

Last Man 63

Chapter 63 - They are my nieces and nephews

Almost 15 minutes that everyone calm down their emotions because from the moment Rei give her speech it's accompanied by a solitude background, so they really can feel Rei's heartfelt messages. Manager Xiu is the one who broke the silence after crying.

"Ms Rei you really conveyed you're message to us. Now we're officially end this party and officially bid our farewell to Ms Rei. For those who want to hug Ms Rei, you can hug her now and I will give 15 minutes to do that before we separates our ways."

After hearing it from Manager Xiu, everyone hug Ms Rei by group and then leave with a sad expressions. The one who admire and have crushes on Rei didn't even have a chance to confess personally and just write a letter for her along with their gift. Both Ms Li and Ms Zhang even though they cried, they didn't give Rei a gift and now they also didn't hug her. After 15 minutes, the hall almost empty since Manager Xiu and Mrs Min are still left there.

"Good Luck and be safe on you're travel this weekend Ms Rei"

"Thank you Manager Xiu"

"Are you going to visit Ms Meng?"

"Yes Mrs Min"

"It's okay if I go with you."

“Yes Mrs Min”

“Mrs Min and Ms Rei, I will go first”

“Yes Manager Xiu”

He left followed by them (Mrs Min, Rei and the kids) while the staff automatically clean the room. Rei left her gifts in the room and the staff already know what to do by carrying the gifts and put inside in the Van. Rei inform Meng that she will visit her sister first and she will not let her accompany with Rei in order to avoid Ms Meng to be aware that she's also one of the owner. Mrs Min have a car so they arrived in the hospital right away. Rei seating in the back and let Lynel set on her l.a.p leaving the other kids seat beside her while Ken seat beside Mrs Min.

When they arrive, all eyes are on them because they didn't change their formal wear to a usual one. The most who gathered attention are Rei and the kids because they just look like a princes and princesses from a royal family but Mrs Min also look stunning because all CA International Company Teams in C City Branch are all beautiful and handsome. Mostly of them wonder if they got hired base from their looks but nobody knows except the heads that their company owned another company that's in different field which is entertainment industry and sooner Rei will know it when she's become part in the main branch and that's why they also selected and hired with beauty and brain so that they will not left behind if in case they will know that they have an artsits in the company.

Before that, all of them directly go to Meng's room and since the bodyguard already know Rei, he let them get inside right away. When they got inside, Meng got check up by the doctors and some medical personnel and they just seat there while waiting for them when they're done what they're doing. Several minutes pass the doctors and medical personnel leave in the room, Meng notice them and ask.

“When did you arrive Mrs Min and Sis Lou?”

“We arrive at the time when one of the doctor explain your situation.”

“Oh but I will be discharged this weekend and another week for my recovery before I'm going back to work Mrs Min”

"I will take note of that Ms Meng and I will go out first because I can sense you have something to tell with Rei"

"Thank you Mrs Min" then she left and just seated near her room.

"So, Sis Lou are you really going to leave?"

"Uh-uh and it's already decided"

"Okay knowing you, nobody can retract your decision so I understand."

"Good"

"Tsk, tsk, but Sis Lou, I'm really glad that you never left me during that time and thank you for saving me"

"You're welcome Meng but if it's someone else they also do the same thing"

"Uh-uh you're right but during that time you're the one who run to me and help without hesitation when someone was near me when I got thrown out"

"....." Rei speechless

"That time I thought you're going to ignore me and letting me die since I deserve it because of my behaviour and personalities but you did the opposites, y...."

"Enough with that Meng, you're just regain your consciousness today and you're emotions is still unstable, so just relax alright"

"Uh-uh and Sis Lou, it's too late for me but can we be friends?"

“What do you think I’m here if I’m not treating you a friend?”

“Thank you Sis Lou, by the way your kids are really shy and quiet type just like you.”

“Well, we’re talking so they don’t want to interrupt us”

“Oh so you’ve raise them well but I thought your single Sis Lou?”

The kids look to Rei because their family practice to never lie to anyone but they can hide and stay low profile for their safety and protection, so the kids are interested to their Aunt answer.

“I’m single Meng”

“Then don’t tell me...””

” Rei tap Meng lightly and tell her the truth since it’s not dangerous to talk about this one if someone going to kidnap the kids because they’re information are strongly protected and secured “alright before you’re mind wandering around and thinking something nasty, they are my nieces and nephews”.

“Eh, but how come they look alike to you Sis Lou?”

“If you look them straight you can tell the differences Meng”

“Wait” then Meng stared them and now realize thay they have different features, the little two girls have big eyes, round face and nice nose while the little two boys have small eyes, an oval face and nice nose. “But they still look alike you Sis Lou”

“Well they are my nieces and nephews so we look alike since we shared the same genes, right”

“Right, right and you can let Mrs Min get inside now”

The bodyguard heard her “Yes, Lady Meng” and let Mrs Min get inside.

“Mrs Min I’m so sorry for my personalities this past few months”

“It’s alright but for now we’re going now because you’re still recovering”

“Uh-uh and thank you for visiting Mrs Min”

“You’re welcome”

“Ah Mrs Min before I forget you can let others visit me here if they want. Just let them come tomorrow before I got discharge and tell them that I will not entertain that much”

“Noted Ms Meng and we’re going now”

“Drop Sis Lou and the kids, Mr Li”

“Yes.....”

“Ah, it’s alright Ma’am, I will drop them first”

“You can’t Mrs Min, you’re also going home and if you drop them first, you will arrive at you’re home late”

“Yes Ma’am”

All of them left, Rei and the kids ride from Mrs Meng car then drop them off to the restaurant while Mrs Min ride her car alone to her home. When they arrive Rei talk to the driver.

“Ah, Sir please wait for a moment”

“Yes Ma’am Rei”

Rei walk together with the kids then instruct Meng.

“Meng you can go now and you’re mom driver’s is outside waiting for you”

“Yes Ma’am Rei”

Meng go to the staff room, change her uniform and get her bag. After getting her bag, she bid goodbye to her bosses and coworkers then left right away. When they arrive, the mother and daughters talk heart to heart, they cleared their misunderstandings and back how they were before the car accidents happened 16 years ago meanwhile the other Rei and her family arrive safe.
