After making sure that Yun already leave, he then called his parents right away.

“They still have work unlike you Tae-ya remember, you’re company at least give you 15 days vacation every year end”

“Yeah Mom, I’m lucky that I belong to the company or else I only have 5 days vacation”

“It’s means that the CEO in your company care for it’s artist and employees”

“Uh-uh”

“But I didn’t mean that your sisters Company didn’t care about them since they can ask for a leave whenever they have important occassions”

“Sorry Mom that I become an artist”

“Don’t be Tae-ya, it’s your dream and as your parents we will support whatever our child dreams”

“Thanks Mom”

“By the way, why are you asking that I’m alone?”

“I have something to tell”

“Oh, then do I need your Dad to get out?”

“No, no it’s alright and you can set the phone on loud speak, so that Dad can hear”

“Oh, so it’s okay if it’s only me and your Dad but not okay if your sisters are here.”

“Uh-uh”

Then his Mom already put the loud speak on

“so what is it?”

“Is it already on loud speak”

“Yes Tae I can hear it”

“Good Morning Dad”

“Good Morning too, Tae”

“I have something to tell with both of you”

“Sorry to inform you both that I can go home right now...”

“Eh, why?” ask by his Mom

“Let Tae finish what he want to say” his dad scold his wife.

“It’s alright Dad, I can understand Mom worries since I only spend 15 days every year to my family”

“So what’s wrong this year Tae-ya?”

“Mom I want to spend my days with my family but for now it’s important”

“More important than me, your dad and your family”

Both Tae and his dad become speechless because of his mom / his wife reaction.

“Tae-ya?”

“Mom your important to me including Dad and Big Sisters...”

“Then why are you not coming home today?”

“That’s what I want to tell”

“Then what is it? Please tell us directly, don’t run in a bunch and talk nonsense”

Tae and His Dad ‘Mom / Honey, you cut me / Tae off’

“So what is it Tae-ya?”

“Mom and Dad, I won’t be home 5 days from my vacations because I’m going those days with your future daughter in law”

After hearing Tae explanation, he heard a sudden silent from them and then noise from them and ask them in worry.

“What happened Mom and Dad?”

“No worries Tae-ya because we just almost drop the phone and it’s alright now, but Mom want you to repeat it again because I think I heard it wrong”

“Oh, okay and I won’t be home 5 days from my vacations because I’m going those days with your future daughter in law.”

“So I didn’t heard it wrong”

“Tae, how long have you been dating?”

“Just last week Dad and for now we’re just in Trial Dating Mode then become official or will break up after two months”

“Why?” the two of them ask”

“She don’t want to regret her decisions by making a quick answer so I suggest her to be on Trial relationship”

“Is she a celebrity or an artist, Tae-ya / Tae?”

“No Mom but sometimes I wonder if she is the one compared to me”

“Is she that unreachable?”

“Before Yes Mom and if we didn’t meet that day when I suddenly called Sis that time then I can say that she’s really unreachable but she’s really kind and nice that’s why I really fall hard for her”

“You mean that day when you suddenly come to us and just make an excuse that we have a family urgent meeting?”

“Yes Mom”

“If she’s not a celebrity or an artist, then how come she’s unreachable that time?”

“She is Mr Hwang Secretary, Mom and Dad?” again Tae heard from them and make a guess “don’t tell me you’re almost drop the phone again?”

“You guess it right Tae and you already know your Mom even I because your news is like a bomb”

“Oh”

“So Tae, how old is she? Can you send us her picture?”

“Just wait for now Dad but don’t worry I will formally introduce her to all of you”

“Okay Tae”

“No, no Tae-ya we want to see her picture, at least send her picture to us, only me and your Dad, can you send it Tae-ya, please?” her Mom pleaded.

Tae can’t help but agree “Yes Mom I will but don’t let them know except you and Dad”
