Chapter 94 - Thank you

Tae wash the dishes then go to the living room after and the moment he stepped in the living room, he notice Rei was not there only leaving only her purse and keys. At first he taught he was dreaming, so he pinch his arm and feel the pain.

"I'm not dreaming but where is she?" Tae look around "It's Rei house so maybe she just left for a while" he seated but still worried then Rei appeared on his front and ask her right away.

"Where have you been?"

"I just put my things in my room, what's wrong?"

"I was scared that maybe I'm dreaming and all of it just a dream"

Rei approach, seated beside him and then lay her head on his shoulder.

"Silly"

"Rei?"

"Mmmm"

"Thank you for not rejecting me and thank you for accepting my suggestion for a trial relationship."

"You're not a bad guy and I know you're kind"

"Thank you"

“I will share everything to you what’s on my mind when I’m ready to be with you officially”

“Uh-uh but please think it thoroughly, okay”

“I will”

“I like this position of us, I mean you, laying your head on my shoulder, it’s like you already depend on me and relying to me.”

“Then let’s do this everyday you come here and every time when I’m with you”

“Yeah but let’s do it when we become official because I want you to be comfortable around me for this trial relationship.”

“Okay”

“I know I kiss you before I confess to you but I didn’t regret it because I just lost my self control during that time”

“It’s my fault also, I didn’t considered your feelings and just accept your suggestion without hesitation.”

“Yeah, I was surprised that time, I thought you have a better idea compared to mine so I tried to suggest that one and never expected you follow my ideas without hesitation.”

“I also don’t know what’s going on with me that time, so when I saw the two Paparazzi’s, I don’t want them to discover you so I just followed you”.

“Thank you Rei”

“No need to thank me, you’re my boyfriend right?”

The moment Tae heard the word boyfriend from her, he was stunned and surprised then Rei ask him again.

“You’re my boyfriend, right Tae?”

“Uh-uh but only your Trial boyfriend”

“I know but wait for me for two months Tae, I will really and surely think it thoroughly”

“Of course, I will”

“You must be Tae”

“Uh-uh and uhm, Rei?”

“Yes what is Tae?”

“Can I kiss you?”

“You already kiss me so why are you asking a permission now?”

“That.....”

“Yes, you may Tae but don’t take it too long or else you’ll be late”

“Okay”

Tae kiss him passionately and then said to her "I Love You Rei"

"....." 'I love him but I'm still not sure but please, let Tae wait for my decisions'.

"Rei?"

'I need to inform him and not keep it with me or else it will make a misunderstandings from us'

"Rei?"

"Tae you must wait for me alright, don't let other woman seduce you"

"I promise"

"Thanks Tae"

"You're my girlfriend after all"

Out of the blue Rei hugged him and said to him "Tae, I have so many to tell you but I'm not yet ready"

"I understand Rei, I can wait and I promise"

"Thanks, let's go now or else you'll be late, Tae"

"Uh-uh"

The two of them get up from their seat and leave the house while holding hands. They arrived in the parking area and the two of them already get in and Rei just realized something.

“What the, how come I just realized it now?”

“What’s wrong Rei?”

“Eh, how did you know?”
