

Last Man 66

Chapter 66 - Her Unit

After that they arrived in the 32nd Floor and Rei saw a spacious hallway then again she notice 3 units in this floor.

“Eh, only 3 units here?”

“Ah yes you see it right Ms Din but starting now I’m calling you Secretary Din. I, you and the first boyband in CA Entertainment are leaving in the same floor. Follow me, I will lead to where your Unit is” he walk to one of the rooms “this is your unit Secretary Din, for now it will be your temporarily Unit but 2-3 years and it’s depend on your performance you will owned this unit. Come and get inside” he open the door and lead her to get inside.

“Let’s take a seat first Secretary Din and here your Unit keys”

“Uh-uh, thank you Secretary Han”

“By the way which do you prefer Secretary Din or Secretary Rei?”

“I prefer Secretary Rei”

“Good now before I will brief you, let’s introduce to each other first”

“Go ahead and who go first?”

"I will go first, so I'm Han Su Min 24 years old and born on May 31, 19XX. I graduated in S University with a Secretarial Degree with a Summa C.u.m Laude award. And I'm already been a Secretary here for 3 years. Here's my portfolio"

"Oh thanks and nice to meet you" then received his portfolio then reply to him "I'm Din Lou Rei, 24 years old and born on August 31, 19XX, I graduated in C City College with an IT Degree and I'm already been an Admin Staff in C International Company in C City Branch. If you don't mind my experience in the company was 6 months and here's my portfolio" Rei grab her bag, get her portfolio then give to him.

'6 months as Admin Staff and now promoted as a Secretary in the main branch that her course was not related at all, interesting'

"Let's read our portfolio first, Secretary Rei"

"Yes go ahead Secretary Han"

Rei can sense that there's something wrong with this man and can feel that he underestimated her, so she let just pass it for now and observe him.

Both of them read their portfolio seriously and after half an hour they're done. This time the man got wrong impression about her because he seen her grades and if compared to him, Rei more genius and smart but still doubting her.

"By the way, why you didn't say that you're graduated with a high honors."

"It's not that I'm bragging and I'm proud what I achieved but I don't want to be show off"

"Oh and for now I will give you briefing"

"Yes go ahead"

“You must listen because I don’t want to repeat myself”

“Alright”

“Alright I will discuss the 3 main rules in the Main branch, first business department must not involve themselves from the entertainment department, second no talking bad about your co-workers privacy and third dating with your co-workers is not allowed unless you got a permission. Do you have any question?” Rei shaking her head and he continued “This building is owned by the company we have 3 annexes A, B and C. Annexes A consists of 32 floors, only our floor have 3 rooms while from 1st floor to 31st floor have 5 rooms and all of us here are all Secretaries, Managers and Artists. Annexes B and Annexes C are consists of 20 floors with 10 rooms each and all them are janitors, admin staff, staff and regular employees. Do you have any question?”

“Uhm, our neighbor’s are a boy band right so who might it be?”

“You don’t need to know and it’s our rule”

“I know and what I mean is do you know who might it be?”

“Yes of course I’ve been a Secretary for 3 years so I meet them once a year and but no conversation since it’s our rule”

“Oh, okay then continue Secretary Han”

“Tomorrow will be your rest day and starting Monday, I will be your Trainor and Mentor. The company only give you one month and half of your training before you become an intern. First week from Monday to Saturday, I will train you for the Sean Language, next 2 weeks for the places here together with driving lessons, the 4th week is cooking lessons about the dishes in S Country and others, 5th week is preparation for your driving examination and get a license. Last week will be the week for reviews all the lessons that I teach you before you become an intern. The time is just like your working hours from 8am to 12 noon and 1pm to 5pm. As a trainee and intern you will still receive your salaries, so you don’t need to worry. Do you have any questions?”

“No and go ahead” he didn’t take a notice but Rei is taking a note all of his briefing. “Okay and last here, if you become a good secretary or become best, this unit will be yours including the furnitures, fixtures and appliances. At that time you get your license’s you will receive a car and temporarily will be yours then owned based on your performance and if you know only Managers and Secretary will receives a car from the company with two colors for opposite s.e.x which blue and red, the brand will be based from your performance since others only owned the unit with fixtures, furnitures and appliances. Do you any question?”

“As of now I don’t have”

“Don’t be shy and just ask”

“ ... ”

“So you don’t have any question to ask?”

“As of now, Yes”

“Okay, okay and then I’m going to my unit just opposite to yours. Be ready on Monday, I will be here on time”

“Yes Secretary Han”

“You really have no question?” Rei nodded “Okay and I hate it if the person I’m talking to tried to understand then asking me during our lessons”

“No worries and take care Secretary Han”

“Okay then let see on Monday again Secretary Rei”

“Uh-uh” then Rei close the door.

'She really understand what I'm talking about. Hmm, let see if you just pretend or not'

Rei checking her unit. The living room is consist of couch and sofa with center table,65" smart TV, speakers, amplifiers, modem with wifi, phone, computer set and desk with drawer, chandelier with fan and light. The kitchen is consists of lavatory, dining sets for 6, a dish cabinet, pots, frying pans, plate and utensils, Electric Stoves with four burners. They are two rooms, so she check the first one. The first room is very spacious, on the side corner there's one comfort room with complete sets and the room consists of master bed, cabinets and desks on each side, 2 pillows, bedding and a blanket. Rei notice one laptop on the bed with a note property of Ms Din Lou Rei.

"Eh, it's mine?" then continue checking the other room and open again using the key that Secretary Han give her. The room is more spacious compared to the other room, a dividers on one side with two comfort rooms on opposite side and Rei open the divider first. This divider is also like a storage of supplies because she notice they are so many beddings, pillows, blankets and mattresses inside and then she open each comfort room with complete sets inside. Rei get out from the room and now seating in the couch and remember suddenly.

"Ah, right Secretary Han was pressing something on the wall." She stand and go near to the door then notice a reminders that written in a universal language.

"This unit is design with soundproof and fireproof. Main switch and sub switches is located near the door. Room switches are located near the room doors. Air-conditioning are all built in, centralized air-conditioning is for the living room and the dining. The guest room and bedroom have each split type air-conditioning and the three remore control are in the desk near the phone.

Note : please keep this reminder in safe once the temporary or permanent owner already inside thia unit"

Rei pull the sheet and seated back again then thinking.

"It's like I'm here for being a mistress? Ha, ha silly of me but I'm going to be a new secretary and do I really need and deserve of this treatment? The company CEO is really generous and kind. Ah that's right Mei advise that grab this oppportunity because CA International Company is one of top around the world and it seems Mei is really right."

Rei grab her luggage and bag then arrange her things. After putting all her thing she go to dining area and prepare for her dinner.

“The food supplies are all here, oh there’s another comfort room beside the guest room. 4 comfort rooms, even I’m the only one temporarily living here? Do I really become a resident here in S Country?”
