

Last Man 78

Chapter 78 - Rei and Tae

Yes, Rei really seated beside Tae family members but she doesn't aware of it, if she know she will be panic for sure but well she quiet know how react in different way. Both Day 1 and Day 2 successfully finished the concert but the Day 2 it's different because it the second day of concert, so it almost ended at midnight and it's ended very late at night. Rei leave alone but then she's no worries because she had a car, except for the other one who's the one afraid instead of her. At the end of the concert and after officially closed the concert, Rei leave and go to the parking area without knowing that someone already looking and following her until she reach to her car and hop inside. Before she hop in inside the car, Rei can feel that someone's looking to her and because of it she turned her head to look around.

"Eh, no one's around?" because someone already hiding fast while Rei trying asking in a loud "is someone's around?"

"...."

"So no one's around?" looking to her watch and said to herself "better to leave now and it's already late at night." Rei got hop inside and drive right away meanwhile the one who's looking to her getting out from his hiding place.

"That's scared me out" hold his heart "I thought I'm going to get caught by her. But well My Rei is really fluent in Sean Language, just what I expected of my woman. Oh, better to go back now before they've take a notice of my absence"

Backstage

"Let's go now everyone"

"Wait Manager Han, Tae is not yet here"

"Where is he Yun?"

“Tae family’s here so maybe Tae seeing them off” he just guessing because he saw Tae going in the direction where the parking area located.

“Oh, right I saw them, Tae must be sending them off”

“Seeing Bro Tae family here, he must be happy right?”

“Of course, yesterday Tae is so restless maybe it’s because his family didn’t show and then now Tae calming down when he sees them.”

“Yeah, you’re right and Bro Tae start to calm down down when he sees them awhile ago”

Unknown to all of them, Tae didn’t even notice his family first because the one his looking first is Rei and just realized his family after checking it again. He got back and one of his teammates notice him.

“Oh, Bro Tae is here”

“Tae, did you send your family off?”

Just realized that he didn’t see them. ‘That’s right, where are they? I didn’t see them, well no worries they’re so many of them and My Rei is alone’ then answered to his team leader like he really send them off.

“Uh-uh”

“Let’s go now guys, tommorow will be your fan meetings”

“Yes Manager Han”

The team are now on the way to their unit and while on the way they chat and chat.

Suddenly one of the members asking since his curious “Manager Han who’s the one watching the concert from the business department?”

“We don’t know Hu, it seems the identity is really confidential and only appeared in our list from Business Department”

“Oh, then never mind that one. Bro Tae, Bro Tae?”

“Mmm”

“At least you’re family make it on the Second Day”

“Yeah Tae, at least they made it today, you’re happy to see them right?”

“Uh-uh” ‘Not just my family but I also see my Rei’

“Bro Tae is really happy Bro Yun”

“Yeah, it really shows from Tae expressions”

“By the way guys”

“What is it, Hu?”

“There’s a pretty lady seating beside Mom (Tae’s Mother), did you notice?”

Tae suddenly feel nervous but then act natural and all of them are shaking heads except him and they didn’t feel suspicious because Tae is always like this.

“Tsk, tsk if you see that lady then you can say that she’s also pretty lady just like Secretary Rei”

“Really?”

“Yes, I’m not lying you guys”

“Oh, speaking about Secretary Rei. Have you meet her already Hu?”

“I didn’t meet her Manager Chi. All of us now their rules and I only based it from the live show”

‘It’s really her, Hu and you got it right. Tsk, tsk I need to be careful when I’m around with Bro Yun and Hu’

“Oh, we’re here”

The team arrives, they got out together from the Van and then Tae looking around to see if she arrives already, after seeing her car, he feel relief.

‘Thank goodness she arrives safe and sound’

Fan Meeting Day

On the next day since the fan meetings will be around 1pm, Rei wake up late and when she wake up, she get ready in an average speed and for the first time she didn’t cook and just walk around the city then eat near the location when fan meetings will be going to hold.

The team already in the event Hall and only waiting for someone because he had another schedule at early morning.

Half hour before 1pm, Rei cross the street and didn't even notice a car pass by that almost got hit.

"Screech...." sound of a car that just got break in a strong force.

"What happened Manager Wang?"

"Someone just crossed the streets, just wait for a minute. I'm going to check if I hit someone"

"Go ahead Manager Wang"

The manager get out from the car and check if he really hit someone. He saw a lady crunching down and shaking lightly

"Uhm, Miss are you alright?"

"....." Rei can't react because she's too shocked and didn't even react when the car almost hit her.

"Please get inside the car first Miss"

"U--uh-uh"

Rei hop in inside the car and still bow her head because of the sudden happenings. At first she thought she's a goner but then again thank goodness this mister who drive the car is very professional and act fast enough before she got hit. Rei didn't realize that someone seated beside her if that one didn't ask if she's alright.

“Are you alright Miss?” ‘Why she feels familiar?’ he ask because he can see that this lady her is shaking lightly.

The manager is also shocked and surprised not because of what happen but because of Tae, since he is the one asking instead of him.

Rei calming down herself and replied to him “Yes I’m alright” then look to who’s asking her and got speechless “.....” while the two surprise to meet her and said in unison.

“Eh, Secretary Rei?”
