"W—-what did you call me just now?"

"Tae, why?" and Rei suddenly notice "ah, sorry Bro Tae"

"It's alright and you can call me using my name only anytime if you're already comfortable"

"....."

"Ah, why did you let me in right away?"

"Is he a paparazzi?"

“Eh?” then Tae look where Rei pointing at. “That, he really is. Why that paparazzi is here? Did he see me Rei?” asking in panic

“Relax Bro Tae and I think he didn’t saw you but let check if he see us or not”

“Uh-uh and sorry for implicating you with this”

“No it’s alright” ‘I think I need to use with this since I will be your Team Manager one month from now’

“This is our usual way, we always be cautious with them, the paparazzi”

“It’s must be hard for all of you Bro Tae”

“Yeah since we’re from Entertainment Fields. Ah by the way, I need to ask you something.”

“What is it, Bro Tae?”

“You don’t know any defense at all, right?”

Rei didn’t answered because the paparazzi is approaching them and said to Tae.

“Come closer to me Bro Tae”

“Eh?”

“Hurry”

“O—okay” Tae approach but not so close and just beside her.

“More closer”

“Eh?”

“Pretend that we’re intimate”.

“Eh?”

Rei without choice just explain through actions since she can’t explain it by words and the paparazzi almost near where they are.

“Like this” Rei wrap her arms around his neck and push his head to her neck that accidentally his lips touch his neck. Tae suddenly blush and going to react but stop when both of them heard a knock through the glass window.

“Let’s pretend we didn’t hear his knock Bro Tae”

“...” ‘Rei pretend, are you sure? I almost lost my control the moment you wrap your arms on me’

“Knock, knock, knock” it got louder and louder.

“How rude he is? Tae just stay in your position and don’t let him see your face”

“Uh-uh”

Rei heard him and then open the window of the car by pressing one of the button then ask the paparazzi in English.

“What’s wrong?”

“Eh, ah sorry” Answered in broken English.

“It’s alright”

“H—have y—you seen M’dol Woo here?”

“Who is he?”

“...”

“Is he your brother Sir?”

“Again, I’m sorry. You go ahead” “Shi-, where that lady guy hiding?” After saying that, he left in the area right away.

He call all M’dols as a ladies guys since they’re all slim and handsome or let’s just say they’re more pretty compared to an average lady.

Meanwhile the two separate awkwardly after making sure that the paparazzi is already out of there sight.

Rei realized something wrong with Tae and ask.

“Eh, what’s wrong Bro Tae and your face is so red?”

‘Of course my face would be red since I kiss your neck and you even wrap your arms around me. No man can’t get fl.u.s.tered when the person they like is wrapping her arms around them like what you do and who happened to kiss your neck. You almost lost my self conscious’

“Bro Tae?”

“Nothing’s wrong and I’m alright Rei”

“Really?”

“Ah, right. I really don’t know any self defense”

“Then I can teach you”

“But you’re busy”

“Yeah but after our year end performances, we have 15 days holiday and year end vacation so I will give my 5 days vacation to you and I will train you”

“Eh but how about your family?”

“I will inform my parents and how about you, is it alright with you?”

“It’s alright with me”

“Let just train at your unit in order to avoid some paparazzi”

“Uh-uh”

“By the way Rei”

“Mmm?”

“May I k...” ‘Kiss? What’s wrong with me? Tae control yourself.’

“May I, what is it Bro Tae?”

“May I know why did you suggest like that to get rid of the paparazzi?”

“In order to avoid his suspicion, if I just got outside, for sure he will peek inside and can recognize your features so I just did that”

“Oh, you’re right”

“We’re here Bro Tae”

“Eh, we already arrive?”

Rei laugh “yeah we arrive and you didn’t notice it since you were busy talking with me.”

“Let me suggest another one” Tae thinking hard but suddenly Rei agreed.

“Okay, I’m alright with that so what I’m going to do?”

“Eh, really?”

“Uh-uh”

“Are you sure?”

“Uh-uh”

“So, you can seat on top of me and m.o.a.n a little loud like we’re really making out and open the window a little bit so that they can hear it.”

“O—okay”

“Are you really alright with that?”

Rei didn’t answered instead she open the window a little bit as what Tae said and then seat on top of him and right now they’re facing each other.

“.....”

"Which car?"

"I don't know"

"Let's search where's is it, maybe we can get a big scoop?"

"Are you an idiot? Let's go now before they discovered us and they sue us for intervene their privacy or for entering here"

"Ah, yeah you're right"

The two Paparazzi's leave right away meanwhile the two who's acting become suddenly real.
