“Oh!”

“By the way, we’re going to drop off you first so where do you want to be drop off your house or the hospital?”

‘Her house? Is it my time to know where she lives or rather know which floor she lives?’

Rei already calming down and answered right away “it’s alright Sir I’m really fine and just drop me off to my house. We can’t go to hospital because the Sir seating beside me is an idol, so we must avoid paparazzi who’s lurking around”

Seeing the address of her they didn't surprise because Secretary Rei is also part of the CA Families meanwhile Tae observe her quietly and notice her writings.

'Oh, Rei have a nice penmanship and I seated beside her, I seated beside My Rei.'

'Is it true that I really seated beside him? Yeah, it's really true, the scared that I feel awhile ago is real and still lingering on me'

Manager Chi drive the car silently and then 10 minutes of drive they arrive.

"We're here"

"Ah, Sir I'm alright in here and it's alright for you to go now"

“32nd Floor Sir”

Both of them heard and react the same thing “32nd Floor?”

“Yes Sir, it’s something wrong?”

“No, nothing’s wrong, how about you Tae?” asking Tae while pressing the 32 button
