

Last Man 65

## Chapter 65 - Departure / Arrival

Early morning, the family already awake and getting ready then they make sure that Rei will eat before leaving. Now the family are on their way to CA International Airport, 40 minutes of ride they're seating in the waiting area with Rei and wait for Rei flight for check in open, half an hour the check in is now open and Rei got up.

"Oh, my flight is ready for check in now""

we see it Rei"

"Then I'm going now, kids hug Aunt" the kids stand and give her a hug without hesitation then said "promise to Aunt that all of you well be always a good boys and good girls"

"Uh-uh, we promise Aunt Rei"

"Good" then look to her families and said while still hugging the kids "Ma, Mei, Bro En, Bro El and Lyn, I will be always be careful and do my best. I'm going now, I don't know when I will back but I always video call every weekends or if I'm free for my updates and life in there" then hug them one by one

"You must be Sis and if you're dating someone you can keep it for awhile but don't keep it like in a year maybe 6 months of dating is good for us to know"

"Okay, 6 months Mei then I'm going now"

"Bye and always be careful""

Ma"

Rei get inside in the airport premises, check in her luggage and then go to the boarding area meanwhile her family leave in the airport with a longing expressions of their faces. They know it's for Rei career and future so they understand. From the airport they go home directly since it's still 5am in the morning and when they arrive, they start reminiscing their moments with Rei. After that when it almost time for working and business hours they leave separately leaving Aya and the kids left in the home meanwhile Rei already on board and waiting for the plane to take off.

Rei is in business class and her travel tax already paid together with her flight ticket so she didn't pay any amount because her baggage allowance is 50 kgs and her transportation and allowance already covered by the company.

For almost 4 hours of flight, Rei arrives safe in S Country. She didn't look back her doc.u.ments for review and go directly to the immigration for inspection and interview. She shows the needed doc.u.ments and answered thoroughly of what they ask then go to the parking area right away by looking to signage instructing where and glad that their signage have a universal language below the S language because she only know the basic and will study more for her convenient wherever she go and can directly communicate as like what Senian Citizens . The company already inform her about who will be pick her up together with the car details and also inform her that he will waiting in the international arrival parking area at her arrival time delay or not. Rei looking for a blue mercedes car with plate number HSM 0531, then find out and approach him.

The man inside the car didn't take notice of her because his taking a nap because he already here for almost 2 hours since his so excited to meet her. He already stalk her for that time and just from only a glimpse, he knows that she's pretty so that's the reason why he is so excited. Rei just lightly tap and knock the window glass of the car and that man inside the car heard it then automatically open his car.

"Ah you're here Ms Din and Good Afternoon"

"Good Afternoon Secretary Han...." greeted in Sean Language

"Oh so you already know the Sean Language" replied in Sean Language

"Ha, ha let's go back to the universal language and I only know the basic, sorry Secretary Han, I almost bragging and yet I almost didn't understand you"

“Alright don’t worry and I understand, let me carry your baggage Ms Din”

“It’s alright Secretary Han”

“No worry Ms Din and just let me put your luggage”

“Okay, here Secretary Han” Rei give her luggage to him while he put the luggage to the baggage area and continue chatting her

“Good and for now I will drop you off where you going to stay then give a little brief for you, hop in inside Ms Din”

“I understand Secretary Han and thank you” then hop in inside the car, seat and wear her seat belt. Han look at her and amuse.

‘Why is she so pretty? Thank goodness she still didn’t understand our language or else she already understand what the passerby talking about us’

Rei notice him in a daze and ask “are you alright Secretary Han?”

“T..... I’m alright and don’t mind me and let’s go now.”

“Okay”

—Flashback—

When Rei step her foot in parking area some passersby are looking at her with awe and all of them talking about her the moments when Rei looking around, approach the car and suddenly a man got out from the car.

“Woah, what are gorgeous couple they are?”

“Is she an artist?”

“Maybe yes or not because I don’t recognize her”

“That man is her boyfriend?”

“Maybe yes or not”

“Woah both of them are having conversation using the universal language and both are so fluent”

“Oh, they’re leaving”

“Tsk, tsk that lady is really a beauty”

The passersby by also left and hop inside their cars and at the same time their someone looking and gazing to Rei, with his reflexes he grab his phone from the pocket and stealing a photo of her. He in a daze while looking to her and return back after he heard his teammates calling him.

“Bro Tae/Tae, are you alright?”

“....”

“What are you looking at?” then all of them look where his lookong at.

“Hmm, you know that lady Tae?”

“I don’t know but I have that ....” ‘I and her are tied together’

“What?”

“Wait, is that Secretary Han?”

“You’re right Bro Yun / Yun”

“Don’t tell me she’s Secretary Han girlfriend”

“Guys, let’s go now for us to rest since we just arrive and then tomorrow will leaving again to J Country for your Concert Tour”

“Yes Manager Han”

All the team hop inside their teams car and drive off. On their way Tae still thinking and wondering something ‘is she really Secretary Han girlfriend? No, no you’re wrong Tae, she just arrived and maybe Secretary Han is picking her up, right that’s right. Hope, I will not be too late and if we really tied together then whatever we will meet at right time. Tsk, tsk, why do we have a concert tour this time?’ looking to his phone and look the lady photo while smiling. His teammates and managers look at him with a weird look because they saw him smiling while looking to his phone and one of them couldn’t help so he ask him.

“What’s wrong Tae?”

“Ah, nothing Bro Yun”

After hearing his reply, all of them wondered and thinking the same thing ‘Nothing? Looking to your phone while smiling, are you sure?’ but they didn’t ask and directly go to the studio.

—Ert md Fiflvghc—

Secretary Han and Rei just arrived. He led the way and guide her. After parking the car, both of them ride in the elevator that connected to parking area and press for the 32nd floor.
