

Last Man 381

chapter 381 - Big Surprise 1: Disclosure (2)

All of them including the fans and reporters' questions about her meanwhile Rei answered it in at very ease manners since it's all about herself. Both fans and reporters are quite surprised and shocked because she's very fluent in Sean even though she's from C Country. While Rei busy answering there queries about her, they are also two from both Din and Jun Family members busy taking the videos, yes it no other else but its Mei and Tia Wen. Rei still not aware of their presence since both families are seating in the VIP chairs but not too far on stage. After Rei answered with the last question from the reporter, Tae interrupt them.

Report 15 : So Manager Rei, how's the team members as an artist's? Are they true to their selves?

Rei : Yes they are very true to all their selves as what you see them as an artist's and then they are also like that behind the stage but well they are some other sides of them that the reporters are not aware of it but the fans are aware of it.

Tae : Excuse me everyone.

All : (Except the Members and Family Members of the couple) Yes M'dols Woo?

Tae : I guess all of you already forgot who called for this sudden conference, right?

All : (Speechless)

Tae : Alright let's stop with that and I'm going to disclose who's my mysterious woman in my life now.

All : Eh?

Tae : That's the main purpose of this sudden conference. Well I already disclose through my very private SNS Account and from the CA Entertainment Official Website though it's only about confirming that

indeed I'm dating and today is the right day to disclose whom I dated is. Are you now all curious? (Everyone nodded) Alright but before disclosing who she is, I will tell everyone here that she's not my first girlfriend but she will be my last woman in my life because she's everything for me (hinting that they are married). I guess everyone not yet aware who were my ex-girlfriends are but before her I have 4 ex-girlfriends before and after I debuted as a member of M'dols but only then when I'm 16-17. Everyone and all of you here are all aware how busy we are as an artist's so being in a relationships are really hard for us to maintain because of our tight schedule so before I meet her, I'm so focused for the team schedules. I would never expect that I have a day to meet her and got fall in love when both of us are busy with our own career. My Mysterious Woman is none other than Ms. Din Lou Rei here, our very own Artist Manager and one of the Team Managers of M'dols.

All : Eh, Din Lou Rei?

Tae : Yes

All : Who? (Then just realized who she is and now sunken in to their minds of Tae last part of declaration) eh, Manager Rei?

Tfu : Yul

All :

Everyone either both Fans and Medias are surprised and shocked of this sudden news from him while the couple and members are just waiting for them to return back to the reality. Every one of them from the Fans and Medias are still in a daze until one of the reporters asks them a question.

(One of the reporters raises her hand and said) [For Manager Rei]

Rei : (Replied and notices something on her) yes, Ms. Reporter 29?

[Before M'dols Jun Tae Woo dating rumors released, an article of M'dols Je about dating also release first and it's also about dating, as an Artist Manager you're the one who accompanied him but are you sure that you're not cheating behind M'dols Woo back? You've been with the team for almost a year now, so maybe not only M'dols Woo and M'dols Je but perhaps you also seducing the other members.

M'dols : W..... (Rei interrupt right away)

Rei : Well you're quiet a rude one Ms. Reporter 29. Same with me you're also a woman itself and most of all you are also a beauty one so if I'm in your shoes then let me ask that one again, you're cameraman and staff are all males, so are you perhaps seducing all of them when in fact you're already engage?

[W---what? And how did you know I'm engaged?]

Rei : You are wearing a ring on your left ring finger and here in S Country means that you are engaged because in my hometown Country it means that you are married through Civil Wedding but then you are a Senian so it mostly an engagement ring.

[..... (Snuhviull)]

Rei : So Ms. Reporter 29 then how would you feel after hearing that questions from you? Are you happy hearing that kind of questions or are you mad after hearing the questions which is question by you personally towards me?

[.....]

Rei : I see and it's not good to hear, right? You're a reporter so you must be careful of what you're going to ask to your interviewee because you're going to intrude the life of them. Just because Tae disclose that I'm the one who's dating him, you already questioning me if I cheated on him because I accompanied Je for his schedule that time without even minding that I'm a Manager?

[T---that, I'm sorry Manager Rei.]

Rei : Apology accepted but you must be careful with your questions next time.

[Yes Manager Rei.]

Rei : Not only you Ms. Reporter 29 but all of you reporters here including who's not here, all of you must be careful of what you write because you don't know on how that one release statement of yours can destroy a life without even proving if it's true or not. You as reporters this is your job to release a statement of yours but before that please you must confirm it if's true or not because you don't know what will happened to those persons you got mention from your statement especially to the celebrities here, am I right?

All reporters got speechless because it's true since they just release a statement without even minding if it's true or not as long they have something to release since they only mind their own career without even minding that the one they mention from their said statement, they also striving their best to get what they want except for those who uses underhanded method since they just using the easy method and yet very dangerous one. All Fans of M'dols are in aware and got amaze of how cool she is. As for the Jun Family they got a big impression of Rei and thinking at the same thing by job well done Rei meanwhile the Din Family members only thinking at the same time by 'Rei / Sis / Sis Rei / Auntie is too strict and too blunt. The Team Managers and Members are just commented thru their mind only 'this is our Manager Rei after all and a typical of her meanwhile the Husband one just looking to his wife.

Looking to his wife and commented to his mind only. 'Hon, you are really my wife after all and I can't help it but to fall in love with you more, deep and deeper that what I already have for you.'

The Fans of M'dols who witness of how Rei looking to Tae with that kind of expressions from the both of them, they are all giggled and squealed.

"Kyaaahh" (and then said in sync) 1, 2 and 3 Just Kiss M'dols Woo, Manager Rei.

Both of the couple got speechless while blushing.

chapter 382 - Big Surprise 1: Disclosure (3)

All of them got to see their blushing face and then all of the Fans are still requesting to Rei for a kiss but then Rei is a very reserve one so she's quite shy and embarrassed for public display of affection but then after hearing it many times from them, she replied to them.

Rei : Alright but only on Tae's cheek okay?

Fans : Okay

Rei : (Kiss Tae on his cheek at the same time the Fans are squealing and giggling again, after the Kiss she ask to them) is it okay now?

Fans : Not Yet

Rei : Eh?

Fans : How about only smack Manager Rei?

Rei : Smack on Tae's lips?

Fans : Yes

Rei : That..... (Everyone is now looking to her and then Tae also anticipating if his wife will do it or not. As for Rei she's thinking of it and then why not kiss it's only a smack, so she give a smack kiss to her husband and then ask the fans again) is it okay now?

Fans : YES (Got satisfied why the reporters didn't forget to click the camera for this happenings since it's been cl.i.c.k.i.n.g non-stop)

Rei : Good and everyone here are now free to ask about me and Tae. As for this time the reporter can only ask one question per reporter either from me and Tae, are all of you agreed with this arrangements?

[Yes Manager Rei]

Rei : Good and let's start for Mr. Reporter 1 here.]

[Thanks Manager Rei and for M'dols Woo, who confess first between you and Manager Rei?]

Tae : Me

[For M'dols Woo, when was your first kiss with Manager Rei and when did you become an official?]

Tae : I and Manager Rei become official last year May 12, as for First Kiss is before I confess.

Fans : Kyaaahhhh

[For M'dols Woo, how did the two of you meet up, when Manager Rei is not yet your Manager that time?]

Tae : We meet by accident and yes she's not Manager yet during that time.

[We meet by accident, in what way and how M'dols Woo?]

Tae : As per agreed with Manager Rei only said one question per reporter.

[Ah, you're right and sorry for that one.]

Tae : No worries.

[(Follow up with Reporter 3 question) For M'dols Woo, by accident in what way?]

Tae : By almost hitting her in the Team's Car

[When it was M'dols Woo?]

Tae : During the team Fan Meeting held last year.

[For M'dols Woo, are you considering to marry Manager Rei?]

Tfu : Yul

[For Manager Rei, are you living together as M'dols Manager?]

Rei : No, I'm living separate with them since I have my own house here.

[For Manager Rei, are you allowing M'dols Woo to live in your house?]

Rei : Yes

[Are you considering of living together in the same house then?]

Both : (Answered at the same time since the reporter didn't tell who's this question for) Yes

[For Manager Rei, why did you choose M'dols Woo among the M'dols Members?]

Rei : Because that's what my mind and heart tell me to choose Tae.

[For Manager Rei, aside from M'dols Woo how many ex-boyfriends you have?]

[For Manager Rei, by the words Last Man, are you also considering to marry M'dols Woo?]

Rei : Yes

Fans : (Just giggle and squeal because they are only listening to them) Kyaahhhhhhhhh

[For M'dols Woo, what do you love Manager Rei the most?]

Tae : Everything

Fans : Kyaahhh

[For Manager Rei, what do you love M'dols Woo the most?]

Rei : At first his Voice and then turn everything when we become official.

[By mentioning his voice, are you also a fan of M'dols Manager Rei?]

Rei : Yes I am

[Are you an Official Fan or Unofficial Fan?]

Rei : Unofficial Fan because the team Fan Membership is too expensive for me.

All : (Everyone laugh because it's true)

[For Manager Rei, as a Fan of M'dols, who's your Main Bias then?]

Rei : Tae

Fans : Kyaahhh

[For Manager Rei, please rank the members according to whom you fancy the most.

Rei : Ha, ha, ha that's quite too personal for me but well I only have one whom I fancy the most and it will be always Tae, sorry guys.

M'dols : 'Are you not even going to rank us Manager Rei?'

Tae : 'Wifey, surely they will get upset of you since you're so bias with me but well I guess I like that one.'

[For Manager Rei, you're so bias towards your boyfriend but how about the other members then?]

Rei : For the other members I only like and admire them as a Fan.

[Follow up question for Manager Rei, so how did you feel when M'dols Woo confessed to you knowing that he is your bias?]

Rei : I'm really (Her mouth got covered by Tae)

Tae : Sorry Ms. Reporter 20 but that question well only be answered during our wedding.

(all of the fans giggled after witnessing how close they are now)

[Okay and this is my another question. For M'dols Woo, when did you fall in love with Manager Rei?]

Tae : From the very first day that I lead my eyes on her.

[For Manager Rei, can we hear you talking in Ceno?]

Rei : Eh?

[We want to hear how C Country spoken language is.]

Rei : Okay. (Then said in Ceno) Tae is my husband and everything for me. I can't live without him, so it's like I will become a useless machine if I don't have an operator. I love everything of him by how he looks at me and by how he always do everything for me.

Tae : (Blushing but everyone except Rei didn't notice it since it's not obvious that his blushing)

On the Din's Family side

Mei : Geez, here I thought Sis going to say that how Bro Tae make love to her since they will not understand it anyway.

Aya : Mei?

Mei : Aiyah, aiyah, pretend you didn't hear ... Ouch, what's that for Ma?

Aya : Kids are here.

Mei : They didn't understand Ma.

Aya : They are all smart.

Both : (Ken and Ren) Mom, do you also love on how Dad make love to you?

Both : (Ellyn and Lynel) same with you, Mom, do you also love on how Dad make love to you?

All : (Din's Family Members are all looking to Mei as if saying) See.

Mei : (Speechless).....

Back to Tae and Rei

[For Manager Rei, can you translate it in Sean of what you said awhile ago? (Already record it and repeat)]

Rei : (Got caught off guard but just translate it of what she said awhile ago) Tae is my husband and everything for me. I can't live without him, so it's like I will become a useless machine if I don't have an operator. I love everything of him by how he looks at me and by how he always do everything for me.

[For Manager Rei, why did you call M'dols Woo as my husband when in fact you are still considering marrying him?]

Rei : Well Tae is my husband (she said the truth but no one discovered it yet since she follow after telling the truth) then as a fan you will already calling your Main Bias as Husband and that habit of mine didn't disappear, right? (Asking the fans for confirmation)

Fans : Yes you're right Manager Rei.

chapter 383 - Big Surprise 1: Disclosure (4)

The others 22 reporters are questioning the couple one questions only about them since that was Rei said so until then all the reporters got dismissed leaving the fans left alone for having an hour of Fan Meetings or rather special meetings for them since the Team treat the fans as their treasures because they are the one who are helping them and supporting the team of who they become right now. They are the reasons why the Team is still standing tall in the Entertainment Fields because of their enormous supports. M'dols are really lucky to have a Fans like them because they will supports everything of them and they won't questions about the members actions since they respect and trust their decisions the most. Especially now, the Teams both Managers and Members expect that they will questions about how Tae / he keeps it a secret for them but instead they are accepting without asking anything. After all

the reporters got dismissed and who's now very busy for releasing the articles about this revelations, the fans are in silent and just waiting for them to speak first.

Fans :

Tae : Alright, is anyone of you here want to ask me a question or to Manager Rei?

Fans :

Tae : You've been all giggled and squealed every time you hear an answer from me or from Rei, so is there something else you want for us?

Fan 1 : (One of the fans bravely raising her hand)

Tae: Yes?

Fan 1 : C—can you give us dog foods?

Tae : If you means by holding hands then we already did since I hold Rei hands the moment she seat beside me. (Fans giggled again).

Fan 2 : M'dols Woo, M'dols Woo.

Tfu : Yul?

Fan 2 : I'm the one who discovered you that time and can you please reenact that time?

Tae : Yes and Rei?

Rei : Okay

Fans : (Giggled again when all them realized something) Eh?

Tae : What's wrong everyone?

Rei : (Looking to the screen and see the photos of them that the time that they got discovered then realized that she's wearing the same thing today including Tae because his wearing the same thing since his taking examinations for driving license and need to wear a formal clothes) Look Tae (pointing the screen)

Tae : (Looking to the screen and just realized that his wife wearing the same thing. As for him, he wear it on purpose for this special occasion because it his favorite suit and then said to his wife which already copied the habit of her) aiyah, aiyah I've never expect that Rei is wearing the same thing with me and I guess we really become one, huh.

Rei : Idiot (then hug him because she got shy)

Tae : Wait for a minute guys since Rei got shy here and we can't reenact this one because of Rei shyness. (Then feel a slight pinch from his wife and he just laughs while the fans and co members are shocked and surprised because of Tae) are you alright now to reenact this one, Rei? (Rei nodded and then the two reenact it again in at ease that cause for the fans to squeal and giggle more) so then what are we going to do next?

Ffrrl : Kall, Kall, Kall

Tae : Me or Rei?

Fans : M'dols Woo kiss Manager Rei, please.

Tae : Okay but I won't kiss on Rei's cheek

Rei : (Just looking to him as if saying 'we're in public, silly')

Tae : (As if he understand his wife) can't help it since the M'dols Fans are requesting it.

Rei :

Fans : Kyaahhhhh

Tae : Alright what kind of kiss you want?

Fans : A passionate and romantic kiss, M'dols Woo

Tae : Okay (then looking to his wife who's now blushing) let's count it as a fan service of them, Rei.

Rei : Y.....(got interrupt since Tae already kissing her in a very passionate and romantic kiss for the first time in front of fans and without her knowing, to her family and in laws, at the same time because of how Tae kiss her, she response his kisses and wrap her arms around his neck then just realized that they are in the event hall with the fans after hearing their loud squeal)

Tae : (Release the kiss before he lost control of himself) alright that's all for the kiss and I also have something for Rei.

Fans : Eh?

Rei : (Just looking to him while blushing)

Tae : (Let go his wife first then get the guitar but before playing the guitar and singing only for her, he said to her) My Rei this is for you and I know how you love my voice so I will let you hear my voice so that you can fall deeper to me then.

[Note : Tae singing from the bottom of his heart. This is a song toward his wife Rei, a song which is only a composition of him alone and exclusively. Not only composition because he is also the one who lyrics and arrange all of it. It's a song that shows on how deep of his love to his wife, how he meet his wife, how he sneakily following and stalking him, how he steal a picture of her and last but not the least on how he kiss her picture. Tae singing to his all heart content the moment he got kiss to her for the first time and then when they become a couple. It's a song about him and his love to Rei]

After singing to his all heart content, everyone including the members and their family members are now crying because they can feel the whole emotions towards the songs and how he sings, of course Rei is not an exemption one because this song is for her.

Tae : (Put the guitar first and then approach his wife) I song this one for you to let you know how I love you and not let you to cry.

Rei : Silly (hug him right away without minding the fans and said that she forgot that her microphone is still on that everyone heard it and understanding everything because she said in Sean) silly, I'm not crying because I'm sad instead I'm crying because I feel your emotions for the whole song and on how you sing this for me. If singing really loves me then I will also replied to you by singing but well too bad for you because your Rei is not a good if it's about music and arts, so I will only response to you through words. I Love You Tae and I will do everything for you.

Tae : I know and are you aware that what you said right now we're all heard by everyone here?

Rei : Eh?

Tae : Tsk, tsk My Rei is a genius and capable woman but when she's with me, she will really a weak and fragile woman that I can't help but need to always protecting you.

Rei : (Speechless while blushing)

All : (Also blushing and they can't take it anymore because of how sweet the two are)

chapter 384 - Big Surprise 2: Following his wife beliefs

The fans are chatting and talking to their main bias as if they have a Fan Meeting tonight. The almost forgotten existence of the members are now got their attention by their fans since they can't take it anymore of witnessing of how sweet they are but only until they are alright since they just let their heart calm down first before it explodes for too much sweet from the couple and then again after making it's alright now, they are now asking something to the couple after making sure that they can take it already. Almost an hour, the meetings with the fans got dismissed and then the teams are now in the parking area. Both Managers and Members including Tae just realized how messy Rei park the car when all of them know and aware of she's too proper of parking the car.

Rei : (Realizing their reactions, she said to them right away) well I thought something happened with the teams especially Tae since no one's answered my calls so I just being hurry to go here and park the car just like this one.

All : (Speechless)

Tae : Alright Managers and Guys, we're going now.

All : Okay and be careful

Tae : We will and Rei pass me the key.

Rei : (Give the car key to him) here.

All : Eh, you know how to drive Tae / Bro Tae?

Tae : Ah, right I forgot to mention that one and yes I know how to drive because my wife teach me very well.

All : Show off (then all of them left and separating there ways since they are still on breaks but without knowing for Rei they just left right away because they were also going to the next venue.)

"Let's go now Hon."

“Okay (Tae drive at ease and then when they didn’t turn right on the way for the Jun Family Residences instead just go straight, she wondered and question her husband) eh, we’re not going home yet?”

“Yes”

“I see so then where are we going now?”

“You will know it when we arrive there but first you need to wear this one (give the blindfold to his wife)”

Accept the blindfold “okay and so when I’m going to wear this one?”

“Right now since we almost there”

“Okay” then wears the blindfolds while said to him “then guide me well, Dear”

“Of course I will”

Several minutes they arrive and luckily Rei already covered her eyes or else she will know where Tae bring her tonight. Tae park the car first and then get off first before going to the passenger seat and assist his wife. Rei got out from the car that assisted by her husband and then the two walk to where they are going. Tae entered the premises right away and then led his wife by walking and then ride at the elevator. Around 5 minutes, they are now arriving at the function hall where he led his wife. Everyone from the Jun Family Members, Din Family Members and M’dols Team, of course including Mr. Hwang are now hiding somewhere but they are now in the same place with the couple. The room is in dark since the light is not yet on because it will ruin his surprised for his wife because of the decorations. The one that you can only see it’s a projector and a video but got pause since Rei is still under blindfold for a moment.

“Hon, from here on this my next surprise for you”

“Eh?” Got confuse but then her blindfold got taken by Tae and the moment it got take off, she see a video.

A video that Tae got baptize with the same belief of her and after 15 minutes of the said video. Tae get something to her.

“This is my baptismal certificate Hon. I know you accept me fully knowing that we have both different beliefs but then I want to join with you, I want to attend the mass along with you and every you visit church, I will always accompany you. I didn’t discuss you this one because I want you to surprise for this decision of mine. The Jun Family Members already aware of this decision of mine the moment I introduced you to them personally. I got baptize last October and after you give birth to the twins. And this is the reason why I leave early in order to claim my baptismal certificate aside from that I still have something important and you will know later what is it, I did it with my solely own decision not just because you have this belief but rather I did it selfishly because I always want to be with and always stand at your side”

Rei accept the certificate of him without looking and listening to him before giving a tight hug for her husband.

“You’re hugging me so tight and you’re pregnant Hon”

“I know but then you did everything for me Tae and I guess I didn’t do much for you, you.....” She got cut off by Tae.

“No Hon, you already do much for me, remember next year I will be away you for two years and you’re also going to give birth to our youngest without me at your side. You will also raise our 3 kids for 2 years without me around. Of course by owning you as mine are your greatest gift for me, okay?”

“Uh-uh” then Rei hug her husband again.

The couple is still silent at the moment while hugging with each other until Rei remembered something. She didn’t let go the hug instead ask her husband right away.

“Think about it Dear, I’m the Time Manager, so how did you sneakily got out from my sight then?”

Kiss her head and replied “silly, even we already legally husband and wife for almost a year, we are not living together and of course I got sneak out because you’re not staying with the Team House though it’s quite hard for me since you’re too smart for your own that I’m afraid that you might discover it already. So you didn’t know about this matter huh?”

“Yeah I’m so blind with it and I don’t have any clue at all”

“Lucky for me then” Lucky for him that his wife didn’t notice that he already got baptize for the same belief of his wife and lucky for him that his wife is not yet aware what type of room that they are now.

“Eh?”

Didn’t answered his wife instead he let go the hug from his wife and just said directly to her while looking at her lovingly “and now this is for my last surprise tonight Hon.”

chapter 385 - Big Surprise 3: Proposal

Hearing that one from her husband Rei really got bewildered because her husband still have surprised for her when in fact he already disclose their relationship to everyone thought it’s only about dating and not the marriage thing but at least they already know that they’re in a relationship and both considering marriage without knowing for fans and Medias that they already registered their marriage for almost a year. Then now joining her beliefs and she already knows that Tae did everything just for her that she can’t repay it anymore so she only promise to herself that she will do everything for Tae and love him for the rest of her life. After hearing that he still having last surprise for her, she asks her husband.

“Eh, you still have last and another one surprises for me?”

“Yes Hon” and then Tae kneel in front of her before getting the ring to his pocket and propose to her properly. “I know that when I propose to you last year it’s very unmanly of me and we know what it is but even its unmanly for me, my love for you will always surpass in what way I propose to you Hon. You know how I did fall in love with you and you also know how much I love you Hon. We already registered our marriage and we already married for almost a year then already a parents of our twins and to our incoming baby but still I want to propose you in a very appropriate and proper way. I always said to you I love you but words it’s not enough so I did everything to show how much I love you. I never expect that in just one glimpse to you on the very first day that you land here in S Country, you already caught my

heart and no way for escaping it as if you got me in the cage. I've become a stalker of you for two years by visiting you from the business department if our team happens to be here and have breaks. That time I only think that by seeing your smiles and knowing that you are safe is already enough for me but then our destined to be with each other is really strong because you almost got hit by our team car and yet it happened that it's only me not with team around who ride it. That day was my most unforgettable moment because that's the first day we interact with each other and then I've become selfish so I did ask to become my friend but then again my love for you getting stronger day by day so I did confess to you and then we've become an official couple. Day by day I always fall in love more with you and then d.e.s.i.r.e for you to become my wife. You did accept me fully without minding that I'm so very busy and an artist one. We got married without properly proposing to you and then this is it, the day comes for me that I'm now properly proposing to you.

The moment I saw you, I knew you're the chosen one for me. The word I love you is already stamp and sealed in my heart. You are the only one who understands me even more than myself. You are the only one with whom I can share everything, even my personal secrets. I want you to be with me always. With this ring, I gave you my heart. I promised from the day forward, you would never walk alone, my heart would be your shelter, and my arms would be your home. Love is not a word to say. Love is not a game to play. Love doesn't start in January and ends in December. Love is yesterday, tomorrow, and forever because you will be mine to the eternally and for the rest of our life.

So stay with me, and hold my hands until they're tanned and truly creased. Stay with me, and always stay beside me, so Ms. Din Lou Rei are you willing to be with me and become my lawfully and legally wife for the rest of our life? Are you willing to become my Mrs. Jun and become the mother of my kids? Are you willing to marry this Jun Tae Woo here who's now proposing to you and asking your hand to become fully mine?"

Rei just got out of words, so she only hugs her husband and gives a very passionate kiss to him. Yes, she kissed Tae by cupping his face, bending her body then kisses him while Tae still one knee kneeling in front of her. When they're out of breath, Tae ask his wife.

"Neh Hon, I didn't heard you're answer you know and why are you crying?"

"..." Got speechless for a moment and then answered right away "Yes Mr. Jun Tae Woo and no matter how many times you will propose to me and even if we reincarnated my answer will be always YES and you're the best husband for me. I'm crying because you've already done everything for me."

"Well this is for you at all so it's worth it of what I'm doing everything because its only for you but how about the ring, are you not going to wear it?"

“I’m going to wear it but you’re the one putting the ring to me, okay?”

“Okay” gets the ring and then put to his wife finger. He stands and then asks “how about the decoration of the function hall then?”

“Eh?”

“You didn’t see the decorations yet?”

Rei shaking her head and then just notice that the floors have pink rose petals scattered everywhere. Not only pink rose petals but they’re also pink and light blue flowers that got spelled their names like Ms. Din Lou Rei love Mr. Jun Tae Woo and then the function room that they are in is filled with their pictures not kissing though. She also notice that they are love songs backgrounds in the room but she didn’t heard it at first because her all attention is only focus to her Dear husband. The projector screen which showing the video awhile ago on how Tae got baptized for her same beliefs is now a picture of the two of them, which is their marriage registration picture and the two both wearing white. And last but not the least, she notice that there’s a banquet in the center of the function room.

“Eh, this banquet is for?”

“Yes Hon we are celebrating being engaged and with everyone here”

“Eh, with everyone you mean my family members and your family members then?”

“Yup yup but you forgot my teams and Mr. Hwang Hon.”

“.....”

“Everyone you can come out now and thank you for hiding very well”

“.....”

Rei got speechless when everyone got out and then she got teased by Mei so in other words they just witness everything but she didn't feel embarrassed at all because her feelings right now is full of emotions and overwhelmed because of Tae. She explodes by crying and Tae just hug her.

chapter 386 – Family Members Banquet

At the moment, Rei is still crying because of what she just got from Tae and everyone just observing the couple because Tae already consoling her.

“You’ve become a crybaby Hon and don’t forget that you’re pregnant, okay?” He consoling her while wiping his wife tears.

“Yeah I know but I can’t control my tears because of what I feel right now”

“I understand and let’s take a seat first, okay?” Rei nodded and then every one of the family members are now all seating now.

After several minutes, Rei already done releasing her all emotions and feelings of being love, she then asks her Dear husband since she just realized something.

“Neh Dear, my family members and you’re in laws are all here, so it means that we’re having a wedding ceremony then?”

“Yes Hon”

“I see”

Mei : Sis, can you be at least be dumber for only once, huh?”

Rei : (Speechless)

Tae : It's alright Mei and I already know that my wife will notice it and so now Hon, are you not going to ask me when we are having our wedding ceremony then?"

Rei : Knowing you it would be our first marriage anniversary so it will be on January 02 and you did it because you will be get enlist on May 28, so you want to disclose that I'm already yours and your wedded wife, right?

Tae : Uh-uh and you are right but I already plan this after we registered our marriage.

Rei : Thank you Dear and you are really the best husband after all.

Tae : (Got speechless and blushing)

Mei : Hey, hey are you all aware that we are still here and by the way Sis, it's only your views because My Husband here is the best Husband after all.

Aya : Nah, among the best of the best, Your Father is all the best husband after all.

All : (Speechless then return to reality) thanks Ken

Ken : You're welcome.

Tae : Alright everyone let's eat our dinner now.

And everyone from them, are now eating while having a talk then chat without mentioning the wedding or rather it's only a talk between the Jun Family Members to Din Family Members then to to the Teams only. This time Seo Bum is now officially the wedded husband of Wei An and then he talk seriously because there's another else present in here and that's M'dols Teams. The family members are talking and also with the teammates.

San : (Suddenly asking Tae in very quiet manner) Bro Tae, Bro Tae.

Tae : Mmmm?

Tae : In your views only San since my Rei here is the most pretty in the world. Ah, right she's also one of our unofficial fans and just guess of who's her main bias is.

San : Eh she's our unofficial fans? (Tae nodded) then her main bias is Bro Bi? (Tae shaking his heads) eh, then who is it?

Tae : (Disturbing Mei who's chatting to his Family Members) Mei

Mei : Yes Bro Tae?

Tae : Your Main Bias San just told you that you're more pretty compared to my wife here.

Mei : (Suddenly blush and got speechless)...

Tae : San, my sister in law main bias is you and have you forgotten that Ken here just ask your autograph during my twins baptism and have picture of you, right?

San : (Also blushing) Bro Tae?

Tae : It's rare for you San to get blush just like this but well too bad for you because my Sister in Law was already married a long time ago.

Rei : Don't mind with Tae just now San and Dear, why are you teasing San, huh?

Tae :

Mei : (Already got back to herself) Whoa, I didn't know that you're a teaser Bro Tae but well maybe you got it from my boy Ken here since he already staying here for 7 months by now.

Rei : Nah you're wrong Mei since Tae already a teaser before Ken staying here.

Both : (Tae and Mei smirking after hearing that one from Rei then ask in sync) in what way that I'm / Bro Tae a teaser Hon / Sis?

Rei : (Speechless while blushing)

Mei : Ha, ha, ha, just kidding Sis but well I know what's your thinking right now because you're my sister after all.

Rei : Stop with that one Mei (and Mei only laugh then back chatting with the family members of both Jun and Din)

The family members of Jun and Din are again chatting with each other, same with the teammates and the kids are also talking with Jia meanwhile the Jun couple is also whispering to each other.

(Whispering to his wife) "I didn't hear your answer Hon so in what way that I'm a teaser, Hon?"

(Whispering to him back) "Silly you are really asking me that one huh when in fact you already know what is it."

(Guessing and in whisper) "Don't tell it's about love making then?"

"....." Rei got speechless but then luckily he didn't said it loud and just pinching his partner lightly.

Feel the pinch from his wife and suddenly announced from the family members and teams "ah, by the way everyone I and Rei are going first, okay?"

All ask in sync including Rei "eh, why?"

"Common everyone and I think you already know what is it, right?"

Everyone nodded except Rei and the kids since they didn't get it of what he means.

"Let's go Hon and you will know it later."

"....."

chapter 387 – New Year's Celebration

Rei got speechless of witnessing Tae's reaction this time since they leave right away, though he didn't forgot that his wife is pregnant and she already guesses it of why he is acting like this. Tae start the engine of the car the moment that Rei got seated safely from passenger seat and drive on their way home, the Jun Family Residences. Then she got it right because the moment they arrived from the Jun Family Residence, Tae carry her right away and lock the door of his room in the house then attacking his wife. Without Rei reminders, Tae did it gently because he is still aware that his wife is pregnant with their youngest child even he already got filled with d.e.s.i.r.e to be with his wife. After being satisfied for the last 5 rounds the couple is now laying on the bed and already done cleaning up. Rei laying her head on top of his c.h.e.s.t while Tae circling his arms to her waist.

"Are you not asking me about our incoming wedding ceremony Hon?"

"I trust your arrangements Dear and no question from it because I also know that my husband is also a smart one and good with planning. Remember you're also the one planning for baptism of our twins that it's very a well planned and very good. So knowing that the twin's baptism is already like that then how much more if it's for your own wife, huh?"

"I see so then you must anticipate it and by the way all of us from both families will be celebrating New Year at Class A Hotel then on the next day would be our wedding ceremony."

"Okay"

"You will only show yourself for our church wedding and you don't do everything because I already got you a makeup artist, hairstylist, a dresser and everything that you don't need to do anything."

"Okay and how about you Dear?"

Tap her head and said "silly, you won't meet me on that day because I'm also assigned in another room because I will also need myself to groom myself very well to you as your Groom and we only meet at the church. Of course you're going to walk in the aisle first before meeting me."

"I see and how about my wedding gown then? I didn't see it at all".

"Of course it would be a surprise for you so you didn't see at all."

"Okay" then hug her husband "Tae thank you and I love you"

"You're welcome Hon and I also love you."

Rei slowly touching his c.h.e.s.t, moving up and down as if seducing her very own husband and then asking him about something dare "neh Tae?"

"Mmmm?"

“Let’s do it again and it very slow motion because I want to feel all of you.”

“.....” Got speechless but then comply his wife request.

On the next day, both family members are in the Jun House Residence and only watching dramas while planning for the New Year’s Celebration. Everyone is suggesting how are they going to celebrate the New Year and then making a final decision before watching another drama then eat their lunch earlier since in the afternoon they are now going to Class A Hotel for their new year celebration with both Family Members.

For the first time both of the Family Members either from the Jun and Din, they didn’t prepare any foods for the New Year’s celebration since it’s already catered from the hotel. They arrived in the hotel and just doing nothing since they will only wait for the foods that going to serve by the Hotel Personnel on New Year’s Eve.

December 31 at around 11pm, the foods are now all ready and the family members are now waiting for the time of 12am to strike. The family members are chatting while waiting for the time; of course they are drinking any alcoholic beverages now since the wedding will be on the next day but then except for the three ladies in them since they are pregnant. While drinking they are chatting and they are celebrating the New Year celebrations for two reasons; first welcoming the New Year and second a big event for them, the Jun and Din wedding.

All from the Din Family Members are all wearing pink because this is the color of the year and coincidentally pink is also one of the motifs for the wedding of Tae and Rei. As for the Jun Family Members they are only wearing formal clothes as their celebration for New Year.

Only few seconds left before the New Year so then the family members are now counting down and then greeted together with Happy New Year to each other while watching the Fireworks Display provided from the Hotel since they’re always having Fireworks Display every year for New Year celebration. After watching the fireworks display, the family members are now eating and then digest the foods before sleeping. The Jun Family Members are occupying the room VIP Suite 101 while the Din’s Family Members are occupying the room VIP Suite 102.

On New Year’s Day all from the Jun Family Members are all busy because they are now checking everything if they forgot something or they have everything ready now, meanwhile the Din’s Family Members are just doing nothing. In the afternoon around 1pm, Tae excuse himself to his in laws and

wife because he wants to help his Family Members, the Jun. Meanwhile as for Rei, she also asks something to Mei and has small surprise for her husband.

After making sure that the gown, suit, dresses and tuxedos are intact; that the entourages, the sponsors and the guests are all coming; that the caterer and venue hall are all set; and last but not the least after making sure that the makeup artist, the hairstylist and the dresser are all confirm that they won't be late tomorrow, Tae got back to his wife tiredly. He checks everything because he doesn't want to miss something because it's for his wife after all. Tae got an event organizer but he is also doing it for him in order for tomorrow will be perfect day for them because it's a big event for him and Rei that it will be only happen at once since you are not having this wedding ceremony again unless the two got separated and got married again but then two will not allow divorce in their married life because they already make promise with each other that whatever it is they will face it together.

Around 6pm, Tae got back tiredly to the Din's Family side. Rei just hugging her husband in order for him to get recharge and re-energize without minding her family members since she only hugging him and not doing intimate to her husband in front of them that it's not appropriate to see especially to the kids. After making sure that Tae already back to himself, Rei let go of her hug to Tae, invite him to eat dinner and then they eat together. Once again they need to digest the food first before sleeping.

chapter 388 – The Wedding of Tae and Rei 1

On the next day, around 4am everyone from either the Din's Family Members and Jun Family Members are now fully awake and of course already done bathing for the preparation. Tae remind the Din Family Members and for the first time mentioning about the wedding with Rei's around this time since it's their Wedding Day now. As for the twins babies they are still sleeping at their Grandmother Aya and Uncle En sides.

“Hon, they will be here around 4:30am, okay?”

“Okay”

“The Event Organizer will be calling everyone from your assigned room and same with the kids, okay?”

“Okay Bro Tae / Uncle Tae”

“Good and Hon be careful”

“Silly and yeah I will”

“Let’s meet at the church then”

“Okay and see you then.”

“I’m going now” he only leaves the room after kissing his wife forehead.

As soon as he left, the event organizer are calling everyone attention and now they are separate to their assigned room such as groups of entourages, the primary sponsor, the secondary person and Rei just stay in the same room since the makeup artist, hairstylist and dresser will be here to their Hotel Room.

For the whole two hours, everyone and all of them are now all ready. Rei already wearing her wedding gown and now riding to her bridal car’s while the entourages for bride also riding in the Van and same with the entourages for groom are also riding in separate van. They are now on the way to SAC Cathedral Church since the wedding will be commencing at exactly 8am.

At exactly 8am, the wedding ceremonial rites for Tae and Rei are officially commencing. The Wedding Initiator and the Wedding Ministers walk to the aisles first, and then Tae entered first as the groom, followed by Yun as the best man, the 4 M’dols Members and Atty. Kei as the groomsmen, Tia Wen as the Maid of Honor, the 4 co label mates Actress and Xie Lu Lou as the Bridesmaids, Ken as the Ring Bearer, Ren as the Bible Bearer, Rui as the Coin Bearer, the flower girls and escorts then finally Rei the bride.

Rei wedding gown is very long at the back and ball gown style, from her hand to shoulder it's a silk see through, laces from her neck to above her c.h.e.s.t and then from c.h.e.s.t to her feet is crepe fabric white wedding ball gown along with her long wedding blusher veil with tiara. Rei hairstyle is very simply by wrapped in a low bun, complete with face-framing locks and gilder floral hairpiece. As for her makeup she really stands out with stunningly defined features, pull off something similar by opting for strong brows, nude lip and rich eyeliner. Of course her flower pink bouquet that full of hydrangea and garden roses left an impression. Rei slowly walking in the aisles and then when she reach with Tae who's now wearing dark blue suit and hair kept, the two holding hands and now standing in front of the Wedding Initiator.

The wedding ceremonial rites start with the rites and prayer.

We are all gathered here in the presence of Heavenly Father, Family and Friends to unite Din Lou Rei and Jun Tae Woo in their matrimony. Marriage is an honorable estate, and is therefore not to be entered into lightly, but reverently, advisedly, soberly and with Heavenly Father's blessing. Today, they will receive Heavenly Father's greatest gift; another person to share with, grow with, change with, and be joyful with and to stand with as one when in trials and tribulations enter their lives. It is fitting, therefore, that we should on this occasion begin by asking for God's blessing on this marriage of Din Lou Rei and Jun Tae Woo.

Let us pray.

Heavenly Father, we gather to celebrate your gift of love, and it's presence among us. We rejoice that these two people have chosen to commit themselves to a life of loving faithfulness to one another. We praise you, Heavenly Father, for the ways you have touched our lives with loving relationships such as Din Lou Rei and Jun Tae Woo, and we give thanks for the special love and friendship you have put in their hearts. Renew within us an affectionate and loving spirit. Enrich our lives with the gracious gift of your love so that we may embrace each others with that same love. May our participation in this celebration of love and commitment, give to us a new joy and responsiveness to the relationships that we cherish. In your loving arms we pray.

You may all be seated.

Definition of Commitment

Marriage is a joyous occasion. It is connected in our thoughts with the charm of love, the warmth of home, and with all that is pleasant, as being one of the most important events of our lives. It's sacredness and unity is the most significant and binding covenant known in human relations.

Din Lou Rei as the bride and Jun Tae Woo as the groom, let me charge you both to remember that your future happiness is to be in mutual consideration, patience, kindness, confidence and affection. It is the duty of each of you to find your greatest joy in the company of the other; to remember that your love pledged today must remain undivided for a lifetime.

It is your duty, Groom, to be to Bride, a considerate, tender, faithful, and loving husband: to support, guide and cherish her in prosperity and trouble; to thoughtfully and carefully enlarge the place she holds in your life; to constantly show to her the tokens of your affection, to shelter her from danger, and to love her with an unchangeable love.

It is your duty, Bride, to be to Groom, a considerate, tender, faithful, and loving wife; to comfort, guide and cherish him in prosperity and trouble; to give to him the unfailing evidences of your affection; to continue making the place he holds in your heart, broader and deeper; to support him, value him and work with him to make your marriage the very best that it can be.

When all of them arrived in the Reception Venue at Class A Hotel which they are in the same place where Tae give his wife a proper proposal, so the pictures of that day remain in the hall and only the said decorations got to change because it is now filled with table and chairs for the guests of them, of course, they are also seats available for the newlywed couple with a heart frame design.

The receptions commence officially by showing their wedding invitations as proof that they are get invited and the invitations for them also indicate how many they are and where there assign seats located since the coordinating team is telling the guests of which table they're seated at. The seat arrangement is also group by their guests, both family members of the couple are at one long table and the same with the sponsors since they are also seated at other long tables. As for the teams, they are the only table for 4 since the other members are all part of the entourage. After settling all of their guests for the newlywed couple the program are now officially commence.

Ms. Mika and Mr. Li Hu Bi,

Ms. Mina and Mr. Han San Hu;

And last but not least Ms. Xie Lu Lou and Atty. Kei" introduced by MC Jay

“My, my, our bridesmaids and groomsmen’s are such a group of pretty and handsome just like our newlywed couple here. Alright to become it more fun I would like to requests for this entourage to show their dance moves before taking seats to their assigned seats”

All of the 4 actresses and Atty. Kei is glaring to MC Ron after hearing it while the 4 M’dols Member and Ms. Xie are showing their dance moves.

“My, my, such a serious glared from these beauties and from Atty. Kei. If glared can really kill a person then I’m already dead and can’t finish my job here as the host of our newlywed couple. Alright, let’s now welcome our flower girls and their escorts.

Mr. Li Jinyu and Ms. Din Ellyn,

Mr. Min Yuhan and Ms. Din Lynel;

And last but not least Mr. Li Jinxi and Ms. Hu Ji Jia.

As for the Ring, Bible, and Coin bearer let’s welcome here our little handsome boys Mr. Jang Ken, Mr. Jang Ren, and Mr. Jo Rui.”

“That’s right MC Ron and our groups of entourages are really on par with our newlywed couple, so then let’s welcome our newlywed couple Mr. Jun Tae Woo and Mrs. Jun Lou Rei”

The couple enters and both of them wearing their 2nd sets of clothes, Rei wearing a Pink Neck Sheath Dress and Tae wearing a blue tuxedo. When they enter the pink rose petals are scattered everywhere as if it’s fallen from the skies and then the background music that solely sings by Tae along with photos playing from the projector screen.

“Whoa, what a pretty Mrs. Jun Lou Rei is but well too bad for us since she’s already the wedded wife of Mr. Jun Tae Woo here and our newlywed couple here is such an art that just got out because we can see how pretty and handsome they are. So now let’s request for Mr. Jun and his mother to dance first and followed by Mrs. Jun and her mother.” Commented and said by MC Ron.

They dance and then afterward Aya gives Rei to Tae for their first dance together as a married couple.

“Alright let’s cut the first dance of our couple now or else our guests here will go berserk since they are now all hungry.”

“Geez MC Ron and I guess it’s you who will go berserk first.” Everyone laughing at his comment and he continues. “Alright, let’s now request our couple for the cake cutting.”

Rei and Tae stand at the same time then go where the cake located and they cut it together. While cutting the cake they heard MC Ron comments.

“By the way MC Jay, the event organizer instructs us to skip the wine/champagne toasting for our couple here, perhaps, is our bride here already pregnant since they skip this part?”

“Why are you asking me this one? You need to ask that directly to our newlywed couple here and are you, paparazzi, perhaps, since you’re asking a very private matter for our couple here?”

“Geez I’m just guessing it and you’re really such a serious man since you answer like that.”

“.....”

“Alright and in order for our guests will not go berserk, so now may I request for our newlywed couple to go back to their seats and remains stand. I also request that for everyone here to please stand for our thanksgiving prayer for this gathering”. Everyone stand and he starts his thanksgiving prayer.

“Thank you, Heavenly Father, for bringing Mr. Jun Tae Woo and Mrs. Jun Lou Rei together in such a happy way. We ask the worlds to bless this couple and their future together. May happiness and joy be a hallmark of this newlywed couple for their relationship and going stronger day by day. As they explore their love for each other, establish a home, and build a life together, may they be strengthened by the love and encouragement of those gathered here today. If times get hard, may they remember the commitment they made today and the joy that brought them together. Help them to learn from one another and grow strong as both individuals and a couple. May the food we eat now bring strength to us, and may we all enjoy this time of celebration and friendship.”
