

Chapter 61 - Farewell Party: Part 2

All of them slowly eating their foods while watching the slideshow. The slideshow show their photos such as their meetings, their happy and sad moments that compliments a nice background sound. Several minutes passed by, all of them done eating and Manager Xiu continue.

“Alright since everyone is already full so all of you are now full of energy, so let’s proceed it right away and not wasting our time”

Head Senior’s 2 : “Alright I almost forget that we’re here for Ms Rei farewell party and here I taught we’re just having a get together. Tsk, just because all of you are full you don’t know how to react now?” Then everyone laugh “now, good, good thank you for your good reactions. Well Ms Rei, whatever everyone say to you or whatever they want in order to slander you, just let it pass through to both of your ears and don’t let take it to heart. The only thing you to do is give your best so that you will not regret.”

Head Senior’s 1 : “Ms Rei you’re the only one who always act behind the scenes never the one to take credit or never the one to be want of center of attention. You never fails to help us if we got a problem, never fails to give a hand if we’re in a pinch. As a human you’re so good to be true, you’re so kind and you’re too humble, this is the proof that you’ve grown up and raise very well. I’m already a father of three daughters but sometimes I wonder if I lack something to discipline them after seeing you but now I realize it’s also depends of who you are, so Ms Rei just be who you are and I know that you’re next career is already waiting for you. Don’t forget where did you start and always keep it in your mind that all of us start from nothing. Wherever you go we always here as your Seniors and we will not hesitate to offer a hand if you need our help Ms Rei. Manager Xiu it’s your turn now”

“I know but tsk, tsk I think I made a wrong decisions being the last one to give Ms Rei a message is really a bad idea” everyone laugh and encouraged him.

“It’s alright Manager Xiu because you’re the branch manager”

“Alright but this will be the first and last time for me to be in the last speech before the main star. As of you Ms Rei I don’t have any complaints and negative opinions to you because you’re too good that you almost perfect but well we know that nobody’s perfect. Just continue doing your best and I’m sure sooner or later you will become Manager the same as me, in fact you even more capable compared to me. Leaving in our team is a good decisions you have and you made it right because a bright future ahead is already waiting for you. As what all your Senior’s say just be who you are and be humble, with that aspect you will aim your goal. Don’t forget where did you come from and I know you can do that. I, as the Head Manager in C City Branch, I never received any complains about your working, manners and behaviour, I only heard someone trying to slander you but you deal it like a stepping stone for you. We always have an evaluation every month but you’re performance getting improved and more improved so that’s why I am sure you’re capable compared to me. You have a good temper that’s why you never have any conflict towards your co-workers. Your observational skills is too good that’s why you offer your hand right away if someone of us in a pinch. You’re a type of person that willing to helping to each other with no motives and ill intentions. So just keep that always and never change for who you are whatever comes to your life and I’m sure you can do it. For this time, Ms Rei this would be your last time to be with us but you can bring this moments wherever you’re going. Thank you for the time you have with us. Now at this moment it’s your turn Ms Rei”

Rei instruct the kids to behave and she stand then approach where Manager Xiu.

“Yes Manager Xiu” then looking to them and before she begin, all of them heard shouting her name.

“Rei”

They all turn their head where’s the voice came from and there, they saw it’s from a lady wearing an hospital dress with a nurse assisting her to hold her dextrose up with another elegant lady, only the lady who’s wearing a hospital dress that they recognize her right away because of her face.

“Ms Meng?”

Meanwhile during the Seniors speeches, inside the hospital room, one of the patient slowly by slowly move her fingers one by one and because of this movement the one whose looking for her notice it.

“Fengfeng?”

“...” no response but her fingers already move more and then her eyes slowly opening.

“Fengfeng?”

“M—mom?” still a hoarse voice.

“Y—you remember me?”

“Uh-uh”

Mrs Meng press the intercom above her head and said “Doc, patient from Suite 101 already regain her conscious, please come here right away.”

Since it’s from VIP room and patient, in just a minute the doctor arrives and check the patient right away.

“Hello Ms Meng and you regained your consciousness in just 4 days from your coma. And let me check you first, can you raise you right hand for me?” Meng raise her right hand.

“Good, how about your left hand? Right leg? Left leg? Can you see how many of these? How about this and this?”

The doctor question her more and more then she answered or follow the doctor right away.

“Do you know who is this?” pointing Mrs Meng

“Yes, my Mom”

“How about this one, do you remember what happened to you?”

“Uh-uh”

“Can you explain to me what is it?”

“My fellow co-worker meet me up, she threatened me that’s why I meet her, she said something to me and that’s I’m doubting her and because I’m doubting her, I run away from her and that time I got hit. She’s the one who saved me even I’m doubting her, she never leave me out of my sight and always remind me not to close my eyes until the doctor will start operating me. Ah, Doc wait you said it’s my 4 days after my coma, so don’t tell me today is Thursday?”

“Yes, is something wrong Ms Meng?”

“No, no, no”

“What’s wrong Ms Meng / Fengfeng?”

“M—mom, what time is it?”

“Quarter to 4 Fengfeng, why?”

“Oh no, today is Ms Rei farewell party, Mom let’s go now, before it’s too late for me”

“But....”

“Please Mom, Doc can I go for now I promise I will be back”

“You can go but first let me run a CT Scan for you and I will let you go afterwards”

“How long it will take Doc?”

“30 minutes Ms Meng”

“Alright, then go ahead and make it faster.”

“Okay”

Right away the doctor ask a medical assistant for Ms Meng CT Scan, as what she said its only take for 30 minutes.

“Good, you have a good results and you regained you’re memory back from the impact you got hit Ms Meng. I will let you go now but you must go back for further observation. Mrs Meng accompany your daughter and don’t worry I will assign a nurse for Ms Meng.”

“Thanks Doc and Mom let’s go now”

“Fengfeng slowdown”

“No, no, no let’s hurry or else I will regret everything. Mom, let’s go now and I also said something bad to you and to Dad but for now I will deal it later”

“Alright just calm down” instructing the bodyguard “tell you’re team we’re going and just assign one for guarding the room in case my husband will be here”

“Yes Madame”

15 minutes of drive they arrive in the restaurant, well Ms Meng know where the party will be held since they get inform a day before her accident. The bodyguards are just staying in the car while Mrs Meng, Ms Meng and a nurse get inside in the restaurant that other Meng is the one welcoming them.

“Good Afternoon and for how many tab.....Eh M—-Mom, why are you here?”

“Fefe, my fellow co-workers book a function room in here, are they still here?”

“Yes they’re still here, w—-wait what did you call me?”

“Fefe but I will deal you later and for now can you guide me where, hurry please?”

“U—-uh-uh, come here Mom and Ms Meng”

“It’s Fengfeng and you’re not a stranger, why did you call me like that?”

“Fengfeng?”

“Okay good but please guide us now”

“T—- that.....”

“Go Meng and guide them”

“Thanks Boss Mei. Mom and Fefe please follow me”

‘So she already regain consciousness and got her memory back. Then, that’s good at least Sis will not blame herself anymore’ Mei said to herself then go back to her office because she just got out after looking to the CCTV that’s Mrs Meng with a patient and nurse arrives.

They arrived and Meng said “they’re inside Mom and Fengfeng, please go inside and I will not trouble you since it’s my working hours.”

“Yes, go ahead Fefe and your sister will explain it after okay”

“Yes Mom, bye”

Then her Mom push the door and a staff asking her : what is it Ma’am? This is private gathering. The three of them didn’t listen the staff while Ms Meng eyes is searching Rei and when she spotted her, she just got called by Manager Xiu, stand and approach him. Rei is already ready to give a speech, so in order to stop her, Ms Meng give all her strength to shout and call her.

“Rei” while everyone turning their head to her and just recognize her by calling her name in unison “Ms Meng?”
