

Chapter 34 - Next weekend, I'm going to leave.

Rei's personality is really kind, good and nice but her co worker hate her not because of her personality but they hate her because they were envy of her due for Rei intelligence and capabilities. The one who really know who Rei really is are mostly her Seniors and Manager Xiu.

For the whole afternoon, Rei works and act like nothing gonna change and not even mind her colleagues mistaken her for getting fired out. Time passed by until the working hours end, Rei stand automatically and getting out while her co workers insulting her.

"Serve her right. Don't she think that she's really important here, now she realize that not even an inch she's important and just get fired out."

"Uhm.....Is she really got fired?"

"Of course it is because Ms. Rei is like that after getting out from Manager office, why she have that kind of expressions if it's good news?"

"I don't know but I have a hunch that it's not about getting fired."

"Whatever it is but let's just observe Ms. Rei"

Unknown to them, Rei is thinking how to tell her family members especially her nieces and nephews. She didn't even heard her colleagues talking about her. She got out from the office and hop in from commuter rides. Few minutes passed, she arrives and sighing before pressing the door bell.

“Ding, dong, ding, dong, ding, dong”

After the sound of door bells, 4 energetic kids run through the gate even though they can't reach it and their parents didn't follow them because Rei have a key. Rei forget about it but

Ren reminded his Aunt.

“Aunt Rei, I think you forgot that you have a key, right?”

“Ah, that's right. Silly of me, thanks Ren”.

“Your welcome Aunt.”

Both Ken and Ellyn notice their Aunt and can sense that she have something to tell them while Rei grab her key inside the bag then open the gate using the key.

“So Kids is your Grandma and parents inside?”

“Yes Aunt”

“Ah, Papa is not yet here Aunt Rei. Aunt Mei and Mama already here while Mama Grand just got awake”.

“Thanks Lynel and come here kids let's get inside”

Rei notice both Ken and Ellyn looking at her seriously like asking 'Aunt are you hiding something from us'. She smile for these two kids and thinking 'geez, this kids are too smart compared to their age. Well, well Ren and Lynel are smart but they really act according to their age'.

“Ma, I'm home”

“Oh, you’re here Rei. Mei and Lyn are still preparing our dinner. El on his way now. Did you forget your key again?”

“No, no I only forgot that I have my key with me.”

“What’s wrong Rei?”

“Nothing Ma, but I have something to tell with everyone when Bro El is here.”

“I’m already here Rei, so what is it?” just arrive without realizing them since he use his key.

“Can we discuss that one after our dinner, Rei?”

“Yes, Ma.”

Rei go to her room and change her office wear to a simple shirt and short while the others are waiting in the living room, seating and watching tv then Rei join them. Mei and Lyn are still preparing there dinner so Rei want to help.”

“Ma, I think I will help them.”

Knowing her sister Mei said it loudly “Sis let me and Lyn do it, don’t bother to help us because we don’t know when you will leave.”

Everyone laugh because Mei said it after Rei suggestion and as if she heard it.

“Let’s eat now”

Except El, the family are now seating in the sofa and waiting for El so that they will hear what Rei want to tell.

“So Rei, what is it?”

Everyone focus their attention to a drama and suddenly hearing him they got fl.u.s.tered.

“Woah”

“What’s wrong?”

Shaking their heads but Lynel said it blunty to her father “Papa, papa you know what, you like a ghost that you have a low presence without all of us noticing us. First, you just arrive and suddenly replied to Aunt Rei then now after washing the dishes, you just interrupted us.”

“Oh, really.” Lynel nodded “Ha, ha sorry but what drama are you watching?” Look at the TV and realize what is it “Frozen, how many times you watch....”

“Papa/Uncle”

“Oops, sorry”

“Rei, please tell us what is it? Let the kids watch the movie since it’s their favorite movie” after hearing there grandma both Ken and Ellyn listen attentively while watching Frozen.

“Yes Ma”

"I already informed the manager about my decision and they already expected that I will accept this offer. So next weekend I will go to S Country and here's my documents and flight"
