembered something.

"OMG, I and My En still processing for our vehicle here so how all of us can go when the number of us here?"

"That's right Mei, I and Lyn will buy a car on next weekend because on Monday I will start my new job here"

After the two of them realize it now, Rei personal phone rings.

"Oh, speaking of the devil, the devil arrives."

"Eh?"

Rei answered her phone without explaining them “ah, yes we’re going out now. No, no worries you just arrive at the right time. Yes, thank you”

“B—boyfriend?”

“Of course not, I’m renting a van for this day”

“Oh, since when?”

“After the kids sleep, I call them and rent a van because all of us are going out”

“Oh”

“Com’mon the driver of the Van is already waiting for us”

“Oh, okay”

-----

Rei lock the doors and check if the gate is really close then after checking it, Rei hop in inside the Van and inform the driver.

“Sir we’re going to C Church first”

“Yes, Ma’am.”

They arrive and the family are seating side by side to each other then attend the mass attentively, almost two hours passed the mass attended and they are now seating inside the van while the driver waiting for their next destination.

“So where are we going next Aunt Rei?” Ken ask

“Mmmm...it’s almost lunch time so let’s eat first. Sir, let’s go to C Overview Restaurant.”

“Yes Ma’am”

“Bro El, Bro El?”

“What is it Rei?”

“Tell the driver that he can join us”

“Oh”

‘Ha, ha that’s right Rei / Sis Rei / Aunt Rei is really quiet when it’s not her family members. Ha, ha as expected of her.’ All of them are thinking the same thing.

“Sir, please join us in lunch”

“Eh, it’s alright Sir”

“Nah, no need to be shy Sir, please fill your stomach first before your embarrassment.”

“My Mei”

“Oh, what’s wrong My En?”

“Nothing”

Mei said it in a T language and the family aware of it since Mei always speak this line to him “geez My En, you’re we’re jealous again. Your more handsome compared to him so don’t be like that.”

“That.....” didn’t finish what his going to say because En is blushing even his ears are red from embarrassment when they laugh together.

“Just join us Sir.” El invited the driver again.

“Yes, Sir.”

“She’s pretty right?” without knowing the driver nodded “Too bad she’s taken and she’s my wife”

“S....sorry” then looking to Mei next.

“What are you looking her?”

“What about her, she’s pretty so she must be taken right?”

“Yes, she’s my wife and no one can steal her away from me”

The driver are looking around and realize that they were 3 ladies but only 2 gentlemens, so he ask the two.

“What about Ma’am Rei?” he know the name because Rei is the renter and his main client since his boss inform him for the details.

“Any guess?” both En and El said at the same time.

“Ma’am Rei is pretty, so of course she’s taken and married. Is her husband working abroad?”

“Eh, what’s wrong My En/El?”

“Nothing My Mei / Lyn”

“Oh”

“Eh, what’s wrong Sir En and Sir El?”

Before their father answered the driver both their sons and daughters interrupt them.

“Let’s go now Aunt Rei”

“W—wait, Bro En and Bro El are still eating and we still need to pay the food first”

“Oops”

“Excuse me Miss, can you give me the bill pls?”

“Yes Ma’am, wait for a moment.”

“Ah, Sis let me pay for our meals”

“Okay Mei”

The waitress give the bill while Mei pays the bill then they stand and left. Rei instruct the driver for their next destination.

“Sir we’re going to Main C City which is in front of CA Building.”

“Yes Ma’am”

On their way to the site, all of them are quiet since they we’re all full but if they not, the family will talk until they reach to their next destination but not too loud and noisy and enough to not disturb the other passengers even though they were all family at this moment.

“Ah, we’re here. Sir you can park the van in that space and this is our last destination, just wait us in here.”

“Yes Ma’am” agreeing while looking at her again then blush and mumbling something “Ma’am Rei husband must be lucky to have her as her wife”

All of them didn’t hear and notice his blush except for El and En because they heard the moment they hop outside the van.

“Oh, another admirer for your sister, El”

Before answering him, El looking to the man and notice something “well his not married yet but then again this sister of mine, can only notice with the opposite s.e.x if it’s tall, white and handsome”.

“Yeah just like My Mei, she had many ex boyfriends who are tall, dark and handsome but among them I’m only the white one.”

“A—achooo.....” Mei sneeze “My En, are you talking about me behind my back?”

“I— I didn’t”

“Ha, ha you’re stuttering My En so you’re lying.”

“Geez stop it the two of you, I’m still single so don’t feed me with your sweetness.”

Both En and El are looking where the Van is and glad that the driver didn’t follow them or else they didn’t what happen when the driver already have Rei contact number.

Rei open the vacant shop and ask them “so, is it nice?”
