Meanwhile Tae arrive in the studio with a good day and all the team can sense his radiance aura then suddenly Tae announcing his back for the first time since he just nodded or saying mmm all the time.

"Manager Han, I'm back"

"Of course not, why?"

All of them suddenly lost of grip of what they're holding and make a sound the moment it land on the floor

...Crash.....

"What's wrong guys and Managers?"

'You dare to ask us like that, it's you and what's wrong with Tae?' all of them think together at the same time.

"Ding" a message tone from Tae phone and then he open it right away then read it silently.

Rei message him because he don't want to be worried and remind something on him.

'I arrived safe and sound, so no need to worry. Also, please remain as you are and don't talk too much or else your Managers and Co-members will become pale as like they've seen a ghost, Rei you're Trial Girlfriend'

The moment Tae read her message, he then suddenly realized what's wrong with his Managers and Co-members because of his actions. So after realizing it, he remain silent and return to his original self when his with them and very opposite when his with Rei or his family.

"Is it from your Friend, Tae?" Manager Han asked.

"Mmmm"

"Are your friend is alright now?"

"Uh-uh"

"Bro Tae you're back and here I thought you found a girlfriend or falling in love with someone since you're acting strange"

"You're right Hu, Bro Tae is look like that"

"Stop teasing with Tae, guys"

"Okay Bro Yun and sorry Bro Tae"

“By the way speaking of Love, When you’re not around here Bro Tae, we heard something happened in the Business Department”

“Yeah and it’s about Secretary Rei”

The moment he heard his girlfriend name, Tae pay attention and just listen to his Co-members.

“Bro Tae, Bro Tae”

“Mmm”

“We heard that Secretary Rei is dating with someone and that mystery boyfriend appeared in the cafeteria this morning”

“And not just that, Secretary Rei boyfriend protected her from getting stab from her fellow co-secretary. Geez, I never taught that in Business Department is also a mess inside and all of them are professionals that highly skilled or smart”

Then Tae remembered Rei’s words ‘as long as there’s a greed, envy and jealousy: the surroundings will become a mess. Even in the family, there’s a mess if there’s someone have that characters’. Tae is planning to share with them but he didn’t because he don’t want them to be suspicious again so he just silent and listen to them instead..

“Are you sure that man is Secretary Rei’s boyfriend?”

After hearing this question, all of them turning their head and look who question it.

"Ji, It's because that man suddenly appeared with Secretary Rei, so maybe it just an acquaintance or a friend of her"

"Bro Yun, tell us honestly do you like Secretary Rei?" one of the member ask him directly.

Yun almost caught off guard but being a leader of them he didn't slipped up and stay front and clear .

"Why did you ask that one, Hu? We're already used of some rumors and most of it are not true and just speculations. Also, when we were with our friends or acquaintances, the Paparazzi's will make a speculations about us. So we don't need to jump to that conclusions."

Yun answers clear the mind of his Co-members including Tae and his Managers, they didn't catch that Yun just making excuses but well his explanation is hitting the main point, so that's why they didn't realized it.

"That's right Bro Yun. Sorry, I just excited that maybe our leader already like someone and need to do his best since Secretary Rei is not easy to reach"

"Okay, okay everyone stop talking and let's proceed to you're team rehearsal. And let me tell you guys, if someone of you here like or in love with Secretary Rei, then give up it now since it's not too late for you to do so because Secretary Rei is high and mighty and I don't want you to get hurt because Secretary Rei didn't feel the same thing. You can admire her whenever you want but only like that, understand"

"Yes Manager Han" they didn't notice that Yun and Tae didn't answered.

“By the way Manager Han”

“What is it, Hu?”

“I respected Secretary Rei as a Senior or even a Big Sister but what’s wrong with my fellow Co-members will fall in love with her, I mean Secretary Rei is a real beauty even though we didn’t meet her personally but we can tell it and I have guts that Secretary Rei is kind”

‘My Rei / Secretary Rei is really a real beauty’ confirming by Manager Cha and Tae but they can’t say it loud because they can’t risk Secretary Rei career.

Manager Han suddenly become speechless because of Hu’s reason but then again the members are all like this, they care each other like they’re real brothers and all of them are all smart and kind.

“I didn’t restricted everyone for their feelings and I just reminded them to be careful. You got a point Hu but as your Manager, I don’t want the team to fight just because of love”

“Yes Manager Han and we will never be like that”

“Good and let’s proceed to our rehearsal now, after this we can relax and enjoy our long vacations”

“Yes Manager Han”
