

Last Man 69

Chapter 69 - As a trainee

Monday, first day of her as a Trainee and now already ready for her lessons. One hour before Han arrive, Rei already seating in the couch waiting for him. At exactly 8am, she heard a doorbell and then open the door for him.

“Good Morning and come in Secretary Han”

“Good Morning Secretary Rei”

“Let’s take a seat a first Secretary Han”

“Alright and let’s start right away”

Han teach her right away and Rei listen attentively, they almost didn’t notice that it’s already lunch time and then Han give a break. At exactly 1pm he got back and start again. They did it everyday for the first week from Monday to Saturday.

Now the Second Week start , they’re outside because he will teach Rei all the places in S Country while also teaching how to drive using his car. Everyday Han teaching her the places, the tourist spots and destinations then the main attractions. From Monday to Saturday of the whole third week Rei already the one driving his car and go places to places then eat their lunch to a nearby reastaurant wherever they are. At Saturday they arrive at noon since every Saturday is only halfday. The fourth weeks begins and now Han teaching how to cook the S Country Foods and main dishes, because Rei already know how to cook they’re already done the looks very quick, the next lessons will start on third day. Now Rei with Han are on the way to the Land and Transportation to get a driving license. First, Rei take the exam and wait for the results for the next driving test which is the actual driving. Rei pass the written on test and

on the next day, her driving skills is now examine and monitor by an officer. Rei drive while the officer in the driver side grading her. After two hours they got back and wait for her result.

“Did you do well?”

“I just did what did you teach to me Secretary Han”

“Good and let’s wait for your result.”

“Miss Din Lou Rei?”

“Here” yes, right now they’re already talking in Sean Language and Rei already fluent both handwritten and conversation after the first week of her language lesson even Han was so shocked and dumbfounded how smart she is that can easily learn what you teach to her. She like a sands that you’re watering it and suddenly absorbed it right away. He even complement and praise her but Rei just simply replied “I just did what you teach me and you’re a good mentor and trainor, Secretary Han”

“Come here Miss Din and congratulations you pass the both written and actual driving examinations. Here Miss Din and you’re the first foreigner got a Class A driver’s license since most foreigners get either Class B and Class C, so it means you can drive either Automatic or Manual. You’re teacher Mr Han was a class B so only the automatic.” What he mean is Mr Han was a Senian and yet his only got Class B, Rei understand behind the message but she didn’t mind it.

“Thank you Sir”

“Just wait a minute for you driver’s license card”

“Yes Sir” Rei seat and Han asked.

“How is it?”

“I passed”

“What class did you get?”

“Class A”

“What?” but Rei didn’t heard him because the officer calling her again

“Miss Din Lou Rei, here’s your ID Card”

“Yes” Rei stand and accept the card. “Thank you”

“Let’s go now Secretary Han”

“Yeah and I will drop you off first”

“Yes Secretary Han”

After 30 minutes, Han drop her off and said again.

“Go now and see you tomorrow Secretary Rei”

“Yes Secretary Han”

Han go to the office and report the progress to the CEO.

“CEO Hwang it’s Secretary Han”

“Come in” when he got inside he heard him “report”

“Secretary Rei received her Class A License just now, it’s still the 5th week of her training period and she still have 10 days left.”

“Okay, now tomorrow give her a break while you borrow her license card and pick a car for her it’s must be the latest model of mercedes. For 5 days give her an examinations for the lessons you give and for the last 5 days let her drive the new car so that she can adjust”

“Yes CEO Hwang and how about her plate number?”

“As what we did always ask her what she want”

“Yes CEO Hwang”

Han go right away and return to his unit. At first if he don’t know how capable Rei is, he will be questions for sure but right now Rei really deserve because she’s too smart. The next morning Han did what CEO Hwang instruct.

“Secretary Rei you will have a break today and for now let me borrow you’re license’s card.”

“Okay and come in for now”

“No I will just wait here”

“Okay” then Rei get inside and grab her license card from her bag and give to Han “here it is Secretary Han”

“By the way, why do you want for your plate number?”

“JLR1110”

"JLR1110, why?" he asked because Rei initial is DLR and her birthday is 083193 mostly them will use initials and their birthdays, so he taught that she will did the samething but she's really different.

"It's a secret Secretary Han"

"Okay, just take a rest for now"

"Okay"

Hfr iudo frt em om f Muzhutul Svmn.

"Excuse me Miss"

"Yes what is it Secretary Han?" they know him because they're one of VIP customers as a Secretary of CA Internal Company CEO.

"Another car for you're co-workers?"

"Uh-uh and please give me the latest model of Mercedes"

"Yes Secretary Han and may I ask her/his ID card?"

"Here"

"Woah what a pretty lady she is? The plate number is?"

"JLR1110"

"Wait for a moment Secretary Han"

“Yes go ahead”

Han just waited while the sales representative processed everything necessary. After two hours of waiting she’s back and said to him.

“Secretary Han the car already confirmed by CA financing representative and 3 days from now we can deliver the car to where, since the license card owner is a Class A holder?”

“To CA Residences and Complex Annex A parking number 3203 then please deliver the car on this day”

“Yes Secretary Han and thank you once again. By the way here’s the license card”

“You’re welcome” then he left while others chatting.

“Another car for CA Employee?”

“Uh-uh”

“Oh, so it must be same model of Mercedes”

“Latest Model guys”

“Eh? But Secretary Han car was also same model of Mercedes?”

“Shhhh....what are you talking about? Did you forget that CA restricts us to leaked this?””

Sir”

“Don’t do this again”

“Yes Sir”

As usual Han go to his unit but before he go home, he stop to Rei unit and give back her License card. At first he want to inform that to be ready for the examinations but he didn’t because he feel jealous because she got the latest model of the mercedes even she still trainee and no experience, so in order for CEO Hwang to be wrong about her, he will give the hardest one and most difficult.
