

chapter 391 – The Wedding Reception of Tae and Rei 2

MC Ron is the one leading the thanksgiving prayer and after then, as a signaled, all the waiters and waitress of El & Lyn and Family Restaurant are now serving the foods. After the foods got served they are now eating and while eating the teams are singing together along with Tae, followed by the duet of Ellyn and Jinyu then last but not least Lynel and Ren.

“Whoa, who have thought that most of our entourages are really good and pro in singing and it will be complete if these 4 beauties along with Atty. Kei also performing. Tsk, such a waste of beauty if they are not going to sing.” Then again they glared at him “alright, alright and I know why. So then since most of us here already almost done eating so then let’s play a slideshow for our newlywed couples pictures but well looking to this hall, they are a lot of pictures of the couple hanging on the wall. Geez, are they going to feeds all single here dog foods?”

“I wonder why you are part of being the host MC Ron but well for now both I and MC Ron here will give a short line of speeches. So now Mr. Jun and Mrs. Jun, congratulations on your wedding and you may continue loving each other. Don’t be get swayed by your obstacles as a married couple and face it together because you are now married to each other, so you always remember that you are now with each other.”

“That’s all?”

“Yes”

“Tsk, tsk such a serious one. Alright, let me ask this one to Mrs. Jun here first.” Looking to where Rei seated and notice that she nodded her head. “Thanks, Mrs. Jun and everyone if you might don’t know about this one but I will always remember it since I ask her about this one a few years ago during her Live Interview with us, so now may I know the answer of who’s you celebrity crush, Mrs. Jun?”

“Eh, you still remembered that one MC Ron?”

“Fortunately Yes Mrs. Jun”

“It’s not obvious of who’s my celebrity crush is?”

“Don’t tell me it’s Mr. Jun then?” Rei nodded while blushing “whoa what a wonderful for you to marry your celebrity crush, Mrs. Jun. Congratulations to both of you and you may continue loving with each other. For now, let’s request all our single ladies guests here along with the bridesmaids to stand at the center and not including kids for the tossing of our bride bouquet”

All of the single ladies participate and stand at the center of the hall and then Rei tosses her new set of bouquet since the other which is the original one is for her keepsake. Everyone is trying to catch the bouquet but then they are not really destined to get the bouquet since it really got fallen with the two ladies who didn’t even try to get effort by catching it.

“Whoa, our newly join Musical Actress Ms. Xie Lu Lou and Manager Su are the ones who got the bouquet without even doing their efforts to catch it. So then since they are two ladies got it then we may request again Mrs. Jun to toss it again and let them catch it.”

Rei accepts the bouquet from Lucy and then she tosses it again this time the two are trying to catch it. The bouquet is really destined to be with Ms. Xie’s hands after all.

“Ha, ha, so it’s really you Ms. Xie and for now the tossing of garter will be next so now may I request Mr. Jun to remove that garter from your Mrs. Jun. And then we may request for all singles gentlemen’s guests here to gather at the center of the hall for the tossing of the garter.”

All of them participate and stand at the center while Rei pulls her dress to just above her right knee and extends her leg in order to expose the garter for Tae. Tae kneels in front of Rei and removes the garter from his hands. Then Tae stands in front of the single men gathers in the center with his back to them and then toss the garter right away.

“Look, MC Jay, this time this man here didn’t try his best to catch the garter but then the same with Ms. Xie here that both the bouquet and the garter are really destined to be within their hands and now Atty. Kei please invite us later if you happen to get married to our Ms. Xie here.”

“Yeah and supposed to be Atty. Kei will place the garter to Ms. Xie but then in order to avoid receiving a legal letter and action from Atty. Kei so then let’s skip this part so both of you will keep the bouquet and garter as your keepsake for this occasion.”

“Well, I can also request that one to Atty. Kei but knowing him personally then I will agree with you this time MC Jay and now for the last part of our game let’s have a game here. For now, here’s our last game but not the last since we still have one, MC

Ron here will pick a command from this bowl and I will read it out loud while our newlywed couple here were going to chose from the guest to perform the command that I pick.

[Where's the newlywed couple here first meet?]

Fan: They meet by an accident and it's where the Fan meeting got held.

[How long has the couple been dating?]

Fan: M'dols Woo said that they've been dating last May 12 so now they've been dating for almost 2 years."

"Alright for part 2 of the last segment of the program we are now asking the couple on how the two meet and share their love story to us on their own point of view followed by their surprising present for each other so who's going first." Tae raises his hand. "Alright, you may go first Mr. Jun.

Tae telling all of them to their guests about how he falls in love with Rei and how he meets her by that accident that it's like a planned of him but it's not since this is there destined to meet. Of course, he didn't tell that they're starting a trial relationship first because everyone might think that his wife is easy to get since they only have 3 days trial relationship. He also didn't disclose that they already registered their marriage for almost a year and about the twins in order for them to get free from interviews although they don't have any media representatives got invited for this occasions for sure the news of them already scattered since the game I spy awhile ago and it will become scattered. Afterward, he stands then said to his wife.

"I meet you and know you first as Secretary Rei, then become my friend Rei, my girlfriend Rei, My Love Rei, and now my wife Hon. This is for you" then Tae singing again in front of his wife and then hug her.

chapter 392 – Rei Point of View

Tae already has done with his speech and now Rei stand, she only gets the microphone from the MC since she's now facing Tae and telling her side story.

Rei also telling her own point of view on how she loves Tae and the same with her she didn't disclose about their registration of marriage and the twins but she did disclose their trial relationship.

=== Rei Point of View ===

“Dear, I know you already know about this one story of mine but then I want everyone to know how I love you because I’m proud of you that you are my husband.

I already notice you when I’m 16 and you’re turning 19 at that time though it’s only through TV Screen that I know about you because I’m one of your unofficial fans. I didn’t join the M’dols Fan Membership because it’s really expensive for us and I also didn’t attend any concert and fan meetings because at that time our main priority is our living cost and expenses. I almost memorize the group songs and I memorized all of your lines because you’re my main bias. For the whole years of my life, I would never expect that I would meet you personally and most of all I would love you dearly. Luckily I didn’t act arrogant when Mr. Hwang suddenly visits the company at CA Branch, C Town City and because of it, I did transfer here. For almost two years of being a Secretary here in the main branch I’m not aware that you, my main bias became a stalker of mine at only first glance of me. At first, I didn’t notice you as the disguised you when every time you have free time and visit me at the Business Department just to say hi and hello with me because I really thought that you just really belong to the Business Department. I only did my best for my own career and give my best because it’s my payback for getting hired without knowing that Mr. Hwang will give me VIP tickets for your 2 days Local Concert and 1 day Fan Meeting as a reward for my performance. You already know how I react when I arrive home after receiving your tickets because I’ve become a young girl who will be the first meeting with my crush personally, I’m very happy at that time and almost got burst my too much excitement. I attend the 2 days concert without worries about being kicked out since Mr. Hwang is the one who gives me the tickets. During your fan meeting, I leave the house very early so I did take my breakfast at the restaurant near the event hall where the fan meetings of M’dols got held. My mind that day is very too occupied because I will meet and interact with you personally and most of all I can now ask your signature personally or perhaps having a picture with you so that’s why I didn’t notice the car which was happened to be your Team Car and then you’re the only one who rides it along with Manager Wang. It really looks like that it’s my own schemes since I just happened to cross the streets when you happened to pass through but then again it’s only played by our destined and we got to meet for the very first time. We seat together, you already know that inside my mind I was already exploding because of you but then I remain calm and keep my calm demeanor intact to avoid being found out that I’m one of you unofficial fans. That’s the day of our very first interaction but then due to my job, I’ve become very busy but then when I got back from my work, I saw you stand outside the house which was maybe I’m already imagining you and seeing you in my imagination but then you called and suddenly hug me, geez you’re really such a teaser Dear because that time you don’t know how my heart beat fast when you hug me and I almost let go of my calm demeanor to response your hug but well you suddenly let go of me and then ask to become your friend. I did agree to know that we are restricted to interact with the Entertainment Department though I did ask permission from Mr. Hwang it’s still risky since I’m still violating one of the main company house rules and regulations. Later by later, we’ve become close to each other since you always visit me every night around 11 pm to midnight in order just to have a chat. And then you suddenly kiss me inside the car and then confess your love to me. Dear you really know how to beat my heart fast and I almost lost control of myself because of your during that time thankfully I did remember my mother rules, so I did reply to you to have a trial relationship first when you suggest that idea to me and I will only give you proper reply before the end of the year, which is last year but then suddenly one day you

bring me to your soothing place and then telling me your future plan without knowing that you only talk about your future with me and that I got jealous with my own self because I'm thinking different scenarios of yours, so I did decide to end our trial relationsh.i.p.s which are only last for 3 days and that's how much you've become important to my life that I don't know what I'm going to do if you are not at my side anymore. I've become one of your unofficial fans as Lou1110, Rei as your friend Rei, Rei as your girlfriend Rei, Rei as your My Love, and now Jun Lou Rei, Hon as your wife. At first, I know you M'dols Woo as one of your unofficial fans, Tae as my friend, My Tae and My One as my lover, and then My Dear Husband as my lawfully and legally husband. This is the only thing that I will promise and surely stand with this because I will forever be with you, forever stand at your side and forever support you. I will become a good wife of yours and a good mother of our Kids. I will do everything for our relationsh.i.p.s to remain and always be as we are right now." Then Rei hugs her husband right away.

"Whoa, what a lovable love story from our Mrs. Jun here and lucky for you Mr. Jun because your wife really loves you that much because we can really sense it how your wife loves you. See all our guests here are already crying because they can feel it and as for your surprise Mrs. Jun?"

"No need for that MC Ron since....." Tae answered since it's only a surprising wedding for her but got cut off by Rei.

"I have"

"Eh?"

"I have because you're doing everything for our wedding so I'm not going to lose from you."

chapter 393 – Rei surprises

On the other hand, after hearing her Mom signal, Ken automatically gives the CD to the assigned personnel and plays the CD right away.

--- Content of the CD ---

=== Playing the Video ===

## Scene 1

“Mei is it already okay now?”

“Not yet Sis geez just relax and what are you doing this one for when in fact you can have another very big surprised for your dear husband, right?”

“Mei you’re talking in Ceno, so now speak in Sean and that other big surprised is only for us”

“Hai, hai, so now what are we going to this all pictures that we printed for huh?”

“I will make a slideshow for that”

“Slideshow and for what reason huh?”

“I and Tae will be getting married this January 02 so don’t tell me that I’m not doing anything since it’s a surprising wedding for me, huh? And I will only do nothing at the reception at then huh?”

“Hai, hai you win, so now what type of slideshow you’re making?”

“? ? .....”

“Hello Sis, are you still there?”

## Scene 2

“Mei judge with this slideshow of mine and judge it without minding that I’m your Elder Sister, so just critics me if it’s not with your taste.”

“Okay and it sucks”

“What?”

“You just said that I can criticize you without minding you as my sister and so it’s sucks. How did you make a slideshow that only your pictures together? Hello, this is for the reception and so what’s the purpose of the pictures I retrieve from my phone when you only showing the pictures of the two of you together, huh?”

“Eh, sorry about that one so then what’s your opinion then?”

“Let show to them by this slideshow how you become an unofficial fan of Bro Tae”

“Eh but I’m a chubby person when I’m 16 you know”

“Bro Tae already accepts everything as you and who you are; so knowing about that one that you are a very boring person to be with and of course very straightforward person and such a serious one, Bro Tae still chose you so then, be confident because you’re are too cute that time.”

“.....”

“Alright Sis let’s start choosing pictures now or else Bro Tae will be here now, how about this one first, this one and that one?”

“Just chose the pictures for the slideshow and I will making the slideshow”

“Of course you will be doing that one and since you’re the star.”

Then show the slideshow that got played and everyone sees it. It’s a slideshow when Rei still 16 years old, she still has her looks as what she’s now but the only difference is a chubby one and as what Mei said, she’s really cute. It includes a picture of her school uniform and on the back of her id card was Tae’s picture. It’s a slideshow about how she becomes an unofficial fan of M’dols. As for the picture, of course, Mei has it all since she likes photography though the quality of pictures is only so-so since her phone at that time it’s not a high-tech one.

Last Scene

“Alright Mei let’s edit this one and save it to the CD.”

“Eh, you were bothering me for only this slideshow?”

“Yes and thank you for your help Mei”

“No, no Sis for sure it will be boring if you showing this slideshow only”

“And what do you mean by that huh?”

“I already record the video when you approach me so why not include it?”

“You mean before and after making this slideshow?”

“Yup, yup and for the last one”

“Another one as for the last one because the slideshow will be not the last one because it’s a very boring one for them to watch and for sure the guests will be getting bored after watching it, am I right?”

“Yup, yup you know me very well Sis and so here my wonderful suggestion. I will mention all M’dols song since the time they debut until now and you will only sing a line for your Dear husband, okay?”

“Geez I’m already 27 years old so for sure I will forget some of their debut songs and after that.”

“Nope, nope you won’t since you’re already one of the Managers of Team M’dols so you won’t forget that one especially when it’s your Dear Husband lines.”

“I’m a tone-deaf”

“Of course I know so that’s why I will not include their music since you will also sing one a cappella one because if it’s not then surely you will be offbeat. Alright let’s start 1, 2, and 3”

Then Mei mentioning all titles of M’Dols songs then Rei singing the lines of Tae mostly in the chorus one since her Dear husband is one of the main vocalists along with Je of the group.

Laughing to her content and said, “Sis you know what?”

“What?”

“You memorize all your Dear Husband lines but it’s like it, not a song anymore after hearing it from you because you just like reciting a poem or as if you have an oral declamation” then continue laughing.

“Shut up and I know. Alright stop laughing because I’m already embarrassed enough and also stop this recording of yours”

Then all of the guests in the Wedding Reception just heard a laugh and saw a red face of Rei before the end of the video since it’s only focus on Rei.

=== End of Video Clips ===

Rei just hiding her face to her husband c.h.e.s.t after playing that one because she’s aware of what’s on the video and remembering it she’s really got embarrassed but then it’s for her husband, after all, so she didn’t regret doing that because it’s for her own husband after all and she didn’t blame Mei for her silly suggestion.

“Are you that embarrassed?” Ask Tae after seeing her reaction like this.

“Yeah but it’s for you”

“Thanks, Hon, and I love it”

“Whoa, I never expect that Mrs. Jun has her own weakness after all she’s known to be a Goddess in both Business and Entertainment Department of CA Family. Most of all she’s our very own Artist Manager of CA Entertainment.”

“Yes you’re right MC Ron and for now the program will officially end. All of the guests here will receive your souvenirs from our newlywed couple when you exit this hall. Thank you for coming all here.”

“Once again congratulations to Mr. and Mrs. Jun.” The hosts said it in sync.

chapter 394 – The Wedding Ceremony behind the scenes

The couple is listening seriously to their Wedding Ceremonial rites from the Wedding Initiator. Meanwhile, the guests are busy with their own things.

--- Din’s Family Members ---

The kids are not with them since they are seated in front because they are part of the entourages.

Mei : Whoa I never expect that Sis Wedding Gown is so beautiful and now she becomes more beautiful and it looks like I’m not her sister anymore because she’s too way beautiful.

Aya : Of course everyone bride has their own beauty because it’s your day after all.

Lyn : Yeah Ma but this time Sis Rei really has very light makeup and most of all it’s only solely plan by Bro Tae.

El : In other words both I and Bro En already defeated by this move of Bro Tae.

En : Yeah you’re right El and this proves how much Tae loves our Rei.

Mei : My En hearing that one from you so then, don't tell me you don't really love me that much, huh?

Lyn : Yeah and same with you El, so you don't love me that much huh since you got defeated by Bro Tae by this one.

Both : .....

Aya : The two of you stop it and it's not for arguing who did the best because as for you Mei, En did everything for you because not even single penny you cost from your wedding day and same with you Lyn.

Mei : Yeah Ma you're right but Sis also didn't spend a single penny for this time because it's a surprising wedding after all but the only difference is both I and Lyn here are also part of wedding planning of our own ceremony.

Awf : .....

En : In other words, in all aspects, we're all got defeated by Tae huh.

El : Yup since Rei is not part of the wedding plan after all.

Both : No you did win from one aspect My En / El.

All : [Aya, En, and El ask in sync], and in what aspect My Mei/ Mei and Lyn?

Both : By getting sleep with us on our engagement day.

Both : [Husband got speechless] .....

Aya : Are you both aware that the baby boy of Rei and Tae are with us now, huh?

--- Jun's Family Members ---

Mom : At last the two got their wedding ceremony now.

Yu Mei : Neh Dad, are you also doing this thing as what just Tae did now?

Dad : Not even a chance because I'm only a simple and ordinary worker after all.

Mom : Geez but at least you love me dearly as what you promise to me during our wedding vows.

Wei An : Geez Sis you're asking that one when in fact you and Bro Ji Meng are only having a simple wedding after all.

Ji Meng : Sorry for having one then.

Tia Wen : Nah don't mind her Bro Ji Meng since Sis An and Bro Bum also have a very ordinary wedding.

Bum : Yeah and hearing that one, indeed we have a very ordinary wedding when in fact I'm rich compared to Bro in Law Tae here.

Wei An : Nah we have different own plans for our wedding and I just wonder how much Tae costs for this wedding of him and Rei, right?

All : Eh, it's not Tae and Rei?

Wei An : Eh, you don't know that one that it's only Tae who spends his money on this wedding of him and Rei?

All : So it's only Tae?

Wei An : Of course and how would it become shoulder by Tae and Rei when in fact it's a surprising wedding huh?

All : .....

Wei An : In other words becoming a celebrity and already famous will make you become this rich, huh.

Tia Wen : Eh, so you want to become one then?

Wei An : No and I'm just wondering because both of them were from the Entertainment Department Fields after all.

All : .....

Tia Wen : Oh, right you don't need to become one Sis because it's really messy behind the scenes of their glamour life and both Tae and Rei got lucky that they belong with CA Entertainment.

All : And what do you mean by that?

Tia Wen : Eh you don't know that some celebrities are getting famous by using underhanded methods by selling their bodies or sleeping with the board of directors or more worst become a mistress?

All : [Shaking their heard and then ask at the same time] how about you then since you're also belong from the Entertainment Fields, right?

Tia Wen : Nah no worries about since I belong to where Goddess Li, Nan Ha, Bi Yu, and more famous celebrities undersigned with.

Mom : Alright let's stop with that one. Now focus on this one and let's go back our attention to the two since the little girl of them is already pouting her face as if reminding us that her parents just had their wedding ceremony.

All : .....

— The Hwang's —

Mr. Hwang : Who would have thought that Tae is also a good planner just like his wife huh?

Mina : Yes Ling but well it's your CA Families, so why are you surprised huh?

Lina : Dad is surprised because what he only knows about Mr. Jun is here singing and dancing not with these aspects of him as a good planner. Maybe he just discovered it after becoming one with Rei.

Lu Wen : Yeah you got it Honey but then why I didn't become like you who such a smart one, huh?

Lu Wen : .....

Lin : Hey the two of you when are you having your wedding ceremony then?

Lina : After I give birth with my and Wen daughter Bro Lin but how about you when are you having your own kids with Sis Rina then?

Rina : Yeah Lina remind your Elder Brother because he's too busy as the President of CA and how about more if he becomes the CEO? For sure we will grow old without having our own kids since he is always a way for business meetings, meetings, and so on.

Lin : I will really give you a family Rina but not right now since they are thousands of employees from every branch relied on us, so I will make sure the issues will be settled first before I become the CEO and

I promise that one week before becoming the CEO of Dad companies then I will spend my whole weeks with you alone.

Rina : Then you must be kept that promise of you, okay?

Lin : I will then the two looking to each other lovingly

Lina : Geez Bro Lin and you can ask Sis Rina to be your Secretary then it would be solved right away since she will always at your side.

Lin : No and for what? I want my wife to become my secretary in order for my males' staff and males CA Families to look at my wife then?

Lin : I don't know if Wen here and then Mr. Jun who have you and Rei as their beautiful wife feelings when some men are looking to both you and Rei.

Lina : Huh?

Risa : Lina Dear your Bro Lin here doesn't want me to work because for sure it already has a lot of numbers of dead bodies from men who's looking at me. Well, I'm free to go out and everything that I want but I don't want that to happen so I will only go out with I'm with Lin. For sure you don't know about this one but he is already taking notes of who's looking at me, you, and Rei.

Lina : .....

Wen : You have their names, Bro Lin?

Lin : Yes I have and you want to look who's looking to your wife then?

Wen : Yeah let me have it Bro Lin and including with Rei since I already treat her as my sister.

Lin : Alright but well Mr. Jun already have it.

Wen : No worries since Mr. Jun will protect Rei as her husband while I protect her as my sister.

Lin : Okay then

All : .....

—- M'dols Managers —

Han : How is it, Manager Chi? Do they become trending now?

Chi : Not yet Manager Han since Tae didn't invite any from representative media and the fans not yet posting anything from their SNS Account.

Han : I see.

Wang : Neh Manager Han, you need to relax alright and the one you really need to do is be happy for Manager Rei and Tae.

Han : I can't help it since nowadays Tae becomes unpredictable.

Li : Well, well he is in love with our unpredictable Manager Rei after all.

Chi : Don't worry Manager Han I will always update if they become trending today since they already trending when Tae discloses his relationship with Manager Rei last December 29.

Han : Thanks Manager Chi

chapter 395 – The Wedding Reception after behind the scenes

The two hosts of the couple are now officially announced the end of the program and the guests received a souvenir of a personalized calendar with different pictures of the couple for every month and a magical mug. As for the kids' guests, they also received a personalized coloring notebook with the picture couple on the cover and a color pencil with their name Tae – Rei 01.02.

Some guests already going home while the other guests are staying to congratulate the newlywed couple personally meanwhile the kids are also having their own meeting.

— A.d.u.l.ts Guest Edition —

Both the Meng Twins along with their husband approach Rei and congratulate her.

Fengfeng : Congratulations and at least you really didn't forget to invite me Rei.

Rei : Thank you Feng and for you to know I don't even know who is my guests are.

Fengfeng : Eh?

Fefe : Oh right I forgot to inform you Feng but Mr. Jun was the one inviting you through me though Heng was the one inform me and then he also planning to put Kaede, Shi, and Jiru on the entourage but then since the Organizer hired by Mr. Jun was a pure Senian he didn't continue that plan for the three kids in order for them of not getting out of place.

Fengfeng : I see by the way speaking about the three kids where are they now?

Lin : They are talking with their friends now since they didn't see each other after the Din and Jang Twins start studying.

Heng : Yeah and for sure they are having a good chat now.

Rei : (Not surprised that Mr. Fu already speaking Ceno since he's a smart one and just ask) by the way Feng, where's your baby Rio and the baby boy then?

Fengfeng : They are in the hands of their Grandparents. Oh, right we are going now.

Tae : Thank you for attending our wedding even though all of you are all busy.

All : No worries.

— Kid Guest Edition —

When they already received their souvenirs, both the Jang and Din Twins were running where the three kids are. Surprisingly Ken hugs Kaede, Jiru, and Shi. He hugs Shi, Jiru, and then Kaede because he missed them and said to them right away.

Ken : Whoa long time no see Shi, Jiru, and Kaede. How the three of you now and it's been a long time since I last see the three of you huh?

Shi : Bro Ken don't hug us suddenly while running and here I thought it was Bro Ren who hugs me.

Ken : Yup, yup sorry and don't tell me you still like Ren?

Shi : (Just blushing)

Ren : Bro Ken why are you teasing Shi, huh?

Ken : No comment

Jiru : Bro Ren, Bro Ren

Ren : Yes Jiru?

Jiru : You really have a good voice and the same with Sis Ellyn and Sis Lynel.

Lynel : Aww, you're so cute Jiru, and be sure that you will become my number one fan, okay?

Jiru : Uh-uh I will.

Lynel : (Messing his hair) so cute.

Jiru : (Pouting) Sis Lynel why are you calling me cute, I'm not cute instead I'm a handsome one because I'm a boy.

Lynel : Yup yup you are a boy but you  are still cute.

Jiru : Cuter than you Sis Lynel?

Lynel : Yup, yup cuter than me.

Ellyn : (Observing her younger twin sister who's very oblivious that Jiru likes her and then to Kaede who's now frozen because her cousin just hugs and who's also an oblivious one) Nen Bro Ken and Lynel.

Both : What?

Ellyn : Keep being like this and for sure you will hurt someone without knowing.

Lynel : What's with that Sis Ellyn?

Ken : Yeah and you just act a m.a.t.u.r.e one even though you're younger compared to me. Ah, right because you already have Bro Jinyu, that's why.

All : (Shi and Jiru) eh, they are now a couple?

Ellyn : Not yet but when I'm 16 we will. Ah, right about Yu, where are they?

Yu : I'm here Ellyn, we ask first for our parents' permission or else they will forget about me and Xi.

Shi : Xi you mean your naïve brother Bro Jinyu?

Yu : .....

Jinxi : Hey little girl what do you mean by naïve, huh?

Shi : Oh, you already know how to speak using the universal language one?

Jinxi : .....

Ren : Shi Bro Jinxi is older than you by 3 years so you need to respect him, okay?

Shi : Ah right sorry Bro Ren.

Ren : You're apologizing to the wrong person Shi.

Shi : I——I'm sorry Bro Jinxi.

Jinxi : What the heck? Don't tell me you like Ren, huh?

Shi : Yeah I like Bro Ren and so what?

Rui : Wow, I've never expected that Bro Jinxi is really older than me and this little girl for 3 years yet Bro Jinxi is like this.

Jinxi: And what do you mean by that huh?

Rui : Nothing.

Ken : (Realized about something and ask) eh by the way where's Sis Jia then?

All : (Just looking to Kaede and they are right)

Kaede : (Return to reality from being in a daze after hearing a girl name) eh, who's Sis Jia Bro Ken?

Ken : (Replied without noticing about something) She's Uncle Tae niece and she's the same age with Bro Jinyu here, Kaede.

Lin : Kaede, Shi, and Jiru let's go now.

All : Eh, we're going now Dad?

Lin : Yes were going now.

Kaede : But Dad.

Fengfeng : We really want to stay here for long but both you and Shi tutor will be reporting tomorrow and it's her first day you know.

Shi : Ah right but how about Daddy then?

Fu : I can be your tutor Shi but then I'm needed in the company so I can't.

Both : (Kaede and Shi pouting)

Fefe : No worries Kaede and Shi because both of you will become now pupil this coming June.

Shi : But Mommy Bro Ren is not studying with the same school you know.

Fefe : It can't be helped since you are a Meng after all.

Shi : Then why not I can't have Daddy or Father name then.

Fefe : .....

Ren : (Interrupting them all of sudden) excuse me Aunt Fu, Aunt Lin, Uncle Lin, and Uncle Fu but Shi, I and Lynel will be transferring next school term at Aristocrat and Brilliance Academy, so we can have the same school next year.

Shi : Eh really?

Ren : Uh-uh

Shi : I see then alright let see each other again and I already didn't hope that we would be classmate since you're too smart Bro Ren.

Ren : .....

Ken : (Notice about something) Eh, Kaede how about you? Why are you still pouting when in fact Ren and Lynel will be studying in the same school as yours, right?

All : (Kids) 'Because it's not you.'

Kaede : .....

Ellyn : (Whisper to her) don't worry Kaede, Sis Jia is only a sister of Bro Ken.

Kaede : (Whisper to her back) but how about that Sis Jia then and by the way, is she still here?

Ellyn : (Whisper to her back again) turn your back and a few distances of you along with my Family Members that girl is Sis Jia.

Kaede : (Turn her back and observe Jia then whispering to her) she's looking at me Sis Ellyn and for sure she really likes Bro Ken. What I'm going to do she's here while I'm not.

Ellyn : Don't worry I will look Bro Ken for you but geez why did you like Bro Ken knowing that he is such like this.

Kaede : I can't help it you know and thank you for that Sis Ellyn. By the way, why did you like Bro Jinyu then when in fact his almost the same as Bro Ken, right?

Ellyn : Yeah they are really alike but at least Yu is not an oblivious one.

Kaede : .....

Ken : Hey, why are you whispering about? And by the way, they are going to leave you here Kaede if you will not following them right away.

Kaede : (Looking to her family members and indeed they already walking without her) are they really my parents and relatives?

All : (Except the Li Brothers and Rui) Yeah they are Kaede

Kaede : .....(Got speechless and then running right away to where they are)

Both the Din Twins and Jang Twins know that Shi has 3 Fathers and 3 Mothers, first her biological Father and Mother that she's calling them Father and Monster, second Lin Wei and Lin Feng by calling them Mom and Dad then last Fu Heng and Fu Feng by calling them, Daddy and Mommy. As for Kaede, they know that she has a big responsibility because she's the elder one among her 3 little brothers, even though she's the only little girl of the Lin but as the elder one she has a big responsibility. Ellyn didn't say anything about their family matters to Yu since they are not from the Din and of course, she only mentions what about of her cousins and twin sibling matters to Yu and not with the other family matters. They are still looking to them and almost didn't hear their family members calling them if Jinyu didn't remind them.

"Aunt Mei, Aunt Rei, and your Dad Ellyn already calling the 4 of you"

"Ah I see and thanks Yu" then running first to them.

All : (Ken, Ren, and Lynel) you only see Ellyn / Sis Ellyn among all of us here?

Yu : ..... (Speechless while blushing)

Ken : Ha, ha, never mind that one and were going now bye, bye Bro Jinyu, Bro Jinxi, and Rui

Both : (Jinxi and Rui) bye

Yu : We already have class tomorrow, did you already finish your homework's then?

Ken : Are you sure that you ask me that one or it's for Ellyn?

Yu : Both

Ken : Ha, ha, ha, no worries because we've already done our homework before the new year. Let's go now Ren and Lynel.

Both : Okay (then both looking to Jinyu and just snickering)

Yu : .....(Got speechless for the second time)

Both : (Jinxi and Rui holding his shoulder at each side and at the same time they are also snickering).

Yu : Shut up and we're going now (then grab his younger brother and cousin)

#### chapter 396 – Pinky Promises

The kids are now with the Din family members and now inside their VIP hotel room. As for the Jun Family Members, they are already checking out and on the way to Jun Family Residence in order to sleep right away since they are all tired from these special occasions.

The Din Family Members change their clothes the moment they arrived at the room and after they got change from the dresses, gowns, and suits to normal clothes they are now in the living room of the said Hotel Room.

As for the Gowns, Suits, and Dresses, it will be their personal own and their new belongings since Tae didn't rent the dresses and suits instead it's really a new one. As what is stated about it's a brand new so they will own it personally by each individual as part of the entourages. So after changing into normal clothes, the Din Family Members are now seating in the living room with their own family members leaving Aya seating in the Center and now chatting seriously but their first talk is not a serious one.

Mei : So Bro Tae when the two of you going to work then?

Tae : Tomorrow Mei.

Mei : Eh?

Rei : I see so where going to work tomorrow then Dear?

Tae : Yes Hon since it's a surprise wedding after all and we have a team schedule tomorrow until we will enlist.

Mei : Whoa you just got married and yet you didn't have time for your honeymoon, what a sad moment?

Rei : Are you an idiot one? I and Tae already married for one year now and of course, every night is our honeymoon. (Explaining while blushing)

Tae : (Also blushing after hearing his wife that one)

Mei : I see so ..... (Got stopped because someone tapping her heard) ouch and what..... Oops sorry, Ma.

Aya : Stop with that Mei and let's talk seriously now.

Rei : Eh what's wrong Ma and is something matter?

Aya : Nothing happened Rei and it just about was going home before midnight.

Both : (Tae and Rei) Eh?

Mei : Geez Sis are you sure that you are R?

Rei : .....

EI : (Straight to the point) Before going here, we were planning to go home on the 4th day Rei but then before I and Bro En asking for leave from our works and the kids excuse from the school, this little boy here interrupt me and Bro En so instead of 4th was going home tonight. (Pointing Ren)

Rei : I see and so for what reason then?

All : (Except Tae) ask him Rei / Sis Rei / Sis since he didn't tell the reason why.

Rei : Eh you mean you just going home without hearing the reason why?

All : Because Ren / Bro Ren said that he will only tell when his Auntie Rei and Uncle Tae are around.

Rua : .....

Ren : Well Auntie Rei and Uncle Tae are both parts of the family so I want everyone to hear my reasons when our Family Members are complete.

All (Except Rei and Tae) I see and so why we are going home tonight and not on the 4th day then?

Ren : (Standing up from his seat and explaining) It's because I don't want to be absent from school tomorrow since we were going to transfer this next school term. The starting class of C Country is always in the month of June and always ends in the month of mid-March, right? (Everyone nodded except the kids and Tae) I see so I'm really right after all. For the whole 3 months from January to March, I will be making sure that I and Lynel won't be absent or got excuses from school though both Mom and Auntie Lyn will be giving birth next month so we will just go visit after the class then Lynel will also debut next month so I ask Bro Rick that after Lynel got debuted he will only accept schedules after class and anytime if it's not class time, so I only have 2 months of studying and teaching Lynel for the entrance exams. I don't know if Lynel will have schedules for these two months so I did make it in advance. (Get something from his small luggage).

Mei : (Everyone is wondering the same but she's the one who asks first) My boy Ren when do you have that one? (Pointing that something from his hand) and when do you have Bro Rick number then?

Ren : After Auntie Rei registering my prints to the Main Control Room, I sneakily get out of my room when Auntie Rei already leaving in C Country and ask Jun Tae to print out for the 5th or 6th grader entrance examinations reviewer of Aristocrat and Brilliance Academy since the school has a rule that if you are graduating student from any level you can't skip any grade. For example, Lynel will be on 5th Grader next school term so it is possible she will be either a 5th or 6th Grader so I ask Jun Tae for this reviewer. As for me, I ask the 7th or 8th Grader Reviewer. (He retrieved it from his bag), I didn't ask about the answer key since Jun Tae will be the one checking our papers after reviewing. As for Bro Rick's number, I did ask Jun Tae to retrieve it and I call him using my phone that I only reason to him that I got instruct by Dad then making excuses that I got his number by you, Mom and that's your idea and not mine.

Rei : I see so you use Jun Tae huh and how come Jun Tae did what you ask when in fact I did instruct Jun Tae that it will be on Jan 05 between 7 pm to 9 pm every day except Sunday?

Ren : He, he, he that one Auntie, Jun Tae did what I ask because I trade something to Jun Tae.

All : And what is it?

Ren : He, he I told Jun Tae that I will get 95% marks on my entrance examinations.

Aii : ....

Ken : And why you didn't inform me, Ren, am I, not your Twin Brother then?

Ren : I did this with my sole decision since Mom and Dad will be away after we turn 7, so I want to do my best so that Mom and Dad won't be get disappointed with me because I really don't want to become the CEO of Jang Corp. and I will just support you, Bro Ken.

Ken : (Messing his hair) geez told you that I won't let my younger siblings suffer and as the elder one I will do everything so that my younger siblings and cousins won't suffer.

Ren : Okay and by the way Bro Ken if you ever feel lonely just call me or either call Mom and Dad.

Ken : Silly and of course I will miss you, Mom and Dad but let's endure it for now because we were not alone because you have Grandma, Uncle El, Auntie Lyn, Lynel, and the incoming cousin of ours in your side while me I have Auntie Rei, Uncle Tae, Ellyn, baby twin cousins and incoming cousin of ours at my side, okay?

Ren : Okay then let's make a pinky promise then. (Then make a pinky promise with his Twin Elder Brother) Ah right, Bro Ken?

Ken : Yes what is it?

Ren : (Just give a kiss on his cheek)

Ken : What the heck? Are you gay?

Ren : I'm not because when you go back at my side we were already 16 years old and it's kind of awkward if I kiss you on your cheek so I did it since we're still a boy.

Ken : (Got speechless while blushing and it's his first time blushing)

Ren : What the heck? Why are you blushing Bro Ken?

Ken : Be... (Didn't finish when he notice his Mom) eh, Mom why are you taking a picture of me?

Mei : Oh, well it's my first time seeing my boy Ken blush so why I wouldn't grab this chance, right?

Ken : Mom please delete it, okay?

Mei : Nope I won't.

Ken : I will delete that one when I've become a hacker someday.

Mei : Hai, hai but only then if you can surpass your Auntie Rei since all Din's Family devices are protected by your Auntie Rei after all.

Ken : T—that, then don't tell me that aside today, you already have a lot of taking and stolen pictures of me while I'm not aware?

Ken : Then when I'm crying that time during Auntie Rei going here, you also have a picture of me Mom?

Mei : Yup, yup, and not only pictures because I have the whole video of it.

Ken : Mom (then getting redder and redder because of got embarrassed that cause of his Mom Mei to take a lot of pictures). Stop it, Mom.

Mei : No, no and I won't stop Ken because it's very rare for you to be like this, and my boy Ren you can kiss your Bro Ken again.

Ren : Yes Mom

Then, the mother and son pairs tease Ken very much that he becomes redder and redder than he is now since he has white skin that he got it from his Dad En. They tease and tease until Ken remembered something.

Ken : Oh, right Ellyn, don't ever mention this one to Bro Jinyu, okay?

Ellyn : Eh, but I already informing Yu.

Ken : What?

Ellyn : Just kidding and I won't Bro Ken since it's our family bonds after all.

Ken : And thank you for not telling him.

Lynel : Eh, but I already did.

Both : (Ken and Ellyn) What? And since when did you have his number then?

Lynel : Bro Jinyu just ask my number in the church and said to me that he needs to know my number same with Bro Ren since he reasons out that we are important to you Sis.

Ren : Oh right Bro Jinyu really ask my number in the church.

Both : (Ken and Ellyn) and why both of you did not told us this one to any of us?

Both : (Ren and Lynel) eh, did Bro Jinyu ask our number when our family members were all around that time?

Both : .....

chapter 397 – Got tease by Jinyu but got bounce back

That moment, Ken phones ring right away and he already knows who it is. Before answering the call he glared at his cousin and of course, we know who it is, it's Lynel.

Lynel : Oops sorry Bro Ken and I can't help it but you're too cute so I send that one to Bro Jinyu.

Ken : It can't help if you already send it, so aside from Bro Jinyu, who else?

Lynel : Eh, n—nothing else.

Ken : Lynel, are you hiding something?

Lynel : He, he, he, I send it to Kaede.

Ken : Next time if you're going to send my pictures, ask my permission first, okay?

Lynel : Okay and answer it now Bro Ken.

Ken answers it right away and then the other kids are talking quietly while their parents, Auntie, Uncle, and Grandmother are just looking at them.

Ellyn : Neh, neh, Lynel let me see what did you send to Kaede then?

Lynel : Here Sis

Ren : (Also looking at the picture after his Kiss to his brother and Ken start blushing) whoa, you did a good job Lynel and at least Kaede won't feel sad after seeing this picture of Bro Ken.

Lynel : Yup, yup, so did I do a good job then? (Then the two thumbs up for her fast reaction) ah, right not only that one but I also have this. (Showing a picture when Ken suddenly hug Kaede though he hug the other two Meng Members but then she only has a picture of Ken hugging Kaede and already send it to Kaede)

Ren : Whoa, you're really fast Lynel but how come you're so slow on your own then?

Lynel : Huh and what do you mean by that Bro Ren?

Rur : Nmovare

Ellyn : By the way, Lynel and I forgot to remind you.

Lynel : Remind about what Sis Ellyn?

Ellyn : That I need you to remind you that I like Yu and if you ever happen to like him then you need to give up because he is the only boy that I like. I did sacrifice to be not at your side and to our parents for staying here in S Country because I want Yu to at my side though I'm still young now but then in the future, I will be like Mama Grand, Mom, Auntie Rei, and Auntie Mei to love dearly with Papa Grand, Dad, Uncle Tae, and Uncle En. I'm lucky that our Family Members agreed with this selfish decision of mine to stay here with Auntie Rei and Uncle Tae knowing that I'm still young but what I promise is that I will always remember Dad's condition and will be only with Yu when I'm 16. (Said it seriously to her sister while blushing without minding that all family members of her are hearing it all since she said it loud. She only got blushed when she hear Ken.)

All : .....(Got speechless of Ellyn declaration)

Ken : What the heck is that Ellyn? Are you aware that Bro Jinyu is still on the line? For sure he heard it since I just heard something falling inside the line before it got disconnected.

Ellyn : Eh? Y—Yu just heard me now?

Ken : Uh-uh

Ellyn : T—-then what I'm going to do?

Ken : We can't help it since you already said that one and don't worry Bro Jinyu also likes you so you will be a couple someday though I doubt if you will become a couple when your 16 since both of you like each other after all.

Eiivr : .....(Snuuhviull ovur giplv)

Lynel : Ah, right don't worry that one Sis Ellyn because you speak in Ceno and not in Universal Language so for sure Bro Jinyu didn't understand anything of it.

Ellyn : Really and did I said it in Ceno?

Lynel : Yup, yup so lucky that he doesn't understand Ceno at all.

Ellyn : (Sighing in relief) thanks Lynel and you save me.

All : (Except the Din's Twins and Rei) 'if he doesn't understand anything then why Ken / Bro Ken / I heard something falling inside the line before it got disconnected'. (Then all of them looking to Rei except the Twins and Tae then ask using their eye conversation again) why did you teach him our very own language huh?

Rei : Ouh-ouh and sorry for teaching him.

All : .....

— Flashback —

This is what the two young boys talking about.

“Ring, ring, ring”

“Yes Hello, Bro Jinyu why are you calling me when in fact we just meet today?” Pretend that Lynel didn’t send something embarrassing to him.

“Are you sure you’re not aware of why I call you today?”

“Hai, hai and maybe you called me because either you missing me or missing Ellyn, right?”

“I always missing Ellyn but now I can tease you because I already know your weakness.”

“Oh really and is that so Bro Jinyu?”

“Uh-uh and so I will kiss your cheeks then”

“.....”

“See you got embarrassed and for sure you’re now having a red face, oh right lucky that Lynel send that one to me and now I know how to tease you back” then laugh to his heart content.

“.....” Ken got speechless and then heard Ellyn. “Oh, did you just hear it Bro Jin...?” Didn’t finish since he just heard something falling and then the phone call got disconnected.

— Ert md Fiflvghc —

At the Li’s Residence

All of them are now done changing and then seating at the couch in the living room for their family bonds. They are talking about the newlywed couple Rei and Tae until they notice that Jinyu stands from his seat.

“Eh, where are you going Bro Jinyu / Jinyu?” asks in sync with his Mom, Dad, and Xi.

“I will call Ken Mom, Dad, and Xi” then left right away.

“Eh he will call Ken and not Ellyn, did we heard it right from him?”

A few minutes later Jinxi heard something falling and go right away where Jinyu going then got panic.

“Mom, Dad B——Bro Jinyu g——got collapse,” said it loud.

“What?” then both go right away where they are.

Yun : What happened Xi?

Xi : I——I don’t know Mom but what about Bro Jinyu then? (Looking to his brother and then to his Dad who’s now attending Jinyu) Dad, is Bro Jinyu going to die?

Jin : You’re overreacting Xi and you Yun, so just relax alright? I don’t why he collapse just now since he has a normal pulse and I don’t know what happened.

Yun : T——-then what happened to Jinyu?

Jin : You too Yun, I told you to relax and you need to calm down because both you and Xi are overreacting. No injuries so far but I don’t know what happened after his call with Ken. (Said while pointing his phone that already been broken into pieces)

Both : (The mother and Son pair looking to where he point then got speechless)

Jin : You have Ken number’s Xi?

Xi : Yeah Dad I have so why?

Jin : Give me his number then and let's wait for Jinyu to regain his consciousness.

Both : (The Mother and Son pair got confused) ????

Jin carries Jinyu and lays him on the couch before calling the culprit for this reaction of his Son.

chapter 398 – The Father and Son from Li

Right away Jinxi gives Ken number to his Dad without hesitating though he was confused why but knowing his Dad he gives it right away. As for Jin, he dials the kid number right away after laying his Son on the couch. On the other side, Ken answers it right away though it's an unknown number appear on his phone screen he answers it because he really trusts his Auntie Rei so no one would know their numbers unless someone they know gives his number to someone they know.

“Ring, ring, ring”

“Yes Hello and Good Afternoon” Answered in Universal Language since he doesn't know who calls him.

‘Tsk, tsk this kid pronunciation is very good since he pronounces it very well and yet here I am.’

Ken didn't hear anyone from the other side, so he asks again in a respectable manner “Hello, Good Afternoon and, may I know who call me today?”

“Ken it’s your Uncle Jin”

“Oh, I see, and Good Afternoon Uncle Jin. And may I ask what happened to Bro Jinyu since the phone call we have awhile ago just disconnected after I heard something fall.”

Already used of him since his Son Jinyu also like this and he already talks with Ken every time they meet so he is very used of him “that’s the reason why I call you Ken since Jinyu suddenly collapse and may I know if you tease him that much that his reaction becomes like this?”

“Eh but I didn’t tease him today Uncle Jin and I guess it’s because he heard Elyn declaration awhile ago ....” Pause for a moment and looking to everyone from his family members then notice that they are busy with their own things so he blurts it out of what Elyn said awhile or he might be got scolded by Uncle Jin when in fact he is not the culprit.

Heard everything from Ken and replied but got stop by someone “I see so that’s why Jinyu reacting like this huh and ....”

Just got regain his consciousness and notice his Dad talking to someone “eh Dad who are you calling?”

“Ken”

“Let me talk with Ken first Dad”

Give his phone right away or else this Son of him will explode and start throwing tantrum “here”

“Thanks, Dad” then talks to Ken “did you just hear it from my Dad of what happened to me awhile ago?”

Controlling his laugh and replied “Y—yup”

“I have a deal with you Ken”

“Yes, and what is it?”

“I won’t tease you about that one and you won’t tease me of what happened to me awhile ago. Let’s keep these embarrassing reactions of us to our self and no one will know about it but only our self, do you agree with my condition?”

He agreed right away “Deal” then suddenly laughs out loud and out of nowhere. The Din’s family members who are busy with their things are now looking to him then Ken making excuses though it’s the truth. “Ah, I just remember something funny while talking to Bro Jinyu so that’s why I laugh out of nowhere”

“I see” all from the Din family members said in sync and go back to their own things. Meanwhile, the boys are continuing chatting and talking about thru phone calls until Ken excusing himself. “Ah, I’m going to hang up now Bro Jinyu since were going now”

“Going where?”

“I and My Family Members are going to watch a movie before they are going back to our Hometown Country”

“In that group of yours watching movies?”

“Yes in these groups of ours and who else if it’s not from my family members then? Ah, we’re going now. Bye Bro Jinyu” then hanging up the call right away.

— End of call —

‘Are they all aware that they are all stunning?’

Noticing his Son who’s now ending the call, he said it right away. “Jinyu follow me to our study room.”

“Yes, Dad” then follows his Dad and heard him asking about something to him when he closes the door of their study room.

“Are you aware why I called you here?”

“Yes Dad, I’m really sorry for reacting like that because I suddenly lost control of my emotions after hearing that one from Ellyn.”

“You really need to control that one Jinyu. Just by hearing that one from Ellyn you already reacting like that, so how much more if you are married and then doing the married couple things?”

“I will surely control these emotions of mine Dad and I will be strong in order to protect our people especially my family members, my friends, and Ellyn.”

“I know you can do it Jinyu and JL Hospital will be in your hands in the future”

“Yes Dad”

Looking to his Son and then ask him “tell me honestly do you really want this one?”

“Yes Dad and as the elder one, I need to protect our people. Both Xi and Rui will be also part of the Board of Directors but as the elder one I need to guide them and lead them to a better future.”

“I see and by the way, you can both rely on Yuhan and Ken since both of them are smart. So don’t hesitate to join them at our JL Hospital.”

‘Dad both of them will be also become like me since Yuhan will be the future CEO of Song Jewelry Corp. as the only heir and same with Ken because he is from the Jang Corp.’

Suddenly remember something and then ask his Son “by the way Jinyu, there something I need to clarify from you?”

“Yes, Dad, and what is it?”

“How your friends Yuhan related to the ex CEO Min and same with Ken, how is he related to the Jang Corp?”

‘You got on point Dad but that’s my friend privacy so I won’t tell you that one even you are my Dad.’

Thinking that his Son silent means he didn’t know anything about his friends when in fact Jinyu already knows about them “I see so you also don’t know huh. Maybe I will ask Xi for that one and perhaps he might know about that one.”

“It’s that all Dad?”

“Yes that’s all for now Jinyu and let’s go back now.”

“Okay, ah right here’s your phone Dad” give the phone to his Dad and ask “by the way Dad, is my phone still working?”

“It’s been got damage from your fall”

“I see”

“Are you not going to ask me to retrieve your group of friends’ number then?”

“No need Dad because I already memorized my friends’ number after all Ken, Ren, Yuhan, and Lynel are all my first group of friends.”

“I see and how about your phone then?”

“I will ask Butler Yan to buy me a new one and again both you, Dad, and Butler Yan will secure the phone. By the way, can I leave now Dad?”

“Yes you can leave now Jinyu”

His wife suddenly appears out of nowhere after making sure that Jinyu already out of sight and said: “Jin you know what, after Jinyu meet with Rei that time, our Son change and here I thought that he will grow up into a cold man but now I’m relieved that he is now showing a lot of emotions after meeting Rei and them.”

“Yeah I know but since when did you come in huh?”

“Well duh your wife is an actress after all and I already have the role of being a spy, so I know how to sneak out and hide my presence but well Jinyu notice me. Geez that boy, is he really my Son when in fact my husband didn’t even notice my presence?”

“.....”

chapter 399 – First Night after wedding ceremony

After watching the movies they go back to the hotel right away and start packing their things since they will leave around 7 pm. At exactly 5 pm the family members are now eating their dinner and then preparing their selves since the other family members are almost leaving and going to C Town City. When the other family members leave, both Ellyn and Ken are now sleeping in their room (Hotel VIP Suite Room) while the couple also sleeping in their room.

The couple already lying on the bed without doing anything even though it's their first night after the wedding but well the couple already been married for one year and already accomplish their first night as a married couple last year, in fact, they already have their twins as a sign of their love with each other.

Rei laying the bed with her Tae on her side while looking at her Wedding Ring by raising her right hand and said to her Dear husband "so this is our Final Wedding Ring, huh."

"Yes, and do you like it? I know it's a simple wedding ring, so do you like it?"

"Simple Wedding Ring and yet a diamond ring, right?"

"Uh-uh"

"I love it Dear and thank you"

"You're welcome Hon but you don't need to thank me because it's for you. I did say no need for thanking but still, I will say to you thank you for loving it and so how about your Couple Ring and Engagement Ring then?"

Rei smiled and said, "I already put it on my necklace that's just given by you Dear with My One." Rei holds her necklace and shows it to him "see?"

Looking and suddenly blush when he realized something about while looking at his wife again.

“Eh, why are you blushing Dear?”

“Because look you put the two rings between the number 1 and noticing that one its look likes that it’s my partner”

“...” Speechless and blush at the same she sat up while getting the necklace to her neck in order to reposition the other two rings then said “geez, there’s a word ‘my’ before the number 1. Tsk, tsk you are such a pervert and really shameless Dear.”

“Yeah it really has the word ‘my’ but why did you reposition the other two rings then?”

“B— because it really looks like that one and you’re really right. I just realized it after you said this one to me.” Explain while blushing.

“Are you still shy Hon when in fact we’ve been married for a year now?”

“I can’t help it you know and by the way are you not going to eat me tonight?”

“If we don’t need to report tomorrow in the early morning and you’re not pregnant then I’m already eating you for the whole night without taking a nap.”

“.....”

Tae set up and hug her wife “then tonight is not good for us since the twins are with us.”

“Yeah and speaking about the twins, are we going to bring them in our works?”

“Yup since I only have 5 months left to bond with our twins and you before enlisting and then let’s drop Ken and Ellyn first to the Li’s residence”

“Okay”

Tae hugs his wife again and then kisses her cheeks “neh Hon?”

“Mmmm”

“Let’s see....” He didn’t finish his query since both of them heard a notification sounds from one of their phone “eh, it’s your phone, right Hon?”

“Uh-uh” then notice that Tae gets her phone from her purse so she just asks him “what is it, Dear?”

Tae open his wife phone and looking thoroughly before replying to his wife “your Lou1110 account have many followers now Hon”

“Eh?”

Tap her head “silly, you mention your account as an unofficial of mine during your speech, and look M’dols fans are starting following you” show her phone to his wife.

Both of them are looking at the said phone and then both of them notice another notification and comments about her post during Tae’s birthday.

[Guys this is the official SNS Account of Manager Rei as an unofficial fan of M’dols Woo] then this is the start that Rei starts having a large number of followers in just a day.

[Hello here have you notice that every what M’dols Woo post for this past eleven years, this Account of Manager Rei was always liking the post whatever it is.] Re-quoting another post then continue. [Just like this one, M’dols Woo only post a blank post but yet Manager Rei as Lou1110 like the said post]

[After reading your comment, I did review what Manager Rei posted are and then I notice this one. It’s about M’dols Woo post during his birthday last November and only a birthday cake with a caption of spending my birthday with family was really the best present ever followed by Manager Rei as Lou1110

liking his post with a caption of I love you M'dols, Woo. Whoa, whoa, who have thought that they already were dating during that time and M'dols Woo already throwing hint to us, right?]

[Speaking about them let's ask the newlywed couple to have a post or even change their profile picture with the two of them as their profile picture even only one account from them, please.] Got many likes and re-quoted many times.

Both couples read that request and then Tae asking his wife "are we going to comply and in favor to answer their requests, Hon?"

"It's up to you Dear"

"Okay and I'm going to update your profile picture since it's only my picture, also I'm going to update my SNS Account"

Right away, Tae changes his wife profile picture one, from his solo picture to their wedding ceremony picture, and then after that, he updates his SNS Account with the two pictures of them and a caption of 'a week after I and Rei become official couple'.

Rei notices her husband put their phones inside their bag so she asks "eh, are you done with that?"

"Yes, Hon and let's sleep now because we're going to check out early tomorrow then drop the kids first before going to the studio."

"Yeah and...." Didn't finish since her husband slowly yanking her and then just heard him while hugging her.

Yanked his wife and said while hugging "I Love You Hon and let's sleep now."

After he said that one Tae sleep right away and then Rei looking to her husband lovingly before joining to his slumber state without knowing that after Tae updated his SNS Account and changing Rei's profile picture, everyone is now re-quoting it again and again with their a large number of comments from them

chapter 400 – I don't want her to be disappointed with me

For the whole night, the couple didn't do anything since this is not their first night as being a married couple because they've been married for a year. Around 3 am, the couple is now awake along with the kids while their twins are still sleeping peacefully on their own baby carrier. The couple already has done checking out and their things already been put in the compartment of their SUV since the car already been park in the Hotel Premises the day that they got check-in. So now, they are on the way to Li's residence.

Ken notices something and asks the couple "eh Auntie Rei and Uncle Tae were not going home instead of going to Bro Jinyu home?"

Rei is the one replying since her Dear Husband is driving at the moment "Yes Ken was going to Jinyu house and we will drop both you and Ellyn there first"

"E—eh, w—we were going to Yu house, Auntie Rei?"

"Yes, and why are you so nervous Ellyn?"

"I -- I don't know why Auntie"

"I see"

Ken realizes something again when hearing that they're going to drop them first at Jinyu house and asks his Auntie "eh then how about our uniforms? Also, Auntie how about them, and what about our baby twins cousins then?"

"Your Uncle Tae wants to bonds the babies so starting now we're going to bring the twins from our workplace. As for your uniforms then it's already inside both of your bag Ken and Ellyn."

"Eh, then they will know about the twins?"

“Yeah they will know for sure but don’t worry Ken”

“Uncle Tae, Uncle Tae”

“Yes Ken?” only reply without looking at him since his driving at the moment

“Auntie will be going to teach me hacking skills starting January 05”

“I know that one Ken”

“Is it really true that you will be away for 2 years Uncle Tae?”

“Yes it’s true since I will be enlisted for my conscription services 5 months from now”

“Eh, what’s a conscription service, Uncle Tae?”

“It’s about compulsory enlistment for a national service as a citizen of your country”

“I see then how about me Auntie Rei?”

“You have a dual citizenship Ken since if we based by birth you will be a Full Tanes and if it’s by blood then you’re half Tanes and half Ceno. Conscription Services is required globally and the age requirement will depend on its nation, so for you, you have dual citizenship, so you need to sacrifice one of your citizenship when you decide to which country you’re going to serve at the right time.”

“Eh and what if I don’t want to sacrifice one of my citizenship then? I don’t want to sacrifice being a Tanes one because it’s Dad citizenship after all and as for Ceno I will be forever a Ceno.”

“If you don’t want to sacrifice then you will not enlist for conscription service”

“But Auntie it’s compulsory, right?”

“Yes it’s compulsory but it will only apply for those who have a full citizenship of its nations.”

“I see then I won’t enlist for sure and by the way, Auntie, how about Ren, Bro Jinyu, and my friends?”

“For Ren, his goal is to be a high-rank police officer, right?”

“Ah so Ren going to sacrifice of being a Tanes then”

“Right and as for your friends only Yuhan will be going to enlist”

“Eh, are you really sure Auntie?” Rei nodded “so only Bro Yuhan from my group of friends from here that going to enlist in the future huh but why? What about Bro Jinyu, Bro Jinxi, and Rui Auntie?”

Need to ask first in case they didn’t reveal their background yet to Ken “are you aware of Jinyu, Jinxi and Rui wanted to become in the future then?”

“All of them want to become a Doctor Auntie, why?”

“That’s it, so aside from being a full citizenship of its nation being from any of Medicine Fields it’s all exempted for conscription services since they already serving their nations as being one from the Medicine Fields.”

“I see”

Joining the conversation of her Auntie and cousin then asking “then Bro Ken why not becoming a Doctor? You are really fit to become one”

“Nah I don’t want to since I would be busy in the future. And Ellyn, how about you why not becoming a nurse so that you can be Bro Jinyu’s assistance instead of becoming a singer, right?”

“Nah I don’t want to because I already abandoned Lynel and so becoming a singer will only the option left that I won’t ever sacrifice any of it because that’s my and Lynel dream to become one. I know Lynel didn’t throw any tantrums after hearing my selfish decision that I’m studying here and about liking Yu but as her twin sister I know that she’s sad, so I want to become a singer for our dreams as a Twins and I don’t want her to be disappointed with me again.”

“Yeah you are right and we don’t want them to be disappointed with us. Both you and I are going to do our best so that they can become proud to us as the elder one of them.”

“Yup, yup, and Bro Ken please always guide me because you were smarter compared to me”

“Talking about smart I guess its Bro Jinyu after all”

“Nah it’s you Bro Ken because your 2 years younger than Bro Jinyu and yet you already in the same grade, most of all you are always tie with him”

“Am I really that smart?”

“Uh-uh”

“If you’re talking about grades then I guess it’s Ren who is a smarter one. See Ren already prepared the reviewer for their entrance examination and it’s the sole decision of him without asking Mom, your Dad, and Auntie Rei, right?”

“Wow reminding me about that one, yeah Bro Ren really is, and not only that because Bro Ren has a nice and good voice compared to you. Whoa, I just realized it that I’m really lucky that I have Bro Ken and Bro Ren as my cousins, so for sure they are a lot number of girls will swoon over by both of you in the future and that’s my two cousins.”

“What the heck? After hearing that one Ellyn, you’re a bias one indeed.”

“Of course why would I not and it’s not because both you and Bro Ren are my cousins but because it’s the truth.”

“.....”

“Ah, we’re here” Tae interrupt the kids right away.

“Eh, we’re already here?” Both Tae and Rei nodded “how fast?”

“Ken and Ellyn”

“Yes, Auntie Rei?”

“You need to hang your uniforms so it won’t be wrinkled and also....” She wasn’t able to finish her instruction to the kids since someone interrupting them by talking with the kids.

“Good Morning Aunt Rei and Uncle Tae. Butler Yan, please carry Ken and Ellyn bag”

“Yes Young Master”

“Ah, right where are your uniforms, Ken and Ellyn?” The two just pointing their bag that he almost got speechless “Butler Yan please retrieves their uniforms from those bags and make sure it’s not wrinkled”

“Yes Young Master”

“Let’s go now, Ken and Ellyn”

“.....”

“Hey you two, are you still not used to me being like this?” The two just nodded “geez you need to use it already especially you Ken because you’re also ....” Got stop and didn’t finish because his mouth got covered by Ken right away.

“And since when did you become a talkative huh? Auntie and Uncle, we are going inside now, bye, bye.”
