

Last Man 41

Chapter 41 - The Shop

“Woah, they really have a long line up”

“Wait, what, what’s wrong with the line up?”

“Guys, I guess we must find a seat first before we order”

“That’s a good suggestion Mr Zhang”

“And we must find a big table for all of us”

One of the staff heard them and ask “how many are you Sir?”

“19 Ma’am and we have a four little kids with us”

“Okay Sir, just follow me and I will lead you the way Sir” the staff lead them the way while she’s looking to her boss and 4 little boss who just smiling at her. “This is your table for 19 Sir and we will get you 4 chairs for the kids and here’s the menu. Just call any of us if you already decide for your orders.

“Thanks”

“So that’s the reason for the line up getting shorter and shorter. So the management of this shop really knows how to please their customers very well”

“You’re right Mrs Min”

“By the way guys Manager Xiu will be here any minute, so Mr Li don’t forget to order his food” got a message from him and she replied where they are.

“Yes Mrs Min”

They begin to choice and select from the menu, they almost done for their orders but other three of them didn’t say what they’re planning and going to eat.

“How about you Ms Meng, Ms Li and Ms Zhang?”

“Heh, who said we’re going to share a table with you when a s–t is here?”

“That’s right and don’t count us Mr Li since we will having a separate chair from Ms Rei”

“Oh, if the three of you realize, I didn’t count the three of you, I said 19 including these 4 kids and not 22. And if you mind I also ask you what do you want to order because our order is only for us and maybe you taught that I will add your order then excuse me for not being thoughtful enough.” He raise his right hand then call one of the staff who just have serving the food to another table “Miss, we will take our order now”

“Yes, Sir and wait for a moment” she get a pen and a piece of paper with the menu “so can I have your order Sir?”

“Yes, this is our order” he narrate all the order of his seniors and juniors.

“I will repeat your order Sir” she repeat it then ask “did I miss anything Sir?”

“No you don’t and you get everything”

“Thank you Sir and we will serve your order 15 minutes from now”

“Uh-uh”

The moment the staff walk, Ms Meng called her in a rude tone

“Excuse me”

Because she is a customer and one of her boss is looking at her, she didn't mind this rude custome and just replied her in soft tone.

“Yes, Ma'am?”

“Can you find us a seat for three?”

“Table good for 3 is in the ground floor Ma'am and if you don't mind Ma'am just follow me Ma'am”

“NO, we want here and must seating near them” said it in loud voice and pointing where her co workers table are. Because of her loud voice, the customers in the same floor are now looking at her and the staff don't know what to do.

“But Ma'am....”

“No but me, are you an idiot? Is this way how you treat your customers? You just open this restaurant and you already acting like this.”

The staff just got embarrass because the others are already looking at her while she don't know what to do, thank goodness Rei answered her on behalf.

“Ah Miss if you don’t mind I think the management have an extra chairs and table, right?” Of course she knows because she also part of the management, so the staff just nodded her heads “then why not give them a table and chairs for them, then put near to our table?”

“T—-thank you M—-” almost blurted Ma’am Rei “thank you Ma’am”

“Your welcome Miss and no problem, then take their order first before you go”

“Y—-yes Ma’am” poor for this staff being the targeted by Ms Meng, she just a fresh graduate but because she doesn’t have a strong backers no one will hire her and other thing, her parents are in prison due to embezzlement, so no one will accept her because they might got became a victim of her. Because of this she almost lost hope for being unemployed but after seeing a flyer from this shop, she try to send her requirements with résumé and to her surprise she got an email from this shop about having an initial interview and then got interviewed by the three beautiful ladies now her bosses (Mei, Lyn and Rei)

“Just wait for your order to be served Ma’am and if you excuse me” the staff left and Manager Xiu who arrives the moment Ms Meng being rude to the staff and speak after the staff left then frank her junior after witnessing the scene.

“You know what Ms Meng, you’re the one whose being rude and not the staff. Because of this actions of yours, you must submit an apology report to this shop within today for almost making a scandal and of course of you’re bad manners”

“Manager Xiu, t—-”

“You can’t deny it Ms Meng, I witness it with my own two eyes and if I didn’t, this shop still have a CCTV so you have no excuses to deny” pointing all CCTV above them.

“Y—-yes Manager Xiu, I’m sorry”

“You’re apologizing to the wrong person” then he seat down where the Seniors seating.

The other customers in different tables who witness it can't help but chat to their group

"Geez, if I'm her Manager I already kicked her out"

"Shh...that was Manager Xiu from CA International Company and he just did it like that because it's not working hours anymore if not then she already been kicked out"

"The poor lady who didn't do anything got embarrassed, well thanks to that beautiful lady that helping her"

"So that table are all a team?"

"It must be"

"Tsk, tsk what a group of beautiful ladies and handsome gentlemen's"

"Yeah, the lady who's being rude awhile ago is also pretty but too bad she have an ugly personality"

Rei and her co workers except the three just continue chatting like nothing happen while waiting their foods to be serve without knowing them that the other customers are already talking about them.

After 15 minutes passed, the orders are now being serve by a male staff.

"Sir and Ma'am, is this everything you order?"

"Yes, thank you"

"Just call any of us if you will have an additional order"

"Uh-uh" the staff left while Mr Li give to his co workers what they orders one by one and to Ms Meng

“Ms Meng here’s your order”

“Tsk, are you a man or not?” then stand up and get her order from Mr Li hands.

“Ms Ru, can you pass my order to me, please?”

“Oh, here you are Ms Li”

“How about you Ms Zhang?”

“If you don’t mind me Ms Rei then thanks”

“You’re welcome and here you are” Rei pass the food to her and Ms Meng witness it reacts

“Tsk, show off”
