

Last Man 51

Chapter 51 - Rei, a kidnapper?

Everyone are still in the van and discussing something.

“Uhm, when your sister said Ms Meng, who did she meant?”

The three answered in unison “the staff Meng Fang is the youngest while the colleague Meng Fang is the older”

“Oh and then”

“Let’s go to the hospital first CEO Meng, lawyers just share a ride with us since all of you never bring one the moment when you arrive here, I bet you didn’t bring a car with you the moment you heard that you will meet them in this place right?”

“Yes and in order to avoid troubles or any suspicions”

“Good, good. Mei and everyone let’s go bow, I will follow your van Mei” El cutting them off because he got worried of her other sister

“Yes Bro El”

“Assistant Lin you drive, please Teacher Mei give her the key”

“Alright and thanks”

Mei give the key right away and Lin drive on the way to C City Hospital while El just following them. 30 minutes they arrive in the hospital, and this time all of them got seen by the nurses, doctors and patients as a group of stunning peoples arrived in the hospital, they go right away and notice that a lady(Rei) got questioned by two police officers and heard their conversations.

-----

Rei after getting the pictures from Meng she left the restaurant and before riding a taxi she called Mrs Min.

“Hello Rei, what’s wrong?”

“Good Morning Mrs Min, can I ask Ms Meng address?”

“Okay and it’s C City/Azure Residences, Unit 3105C”

“Thanks Mrs Min”

‘Why this place look so familiar to me?’ Ah never mind’

Rei called a taxi and said ” To C City / Azure Residences, Sir”

“Yes, Ma’am”

-----

After half an hour she arrives and now standing outside the residences ‘Aiyah, now I remember this is where Vin and Xue living. Tsk, tsk, I will just call her and wait her inside the shop since these three

coincidentally living in the same floor, tsk these three rich never think their future and just wasting their money.'

Rei cross the street, getting inside the shop, order something. She seated in place where she requested and notice a car parking near at the residences. As an observant she is, using her company phone she hack one of the CCTV nearest to that car then record and monitor his movements. The driver is always glancing at the building, to his phone and messaging something and to his watch, by just watching these actions Rei notice something offs and realized 'aiyah, the culprit is on the move. Hurry Rei you must make a move now before it's too late'

Rei called Ms Meng before Rei could talk she heard Ms Meng

"You s-t, why are you calling me?"

"Meet me in C Snackbar and Coffee Shop"

"What, are you stalking me now? Dream on you S-t" then hung up.

'Aiyah this spoiled brat! Is she Meng elder sister?'

Rei called again and Meng answered before she speak, Rei threatened her.

"If you hung up right now then you won't be able to see your parents right now."

"W— what do you mean by that, s-t?"

"I kidnap both of your parents and if you want to see them, then meet me right now, I will give you 10 minutes and if you don't come them don't regret it later" Rei hung up and thinking 'will Meng fall for it? She's easy to get manipulated, so she will fall it, for sure' then Rei observe the driver again.

Rei is right, after hanging up Meng fall for it, she got up from her bed and got fall because of her panic. She didn't even dared to look her face in the mirror, just wear her pyjamas shirt and pants then wearing

a sleeper. She didn't tried to call her parents and instead she grab her phone, key and wallet then get out from her unit then ride at the elevator. Before she cross the street, she spotted Rei and then approach where is Rei seated.

Rei also spotted her and notice the driver looking at her while smirking but this time he didn't make a move because a police car is on patrol, Rei noted it all and just looking to Meng appearance. 'Aiyah, she really fall for it. Did she realize that kidnappers never meet the victims family in persons?' The moment Rei realized that Meng is near, she automatically press the start of recordings on her other phone.

"Ms Rei, where are they?"

"Take a seat first, I want to talk you and here"

"Why are you giving me a mirror?"

"Look at your appearance first"

Meng look at the mirror and realized her appearance then froze.

"Here use this" give the comb, lipstick and foundation "I don't have any disease and I didn't put any poison on it, so it's safe"

"It's your fault, idiot"

"Yeah, yeah, hurry I don't want to talk a haggard you and just retouch in front of me"

"What?"

"You won't see your parents if you don't obey me"

"I will sue you for this, Ms Rei"

“Yeah, yeah”

Meng retouch while Rei looking to her phone ‘Aiyah, this driver is really send by the culprit. How can he want Meng to be dead when he adopt her? Is money really important compared to his niece life? Well, well he already tried to kill this family, blackmailed his brother and sister in law then blacklisted his other niece so there’s no need to be surprise, Rei’

Meng just done her retouch and feel that Rei right now is looking sad and disappointed but disappeared right away, then she ask her “what are you looking at?”

“Oh, done?”

“What do you think and where are they, s-t?”

“Before I will let you know, you can drink and eat that first, don’t worry I don’t put poison it’s still broad day, we chat then while you eat and drink. First, I will let you see this one” Rei let her see her parents pictures first.

“You, why do you have this s-t and this man picture?”

“Do you know them or not?”

“Of course I know that woman she is a s-t, who tried to seduce my dad and that man is her accomplice, why?”

“Oh, then how about this?” show the photo of the family before the accident.

“How come you have a photo of me, my sister, that s-t and that j-k?”

“How about this?” show the photo during the accident

“What? Why do you have that kind of photo?”

“What happens that day?”

“Answer me first, you s-t”

“Do you want to see you’re parents or not?”

“Okay, okay I will answer you and just don’t do anything to my parents”

“Just tell me what happens and your parents will be safe”

“That day I lost my memories so I don’t really know what happened but my dad and mom told me the truth when they know that I lose my memories that those two people are kidnappers of both of me and to my younger sister. When they kidnapped us, we meet a fatal car accidents and my sister along the kidnappers died on the spot. My dad also told me that woman try to seduce him but he didn’t get tempted so they planned to kidnap us and that man is that s.l.u.t accomplice”

“Have you recovered your lost memory?”

“No why”

“There’s something I need to tell you that you might don’t know”

“What? Don’t tell me you’re that jerk and s.l.u.t daughter?”

Before Rei answered her, her phone suddenly ring and she want to excuse herself but the driver is still watching them and just waiting a perfect timing when to attack, so Rei said to her before answering the phone “My fellow kidnappers called so just stay silent, don’t talk contnue eating” then Rei answered El meanwhile Meng eat and drink without hesitation, after the call Meng ask her many questions.

“What do you mean by I forgot something important? S–t is the actual mother? The jerk is the actual father? And the father I thought is my uncle?”

“Just listen to me alright?” Meng nodded “I know you will not believe me but just listened, okay?” She nodded again “the one you treat you’re parents are you’re Uncle and Aunt, I didn’t kidnapped them, I just threatened you to meet me because you will never do that if I don’t threatened you and you will blacklist me on your contact. Back to your Uncle and Aunt, the time that they know that you’re lost your memory, both of them manipulated you and instead telling the truth both of them lied. The kidnapers who you taught is a s–t and jerk is your actual mother and father. They didn’t kidnap you but instead they’re on the way to your home, that day was after their first being members of a board of directors of your family business and company. You’re father which is your uncle is the younger brother that got jealous and envy him, he can’t help but scheming and betraying to your family. Your twin younger sister is still alive and the staff yesterday who have the same name and same face of yours is your younger twin sister. You’re sister also lost her memories but regain after collapsing when she witness that your parents got taken by a police officers that got blackmailed by your uncle. Right now your uncle want you to die today, so just stay behind me and they will not touch you if you’re with me because you’re the only one target since you’re parents got already blackmailed for embezzlement, your sister got blacklisted for any fields and now your uncle think that you being the one living in free, for sure the CEO positions will be in you’re hands, that’s what your uncle thinking. Pretend you didn’t see but notice that car with a plate number DY-3264, that car are monitoring you”

“W—-what, then what I’m going to do? How are you sure it’s my dad doing?”

“It’s your Uncle”

“I don’t want to believe you, my Dad will never do that, it’s you who is bad. Don’t let my Dad became a victims of your bad doings, you s.l.u.t”

“Your heart, mind and soul are all corrupted by you’re uncle Ms Meng”

“I don’t believe you and you’re lying, you’re kidnapping my parents inorder to get revenge for that s–t and jerk, right?”

“Investigate it if don’t believes me since I’m an outsider and you’re a smart woman Ms Meng and let’s go to police station first to file a report”

“You must not escape”

“Of course, so just stay behind me”

The two of them stand and left at the coffee shop, no one heard their conversation because they were seated good for two persons with a soundproof glass wall, this is what Rei requested to a coffee shop, because knowing Ms Meng, she is sure that this colleagues will talk loud and again she's right. She order 1 strawberry/choco crème and 1 strawberry/ choco cake for her, being a colleague of her she knows Meng favorite.
