

Chapter 351 - Tae's in love

After both CA Entertainment and Tae Official Statement, everyone from the Entertainment News re quoted Tae's post which still trending in the whole S Nation. Some of his fans and M'dols Fans got disappointed because his now in relationship but then mostly of them congratulating him meanwhile for the anti fans they've been received a hard face slapped because of their bad comments and bash towards Tae since they didn't expect that both him and the CA Entertainment confirmed it right away without denying everything.

One week after his post, not anyone of them spotted who he really date, well they just don't know since Rei also have an identity of Artist Manager and one of the Team Managers of M'dols, so whomever they are trying to look who, they can't disclose her identity since they only think that she's the Artist Manager of CA Entertainment. Even her face they don't know who's the Artist Manager is since both CA Entertainment and CA Residences have a tight security. Some paparazzi's try to sneaking out in the Theater Hall but this time they can't enter because they also tighten their Security.

The paparazzi's and Entertainment News staffs are always trying their best to interview Tae but to no avail they can't get anything from him. They even wait in CA Entertainment or CA Residences for long hours but again to no avail they still didn't get in contact with him since Tae is now using his car along with Rei, they thought it's not driven by him since they only know that Tae can't drive. Day by day, the paparazzi's and Entertainment News Personnel still did try their best to get him interview that Rei have another nickname from them as the Mysterious Woman of M'dols Woo. They always trying their best until one day they're effort got answered because it's now the last day of Tae's Musical. Not only they got interviewed Tae but they also got the real face of the Artist Manager of CA Entertainment.

At the backstage of the Theater Hall, Tae perform his best because this is the last performance of him for this Musical and of course his excited because he will visit his wife hometown for the first time.

MT1 : Woah, it's my first time seeing M'dols Woo to be this enthusiastic, huh.

MT2 : Same here, well duh as expected of him, since his in love.

MT3 : Yeah he really is and talking about love (looking to where Rei stand), is she the Mysterious Woman of M'dols Woo?

All : (All Musical Teams looking to Rei's location) maybe yes or no but then M'dols Woo is very sweet to her.

MT3 : Gee why he didn't disclose it (and then asking someone) neh Manager Su, Manager Rei is the Mysterious Woman of M'dols Woo right?

Su : (looking to Rei direction then replied) who knows? (And scolding Lu Lou), why are you in a daze Ms. Xie?

Xie : Eh?

Su : Geez the Musical Director already called you before wrapping up you know.

Xie : Ahh, right.

All : 'She must have been heartbroken for sure since Tae's in love with the Mysterious Woman of him'

Director : (After wrapping up he said to the teams) thank you for you all efforts especially to Mr. Jun and Ms. Xie here as our Main Lead.

All : You're welcome Director (then all of them bowing their heads)

Director : Neh Mr. Jun?

Tae : Yes Director?

Director : I have been wondering about it but you've been surrounded by 3 beautiful ladies and yet you still looking for someone for you to love, are you not satisfied with one of this beautiful ladies especially Artist Manager Rei, who's very on par with some celebrities here?

Tae : Are you eager to know who's my Mysterious Woman, Director?

All : (All of them nodded not only the Musical Director but well except for Lucy and Lu Lou since they already know who it is) Yes, yes

Tae : Well (hold Rei's hand)), this is my Mysterious Woman.

All : I see

Tae : Alright we're going now and thank you for inviting me Director.

All :

Su : (Suddenly interrupted the speechless Musical Teams because of Tae's mood right now) Manager Rei we're going first, okay?

Rei : Yes go ahead Manager Su

Su : (asking to her in whisper) geez, why are you giving Luo another Musical schedules?

Rei : (whisper to her back) don't worry because it will only last until tomorrow and then you can have Yun for the whole vacation until Jan 2.

Su : Ahh, right Manager Rei and I almost forgot that one. Let's go Luo

Xie : Okay (then bid farewell to them)

Tae : We're also going now (and bid farewell to them also)

All : 'His really in love, huh'

Outside before they go out, the couple are now in Artist – Manager Relationship and glad they know when to sweet or not because when they go out all of the Paparazzi's and Entertainment News are waiting them but instead attacking Tae a lot of questions they are all shocked and surprised after seeing Rei and just only ask one question in sync.

All : Are you the Artist Manager of CA Entertainment?

Rei : Yes I am and for now we're not answering any question about Tae. If you really want then you can submit proposal for inviting him and I will review it.

All : (Just nodded)

Rei : Thanks and then can we go now?

All : (And then all of them nodded but they didn't forget to click the shutters of their cameras)

After the couple left, all of them return to their studio or Entertainment and then update at the same time with almost the same content.

[Artist Manager of CA Entertainment is a real beauty and a Goddess]

After all article got release from different Entertainment News along with her pictures though it's only when the moment they leave and before Rei get inside from the Driver's Seat. Rei got trending to the whole S Nation and the Mysterious Lady of M'dols Woo got take by her news. Everyone commented that how lucky for CA Entertainment to have a Goddess as there Artist Manager and because of this

picture, either ladies and gentlemen who've been got star-struck by her like her pictures and ask for her SNS Account. Not only that they also request a petition for CA Entertainment to get her debut as an Actress.

Meanwhile the couple who's not yet aware are just arrive in the house and already packing there things since they will leave tomorrow.

"Hon, did I forgot something?"

"No you didn't Dear"

"Sure but what about my passport?"

"All of our passports are inside my bag"

"I see" (then talking to his parents "Mom, Dad we will go directly to the family house the day we arrive"

"When?" both ask him

"Mmmm?" didn't get what they mean.

"On Dec 27 Mom and Dad, then tomorrow we will drop you first before going to airport" saving her husband who's very excited.

"Auntie Rei, Auntie Rei"

"Yes Ken?"

"Is it really alright for me to go home without bringing my things?"

“You have many clothes in there, so yes it’s alright with you”

“Okay Auntie”

Look to her niece who’s been quite for the whole time after knowing that they’re going to go home
“don’t worry Elyn because we will be coming here back”

“.....”

“Ha, ha, ha I don’t know you’re also a teaser Auntie Rei”

“Both of you go now because....” got interrupted by a doorbell

“Ding, dong, ding, dong”

chapter 352 - Team Visit

After hearing it, Ken enthusiastically running toward the door and then open it right away.

Ken : Yes?

All :

Tae : (carrying his baby boy and following Ken) Ken, who’s outside?

Ken : You're Teammates Uncle Tae

Tae : Oh (looking to his teammates and let them come in) come in guys

All : (Still speechless but then getting in and notice their baggage (1 medium luggage, 1 small luggage and 1 bag for baby stuffs) w---where are you going?

Tae : Oh this? (They nodded) well, we're going to visit my wife hometown tomorrow.

All :

Rei : Please take a seat first Yun, Je, Shi, Bi and San.

All : Thanks Manager Rei

Rei : No worries

San : These two kids? (Pointing Ellyn and Ken)

Rua : Tvuw fzu qw rauhu frt runvuj, Sfr.

San : I see

Ken : (Looking to his Auntie as if asking her 'Auntie, Auntie can I interrupt? Can I? Can I?)

Rei : Go ahead Ken

Ken : Yehey, so then Mr. Han can I take a picture with you again?

San : Okay and is it for your Mom?

Ken : Bingo (then seated on his lap) Auntie Rei please take a picture of me

Rei : Okay and sorry for this one San.

San : No worries Manager Rei (then Rei take a lot of picture as per Ken demands and then when he got satisfied, San asking him) you're a handsome boy, so are you planning to join in the entertainment in the future?

Both : (Tae and Rei) 'an Artist and yet CEO at the same time?'

Ken : No I don't have any talents with that Mr. Han and I already know what I want to be in the future.

San : I see, so then how old are you?

Ken : 6 years old.

All : '6 years old?'

Mom : Ken you need to sleep now because you're leaving tomorrow.

Ken : Yes Aunt Jun (then get up from San l.a.p then leave after excusing himself and also bringing Ellyn with him)

All : You're also here Mom?

Mom : Yes and I'm not alone here since Dad's Tae is also with me.

All : Eh, t—then?

Mom : Yes I know it from the beginning about them. Alright I will leave you here and Rei you must not sleep late, okay?

Rua : Yul Mmq (ovur lufout gulatu vuz vplgfrt), Im ovur epwl jyw fzu wmp fii vuzu dmz?

All : (Including Tae got nervous thankfully their very own leader saves them)

Yun : We're here for looking the twins Manager Rei

Rei : Oh, right you still didn't see them directly since that day and our baby boy is already in Tae's arms, wait for me I will get our little girl (stand and go the guest room then slowly carrying Woo Rei)

All : Woah, thanks Bro Yun

Yun :

Tae : That's why I told you guys to come here around 11pm, geez.

All :

Tae : Alright we will talk after my wife sleep

All : Okay (And just the moment they agreed, Rei got back to them with Woo Rei on her arms and again she seated beside her husband)

Rua : Sm ovur epwl al oval al wmpz zufi zuflmr dmz wmp om gu vuzu?

Tae : (Reasoning out right away or else his plan will be failed without proper planning of his plans and executing) I already told them Hon that if they really want to see the twins then tonight is the last day since they don't know that we're leaving.

Rei : Oh I see

All : 'What the heck? Manager Rei totally believes and trusted Tae / Bro Tae that much, huh when in fact we just asks awhile ago where are you going.'

San : By the way Manager Rei?

Rei : Yes San?

San : Uhm, is it alright with you if I can call you Sis Rei, when we're not having schedules?

Rei : Okay and same with the team members you can call me my name if we don't have any schedules but it's up to Tae.

All : (Looking to Tae and as if asking 'is it alright Tae / Bro Tae?')

Tae : No not yet and you will only call her after I disclose Rei identity as my wife.

Aii : Tlc, loarew

Tae : So then how about you Bro Yun? When are you going to disclose your relationship with Manager Su?

Yun : Though I can say that I and Lucy already dating in stable but it still early for them to know that she's my girlfriend and for now I will keep it until I got discharge.

All : Why?

Yun : Don't tell me you also don't know Manager Rei?

Rei : About what?

Yun : Are you aware that Lucy is also a soldier and a Commander.

Rei : Yes I'm aware of that, so then?

All : (Already can guess why but except Rei)

Yun : Eh. Are you really sure that you don't know Manager Rei?

Rua : Yufv, Im ovur jvw fzu wmp jfaoare proai wmp emo talhvfzeu Ypr?

All : (Except Tae) you really don't know Manager Rei?

Rei : Yeah, I don't really know so why?

All :

Tae : Geez guys I never thought that all of you forgot that Rei, my wife here is not a Senian.

All : (Speechless this time because they really thought that Rei is a Senian and forgot her real citizenship)

Rei : (got the point) I see, so you need to finish you're enlistment first before getting married huh but then you're still dating, so it's fine for you to disclose you're relationship with her unless she become you're commander in Naval Force so you need to keep it that long.

Yun : Yes you got it right Manager Rei, I just got to know that she's belong to the Naval Force and I will be one of her subordinates from my enlistment until discharge.

Rei : Oh, you must do your best since the two of you is really like an open book.

All : Yeah an open book indeed.

Tae : Ha, ha, ha I just wonder that during those 2 years how can Bro Yun can keep it that long, huh?

Je : Nah he won't Bro Tae, between those 2 years I guess Bro Yun will get Manager Su pregnant.

Shi : I also voted for that Bro Je

Bi : Nah, he won't be like that Bro Je and Shi because you know Bro Yun is very slow and shy

Tae : It would be good if it is but then (looking to Yun)

Yun : What?

Tae : How about if Bro Yun got Manager Su pregnant before his enlistment or during the period of his enlistment then?

All : His not that fast Bro Tae

Tae : (Just smile)

San : Nah, I think Bro Tae might be right.

All : (Except Rei since she stay silent and didn't interrupt them because it's about man things) Eh?

San : Because yesterday night I saw Bro Yun returned late and have a hickey on his right neck.

All : (speechless)

Yun : (blushing hard but then said to them) y—you, all of you are all idiot and have you forgotten that Manager Rei is still with us and hello the twins are still here.

Tae : Nah I won't ever forget my wife and my kids but then Hon I think you need to go to our room first (then whisper to her) or else you will hear more than this one.

Rei : (just pinch her husband and then said) let's put the twins first, okay.

Tae : Okay and guys we will put the twins first to their room then I will be back, okay.

All : Okay

After that, the couple leaves and lay the twins to their baby cribs and then Rei go to their room but reminding her husband.

"Don't stay too late Dear"

"I will" answered and then kiss her forehead "you must already asleep when I returned back, alright?"

"....." no answer from her since she's already sleeping the moment she finished reminding her husband.

Tae looking to her wife before c.a.r.e.s.sing her hair and then said "just wait a little longer Hon and they will all know that you're my wife" smile and kiss her lips.

Tae go out from there room and then tell his plans to the team.

“So everything is ready, Tae?”

“Yes everything is ready and only this left, so then I request all your help for this”

“So you’re going to do this after you’re returning from C Country, right?”

“Geez, I already told you Bro Yun its 2 days from our return. Do you want me to get failed without executing my plan?”

“If you will get failed then what are you going to do?”

“Duh, Rei is already my wife so if ever it got failed then it’s not my loss”.

“.....”

“You have a point Bro Tae”

“Alright guys you may leave now since my wife just reminding awhile ago not to sleep late, thank you for coming here and for helping me with my plans”

chapter 353 - Family Hometown Visit

Around exactly 3am, the family of different surnames already done dropping Tae’s parents to the Jun Residences, so they’re now on the way to S International Airport. Of course Tae is the one driving and

Rei at the passenger seat while the two kids are in the backseat. Of course the twins are with them and already sleeping to their own baby carrier. Rei carry Woo Rei thru baby carrier on her front while Rei Woo is sleeping in the baby carrier in between with Ellyn and Ken.

Ken : Auntie Rei, Auntie Rei

Rei : Yes Ken?

Ken : Are they aware that were coming?

Rei : They know but they don't know when.

Ken : Oh, I see and how about Uncle Tae?

Rei : What about your Uncle, hmm?

Ken : This is our first time coming out with Uncle Tae and my twins cousin, so then what if someone spotted Uncle Tae?

Rei : That's the reason why we have an early flight and we're assigned in the First Class Seating but then I guess your Uncle here is already ready to disclose our relationship right Dear?

Tae : 'This wife of mine can she be a dumber when it come to this one'. Yes Hon I'm always ready but then I think today is not the right time for them to know.

Rei : Why?

Tae : Don't know but it's my hunch and we're here.

The family step down from the car and then Tae pay the parking area with over parking for 7 days. After he pay for the parking fees, all of them entered in the Airport Premises, Rei already done checking

online so they go to the Ministry of Immigrations for checking their Travel Documents. After, they go now to the check in counter for the 1 medium luggage of them which full of souvenirs and gifts for the family. Both Rei and Tae are carrying their twins thru baby carrier in their front while holding Ken and Ellyn in between of them that they look a family of 6 to have a vacation outside of the country. After checking the baggage, the family go to the restaurant inside the airport and eat since they will wait for another hours for their boarding flight.

At exactly 5am the family are now on board and just taking a sleep since it will be another 4 hours of flight. Just what Tae predicted no body recognizes him or even at least one spotted them so today is not the right time for them to know that Rei is the mysterious woman of him. The couple seat beside each other while the two kids is sitting in front of them and the twins still on their front with their own baby carrier.

The flight arrived earlier compared to the estimated arrival time and since Rei didn't inform her family when and what are they going to visit them then no one's welcoming and waiting them so they ride a Taxi Cab and go to the Din's Family Residence.

Luckily all family is inside the house since they will have Year End Party in the evening, so the restaurant is close today. All Family Members are watching dramas and then heard dogs barking before the door bell.

"Ding, dong, ding, dong"

Aya : Who's outside?

Mei : Don't know Mom and My En just arrived last week so it's not him. Is it Sis since she always like having a surprised visit to us, right?

Lwr : Yufv Mua gpo ao loaii ufziw dmz vuz qfwgu Sal Rua jaii gu vuzu fzmprt omqzmzmj mz mr ovu ruko tfw.

Outside the house

Rei : Why are you pressing the doorbell Ken when I have keys?

Ken : He, he, he I'm just excited to see them again Auntie Rei.

Tae automatically get her purse and get the key then open the gate for the first time. He knows which one since his wife already briefing him. After opening the gate, the family entered together and then left their shoes before opening the door. When they open the door Ken suddenly said it loud.

Ken : Grandma, Dad, Mom, Uncle El, Auntie Lyn, Lynel and Ren we're back.

All : (suddenly turning their head in sync and then see all of them. All of them said at the same except the kids) geez, can you at least say when are you coming here Rei / Sis / Sis Rei?

Rei : Oh but you already know that we are coming here you know.

All : At least say it when and what time.

Rei : I see then next time I will. By the way Ma and everyone, I have importance announcement for everyone. (Said while walking and seating at the couch with her husband on her right side)

Aii : Wvfo?

Rei : I'm one month and 11 days pregnant

All : Huh?

Rei :

Mei : Wait Sis, what did you say just now?

Rei : I'm Pregnant

Mei : ...(speechless for a moment and then laugh) ㄱㄱㄱㄱ you're pregnant again Sis ㄱㄱㄱㄱ look the twins are still 2 months old and then you're pregnant again. Wow, you are too fast Bro Tae.

Tae : (speechless and got embarrassed while blushing)

Rei : Stop with that Mei and what's wrong with that, Tae is my husband you know.

Mei : Yeah, yeah so then how come they didn't know that you're the mysterious woman of Bro Tae? And then how come you've become a Goddess to all Senians, huh?

Rua : I crmj fgmpo ovu qwlouzampl jmqfr gpo ovur f Gmttull, jvur?

Mei : Don't tell me you didn't know Sis?

Rei :

Mei : How about you Bro Tae?

Tae :

Mei : Ellyn?

Ellyn :

Mei : My Boy?

Ken : I don't know Mom and you already know that the Din's kids are only allowed to watch anime or any animation for kids every weekend after homework since the day we started school, remember Mom?

Mei : Aiyah, aiyah you're really my boy so then Sis and Bro Tae, you really don't know, huh?

Bmov : Yul

Mei : (Then connect her phone to Smart TV and open the said articles) see?

The family members are talking about the said articles and then ask if Rei interested to become an actress but typical of Rei she didn't dream to become one and she already satisfied enough of what she has now. She didn't want to become one since she can't have privacy anymore especially she already married with an artist – idol Tae and have children with him. Even though she's R it would be quite obvious who she is when they can't open her details if someone happens to be jealous of her. This is only her opinion but then if Tae's requesting her to become one then she will fulfill her husband wishes and will do her best but then Tae didn't want that one because he can't allow her wife to become the center of attraction from the whole nation.

After chatting, the Jun Family put there things to Rei's room and the twins are with Aya and En. The family continues watching dramas while Rei is touring her husband with their house and then the family eating their lunch together. At the evening, the Jun family joins the party but didn't join the exchanging of gifts since she's not aware that this night is the Restaurant Party because her Sister didn't tell her about it. Well as expected of Mei, full of surprises and always changing the schedules of the event. So then since she didn't join the exchanging gifts, Rei just give cash to their Best Employee of the Year and the Newcomer of the year. Everyone of the Employees got surprise when they see their other Boss but then already used of it since these Bosses of them are full of surprises, they didn't recognize Tae as an idol but they know that this man is their Boss Husband because they are not blind enough to not notice that the babies they carry are both having their parents looks. As the parties going on, all of them have a wonderful day for tonight because the employees of them can feel the kindness of their boss as if they are not the owner and just part of the family and this is the reason why all of them didn't leave the restaurant because their boss pays and treat them well. Mei is not the MC for this party tonight because she's pregnant and En is a very strict / doted husband of her. Both Ellyn and Lynel also singing even though they didn't practice, then Ren got a solo singing performance since his Twin Elder Brother have no talents regarding this one. After that, both Mei and Lyn as the bosses of them, give a year end gifts for each one of their staffs both in Cash and in Kind as a sign of the end of the party and will still meet tomorrow since they don't have breaks especially if it's yearend season but they only catered for the one who have reservations since they will let their staffs to have bonding with the family. As for Meng Feng, Rei already know her updates that they got married but still on the process of having a bun on their own since that one night of them didn't get one bun but at least the two got married and loving each other. Mr. Fu already a Board of Director of Meng Corp while Meng Feng still working them because she doesn't want to leave.

On the next day, the two bosses are already reporting in the restaurant with their own chaperone also known as their own husband En and El. Rei is planning to go with them but then got shunned by Mei.

Rei : I and Tae will be going with you.

Mei : No Sis and you're not going to come with us,

Rei : Why?

Mei : Both of you and Bro Tae will be the kids chaperone since they want to go to shopping because they already miss with each other.

Rei : I see but how about my twins?

Mua : Guux, iuo ovu ojarl md wmpzl gmrt jaov Mfqf. Tlc, jvfo fr prdaiafi tfpevouz md wmp om Mfqf.

Rei :

Mei : Alright we're going now and Bye everyone (already leaving but then stop and ask), which one are you going to drive Sis?

Rei : Yours Mei

Mei : Okay (give her key and then remind her boys) My boys don't be a naughty child, okay.

Both : Are we naughty Mom?

Mei : Nah, you're not and sometimes I will be lonely because my boys are both nice and kind.

Both :

Mei : Same with you Ellyn and Lynel but then Ellyn did a good job since she already have Jinyu at the age of 5 and not compared to my boys. (All of them already used of these antics of her but then Ellyn still got blushed and covered her face.)

Ken : Alright Mom, go now or else my younger sibling will be like both of us and you Mom.

Mei : Hai, hai, I'm going now and bye bye.

chapter 354 - Bondings with the Family

Mei leaves right away but slowly since she's already 7 months pregnant and same with Lyn. Mei's Brother El and Sister in Law Lyn are both waiting for them and then ride the car of El after informing that Rei will use the Van.

Rei also get the bottles that she prepared last night just in case the family of her will invite her and Tae to the unplanned schedules especially Mei but then she never expects that it will be used right away. She gives it to her Mother and then suggest.

Rei : Here Ma, I prepared it last night, Ah, wait, what if you will come with us Ma?

Aya : Eh but I'm too old for shopping Rei.

Rei : Geez Ma don't say like that Ma and it's will be long again after we will have to meet again.

Aya : Right, then let's go.

Tae : Ma, which one are you going to carry?

Aya : It depends to you Tae, so which one from your Little Girl and Little Boy?

Tae : I'm going to carry ReiAh, I will carry Woo Rei this time since I always carry Rei Woo, Ma and maybe my baby girl will hate me if I won't dote on her.

Aya : Okay

Rei just amuse how her husband converse to her Mother. Aya go to her room then change her clothes. After changing, all of them leave right away. Rei is the one driving because she has an International Driving License while her husband seated at the passenger seat and the others family members are in the back seat. While on the way the Family are talking and chatting with each other.

Aya : Are you still planning to only know the gender of your baby on your due date, Rei?

Rei : No Ma, we will know the gender on my 3 Months since Tae will be enlisting around June next year.

Aya : I see and for how long?

Tae : 2 Years Ma since I will join Air Force and if I know this will happened to me, then I really regret I didn't enlist at the age of 16.

Aya : Ha, ha what kind of conclusion that one Tae? If not then this silly daughter of mine will not become crazy about you when she's 16 that time.

Tae : Yeah you're right Ma and you have a point in their Ma.

All : (Kids) eh, Auntie Rei already love Uncle Tae?

Rei : Wow Ma, when did you become like Mei?

Aya :

Rei : Yes Kids, I'm already know your Uncle Tae when I'm 16 and I'm one of his Unofficial Fan.

All : I see (then all the kids looking to Ellyn)

Ellyn : Why all of you looking at me like that with that kind of expressions of yours, huh?

All : Because Auntie Rei love Uncle Tae at the age of 16 and yet here you are.

Ellyn :

Rei : (changing the topic so that the kids will not tease Ellyn more since the three tease just got reunited)
ah, that's right Lynel, when are you going to debut?

Lwru : Aproau Mua lfat ovfo I jaii tugpo ruko qmrov gpo ovur I flc Aproau Mua om nmlonmru frt jfao

Tae : So then which Genre are you going to debut Lynel?

Lynel : This one Uncle Tae. (Singing the whole song and ask the Professional Singer, her Uncle) how is it Uncle Tae?

Tae : It's good but lack of emotion. Try singing it again by expressing how much you love someone.

Lynel : Eh, but I don't love someone Uncle Tae.

Tae : Yeah but how about your family members, then?

Lynel : Ah, that's right and I see (then singing again the whole song with full emotion of how much she loves her family members) how is it this time Uncle Tae?

Tae : Good and keep that emotions intact,

Lynel : Thank you Uncle Tae

Tae : You're welcome

Kur : (Lmmcare om val hmplar frt lqaiare iacu fr atamo)

Lynel : (notice her cousin and ask) what's with you Bro Ken? You're like a creepy just now.

Ken : What the heck is that? I'm just proud of you as my cousin and after your debut I have now a family who's a Star.

All : (Except Tae) You already have one and it's Uncle Tae.

Ken : Yeah but Uncle Tae is different since Uncle Tae is an idol and artist while Lynel will be a Singer

All :

Aya : Ha, ha, ha you're so cute Ken

Ken : Thanks Grandma

Rei : We're here guys and let's eat first since it's lunch time now.

All : Okay

Kur : Aproau, Aproau jvuzu fzu ju emare om ufo?

Rei : A restaurant inside the mall

Ken : Oh I see but I prefer our family cooking rather eating outside but well we're outside so let's eat outside.

All :

Rei park the Van first then the family hop out outside the Van then now entering the Shopping Mall. They go to the food court area first and looking for seats good for 7 sitters. After they find one, the kids and Aya seats first while the Jun Couple ordering the foods from the menu and the twins are both carried by them.

After ordering the foods, they wait 15 minutes for the foods serves and chatting while waiting.

Ren : Neh, Auntie Rei, after this where are we going?

Rei : Which do you want Ren?

Ren : C—can I really go where I want?

Rei : Yes

Rur : T—ovur....(lvwiw zuniaut)

All : Then?

Ren : The clothes area

Ken : (suddenly laughing) what's with that Ren? Are you a gay?

Ren :

Ken : Just kidding, so what do you want to buy?

Ren : For Dad and Mom clothes, idiot.

Ken : Eh, eh, what about me, your Dear Lovely Brother, huh?

Ren : I already bought it Bro Ken

Ken : What is it, what is it?

Rur : SECRET

Ken : Stingy

Ren :

Ellyn : Bro Ken, Bro Ken

Ken : Yes Ellyn?

Ellyn : Do you know what Yu likes perhaps?

Ken : Don't tell me you will also give something to him?

Ellyn : Never mind that one

Ken : Now I'm curious, so what is it?

Ellyn :

Ren : Bro Jinyu is a Young Master Ellyn, so he won't prefer expensive things since he can afford and I think just simple holidays greetings card from you, Bro Jinyu will be satisfied enough because it's from you and for sure he will keep it since it's your first presents to him.

Ellyn : I see thanks Bro Ren

Ren : You're welcome

Ken : (Just glared his brother but stop when he notice the foods are now got served for them)

Ren : (said it mumble) So my gift for you Bro Ken is really suit for you.

All : (Except Ken) 'So it's foods'

Ken : Did you say something Ren?

Ren : Nothing

The family is now eating their lunch and after then, they go directly to the clothing area. Tae witness how choosy Ren is and how fashionable he is. Even he only buys a Couple T-shirt for his Dad and Mom it's so good. Both T-shirt have writings in the front with I ♥ Mom and I ♥ Dad.

After buying it from Ren own savings from his allowance, Ken suddenly laugh.

Ken : Ha, ha, ha, ha, ha

Ren : Why are you laughing Bro Ken?

Ken : B—because we bought the same thing for Mom and Dad, the only difference is the color because mine is Light Blue while yours is Mint Green.

Ren :

Ken : And I already have an idea of what my gift is.

Ren : Don't say it or else I won't give it to you.

Ken : Hai, hai, and I will anticipate it more.

Ren : Nah you're not going to be excited anymore since you already have an idea of what my present to yours.

The kids continue chatting while the 3 a.d.u.l.ts are just looking at them and ignoring the passersby who always looking to their direction since this family are all stunning. Some of them recognize and can recognize Tae as a Member of M'dols but then they shrugged it off when they heard that Tae speaking in Ceno.

Tae : Hon after this what are we going to do?

PB1 : So it's not M'dols Woo, I thought he is but then it's impossible since his a Senian.

PB2 : Yeah, right.

All : (Kids) Auntie, Uncle and Grandma / Mama Grand what are we going to do after this?

Aya : How about watching movies Rei?

Rei : Mmmm, I know movies that just release this year so how about Aladdin, The Lion King or Frozen II, which one kids?

Kids : Eh, what, Frozen II already showing?

Rei : Yes

Ren : We love Frozen II but then how about Aladdin and the Lion King?

Ken : Yeah, so then what are we going to do?

Ellyn : It will depends to Auntie and Uncle decision you know

Lynel : Oh, then let's vote of what are we going to watch.

Rei : That's a good idea Lynel, so then you can vote from 1 to 3 at the same time by showing it from your hands, so then 1 is for Aladdin, 2 is for Frozen II and 3 is for the Lion King

All : (Except Ken, the three raise their hands then showing 2 from their middle and forefinger like a peace sign. The three of them notice that the Eldest one didn't join the votes) why are you not voting Bro Ken?

Ken : Because I know that Frozen II is the winner without my votes (reason while sulking).

All : 'Bro Ken is sulking because he likes all the 3 movies but he don't know how to sing'

Ken : Why all of you looking at me like that?

All : Nothing

Rei : Alright kids stop with that and let's go now.

All : Yes Auntie

All : (Passersby's who's observing the family and thinking the same thing) 'what a wonderful family they have'

chapter 355 - Watching Movies

A family of 7 are now seating in the waiting area at the Cinema Theater Hall since the movie will start at exactly 2:15pm and they still have half hour left before the start of the movie. Both Rei and Tae ordered Popcorn and Orange Juices for all of them while still carrying the twins, Orange Juices for all of them. Since the staff are still preparing the couple orders, both Tae and Rei are waiting while chatting, of course they talk in Ceno since they are in C Country and most of all Tae already fluent in Ceno but they didn't expect that someone brave enough to approach them.

Tae : (Remembered something and ask his wife) Neh Hon?

Rei : Yes Dear?

Tae : I wonder why Ken suddenly sulking when they vote of what movie are we going to watch?

Rei : Well, the three of them know how to sing, so that's why.

Tae : Ah I see

The couple continues chatting until a group of young ladies who's the same age of couple Rei and Tae approach them.

YL1 : U—-uhm, excuse me? (Said in Universal Language)

Both : Yes?

All : (Young Ladies in Ceno) please ask Yani.

Yani : Geez

YL2 : We can't help it you know because you're the only one who know how to speak Sean among all of us here.

YL5 : Yeah, that's right and why did you speak in Universal Language in the first place?

Yani : I can't help it and what if we got it wrong?

YL3 : That's why you need to ask if his really M'dols Woo.

Yani : His really look alike with M'dols Woo but since when did he know Ceno?

YL4 : Just ask him so that we can confirm it you know.

Yani : But...

All : (Young Ladies) just ask and if we are wrong then we are just apologizing them for mistaking him.

Yani : Okay

Meanwhile the groups of these young ladies are still discussing either to ask or not, while the couple is also having eye conversation with each other.

Rei : They recognize you Dear

Tae : Yeah and what I'm going to do Hon? Do I need to deny it? I don't want to lie with my fans and they are my official fans because I always see them every time we have concert in C Country.

Rei : It's up to you Dear and I always support your decisions.

Tae : Thanks Hon

Ert md Ewu Cmrslfoamr

Yani : (Already gathered her courage and ask in Sean) Uhm, are you M'dols Woo?

Tae : (Replied in Ceno) no need to speak in Sean and yes I am but shhh... (Signaling them to be quiet)

Yani : eh, eh, then, then (looking to the couple and the babies that have been carried by them) so it's your babies and the mother of your babies?

Tae : Yes and hope for all of you Ms. Yani, Ms. Lia, Ms. Raq, Ms. Kiana and Ms. Lea to keep it secret for me because I'm still not disclosing it.

All : Eh, you know all of us?

Tae : As long as you are my OFFICIAL FANS then there's no way I won't know it because you're the one who get me become what am I now as my OFFICIAL FANS. (He emphasizes the words of OFFICIAL FANS on purpose).

All : (Got speechless because they didn't expect that their main bias from M'dols really know them)

Rei : (Notice that her husband emphasizing the Official Fans two times and ask him) and why are you repeating it and emphasizing it twice huh?

Tae : I think you know why

Rua :

All : (The 5 Young Ladies suddenly get their phone from their clutches and then search about Tae)

Tae : Sorry guys but no pictures this time, okay.

All : (Agreed at the same time) Okay (then continue searching until they reach what they are looking for and ask at the same time) are you the Artist Director of CA Entertainment?

Rei : Ouh-ouh

Tae : (Just laugh of his wife antics and then replied to them) yes she is.

All : (just speechless because of how pretty she is and then witnessing Tae's laugh for the first time as a fan of him since his widely known as the chic and quiet among the members M'dols)

Staff : (Interrupting them but didn't heard their conversation since they talk very quietly) excuse me Ma'am and Sir, here's your orders.

Rei : Thank you Miss, Tae help me with these.

Tae : Okay and excuse me guys (then helping his wife)

All 5 of them just can't believe what they see and can't help but pinching their own self that they feel hurt while realizing that it's not a dream.

Lia : W—-what to do girls?

Raq : Well I really thought that we got it wrong but then I didn't expect this situation.

Kiana : Neh, girls?

All : Yes?

Kiana : Is it just me that the Artist Director of CA Entertainment is really beautiful and a real beauty?

All : She really is and how lucky for Bro Woo to have her, Of course they really described it very well because she's a Goddess indeed.

Lea : Are they married?

Yani : Who knows but at least we got to know that she's in a relationship with Bro Woo and she's the Mother of the Twins and Bro Woo is the father.

All : (just nodded and didn't recall to their minds that why the two are here in C Country and why they speak in Ceno fluently?)

Raq : By the way, have anyone of you know notice of what movie they're going to watch? (Then all of them shaking their heads) geez, if we know it then when can follow them by watching with the same movies they are going to watch.

Lia : Shut up spoiled brat and we didn't become your friend because of your money. By the way speaking movies, what time is it now?

All : 2:10pm (and then suddenly all of them realized that it's almost time for the movie they're going to watch yet they still didn't order buying sodas and popcorns for their snack times.)

Back to the couple

After accepting the orders, both Tae and Rei back where the others seating and then when they got back someone retorting them. Yes, it's Ken no other else.

Ken : What took you so long Auntie Rei and Uncle Tae?

Rei : Here (just give his share)

Ken : (Change mood) thanks Auntie Rei and Uncle Tae (start eating the popcorn).

Tae : That's your only share Ken

Ken : Eh? (Then looking to his brother and cousins but they only glared at him) stingy, so then Auntie and Uncle, how about my young baby cou..... (Stop asking since he notices that the babies are already eating or rather drinking milk from the baby bottles Rei provided).

At the same time on the next row of them, they heard 5 voices of young ladies and luckily the movies didn't start yet or else they've been receiving a lot of scolding from the other viewers.

Yani : Geez, luckily they already prepare much popcorns or else we will be late.

Raq : Ha, ha, ha, no worries we can watch it again and I will be the one paying the tickets this time.

Lia : Shut up spoiled brat

Raq : Geez, let me pay it okay, and why don't you let me pay it, when I can afford it you know?

Yani : If you really want to spend your money that much then I think you are not our friends anymore.

Raq : Geez, it's my birthday today and I call all of you for this purpose but yet all of you is the one paying it instead of me.

All : (Speechless and wondering at the same time) 'what's with her? She's always paying the concert tickets for M'dols every time they have concert in C Country Capital City.'

Raq : Alright if you really don't want my money that much then all of you must work at my family company.

Lia : Geez, Yani is already your Secretary you know.

Raq : Yeah I know but how about the three of you?

Lia : I'm already satisfied of my work as a Staff.

Lea : Same with me

Kiana :

Raq : How about you Kiana? Are you satisfied with your work?

Kiana : Eh, me? Y—yeah I am and let's stop talking because the movie almost starting now.

Raq : (Whispering to Yani) Secretary Yani please investigate Kiana backgrounds for me and I ask you as your Boss and not a friend this time.

Yani : Yes Young Miss

Chapter 356 - Tae's Official Fan in C Country

Before the movie start and hearing the chatting of 5 Young Ladies friend, the couple is also chatting with each other quietly.

Tae : Hon you have a pocket notebook in your clutch, right?

Rei : Yeah and you can use it along with my pen.

Tae : Thanks Hon.

Tae get at least 5 sheets of pocket notebook of Rei and write something for his Official Fans here in C Country who recognize him. It's only a short message in Sean with a sign of him as M'dols Woo

[To : Ms. Yani

Continue with your work as a Secretary because the Artist Director of CA Entertainment is a Former Secretary.

M'dols Woo – Dec 22, XXXX]

[To : Ms. Lia

Never expect that you're a boyish type huh but all of you are nice and kind since you didn't spend your friend money.

M'dols Woo – Dec 22, XXXX]

[To : Ms. Lea

All of you are too noisy inside the Movie Theater Room but at least you talk while the movie not yet starting.

M'dols Woo – Dec 22, XXXX]

[To : Ms. Raq

I have an important announcement on this coming December 29 and will be held in CA Entertainment Event Hall. Feel free to come with your friends.

M'dols Woo – Dec 22, XXXX]

[To : Ms. Kiana

Giving surprises and hiding something are both okay but then it's alright for you to share your secrets to those very important to you because misunderstanding can led your wonderful relationsh.i.p.s turn into a mess.

M'dols Woo – Dec 22, XXXX]

After writing it, Tae folded it into half and put their names the top side of the folded paper and then just smile. Meanwhile Rei who seat beside her didn't read his writing because he already trust her husband that much, though sometimes she's curious but then her trust to her husband is really high so whatever it is, Tae will tell her at the right time if it's really okay for him to open it up. Rei just observe her husband but didn't see the message because even though Tae is her husband, he is still free to do what he wants as long as is not about cheating or anything else that can cause their relationship to break but then she is very sure that Tae will never do that because of her trust to him, as what she say, they don't

have the holds of the future but they can solve it whatever it is as long as they have each other at their sides.

At exactly 2:15pm, the movie Frozen II start and the lights of the Movie Theater Halls off as per requisite for the better effect of the movies. The family members are now watching the movies seriously and the babies is in deep sleep because of the songs of the said movies. Almost 4pm, the movies end and the family leave the theater hall but before fully exiting the theater hall, Tae give something to the security personnel of the Movie Theater 3A, which were the Movie Frozen II assigned.

Tae : Uhm, Sir?

SP : Yes Sir?

Tae : Can you give these to the 5 Young Ladies from this hall? They are all wearing Denim Jeans and Pink Shirts, Sir.

Rei : (Helping her husband in order being mistaken him a suspicious from this Security) They are Yani, Raq, Lia, Lea and Kiana and all of them are also exiting this way Sir.

SP : Ah, I see. Yes Ma'am and Sir I will do that.

Both : Thanks

Ken : (Observe his Auntie and Uncle but didn't interrupt since the a.d.u.l.ts are talking and only speak after talking to the Security) Auntie and Uncle, let's go to Mom.

Rei : Yes, we will do that.

Kur : Yuvuw

Aya : Don't run Ken

Ken : Oops, sorry Grandma

Ren : Eh, eh, eh.

All : What's wrong Ren?

Ren : My, my gifts. Mom and Dad will find out of what is it if we're going there now.

Rei : Then let's buy first a gift wrapper and Uncle Tae will be one wrapping while on the way to them.

Ren : Ah, that's right Auntie, thank you,

Rei : You're welcome Ren.

As soon as the Family Members leaves from the Cinema and Theater Hall, the 5 Young Ladies are also exiting from the hall.

Laf : Nuv, epwl l bplo zufiaxut ovfo fo ovu feu fzmprt 27-29, fii md pl fzu loaii jfohvare Dalruw Araqfoamr vpv, fzu ju fii juazt?

Raq : What's with that Lia? Even I become an old lady I'm still watching it, why? Because no one can judge us simply just we're watching Disney Animation.

Yani : Right, right and you have a point Raq, so we're not weird Lia.

Lea : Yani please pronounce her name well or else I will be thinking that you're talking to me.

Yani : It's not my fault that both of you is Lia and Lea.

Kiana : And that's why we suggest that we call you I and E.

Both : What's with that Kiana? (All of them laugh but stop when the security personnel calls their attention)

SP : Are you Ms. Yani, Ms. Raq, Ms. Lia, Ms. Lea and Ms. Kiana?

All : Yes? (Confirm while wondering at the same time) 'How did he know our names? Is he a stalker of us or did we do anything wrong and commit a crime? '

SP : A man left something for all of you and here (Give the five folded papers to them)

Aii : A qfr? (Yfra al ovu mru fhunoare ovu dasu dmitut nfnuzl dzmq vaq)

SP : (Didn't replied since his already doing his works).

Yani : Ohh, girls there's a name on it and here's for you Raq, Lia, Lea and Kiana.

All : (accepting it from her) and what is this?

Yani : Don't know (the five of them walks and then seats where the family seat before the movie start)

Raq : Why are you reading it Yani?

Lia : Yeah, that's right and how can someone know us right away?

Lea : Unless if we are all a debtor and got chased by the loan sharks, right?

Kiana :

Yani : (done reading) g—girls, girls.

Aii : Wvfo? Il ao zufiiw dzmq ovu imfr lvfzcl?

Yani : No and it's from M'dols Woo

All : What? (Then open the folded paper but they can't read it since it's in Sean and just said at the same time) aside from M'dols Woo signs, I don't understand anything.

Yani : Eh?

Raq : What alien language it is?

Yani : It's Sean Raq

Raq : Sean?

Yani : Yes

Then the four of them suddenly standing up from their seats and go to that person (the Security Personnel)

SP : (Doing his works seriously but then feel the sudden grasp from his shoulder) eh, eh yes?

All : The Man you mention, is it from him? (Showing their phones to him, Tae's picture)

SP : Y—Yes. 'What's with these weird peoples nowadays?'

All : I see then is this man with her? (Showing Rei's picture since they are all thinking maybe it's just a doppelganger of him)

SP : Yes

All : I see and are both of them carrying babies?

SP : Yes

All : Thanks

Yani : Hey, the 4 of you, what are you all doing?

All :

Yani : Sorry for that Sir and please don't mind of my friends weird...(didn't finish her sentence since the 4 suddenly grab her and out of nowhere they already seating inside the car of Raq) what with this reactions girls?

Raq : You're smart and genius among all of us, so here read it for us.

Yani : Just say that you don't understand Sean, Raq

Raq : I already said that one awhile ago

Lia : You spoiled brat and just ask Yani in a nicer way.

Raq : Well sorry but I'm already like this.

Kiana : Tsk, can't believe you Raq, you're already 29 today and yet you act like the youngest among all of us.

Raq : Whatever is it, Lia is 27 and my Auntie is younger than all of us here.

All : That Auntie of yours who's married to your Uncle, right?

Raq : Who else?

All : You have 3 Aunties, okay.

Raq : Yeah but I only have 1 Auntie who's younger than me, you know.

Lia : Yeah, yeah we know and by the way Yani, have you seen Raq Auntie's who's still 25?

Yani : Yeah and she's very pretty.

Raq : Of course she's my Auntie and here, read it.

Yani : First, I will read yours Raq since you're the oldest among all of us here.

Raq : No read mine last, and go first with Lia, Lea, yours, Kiana and mine

Yani : I won't do that.

Raq : Eh?

Yani : Alright I will do as you say.

Raq : Thanks.

Yani : You're welcome (then read according to their age by youngest to oldest, she also read her message again, She read it in Sean and then to Ceno)

All : Eh, you are keeping secrets from us, Kiana?

Kiana : That....

Raq : It's alright Kiana and we respect your decisions. I can't believe that we didn't notice that one and then M'dols Woo notice it right away. Yani forgot what I said awhile ago.

Yani : Okay

All : Eh, what do you mean by that Raq?

Raq : Well, look what message we gets from M'dols Woo, his talking about being noisy, Lia as a boyish one, Yani as a Secretary then to Kiana, so it means M'dols Woo and CA Entertainment Artist Director is seated near us in the Movie Theater Hall.

All :

Raq : And here again we didn't meet them. Alright, Yani is my turn next.

Yani : Yeah and (Someone interrupted her and its Kiana

Kiana : Uhm, girls.

All : Yes?

Kiana : Uhm, I lied about being a daughter of an average family when in fact my parents own a Restobar (a Restaurant and Bar business) here but got bankrupt. Both my parents got detained by the loan sharks since they didn't pay their debt.

All : (Except Raq) Eh, then what are you going to do?

Raq : Shut up the three of you, geez the three of you are really came from an average family.

All : Well sorry for being one.

Raq : So then Kiana, what's the loan shark condition? How much your parents owe from the loan sharks including the interest? How much the principal amount they owe? When's the deadline?

Kiana : Eh, I don't know about that one they only said to me that I will pay 1 Million before December 31.

All : Eh?

Raq : (Just left speechless because of her)

chapter 357 - Kiana, a daughter of Restobar Owners

While hearing that simple answer from her friend Kiana, Raq as came from the wealthy family she knows every situations in the fields especially if it's about the financial because she's now the Financial Director of her family business and she's aware about the loan sharks strategy. She keeps silent for a moment while her friends continue encouraging Kiana and trying their best to help her, while thinking she still heard what her friends talking about until she explodes.

Raq : The four of you are too naive, idiot and so simple. Well, all of you came from an average family so it's no wonder.

All : (Already used of it by they know how kind and nice Raq is) Well, again sorry for being one.

Raq : Hai, hai I don't expect from the three of you but I didn't expect it for you Yani to be this simple and naive when in fact you're my Secretary.

Yani : Maybe it's because you are the one almost doing everything.

Raq : You just realized it?

Yani : Hai,hai

Raq : Alright let's stop with this and let's go back with Kiana issues. So then Kiana, when did you start looking 1M for your parents' debt?

Kiana : Eh, what do you mean? My Dad and Mom just said that they can solve it within year end.

Raq : And since when did they got this debt?

Kiana : I— I don't know.

Raq : I can't believe you Kiana, you're turning 29 already and yet you are this simple and naive?

Kiana : well, sorry for being one and that's why I didn't tell anyone of it.

Raq : And when are you planning to tell us?

Kiana : I won't because my parents can solve it within year end.

Raq : Are you really that naive that you can easily find 1M without doing anything? Do you really want to keep it from us until the loan sharks seize your parents' Restobar or killed your parents without knowing anything? Worst scenario the loan sharks will keep you in the dark and lied to you that your parents agreed for payment of their debt will be as your own self? Have you ever think any idea of it?

Kiana : Eh? T—they can go to that extent?

Raq : Yes they can go to that extent and maybe that's the reason why your parents never tell you how much they owe from them and you just heard from the loan sharks that your parents owe them 1M without explaining the terms and condition. Alright, before doing anything care to tell us your backgrounds Kiana.

Kiana : I only know that my parents start the Restobar Business when I'm 10 years old and that's all.

All : That's all?

Kiana : Yes and is there something wrong?

All :

Raq : By the way, I'm curious about something Kiana, so hope you can answer it.

Kiana : Yes what is it?

Raq : What degree did you hold? And what's work do you have right now?

Kiana : Business Management and I don't have work after I graduate because my parents said that they will pass down the Restobar when I'm 29.

All :(Except Raq) 'Never expect that Kiana is the real spoiled brat and princess compared to Raq when in fact Raq came from the wealthy family'.

Raq : (Said in bluntly) in just matter of one week your family business will bankrupt right away if you are the one in charge.

Kiana : R—Raq, w—-what do you mean by that?

Raq : Tsk, can't help with that and since you are my friend so after this matter solve I will look someone to train you. Geez, what an idiot and yet my Auntie who's 25 is very smart and genius that she can handle everything without problem.

All : Show off

Raq : Of course she's my mentor. Alright let's stop with this (get her phone and calling her Uncle.)

Pvmru Cfii

"Ring, ring, ring"

"Yes Raq, are you here now?"

"Yeah I arrived yesterday Uncle"

"Where did you stay? Did I tell you that I will let you introduce my in-laws?"

"I will visit tonight and are you really sure that you're going to introduce me to your in-laws?"

"Yes I will and what's the purpose that you are here when in fact you are going to meet your cousins but don't say anything about our family background because your cousins don't know everything yet"

"Hai, hai I won't and by the way Uncle I call you because I will borrow your Secretary for a moment."

"Ask him right away because he is your boyfriend, remember?"

"Yes he is but he won't help me if it's about works and his very loyal to you"

"Don't tell me you want to investigate something?"

“Bingo and it’s my friend Kiana, Leng Kiana”

“Copy, Bye” then her Uncle hung up right away, after 1 minute her boyfriend call her.

“Give me 20 minutes, Raq and by the way message me where do you stay? I will pick you up since you don’t know where’s your Uncle In-Laws house yet, Bye” and hung up.

—End of call —

Raq : They are really Boss and Secretary Pair. What the heck? Is he really my boyfriend and how come I love that cold and emotionless old man?

All : Eh, is he really cold and emotionless Yani?

Yani : No, his very kind and sweet to Raq

Raq : That’s his only facade Yani and don’t be fool with that type of man.

All : ‘You’re the only one who’s fool because you love that old man’

Raq : Alright let’s wait for 20 minutes and Yani read mine.

Yani : Okay (then read in Sean but got stop by Raq)

Raq : I’m not interested in Sean so just translate it right away in Ceno.

Yani : Just said that one in the first place.

Raq : Oops sorry my mistake.

Yani : That's okay (then translate it right away what Tae message to her)

Raq : I see

Yani : So then what are you going to do?

Raq : It will depends on my mood so then the four of you must clear your schedules on that day and I think we will back here on January 03, so clear your schedules, okay?

Lia : I don't have passport

Raq : Liar, you've been in N Country 2 days ago with your boyfriend.

Lia : Woah, since when did you become my Secretary to know my schedules, huh?

Raq : Of course you're talking about me, oh wait how about you Kiana, don't tell me you don't have a passport yet?

Kiana : I have but I never been traveled since birth.

Raq : At least you have a passport Kiana. Alright, let's wait for that old man call.

All : 'How come they've become a couple when she's like this?'

The friends of 5 are seating in the car, playing their phones without chatting since they are mostly like this if they are out of topic. After 15 minutes, Raq received a message from her boyfriend.

Raq : 'Eh, since when did he become so fast when in fact he will do it within 20-25 minutes?' (Wondering while giving it to her Secretary Yani) read it for me Yani.

Yani : I'm off duty until January 02 , Raq.

Raq : I didn't ask you as your Boss but as your friend Yani.

Yani : I don't know how to read this one since it's your spoken language.

Raq : You're lying and what's the purpose of hiring you if you are this useless, huh?

Yani : I will do it with a magic word from you.

Raq : Please read it for me Yani.

Yani : Okay and girls here's the report from the lovable boyfriend of Raq.

Raq : Hearing that one it creeps me out.

Lia : Shut up spoiled brat and yes continue Yani

Yani : Thanks for shutting her up Lia, so here's the report girls.

[The Leng Family

18 years ago, Kiana was still 10 years old and her parents start their Family Business for their only daughter future. Both Uncle Leng and Aunt Leng decide to resign their job as a Public Teacher, so their separation pays become the capital of the K-Na Restobar. Year by year the Leng Family Business start improving until last Month November while Kiana having solo local travel in C Country for the whole month, Uncle Leng got hit by a stray bullet last November 19 and because he got hit in vital part which is near the heart, he need an urgent operation that it cost 500,000 Ces and so it can't help they borrow

money from the loan sharks since it's a quick money. Aunt Leng was the one borrowing the money from the sharks with 1 month term and interest of 20%. The debt already cleared 2 days after the return of the only daughter of Leng last December 14 whom it's our Friend Kiana but then the loan sharks personnel saw Kiana and got interested with her, so they lied to her that her parents still have a debt of 1M from and need to pay before December 31. Just reasoning out by detaining Kiana parents and only release after Kiana pay them 1M when in fact both Kiana parents just owed them 600,000 Ces including the interest that already been paid last Dec 16. So conclusion, Raq boyfriend already reports the Loan Sharks to the police for blackmailing you. Your parents are staying in the Restobar since the moment your Dad discharge last Dec 05 and not coming back until now in your residence for keeping you out worrying because he still under recuperation for 3 months."

All : (All of them didn't ask Yani why she summarize the report because if she reads everything then it will be take long for them. All of them just looking to Kiana directions and just observing her since she's the most emotional among from their group of friends)

chapter 358 - From which family she really belongs to?

The friends of Kiana still observing her, then minutes by minutes, she suddenly burst out her emotions and cries for all of her hearts contents until no tears coming from her eyes. But before she speaks out even at least one word from her mouth someone interrupting her.

Raq : Alright let's go to your Family Restobar Kiana but you need to understand why your parents keeping it from you because they don't want you to worry about this matter. But you can speak everything to them truthfully of how you feel after knowing it because you're her daughter after all and of course they will understand it since your one family. Don't mad at them by keeping it from you because they just thinking about you for your sake. Tell them that you almost got victim because of them keeping it from you just for your sake. You are a family so you need to protect each other. Then let's go and tell us where's your Family Restobar is.

Kiana : 2kms away from CA International and Group Company CA Town City Branch and El & Lyn and Family Restaurant.

Yani : From the right side or left side? Which side from the Restaurant or from CA Company?

Kiana : Along the Restaurant location and right side.

Raq : Neh Yani?

Yani : Yes Raq

Raq : Why are you asking Kiana when in fact the car have a GPS System?

Yani : Oh I see and here I thought you just rented a normal car since you're solely not from here instead you're from a Foreign Country.

Raq : What the heck is that?

Yani : Nothing (then putting the address to the System and drive right away).

Lia : I wonder why are you not driving Raq when in fact you know how to drive and always visited here every December for 9 years straight, right?

Raq : It's because I'm not a Ceno and I'm not expert of driving here since I'm not familiar with the road here, satisfied?

Lia :

While on the way, the friends of Raq start giving there presents to her.

Kiana : Here Raq, here's my present, Happy Birthday.

Lia : This is my present Raq, Happy Birthday.

Yfra : Maru al ar ovu Hmoui lm I jaii easu ao om wmp ifouz Rfy gpo Hfnnw Bazovtfw.

Lea : For sake Raq, I don't like woman and sway that way.

Raq : Ha, ha just kidding so then what's your present huh?

Lea : (Looking to her watch and then told to Yani) Yani can we stop here for a moment?

Yani : Why?

Lea : You will know it later.

At that moment Yani stop the car and all of them get out from the car.

All : What's with this vacant vicinity area Lea?

All : (Except Lea) as expected from the hottest star of C Country, huh.

Lea : (Ignore them and ask the birthday girl) so then do you like it?

Raq : (Speechless)

Lea : Raq?

Raq : I never expect that you remember it very well and it was six years ago.

Lea : Well you are my first friend who didn't treat me highly just because I'm a celebrity and you also didn't treat me what others treat when they meet a celebrity. And I remember it clearly because you wish it sincerely that you want this present from me even though you wish it jokingly but I can sense that you really want it, so why not giving it you? Even though it really took me for six years just to give you this kind of present, Raq.

Raq : Hai, hai but then is anyone of us record this?

All : (Speechless because no one did)

Luf : Jplo cuun ao om wmpz quqmzaul Rfy

Raq : Geez but well thanks Lea

Lea : You're welcome and for sake Raq don't wish again like this because it's too expensive for me imagined I almost spend my one year pay for this one.

Raq : Don't joke with me I know how much you earn because you're the hottest star here in C Country and I guess it's only 2 months for you.

Lea : Ha, ha as expected of you Raq since you're the Finance Director of your Family Business and speaking about family let's go now to Kiana's parents.

All : You really know how to break the moods you know.

Lea : Ha, ha, ha sorry for being one then.

Right away they leave and hop in at the same time. Around 6pm, the friends arrived at K-Na Restobar and only to witness a shock expression of both Leng Couple since they've been found out not only by their only daughter but with her friends also.

Both : (Kiana parents) K—Kiana?

Kiana :

Raq : (Whisper to her) you can tell everything what you feel and don't forget to understand their sides because it's for your own sake.

Kiana : Thanks Raq (composing herself and then tell everything to them but before that she ask first her Dad condition) how are you Dad?

Dad : Eh?

Kiana : I know what happened to you Dad, so please can you tell me how are you now? Look, I've become a spoiled brat princess without knowing my family situation.

All : (Friends) 'whoa, she admit it without hesitation'.

Dad : Sorry for that Kiana but right now I'm still under recuperation and don't worry because the operation is a success. As for the Loan Sharks, you don't need to worry because it's already been paid and your Mom only borrow from them for the quick release since it's needed from my operation. You're the only daughter of us so we don't want to lose you, do you understand our sides Kiana?

Kiana : Yeah I understand and starting today, please don't keep me in the dark and let me know everything because I'm already 28 years old though I'm quite imm.a.t.u.r.e but please train me well and scold me if I got mistake and don't spoiled me too much because I'm very naive with the reality Dad.

Dad : Alright we will do that starting today.

Kiana : Then can both of you go home now and spend your days to me?

Both : Yes we will do that.

Kafrf : Mmq, Dft (ovur fnnzmfvh vuz nfzurol frt vpe ovuq)

Raq : (After 10 minutes, she spoil the moments of parents and daughter pair) uhm, excuse me for a moment but Kiana forgot to tell you that she's almost got blackmailed by the Loan Sharks for paying 1M before December 31. You are a family, so as a family you're the first one to protect each other, you can keep from yourself if it's not involve in the family matters but if it's involve the family matters then you need to disclose in order for you to face it but well it's already solved and let's hope that it won't happened again. (Stop because she heard her phone ringing) Excuse me for a moment (then answer the phone) eh, yes? Ah, right I'm at the K-Na Restobar and okay, I will wait for you then.

All : 'She's really blunt but well that her personality'

Kiana : Raq?

Raq : Yes?

Kiana : Thank you and your offer is still valid, right?

Raq : Yes and do it within 3 Months since you will be 29 in May and you will inherit this, can you do it?

Kiana : Yes, I will do my best.

Raq : Good. Uncle Leng just focus your recuperation, Aunt Leng you also focus on running the business because I will let Kiana train for handling a business and whatever it is, if you ever face a problem especially financial, you can call me right away and will help at my best because Kiana is my friend, so no need to borrow from the Loan Sharks. (Then again stop since she receives a text from someone that already waiting outside). Ah, I'm going first and by the way Yani you go ahead first in the hotel and don't wait me, okay?

Yani : Yes Raq

Rfy : Bwu usuzwmru (ovur iufsu zaevo fjfw)

All : (Except Yani) From which family she really belongs to? (Asking at the same time and looking to Yani)

Yani : Nah, don't ask me about that one because I'm only her Secretary and only know that she's from a wealthy family but can only guess that she have a very complicated family.

All :

chapter 359 – Raq

Raq leave right away and found her boyfriend car or rather her Uncle Van then hop in right away. After getting in, she's looking inside the Van.

Man : I already drop them first and they are now waiting for you.

Raq : Tsk, tsk

Man : By the way have you eat your dinner already?

Raq : Not yet

Man : Good since they are waiting for you now.

Raq : Eh?

Man : Geez, no worries because the family of your Uncle are all nice and kind then you can finally meet your cousins that you always stalking them every year.

Raq : W—what do you think they will expect from me?

Man : Nothing

Raq : Huh?

Man : What I mean is just stay as yourself because they are all nice and kind. You already meet your Auntie and also she becomes your Mentor, so as what you observe from your Auntie, her family members are also like that.

Raq : I see t—then how about my cousins?

Man : You're cousins are both unpredictable but they are just like your Auntie.

Raq : Huh?

Mfr : Ymp jaii crmj ao jvur wmp fzzasu ifouz.

Raq : Geez, what a bummer you are.

Man : (Ignore that side comments of her) Happy Birthday Love and here (give something to her a flower and a small box)

Raq : (Accept the flower and the small box but ignore the flower since she's curious about the small box and try guessing it) don't tell me it's a ring and you're proposing me for my birthday.

Man : Can you be atleast become an idiot for this moment, huh?

Raq : So I see and I guess it right but then why did you decide to propose me when in fact you want my Great Grandfather to acknowledge you first?

Man : Both your Uncle and Auntie said to me that Great Grandfather will never acknowledge me because he only see your Young Cousins as the heirs of your Family Business and especially I'm your Uncle Assistant and Secretary.

Raq : (Replied while wearing the ring) that's what I said to you 5 years ago but well my Great Grandfather never change because he only see the ladies as a decorations or accessories for a man and only in charge for producing a heir. But at least Uncle change Grandfather a little bit since he won't indulge anymore of our spouses and all of us are now having positions in our Family Business. What I'm worried about is to my Young Cousins. Gladly Great Grandfather already acknowledges us (ladies family members) as his Daughters, Granddaughters and Great Granddaughters but then never let us become the President, CEO and COO of our Family Business. We already know that Uncle will be the CEO and President and Auntie will be the COO since Great Grandfather already acknowledge Auntie after passing all challenges he gives to Auntie but then I wonder what if the two retired? Are my young cousins will take the position? Is my Great Grandfather will repeating it again and forcing them to take the position? What if my young cousins have other dreams and don't want to take the position then?

Man : That's the reason why your Uncle and Auntie didn't inform your young cousins yet because they want them to have freedom first before handling the family business.

Raq : I really envy my young cousins to have a freedom and not aware of our complicated family business since all of us except them start training at the young age for our family business even though Mom, Dad, Aunties and Uncles know that it will go to drain because Great Grandfather only see us decorations and accessories.

Mfr : (Nm hmqquro guhfplu Rfy al zaevo)

Raq : You must promise me that you've never leave me even Great Grandfather offer you big money for leaving me, okay?

Man : Yes I promise that one and that's the reason why I've become yours because Young Master and Young Miss are both encourage me to be with you Love.

Raq : Geez, don't tell me that if Auntie and Uncle didn't encourage you, you always rejecting me?

Man : That, yeah but I Love You, Love so I will face whatever consequences I will be in the future.

Raq : Let's face it together but don't worry because Great Grandfather focus now is to my Young Cousins, so then when are we getting married?

Man : Already registered

Raq : Eh?

Man : I registered our marriage today here in C Country since they don't have Divorce / Annulment here and also.... (Stop himself because he don't know if his really right or not)

Raq : (Can guess what is it but still asking) also, what?

Man : I don't want our Daughter to grow up without knowing who's her father is.

Raq : You're investigating me?

Man : Sorry, I just found out just now but I didn't investigate about you and Yuka is with Young Master and Young Miss now.

Raq : T—then how did Yuka call my Young Cousin then?

Man : Just their names only.

Raq : Ha, ha, ha they are calling them using their names only when in fact she knows that they are my Young Cousins and her Uncle and Yuka is 8 years old and older by them but how did you know that his your daughter?

Man : She look alike with you and me then I ask her how old she is and answered me 8 years old. To count if off, I and you have one night stand in my room that time because you've been drugged by your Great Grandfather to have an heir but then you entered the wrong room and not your room since it's my room. After that you said to the Family that someone drugged you and pointing the unknown Man occupying your room while telling them that you didn't sleep to your room because you know. You are also telling them that you're not going to get pregnant because you're not sleeping with that unknown Man when in fact you are sleeping with me and in fact you got pregnant. For that failed plan, you're Great Grandfather let you go and have your freedom then coming here in C Country and meet Yani. Sorry for not realizing it right away when you said that it's Yani daughter and not yours.

Raq : Remembering it, I suddenly realized that I already love you that time huh and just escaping from you because I'm afraid that maybe you already got married since you're already on your 30's that time and accidentally got pregnant of your child because of that one night stand of us but then I fall in love you more when I give birth to our daughter that very resemble to you. I didn't dare to tell you that she's our daughter when I found out that you're still single and not taken because I don't want you to think that I'm that desperate to be with you. I always confess to you but you always rejecting me until you also responding my confession after 3 years of my pursue and I plan to tell you that Yuka is our daughter for that one night stand we have after we got married and that's the reason why I always said to you that let's get married.

Man : Sorry for letting you raise our Daughter alone.

Raq : Nah Auntie and Uncle know that she's our Daughter so that's why they help me the moment they decide to stay here in C Country for good when my younger cousins turns 3 and now they are 7 years old.

Man : I see and by the way let's Yuka have my last name now.

Raq : She already use your last name and she's Sono Yuka.

Man : How about you then?

Raq : Remain my last name but then you already registered our marriage today so I'm now Sono Raq by the way, where's our marriage certificate?

Man : Here (give the marriage certificate to her)

Raq : At last you are legally mine Love.

Man : (Blushing then said to her) we arrived and this is your Auntie Family House. (The two step out from the van after entering the gate since he already has control of the gate from his Young Master)

Raq : Neh, are you sure that Auntie Family is not a wealthy family and just an average family?

Man : You also think so?

Raq : Yes

Man : Well I don't know everything about them.

Raq : Then why not investigating them?

Man : No use because C Country Citizens are all protected by R.

Raq : I see and I do wonder who's R really is.

chapter 360 - Raq is related to the Din's Family

Assistant / Secretary Sono parks the Van properly in the parking space and then the two of them entered the house and knock.

Sono : (Knocking the door)

Raq : Are you really sure that they are an average family?

Sono : I also don't think so 'especially R is a member of their family after all'.

Raq : Why?

Sono : Because they have a luxurious house.

Raq : I see.

En : (Opening the door and said to them) get inside Raq and Secretary Sono, they already waiting for you Raq but let's eat first.

Both : Yes Young Master / Uncle.

Mei : Good Evening Raq and good timing my sister is also here.

Raq : Eh, your Elder Sister Mei?

Mei : At least you never called me Auntie anymore and yes my Sister.

Raq : Well I only call you that one if I'm with the Jang Family.

En : Don't ever say anything about our Family Matters because your cousins are not yet aware of our family matters.

Mei : Yes Raq because they only know that they are related from the Jang Corp. and nothing else.

Raq : I see

Rei : (got order by Aya to remind her sister and brother in law that foods are already ready) Mei and Bro En.

Mei : What?

Rei : The foods will get cold if you continue chatting here. Let Bro En guests and Assistant Sono to come inside first.

Mei : Yeah I almost forgot that one, ha, ha, ha silly of me.

Raq : Pardon of my intrusion Ma'am (bowing her head and then realized who is it), eh A—Artist Director of CA Entertainment?

Rei : Oh, it's you Ms. Raq and just call me Rei. Bro En already inform us that you are visiting us but let's eat our dinner first and Assistant Sono, you can also join with us. (Looking to En and Mei) I and Ms. Raq here coincidentally meet in the shopping mall this afternoon so that's why we know each other.

Both : 'What a coincidence? And you really meet in the Shopping Mall, when in fact it's very big?'

Sono: Yes Ma'am Rei.

Raq : (Got speechless)

And the two get in inside the house leaving their shoes outside since they are now wearing the indoor shoes. All of them entered in the dining area and eat together. Tae also notices Raq and just looking to his wife for asking she's Bro En niece which Rei only nodded. The family are eating quietly and then now sitting in the couch at the living room while waiting for En and Tae since the two are in charge of washing the plates and utensils.

--- Flashback ---

Everyone except the kids and Aya are waiting inside the conference room when suddenly En received a call from his Niece and inform the family after the meeting of them. En : It depends of the situation Rei but I hope they will know it when they are 16 so that they won't think about it.

Lyn : Did we already meet that niece of yours Bro En?

En : Not yet since she's escaping from the Jang Family Villa and didn't attend the wedding ceremony, so all of you didn't meet her yet except Mei.

All : (Except Tae) I see and so she's the youngest before Ricky, Ken and Ren huh.

Mei : Yup, yup, geez why all of you so clever?

All :

Mei : Ah, that's right she's almost the same age with Bro El and Bro Tae.

Mei : Ha, ha, ha, just kidding alright let's go now and prepare for our guest which is My En niece.

Rei : Yeah and who will be the one cooking?

All : (Except Tae) You

Rei : Me? (They nodded) don't tell me I will prepare the foods alone?

Mei : Bingo and don't help Bro Tae since it's my Sister service to her family after being away from us.

Tae : But.....

Mei : No need to worry Bro Tae because Sis is just almost 2 months pregnant so it's safe and by the way let's pick who's going to wash the plates and utensils after eating. (Give something to all of them)

All : What's with this?

Mua : Jplo nahc mru frt ovu nuzlmr jvm emo f hzware uqmoamr al ovu mru jflvare ovu talvul.

All : Eh, Assistant Sono girlfriend is Bro En niece?

Mei : Can all of you be dumber this time and how did all of you know about it?

All :

Rei : (Representing them) well no one knows that Assistant Sono is also an hacker aside us, so it must be Bro En niece since the call Bro En received right now have the same ring tone awhile ago which from Bro En Niece. Not only that one because Bro En have a habit to put and assigned a ring tone for his priorities, right?

Mua : Aii md wmp fzu rm dpr fo fii.

Then all of them going out from the conference room and suddenly finding out that there's a girl inside the office who always following Assistant Sono since he just arrived.
