

Last Man 45

Chapter 45 - So now we know why Ms Rei is like this

After laughing, Mei press the intercom that connected to the conference room and said "Ma and Bro, I will introduce someone to you and no worries it's Sis Superior and Mentor"

"How? Is she/he one of our customers today?"

"Yeah Ma, you guess it right and we will be there in a few minutes. By the way my husband is also there?"

"En follows you and he didn't come back until now"

"Oh, how about Rei and kids?"

"The kids are here with us while Rei helping Lyn"

"Oh, okay" then mumbling something that enough of the others to heard her "so my husband is nowhere to be found?"

She press the intercom again and this time its connected to the cooking area "Sis and Lyn go to the conference room first and leave the other chief to handle for now"

"Okay, by the way Mei you're husband is seating outside in your office and waiting for you when will you go out. And you already done for the planning? How fast, it's been 30 minutes since I left and you already done?"

“What do you think about your Superior and Mentor, huh? But wait, My En is outside in the office?”

“Will both of them are my superiors so no wonder they did it fast and yeah, the moment I go out from your office he already seating there like a guard”

“Ha, ha what if my En will hear you that, Sis?”

“Bro En already know that one because I told him awhile ago that if his already that worried about you he can go outside because he is your husband and not a guard”

“Pfft”

“What’s so funny, Mei? Ah, nevermind that one and we’re going now”

“You’re the one who’s funny Sis and ....”

“Boss Mei both Ma’am Rei and Boss Lyn already left”

“Oh, okay geez those two are both serious. How about you guys, have you already eat your lunch?”

“Yes Boss Mei, the moment Ma’am Rei arrived here in cooking area, she give us time for break. You know Boss Mei, even only Ma’am Rei and Boss Lyn in charge for 30 minutes it’s like 30 professionals chief are here, we are nothing compared to both of them”

“Shh, don’t think about that Assistant Chief, all of us have limitations and don’t look down yourself because all of us have strength and weakness, you know what I mean, right?”

“Yes Boss Mei”

“That’s good and it also applied to all of you in there, so don’t let Sis, Lyn and I heard that again, alright?”

“Yes Boss Mei”

“Okay and take in charge for now Assistant Chief”

“Yes Boss Mei” unpress the intercom then said to the two who just listening their conversation “let’s go now Sir Xiu and Mrs Min”

“Okay Ms Mei”

They left and the moment Mei open the door, they heard a man voice

“Oh, you’re done My Mei”

“Yes I’m done now My En and how’s the feel of being a guard?”

“It’s good and whatever it is as long as I can protect you, I will do it until the end of our life”

“I know and now, let’s go where everyone is”

Mei held En hand and they walk followed by the two behind.

Both Xiu and Min are looking to En again and again and wonder why that this man in front of them is familiar but they can’t recognize who is he. Sooner they arrived in the conference room and Mei told directly before seating.

“I just instruct to the staff to eat their lunch time by time so that we can still serve the best to our customers. Sis already give breaks to our chiefs, so no worries for Lyn to be here. Sir Xiu and Mrs Min you can take a seat first, you Sis, you’re the one who introduce us to them.”

“Alright and here I thought you will be the one doing it”

“Dream on, Sis”

“I know” Rei stand up and introduced her family one by one by pointing them “So Manager Xiu and Mrs Min these are my immediate family, My Mother Aya, My Brother El, his wife Lyn and parents of Ellyn and Lynel, next My Sister Mei, her husband En and parents of Ken and Ren as what I told you awhile ago. Guys this is CA Manager Xiu and My Mentor Mrs Min”

“Thank you for taking of my daughter Mr Xiu and Mrs Min”

“It’s alright Mrs Aya and by the way Ms Rei sorry for being a nosy one but why your family members is look familiar and yet we can’t recognize them”

“Ah, right. Sorry for that Manager Xiu and I’m not bragging but I’m proud that I’m a member of this family. So I will both give you a hint A-Aya, E-El, C-Lyn, T-M and IC-En”

Both Xiu and Min repeat the clue “A-Aya, E-El, C-Lyn, T-M and IC-En?” then after repeating again and again to their minds, both of them suddenly gasp and their eyes slowly widening then said it together “D—don’t tell me they’re Accountant Aya, Engineer El, Chief Lyn, Teacher Mei and International Captain En?”

Because of their reactions the family except the kids said in unison “Uh-uh, you guess it right Manager Xiu/Mr Xiu/Sir Xiu and Mrs Min, but you’re reactions is too much, right?”

Only their taughts ‘Too much? Are all of you serious? Each invidual of you are Top Ric.h.e.s.t in the C Country and yet no one know your real identities. Everyone assume that you become the Top Ric.h.e.s.t because they taught you got it from your inheritance but the truth is you got rich as what the articles says that you become rich because of your career who everyone expect it’s just a rumors. Now these people are in one family and if we combined them, how much powerful they are? This is the first time seeing them in person and we even know who they are, so are reactions are really just normal and not too much. And then Ms Rei who just started her career will be also become one.’

“Rei, are they alright?”

“Uhm, I don’t know Ma but I will ask them, Manager Xiu and Mrs Min are both of you alright?”

“ ... ”

“Eh, Aunt Rei what happened to them?”

“Calm down Lynel and maybe let’s try to call an ambulance?”

“Ren and Lynel both of you relax, let Aunt check the situation first?”

“Manager Xiu and Mrs Min?”

“ ... ”

“Oh no we must call an ambulance Aunt Rei”

Both of them heard the panic voice of the kids and they out from being dazed and back in the reality world’s.

“I and Mrs Min are both alright kids” the kids sighing relief.

“So Rei this is your family?”

“Yes Mrs Min”

Then both of them said it in sync “so now we know why Ms Rei like this”

“Eh?”

“You don’t know why Ms Rei?”

“Why?”

“Ask your family Ms Rei”

After hearing it everyone including the kids said it together “Ask what?”

“So I and Mrs Min guess it right that A-Aya is stand for Account Aya and so on for everyone, right?” they nodded.

Both Xiu and Min realized something ‘oh, don’t tell me all of them is not aware of how rich and influential they are’.

“Never mind that one everyone and for now we’re going. Once again thank you for giving your time to us”

“Oh no worries. Yes, sure go ahead Mr Xiu and Mrs Min”

“Ma, I’m going to see them out”

“Yes Rei”

Rei escort them out and after making sure they’re alright, Rei entered back again to the shop meanwhile the two who still can’t believe that they meet the other top ric.h.e.s.t in the C Country.

“Manager Xiu, don’t we think it’s just a dream?”

“It’s not Mrs Min, I also thought that’s it just a dream but it’s not”

“T—then we really met the top ric.h.e.s.t in our country?”

“Yeah, it really is and aside from the Li, Zhang and Meng, those five are already top for individual so if we combine them?”

“No, no I can’t imagine that one Manager Xiu and we never expect that Rei is have a powerful background but never abuse it”

“That’s why she’s really one of a kind and same to her family members because all of them never flaunt how rich they are and just stay low profiles.”

“Right and bye Manager Xiu”

“Bye Mrs Min”
