Chapter 74 - Live Interview Show: 2

“Yes that’s right and so, before we proceed to the interesting one, let’s ask Secretary Rei that last year how long she become part of the family when she receives this awards?”

“I’m not bragging alright but I need to answer since you’re asking me, so it’s around 7-8 months, MC Ron”

Both are too shocked “What? 7-8 months”

“Yes 7-8 Months and that’s why I’m too surprised that I received that much”

“Then, then just this year you celebrated your 1st year”

“Uh-uh and next month will be my 1 year and 8 months here”

“That’s too much surprising but for now the mentor you mentioned awhile ago is no other else except Secretary Han, right?”

“Yes it’s Secretary Han the one who mentoring and trained me”

“Oh no wonder since he also one of the genius one but Secretary Rei believe it or not, Secretary Han only gained one award as Best Secretary after almost 3 years since he joined the CA Family, so Secretary Rei how is he being as a mentor and trainer?” The hidden meaning is Secretary Han is the mentor and yet here you are get this awards around 7-8 months.

Rei got the hidden meaning but she answered the same thing “Secretary Han is good as a mentor and I learn a lot from him”

“That’s good, that’s good and now let’s proceed to the most important and interesting one, MC Ron please go ahead”

“Of course this is the most I anticipate more, are you ready Secretary Rei?”

“Uh-uh”

“Then let me ask first, between I and MC Jay who fancy you the most?”

“Mmm, we’ll both of you have different charms and attractions, so I can’t choice”

“Ha, ha you’re playing with us Secretary Rei and please choice at least one”

“Oh! Okay I will and so the one I fancy the most is ... you MC Ron but not in a romantically ways”

“Ouch that’s hurt, I think I got rejected by you Secretary Rei without even confessing”

“...”

“Well, I heard a rumors that you’re really a popular and that’s why you get the Hall of Fame Award because most of our CA Families from Business and Entertainment vote you Secretary Rei”

“Eh really?” they both nodded “oh, then I’m glad from my CA Families and thank you for voting me to get this award” said while bowing.

“So Secretary Rei, do you have a boyfriend?”

“That...”

“Of course Secretary Rei have a boyfriend, why are you asking that one Ron, this beauty and one of a kind it’s impossible for her not having a boyfriend”

“Tsk, tsk quiet Jay you’re not Secretary Rei”

“Oops, sorry and go ahead Secretary Rei”

“Yes no problem MC Ron and MC Jay but sorry to disappoint both of you, I’m still single and not in a relationship”

“Eh, really?”

“Uh-uh”

“But we heard that you have many admirers and suitors”

“That.....”

“Don’t forget that we’re from Entertainment, Secretary Rei so gossiping and rumors is usual to us and the last we heard that Secretary Han confess to you but got rejected, right?”

“.....”

“From your silence it’s means Yes but why you rejected him, is it because of the company rules?”

“.....”

“You can answer us Secretary Rei, Mr Hwang allowed us, just don’t reveal more personal and only a little bit.”

“Oh, okay but it’s not because of company rules because I already ask permission from CEO Hwang if just in case I’m dating, the reason is I and him didn’t click to each other. I treat him as a friend and he only infatuated to me because of my capabilities and not who I am.”

“So what’s your ideal man Secretary Rei?”

“I’m not that choosy but I like men who can see me through and love me who I am”

“Oh, interesting and we’re curious who’s the lucky guy but let’s wait for that and ask you instead”

“Yes, what is it MC Ron?”

“S Country is known for celebrities and artists, so do you have a celebrity / artist crush?”

“Yes I have but I can’t disclose that one because I don’t know his private life” it’s true that Rei is IT genius and skilled in hacking but she knows her limits and never reaches their privacy if it’s not needed, so she’s not aware what company he belongs and his private life.

“Oh so you have and I’m sure he’s a lucky guy that Secretary Rei got her attention because of him”

“Nah, I would be the lucky one if I meet him”

“Enough of that teasing Secretary Rei or else we will force you to say his name”

“Oops sorry”

“It’s alright and so Secretary Rei what are you doing for your 1 week vacation since you’re the employee of the year and outstanding employee of the year”

“Well I’m planning to visit my family but then I stop myself for doing so since I would be really busy after my vacations”

“So you’re living alone?”

“Yes”

“Do you feel lonely?”

“Of course but not that really lonely since every weekend I call my family and I’m already adjusted myself the moment I decide to be here”

“You’re really a strong one Secretary Rei”

“For the last question, can you give a heartfelt message to your future partner?”

“Okay and to my future partner whomever you are I’m Rei, this is my heartfelt message to you just love me enough and I’m sure I will also love you back, I’m here to stand by your side and support you whatever it means. Just love and like me for who am I and what am I” Rei said it seriously and suddenly blushing.

“Eh, why are you blushing Secretary Rei?”

“I don’t know, I suddenly feel like someone watching me dearly”

“Oh then perhaps it’s your future partner and I’m sure he also part of CA Families because only from CA Family can watch our live show”

“That’s right, that’s right and you’re message got through to him, Secretary Rei”

“.....”
