Chapter 97 - Tae's Mom and Dad: Part 2

After hearing it from their own son, they can't believe it and still insisting.

"But why she's a real beauty?"

"Because she's my woman"

"I'm talking seriously Tae"

"Sorry Dad but I'm also talking seriously"

"It's alright Tae, so who confess first?"

"It's me Dad"

"Oh, so you really fall in love with her"

"Uh-uh, I didn't even anticipate that I confess her last week and being impulsive by suggesting her that she can reject me but I won't give up"

"....."

"You were also surprised that I did that, right Dad"

"Uh-uh but I think you are like me because I also did that to your Mom"

“Well, ha, ha, ha, you’re my Dad and I’m your son”

“Good, so don’t tell me that you also kiss her before confessing?”

“.....” ‘How did Dad know?’

“Based from your silence I think you really did but I guess she’s the first person that you inform us about her because during the time when you we’re in a relationship we just only know when you broke up because of your Big Sister 3”

“I’m sorry about that Dad”

“It’s alright we understand you Tae”

“Don’t worry Dad I will introduce her to all of you when it’s the right time”

“Yes and we will wait for that Tae”

“By the way, where’s Mom?”

“She’s searching something on her galleries because she’s feel familiar of your girl after seeing her photo”

“Eh Mom already meet her?”

“I don’t know but the time she seen the photo of her, she suddenly said that she meet her somewhere”

“When?”

“I also don’t know, Tae”

Tae thinking hard then just realized when and informed them at the same time with his mom.

“I know when it is”

“Darling here”

His Dad didn't answered because his attention first is focus to his wife, so Wife first before Son “when did you meet her Honey?”

“I meet her by chance Darling but I got a picture of her because I ask for one”

“When?”

“It's Tae-ya concert and she's happened to be there also. Do you remember, when the lady beside her suddenly stand, Tae's girl reminded her that we're in a VIP area so we can just watch by seating, she even ask the organizer if she have an extra seat for her so that she can't disturb the fans who's in the VIP seats and she declined and just said that she will not stand anymore”

“Oh right, I remember that and she even remind her that seating in the VIP seats can't stand because it's within the rule and even in the ticket it has to remind us”

“See, you remembered”

“But you never talk to her, so how did you take a picture with her?”

“When Tae's girl went to comfort room during break I stalk her by following her and then I act like I stumble on something. At first I only plan to act but then I never taught that I was really going to stumble on something for real. Thanks to Tae's girl that I never fall on the floor since she's really fast and she support my balance. She called me Ma'am and ask me if I'm alright.”

“So how did you get a picture with her?” asked by Tae's Dad while Tae just listening them.

“I ask her to have a picture of me since she’s my savior and for not falling on the floor”

“Only that and she’s agreed to have a picture of you?”

“Well yeah she’s really good and nice, so she agreed. I even ask if she’s also a celebrity or an artist but she just said that she’s just an ordinary citizen”

“So that’s the reason why you back late to us”

“We back not that late and just what the break time they give to us but something happened there so that we got back almost late”

“What happened then?”

“There’s one fan of Tae’s group that she suddenly got attack by her asthma and us in the comfort room hallway being a witness just watch her but then only Tae’s girl approach and ask what happened, so that fan said that she got attacked by her asthma, without hesitation Tae’s girl help. She improvised an oxygen using the paper, she fold it and told the fan that use that paper for her having an air breather. After that Tae’s girl excuse herself and ask her to do that until she cameback with the Medics personnel. Being a witness of her goodness, we can’t help but take a video and then Tae’s girl reminded us that “Let’s not take a video please, if this video got leaked then the persons who will be get affected are not us but the M’dols. I’m sure we know how the Paparazzi’s work, right?” and just that all of us stop recording and deleting the video of that situation. She leaves the fan when the Medics arrives, so I follow her but I didn’t talk to her because I don’t have my excuses to talk to her again. So now when Tae send a picture of her, I’m really familiar with her so that’s why I search it and just remembered what she did. Ha, ha, at first I thought she’s a doctor but it turns out she’s a Secretary of your CEO, Tae”

“Oh, so you a good impression of her Mom”

“Of course, how can a beauty have that nice personality? So when are you going to introduce her to us?”

“For now not right now and don’t worry I will introduce her to you when we become official and at the right time”

“Then don’t drag it too long”

“Uh-uh”

“So you’re going to spend your 5 days vacation with her?”

“Uh-uh and please give them a reason for not coming home if Big Sister will ask about me”

“Okay and for sure they will ask since you’re there youngest brother”

“Thanks Mom”

“Are you done eating Tae-ya?”

“Not yet but we will eat together”

“Aiyah you’re just begun dating and yet your acting like a newly wed, Tae-ya”

“...”

“I have a suggestion for you Tae-ya that she can’t break you off after two months of Trial Relationship”

After hearing it from his Mom, Tae become excited and ask her “really, what is it Mom?”

Tae’s Dad feel something suspicious of sudden suggestion from his wife but he can figure it out.

“Do you want to know?”

“Yes Mom, what is it?”

“Are you sure?”

“Yes Mom, what is it?”

“Then get her pregnant and I’m sure she will not break up with you”

“.....”

Tae’s Dad is right and it turns out that his wife suggesting something that even Tae become speechless of his Mom suggestion.

“So how is it?”

“It’s not bad Mom but I have my ways so for now I will go with my plan”

“Tsk, Tsk your too slow Tae-ya, your sister 1, husband follow my suggestion and now what happened they already happily married with each other”

“Eh, what?” both Tae and his Dad ask at the same time.
