

Last Man 46

Chapter 46 - Top Ric.h.e.s.t Individuals?

Only Xiu and Min knows the true family of Rei's background and identities, they want to reveal it but they keep it quiet because they know it's Rei privacy and also know that they're not aware how powerful they are and only knows how they've become successful to their career except for the money and how influential they are. Even though Xiu and Min sometimes wonder how all of them didn't know about it but realize they must know it now when they leave at the shop because they know that these family are all genius and observant but just want to leave a normal life. Yes of course, Xiu and Min guess it right because Rei and her family knows something missing at the moment Xiu and Min left the shop. As being all of them as an observant they know that these two hiding something so as soon as they arrives, they let the kids sleep first and Aya also followed because she's not young anymore.

After making sure that the kids and their Mother are sleeping soundly, they get inside in the study room and now are seating in front of PC's / Laptop screen.

"Bro En, Bro El, Mei and Lyn search your own name while I will search Mama's name because all of us here don't know why my superiors have a weird reactions after knowing your public name"

"Yeah, you're right Sis"

"No chatting My Mei, let's go and search it right now, then after finding it out we will relay it one by one"

"Yes Bro En/My En"

Then all of them automatically focus to their PC's / laptop screen and search about them. After reading an article after an article, they summarize it and printing it through the wireless printer. Even though they just know about it now, all of them don't have a shock expressions and just remain calm. After printing, all of them are now seating in meeting rooms, facing each other and proceeds their discussion.

"I will go first guys since it's Mama about"

“Yes go ahead Sis / Sis Rei / Rei”

“Accountant Aya start as an ordinary employee and promoted to the Head Accountant of the firms that mostly their client are top businessman and after 30 years of services Aya suddenly retired. Even she already retired she’s the most ric.h.e.s.t individuals in accounting field, a mysterious background and unknown who is she but enough to stir up the country for being the ric.h.e.s.t individuals. Everyone don’t know her real identity, unknown gender and only guessing that she’s a woman because of her name. Every year, the accounting field try to invite her but always decline the said invitation. A mysterious one, no ones know who are her families, her status and her appearance.”

“International Captain En, after 2 months since the news about the mysterious Aya, another mysterious man appeared. Not a fully Ceno (citizens in C Country) but still make in the list as the top ric.h.e.s.t individuals in shipping fields. Most popular captain but yet no one knows his real identity if you’re not working or belong in shipping fields. Being known as a man because his colleagues mention him but just they mention him they suddenly got suspended in shipping fields because they violates their colleagues privacy. Age unknown, status unknown and face unknown. Just like Aya, he also one of the invites but never appeared in the said invitations”

“Engineer El, just as we discovered the mysterious captain, this engineer appeared in nowhere and making the top ric.h.e.s.t individuals in Engineering Fields. He is the most requested Engineer from any business that wants to have a best electrical wirings decision and planning. He is a decision maker and a strict man, we got a picture of him but a blurred one because this Engineer is very quick and fast, so no one can capture any of his looks but as what we see he had a good posture and feature. He also got invites but never appeared and always stay as a low profile”

“After a year, another mysterious lady appeared, a beautiful and young one, nobody will recognized her if she’s not wearing a make up but behind those make-up she was a truly goddess and beautiful said and explained by one of the beauty expert in C Country. She is known as Teacher Mei and most requested ESL Teacher all over the world. As such as a young age she already make in the list and already the Top ric.h.e.s.t individuals in Teaching fields. Rumored to be dating with our Mysterious Captain but no one can prove it, so her admirers from our bachelor businessman, from the teaching fields and any single men who attracted to our goddess Mei are still hoping. Age known but status and true appearance is still unknown. She always received an invitations but never appeared just like the other mysterious Aya, En and El”

“At the same time another beauty appeared almost the same age to our Goddess Mei. This is Chief Lyn, as the representative chief to her graduate schools she receives a consecutives awards for Best Chief in C City and Best Chief in C Country. As being known as Best Chef, she always the main chief in any events

for business and governments. But just the day when she make a top ric.h.e.s.t individual in cooking fields, Chief Lyn suddenly disappeared in cooking fields and never back to her expertise.”

“So these 5 mysterious individuals will be now known as Accountant Aya, International Captain En, Engineer El, Teacher Mei and Chief Lyn. These 5 are all top ric.h.e.s.t individuals in different fields and always in the top as of this year 20XX.”

After realizing that they said it in unison they just look each other and don’t know what will be their reactions first, they don’t know if they will laugh or cry. As the oldest among them, En said to them.

“Let’s just pretend we don’t know about it or we know but just stay the same and we will live in a normal way”

“Yeah, that’s right Bro En but there’s one thing that I’m confuse”

“Is it about the invitations, Sis?”

“Yeah that’s right Mei and Mama co-Accountant was always the one who receives the invitations and appeared in those invitation they’re talking about”

“Same with me” all of them said in sync and realized where it went wrong but then conclude and said it together including Rei

“Well if it’s like that then we would be grateful for them, at least we still known as a mysterious”

Then they laugh, separate and go to their own room. All of them never ask where the money went because they know, they will save it to the bank accounts for the immediate family, for the kids, for the emergency and some for the charity. All of them have a charity for an orphan kids, abandoned senior citizens and a cancer patients, even Rei who still not the same level as them but unknown to them she also known as a hidden rich lady due to her being thrifty and just use her money if it’s really necessary

and share it to the charity she have. All of them known as an unknown donor because they don't want to be known and just want to help. They have a separate bank account (Own account), immediate family bank account (Jang, Din and future husband of Rei account), family account (Din Account) and joint account (En/Mei, El/Lyn and ?/Rei). The charity funds are from their separate bank account so no need for anyone approval if they use the money because it's their own account and when they give something to the charity mostly it's in goods and kinds, all of them didn't want to give in cash because they know that money is the source of evil and troubles and what they want is to help and support and not to create a monster.
