All : Liar she's Mr. Ro / Captain Vin wife.

Rei : No I'm not then if you won't believe then here's my ID (showing her International License Card) my name put here Jun Lou Rei, if I'm really married with Mr. Ro here then how I can fake my License Card when in fact R is the one protecting our security here in C Country and how can I use and change my last name as Jun if I'm really married with Mr. Ro when in fact there's no divorce and annulment here in C Country?

All : (Got speechless because what she said is the truth)

Manager : Sorry for that Miss.

Rei : It's alright and please let the customers all of here now to concealed and keep what they witness just now for Mr. Ro privacy here and including the staffs here. Make sure that they will put their name and signed an agreement that they won't disclose it.

Manager : Yes Miss and I will do as what you say.

Rescuer : It's alright

Vin : Eh, what happened just now?

Rescuer : You're under attack again Mr. Ro and please make sure that your Assistant will be always with you to avoid you hurting someone or you might got an accident if you will get under attack again.

Vin : Yes I'm alright now and you can wait me in the car. Everyone I apologize for what happened just now and hope you will keep this secret of mine. And Rei sorry for what I did say to you awhile ago and thank you for saving me even you just witness that I'm like this just now. Can we still continue talking here?

All : (Got speechless excluding the couple) ...

"It's alright for me Vin but since when did you become like this?"

"I will explain it to you later and let's take a seat first."

"Okay"

Everyone, the customers are back chatting while eating their snacks and drinking their coffee meanwhile the staffs doing their works again but of course they need to sign an agreement for keeping it and never disclosing it. The rescuer also leave after making sure the Mr. Ro is now alright and fine meanwhile Vin Assistant is still standing near him.

"You can leave me here first and wait me inside the car."

“But Sir Ro w ...”

“Just give me my medicine and this friend of mine here will be doing the shot in case I got under attack again” then the Assistant give the medicine to him and leave right away, will just wait his Sir in the car while Vin give the medicine to Rei “here Rei if I become like that again then shot me this one, it’s a tranquilizer shot my medicine to reduce tension or anxiety. You ask me since when did I become like this right?” Rei nodded while accepting the said medicine of him. “I start become like this after my brother died by Xue hands and it become worse after knowing that you, my parents and Meng Shi become the next victim if the Meng start looking for me whereabouts so I did hide this one and Xue not even aware that I’m already like this. The Meng only know after we return here from S Country when I happened to get under attack when I mistook you for someone and all Meng Family Members witness it all including my daughter Meng Shi.” Then Vin start telling everything what happened to them without knowing that Rei already know this matters but Rei just listening it to avoid getting find out, The only thing Rei doesn’t know is him having a Mental problem.

“So then why did you become suddenly like this? I mean what’s the reason for you to become like this?”

“You are asking me what happened to me when in fact you are leaving me for this man.” Vin got under attack again.

“Hon the medicine”

“Huh”

“Y—you, who are you and why are you calling my wife as Hon, she’s my wife?”

Tae get the medicine from his wife hand and then shot Vin with his tranquilizer medicine. “He is under attack again Hon.”

“Oh, I see.”

After 2 minutes Vin calm down again and ask “did I get under attack again?” Rei nodded “I would become like this because I can’t move on you Rei. I got a trauma when you rejected me and it’s been set

to my mind that instead of rejecting me, you did accept my confession and we got married and Meng Shi is our daughter. I always think Xue as you and that's why she becomes like that. Every picture of you I keep it in my room but then got discovered by Xue so its turn into ashes and we got into a big fight, I secretly approach a psychiatrist and advise me of not thinking about you and so I focus my attention to Meng Shi ” and again his under attack again and Tae is the one shot the tranquilizer to him.

“Are you sure you're not going to get overdose with those shot of yours?”

“It's only 1 dosage per shot but then let me talk to you Rei before I will forget everything about you, okay?”

“That ”

“Please Rei it would be only last time and you just said that you will go home around 5pm and its still quarter to 4, so can I? ”

“That okay”

Both Rei and Vin talk heart to heart even though Tae always shot his medicine to him. Vin got to know Tae as Rei husband and already have their own child that cause to under attack again and again. Half hour before 5pm, they separate their ways since the couple return back to Din Family Residence while Vin to Meng Villa. Rei heard from Vin that he didn't marry Meng Xue because he still in love with her and he didn't plan to get marry because his condition will become worse since he will think that he got married with her. When they arrive at home, Rei inform her family members what happened to Vin and all of them got surprised because how come Vin can't move on to Rei but then understand right away that Vin must be crazily in love with Rei that he turn to become like this after got rejected by her in that way. Then around 6pm their visitors arrived.

chapter 372 – Visit from another Jang Cousins

On the next day, the family members are already done eating and now watching dramas or rather watching another episode of Detective Conan since the 4 kids really love this anime. While watching, both Ken and Ren tell Ellyn and Lynel of what they want and what they talk about last night except of Jang Corp. dark history and secrets since they don't want them to be getting implicated.

Lynel : Eh, then we are going to transfer Bro Ren?

Ren : Yes and why you don't want it?

Lynel : I have already made friends in our school.

Ren : You can make another friends in our new school and also I'm always be with you.

Lynel : But...

Ren : No worries because as what I said awhile ago I will always stay beside with you and protect you Lynel, you are my lovable cousin after all. Of course it's also good for you if we transfer school.

Lynel : And why would it's also good for me Bro Ren?

Ren : Silly, you will debut around February, so it's safer for you to be in the school of having a tight security.

Lynel : Okay but what if I can't get 90% marks?

Ren : I will teach you then and if not then Dad will be the one paying your tuition fees then serves as my tuition because I will do my best to get 90% marks.

En :

Lynel : Ha, ha, ha thank you Bro Ren and Uncle En you must prepare your wallet just in case I will not get 90% marks.

En : Speechless for the second time

Ren : No worries for that Lynel since its just only a coin for Dad. Well I want you to go with me where will I study because you are my cousin and as the elder one aside from Bro Ken then we need to protect our younger cousins, right?

Lynel : Yup, yup.

Ken : Hey, the two of you.

Both : Yes Bro Ken?

Ken : Don't get too close or else everyone from the school will mistaken that the two of you are a couple and not a cousin.

Bmov : Ev?

Ken : Ren you are Jang and Lynel you are Din and only all of us here knows that you are cousins but what if everyone see and witness how the two of you are so close then, huh?

Ren : That's right, so what are we going to do, Bro Ken?

Lynel : Yeah but how about you Bro Ken and Sis Ellyn, both of you are also so close, right?

Ellyn : They didn't get mistaken me and Bro Ken because I have Yu at my side (then suddenly blush and realized that her Dad is also in the living room since only Mei and Lyn are not around with them since they need to report in the restaurant, as for their chauffeur of course its Secretary Sono since En is with them now.) D—dad. w—we are not a couple, okay.

El : I didn't say anything Ellyn.

Ellyn : C—can I give my number to Yu, Dad?

El : No problem

Ellyn : Thank you Dad but don't worry I will never forgot your conditions.

El : Okay

Lynel : Dad, Dad just now Sis Ellyn as if declaring to us now that don't worry Dad I won't become Bro Jinyu wife when I'm still not 16.

All :

Ellyn : I didn't say anything like that Lynel, right?

Lynel : Eh, did I get wrong then? You don't want to become Bro Jinyu wife?

Ellyn :

Lynel : By the way, when the two of you come in school in the first place, did everyone mistake that the two of you as a couple then?

Ellyn : Nope because you know how Bro Ken friendly is and very opposite to Bro Ren who's only talking and chatting to you Lynel.

Lynel : Eh, then don't tell me Bro Ken also have many friends both girls and boys in there?

Ellyn : Yes because its Bro Ken were talking about and he have many friends and he is the most popular compared to Yu since he won't talk if his not with his friends.

All : (all of them looking to Ken who's now very focus watching Detective Conan and just wondering at the same thing) 'poor Kaede'

Ken : (Suddenly speaking out of nowhere since he pause the anime for a moment) ahh, right both Kaede and Shi will be going to study next year right? (Then just realized that all of them looking to him with the same expression) hey, why all of you looking at me like that? Well never mind that one, so then speaking about Kaede and Shi, are they both alright? It's been so long since I didn't talk to them, woah for sure Kaede and Shi will also become popular in School just like you Lynel, huh.

Lynel : Do you want to talk with Kaede and Shi?

Ken : Nah, knowing them they might celebrating their holidays in other country since they were always doing that one every year as their Family Traditions. (Suddenly laughing)

All : (Kids) what's wrong with you Bro Ken?

Ken – N—nothing but I just realized that Ren will be surrounded by girls next year.

Ren : Huh?

Ken : Look Ren, you and Lynel will be transferring next year, right?

Ren : Yeah and so?

Ken : Kaede and Shi will start schooling at the same school next year, right?

Ren : T—-that (just realized and then Ken laugh out loud) Auntie Rei , Auntie Rei.

Rei : Ken stop it and Ren you won't be called as gay just because you've been around with girls. Kaede and Shi are both your friends while Lynel is your cousin so no worries about that and they won't call you as a gay.

Ren : R—-really?

Rei : Yes

Ren : B—but if I remember correctly, we have a gay family members in Jang so it's not hereditary, right?

Rei : Sometimes it's hereditary but it's only depends to a person.

Ren : I see

The family continue chatting while watching animation then around 12, they are eating again and this time both the Din Couple are the one washing the plates. Then around 1pm the Jun couple leaves for visiting a graveyard and around 4pm, the two arrived in the house followed by the Jun couple.

Aya : You are early Mei and Lyn.

Mei : Yup, yup because Sis is here and we won't let miss this days that Sis are here along with Bro Tae and Twins.

Aya : Yeah they are here but they still not back.

Bmov : Ev, gpo lvu lfat lvu jaii gu vuzu fzmprt 4nq.

Aya : Maybe the two have some errands to do and then who will lock the restaurant?

Lyn : Our Branch Manager Ma.

Aya : I see and by the way Mei and En, when the exact date are you both of leaving? (Already heard it from the other Family Members)

Mei : Around 2 months old of the baby and I will settle first the process of Ren and Lynel school transfer.

Aya : I see.

Rei : (Just arrived and suddenly remembered about something when she heard Mei) ah speaking of Lynel, then who will be her Manager when you are not here in C Country, Mei?

Mei : Geez Sis can you be at least knock the door? And about your query no worries Sis because I will only leave after making sure that Lynel have a good and nice Manager just like me.

Rei :

Mei : Oh right you said you will be here around 4pm, so then why did you took it so long then since its almost 5pm now?

Rei : We happened to meet Vin at Aunt Meng graveyard. (And so she tells what happened to Vin to them and the kids didn't interrupt since the a.d.u.l.ts are talking now and then all of them speechless and surprised after what happened to him.)

Mei : Geez Sis you're no fun at all such a straightforward you are but at least Bro Tae love you knowing that you are like this.

Rei :

Mei : Oh right speaking about Managers...

Lynel : Auntie Mei, Auntie Mei

Mei : Yes Lynel?

Lynel : If I and Bro Ren going to transfer school then how about Sis Yuka, Bro Ren Young Auntie?

Mei : No worries because for sure Raq will also transfer her to the same school.

Lynel : I see.

Ken : (Suddenly laugh again)

All : And why are you laughing Ken / Bro Ken?

Ken : (Still laughing and explaining) b—because Ren will be surrounded by Lynel, Kaede, Shi and Sis Yuka which all of them are girls and no boys from his surroundings.

Ren : Geez you're still thinking like that and what's wrong with that Bro Ken? If I remember correctly Ellyn also got surrounded by all boys, you know.

Ken : Yup but no problem with Ellyn because she have Bro Jinyu and how about you?

Ren : I can't help it because I'm still young and I still don't have I like.

Ken : Yup, yup and hope you won't become a gay in the future especially we already have a gay from the Jang lineage. Ah, that's right Mom, when will be our cousins arriving today?

Mom : They will be around here at 6pm.

Ken : I see, so then what's their name again?

Mom : Jang Rick and Jang Rai but she's now Mrs. Kang Rai.

chapter 373 - A Gay Cousin

Mei blurts out their name right away and then the family just taking note of it. The family members are continue chatting while the four who almost arrived at the same time leave right away, then go to their rooms and change their clothes. After changing clothes they join their other family members in the living area and chatting. Around 5pm, the family members are eating earlier because Raq just inform them that they already eating and they will arrive at exactly 6pm. After eating and washing the dishes, the family members are now chatting again in the living area while waiting for their visitors.

Ken : By the way Auntie Rei and Uncle El, did you already meet our cousins Jang Rick and Jang Rai?

Both : Not yet

Ken : Eh, how did it happened then?

Rei : It's because during that time these three cousins of yours Rai, Raq and Rick parents are running away from your Great Grand Father clutches.

Ken : Oh, I see.

Ren : Mom, Mom.

Mei : Yes My Boy Ren?

Ren : That cousin of us is gay right?

Mei : Yes and what's wrong of being a gay then?

Ren : Nothing.

Mei : (Suddenly she remembered something) ah that's right I almost forgot this one but I think Sis, Lyn, Ellyn and Lynel all of you need to be careful and be wary of Jang Rick.

All : Huh? (The four of them didn't get of what she means)

Mei : You will know it later and Bro Tae protect your wife from Jang Rick same with you Bro El.

Lyn : What do you mean by that Mei? Is it the opposite one that I and Sis Rei will protect our husband from him then?

Mei : Ha, ha, ha you will know it later and his only(Paused and heard the door bell) ha, ha, ha speaking of the devil they arrived.

All : Thanks

Raq : Well you know how my Sister well Mei if she's weird then this Rick here is more weird compared to her and I don't know why these two siblings of mine become like this when I'm normal compared to the two of them.

Rick : You're also weird, remember?

Raq :

Mei : Alright Rick forgot about Rai for now so then I will properly and formally introduce you to my family members here.

Rahc : (Soaii rmo rmoahu ovuq) mcfw

Mei : Why are you so gloomy huh?

Rick : You already know why Mei (then glared to his Uncle En)

En : Ha, ha, ha sorry it's not my fault you know and I laid my eyes first.

Rick : I.....

Mei : Alright stop with that My En and Rick since both of you are not kids anymore. So then Rick this is my family members.

Rick : (Stand up then bow his head) hello I'm Jang Rick, the youngest nephew of Mei and Uncle En.

Mei : Stop it the two of you and your Great Grandfather already change a little bit Rick.

Rick : Yeah Auntie Mei but he will be always a live monster in my eyes and I don't need to be careless enough.

Raq : Geez Rick, Mom and Dad already staying back in T Country you know.

Rick : I know but I cannot wear a dress anymore if I'm staying back in T Country.

Raq : Then just wear a dress.

Rick : So that Live Monster will kill me without blinking an eye?

Both : Okay Mei

Mei : Good so now Rick this is my Sister Rei.

Rahc : Huiim rahu om quuo wmp Salouz Rua frt ... (lorn vaqluid frt lofzo lypufiare jvur vu zufiaxut vmj gufpoadpi lvu al) mvv, jmj vmj nzuooow wmp fzu.

Rei :

Rick : (Stand right away then hold Rei hands) may I have the honor to become your partner in life and bear children for me?

Rei : I'm already married and mother of a pair of twins here. This is my husband Tae and my twins (the two carried by Tae).

Rick : What, you already married?

Rei : Yes

Rick : Mei you are a traitor. You have a beautiful sister and you never introduce her to me.

Mei : Well duh sorry for that and it's not my fault because you didn't attend my wedding. If you did then you meet my Sister when she was still available that time.

Rick : Then why you didn't give me her pictures and (Again he stops himself and starts squealing when he notices another beautiful lady) how about you, may I have... (Someone cutting his off)

EI : She's already married with me and she's Mei sister in law.

Rahc : MEI

Mei : Ohh, it's not my fault and again it's not my fault because you didn't attend my wedding. If you did then you meet my Sister in Law when she was still available because she got married one year after I got married but well my Brother and Sister in Law already dating before I meet your Uncle.

Rick :

Ellyn : (Cannot tolerate it anymore and ask bluntly) neh, neh, you are wearing a dress but you like my Auntie and Mom, is it weird?

Rick : (feel that someone holding his dress and answer her question but got stop himself) it's because I'm await young lady how old are you?

Ellyn : 5 years old, why?

Rick : So it's 21 years gap and age doesn't matter. So young lady when you turn 16, are you willing to become my partner then?

Ellyn : I already have Yu.

Rick : What? Y—you are now married at such a young age?

Ellyn : 'Is he an idiot?' No I'm not but I will be someday but I'm not available. If you want then you can have my sister. (Grabbing Lynel and put in front of her who's now shivering)

Lynel : (Said it bluntly) no Sis and why are you giving me, are you really my sister? (pointing the man) what's wrong with him? Is he really a guy and why his wearing a dress?

Rick : Woah, you're so blunt young lady but are you perhaps her twin sister?

Lynel : Are you a gay?

Rick : That's what they call me but I'm not a gay because I'm a man who loves to wear dress and anything as long as it's a beautiful clothes.

Lynel : Weird

Rick : Yup, yup so then are you her twin sister?

Lynel : Yes but I don't like you.

Rick : Hai, hai, so then what are you going to do in the future Young Lady?

Lynel : Singer, why? 'I feel something fishy here just now'

Rick : Oh, then who's your Manager going to be?

Mei : Ah, that's right Rick. Lynel will be going to debut a week after I give birth and then I'm currently looking to be her Manager because I and En will take the position next year around June.

Rick : Oh, good timing and let me be this Young Lady Manager Mei.

Mei : Eh but you are busy you know.

Rick : Yup but for this Young Lady I'm always free and of course I'm based in C Country since I grow up here.

Mei : Okay

Lynel : No Auntie, find anyone and not this weird man who's wearing a dress.

Mei :

Rick : Why Young Lady, are you afraid that you will fall in love with me then?

Lynel : I'm not afraid because I will never like you.

Rick : Oh so then let me be your Manager if you are not afraid.

Lynel : Deal but in two conditions.

Rick : What is it?

Lynel : Which you prefer wearing a girls clothes or guys clothes?

Rick : Of course girls clothes.

Lynel : Then that's my first condition and you will only wearing girls clothes if you become my Manager.

Rick : Oh, easy then what's the second condition of you Young Lady?

Lynel : You will never exposed that you're a weird man.

Rick : Okay but I only agreed of that condition of yours if you will agree to mine then.

Lynel : Okay and what is it?

Rick : Starting the day you got debut then you are going to wear girls clothes.

Lynel : Of course I'm wearing if have appearances but if I'm not then I'm free to wear anything.

Rick : No you always wearing girls clothes wherever and whenever you are.

Lynel : No I don't agree with that.

Rick : Now, now Young Lady, is it quite unfair if you are not going to agree with my conditions, right? Of course you are such beautiful one and it's a waste if you are not going to wear girls clothes.

Lynel : Oh then I only agree if it's not dresses and skirts.

Rick : So you don't like wearing dresses and skirts? (Lynel nodded) okay no problem since I'm a Fashion Designer here.

Lynel : That's all?

Rick : Well you give me two conditions, so I also have 2.

Lynel : So what's the last one?

Rick : Become my partner when you turn 18 since it's the right age here in C Country.

Lynel : I will consider that one and will only be effective if I like you.

Rick : Oh no problem because you might fall in love with me since I will be your Manager after all.

Lynel : I will never be weird Man.

Rick : Alright let's make that agreement.

Mei : Here

Rick : Whoa, you already writing it Mei?

Mei : Of course and what do you think of me, huh?

Rick :

chapter 374 - Weird Man

Rick : Young Lady be careful and control your heart because you might fall for me.

Lynel : Never Weird Man

Rick : Alright stop calling me Weird Man or else my s.e.x.u.a.lity will got exposed since it will be your habit if you're calling me Weird Man.

Lynel : Oh then I will call you WM short for Weird Man then.

Rick : Are you sure that you are 5 years old, Young Lady?

Lynel : Are you sure you are an a.d.u.l.t, WM?

Rick : Tsk, tsk okay then care to introduce me yourself properly because I still.... (got smack by his Sister) what's wrong with you Raq?

Raq : Well that's what the reason why we are here in the first place.

Rahc : (Mua lofzol arozmtphare vuz dfqaiw quqguzl om Rahc frt ovuw vfsu f rahu hvfo proai Rahc lptturiw zuquqguzut lmquovare frt flc lmquovare om ovuq) jfao fzu wmp rmo jmzzaut ovfo l qaevo tm lmquovare om Lwruui?

En : If you will then do expect that you cannot see tomorrow anymore after doing something to Lynel.

Mei : That's right and Lynel you can use that stunt gun for him or just shout because your hidden bodyguard will just come to you right away.

El : You can also kill him and apply whatever you learn from Detective Conan to dispose him.

Lyn : Yup, yup Lynel

Lynel : Mom, Dad, Uncle En and Auntie Mei what are you talking about and this Weird Man here will be only my Manager so aside from that, so what something he need to do that I need to dispose him?

All :

Rick : Are you sure that you didn't get it Young Lady when in fact you are discussing to me with the agreement in seriousness awhile ago?

Lynel : Yeah because you are going to be my Manager so is there something else you want to do aside being of my Manager?

Rick : (Speechless but then back to his seriousness) so then have you decide with your screen name Lynel?

Lwruui : Jplo Dar Lwruui

Rick : What, you are going to use your real name?

Lynel : Yes and what's wrong with that?

Rick : Decide a screen name.

Lynel : Din Lynel

Rick : Rejected

Lynel : What?

Rick : I said rejected.

Lynel : Tsk my sister here also going to be a singer, so Sis Ellyn if you got debut what screen name you're going to use?

Ellyn : Eh, me?

Lwruil : Yul wmp frt tm l vfsu frmovuz lalouz flatu dzmq wmp?

Ellyn : I will use Li Ellyn.

Lynel : Eh, y—you are going to use Bro Jinyu last name?

Ellyn : What's wrong with that?

Lynel : Nothing but it's look you already married with Bro Jinyu if you use his last name.

Ellyn : (Speechless and blush)

Ken : Speaking about that one, Bro Jinyu is the one who suggest that screen name for Ellyn and Auntie Rei already agreed with that.

Lynel : Eh, then? (Looking to her family members) eh, everyone already knows but how come I didn't know of it?

Ken : Because you're watching the anime yesterday in a very serious manner and didn't listening to us.

Lynel : So then what's would be my screen name?

Er : Lwr Dar

Rick : Rejected

Mei : Lynel

Rick : Rejected (all the family members including Yuka, Mr. Sono and Raq suggested a name but it always got rejected by this weird man)

Lynel : Geez what do you want Weird Man? Don't tell me you want me to use your family name then?

Rick : Oh it's a good idea Jang Lynel and perfect for you Young Lady.

All : (Got speechless)

Lynel : Yeah perfect for you Weird Man but not for me and I guess I will just used Lady Lynel then.

Rick : Oh, it's also good so then which do you want Jang Lynel or Lady Lynel?

All : Lady Lynel

Rahc :

Lynel : Ha, ha, ha see weird man.

Rick : Alright you win so then you will use Lady Lynel as your screen name.

Lynel : Okay and by the way WM, you said you are fashion designer, so do they know your s.e.x.u.a.lity then?

Rick : No they only know me as a Transgender Rickie Fashion Designer and only my family members knows my real s.e.x.u.a.lity which is a Man that only loves wearing dresses and girls clothes.

Ren : Eh, then if the Family Members knows that one then how come you are still disqualified Bro Rick?

Rick : (Messing his hair and said) it's because Great Grandfather think of it that it's really a shame to a family that a Man like me who loves wearing dresses and girls clothes.

Ken : Have you been wearing boys clothes ever since?

Rick ; Of course I'm always wearing it.

Ken : I didn't mean u.n.d.e.r.w.e.a.r but what I mean is a suit or any other men's clothing.

Rahc : Ov ovur I jufz ao larhu gazov proai 12 wufzl mit.

Ken : Geez you are really a weird man. If you're not a gay then why not try to wear a men's clothing Bro Rick?

Rick : I only wear it with three occasions Ken.

Ken : And what is it?

Rick : For my Engagement Ceremony, Wedding Ceremony and Business Meeting.

Ken : Oh so you've been wearing a men's clothing every time you have a Business Meeting in Jang Corp.

Rick : Whoa, how did you know that one Ken?

Ken : Well knowing and hearing about our Great Grand Father characteristics then they would be never a chance that you can wear girl's clothing when you are in the company or else.

Rick : Yup, yup and by the way I heard from Mei that you have a good voice Ren, so are you not going to debut as a singer?

Ren : No and it's only a hobby of mine to sing Bro Rick.

Lyn : Can I ask you what's your screen name again Rick?

Rick : Rickie the Fashion Designer

Lyn : Ah, so you are my wedding gown Designer and also with Mei, huh.

Rick : Mei got free of charge since she got married with Uncle En but well also I give you discounts because I'm guessing that Mr. Din El might related to Mei who knows that he is really related to Mei.

Mei : Whoa, don't tell me that every person who have Din last name, you will give them a discount?

Rick : Hai, hai because Mei you really give a big help to the Jang Family and now my cousins have now positions in Jang Corp because of you but well they still treat Ken and Ren as their rivals. Oh, right what your Beautiful Sister and Brother in Law names again?

Mei : Jun Tae Woo and Jun Lou Rei.

Rick : Oh, so you're sister name before is Din Lou Rei, right?

Mei : Well what else aside from that, huh?

Rick : Ahh, wait for a moment I need to inform my client that I already send all his orders for the wedding ceremony he will have with his future wife.

Mei : Okay go ahead Rick.

Rick : Excuse me for awhile (then start calling his client but only got a busy tone) I guess that client of mine is busy for a moment so I need to message him.

Mei : Yes go ahead Rick

Rick : (then message him)

[Sir, this is Rickie and I already send your orders yesterday thru my staffs and you can call me right away if there are some issues about the sizes]

chapter 375 - The Wedding Plans

Before the said message got send to Rick client of him, Rei happens to excuse herself because she's now feeling sleepy and then carried the twins along with Tae.

Tae : I'm going back here after making sure that Rei is already asleep.

Mei : Okay go ahead Bro Tae.

Tae : Thanks

Rei : Sorry for that Mei and everyone.

All : (Except the Jang Visitors) no worries Sis / Sis Rei / Rei.

Rei : Thanks and Tae inform me of what are you discussing about, okay?

All of them just nodded including Tae and then the Jun Family go to their room right away, former her own room. Rei sleep right away after laying in the bed and of course the twins already sleeping beside her. Meanwhile, Tae received a text from someone and just ignored it before going back to everyone. And then when Rick notices him, he blurts it out right away.

Rick : Oh, did you just receive my text Mr. JTW?

Tae : Yeah I received it Missy Rickie (Missy, because he was known as Transgender Fashion Gender without knowing the truth that he is a man who only loves to wear dresses and girl clothes) but I never expect it's you and awhile ago you almost have blown my surprise to my wife.

Rick : Ha, ha, sorry for that Mr. JTW but then your phone was in silent mode so it's still safe.

Tae : I don't know if it's safe or not because my wife is a smart and genius woman after all.

Rick : No worries, no worries because I guess she didn't get any idea of it.

All : Eh, both of you know each other? Wait don't tell me that the client you mention awhile ago was Bro Tae / Tae / Uncle Tae?

Rick : Bingo

All : Eh?

Tae : Yes guys Rickie is the wedding designer for our wedding and I'm going to inform you today after Rei sleep but then this Missy Rickie here almost blurted it out.

Rick : Oops sorry about that one, I don't know that you're going to surprise your wife.

Tae : It's alright and let's just hope that my wife didn't get any clue of it.

Mei : No worries Bro Tae because Sis is very slow regarding herself, especially this kind of topic.

Lyn : Yup, yup so then what's your plan?

Tae : Everyone I know that it's so sudden but I want to tell it personally here, so all of you will be arriving in S Country on December 29 around 5 am, here's your tickets (give the air tickets). I also going to invite all of you for attending the press conference at 6 pm in CA Entertainment Venue Hall for disclosing my relationship with Rei and these are the assigned seats (give the seat tickets). All of you will also be the witness for my engagement in the Class A Hotel. Rei didn't know about this wedding plan of mine because it's my surprise for her. As for the gowns and suits for everyone are already in our Jun Family Residences since this Missy Rickie here just informs that he already delivered my orders, so for sure it already received from my family members since I already instruct them. You will stay there at Jun House when you arrive because I and Rei will stay at my parent's house when we arrived on December 27. As for the returning tickets, it's also found in the tickets that I give awhile ago and don't have any date because I don't know when your holidays break end, and the tickets valid until January 15. For the Maid of Honor, at first, it will be you Mei but then you are pregnant so I change it to my Sis Tia Wen and partnered with Yun as the best man. Ellyn, Lynel, and Jia will be the flower girls partnered with Jinyu, Yuhan, and Jinxi. As for the Ring Bearer, it will be Ken, for Bible Bearer will be Ren and Rui will be the Coin Bearer. I have 4 fellow co label actress and my label mate for the Bridesmaids partnered with my fellow co-members. Musical Actress Xie Lu Lou also one of our Bridesmaids partnered with Legal Representative Kei a total of 5 Bridesmaids and 5 Groomsmen's. As for the Primary Sponsors, it will be Mr. & Mrs. Hwang – Boss, Mr. & Mrs. Lu, Mr. & Mrs. Li, Mr. & Mrs. Jo, and Mr. & Mrs. Lin. As for the Secondary Sponsors, it will be Mei and Bro En for Candle Sponsor, Bro El and Lyn for Cord Sponsor, and then Mr. & Mrs. Hwang – Mr. Hwang Son and his wife for Veil Sponsor. Before I forgot this is the wedding invitations (give them one by one per family), you need to bring this one since it's proof that you can enter the reception. Ms. Raq here and along with your 4 friends since you and them are my selected fans to witness my wedding on that day, you can bring Yuka and your husband along because I will notify the Wedding Organizer when we arrive in S Country for your husband and daughter. As for the other invitations, I guess it's already been distributed by my teammates.

Raq : T—thank you M'dols Woo.

Tae : You're welcome.

Mei : Bro Tae, Bro Tae?

Tae : Yes Mei?

Mei : Eh, don't tell me that these wedding plans are solely your plan alone?

Tae : (Blush and replied) yes because it's for my wife and I've been planning this after we registered our marriage.

All :

Ellyn : Ahh, that's right Uncle Tae.

Tae : Yes Ellyn?

Eiivr : Aq I loaii lareare fimre jaov Yp ovur?

Tae : Yes of course because it's for Reception Presentations including my teammates. How about you Ren, are you going to perform?

Ren : S---solo?

Tae : It depends on you but I guess you can have a duet with Lynel before she got debut, right?

Ren : Okay Uncle Tae

Tae : Alright thanks for that Ren.

Rickie : Hey, hey what about me? I'm not invited; I'm your fashion designer, after all, right?

Tae : You got invited as the wedding gown designer but you already declined it you know.

Rickie : Oops (said while pouting).

Tae : You can come as a Rick, the cousin of Ren and Ken, or as a Rickie the wedding designer, your choice.

Rahcau : Bw ovu jfw, gudmzu I frljuz ovfo mru, I ruut om flc ad vmj tat wmp euo ovu laxul md wmpz urompzfeul jvur qmlo md ovuq fzu vuzu ar C Cmprozw, zaevo?

Tae : By Mei and my Sister 1.

All : (Except the Kids and Rick) Mei / My Mei?

Mei : Oops, ha, ha, ha I keep it since it's a wedding surprise for Sis and I also didn't tell everyone because Bro Tae asks me not to because he wants himself to relay it from his own mouth and if you ask me when he did tell me this one, then it's the time when Sis give birth with their twins.

All : I see

Rick : Alright then I will be a guest as Rick.

All : (Including the kids) eh, you will appear as a Man and not a Gay one?

Rick : What's with that? I'm not a Gay and I'm a man who only likes to wears Women's Clothing.

Raq : Whoa, so you're going to wear a suit then?

Rick : Yes and what's wrong with that? I'm a man after all.

Rfy : Nmovare gpo ao jaii gu wmpz dazlo fnnufzfrhu jufzare f lpao vpv.

Rick : Not my first because I'm always wearing a suit every time we had a Business Meeting in Jang Corp.

Raq : I didn't mean it that one because what I mean is the first appearance in public.

Rick : Just state it clearly. Ah by the way Mr. Jun, you still have a balance of 30% for your orders, and don't worry I won't charge it since I just realized that your beautiful wife is Mei's sister.

Mei : Eh, you didn't give my Brother-in-Law a discount when he states his orders to you in the first place?

Rick : Well who will know if he just only states Mr. JTW and no other names aside from this abbreviation of his name with different sizes for the entourages, the bride and the groom, huh. Well, Mr. Jun here also state the delivery address and pay the down payment using bank deposit by my fashion company name and account number. So aside from that details can I know and decipher that the bride is your sister huh, Mei?

Mei : Oops but Rick what with this attitude of yours? Are you planning perhaps to be got demoted from your position in Jang Corp. since you just disrespect your Senior, huh?

Rick : Sorry Mei (then going to hug her but automatically got stop by En that left him speechless)

Mei : Ha, ha, ha just kidding Rick.

Rick : Kidding my a.s.s when in fact you are really my Senior in Jang Corp.

Mua : Ov, Im ovur wmp jfro om gu emo tuqmout?

Rick :

Aya : Alright stop with that Mei and let's s....(didn't finish since someone interrupting them)

chapter 376 - Holiday Presents

Everyone turns their heads at the same time when they heard someone calling their attention and all of them have the reactions by having wide eyes and almost get caught red-handed by her since they start to get pale because they thought she heard all of it.

Rei : Eh, Ma and everyone you are still here?

All :(got a surprise and shock expression)

Rei : What's wrong with everyone and Tae?

All : (Just looking to Tae)

Tae : Why are you up Hon?

Rei : I just got awake and then notice that you are still not on my side so I check here if you still here but what's wrong with everyone as if they see a ghost just now including you, Mama?

All : (Din's Family Members) 'Tae / Bro Tae/ Uncle Tae please make accurate and proper excuses because she's way too smart and we can't handle her. Of course, we can't since she can easily see us if we're only making excuses or telling the truth.'

Tae : I tell them a story about me and everyone is listening to me suddenly that they are too shocked and surprised when you suddenly interrupt us, so that's why they are like this.

Rua : Ev, zuffiw?

All : (Everyone nodded)

Rei : I see then sorry for scaring all of you here and I didn't mean it to.

All : (got speechless)

Tae : That's why you need to announce your presence first before talking.

Rei : Yup, yup (then laugh and said) I don't know what kind of story your telling to them but then I guess it's a kind of horror story, right?

Tae : Not a horror story Hon but my experiences.

Rei : Ah, I see and by the way are you done now? (Everyone nodded) then let's go to sleep now and let our guests stay here for one night since it's already late for them to go home around this time.

Tae : Yeah right but then Ma and everyone, I'm going first since my wife already picking me up here.

All : (Except the Guests and Kids) yes go ahead Tae (then the couple leave right away and after they didn't hear any steps from the stairs everyone chatting for a while)

Rahc : Dat wmpz gufpoadpi lalouz vufzt ao? (Alcare rm mru ar nfzoahpifz)

All :

Mei : (Answered him since no one going to reply to him) hope she didn't or else Bro Tae planned will be doomed but well noticing Sis expression just now, so I guess she didn't hear any of it and no idea of it.

All :

Mei : Alright let's go to sleep now. Rick, you can sleep here in the living room while Raq and her family in the guest room.

Raq : Nah, it's alright Mei since we are still on our honeymoon phase and I don't know about this weird brother of mine.

Rick : Well I have an appointment tomorrow and then will attending this wedding so I'm also going now.

Mei : Oh, I see.

All the guests of them leave right away while the family members going to their own room. For the whole night, the family members are sleeping quietly and then doing the same routine for the next day. Mei is really right, Rei didn't hear anything at all, no clue and still not aware of her husband's wedding surprise for her.

December 24

The family members are now busy with the preparation except for Mei, Lyn, and En since they are in the restaurant. Every one of them is busy preparing by cooking and anything that needs for the Christmas preparations while the kids are also busy putting all the presents in the center table by arranging it according to the size and not with who's from who.

Around 11 pm, the family members are now waiting for 12 am to strike and all of them wearing Red Shirts, Red Shorts, Red Pants, and Red Dresses including the two babies as long it's something Red since it's a Christmas. The family members are always wearing Red every Christmas and wearing the color of the year for welcoming the New Year as part of their family traditions.

At exactly 12 am, the family members greet together by saying Merry Christmas to each other and then eating what they prepare for their Christmas Celebrations. After eating, Rei is the one in-charge to give the said presents to everyone since the two are now having big protruding belly since the two are almost 8 months pregnant now. Rei just pick the gifts whatever she picks and then announce like this 'to _____ from _____. Every one of them having 10 gifts of each except for the two babies but then the family didn't expect that the kids prepare gifts for their baby cousins.

Ken : Eh, everyone didn't give any presents to our baby cousins then?

Mei : We have Ken but we give it to your Uncle Tae and Auntie Rei.

Ken : Eh?

Mei : You will know it when your Uncle Tae and Auntie Rei open the gifts, so who's going to open first.

Ken : Me, me.

Mei : Okay go ahead Ken and counterclockwise (everyone nodded)

After opening them all, all of the family members are looking at each other as if saying 'are we serious? How come we almost have the same presents as each other then?'

Mei : Sis and Bro Tae, My En planning to give milk worth of 5,000 but then the babies are still b.r.e.a.s.tfed so he gives cash instead.

Lyn : Same with me Sis Rei and Bro Tae, both I and El almost buying the milk but then we remembered after going to pick the milk that the twins are still b.r.e.a.s.tfed by you Sis Rei, so we change it to cash. We plan to give you more but then knowing you, so we decide to give 5,000 Sen.

Both :

Ken : Mom and Dad, why both of you give Auntie and Uncle Tae for baby and not for them?

Lynel : Yeah and same with you, Mom and Dad, why are you giving for baby and not for them?

All : (Mei, En, El, and Lyn) shut up and how will we know that our kids give something to the babies itself, huh.

All : (Ken, Ren, Ellyn, and Lynel) eh but the babies are also our family members, right?

All :

Ken : Alright, let me ask this one.

Mei : Yes and what is it, Ken?

Ken : When I, Ken, Ellyn, and Lynel are still babies what did Auntie Rei give to you, Mom and Auntie Lyn?

Both : (Both parents of Jang and Din Twins are speechless)

Ken : I see, so it means Auntie Rei gives both for the babies and for the parents.

Mei : Wow, how did you know of it, Ken?

Ken : Well all of you Mom and Dad then Uncle El and Auntie Lyn got silent after hearing that one so it is very obvious but then since Dad and Uncle El give cash to Auntie Rei and Uncle Tae then it's quits.

All :

Ken : Alright let's eat the dessert already.

chapter 377 – Returned

For the following next two days, the family members are always bonding with each other either watching animation, chatting, or visiting and helping their family restaurants.

Last Night before the couple, the babies and kids leaving and going to return to S Country they are now packing for their things and because they have received a lot of gifts from their family members, they are now having extra baggage but at least the ticket that Rei reserved have baggage allowances so they won't pay for the excess baggage. Since both Ken and Ren received 3 Detective Conan Pillows, both of them distribute the other 1 to Ellyn and Lynel. After packing their things, as a Mother, Aya reminded them again.

Aya : Rei and Tae make sure that you didn't forget anything, okay?

Both : Yes Ma

Mei : Ha, ha it's alright if you forgot something as long as the two of you will not never forget one of your twins or either both of the twins.

Both :

Ken : Geez Mom, how can Uncle Tae and Auntie Rei forget my baby young cousins when in fact the two of them are always carried by Auntie Rei and Uncle Tae, right?

Mei : Who's your Mom, me, or Auntie Rei?

Ken : I just called you Mom and Auntie Rei, so you're my Mom.

Mei :

Ken : Ah, by the way, Mom?

Mei : What?

Ken : (Just hug her Mom and said) if you miss me then just wear the t-shirt I give to you and the same with you, Dad.

Mei : My Boy Ken.

Er : Art vmj fgmpo qu, fzu wmp rmo emare om vpe qu?

Ken : (Just hug without saying anything)

En : (get his worries even he didn't say anything) don't worry about anything and just focus on your studies, alright?

Ken : Uh-uh but I wondered if Great Grandfather will force us to meet them (the Jang Head Family Members)

En : No he can't force both you and Ren as long as Dad and Mom are still in the position of Jang Corp. and until 16. But then when you and Ren turn 16 then my conditions towards your Great Grandfather will not be considered valid anymore since he only agreed with my conditions that both of you will be free before turning 16.

Ken : (looking to his Dad and ask) Dad, what if I and Ren cannot reach Great Grandfather expectation to us, or rather both of us are got disowned by him then?

En : (Crunching down) he can disown both of you whatever and whenever he wants but both of you will always be Dad and Mom sons, got it?

Ken : Uh-uh

Ren : Geez Bro Ken why are you saying in negative ways? And be optimistic because right now we are still 6 years old, so we have 11 years to go or 10 years and a half to be exact in order to prove ourselves

to Great Grand Father. Of course, both I and you will let Great Grandfather eyes open and change his views, we will let him know that the Head Family must help each other or never forcing someone of what they want. And of course, we will let him know that ladies are not just family decorations of the family instead they are also worth getting honor and respect.

Ken : Uh-uh

Ren : When we turn 7 both Mom and Dad are not staying either one of us, so let's do our best and prove that's the Din's Family Members cannot be easily looked down on.

Ken : You are a Jang remember?

Ren : Oops, I forgot but well we've been raised and grow up with the Din's Family Cultures and Traditions, so we are different from Great Grandfather, right?

Ken : Yup, yup, whoa since when did you become like this Ren?

Ren : Huh?

Ken : Nothing. Alright, Dad, now stops hugging me, or else you will kill your son.

En : (speechless but still release his hug because he knows that Ken is just shy and just said to him) I will always wearing that shirt with I Love You Dad printed from both you and Ken if I miss my baby boys.

Ken : Baby boys me and Ren?

En : Yes, why? You are not my baby girls, right?

Ken : I'm a boy Dad but alright you can still call me a baby boy until I'm... Wait, Mom, when are you going to stop me calling Baby Boy then?

Mua : Mqq... lo jaii tunurt mr qw qmmtl gpo wmp frt Rur jaii dmzusuz qw gfgw gmw.

Both : Alright but you only call us Baby Boy when we are with Din Family Members.

Mei : Eh I can't promise that one because you are both my baby boys after all.

Both :

Mei : Just kidding and I will stop calling you baby boys when both of you reach 13.

Both : (The two smile, hug, and said at the same time) Mom is the best and we love you.

Mei : (Just looking to her husband and said) poor you My En.

En :

Rei : Ha, ha, ha you are really mother and son pairs but for now the two of you Ken and Ren must sleep now especially you Ken since we will be leaving tomorrow early morning.

Ken : Eh, how about Ellyn and Lynel then?

Rua : Aizuftw hiaqgare pnlofazl frt dmz lpzu ovu ojm fzu fizuftw liuunare.

Ken :

Rei : Alright the two of you go now.

Both : Yes Auntie Rei and Good Night Everyone (leave right away)

Mei : By the way Sis?

Rei : Yes?

Mei : Are you going to find out the gender of your baby or wait until your labor day again?

Rei : I and Tae will find it out in my 3 months since Tae will go for his conscription service on May 28.

Mei : Eh?

All : Eh?

Rua : I fizuftw Ifat ao zaevo?

All : (Except Tae) when?

Rei : The day I arrive here and after I announced that I'm pregnant.

All : (Remembering it and start recalling) ah I see and it got covered by the Jang Twins discovery of their identities.

Rei : Bingo

Mei : So Sis you are going to be alone and separate with Bro Tae for 2 years then, right?

Rei : What do you mean by alone and separate huh?

Mei : Nothing

All : (Except Tae, they just realized and said at the same) Ah I see, so that's why huh.

Tae : (Just looking to them and warn them for spoiling his surprises to his wife)

Rei : (Didn't get any clue and replied different things) yeah that's why we need to find out the gender of our baby since Tae will be enlisting on May 28.

All : (Including Tae) 'ah, sometimes I really wondered if Rei / Sis Rei / Hon is really a genius or an idiot one?'

Rei : Ah, that's right.

All : Yes? 'Did she get any clue of it?'

Rei : For the following 2 years of holiday year-end breaks, I will still visit here even Tae on his enlistment period.

All : I see

Rei : What's wrong with all of you now?

Mei : Ha, ha I thought you will make excuses that I can't visit you guys because my husband is not here since he is still on his enlistment period.

Rei : And what do you think of me, huh Mei?

Mei : Nothing

Rei : So then it's also applied to you Mei and Bro En?

Both : Of course.

Rei : Alright I'm done packing and let's sleep now.

All : Yeah

All of them go to their own room and sleep right away. Around 4 am, all the family members are now awake and done eating because they are now on the way to the airport. After dropping them off, the family remembered the first day they drop Rei off, and that time she still single and nobody on her side but then right now she's now a mother and the wife of her main bias that they can't help but smile to their own selves.

As usual, since Rei already did check-in through online check-in, they just go right away to the immigration area and then proceed for dropping their baggage and wait for their boarding time. Around 8 am, they are now on board and wait for another 4 hours for the arrival time.

chapter 378 - Unexpected call for someone special

Past 12pm / noon, the couple with the two babies and two kids are now on the way to Jun Family Residences of course Tae is the one driving using his SUV since he instruct his Sister to drive his car and park at the airport parking area around this time.

"Eh, where's Sis Tia Wen Dear?"

"She go back right away since she's busy." 'Of course busy hiding the evidences of my surprises for you Hon.'

"I see"

(Observing his wife and asking her right away) "Are you sleepy?"

"Uh-uh geez our baby this time is really like to sleep since I'm always sleeping."

“Ha, ha, ha right you really always sleeping and you can sleep now Rei.”

“Yes Tae.”

“Don’t worry the kids and the babies are already sleeping the moment we ride in car.”

“Yeah I know but you’re too lax Dear”

“Mmmmm?”

“Driving using your car along with me, the twins and the kids when in fact the news of your mysterious lady is still trending” (answered then slowly sleeping at the passenger seat).

“No worries because everyone and the Teams already know that I’m taken and I guess it’s time for them, I mean the public to know that you’re the one I dated and my mysterious lady.”

“.....”. No answer from her since she’s already sleeping.

“Rei? (Hearing no answer from his wife, he looks to her way in a glimpse only since he was driving and just realized his wife already sleeping. Use one hand in driving then the other hand c.a.r.e.s.sing his wife) I Love You Hon and let’s disclose it now.

(Who happened to witness since he just awake and heard his Uncle) “whoa, you are so sweet Uncle Tae towards Auntie.”

“Are you not sleepy Ken?”

“I just got awake and uh-uh I’m not sleepy now and I just...” (Stop himself)

“You just, what is it Ken?”

“I just don’t know what I’m going to do after knowing my identity Uncle Tae.”

“Just stay who you are and what they (Din’s Family Members) teach you Ken because they will always support and protect you especially you have Auntie Rei on your sides.”

“Uh-uh I know and Uncle Tae?”

“Yes?”

“Is arranged marriage is still common globally?”

“Yes it’s still very common especially to those families who are rich and influential.”

“After having an arranged marriage are they happy like both you and Auntie? Like Mom and Dad? Like Uncle El and Auntie Lyn? Like Grandma and Grandpa?”

“All of us got married because of Love but then they are still a couple who got tied because of Arranged Marriage but then fall in love with each other like mostly of your Aunties and then they are also couple who got married because of love but then got separate like Yuhan parents.”

(Sighing and said) “Tsk, Love must be that really complicated Uncle Tae, right?”

“Yeah it really is Ken but it depends to those people who fall in love.”

“What do you mean Uncle Tae?”

“You will know it when the moment you fall in love.”

"I see and then when I will fall in love?"

"You will fall in love the moment when that one for you appears in your life."

(Got confuse and stating someone as for example) "Just like Ellyn and Bro Jinyu then?"

"Yes"

"I see and by the way Uncle" (Got stop because both of them heard a ringing tones from the phone that both Rei and Ellyn got awake from there slumber state)

"Ring, ring, ring"

Rua : Wvmlu nvmru al ovfo?

Ellyn : I don't know Auntie Rei.

Tae : Not mine either Hon

Rei : Me neither (then it rings again and Rei guess it based from the sounds of phone ringings) I think it's your phone Ellyn.

Ellyn : Eh? (Get her phone and it's really her phone which still ringing) eh but aside from the family members no one's know my number yet.

Both : (Rei and Tae looking to Ken direction)

Ken : Teehee (just smiling)

Ellyn : Bro Ken?

Ken : Answer it Ellyn because maybe that unexpected call of you might from your someone special after all.

Ellyn : Eh? (Confuse but answered the phone in Ceno and accidentally hit the loudspeaker mode) h—hello and May I know who is this please?

Cfiuz : (Pzuourtare rmo fgiu om prtuzlofrt ar Curm frt flc ar Sufr) Il oval Eiiwr?

Ellyn : Eh, Yu?

Jinyu : Whoa, it's really you Ellyn and here I thought that Ken must be playing prank on me by giving fake numbers of yours.

Ken : What the heck is that Bro Jinyu? And what do you think of me huh?

Jinyu : Well you're a teaser one so mostly you can prank on me how much you want and who else aside from you who message me in Sean 'Your Beloved Din Ellyn number' without informing of who you are and it's from an unknown number, huh.

Ken : Whoa, you're so smart Bro Jinyu but you took it long to call Ellyn when I give it to you the moment we received our phones.

Jinyu : I did investigate first and Butler Yan take it long since you are both protected by R because you are a Ceno, well rather Butler Yan didn't get anything since it's R we are talking about so I just gamble it by calling this number today because I thought Ellyn and you might got kidnapped. (After he said that, he only heard a very loud laughing and he know who's laughing him).

Ken : Ha, ha, ha, ha k—kidnap, are you serious Bro Jinyu?

Jinyu : ...

Ellyn : Yu please ignore Bro Ken and no we didn't got kidnapped.

Jarwp : I luu ovfrcl emmtrull. (Tvur arlozpho om Bpoiuz Yfr ovfo urmpev md ovuq om vufzt ao) Bpoiuz Yfr, niuflu ouii wmpz oufql om talqallut ovu qallamr md lufzhvare Eiiwr frt Kur.

Yan : Yes Young Master Jinyu.

Ken : What the heck? You really thought that we got kidnapped?

Jinyu : Yes and happy for that huh?

Ken : Then did you call Auntie Rei, Uncle Tae or Auntie Mei since you have phone numbers of them?

Jinyu :

Ken : So you didn't call either one of them since you really thought that I and Ellyn got kidnapped. Sorry for making you worry Bro Jinyu and I thought you already know it's from me since I message it in Sean and only our group of friends knows that you like Ellyn.

Jinyu : Okay and I accept your apology but don't do it next time, okay?

Ken : Okay and by the way Bro Jinyu?

Jinyu : Yes?

Ken : I'm also a Young Master from then Jang.

Jinyu : I see

Ken : Eh, you are not surprised?

Jinyu : I'm not because when I meet your Dad for the second time, I feel familiar of him and indeed your Dad is the solely heir of Jang Corp.

Ken : I see then do you think I will become a heartless person in the future?

Jinyu : What are you talking about? I know that you are kind and nice because that's who you are and that's what your family members teaches you, just because you know that your also a Young Master, you will change to another person for that reason only?

Ken : No I didn't but you are a Young Master and you are quite a heartless person when you talk to your subordinates, right?

Jinyu : You got it right because I've been trained when I'm 5 years old but it's different for you because Auntie Rei and them have on your side, right?

Ken : Yup, yup

Jinyu : Good and then one day if you change, don't worry because I will be the first one to knock your senses out but well you never do that because you are not going to change.

Ken : Whoa, Bro Jinyu.

Jinyu : Alright stop talking to me and let me talk to Ellyn. This is Ellyn phone and not yours, right?

Ken : Tsk so your first priority is Ellyn and then me.

Jinyu : Yes but you got it wrong because after Ellyn is my family then next my friends.

Ken : Eh, then Auntie Rei, Uncle Tae, and My Mom are not on your priority lists?

Jinyu : All of them are already count as my Family.

Ken : Bro Jinyu are you sure that you are not an old man hiding inside the body of a boy?

Jinyu : Shut up

Ken : (Laugh to his heart content)

Ellyn : (Ignore Ken and ask her Auntie in Ceno) Auntie Rei, how to stop this?

Rei : Just press that highlighted one and the loudspeaker mode will be off.

Ellyn : Thank you Auntie Rei , geez Dad only teach me and Lynel once.

Rei : That's your Dad after all.

Ellyn : Yeah and Dad really forgot that his daughters are still a kid.

Rei :

Ellyn : Hello Yu, are you still there?

Jinyu : Yes I'm still here.

Then the two kids chatting for the first time thru phone conversation and stop after several minutes since Jinyu is very health conscious because radiation is bad to health condition. But then after Ellyn hang up, all of them heard another ringtone from phone and this time its Ken phone. Ken answered it right away then after several minutes, Ken reminded that someone.

Ken : Bro Jinyu, are your priorities getting wrong?

Jinyu : Why?

Ken : Because you are talking to me longer compared to Ellyn.

Jinyu : Ah, right then I'm going to hang up now Bye.

Ken :

After the call with Ken and Jinyu, at the same time the family arrived at Jun Family Residence and all of them get out from the car.

chapter 379 - The Long Awaited Day

Tae, Rei, the babies and the Kids are now inside the house. Tae is the one distributing the souvenirs to his family members then resting since they just arrives from C Country and tired from the whole travel of them. Tae and his very own family members are sleeping to his room along with Ken and Ellyn.

On the next day, the family and Rei's in laws are chatting while watching dramas as their usual routines but then suddenly Yu Mei open it up of what happened during Tae's 30th Birthday. Of course she got scolded by her parents for keeping it from the family and for what she did to the couple. She also apologizing to both Tae and Rei of what she did last month and then the couple accepts her apology well the two didn't think it heartedly because both of them understand her situation and only got disappointed of her actions but then let bygones be bygones, so Yu Mei got back to herself and promise to them that she won't do it again by keeping it from them. The three kids and the babies are still sleeping at the moment, so that's why Yu Mei expresses it. After expressing it all, she also thankful to Rei for getting a job recommendation from her and now she's been working diligently for one Month and Half after getting that job recommendation for her and promised that she will not let Rei's reputation got stained because of her poor performance. Well typical of Rei, she only replied to her that she only recommend her name, then it's her own efforts and grades that she got hired and that's the truth because Song Yue never hired her just because Rei recommend her but because of her own qualifications that she got hired. Even if it's like that, Yu Mei still thankful of Rei because she's the one who recommend her this job for her even she's treating Rei poorly during that time.

After the Family Open Forum, the Jun Family Members are now seriously watching the dramas and pretending that Tae don't have a Big Surprises for his wife.

On the next day, which is the Long Awaited Day for Tae (Dec 29), Rei wake up around 5am from their bed and only to realized that Tae is not around in their room.

"Eh, Tae?" Rei calling her husband name many times and then looking to the bathroom but only to find it out that it's empty. She got out from the room to avoid waking up the babies and the kids. Rei looking him everywhere from the house but there's no Tae presence in the house at all. "Maybe I'm just dreaming and having a nightmare" after she said that one, she accidentally hit her right knee on the center table and feel the sudden pain. "I'm not dreaming since it's hurt but where's Tae?"

Rei is very worried that she forgot to call his phone and suddenly feel sleepy that it can't help that she sleep in the couch without a blanket. At around 7am Tae's Mom got awake and only to see her daughter in law sleeping in the couch without a blanket and it's still winter season.

"Rei, Rei" waking her up.

"Mmmm" slowly waking up and notice her mother in law worried expression.

"You need to sleep in your room and not here because it's already cold since it's already winter and don't forgot that you are pregnant, okay?"

"Yeah and sorry for that one Mom"

"It's alright but what's wrong Rei?"

"Nothing Mom"

"I see then go to your room now and I will wake you up when foods are ready"

"Yes Mom"

Rei go back to the room right away and then still finding out where's Tae about. Well she's worried about Tae but she didn't forgot that she's pregnant and warming up her body because she's sleeping in the living room without blanket for almost two hours. After warming up her body, she sleep again since her body said so and just awake when her Mother in Law waking her up along with the kids. She b.r.e.a.s.tfeeding the twins first before going down in order to eat for her share because their still little one on her w.o.m.b. Tae is still not around, so she's very worried but she didn't want her in laws to got worry because of her, so she keeps it for awhile. Around lunch time she did normally but then around 4pm, she's now asking her in laws.

Rei : Mom

Mom : Yes Rei and what's wrong?

Rei : (The family including the kids are now looking to her seriously while she continue asking her Mother in Law) uhm, have you seen Tae for this whole morning?

Tia Wen : (Going to play prank on her sister in law but got glared from her Mother and then remembered her brother warning) 'Sis 3 don't ever play prank on my wife because she's pregnant and easy to believe it if it's about me. If she ask me where my about just answered her that I'm with the team' ah Rei don't worry because Tae just got pick this early morning by the team. (100% Accurate)

Rei : I see but then if Tae is with the team now then why not either of them answered my calls?

All : Eh?

Rei : I've been calling them since 1pm but no one from them answered my calls including the Team Managers and Mr. Hwang, so maybe..... (Didn't finish her sentence since her phone rings at the same time and she answered right away because the one who's calling her now since is the person she's looking for a day. She knows since she assigned different ringtones for everyone and especially for her husband only) yes Tae, where are you? Are you alright? Did something bad happen to you? Why did you leave without leaving a note to me? I'm not a clingy wife but please tell me where..... (Didn't finish her throwing a lot of questions since Tae interrupt her)

Tae : Hon I'm alright and nothing happened to me. Yes, I know that you are not a clingy person and sorry for getting you worried for the whole day but for now, can you come here in CA Entertainment Event Hall?

All : Yes go ahead Rei

Rei : Thanks

Mom : Eh, are you not going to change?

Rei : (Looking to her clothes which only plain white shirt and black loose pants) eh, do I look weird?

Mom : Nah, it's alright.

Rei : I'm going now.

All : Okay and be careful Rei 'it's not our fault that Rei only wear this one since if we said to her to wear formal clothes then she will get it right away because she's too smart'.

Rei get the car key, (Tae's car since the red car is park in their residence for the meantime), she then wear the sneakers and then leave right away. Yes, Rei just leave only with her phone and clutch purse.

Tia Wen : Whoa, Rei just leave without wearing any make up, huh.

All : Right

Ken : My Mom also like that because she will leave without wearing makeup if it's not a big occasion like work or anniversaries but then today it's a big occasion for Auntie Rei, right?

All : (Nodded)

Ellyn : Well Auntie Rei doesn't know everything since it's Uncle Tae big surprised for her and Mom is also the same.

All :

Mom : Alright let's stop chatting because we are also going there and we will make our best that Rei will never found out about us inside the hall.

chapter 380 - Big Surprise 1: Disclosure

Almost one hour after the call from her husband, Rei arrived in the CA Entertainment using Tae's car and park the car right away without minding if she park the car properly and this is the first time for her that she's park the car not in proper. Rei got out from the car right away after parking then ride the elevator to the CA Entertainment Event Hall, of course Rei didn't forgot her manners and great her fellow CA Families that she meets today.

“Ding” arrived at the designated floor and then Rei got out from the elevator. After she got out, Rei already see a glimpse of her husband and approach right away to him. She hugs him without minding the Managers and the M’dols members are still around.

Rei : Idiot, I thought you and the team got an accident because no one answered my calls.

All : Eh? (Check there own phones and indeed Rei called them many times but well Tae almost got 100 missed call from his wife)

Tae : (Not minding her clothes because this is his wife after all instead he just comfort her) sorry for getting you worried but I’m really alright.

Rei : Really? (Looking to Tae)

Tae : (Nodded and whispering to her) thank you for coming here without investigating as the other you.

[Note : The M’dols Team Managers and Members are in the backstage. So nobody witness that Rei hug Tae when she arrive]

Rei : Okay

All : Ehem

Both : Yes?

Han : Geez, are you forgetting that you are still hugging and that both of you forgot about our existence then?

Rei : Ah, that's right (going to let go but Tae stop her)

Tae : It's alright Hon

Rei :

Tfu : Bw ovu jfw, fzu wmp nzunfzut dmz f luzaul md ypuloamrl dzmq ovuq vpv?

Rei : Not at all but I well answered everything to them truthfully.

Tae : Oh, then if they ask that one about if we have kids, are you also going to answer them the truth?

Rei : Yeah but it well only depends to their questions.

Tae : Hai, hai (then Tae hug her tight but stop when the MC are now calling the Members)

MC : Alright M'dols Members you can come on stage now.

The team come up on stage right away and at the same time they are series of shouting and screams from their very own fans and heard there names from all of them. Same with the Medias since they are also busy cl.i.c.k.i.n.g their cameras. All of them are bewildered because they don't know what the purpose is and why for this sudden conference from the team.

(All fans shouting their main bias name)

Rei : Oh, that would be too bad for me because I'm only one here and I cannot seat beside all the members.

All : (Fans) right, then seat beside whom you fancy the most Manager Rei.

Rei : Whom I fancy the most?

Fans : Yes

Rei : I see so it's my own choice and will seat beside whom I fancy the most huh.

Ffrl : Yul

M'dols : 'Of course Manager Rei will seat beside Tae'

Rei : Alright I will seat in between Tae and Yun then.

Fans : Eh, then whom you fancy the most M'dols Woo or M'dols Yun?

Rei : (Answered truthfully) Tae (and everyone fans squealed then giggled for her answer.)

Fans : Kyaahhhh

Reporter 1 : (raised his hand)

Rei : Yes Mr. Reporter 1?

Reporter 1 : You answered the Fans that M'dols Woo is the one whom you fancy the most, are you perhaps the mysterious woman of him?

M'dols : 'Such a smart reporter'

Rei : I would have the right to answer that questions of yours as the Manager of M'dols but then I'm not the one who called for this conference, so Tae will be the one answering your query Mr. Reporter 1.

Reporter 1 : (Got speechless)

Rei : Reporters who are all here are free to questioned about me and not about Tae since his not yet opening for that topic.
