

## Chapter 68 - Second Day in S Country

Because Rei did some research, on the next day she go out alone and walk because it just around the corner. Around the corner but it's one kilometer walk and search this church because they have a universal language during their first mass and now she attend the mass. Yes, her conversation with Mr Do and the President is in universal language so they understand each other with no language barrier.

After an hour and half, the mass already ended then Rei walking again to her place. Half distance before she arrive to her place, she saw a billboard with the current news and because she still learning the language she just watching and understand by looking at the images shown in the news.

In the news

"Illegal 20 Hackers arrested yesterday. They're group were the one blackmailing our fellow Senians, to our celebrities and personalities who commit suicides for these past three years because of them. General Jo and his teams are the one arresting them yesterday. It's revealed that they're not the one who discovered and some who's kind enough the one who discovered about them. For privacy General Jo didn't reveal the identity but we got a little clue because this was the original report that was sent from the hero and it's written in universal language, so the hero is not a Senian but for now we're glad and to my fellow Senians were now safe from cyber bullying. General Jo will release a good news in a week so stay tuned for our channel. Before this current news will end as of this time, here's the interview of General Jo and his teams."

'Tsk, tsk Rei you need to study more, Sean language is really hard'

Meanwhile at the road side they're someone car passing Rei and stop at her direction due for traffic and observing her while she watch the news.

“Oh it’s her”

“Eh? Who are you referring to Bro Tae/Tae?”

“Nothing”

“What’s wrong Tae you’re acting weird since yesterday?”

“Mmm”

“Oh look guys the group of illegal hackers were arrested yesterday.”

“Eh, really Manager Han?” except Tae

“Yes look, tsk, tsk I and him sharing the same last name, what a disgrace?”

“Your right Manager Han” again except Tae

because his a quite and silent type of person.

‘Mmm.....is that why she’s looking in the news?’ He observe her and watch her closely. ‘Why she’s looking it seriously? Don’t tell me she’s the one helping the military but how? She just arrived yesterday maybe yes’ then continue watching her and her eyebrows almost touching to each other because Rei didn’t understanding anything and because of this reactions he laugh.

“Ha, ha, ha she’s look cute”

“Bro Tae / Tae are you sure you’re alright?”

“Mmmm” then as if looking to his phone like he watch a funny videos but the fact he steal another photo of her by cl.i.c.k.i.n.g his camera. ‘I and her really destined to each other because of all the places, we got stuck by the traffic when she’s there. Good, now I know she must be one of new workers from Mr Hwang. Hope that she’s not assigned in the business department’ continue observing while his teammates still commented.

“Not a Senian, who might it be?”

“You’re right Manager Li”

“You guys must be relax since the blackmailing of privacy and secrets of an artists is now safe.”

“Uh-uh”

“Manager Wang it’s a go now”

“Ah, right sorry Manager Han”

“It’s alright” then he drive right away while Tae eyes are still focus to Rei.

‘Who are you Miss? Why are you suddenly appearing in my eyes? I’ve already meet many ladies and fans but why are you so special to me?’

“You’re still looking at the news Tae?”

“Uh-uh” ‘I’m not looking at the news instead I’m still looking to her’

‘What’s wrong with our quiet and cold main vocal?’

Rei is still watching the news and suddenly feel that someone watching her then look around.

"Oh, she notice that I'm watching her. Maybe you're heart Miss telling you that you're future is looking at you'

'Weird, I think someone watching me or it's just my imagination.'

Rei walk again and after 15 minutes of walk she arrives and now riding in the elevator

'By walking around do I meet some artists here? Na, it's maybe no since artists are always busy with different times from commoner like us'

"Ding" the elevator arrives in 32nd floor and Rei step out.

'Mmm.....that room I wonder who's the boyband living there?. Tsk, tsk never mind Rei, do you want to be kick out without even starting?'"

Rei enter to her unit and seating right away. Even though she's a genius and intelligent i. hacking, she knows her bounds and privacy so she didn't hack. Rei look at her watch and notice the time.

"I still have 2 hours before 10am in C Country so I will eat my lunch first and continue with my self study"

Rei eat first her lunch and using her other time to study in advance. She still didn't do the project she got received yesterday but she will do it after talking to her family. At exactly lunch time in S Country, Mei is the one requesting of video call instead of her and they talk in Ceno Language.

"Sis how are you?"

"I'm fine and I received safely yesterday"

"Rei where did you stay?"

“Here in CA Residences and Complex, the company is also the owner of this, Ma”

“Good Rei, do you live alone?”

“Yes Ma, here take a look of my house” Rei lift the laptop and focus that camera to her unit “look guys, starting yesterday and don’t know when, I will stay here. Here’s my room and guest room. Look, look guys I only live alone but yet this house is designed for a family.” then Rei seating back to the couch and look to her family again in the screen.

“Sis you’re living in a nice and warm place”

“Uh-uh, I expect that I live in a dorm.”

“Ha, ha well it’s expected because you’re going to be a Secretary in CA International Company”

“Uh-uh”

“See, Sis you make a right decision and I’m sure you will do your best”

“Mom, can you be quiet and give us a chance?”

“Oops Sorry my boys, Mom forget that you’re here”

“Right, right you’re really forget about us My Mei/ Mei/Mom/Aunt Mei” everyone laught and one of the kids ask Rei.

“How’s your life Aunt Rei?”

“For now I’m still adjusting Ken, ah look look, I put the family photos in the desk?” Rei focus the cam  
“did you see?”

“Uh-uh”

“Aunt Rei, Aunt Rei you bring you’re laptop right?”

“Uh-uh but today I’m using that the company give me”

“Eh, you have?”

“Uh-uh, I received it yesterday since they put it on my bed before I arrive and there’s a note that  
Personal Property of Ms Din Lou Rei with a message congratulations for being part in the main branch.”

“Oh”

“By the way this is what they told me yesterday” ” Rei informed them about what Han instructing him  
and also telling them that this man underestimated him living about her hacking yesterday because the  
kids are still with them and not the right time to know yet. After listening her Mei, El, En, Lyn and the  
kids reacts supportively.

“Tsk, beat him Sis, what an arrogant guy?”

“Right Rei, why did he underestimate my sister?”

“You’re the same age but I think you’re the most genius I known after My Mei,Rei”

“Sis Rei show him what you’ve got”

“Go Aunt Rei his out of you’re league”

“Yes, yes beat him black and blue”

“Right, right Aunt Rei how dare he bully my Aunt”

“Go Aunt Rei”

“Hey, hey what are suggesting to Rei? Even you kids?”

“Oops sorry Ma/Grandma/Mama Grand”

“Good and Rei don’t listen to them”

“Yes Ma”

“Geez Ma we’re not serious”

“I know but if I didn’t teach and raise you well then you be like the others who’s doing without thinking just because of hatred and revenge”

“Yeah we know” everyone said it together

“Good thing, you know”

“Oh, right did you attend the mass Rei?”

“Yes Ma, I attend with a universal language mass”

“Good”

“Sis do your best and I know you can do it.”

“Yes I will do my best and hope I can do it” “Eh, where’s the kids?”

“To there rooms”

“They must crying right?”

“Right but don’t worry just like you they will adjust Sis”

“Uh-uh and by the way there still something I’m going to since the kids are not with us. So this happen”  
Rei tell everything.

“Geez Sis you must be carefule and don’t be act reckless”

“Uh-uh

“By the way Rei how’s the project assign by S Country President to you?”

“Bro En I will working on it after talking with you guys”

“Don’t let them discover you’re R”

“Yes I will be careful Bro El”

“Just stay safe Rei”

“Yes Ma”

“Bye bye and take care”

“Yes, as always guys. Bye and same too you”

The video call ended and Rei now working her projects using her own laptop, the other one already program by her yesterday but she still need to be safe. After many hours and because of being serious she just notice the time.

“Oh, it’s almost midnight then I will review it tommorrow at night and take a rest first, Rei”
