

Last Man 481

Chapter 481 - Vol 7: Ch 481 – A Live Interview of a Married Celebrity Couple 3

Everyone either from the Loyal Viewers or Live Audiences, all them can feel how the couple love with each other, they even think that they might already know and aware of the questions in advance but then knowing the reputation of the program and it's a live program, they are now confused if they really got to know the questions in advance or not. After interviewing Tae they go for a short commercial break and when they return, they show a little clip of behind the scenes that cause the live audiences to giggle and alive because they see that clips when Tae giving a back hug to his wife.

“Now, now, guys you need to calm down because we are not yet finished and for now let's proceed to our next segment. In this segment, we will be going to ask both Manager Rei and M'dols Woo the same questions and it's up to them who's going to answer first. Are you now ready Manager Rei and M'dols Woo?” The two just nodded since they didn't expect that they already start filming during that time. “I see and alright, so here are the questions for the both of you”.

Q1: How would you like to celebrate the special day for you both?

Tae let Rei answered first based on the sayings ladies first and of course, he always let his wife go first.

Rei: I would like to celebrate special days with Tae even it's the simple and plain ways as long as I'm with Tae and that we celebrate our special days with each other.

Tae: As for me, I would like to have a surprise celebration for Rei because I want to see every reaction of my wife when she got surprised since it's worth witnessing it.

Q2: How good are you at keeping secrets?

Rei: I don't know if I'm really good at keeping secrets but I guess it's a so-so for me.

Tae: So-so? (Then he suddenly laughs)

Rei: Why are you laughing Dear?

Tae: (Looking at his wife and then hold her hands before answering) to tell you the truth, my wife is really good at keeping secrets if only it's not her family members and as for me, I know how to keep secrets very well since no one from the media's and paparazzi knows that I'm already dating with my wife Rei that time even my co-members are not aware of it, so it means I'm really good keeping secrets and same with my wife because she's also know how to keep secrets very well.

Q3: What are the qualities your dream partner would have?

Rei: As I said a while ago my dream partner qualities are tall, white, and handsome but that's only for my first impression because the one I really love for the qualities of my dream partner is to accept you of whatever you are, whoever you are and love you wholeheartedly just like Tae. (Then looking at Tae and said), I'm really lucky to have you Tae.

Tae: (Caught off guard, blushing and clearing his throat right away). Ehem and as for me, when I'm still young the qualities I've been looking for my dream partner are s.e.xy, pretty, and easy to mingle with but then when I first land my sight to Rei, everything change because those qualities I didn't see it right away because Rei suddenly stole my heart very so sudden that I even deny that one. Of course, Rei almost got it all because she's really beautiful and s.e.xy except for easy to mingle with since she just likes me, a cold and chic type after all but then inside she's too kind, nice and everything because Rei all had it and a perfect woman for me.

Rei: (Whisper to Tae) I'm s.e.xy?

Tae: (Whispering back to his wife) yes you are Hon and so that's why don't take off my coat, okay?

Rei: (Got speechless and just elbowing Tae on his waist)

Hannah: Ehem, ehem, the two of you please enough with your dog foods.

Both: Huh?

Hannah as the host ignored them and continues asking them in order to finish it because it's still awkward for her since Tae is her ex-boyfriend after all.

Q4: Who is the one who changed your views on love and relationship?

Rei: My views on love and relationship never changed because what I have seen from my parents' love, I can also see it in Tae, so it never changes.

Tae: Rei is the one who changed my views on love and relationship because before I meet Rei, my views on love and relationship are so vague since I'm in the Entertainment Industry after all. The one I'm dating before I meet Rei was leaving me alone because that someone thinks that being in an Entertainment Industry doesn't have the right to love since we only belong to the public and doesn't deserve to love, of course, we broke up because we have different views and later on I meet someone again, so I tried to love again but it also doesn't go well. I almost lost hope that love wasn't for me but then I meet someone who accepts me that I'm from the Entertainment Industry but then, later on, I got injured so that someone leaves me because she thinks I'm only a burden to her and that's the day I tell myself that love wasn't for me and I deserve to be alone. So then that day I focus on my career and didn't think that one again, of course, I didn't hope that someone will love me. Later on, Rei suddenly appeared in my life and steal my heart in just a matter of seconds but as I said a while ago I keep denying it because I'm afraid, afraid to hurt again, and afraid that she's going to leave me alone also. Since I'm afraid I just stalking her for two years that I've never expected that I meet her through that car accident because I and one of my manager almost hit her that day and I gained my courage to talk with her then my views on love change because of Rei."

The surroundings become awkward especially to Hannah because she's one of that someone Tae's mention and on the other hand after Tae finish his answers, he hugs Rei right away while Rei requests the program for breaks because Tae become emotional all of sudden.

"Can I ask for 15 minutes break?"

Hannah in a daze for a moment and then said "alright we will go for 15 minutes breaks, we will back again so stay tuned, and Miss Hannah here, at your service."

And so the program proceeds for commercial breaks right away. Manager Kang also notices something wrong with Hannah and ask her.

"Miss Hannah, what's wrong with you all of sudden?"

“Sorry Manager Kang but can I go to the toilet first?”

“Yes, you can go but be back after these 15 minutes breaks, okay?”

“Yes I will”

“Manager Rei, I’m sorry for what happen just now and we didn’t expect that this question is taboo for your husband, but how about M’dols Woo, is he alright?”

Rei c.a.r.e.s.sing Tae’s back and replied to Manager Kang “yes Manager Kang he will be alright”

“I see then I will leave you alone here and tell me if we can proceed to the next questions, okay?”

“Yes Manager Kang”

Chapter 482 - Vol 7: Ch 482 – Rei comforting her loving husband

Tae just finishes with his answers and right away before his tears fall from his eyes, he hugs his wife right away and silently crying. On the other hand, Rei asks right away for breaks because she already knows why Tae suddenly hugs her and then talking to Manager Kang. After Manager Kang leaving the couple on the stage for the interview, Rei continues c.a.r.e.s.sing Tae’s back and said, Rei talking in Ceno because they still have a wireless microphone on them and she’s still not assured if it’s already disconnected.

“That was my first time hearing that one Dear but I already know that you’re not alright at all after she appeared and meeting her.”

“Sorry for keeping this one Hon”

“No worries but how about you Tae, are you really alright?”

“I will be alright because I have you”

“Are we still going to continue with this program?”

“Yeah we will and we have to because this is what I want.”

“I see and geez”

“What’s wrong, Hon?”

“You’re really such a crybaby and now they know that you are”

Tae release his hug from his wife, looking at her, laugh then said “since when did you have a sense of humor, Hon, huh?”

“Did I?”

“Yes you did and what’s wrong with letting them know that I’m a crybaby, huh?”

“Silly” Rei tap his head “that’s my secret only and yet you revealed it”

“Ha, ha, ha you are really silly Hon but that’s not the only secret you have from me you know”

“Huh? And what do you mean by that?”

“Are you really asking me that one Rei, huh?”

Rei didn't get what he means and have a confused expression “huh?”

Tae dumbfounded and almost speechless because of Rei but then whisper to her right away “everyone here, the media's and paparazzi including both our family members are all not aware of how good I am and you're the only one who knows that one, of course, you're the only one who's seen it and everything you're the only one.”

Rei blushed, elbowed him, and said “you're really a pervert one Tae”

“Ha, ha, ha yeah and it's only for you Hon”

Rei changing the topic right away because her husband might lose his control “by the way Dear, are you alright now?”

“Yes I'm alright now”

“That's good then but how about her?”

“I don't know what happen to her but if she's really a professional one just like you then she will back and continue doing her tasks”

“Right, right and now look at you, you're in a mess Dear luckily I have a foundation in here”

“He, he, he”. Then Tae smiles and laughs like a crazy one.

“Tsk, you're really such a crybaby Dear.”

“Yeah I am indeed but then my wife suddenly becomes my stylist huh.”

“Yeah, I just realized that one Dear and I have so many roles to you.”

“Eh, really and what is it then?”

“All around wife for you and mother of our kids”

Then Tae looking and gazing at his wife then call her attention “Hon?”

“Yes, Dear?”

“I do wonder why I do love you so much, so why?”

Rei just finished applying foundation to Tae’s face then put it inside her clutch and tap his nose before replying to him “you really ask me that one, huh?”

“Uh-uh”

“I see but don’t ask me that one Dear because I also don’t know why do I love you so much. Wait for a moment, don’t tell me you put some love spell to me so that I will love you so much, Dear?”

“Silly Hon and among the two us here, who offer foods to us first, then?”

“Ha, ha, ha I did so don’t tell me I put some love spells for you to love me then?”

“Silly” and then c.a.r.e.s.sing her face “on your first day here, you just stole my heart without any love spells you know”

“Ha, ha, I know because you already told me that one many times that I even lost counts, Dear”

“I love you, Hon”

“I love you too, Dear”. Then Tae going to kiss his wife but then got stop by Rei. “We’re outside Dear and we’re still in the program studio.”

“I know but just a quick kiss, okay?”

“Okay” then Tae gives a peck kiss to his wife.

Then right away after the kiss, Rei signaled Manager Kang that Tae is alright now and they can proceed to the next questions.

Meanwhile, Hannah goes to the toilet right away and cry. She knows it’s so late for her to retract it back because she can see how happy Tae’s right now but still she did hope that Tae might have still feelings for her after witnessing that Tae’s is not really sweet to his wife in public but then after questioning them one by one she can now sense that they really love each other, especially to Tae. When they’re dating that time, Tae is not the Tae she dated before or she just really doesn’t know the real Tae since she leaves him because he got injured from his team concerts and thinks that Tae’s a burden to her life. She cries and cries until someone calling her name,

“Miss Hannah?”

“Oh, Miss Kang” right away wiping her tears.

“You’re crying?”

“No I didn’t and it’s just something fall on my eyes”

“Don’t kid with me Miss Hannah and I don’t know what really happen between you and M’dols Woo but I can guess that you’re one of his exes and happened to date him in the past, right?”

“Tsk, what are you saying Miss Kang? Me, an ex-girlfriend of Tae, that’s impossible you know”

“And you just call M’dols Woo as Tae without honorifics”

“T— that”

“I don’t know what really happened between the two of you but can you not let your feelings distract you with your work, can you?”

“.....”

“You’ve been the main host for this program Miss Hannah for many years, so just be a professional one just like our guests in there. M’dols Woo is just like that because we ask a taboo question to him but look he still answers it and then knowing Manager Rei reputations, she didn’t even demand from the management to know the question in advance just to protect her artists especially it’s her husband we’re talking about because she follows the agreement, you understand me right?”

“Yes, I understand Miss Kang and thank you. For now, just let me wash my face for a moment”

“Okay and come here” then hug Miss Hannah because she treats Hannah as her older sister after all.
“Just move on Sis Hannah and you will meet someone. If you meet that someone then makes sure you didn’t repeat the same mistake of what you did, okay?”

“Okay”

“Alright and wash your face now. Geez, why do I act like an older sister compared to you then?”

“It’s because you have 2 younger sisters and 2 younger brothers compared to me who’s the only child of my parents.”

“Right, right”

“Thank you Hani”

“You’re welcome Sis Hannah”

Chapter 483 - Vol 7: Ch 483 – A Live Interview of a Married Celebrity Couple 4

After they calm down, the program continues.

“Alright we are now back and this is Miss Hannah, at your service. So now before the breaks, we didn’t expect that we got to know a little bit of dating past of M’dols Woo here, and as for the management, we didn’t expect that we really ask a taboo question for our guests today but well the questions are all came from M’dols Woo fans and our teams, so we just only got to know what questions it is only after I ask from these envelopes, so we are really sorry for that. Alright, I won’t get it longer so now I’m going to continue where we left off, so now Manager Rei and M’dols Woo, are you now ready?” Both nodded.

Q5: If you both like two different things how would you settle to buy one thing?

Rei: For me, I will buy one thing based on how it’s really necessary for us.

Tae: My wife is my priority so I would buy what she likes and just buy for my likes after.

Hannah: Ehem, I don’t know if it’s a taboo question again but then it comes from the fans so I just need to relay it so then here’s the question.

Q6: How many s.e.x.u.a.l partners have you had in your past?

Rei: I’ve never been in a relationship before so I’ve never had any s.e.x.u.a.l partners, in other words, it’s only Tae, right Tae?

Tae: Yeah indeed it’s only me and that’s my pride as a husband of Rei. As for me, of course, Rei is not my first kiss because I have a past relationship before but it doesn’t mean that something happens to me and to my past relationsh.i.p.s because it also happens that Rei is my first s.e.x.u.a.l partner. I’m sure everyone in here wouldn’t believe me since I’m in the Entertainment Industry but that’s the truth.

Hannah: So in other words both of you are both of your firsts? (Both nodded) I see then and sorry for my reactions because I was just surprised since both of you are both pretty and handsome, so now here are the next questions.

Q7: What kind of parent do you think you will be? Or rather let me rephrase it since you already have twins after all, so here, what kind of parents you are now?

Rei: I just follow my parents' method on how they raised me and I will always love our kids.

Tae: I also follow my parents' method on how they raised me and I will always love our kids, though our kids only my next priority after my wife since my wife always be first.

Rei: As I said a while ago I've never been in a relationship before but I will be making sure that Tae will be forever my husband because he's like my air breather after the wind and air.

Tae: Hon?

Rei: What?

Tae: Tsk I do love you after all and as for me, I've learned that if it's not meant for you then you won't be meant to be and I'm really glad that my past relationsh.i.p.s didn't go well though it really hurts during that time when we broke up but still I'm thankful for that because I meet the right one for me.

Q9: How many years would you want to date a person before marrying them? What is the thing that you are the most grateful for?

Rei: He, he that one I and Tae didn't even date for one year since we registered our marriage after almost 8 months of dating. The one I'm grateful for is to have Tae in my life and he becomes my husband.

Tae: Remembering that one Hon, yeah you're right we registered our marriage after almost 8 months of dating but I guess we already dated for almost 3 years since I've been a stalker of you for 2 years after

all. I'm also grateful that Rei comes into my life knowing that she's not a Senian and she becomes my wife.

Q10: Who is the person who inspired you to be the person you are?

Rei: My Family Members

Q11: What are the most important of having an ideal relationship?

Rei: Trust, Love, and Acceptance

Tae: Good Communication, Mutual Respect, and Time in the relationship.

"Alright and thank you for both of your cooperation and now let's have a raffle draw in here. The first prize can have a picture with our guests today, the second prize will have an autograph with our guests and the third prize can get a token from us." Then Hannah starts drawing names and has 3 winners. "Congratulations to the winners and now we will go for commercial breaks, please continue tuning with us, Miss Hannah here at your service."

"Manager Rei and M'dols Woo please come here for a moment"

"What's wrong Manager Kang?"

"Nothing's wrong Manager Rei and here, both of you eat some snacks."

"Thank you, Manager Kang"

Automatically Tae picks something from the snacks according to his likes and feeding Rei right away.

“By the way do you want sodas, tea, or coffee?”

“Just juice Manager Kang since my wife is pregnant after all”

“Eh?” Everyone is surprised because they still didn’t read those articles, well to be honest Rei controlled it as R when Tae disclose it since she doesn’t want Tae to worry anymore about her because his enlistment date is getting nearer after all.

“I see, so all of you here didn’t read those articles huh?” Everyone nodded “well it can’t be helped since I’m an artist so maybe R protected my privacy rights”

“Yeah you’re right M’dola Woo and since the beginning of the year R become more strict especially if that’s Senian is either from the government authorities or from the entertainment industry, as long as you’re a public figure, R will be strict and surely protecting the rights of individuals.”

“Indeed and I’m lucky that we have R to protect us from media’s and paparazzi, right?”

“Right and M’dols Woo sorry”

“Eh, what’s wrong Manager Kang?”

“I thought you’re really a cold person but knowing you personally now, I guess I got it wrong and you are really deserved to be with Manager Rei. Please take good care of your wife because they are still many who’s after her you know”

“Thanks and yeah, that’s really my biggest problem but I can’t help it since I do really have a pretty wife after all”

“...” Manager Kang got speechless because of Tae showing off.

“Hon, why are you just eating there silently?”

“Silly I can’t help it because you’re talking about me as if I’m not here you know”

Last but not the least, both answered that M’dols Woo is the one who’s good on bed meanwhile Manager Rei answered it while blushing but at least she answered it honestly. Alright as for their differences Manager Rei wants two kids in the future which they already have twins, she also wants to be left alone to heal if she’s had a bad day and connection of emotion over intimacy meanwhile M’dols Woo answers different from Manager Rei since he wants 4 kids in the future and he likes to talk it out with Manager Rei when he had a bad bay which already proved a while ago when we happened to ask a taboo question for him and then chose intimacy over the connection of emotion. After announcing the winners they go on commercial breaks and then back right away by showing other clips of behind the scenes.

“Now, now and from that behind-the-scenes clips everyone here in the studio witness it on how Manager Rei comfort M’dols Woo since we just ask a taboo question to him though we didn’t understand what they’re talking about about since they’re speaking an alien language. So to know what language it is let just ask them what language it is, so Manager Rei what language it is?”

“It’s Ceno, C Country Language and that’s my original spoken language since I’m a Ceno”

“Oh, so it means M’dols Woo already fluent in your language then?”

Rei looking at Tae and smile then replied to her “yes and Tae’s already fluent in it”

“I see and can we know when did M’dols Tae learn your language?”

“Yes you can Miss Hannah and it’s after we registered our marriage since my family members happen to visit here, so in order for Tae to not be left out I teach him my spoken language and Tae is a fast learner”

“I see and you two really loved each other huh”

“Yes, we are, right Dear?”

“Right”

“Ha, ha, ha and that’s good to hear, so now are you ready for our last segment for today?”

To be honest I'm quite shocked and surprised because our guests for today are really in sync and it seems they already know what kind of questions we're going to ask them but then it's not since you know it that this program will ask the guests an impromptu questions. To prove that we really didn't tell them the questions in advance here are some clips of behind-the-scenes when the programs in-charge briefings our guests today. Once again thank you for tuning in and this is Miss Hannah, at your service."

Chapter 485 - Vol 7: Ch 485 – Unexpected meeting with Tae's Ex-girlfriend again

The program ends very well and now all of the program's personnel are now on backstage, some of them are clearing and cleaning the stage. Tae, as one of the famous members of M'dols, some live audiences asking his autograph along with Rei, after all, it's very rare for Rei to appear with Tae since the Team Managers always working behind the scenes for the teams, and the live audiences who approach them never miss the opportunity to take a picture with them. The little girl who got pick by Tae at first draw approach them and talking with them.

"Miss Pretty and Mr. Handsome"

"Oh, it's you little girl, and what's the problem?"

"He, he, he no problem at all Mr. Handsome but Miss Pretty here promise me that she will give me a chocolate cake, so when can I have it?"

"We will deliver it to you tonight but which one do you like, a chocolate cake personally bakes by Miss Pretty here or we will just buy one?"

“Eh, Miss Pretty knows how to bake a cake?”

“Yes Miss Pretty here is amazing and she bakes really well”

“Eh, t—then can I have it?”

“Yes you can but keep it a secret from everyone, okay?”

“Okay and that’s a promise then, okay?”

“Okay”

“He, he, he bye-bye Miss Pretty and Mr. Handsome”

“Dear, do we have enough supplies at home?”

“Yes Hon and Mom never miss it”

“I see and.....”

“Manager Rei and M’dols Woo”

“Yes, Manager Kang?”

“Thank you for coming here and here are your tokens from us”

“You’re welcome Manager Kang” then they accept the tokens from him.

“Are you going home now?”

“Yes we’re going home now Manager Kang”

“I see and have a safe trip”

“Yes, we will”

Then right away Tae holds his wife’s hands and they leave the studio right away. Tae is still the one driving while Rei takes a nap. When they arrive, they change right away and then feeding the twins before feeding themselves and their own self. At exactly 1 pm, Rei starts baking and assist by Tae. Around 3 pm, they’re on the way to the little girl’s address; both are just wearing jeans and white shirts without disguising to hide their identity.

“Hon, are you sure we are not lost?”

“Yeah we are not and this is the address that the little girl gives to us, of course, we already use a GPS for us not to get lost”

“I see and so which one then?”

“I don’t know Dear but let just ask” then Rei opens the car window and asks someone who just passes by “Uhm, please excuse me Sir but can I ask something?”

The passersby got surprised because of Rei’s beauty and almost got tongue-tied. “y—-yes Miss?”

“Is this 83A, Main Street, C Capital City?”

“Yes Miss”

“I see and by the where’s the ABG Building?”

“That one Miss” replied while pointing at the said building.

“I see and thank you Sir” then Rei close the window but still enough to hear the passersby comment.

“Who’s that beautiful lady and why she looks familiar? Is she a celebrity?”

On the other hand, Tae glaring the poor passersby while Rei talking to her and ignoring the passersby comment “Dear, we were in the right place and that’s the building where the little girl residing, both of us.....” just realized that Tae glaring to that passersby and if the glares can kills then for sure a lot of body already piling up now. “Dear?”

“Yeah, I heard you Hon but I guess I need you to hide because they are still some looking at you and why do you look so beautiful Hon?”

If it’s Mei she will just reply ‘it’s not my fault that I’m born to be beautiful you know’ meanwhile Rei just got speechless “....”

“Right, when I’m already on my enlistment, don’t go around when you’re alone and let Mom accompany you when you’re going out, okay?” Rei after being speechless she just laughs because of her husband “and why are you laughing Hon? I’m talking with you seriously, you know”

“Of course I know and just relax Dear because you know me very well, right?”

“Yeah I know that you only going out to work, to buy food supplies, to buy necessary things, and to attend mass but still I don’t trust men because they’re looking to you as if you’re not a married one”

“I don’t know how to reply to you with that one Dear but just relax, okay?”

“But.....”

“Geez you’re not only a crybaby but also a worrywart, huh but then just trust me Dear because I only have you as my man and husband, okay?”

“I know but.....”

Then Rei kiss his lips right away and ask “are you okay now?”

“..... you know what Hon?”

“What?”

“Nowadays you’ve become bolder, you know”

“Eh, really Dear and are you sure about that?”

“Uh-uh”

“I see but well what’s wrong with that? You’re my husband after all”

“Nothing’s wrong with that Hon but then....”

“But then, what’s wrong?”

“You will catch me off guard you know.”

“Huh?”

“See?” at the same time pointing to his partner.

Rei looking to where Tae pointing and got speechless “.....”

“So I request to you Hon that you just need to be a bolder one when we were at our room, okay?”

“Okay and I will keep that in my mind”

“Good and now let’s go”

“Eh, but how about you Dear, are you” Tae gives her a warning look and she got it right away
“alright let’s go now and that’s the ABG building”.

Tae amusingly looking to his wife reactions and smile then drive right away to where the building located and then he parks the car right away. As usual, he got out first and assists his wife before she getting out of the car and it’s Rei’s car they used for today.

“So which floor Hon?”

“The little girl said it Unit 708 so it must be on the 7th floor Dear”

“At least this building is not bad huh since it had 1 elevator and here I thought we’re going to climb the stairs.”

“Dear?”

“Just stating the fact and I’m not criticizing it”

“I know”

The two of them ride the elevator and Tae press the 7th floor from his empty hands. Not even 2 minutes, they arrived on the 7th floor and now looking at each room number.

Ding, indicating that they arrived on the 7th floor.

“Unit 708, 708, 708, and here it is Hon”

“Yeah it’s here but they don’t put any nameplate on the wall huh”

“Hon, what did you imagine it would be? And for you to know Hon, each unit of CA Residences also doesn’t have any nameplate right?”

“Ah right and I forgot that one, silly of me”

“But then there are still some nameplates in other apartments and residences, Hon”

“Yeah and so now are we just going to stand in here and not planning to ring the doorbell?”

“Ha, ha, ha and you’re right Hon” then Tae looking around but didn’t find anything “there’s no doorbell Hon”

“I guess we just need to knock then” right away Rei going to knock but then got stop by Tae.

“Let me Hon” then knock right away.

“Knock, knock, and knock”

“Yes, and who are you looking for?” That someone just realized who is it and call his name. “T—Tae?”

“Hannah?”

Chapter 486 - Vol 7: Ch 486 – Formally talks with Tae’s Ex-girlfriend

Both Rei and Tae are still talking with each other and on the other hand; the little girl is talking to someone then suddenly heard a knock from the door.

“Eh, do you expect some visitors?”

“No I’m not and how about you, do you expect some of your friends to come here?”

“Not around this time since they will be here around 5 pm but just open it, maybe it’s my cake since Miss Pretty promise to deliver it within today”

“Tsk you’re really an unbelievable one and how did you ask that one from one of the program guests, huh?”

“Well they tell me that I can ask whatever I want, you know”

“Yeah they did but you just need to behave yourself and won’t demand anything from them”

“Well it already happens and you need to go now, so open the door please”

“Yes, yes, I will open it now” then that someone stands and opens the door “yes and who are you looking for?” That someone just realized who is it and call his name. “T—Tae?”

“Hannah?” The two cause to be in a daze while Rei just looking at the two and interrupting right away.

“Eh, Miss Hannah you’re living in here?”

“.....” No answers from here since she’s still in a daze.

At the same time, the little girl appears and interrupts them “Miss Hannah is my cake already here? Ah, Miss Pretty and Mr. Handsome, you are both here?”

‘Why we are in this situation now?’ All wondered by the three of them: Rei, Tae, and Hannah.

“Miss Hannah, Miss Pretty, and Mr. Handsome are you all alright?”

Since Rei is not in a daze, she replied right away “I’m alright little girl” then looking around and then ask “can we go inside?”

“Yes Miss Pretty come in and Miss Hannah let’s get in”

“Ooh that’s right”

“Dear let’s get in now because we didn’t disguise after all”

“Yeah and sorry for being in a daze, I’m just surprised to know that’s it’s her house, that’s all”

“I know”

And so all of them got inside the house then take a seat on the couch, of course, the a.d.u.l.ts are still awkward especially to Hannah since she didn’t expect that they will meet again especially to her ex-boyfriend. Luckily the surrounding didn’t become all silent since the little girl is talking with Rei.

“Miss Pretty, is that my cake?” Ask Rei while pointing the cake.

“Yes, and this is your cake little girl”

“Eh, really, and then did you really bake the cake, Miss Pretty?”

“Uh-uh and hope you will like it”

“Can I eat it now, can I, can I?”

“Yes you can and it’s your cake after all”

“Thank you, Miss Pretty”

“Anna you still need to wash your hands”

“Yes I will Miss Hannah”

“That little girl is your daughter, right?” Suddenly ask by Tae out of nowhere.

“Eh?” Hannah got surprised while Rei just observing her husband.

“From what I remember you’re the only child Hannah and you’re not living here”

“T— that..... Ehm Manager Rei, can I talk with Tae alone?”

“It’s alright Hannah and my wife already knows that you’re my ex-girlfriend. Most of all I can’t talk to you alone especially when I’m from the entertainment industry and I don’t want to create another scandal which I know it’s not a fact and you know that I’m already a married man, so talking with a single woman is a really big no for me.”

“I— I see”

"It's alright and you already know that I and Rei know how to keep secrets very well."

"Yeah since that's your answers from one of our questions this morning but then how did you know this place?"

"The little girl whisper the address to Rei".

"I see"

"I guess we're going home now....."

"Wait a moment, Tae"

"It's alright if you're not going to tell Hannah and it's your privacy after all"

"No, and did I tell you that I want to talk with you?"

"Yes you did but you're not planning to tell when Rei is here, right?"

"No, and it's alright because both of you really have given your time to deliver Anna's cake personally and then Manager Rei even bakes the cake personally knowing it's just only Anna's selfish demand."

"....." Both got speechless because of her.

"Miss Hannah?"

"Yes, and what's wrong Anna?"

“Nothing’s wrong Miss Hannah but the cake is so yummy and delicious, want to taste it?”

“Later Anna and mother still busy talking with them”

“I see and then I won’t interrupt you, Miss Hannah. He, he, he, I can’t wait to write it before I forgot”

“Right and just don’t eat too much since it will be bad for your cavities since you’re going to eat sweets again with your friends later”

“Yes Miss Hannah”

“Both of you must be wondering why I have Anna especially you Tae and what we are talking about, right?”

“To be honest I’m surprised Hannah and I’m quite confused about what you’re talking about especially that one which I can’t wait to write it before she forgot”

“It’s my fault after all”

“Huh?”

“To tell you the truth, everyone including my parents doesn’t know about the existence of Anna. Today is her birthday so she wishes that she wants to meet a celebrity personally, anyone as long it’s a celebrity in here, so two months before I book a reservation for her and don’t know who’s going to be our guests today, so that’s what happens today.”

“It’s her birthday today, so how old is she?”

“Yes it’s her birthday today Tae and she’s 10”

“Eh?”

“You’re not her father okay and Manager Rei, please don’t misunderstand anything because Tae is not the father since nothing happens between me and Tae, it is just that Anna is the main reason why I left Tae and just telling him that he is a burden to me because coincidentally he got injured during that time”.

“What do you mean by that Hannah?”

“It means I lied to you Tae and because I don’t want to mess up with your reputation as an artist so I left you because I’m already pregnant with Anna at that time. “

Chapter 487 - Vol 7: Ch 487 – Just got to know the real reason.

“It means I lied to you Tae and I don’t want to mess up with your reputation as an artist so I left you because I’m already pregnant with Anna at that time.”

After hearing that one both Tae and Rei have a shocked expression and then Hannah continued.

“You might wonder how I got pregnant with Anna when nothing happened between us, right.” Asking no one in particular but it’s clear that this question is meant for Tae only.

And Tae got it right, so he answered her “Uh-uh”

“Do you remember that I told you that time that I have a reunion with my batch mates?” Tae nodded. “That’s the time that I really, really regret that time because you oppose with me and tell me not to go with that reunion because you feel something wrong but then I was so stubborn that time so I attend and join the reunion for my batch mates. Of course, there are no drugs involved but then I have a very low alcohol tolerance and I drank beyond my limit so on the next day I just realized that I sleep one of my batch mates. I thought nothing happened and will not bear his child since I drank pills right away but I guess it wrong because I really got pregnant when in fact it’s only one night, one night but everything changes, I lose everything and I lost the one I really love. I was too afraid to tell you because you’re reputation is on the rise at that time and I’m not really deserved to be with you anymore. Day by day I was planning to tell you what’s really happening to me but I have no courage to tell you until one day I confirmed that I’m really pregnant with his child. That’s the day I was going to tell you because you might understand me because you’ve been so kind and nice to me but then at the same time you got

injured so I didn't and it comes to my mind to use that reason to break you up. So I did, I know it's so unreasonable for me to break you up just for that reason and it hurts to tell you that you're a burden to me because I do really love you after all but then I don't deserve to be with you so even it's hurt I let you go and set you free because there's someone right for you. I don't want you to be responsible for my mistake because it's my fault for not listening to you and I know that I just broke you up for that particular reason without explaining anything but I really, really regret it. So I want to get you back, so I tried to abort Anna many times but then Anna is holding me tight and doesn't want to let go of me. One day I went for an ultrasound and then I heard Anna's heartbeats, so then I can't bear to hurt her again and that resulted in Anna becoming like this. Because of my attempts of aborting her many times, she only has one-week memory storage due to the effects of the pills that I've been drinking when I'm pregnant with her for my first trimester. So from the day, we broke up until today, our first meeting after we broke up I really want to tell you the truth so that my conscience of breaking you up will be clear."

"....." Tae got speechless and don't know what to reply.

"What's wrong Tae?"

Right on time Rei saves her husband and interrupts "Tae will be alright and he was just surprised knowing the truth, so, then Miss Hannah, about Anna's biological father, do you know him?"

"Yes I know him and he is happened to be Tae's childhood best friend but I didn't tell him about Anna's existence because he is already a married man and has a happy family. Just like you Manager Rei and Tae, I'm also raised with a complete family so I don't want to be a homewrecker so I just raised Anna alone."

"Eh, Tae's childhood best friend?"

Tae just got out from his shock, got shocked again, and ask "eh, don't tell me it's Woo Jin?"

"Yes it's him Tae"

"Dear, who's Woo Jin?"

"Eh, Manager Rei you don't know whose Woo Jin is?"

“Rei is not aware of whose Woo Jin is because I’ve never mentioned him to my wife especially that Man who’s always getting of what I have”

“Eh?”

“Hon to tell you the truth Woo Jin is rich and loaded so whatever he asks his parents gives to him. He’s my childhood best friend but we already sever our ties when he married my first ex-girlfriend and I don’t know how did he know that Hannah is also my ex-girlfriend.”

“Eh?” Both Rei and Hannah got surprised at the same time.

“I will explain it to you later Hon and Hannah, how did you know Woo Jin and how did you know that he was my childhood best friend?”

“I know him because we’ve become classmates for my Mastered Degree of my Public Relations and that’s after we dated and he was the one telling me that he is your childhood best friend”.

“So that’s why I’ve been trying to stop you but you didn’t listen to me but well it’s already in the past and I’m glad that you break me off because if not I won’t be married to Rei after all. Listening to that one I guess it’s been a plan by Woo Jin after all”

“Eh? What do you mean by that Tae?”

“Miss Hannah, my husband is right and even I’m an outsider now, I can tell it right away after listening to this that it was been Woo Jin plan from the start and you just fell from his trap. I don’t know what’s going on with your mind at that time but then why you as Tae’s girlfriend didn’t listen to Tae during that time?”

“It’s because I and Tae are still dating that time, so I’m not yet sure of my future with Tae especially Tae is an artist.”

Rei looking at Tae right away and then replied to her “that’s one thing for sure that you’re not going well with Tae and it because you did see Tae as an artist and not as him personally. Well, it’s the fact that Tae is an artist but it doesn’t mean that you will use that reason to be not sure of your future to be with Tae just because he is an artist. If you really love him, you will not be getting scared to be with him instead you will get scared of losing him. As for me losing Tae is one reason I realized that I’m really nothing if I don’t have Tae at my side and I just realized it when Tae shared his future plans with me and I did imagine that Tae was with another woman and I can’t accept it because I can’t bear to lose him, so for me, I did see Tae as him personally not the Tae as an artist. Of course, I know Tae as an artist before we’ve begun dating but when we started dating I didn’t see him as an artist anymore because I did see him as him. You’ve been dating Tae for 3 months right?”

“Uh-uh, and why do you ask?”

“For the whole 3 months that you’ve been dating, have you seen Tae as Tae and not the artist Tae?”

“....”

“Seeing your response, you didn’t see him as Tae, at all, huh”

Chapter 488 - Vol 7: Ch 488 – You need to find a safe place

Both Rei and Hannah are talking about Tae as if he is not with them. On the other hand, Tae just looking and gazing at his wife and become more in love again because everything that Rei just tell Hannah is the whole truth and wholeheartedly came from his wife’s heart because Tae personally witness it and that’s one thing he becomes more in love with Rei because his wife sees him as the real him and not the artist Tae, even knowing that Rei is one his unofficial fan, Rei never acts as an unofficial fan at all because everything she shows to him is a girlfriend when they were still dating and wife of him when they were a married couple. So in other words Rei really knows how to balance it very well. He just listened to his wife and smiling to his heart content because he did meet the right one for him and even the world against it, he will fight for his wife because she’s the life of him.

“So now speaking about Anna’s father, what are you planning for Mr. Woo Jin then?”

“I.....” someone interrupting them and that’s someone is Anna.

“Eh, Miss Pretty, why are you talking about my father?”

“Eh, she knows?”

“Yes Manager Rei she knows and Anna has the right to know, I don’t want to keep it a secret to her”

“I see”

“Miss Hannah, Miss Hannah”

“Yes, Anna?”

“Are you still talking with Miss Pretty here?”

“Yes, and what’s wrong?”

“Can I request to have a picture with Miss Pretty and Mr. Handsome here before I forgot?”

“You still didn’t write this to your journal then?”

“I already did Miss Hannah but I might forget their faces so I need to have a picture of them first before I forgot how they look.”

“But Mother is still talking with.....”

“It’s alright Miss Hannah and comes here, Anna”

“Wow Miss Pretty, you already know my name?”

“Yes and I heard it from your Mother”

“That’s good then because Miss Hannah here, I mean Mommy keeps it from everyone because no one knows my existence and only my Mommy knows”

“Well, you’re mother has a reason right?”

“Yes because I got out from the world without a father and then at first Mommy refuse of my existence but then accept and still I only have one-week memory but that’s all good because Mommy already accepting my existence”

“So you know everything?”

“Uh-uh and Mommy tell me everything when I turn 9, I don’t know why Mommy tells me that one when I’m still young but I’m glad that Mommy tells me everything”

“Come here let’s have a picture then” and they pose while Hannah is the one taking the picture and it printed right away since it’s an instant camera after all. “Do you want me to put my name and this Mr. Handsome name in here?”

“Please do so Miss Pretty” Find authorized novels in , faster updates, better experience, Please click #%E2%80%93you-need-to-find-a-safe-place_52054073867825228 for visiting.

“Okay” then Rei writes their names right away [Jun Lou Rei and Jun Tae Woo] and gives to her “here Anna”

“Thank you Miss Pretty” then looking at Rei’s writings and read “Miss Pretty your name is Miss Lou Rei?”

“Yes that’s my name”

“He, he, he, you’re pretty and you have a pretty name so I will call you Miss Pretty after all. Ah, right the cake is really, really yummy and delicious Miss Pretty”

“Thank you Anna and do you like it?”

“Yeah I like it and I wish Miss Hannah can bake a cake but well, Miss Hannah is a good cook though she doesn’t know how to bake. Oh, right I’m going to eat the cake again, bye-bye”

“I’m sorry for my daughter’s behavior Manager Rei and Tae”

“It’s alright and nothing’s wrong with her behavior at all.”

“I see”

“Neh Dear?”

“Yes, and what’s wrong, Hon?”

“Are you still upset with Miss Hannah here?”

“I’m not upset, I even grateful to her for breaking me up because I met you and become my wife”

“I see and so then, are you and Miss Hannah in good terms again?”

“Hon, what kind of question is that? Of course, I won’t be on good terms with Miss Hannah here since she’s my ex-girlfriend after all but it doesn’t mean that I hold grudges with her since I’m already over with her, so if you really want to help then I won’t stop you because this is you after all”

“Eh, what kind of help Manager Rei? It’s alright and I don’t need any help.”

“Hannah, I guess you still didn’t grasp what situation you are in, right?”

“Huh?”

“Mr. Woo Jin is rich and loaded so if he knows about Anna’s existence, he will cause trouble for sure”

“Eh?”

“Alright, I will let my wife tells you this one since I already have an idea what she’s planning and I let her since it will be awkward for me if I help you which was happened to be my ex-girlfriend, so you need to listen to my wife, Miss Hannah.”

“Okay and I see”

“It’s your turn now Hon”

“Thanks, Dear and Miss Hannah, I know it’s kind of out of place for me since I just got to know you and most of all my husband ex but I want to really help you especially for Anna’s sake, so I need to tell you frankly that you’ll need to find a safe place”.

“Eh?”

“I still don’t know who’s this Mr. Woo Jin is but knowing that he was already planning it from the start to sleep with you and to befriend with you, I can tell that’s he is not a good man and so if he knows about Anna’s existence for sure he will cause trouble to you and not just for you but for Tae because it also coincides that you got pregnant while dating with Tae. Of course, we know the whole truth but then the media won’t even be bothered to know the truth as long as they have news to release, so to prepare in advance you’ll need to find a safe place. To be honest, this place is not safe, they only have 1 elevator, no security personnel and most of all no CCTV, so you really need to find a safe place. May I know if this unit is rented or owned?”

“Eh, y— you just notice everything when it’s your first time in here?”

Tae proudly declared “that’s my wife after all and she’s really amazing more than what you can think”

“.....” Hannah got speechless.

Rei just looking at her husband and almost got speechless but she continued and ignoring her husband’s comment “so is this place rented or owned by you?”

“Just rented, Manager Rei”

“I see and can I see the contract of the lease?”

“Ah, yes and wait a moment” then get something from her desk “here Manager Rei”

Rei accept the said contract and read it by skimming, after skimming she commented right away “it’s a good thing that your lease of the contract will expire next month so don’t renew the contract and can I ask if you already paid for this month Rent?”

“Not yet and I’m going to pay next week”

“I see and so don’t pay it, just use your 2 monthly fidelity deposit since it’s non-refundable. As for the utility bills you just need to settle it before moving in.”

Rei read the contract right away and then commented after reading it “it’s really a good thing that your lease of a contract will expire next month so don’t renew the contract and can I ask if you already paid for this month’s Rent?”

“Not yet and I’m going to pay next week”

“I see and so don’t pay it, just use your 2 monthly fidelity deposit since it’s non-refundable. As for the utility bills you just need to settle it before moving in.”

“Eh?”

“Miss Hannah, what’s wrong?”

“N—nothing, so what I’m going to do next?”

“Don’t worry I will help you looking for a place to move in and I just want to know where Anna studying is, so that it won’t be a problem with her”

“S Ladies Academy in Capital City”

“I see and according to your lease of contract I can determine your budget range, so let me call someone then”

“.....” Hannah is now speechless because of Rei.

On the other hand, Rei got her phone from Tae and she calls someone right away. Of course, they’re talking in Universal Language because they’re talking about business after all.

“Ring, ring, ring”

“Hello, Rei and why did you call me just now, are you now asking a favor for me?”

“Yes Bro Lin and I do really have a favor for you”

“Wow, really and what is it then, I will help you right away because it’s very rare for you and Lina to ask a favor from me, your older brother after all.”

“Sorry for that then Bro Lin and so I need a place near S Ladies Academy.....”

“Eh, are you moving in?”

“No, not me Bro Lin and it’s a friend of mine. So it’s a place with a budget of around 4,000 Sen to 7,000 Sen per month since they’re the only two of them. It’s a place with standard amenities and tight security.”

“Okay noted and just wait for a moment”

“Thank you Bro Lin” and then Rei just heard a sound series of keyboards and then heard Lin calling someone.

“Rei, when they are going to move in?”

“April 30 is the end of her lease of a contract so May 1 to be exact”

“Noted and may I know who is it?”

“Hannah, Hannah Yu, Bro Lin” Rei got it from Hannah’s lease of contract.

“Okay and so here’s the place Rei, its only a 1 km distance away from S Ladies Academy and its SA Residences. I reserved two units, one of which is rent to own which 7,000 Sen per month and the other one is for rent only which is 3,500 Sen per month. If you’re friend already picks one, then Miss Yu need to pay 2 months of Fidelity Deposit and 1-month Advance Rent. If Miss Yu going to check the place first before deciding which one she just needs to look for Mrs. Wayne, the Head Manager of SA Residences.

After deciding which one she needs to sign an agreement since they only give 1 week for reservations of 2 Units and I guess she already knows the process of signing, right?"

"Yes Bro Lin"

"Is that all?"

"Yes that's all and thank you, Bro Lin"

"Geez you did ask help from me but it's not for you after all"

"Ha, ha, ha, someday I will really ask help from you Bro Lin, and thank you for that"

"You're welcome and tell Lina to call me, geez that sister of mine never called me when she got married to Wen"

"Okay, I will tell her then to call you Bro Lina"

"Thank you, Rei"

End of call.

"Alright Miss Hannah this is what I got, you already got reserve 2 Units under your names in SA Residences with Bro Lin's help, so within this week you need to visit this place for you to decide which one and just look for Mrs. Wayne, the Head Manager of SA Residences. The 1 Unit is rent to own which is quite expensive because it will be 7,000 Sen per month but you have an advantage of it because you're going to own it rather than renting only which is 3,500 Sen per month. When you decide which one, the SA Residences need for you to pay 2 Months Fidelity Deposit and 1 Month Advance Rent. If you have some problems with financial I can give you some or let you borrow some, so here are the details. I already take notes of the important ones in here."

"Eh, S— SA Residences, y—you mean that high standard residences and I'm going to move in there?"

“Yes that’s the place and their security can be on par with CA Residences, so you will be safe”.

“I see but are you sure that I heard the exact amount?”

“Yes and that’s the exact amount. It’s quite expensive since it’s only the two of you and it might be studio type.”

“.....”

“Miss Hannah?”

“Tae, did I just heard it right and how come Manager Rei did it in just a matter of seconds?”

“Yes you heard it right and to tell you the truth, Manager Rei is a former Secretary of CA international and Group Company, so she knows her job very well”.

“T—then y—you got a superwoman as your wife?”

“Yes I did and my wife is more amazing more than what you see just now”

“.....”

“Alright Hon, are you done now?”

“Yes I’m done now”

“Good and Miss Hannah, we’re going now”

“.....”

Anna’s suddenly appeared out of nowhere again and notice the guests already standing up, so she asks right away “eh, Miss Pretty, you’re going home now?”

“Yes we’re going home now, Anna”

“I will be sad then since my friends will be here to celebrate my birthday around 5 pm and you’re going home already”

Rei tap the little girl heads and said “we will meet again since I’m friends of your mother”

“Eh, really Miss Pretty and are we really going to meet again?”

“Yes we will”

Anna replied excitedly “Anna will be happy then and please don’t forget about me Miss Pretty because I will promise that I won’t forget about you, Miss Pretty. Here (show the picture of them and continue) I already write this one Miss Pretty, my first celebrity friend and who bakes a cake for my 10th birthday”.

“Thank you for that Anna but I’m not a celebrity and only this Mr. Handsome here”

“Eh, you’re not but you appear on TV Miss Pretty, right?”

“Yeah I did for some reasons”

“Then you’re a celebrity Miss Pretty because only celebrity who can appear on TV, right Miss Hannah?”

“If it would be like that, then Mother also a celebrity one?”

“No, you’re not Miss Hannah since it’s your job after all. Alright I’m not going to stop you Miss Pretty, so bye-bye and see you again”

“Bye-bye and see you too Anna”

Chapter 490 - Vol 7: Ch 490 – A little bit of Tae’s past

Right away they bid their farewell to the Mother and Daughter pairs. Both of them ride the elevator and now already inside the car. Then Tae starts the engine and drives the car. On the way to their home, Tae suddenly speaks out of nowhere by asking his wife something.

“Are you mad that I didn’t tell you anything about that man?”

“I’m not Dear and it’s up to you if you’re going to open it or not because I love you as you are and not your past, okay?”

“Right but geez Hon”

“Mmm..... What’s wrong?”

“Nothing but then you’re R after all yet you didn’t really investigate me, huh”

“Hon, I really respect the privacy of individuals and others. So if I respect the privacy of individuals that I don’t know, how much more if it’s my family members’ privacy especially to my very own husband? Of course, I’m quite interested to know your pasts but it doesn’t mean that I will investigate just to satisfy my curiosity because I’m just willing to wait for you to open up and really comes in from your own mouth, so that’s why I never ask you anything because I’m just waiting for you because it might be a taboo for you and you want to forget about it.”

“Indeed, it’s really a taboo for me Hon especially to that man, I mean Woo Jin who’s my childhood ex-best friend. I don’t know how he gets to know about Miss Hannah as my girlfriend that time but I have already a guess that he already investigated about me after all whatever I have he want to have it.”

“Eh, so you mean that Woo Jin you mention is quite similar to Meng Xue, right?”

“Remembering that one, no they’re not similar though both of them are rich and loaded. Meng Xue starts to befriend you because of Vin on the other hand Woo Jin is already my childhood best friend so it’s quite different.”

===== Flash back =====

Twenty-Eight years ago, a 2 year’s old little boy play in the playground along with his 3 elders sisters but suddenly got called by his parents.

“Tae, come here for a moment”

Tae, as the little boy stop from playing and approach his Mother “eh, and what’s wrong Mom?”

“You’ve been always playing with your sisters and not with another boy who’s the same age as you but luckily we have new neighbors who also have a son and happened to the same age as you, so do you want to be a friend of him?”

“Eh, really Mom and it’s a boy with the same age as Tae?” Tae, a young boy calling his own name.

“Yes”

“Can I, Can Tae meet him?”

“Yes, you can and so when you’re going to meet him then?”

“Right now, I want to meet him right now. Sis Yu Mei, Sis Wei An, and Sis Tia Wen, Tae going to leave for a moment because I want to meet a new friend, bye-bye”

“Hey, please wait a moment Tae” but Tae already runs off and following their father.

“What’s wrong Tia Wen?”

“Mom, that new boy, is he really a good boy?”

“He must be and he is the same age as Tae so nothing’s going to happen, okay?”

“But.....”

“Tia Wen, you lost and you will be the seeker again”

“What? Did you see I’m talking to Mom right now?”

“Whatever and don’t think too much because Tae is a boy after all. It’s the right time for him to meet a new friend than to be with us always”

“You’re unbelievable Sis Yu Mei and Tae is our little brother after all, so.....”

“It’s alright Tia Wen, and if it’s something happened then the three of you are here, so you can protect Tae however you like. Alright, return home when you’re finished playing since Mom will follow Dad and Tae, okay?”

“Okay”

Back to Tae and his Dad

Tae as a young boy runs off right away and followed his Dad, then asks excitedly.

“Dad, Dad”

“Yes, Tae?”

“That boy, what’s his name?”

“Your Mom is the one talking to our new neighbor so I don’t know that boy’s name yet but he is a Wong.”

“Wong?”

“Yes and that his family last name”

“I see and Dad when they move in here?”

“One week ago Tae”

“I see and so where are they live Dad?”

“That house Tae,” Said and at the same time pointing the house who just a matter of distance from their house.

“Eh, they’re living in a big house?”

“Yes and they’re quite rich since they’re one of the influential family, so you must be careful okay?” Tae nodded “you’re still a kid Tae but please keep it in your mind that rich people have different views from us, so if you happen to be a friend of their son, please don’t touch anything from their place and always be careful of your actions, okay?”

“Uh-uh and Tae will keep that always in mind Dad”

“Good boy” Tae’s Dad crunched down and hug him “I and your Mom don’t really want you to be a friend with different views of living from us but then you always with your sisters, so we can’t help it but to have you a new friend with the same age with you and also a boy”

“Don’t worry Dad because Tae also wants a new friend and he wouldn’t be a bad boy because we’re the same age, right?”

“Yeah right”

“Dear and Tae, what are you doing?”

“Nothing Honey”

“Alright let’s go to them now or they might wait for us for too long already”

The three of them walk to Wong’s house since it’s only a matter of distance away from their house and to the playground. When they arrive, Mrs. Jun press the doorbell right away, and the housemaids open the gate then let them in.

“Good Morning Mrs. Jun”

“Good Morning”

“Madame, Master and Young Master already waiting inside for your visit Mrs. Jun”

“Ah, yes and sorry for that” ‘What the heck I’m getting in?’ Then looking to Tae who’s already excited to meet a new friend and wondering at the same time. ‘Did I make the right decision? Tae is so happy but what if, what if.....’ Stop wondering since she feels that her husband holdings her hands and looking at her as if saying ‘It going to be alright Honey, Tae is our son after all’.
