

Last Man 341

chapter 341 - Not an Ugly duckling but a Swan instead

All of them are waiting to that someone and while waiting Rei introduced everyone to her.

Rei : You already know about Jun Tae Woo since his one of the musical team cast, by the way this is Mr. Hwang our CEO, this is Officer Lu a police officer, our Artist Director Lina, Manager Wang of M'dol Team and Atty. Kei of our Legal Representative Team.

Lucy : I'm(going to introduced herself but got interrupted by that someone)

Mr. Hwang : Why did you took it too long Yun?

Yun : Sorry Mr. Hwang, did I arrive late?

Hwang : No it's alright because Ms. Su just arrive here and go take a sit first.

Yun : Yes Mr. Hwang

Rei : Alright go ahead Ms. Su and it's up to you of what are you going to say and share with us since what we most want to know is what are you doing and planning with that Sonography you have?

Lucy : I guess so but it's alright with you if I well tell my side first then my purpose for the sonography I found? (Everyone nodded) Thanks, well it's only a brief of story of mine. I got raised by my father alone because my mom died after giving birth to me, so then I've been raised and grown up in a camp since my father is a Soldier and General. My dad died during his mission since he take the bullet from the criminal because he protect his subordinate and that the cause why his health deteriorating after that mission of him. Before my Dad died, he have a death wish for me and that I will marry Mr. Zhang whom my Dad was the one who ment and instructor of him when Mr. Zhang doing his compulsory enlistment. I'm against marrying him but then to fulfill my Dad death wish I did sacrifice my self. At first I really thought that maybe My Dad is right since he sees him as a good man and a nice man but then I just witnessed how bastard he is and what my Dad sees he was only his facade. Well not totally a cassanova

one like Ex CEO Min since his only banging his Secretary but then after he inherit the H.EM Entertainment, he did become like him but he only interested with 3 Actresses, one of that is Ms. Xie and the other 2 Actresses already sleeping with him, only Ms. Xie didn't agreed to his offer. I and Ms. Xie joined the H.EM Entertainment around the same time. Because I'm just a wife of him only in paper, he assigned me for Ms. Xie Manager for that purpose since I also know Ms. Xie situation about her younger brother since her younger brother and my dad got admit in the same hospital. Ms. Xie didn't recognized me because of some reason but I recognized her right away so that I agreed to Mr. Zhang to be her manager with a disguise that I was going to convince her to sleep with him. Mr. Zhang already notice that I didn't convince her, so he assigned another Manager to her but then I will always threatening him that I will report it to the authority, so he can't do of what his d.e.s.i.r.e to her. Though, the 4 Managers that assigned for her every year are all backing out because they don't want their reputation to be tarnish because I also blackmailing them. As for me and Mr. Zhang relationsh.i.p.s, we are still married and not yet divorce for 4 years of marriage because of Ms. Xie. I'm still on hold of my divorce is solely because of Ms. Xie but different motives because me going to protect her and as for him is to sleep with her. As for this Sonography, I will use it for him to let go of me and for sure he will use this to border Ms. Xie and will fall to his hand. I already know him for 4 years, so he will border that someone he want to sleep and then help but his mind already plotting something. So is it okay for me to use it, especially Mr. Jun, it's yours right?

Tae : You can use it Ms. Su.

Lucy : Eh, but then you're relationship with this Jun Lou Rei will be exposed?

Tae : No one knows who's Jun Lou Rei is, so just do it and don't remove the bead in there.

Lucy : I see but then how about Ms. Xie?

Rei : No worries she will come to us after Mr. Zhang plotting something on her.

Lucy : Eh?

Rua : Jplo mgluzsu ao Ml. Sp frt bplo em jaov wmpz nifr.

Lucy : Okay

Mr. Hwang : By the way Ms. Su, after this, what are you going to do? I mean you're really suited to become a Manager because you're protected your artist very well.

Lucy : I only manage Ms. Xie, Sir and after this I will follow my Dad step. I'm already a Commander before marrying Mr. Zhang.

Hwang : I see, alright let's dismissed our meeting today and be careful with your task Ms. Su.

Lucy : Yes Sir

Then all of them dismissed, Rei and Tae leave first followed by the Lu Couple, then Mr. Hwang.

Yun : (Suddenly excusing him self) Manager Wang please tell Manager Han that my family called me awhile ago and I will be back after this.

Wang : Eh, okay but how about you're car?

Yun : I can manage Manager Wang and bye (then walking fast and catch up the couple) Manager Rei and Tae, please wait me okay.

Bmov : (Qpaou lpznzalu md Ypr fhoamrl frt frljuzut fo ovu lfqu oaqu) mcfw.

Yun : Thanks (then sprinting right away and go to the parking area, he witness that Ms. Su just hop in to the driver's side of her car and right away he sit at the passenger's seat)

Lucy : (surprised that someone inside her car) y—you, what are you doing here Mr. Ha?

Yun : I thought you don't know me Ms. Su.

Lucy : Of course I know you. You're the Leader of M'dols and of course you're group is famous enough, so how can I, as a Manager would not know you when I'm also in this kind of industry, right?

Yun : I guess and by the way can I confirm something?

Lucy : Confirm about what?

Yun : (closing his distance to her, touch her head and then said) indeed you're wearing a silicone face mask Ms. Su and this is the reason why Ms. Xie didn't recognize you.

Lucy : E—eh, how did you know? (Nobody and no one can't tell about it because she's been hiding this the moment he got married with her bastard husband)

Yun : I just know when our lips just touched awhile ago but it's not only me because all of them from my team also notice it but they didn't dare to ask you since it's your privacy.

Lphw : I luu gpo ovur jvw tat wmp tfzu om flc qu jvur ovuw fzu rmo?

Yun : Because I also need to confirm other else.

Lucy : Confirmed about what?

Yun : After wearing off your Silicone Face Mask

Lucy : Just make sure that you will tell me after I'm wearing it off.

Yun : Uh-uh

Lucy : (taking off her silicone face mask and ask) so then what is it?

Yun : (he guess it right and said) indeed you're not an ugly duckling but a swan instead, Ms Su, can I kiss you?

Lucy : W—what? Why.... (Got stop because Yun already kissing her passionately when they out of breath, she feels that Yun grab her hand and put on his c.h.e.s.t)

Yun : You only stumble me at once and fall on top to me without noticing that you just stole my heart. Did you feel how my heart beat fast?

Lphw : T—ovfo.....(Inuuhviull guhfplu md vaq)

Yun : It's quite outrageous for me since we only meet but this time I won't let go of my love this time and this is my first time doing like this. I guess you already know I'm a mother figure of M'dols and known to be a feminine one but I'm a man who also d.e.s.i.r.e what man wants but you're the first one I kiss.

Lucy : I'm not a shy type you know because I'm quite the aggressive type but I'm a divorcee, are you alright with that?

Yun : I don't mind that one Ms. Su.

Lucy : Lucy

Yun : What?

Lucy : Call my name starting from now and.....(pause on purpose)

Yun : And?

Lucy : (Move from the driver's side and sit to Yun's l.a.p then said) and even though I'm a divorcee, that's my first kiss but you're worse than me because you don't know how to kiss Yun (then start kissing him passionately and when they're out of breath, she ask again) are you really want to be with me, even I'm a divorcee?

Yun : (C.a.r.e.s.sing her hair and checks) uh-uh and everyone doesn't know that you're a divorcee.

Lucy : But they already know that I'm married with him and they heard.

Yun : They, you mean my teams? (Lucy nodded) You can trust them, Mr. Hwang and them are really reliable.

Lucy : Neh Yun?

Yun : Yes?

Lucy : After I'm officially divorce with that bastard husband of mine, can we do it?

Yun : What if you got pregnant?

Lucy : I'm turning 30 years old next week but I still don't have my own child well duh I don't want and have a child with that bastard so that's why I did hide my real face when I'm married with him.

Yun : H—have you consummate your marriage already?

Lucy : No and it's you who will take me Yun (then kissing him again and again, she's like she become possess onto someone who's very eager to eat her prey.)

Yun : (Same with her, Yun also become possess with someone but then suddenly realized that he tell the two to wait for him) mmm, Manager Rei and Tae are still waiting for me.

Yun shaking his head then the two exchanging their private number and then Lucy start the engine then leave right away as if nothing happened awhile ago meanwhile Yun walk where Manager Rei park the car and hop in.

chapter 342 - That fast?

After Yun asking the couple to wait him, they witnessed how Yun sprinting to the parking area and then they witness that Yun ride at the passenger seat of Ms. Su car since she also ride at the driver side that leave them speechless especially to Tae.

“Dear, that’s Ms. Su, right?”

“.....”

The two just wait even it’s already one hour pass “woah, what are they doing inside the car Hon?”

“I don’t know Dear and why are you asking me?”

The two are waiting him but then Tae got impatient and talking to his wife.

“Don’t tell me they did it? But then the car is steady, so maybe they are not but then it’s been an hour, right Hon?”

“One hour and 5 minutes exactly Dear”

“I see so talking impossible since they are not like us. Ah, Bro Yun is stepping out now Hon” (then commented to him when he gets in) “why did you take it so long Bro Yun?”

“Sorry Manager Rei and Tae, by the way we’re now dating”

After hearing it both of them is quite surprised but then only Tae who reacts to him. “That fast?”

“Uh-uh”

“Woah, I didn’t expect you to be so fast Bro Yun” (Tae commented it loud while starting the engine)

(Just realized that Tae is the one driving) "Hey, why are you the one driving? And you don't know how to drive remember?"

"Don't worry Bro Yun, you can still meet you're girlfriend in one piece and don't you think Rei will allow me to drive if I don't know how? Alright let's go now, geez Bro Yun you take one hour time from me and you waste it"

"Huh, what do you mean by that?"

"It's already pass 11 and now I can't meet and visit Rei to our home"

"....." Speechless

"See Bro Yun, we are right that you can meet the right one for you and you will do everything for her. Take for example, you didn't mind that she's a divorcee but instead you just fall for her right away without knowing why, right"

"Yeah, right"

"So are you going to disclose your relationship with her Bro Yun?"

"No we're not yet stable yet and of course I don't want to be feast by the paparazzi's"

"Yeah but then you're really fast Bro Yun"

"I don't know why I've become like that after she stumbles to me awhile ago" then Yun start telling to them what happened awhile ago.

"Ha, ha, ha just what Rei said to you that you will meet the right one for you at the right time. You're quite similar to me Bro Yun since both of us got love at first sight but then you're too fast you know.

Well that's actions of yours will be surely not effective to Rei and for sure if I did the same thing then maybe I got rejected right away."

(Ignoring his comment and asking him instead) "by the way Tae, why Manager Rei suddenly sleeping?"

"It's because she's pregnant Bro Yun and the Sonography that you're girlfriend have is really from me"

"Eh, then that's real?"

"Uh-uh and I'm slowly start disclosing my relationship with Rei since we only have limited day before enlisting"

"Indeed Tae but I think's it's you who's fast enough compared to me"

"No it's you Bro Yun and you will only know it why after I disclose how we meet"

"....."

"Ah, we're here"

"You really know how to drive now Tae, so did Manager Rei teach you?" Hop out from the car

"Uh-uh" also hop out from the car and then go to the other side to carry his wife before locking the car and the two riding the elevator. Then Tae commented to him "Bro Yun, I think you need to exercise more so that in the future you can carry you're future wife in a bridal way without a problem"

"Idiot even I look skinny, I'm not that weak"

"Ha, ha, just kidding" then entered the house but before entering he tell Yun to wait outside and then lay his wife to their bed and of course he didn't forgot to kiss his wife on her forehead. Then the two

entered the team house together and then to their room. Tae just sleep right away meanwhile Yun messaging his girlfriend and they exchange message to each other for almost an hour.

On the next day the team awake on the usual routine and get ready for the day meanwhile around 8am, Ms. Su meet her bastard husband at the meeting place they discussed on the phone call,

“Make sure you will give that thing after this divorce”

“I will”

“And of course you can’t take any step to H.EM Entertainment anymore”

“Noted”

“And then you’re not a Manager anymore to Lou starting today, of course you can’t blackmail me anymore.”

“Alright stop talking and let’s get this over because I’m already fed up with you”

“Same here because you’re just an ugly duckling”

“Hai, hai I know and let’s go now or else they will know that you’re married with an ugly duckling one”

“You better keep your promise”

“Why are you still standing there?”

The two entered the premises like not a married couple for 4 years but well they only got married in paper only because they’re living in separate house. Aside from Lucy Dad, no one’s knows that she got married with this bastard will except them and this husband of her didn’t know everything about her especially her real face well duh this bastard doesn’t deserve to know it. And then them especially her

boyfriend Yun notice that she's wearing a silicone mask when indeed they just meet yesterday night well exception for the couple since they already know she's wearing at the first day they meet but they didn't comment on it. Within half hour the two officially divorce since they got divorce by agreement, Lucy gives the sonography right away and then left but before leaving she heard her ex-husband asking her a question.

"Who's Jun Lou Rei?"

"Who knows I only got that one from Ms. Xie and then Ms. Xie is going to call Mr. Jun about that one...oh, pretend you didn't heard it from me because I'm not sure about that bye" (then leave right while holding the divorce papers).

Meanwhile her ex-husband also leaves in different direction and then hops in inside his car. He look the sonography and commented it loud "that Lou she always declining my offer on sleeping with me and yet she's already dating with Mr. Jun. Are they in an arranged marriage and he suddenly got her pregnant? Jun Lou Rei and Xie Lu Luo, are they the same person? Nah, the public will only reacts and give there opinion without knowing the truth. He take picture of the sonography without the name and then posted to Xie Lu Lou own SNS Account since he already ask her SNS Account from his ex-wife hence she's no longer her manager.

chapter 343 - Is Ms. Xie pregnant and who's the father?

After that post, it got trending from the whole S Nation and all Entertainment News except for H. EM Entertainment since they release an official statement from their PR representative. All Entertainment News post the same article since the entertainment news who just release false news last time did received a legal letter from Atty. Kei and got warned, so they are now careful now.

[All Entertainment News : Musical Actress Xie Lu Lou just posted a sonography, is Ms. Xie pregnant and who's the father? Stay tuned for more updates.]

The Jun couple and the others who are aware about this plot are thinking at the same time 'his really eager to control Ms. Xie'. Meanwhile the one whose SNS Account got used by her boss is not yet aware because she's rarely used her SNS Account and only her Manager who manage it, without knowing that her Manager already stop as her Manager before this post posted to her SNS Account.

One hour after the post got trending and after the release statement of any platform of Entertainment News, as the signed entertainment of her, H.EM Entertainment releases an official statement.

[I, as the Artist Director of H.EM Entertainment is not aware of this including the whole team of H. EM Entertainment because it was solely Ms. Xie actions without informing any of us. Ms. Xie posted one hour ago but we are now contacting to know about why she post this one]

After the official statement of Ms. Xie signed entertainment, H. EM Entertainment, everyone who read and heard the entertainment news got confuse who's to believe between Ms. Xie and her signed entertainment. Mostly her fans believe her because they know how she reach her dreams slowly by slowly but then the anti-fans slowly attacking her because she's also a beauty one and maybe she used the easy method to be get famous by sleeping the higher ranking that cause her to get pregnant.

Ms. Xie becomes the main topic of Entertainment News and to those Senians who have a lot of free time. An hour by an hour until afternoon both Ms. Xie and H.EM Entertainment didn't release another post or official statement aside that one, so the Senians are now eager to know who's telling the truth or not, and if it is one of them telling the truth, then Ms. Xie is really pregnant and who's the father, if it's not true then who tried to defame her and what's the reason for defaming her?

Around 6pm, the couple already in the restaurant and eating there dinner as if nothing happened hence they already know that the culprit already got trapped of there plan. After eating they go out from the restaurant and then now inside the Theater Hall. As expected, Ms. Xie already there and waiting them and called them right away but only got stopped by Rei since she notice someone hiding at the corner.

Xie : Tae and Manager Rei, t—that's (Going to tell them that it's not her but got interrupt by Rei right away)

Rei : (Said quitely) shh... someone 's following you and pretend you don't know about it. Just sit there beside Tae but not so close since this is the angle for them to assume that you're close with Tae.

Xie : Okay

Rei : (sneakingly give her calling card to her using her maiden name and said) give me a call later.

Xie : (accept the calling card and read her name) eh, you're full name is Din Lou Rei, Manager Rei?

Tae : No that's her maiden name and her full name now is Jun Lou Rei.

Xie : T—then.....

Tae : Yes she's the owner of that sonography

Xie : I see

Rei : (Observe that someone who's following her and notice that they take a lot of pictures of them even though it's only there back and said quietly) let's pretend that we're having a lovely chat and they will assume that we're this close.

After that they're acting as if they have a lovely chat but unknown to them they only open their mouth and smiling like an idiot for them to assume that they have a lovely chat. Then the other musical team slowly by slowly arrive and that someone already out of sight that failed to notice that Ms. Xie is really not that close to them since she suddenly got up and said to them after hearing Rei that they're gone.

Xie : Thank you Manager Rei

Rei : You're welcome and after the musical ends just follow us later, okay

Xie : Yes Manager Rei.

The Musical Teams and staff are not that gossip monger since they respect the private life of individuals, so they start the musical as if nothing happened. During breaks Tae go to his wife and talking to her about awhile ago.

Tae : Hon, surely this time they will assume that I'm the rumored father of Ms. Xie.

Rei : Yeah, I know it although I hate to see it but let's just go with our plan.

Tae : Okay but I think I'm only confirming that indeed I'm a father but Ms. Xie is not her.

Rei : Eh, you're not going to disclose our relationship yet?

Tae : Not in this way Hon and I have also my own plan. I did agree your plan but I have my own ways of disclosing our relationship to them.

Rei : Okay and I follow you're arrangement for that matter.

Tae : (Tap her head) thanks Hon.

Director : (Interrupting the couple and said) Tae on standby

Tae : Yes Director (and then hugging his wife)

Rei : Why are you hugging me?

Tae : Because I need to be get charge since I'm almost out of battery.

Rei : Silly

Then Tae go back to the stage and perform his best, same with the other cast that they did there best that the results for the musical tonight ends very well. Tonight is the 5th night and they still have 14 nights left to complete the whole scenario of this musical. There's no kissing scene because the male lead love his my one and only while the Female Lead love the Male Lead but later she let him go because she's more happy that his love will be happy to be with his love, just like the real story of Tae and Xie Lu Lou because Tae only love his Rei, his one and only while Xie Lu Luo love Tae but let go of him because she have no chance at all and she wants him to be happy.

After the musical ends very well, the musical team got dismissed and then Tae ask his wife.

Tae : You're the one driving, right?

Rua :

The two leave right away and then Rei is the one driving, before starting the engine, she's looking to Xie and she just nodded as if saying, yeah I will follow. The two hops in the car and Tae just seated at the back seat. Today, Rei didn't used her car for her privacy and instead used Manager Wang car since the Team have there own Team Car as per Tae suggestion from last night meeting before Lucy arrives because he don't want his wife to be the center of attraction from the media after disclosing there relationship especially his wife is very beautiful and a Goddess that if he can then he already hides her but that's not what love is and instead that's trapping in a cage.

While driving Rei remembered last night and ask Tae "so then my Dear Husband Tae, after you disclose our relationship when can I used our Red car freely?"

"After I got discharge because I can be free now to be with you when I disclose our relationship"

"I see so then after disclosing our relationship, me your wife will use the SUV (Tae's car) until you got discharge, right?"

"Yes and now focus on drive Hon because Manager Wang car is not automatic"

"Duh and that's the reason why I only talk to you without looking. Ah, we're here" then Rei park the car and the two got out from the car, this time Tae didn't assist her wife since the plan will be go onto nothing if he will, meanwhile Rei instruct the one who follow them. "Ms. Xie just parks your car here" (her's car parking slot since her car in the residence parking area).

Xie park the car and then got out from the car before following the couple inside the CA Entertainment premises.

chapter 344 - Is M'dols Woo the father?

Mr. Zhang used his paparazzi's to follow Ms. Xie of her activities today. After following them, the paparazzi's are now reporting everything to them.

Mr. Zhang : I see, so Lou approach the Artist Manager of CA Entertainment rather than me, since this is her answer then go and post it but don't reveal your name, just pretend a fan of her.

P1 : Yes Boss

Mr. Zhang : (After the paparazzi's got out of sight, he throw his phone and said angrily) that two woman, Su Lucy and Xie Lu Lou.

After his instruction, the paparazzi's post everything what he got with a statement of him.

[I'm a fan of Xie Lu Lou for 4 years and I believe her so that's why I followed her today for proof that she's innocent and that she just got blackmailed but I never thought and expected of what I see. Ms. Xie, have a Musical last December 02 and will end on December 20, so then I go to the Performing Arts Grand Theater Hall but only to witness that Ms. Xie is very close with Mr. Jun from M'dols, in fact there Artist Manager didn't even scold her for approaching her artist Mr. Jun. They have a lovely chat, so is Mr. Jun the father of the child if happened that Ms. Xie is pregnant?]

After that post of him as fake fan of her, everyone got alarm and then commented one by one.

Anti-Fans : Told you, this M'dol Woo is indeed in a relationship and not a single one. For sure, this is the reason why he posted two baby cribs on his last post.

Fans : If I remember correctly, Bro Woo last post of the two baby cribs was last October and hello today is December 07 which Ms. Xie only posted a sonography.

Anti-Fans : So what?

Fans : If you're really the fans of Ms. Xie Lu Lou then why hiding you're identity? Are you perhaps got paid by someone to just ruining Bro Woo Reputations? If not then reveal your real identity that you're really Ms. Xie Lu Lou fan and not got paid by someone.

[For those who didn't believe me then here: attach 4 photos he take awhile ago which is the 3 of them in the Theater Hall, see it from your own and judge it. The one who's in right side is the Artist Manager of CA Entertainment and left side is Xie Lu Lou, so then who's the man in between? Of course it's Mr. Jun, even it's only there back, and it's them. For my identity I will not reveal it because I'm just a normal citizen and doesn't want my privacy to get involve with this matter.]

[I agree with whoever you are, I also see when I just got out from work. I'm also a fan of Xie Lu Lou since her debut and a Security Personnel in the next building after CA Entertainment which coincidentally I also notice that Xie Lu Lou entered the CA Entertainment Parking Area tonight around 9:30pm. This is Xie Lu Lou car, I'm not wrong because I'm already a fan of her since debut but then I don't know who's the owner of this car (attach two photos of each car), the white one is Xie Lu Lou car]

Anti-fans : So now what? Is CA Entertainment going to deny that they're in a relationship when in fact Ms. Xie Lu Lou entered the CA Entertainment which is known for having a strict and tight security? For the other car, I guess it's the Artist Manager of CA Entertainment and M'dol Woo.

Fans : Whatever it is, we only believe to Bro Woo. We both trusts M'dols Woo and CA Entertainment.

After the fans and anti-fans changing words to each others, the entertainment news also releasing another statement. And again with the same content of S Entertainment News except for the H.EM Entertainment since they were very careful of their own statements or else it will get backfired to them.

[All Entertainment News : Two proclaimed fans of Ms. Xie Lu Lou stated their own opinion about M'dol Woo and Musical Actress Xie Lu Lou relationship. All of us are aware that Ms. Xie Lu Lou is an official fan members of M'dols which coincidentally her main bias is M'dol Woo, who happened to have dating rumors of her. Stay tuned for more updates.]

[H.EM Entertainment : As the Artist Director of H.EM Entertainment, I also got alarmed because we don't hear anything from Ms. Xie Lu Lou. What we said awhile ago, after that post of her we are still not in contact of her and unreachable at the moment. And now she's rumored to be in the CA Entertainment, which is widely known in S Nations that CA Entertainment is a rival company of H.EM Entertainment. I don't know what's going on with Ms. Xie Lu Lou and her Manager Su since she's also unreachable. Our Boss Mr. Zhang, which is the CEO of H.EM Entertainment just inform us tonight that

Manager Su is no longer Ms. Xie Manager, so we don't know if this is post by her own or post by Manager Su. We are still both trying to contact the two of them in order for us to have clear information and confirmation of which is true and which is not.]

While the S Nations either fans, anti-fans or medias are now in chaos because of the official statement of H.EM Entertainment News, the involves of the rumors and articles are in the conference room for another meeting, of course it's the same team last night.

Xie Lu Lou just followed the couple; they entered in the studio first before the conference room. As Xie Lu Lou entered, she notices someone is also there.

Xie : Y—you, why are you here and are you the one who post it since you're the one who manage my SNS Account? You have that picture so it must be you.

Kei : Calm down Ms. Xie, you're Ex-Manager is not your enemy in fact she's the one who always save you for the whole 4 years that you're in H.EM Entertainment.

Xie : E—eh and who are you Sir?

Mr. Hwang : Sorry for that Ms. Xie but this is our Legal Representative of CA Entertainment, Atty. Kei.

Xie :

Rei : I think you need to take a seat first Ms. Xie

Xie : Ah, right thanks Manager Rei.

Rei : So then Ms. Xie all of us are already expecting this to happen, well in fact at first we only expecting that it's you who's going to do it since you fancy Tae prior to his debu but then after my last warning the day you try to seduced Tae you're really reflect to your ownself.

Xie : E—h, t—then how about what I did to you, I mean to your car Manager Rei?

Rei : Well at first I'm going to charge you for the cost of repair but then I heard about your brother situation from Ms. Su, so then let it by-gones be by-gones.

Xie : (Thinking what she did to Manager Rei car and her younger brother situation, she suddenly fall on the floor from her seat and cry)

Lucy : Geez I don't know what's going on your mind by inflating the tires of Manager Rei car and (wearing off her silicone face mask and approach her) I told you that it's not your brother fault why my Dad got died because of that and how's his doing now?

Xie : E—eh, C—Commander Su?

Lucy : Yeah it's me and I didn't reveal my face for my personal reasons, so now where's your brother? Why he always blaming himself and always committing suicide?

Xie : I hide him from you because I thought you're going to use him to blackmail me in order to sleep with Mr. Zhang.

Lucy : Oh, I guess I approach in a wrong way. Alright after this, you and your brother stay with me because for sure Mr. Zhang is going to look for you, ah wait I already have a boyfriend so it's inconvenient for me to have someone staying at my house just in case I and my boyfriend have an intimate sessions.

Mr. Hwang : Ms. Xie can temporarily stay at Atty. Kei, house Ms. Su.

Both : (Xie Lu Lou and Atty. Kei) eh?

Mr. Hwang : Atty. Kei, you're already own a unit in CA Residence and yet you still didn't stay there because you're not yet married as what you said to me and so I will let Ms. Xie stay at your unit temporarily.

Kei : 'Mr. Hwang have you forgotten that you already give me the ownership longtime ago?'

Mr. Hwang : Are you not in favor of my suggestion Atty. Kei?

Kei : Yeah, it's alright Mr. Hwang as long as Ms. Xie will only stay in the guest room and not in my room.

Mr. Hwang : Good and after this you need to follow Ms. Xie first to where she lives and then ride to your car for letting them stay in your house and to avoid being find out by Mr. Zhang.

Kei : Eh?

Mr. Hwang : Why are you afraid Atty. Kei? Both of you are not taken and still single, so there's no one who's going to get mad if someone see the two of you. I suggest this for them to assume that Ms. Xie only hiding where she live and it's not wise for her to use her car because her fans knows her car, right?

Kei : Oh, you have a point Mr. Hwang but why do I feel that you're matchmaking me just now?

Mr. Hwang : Did I?

Kei : Yes

Mr. Hwang : It just your imagination Atty. Kei

chapter 345 - Expired Existing Contract

After the interaction of Mr. Hwang and Atty. Kei, the two go back to their seriousness.

Mr. Hwang : So then Ms. Xie are you alright with that arrangement of mine that you will stay temporarily at Atty. Kei unit until this situation become clear?

Xie : Yeah and thank you for that offer Sir.

Mr. Hwang : How about your car?

Xie : I will just commute Sir and the Musical is only my first and last schedule this year.

Rei : You mean, this is your only schedule for the whole year?

Lucy : Yes Manager Rei because if she didn't heard that it's Mr. Jun got offered for the male lead role then Ms. Xie won't be one of the cast. She's the one who did her best to have an audition and get the role after passing the audition, as for me I only signed the contract between her and to the musical producer.

All : (Except Tae and Lu Wen) Don't tell us that Ms. Xie got freeze from H.EM Entertainment?

Lphw : Yul

Kei : Wait, do you have her contract after signing to H.EM Entertainment?

Lucy : Yes, I have and wait a moment (get something from her bag, said and then give him the contract) that's Ms. Xie copy, I'm the one who's keeping it because I'm her Manager, I don't really know about the other legal terms and conditions of it since I just request to be her Manager and of course I'm not a lawyer, but I just want to be her Manager knowing that she signed under H.EM Entertainment but even though I didn't understanding any legal terms, it's enough for me to know and understand that Ms. Xie is no longer a signed Musical Actress of H.EM Entertainment because Ms. Xie existing contract was already expired last November 30.

Xie : Eh?

Kei : (Reading the contract) don't tell me you just signed it without reading?

Xie :

Kei : 'Is this woman an idiot?' Here (give to Lina)

Lina : (Accept the contract and read) as what Ms. Su said, it's really expire last November 30, you signed 4 years ago last December 01 and December 01 which 6 days ago you're no longer an Artist of H.EM Entertainment. Manager Rei here's the contract of her.

Rei : (accept the contract and also reading it) as per agreement, you have 60-40 ratio which is 60% for you and 40% for H.EM Entertainment. Also (Someone interrupting her)

Kei : (And his the someone who interrupt Rei) Manager Rei, who's the lawyer here you or me?

Rua :

Kei : Thanks, so then Ms Xie 'woah, I've never thought that I will meet a woman whom a very naive and just signed without reading'

Xie : Yes?

Kei : Answer Yes or No, and I will ask you one by one, so then have this 60-40% ratio implemented?

Xie : No because after signing I have no activities for 4 years and only this one since I strived my best for the audition to be at least part of the cast.

Kei : By this Musical, how many percent you received?

Xie : I don't know since Manager Su give me everything since she say that I need it and deserve of it.

Kei : So all this terms and conditions in the said contract of you didn't even got implemented and executed at least once, right?

Xie : Eh, I don't know? But I'm under signed of H.EM Entertainment so it must be implemented and executed, right?

Kei : Tell me directly when have you been freeze of your career, is it the moment you got signed?

Xie : I don't know but Mr. Zhang said that I can be a cast of any musical as long as I'm sleeping with him.

Kei : I see and I got it now, so then as what I heard from Ms. Su you got assigned to another Manager but are they trying to give you a schedule?

Xie : Yes aside from Manager Su, I have other 4 Managers, 1 Manager per year and then we meet at the assigned studio of me and offered that I have been a cast of the female lead but before that we we're going to meet the musical producer first and only then they suddenly resigned from the company.

Kei : That's Ms. Su doing,

Xie : Eh?

Kei : Do you think that for the whole 4 years without Ms. Su as your Manager, are you still safe with Mr. Zhang clutches?

Xie :

Kei : Alright, let's stop with this so then are you still going to become a musical actress?

Xie : Yes that's my dream since young and I will just find another company to signed me up.

Kei : As long as you have talent then you can really find, especially right now since we have the 3 important persons in the Entertainment.

Xau : Ev?

Kei : Are you really that idiot? Here, we have CEO of CA Entertainment Mr. Hwang, Artist Director Lina and Artist Manager Rei.

Mr. Hwang : (Got his point, so he ask Rei) Manager Rei, what's your opinion about Ms. Xie performances?

Rei : She really deserve to be known as Musical Actress Xie Lu Lou, Mr. Hwang.

Hwang : I see, then Yes I can signed you up under CA Entertainment Ms. Xie and Manager Rei prepare her contract.

Rei : Yes Mr. Hwang (and then automatically turning on the laptop from the conference room, open her mail and retrieve the artist contract then editing it, while editing she asked Lucy) Ms. Su, are you still going to follow you're Dad's step?

Su : Don't tell me you're going to assigned me as Ms. Xie manager again?

Rei : Yes but the real you this time and it will also benefit to you, you know what I mean.

Su : (Translating what Rei means, you will her Manager as the real Su Lucy and you can meet Yun without getting spotted by paparazzi's) woah, you're so good and genius Manager Rei.

Rei : (Ignoring her comment and ask) are you okay with that?

Su : Uh-uh, I will be on duty again after my boyfriend got enlist and then off duty after he discharge, so you must find a temporary Manager that assigned for Ms. Xie after I'm gone.

Rei : No worries (then put there names on the contract and printing 5 copies for the CEO, for her, for Legal Representative, for Lina and then for the Artist, Ms. Xie Lu Lou) here Atty. Kei, you can notarized it right away since you're the Legal Representative.

Kei : Oh, right, I'm also part of the important persons in the entertainment fields. (Accept the paper then read and ask about the term) eh, you dated the term from December 02 and not today?

Rei : Are you really asking that one to me Atty. Kei?

Kei : I think you're really suited to be the Legal Representative compared to me, Manager Rei.

Rei : Nah, I have my limitations Atty. Kei. That's right Ms. Xie you can now freely use you're car since you're now one of the artist in CA Entertainment.

Mr. Hwang : Yes, Ms. Xie and welcome to the family.

Kei : Manager Rei here (give the contract to her back while Rei distributing to them)

Lina : Now it's my turn to clear the mess but I will only announce it after 3 days.

All : What?

Lina : Com'on everyone if I announce it now it won't be thrilling anymore and I want them to assume that Mr. Jun and Ms. Xie Lu Lou in a relationship so that when they know the truth, for sure it will be face slapped to them. Have you imagined that kind of scenario?

All : (Except Tae and Rei) 'Is this lady here/Lina/Honey a sadistic?'

Rei : (Tell it frankly to her) are you a sadistic perhaps?

Lina : What the? I'm not; it's just that I'm really bored.

Tae : I'm alright with that Artist Director Lina

Lina : Woah, thanks Mr. Jun, so now Mrs. Jun, are you okay with that?

Rei : Well my husband said so then go ahead with your plan.

All :(Got speechless)

chapter 346 - The Xie's Sibling

If they are not smart enough to get the hints that this two are in relationship, for sure they will get surprised and dumbfounded. All of them already know and aware that they are a couple and the other 3 persons (Kei, Lucy and Xie Lu Lou) just got to know but they are not that surprised because Tae always seated beside her and very sweet of her. For Lucy, she already notice that Tae is really close to Rei and always chatting to her everytime of his break from the musical performance for 5 nights straight.

Lina : (Looking to the three reaction) eh, the three of you, you already know?

Lucy : I'm really blind if I didn't notice how sweet Mr. Jun to Manager Rei and of course they are wearing a couple ring on there right ring finger, so they must be in a relationship and married, right?

Lina : I see, so how about you Ms. Xie and Atty. Kei?

Xie : I just got to know it tonight and already know they're a couple after picking up the sonography.

Kei : I already know it last week.

Lina : I see, so then how about Yun and Ms. Su relationship?

All : (Except Rei and Tae) eh, they are dating?

Both : (Yun and Lucy) e—eh, h—how did you know Artist Director Lina?

Lina : Yes they are dating and how did I know? Of course I'm the Artist Director after all but well the two of you is really obvious because when Ms. Su said my boyfriend, she always looking at you Yun and you Yun just blush then hiding Tae's back. Of course I also got the hidden meaning of what Manager Rei said awhile ago.

All :

Lucy : Ah, by the way it's also alright for me to stay temporarily at Atty. Kei unit for the meantime?

Kei : Yes no worry Ms. Su hence you already the assigned Manager of Ms. Xie here and Yun.

Yun : Yes?

Kei : Don't do it inside my unit, got it?

Yun : Got it

Xie : (As a 29 years old V.i.r.g.i.n and single since birth, she misunderstood it) eh, then I can't also do it inside your unit Atty. Kei?

Lucy : Lou, what Atty. Kei means is having s.e.x with Yun inside his unit and not with the call of nature.

Xie : (Blush hard and don't know where's she going to hide because she misunderstood it)

Then after that, they dismissed. As what Mr. Hwang instruction, Kei followed Ms. Xie to her house and then packing up but when they arrived at her house, Xie brother hold something sharp and said to her sister.

"Sis, please let me free now, okay?"

Lucy who's also following them since his the subordinate that his Dad saves and changes his life for him happened to witness and heard it from him, so she asks right away "what do you mean by that Officer Xie?"

"E---eh, C---Commander Su, you're alive?"

"Of couses I am and what happened to you? You're not like this; don't tell me that Dad sacrificing his life for you was just a waste?"

"But General Su...."

"My Dad already not here in the world where we are living but it's doesn't mean that his not around anymore because his always our leader, our General even his already gone, right? Don't even think that just because our General saves you, you're just going to blame yourself for you whole life? Don't you ever think that General Su saves you for nothing instead think of it why? He saves you that time because you have potential and now what are you doing now, are you going to waste this change that you're alive?"

"S---sorry Commander Su"

"It's alright and com'on, I already treated both of you as my younger sister and brother so it's my job to take care the two of you"

"But I'm no longer in the naval force for 4 years straight"

“Yeah but you can still go back because you already have a rank and right now you must get back to your ownself, okay?”

“Yes Commander Su”

“Alright I’m going now; bye bye or else someone might get bored inside the car” then leave right away since Yun is inside her car, of course the two Managers of him (Rei and Wang) become a scapegoat and just told Manager Han that Yun have errands with his family.

Xie Lu Lou Younger Brother notice that someone is also inside the house “e—eh, S—Sis you have a boyfriend?”

Punching Hard his stomach and said “idiot, just because I’m with a Man, boyfriend already?”

“Sis I’m still weak and just got discharge last week, remember?”

“And whose fault is that, huh?”

“.....”

“Go pack your things within 10 minutes or else I will punch you again”

“Hai, hai geez told you Sis you’re suitable to become a Soldier than to be a Musical Actress”

“If I’m really become one then you’re already dead by my own hands, do you know that?”

“Hai, hai that’s why I said you’re more suitable to be a Musical Actress than to be a Soldier. Geez, Sis you’re already 29 and if you continue with your brutality then you will die without tasting a man”

“And since when a Man become food for you to taste?”

“S—Sis, Sis are you sure you’re 29?”

“And how about you, are sure you’re just 20?”

“Don’t know maybe I’m 29 and you’re 20”

“.....”

“I’m done packing, so where are we going Sis?”

“We’re staying to his house temporarily because of some reasons of mine.” explaining to her brother while pointing to Kei.

“So after all his you’re boyfriend?” only got another punch from his sister.

“Let’s go Sir”

“Sis, Sis”

“What’s wrong Xie Lu Mer?”

“D—don’t tell me y—you sold out your body because of money?” and again got another punch from his Sister.

“Just follow me and don’t ask anymore, understand?” and her younger brother just nodded. “Let’s go now Sir”

Xie Lu Lou followed Kei car and then not an hour they’ve arrived in the CA Residences and Complex.

“Starting today, you can park your car in this slot since it’s my parking slot and let’s go” explaining then walk to ride the elevator leaving the two siblings following them. Her brother, who’s been in the military since 16 but been depressed for 4 years, he is really not into the Entertainment World so he doesn’t know everything only his Sister that he knows from the fields of entertainment. Since he already sense that her Sister almost lost her patience then he stop teasing her and just observe because he don’t want her Sister to heat him more since he already attempting 10 times suicides for the whole 4 years since his guilty about what happened to General Su, the General who save him and lose his life by saving him. Xie and her brother was raised and also grown up in the military fields just like with Lucy but different with Lucy since they live in different camp. Xie Lu Lou Father and Mother died from a Mission of them which them become an orphan when Xie just turn 15 and that’s the time she notice the M’Dols and become inspire that Life still going on and she still have a brother on her side, so that’s why Xie raised her younger brother by her ownself from her income.

Give the key to Xie “This is my house key and the guest room key” then Kei briefing them first before leaving.

“So you really did not sell your body Sis?”

“What do you think of me an idiot? Alright let’s take a sleep now and by the way when are you going to go back in the Military?”

“Maybe the beginning of next year Sis and I’m sorry for what I did for 4 years”

“Promise me you won’t do anything and never commit suicide again, okay? You know aside from Commander Su you’re the only family I left before I meet her”

“Uh-uh I promise Sis and wait what do you mean by I meet her? Don’t tell me you’re not a lady who likes men but a lesbian instead?” Got punch by her again

“I’m not a lesbian but well if she’s not married then I might considered that one since she’s like a Goddess to me”

“Who is it?”

“Uhm, excuse me”

“Eh, you’re still here Sir?”

“I forgot to mention that I don’t have foods inside the Refrigerator”

“It’s alright Sir, we can manage”

“Sis what do you mean by a Goddess, is she really a beautiful one just like a real goddess?”

“Hai, hai and do you want to meet her?”

“Uh-uh, when?”

“Tomorrow Night”

“Uhm, excuse me again”

“Eh, what’s wrong Sir?”

“Can I stay here for tonight? It’s quite late now”

“Yes you can, after all you’re the real owner here and not us.”

Then Kei get inside right away and then after two hours, he go out from his room and just realized that the other Xie sibling still awake even it’s past midnight because she’s rehearsing. He didn’t disturb her nor telling her to sleep since it’s late. Instead he just watches and observes her before entering to his room after drinking a glass of water.

chapter 347 – Faceslapped

Around 2am, Lucy arrives at Atty. Kei unit since she got informed by Yun where Kei's unit is and Xie Lu Lou is the one opening door. The two is busy chatting and making out that they almost forgot the time. Luckily when they returned no one's awake yet except for Yun since Tae just got back to their shared room since he visit his wife and also got back late because of his wife pregnancy symptoms. He only left after making sure that Rei is now alright and fine from her pregnancy symptoms.

Yun : You just got back Tae?

Tae : Yes but I only sleep beside my wife without doing anything and assist her. Not like you Bro Yun (then whisper to him) there's a mark on your neck Bro Yun and you need to conceal that one if you don't want everyone to know.

Yun :(speechless and automatically covered the wrong sides)

Tae : Other side Bro Yun

Yun : (changing it to the right side and then said) I'm going to inform them that I'm already dating Su Lucy after our Artist Director Lina official statement got release.

Tae : I see, geez we really have different views Bro Yun and have a good rest or else my wife will scold me.

Yun :

As usual the same routine, the team awake early and leave for there schedules for today. Because CA Entertainment didn't release their Official Statement, the others Entertainments assumed that it's indeed the truth but didn't release another articles or else they will be done this time for sure since they already got warned by the Legal Representative of CA Entertainment. Only the fans and anti-fans are arguing thru keyboards because of the silent of CA Entertainment. Not only that, H.EM Entertainment

release another picture but it's an edited one because it's a picture of Tae and Xie Lu Lou in a date while Lu Lou laying her head to Tae's shoulder, of course the picture posted through Lu Lou private SNS Account that managed by H.EM Entertainment boss. Not only that since they post another statement from them.

[H.EM Entertainment : We confirm that indeed our Artist Xie Lu Lou and M'dol Woo are dating and expecting a baby soon. They start as a Fan to Artist Relationship and later on they've become close with each other and decide to date because they understand each other very well.]

After that official statement of them everyone either Fans or Anti-Fans of Ms. Xie Lu Lou now believe that indeed they're in a relationship since the CA Entertainment didn't release any Official Statement about this one. Meanwhile the M'dol Fans just waiting for the official statement of the CA Entertainment and they will only congratulate to Tae after the Official Statement from the website of CA Entertainment.

Around 6pm; the couple, Tae and Rei are now inside the Theater Hall and already know about the news, since they already know that Lina will only release the official statement after three days and today is just only the first day before the official statement of them. The couple just sits while waiting for the team and notice 3 people are approaching them without worries.

Lu Lou : Manager Rei, Manager Rei

Rei : Yes?

Lu Lou : This is my Younger Brother Xie Lu Mer.

Rei : Nice to meet you Lu Mer.

Lu Mer : Woah, you're really right Sis and she's a real Goddess.

Rei :

Lu Lou : (punch her brother) did I tell you already that she's an Artist Manager?

Lu Mer : Geez, I know but look Sis, Goddess Manager, him and Commander Su are all stunning while you....(didn't finish since her sister glared at her, looking to Rei and ask) um, can I call you Sis?

Rei : Yes you can

Lu Mer : Really? (Rei nodded) Thank you Sis

Rei : You're welcome.

Then the five of them just sit there while chatting well only the Xie's siblings are talking since the three just answered if it's really a necessary one to answer and then the musical teams arrives and start the performance enthusiastically and ends very well. This is also the couple routine for the next day and then one night before December 10, CA Entertainment release a statement but not the official one.

[CA Entertainment : We quite heard some entertainment news and already know that by our silence some must assumed that it's indeed the truth. Well for further explanation we will officially release our Official Statement tomorrow at exactly 10am, so for the H.EM Entertainment, you still have 14 hours chance to clear your name. Bye]

Everyone are confused by the statement from CA Entertainment and then all Entertainment News only release a statement of 'The known rivals company CA Entertainment and H.EM Entertainment : which one is lying and which one is telling the truth?'

Mr. Zhang seen the news about the Statement from CA Entertainment and didn't get fl.u.s.tered instead just instructing his PR Teams to release another statement including the pictures and they did as what he say.

[H.EM Entertainment : You mean 14 hours left to clear M'dol Woo name? We both know which one is lying and not. Our Artist Xie Lu Lou is the first one to post a sonography and then her fans find out that both Xie Lu Lou and M'dol Woo are chatting lovely with the Artist Manager of CA Entertainment around during their breaks for the musical schedules of them.]

Around 10am, the fans, anti-fans and all entertainment news are now eager to know which one is telling the truth and which one is not telling the truth. At exactly 10am, the CA Entertainment now release there Official Statement.

[I, the Artist Director of CA Entertainment now fully release our Official Statement. As the representative of the CA Entertainment, I'm now explaining all this in one go.

First, Last October our own Artist M'dols Woo posted two baby cribs which was already been personally answered by him through Live Interview of Star Life Buzz that the babies are from the Jun Family, he didn't confirmed which child the babies are since only M'dols Woo is the artist and celebrity among his family members. We cannot indulge the privacy of our fellow Senians who's not involve in the Entertainment Fields since it's their right not to.

Secondly, Musical Actress Xie Lu Lou indeed post a sonography to her own SNS Account but one question for H.EM Entertainment, is it posted by her personally or rather got posted by her Manager nor it got posted by someone from H.EM Entertainment? If it really posted by her then we will ask again directly to her to post the Sonography again with the name of her and the name of the said Hospital.

Thirdly, For Musical Actress Xie Lu Lou and M'dol Woo dating rumors is not true, all pictures that look like they having lovely-dovey relationship is only edited by them. For the picture that release by someone who proclaim fans of Ms. Xie that they are having lovely chat along with our Artist Manager is indeed true since Musical Actress Xie Lu Lou is an officially signed artist of CA Entertainment as another member of our Musical Actress last December 02 and just got notarized last December 07, so having chat with them is just normal since they are both belong with one Entertainment and one team. They just have a normal interaction between a Senior-Junior Relationsh.i.p.s towards our Artist Manager. As for Xie Lu Lou SNS Account it will be officially manage by her Assigned Manager due for the post that happened with few days ago and someone might pretending to be her.

Lastly, Musical Actress Xie Lu Lou and M'dol Woo are not in romantic relationsh.i.p.s since they only have a Senior-Junior Relationship former Fan-Artist Relationship towards each other.]

chapter 348 - Another Dating Rumor

After the long Official Statement of CA Entertainment, everyone didn't expect that Xie Lu Lou is now an official artist of CA Entertainment while for the H.EM Entertainment they are now left speechless after that faceslapped from them. H.EM Entertainment Legal Representative indeed reviews the Contract and indeed the Existing Contract of her just expired last November 30.

Mr. Zhang never expected this situation, he tried to contact his ex-wife only to know that it's unreachable and he then hired a detective to look out for her but to no avail they can't find her, he even hired a hacker to ruin both of this woman reputation but only got to know that they can't hack CA Entertainment especially the Security and Encryption of them was designed by C. Left with no choice, they just give up without counter measures but then he instruct his paparazzi to follow Xie Lu Lou and find out who's her Manager. He got to know her Manager name and realized that they have the same name of his ex-wife but didn't realize they are the same person because for him this Manager is a beauty one compared to his ugly duckling ex-wife.

Meanwhile back to the couple, they are now inside the car and Tae is quite nervous because he will have a Driving Written Examination and Practical Examination today.

Rei : (notice her husband reactions) why are you so nervous, huh?

Tae : What if I will get failed?

Rei : You can do it Dear and if today you can't get it then there's still another time but well I know you, so you can do it without any problem. Let's get in now, okay?

Tae : Yeah (then the two go out)

Both of them go out from the car and then entered the premises for Licensing. Tae pass and submit his necessary documents and then wait in order for his documents to assess. After assessing the documents, the assigned personnel, give him a form and Tae fill up right away then submit it again to another counter in order for him to pay the said Written / Practical Examination. After an hour, Tae got called and ready to take the Exam while his wife just waiting him, then later he go out from the Examination Room with a happy face since he got it all and now waiting for the Inspecting Officer for his driving skills practical test. Everyone who's also applying for Driving License didn't recognize him

because he didn't look like an artist and instead they are just in awe because of the couple stunning looks.

Tae seated beside his wife and just said to her "after I pass the Practical Examination, can I already get my Driving License?"

"Yes Dear and it would be specify which class you are but well you already drive both Automatic and Manual one, so it's must be Class A just like me"

"Do you really trust me that much, huh?"

"Uh-uh"

"Silly" then taps her head.

"Mr. Jun?"

"Yes here"

"Let's go outside"

"Okay and Hon, wait me here okay?"

"She can come with us"

So then the three of them go out. The Inspection Officer asks a photocopy for the car documents such as Registration, Receipt and others. After inspecting, the three of them seat at the same time, Rei seat at the back seat while the Inspecting Officer seat at the Passenger Seat to evaluate Tae's Driving Skills.

The Inspecting Officer asking him first of where's this one and that one along the purpose of that part. Tae answered it without worries since his wife teaching it's really precise and accurate. He evaluates Tae then said to Tae "you can start now Mr. Jun"

"Okay"

After an hour, the couple is now inside the premises and waiting for Tae's Driving License issuance then as expected of Tae, he really got a Class A Driving License and now on there way home, Tae is the one driving and when they arrived, the two got out from the car, yes Tae used and drive for the first time his own SUV. Both Tae and Rei are talking and chatting before riding the elevator while walking hand in hand.

"I did it Hon" looking to his wife while c.a.r.e.s.sing her face,

"Yes you did it Dear, good job and I'm proud of you"

"Give me a reward when we're inside the house, okay?"

"What kind of reward my dear husband want?"

"Just like what My Wife present to me last month during My Birthday"

Pretending she didn't get what her husband meant and want instead she said like she didn't understand "eh, you want me to bake you a Coffee – Caramel Cake?"

"Com'on Hon you know what I mean and you're more delicious compared to any cake but well it's really delicious since you're the one who bake it but you're more yummy compared to any foods."

"You win Dear but then I don't have any see through bikini except that one"

"I prefer that you're not wearing anything Rei"

Almost got speechless but she's already used of shameless he is, so she answered to him "okay but then don't forget that I'm pregnant"

"Hai, hai then let's go"

The couple rides the elevator without knowing that someone taking a picture of them, but this times not a paparazzi's or not from the Entertainment News but rather an Official Fan of Tae.

[Hello I'm Lan Yu Lei, an official fan of M'dols and my main bias is M'dols Woo for 15 years since his debut. I didn't post this one in order to ruin my bias reputation but I just want to share this to my fellow fans especially to those who love M'dols Woo. I don't know what would be the CA Entertainment reply for this but I'm the one who post this and indeed it's real because I witness it with my own two eyes. I just happened to pass by the CA Residences and Complex. Just past by because I'm working near CA Residences and Complex, so it happened that I notice M'dols Woo along with a lady, this is not Musical Actress Xie Lu Lou but another lady. I cannot tell who's this lady is but I'm sure this is M'dols Woo. I have taken 3 photos of them but only Woo side views and back of the lady.

First Photo : The couple walking hand in hand to where the Elevator located is.

Second Photo : Tae (in side view) while carresing Rei's face (only back of her)

Last Photo : Tae kiss his wife on the cheek before riding the elevator]

After that post, all Entertainment News just posted almost the same content along with that statement of his fan and the three pictures.

[All Entertainmnet News : Is M'dols Woo dating or another dating rumors of him? This is not taken from any anti-fans, paparazzi's or neither from Entertainment News but rather it came from his Official Fan Ms. Lan Yu Lei. Stay tuned for more updates]

After that post from the fan and articles from the Entertainment News another pictures of Tae and Rei during there beach date got trending and without knowing for everyone, this is the day that they become official. Yes a picture of them kissing and standing at the seashore, everyone can tell its M'dols Woo but they don't recognize who's the lady his with and only M'dols Woo that they can recognize. And

again, there are a lot of pictures got posted online and same pictures but different uploader because it's posted by different names and different angles.

All Entertainment News are now busy releasing statements with these new pictures of each individuals, the fans are just waiting for CA Entertainment Official Statement while the anti-fans are stating that M'dol Woo is just a playboy and casanova in disguise of his Chic and Quite type or more worst a womanizer. Meanwhile the two couple who's been in the talk in the whole S Nation is still busy making out and then after cleaning up, Rei received a call from Mr. Hwang for Team Urgent Meeting right now in the studio.

"Who's calling Hon?"

"Mr. Hwang and we have a Team Urgent Meeting"

"Did Bro Yun get spotted by a paparrazi?"

"Don't know Dear but I will search it later cause I will call the Musical Director first that we can't come and then searching it why"

Both Tae and Rei didn't even think that it's them that got spotted since they just leave right away.

chapter 349 - Revealing it to the Teams

After that they automatically leave right away since they already done cleaning up and just bid farewell to his parents and her in laws.

While on the way Rei called the Musical Director for them to excuse today since Tae is the one driving and then searching about what the reason for sudden the urgent meeting.

“Dear it’s not about Yun but it about us”

“I see so then from which paparazzi?”

“Not even paparazzi neither an anti fans but an official fan of yours, Dear”

“I see and from who?”

“Ms. Lan Yu Lei and why are you having that kind of expressions Tae?”

“Because my fan got me first but then I think is now the right time for them to know about us”

“Okay” then Rei continues reading the articles and looking to the pictures and said to him “they got a picture of us kissing Dear”

“Eh, but I didn’t kiss you in public, you know”

“Are you sure?”

“Ooh, don’t tell me it’s during the time that we become official then?”

“Yes Dear”

“Woah, they really got it, huh. I thought we only have Paparazzi Li’s copy of that time, let me see it later Hon.”

“.....” ‘This is Husband of Mine, is he aware that his career on the line now?’

“What’s wrong Hon?”

“Your face is the only one recognizable in all pictures that they posted and because of this you’ve been labeled as playboy and a cassanova one. First you have dating rumors with Ms. Xie, then this time me in the elevator awhile ago and then me in the beach.”

“And why are you angry then?”

“Because they only got my back or either got covered by you, tsk if they know that it’s only me then you won’t be labeled as playboy and a cassanova one.”

“Don’t worry because I will disclose our relationship to the teams first, ah were here”

The couple got out together and then entered the CA Entertainment premises. All staffs and personnel in the personnel are just looking to the team when they arrive because they know who’s to believe and who’s not. They only believe from there co CA Families rather than outside even though the fan is the one who spotted it but they just willing to wait for their co CA Families reports and confirmation. Everyone respect their own privacy because not only Tae who have secrets but everyone from the whole world they have a secrets that they keep in private especially to those private individuals, maybe they thought that just because they’re in the Entertainment Worlds they will have rights to indulge their privacy as if they’re not a human but a robot that controlled by them.

On the other hand, the couple entered the studio with the whole Team of M’dols already waiting them.

Mr. Hwang : You really arrive after my call Manager Rei and now let’s go to the conference room.

Then the whole team entered in the conference room right away and after closing the door all the teams except Mr. Hwang, Manager Wang, Rei and Yun ask Tae one by one that they failed to notice that the two arrived at the same time when indeed Mr. Hwang only call Rei.

Chi : Why are been so careless Tae?

Li : Which one is the truth Tae?

Bi : Are you really dating one of them Bro Tae?

Shi : Is it the truth or not?

Je : Did you just say to us that you love Manager Rei?

San : (Didn't ask but only looking furiously to his Brother since they already treating as brother with each other.)

Tae : It is the truth that I'm dating and.... (Didn't even finish his statement because someone holding his collar and said angrily)

San : (Suddenly got it all out his burst to Tae and hold his collar) you, you said you love Manager Rei, you even fighting with Bro Je for Manager Rei, you kissed Manager Rei on the dare consequence that time, you always defending Manager Rei, you always seating beside Manager Rei and then you're the one doing everything for making sure that Manager Rei and Je dating rumors will be cleared, then suddenly having a twins from your ex girlfriends, you will always do for Manager Rei yet what happened now you're dating with someone? Do you think Manager Rei is only a plaything to you Bro Tae? If you really didn't accept the reality that you got rejected by Manager Rei then just tell us and don't act as a wild man like this because you're not like this, we've been with you for 15 years and we're a team Bro Tae so then can you tell me that everything about this news are not the truth about you and you just got framed up by someone, right?

All : (speechless because of San anger explosion)

Tae : San, Ms. Lan Yu Lei is really my official fan and what my fan discover is really the truth but it doesn't mean that I'm a playboy or a Casanova one because I only dated one woman.

San : Then what about this huh and that mother of your twins?

Tae : It's only one woman but let's take a sit first, okay?

San : Okay

Tae : Okay let me ask you all of this, though it's already been said by San but who's among from all the Team Managers I'm close with?

All : (Except the one who know) Manager Rei

Tae : Good, then who's the first one to react when Manager Rei become our Manager?

All : (again except the one who know) you Tae / Bro Tae.

Tae : Good, then who didn't suspect Manager Rei for the first time she joined the team?

All: (Members except Yun) You Bro Tae.

All : (Except the one who know) eh? You, you mean.....

Tae : Yes indeed Manager Rei is the one I'm dating with and what I said about that time is really the truth. Rei is my wife and the mother of the twins. I and Rei are married for almost one year now and we've been dating for almost 19 months by now.

All : (Except the one who know) ...(after being in a daze for almost 5 minutes all of them looking Rei asking for confirmation)

Rei : Yes it's indeed the truth guys.

Han : T—then how about the pictures?

Rei : It's me and Tae

Je : Then Manager Rei that someone special in your heart is Tae?

Rei : Of course Je, it always be Tae.

Je : Woah, so in the first place I'm already a loser without even fighting fair and square, huh.

Tae : I didn't even agreed with that Je.

Je :

Mr. Hwang : Alright, so then what are you planning next Tae now that you're already disclose it to the teams?

Tae : I will confirm personally through my SNS Account but I will still not disclosing that I'm married with Rei and Rei's identity for the meantime.

Hwang : I see then this time our Artist Director will release an official statement after your post.

Tae : So then everyone?

All : (Except Rei) yes?

Tae : Starting tonight can I really stay now with my wife? Because it's really hard for me to visit Rei every night and only spend one hour as if I'm keeping a mistress behind my wife's back.

All :

Tae : Finally, I can now be with you Hon without worrying the team since the team already knows (said while c.a.r.e.s.sing his wife hair).

All :

Tae : Now that I realized it now, why I didn't tell the team right away that we're dating and married at first place?

Rei : Yeah, that's right why?

Tae :

All : (Except Rei and Yun) 'It's because you just want to solo Manager Rei without informing us'

Yun : (Suddenly speak out of nowhere) ahh, by the way everyone I'm also dating and my girlfriend is Manager Su Lucy.

All : (Except the one who knows).....

chapter 350 - Confirm Dating

After that announcement of Yun everyone didn't got surprised and just replied to him we know because it's very obvious since what's the other purpose of Manager Su visiting Yun when in fact she just a new signed Manager of CA Entertainment and of course why this two wearing a couple bracelet if they are not dating.

Yun : Woah, you're quite observant when it's about me but then with Tae.

All : (Except Tae and Rei) Because Tae / Bro Tae is really the same and nothing change from him when his dating and married with Manager Rei and not like Yun / Bro Yun because you are both wearing couple bracelet and Manager Su always visiting you.

Yun : (Got speechless).....

Han : Of course most of all Tae and Manager Rei always have an Artist – Manager Relationship compared the two of you. Congrats the two of you Yun and Tae. If Manager Rei happened to be like Manager Su then for sure we already know about it.

Both : (Yun and Tae) thanks Manager Han.

Je : Woah, Bro Yun and Bro Tae are both having Managers as their Girlfriend in life, huh.

Tae : Rei is already my wife Je.

Yun : And what do you mean by that Tae?

Tae : Nothing

Mr. Hwang : Alright let's dismissed now and all you can still catch up for your next schedules because it's still 6pm but first all of you will only leave here after eating dinner.

All : Yes Mr. Hwang

Manager Li, as the food manager of the team lead the foods in the table and they eat. Before eating, Tae change his food to his wife.

All : (Including Mr. Hwang, Wang and Yun) eh, that's your favorite Tae / Bro Tae you know.

Tae : My Youngest likes what I like so then Rei start eating what I like.

All : Y—you mean Manager Rei is pregnant?

Tae : Uh-uh and my Rei is one month pregnant.

Tae : 2 Months and 3 Days Old

All : 'What the? Tae / Bro Tae surely and is really fast, huh'.

Han : (said it loud) ha, ha, ha, ha, I never expect that you're sure quite fast Tae huh, I mean I and other Managers from our teams already married for almost 12 years, yet we only have 1 each.

Tae : Yeah that's right Manager Han but I also didn't expect that one since I'm using protection every time I and Rei have..... (Didn't finish since his wife put a food on his mouth in order to shut him off)

Rei : Hurry with your foods Tae or else will be late for your Musical tonight, remember?

Tae : (chewing the food first then answered her) yes Hon and I remember it.

All :

Then the team eating there dinner and then got divided since the teams still have an individual schedules tonight.

As usual Tae is the one driving to the Theater Hall. While on the way, the couple is chatting.

"So then Dear what are you going to say to your post?"

"You will know it later Hon"

“You keep me hanging and yet you will not disclose my identity, tsk. I even use the sonography result for them to edit the name and yet they didn’t”

“Are you sulking Hon?”

“Uh-uh”

“Ha, ha, ha geez you’re really unpredictable Hon but I already know you so then why are you sulking?”

“Because you have a dating rumor with Ms. Xie and yet me, you’re real partner in life not even have a dating rumor with you. Geez they only have a picture of my back or either got covered by you”

“You’re not like this you know”

“Like what?”

“You’re not an irrational or emotional Hon”

“Yeah I know, geez being pregnant can really turned me to be an emotional one, huh.”

“Uh-uh and it’s not your first time to be like this since you’re also like this when the twins still in your w.o.m.b, you know”

“So every time I got pregnant I would be always like this, woah I guess my husband need to be more patient to me then”

“Well that’s my job so no worries and by the way you still need to get pregnant Hon since I want 4 children you know”

“Hai, hai”

“Ah, we’re here”

Then the couple gets out from the car and entered the premises. The Musical Director got surprised that they are here when in fact Rei already informed him that they can’t come but well the urgent meeting finished quickly so that’s the reason they are here. The Musical Teams didn’t bothered to ask which true or not since they clearly witness how sweet Tae to his Manager and how he interact to her, so in other words the one Tae is dating is his Manager and the Artist Manager of CA Entertainment, Manager Rei.

Xie Lu Lou just looking to them and just apologizing to the couple because she was careless enough but then Rei just replied to her that it’s not her fault while Su Lucy is busy messaging to Yun.

The Musical ends well and they got dismissed. This time Tae is not staying at the house team anymore since they already know that he got married with Rei. The two couple entered the house only Tae’s parents got suprised and told them that his teams already know that his married with Rei, so he won’t sneakingly get out of the team house to visit here. After they arrive, Tae open his SNS Account and upload the written letter from him that already been prepared a long time ago in case one of the paparazzi or entertainment news spotted them but then it’s his fan that really spotted them so he write another written letter and then attach to his post.

[Hello to everyone, this is Jun Tae Woo, the Chic and Quite Main Vocalist of M’dols. I will only release this written letter of mine if just in case one of paparazzi’s or anyone from the Entertainment News spotted me along my love of my life to confirm that indeed I’m dating, But then I didn’t expect that among them from the paparrazi’s or from the Entertainment News, the one who really spotted us is one of my fan and it was after my Dating Rumor with Ms. Xie. Yes, indeed my Fan Ms. Lan Yu Lei didn’t lie since I’m really in a romantic relationship with that lady but for Ms. Xie we are just a Senior and Junior Relationship. I and the love of my life in the pictures are in a romantic relationship since the day we date. I’m in a relationship with my love of my life and day by day our loves between each other are getting stronger since the day we start dating. For now, I will keep it a mystery of who she is because I will only disclose her real identity at the right time. I’m not a Playboy nor a Casanova one because I only dated her the time I’m already an artist, although I have ex-girlfriends before I meet her and before and after I got to debut as an artist I only dated one a time and then every time I’m in a relationship, I only dated once and never cheated who I’m in a relationship with. For the pictures they’ve been upload by different individuals and to my fan, that lady is only one person because she’s my one and only. The pictures they’ve been taken by different individuals are our first beach date and for the pictures that’ve been taken by my fan Ms. Lan which was taken this morning was because I have some errands to do so she accompanied me.

From M'dols Woo the Chic and Quite Main Vocalist of M'dols.]

Previous Written Message by him also got uploaded but it's very short and precise.

After Tae posted to his SNS Account, the CA Entertainment PR Representative, also release an Official Statement but also a short one.

[As the representative of CA Entertainment, we were warmly congratulating M'dols Woo for his relationship.]
