"So who's talking about you?"

"I don't know but maybe it's the Paparazzi's who saw us"

"But they didn't release any news about us"

"We don't know about that but maybe they keep it and find a perfect time to expose us"

"Then let's anticipate it but for now come here" Tae put his bags down while Rei approach him

"Why?"

Tae hugged her and said "I miss you Rei"

"Silly, we meet few days ago and that's the day we start dating"

“Uh-uh but those days it’s like 10 years to me”

“...”

“What’s wrong? Am I wrong to miss my girlfriend?”

“Silly, I just don’t know that Tae have this side, ha, ha”

“Well Rei will know other sides of Tae and know more compared to his loyal fans”

“Yeah, yeah I’m lucky to know that”

“I’m serious, Rei”

Rei look up to him and said “I’m also serious Tae”

“Rei, can I kiss you?”

“Uh-uh”

The two kiss passionately and when they’re out of breath they separate.

“Geez, why do I love you so much, Rei?”

“Then just love me more just like how much I love you” Rei said it mumble so Tae didn’t heard it clearly

“Eh, what is it Rei?”

“Nothing”

“Are you sure, I think I heard something?”

“Heard what?”

“Maybe it’s my imagination or hallucinations perhaps”

“Maybe”

“So it’s alright if I will train your defensive training for the whole afternoon for 5 days”

“Yes, but how about Morning?”

“Too bad we can’t go outside freely so we just stay here”

“Then let’s just watch TV or movie perhaps”

“Yeah, that’s right”

“How about night?”

“We will rest early so no activities in night and for sure you will get tired from the training I give you”

“Okay and I will follow your arrangement Tae”

“Good”

“By the way before I forget, I have something to tell you”

“Mmm, what is it?”

“I’m going back to my hometown the day after you train me so maybe I will drop you off first before going to the airport”

“....”

Rei initiate first by wrapping her arms on his neck “so for sure my boyfriend will be lonely but don’t worry it’s only 8 days and we can spend 2 days but I wonder what excuses my boyfriend would ask to his family so that he can go out without noticing that his going out with his girlfriend” Rei didn’t know but Tae’s parent already know that he had a girlfriend and only missing is formal introducing her to them.

Tae was surprised of first by her initiate but he know that Rei just trying to comfort him so he just wrap his arms to her waist.

“What I’m going to do, you already planned it right?”

“Uh-uh, but I think it’s equal”

“Equal for what?”

“I will spend my family for 7 days and I will also spend my other 7 days to you”

“You just said 8 days”

“Uh-uh but well if you count it, then 1 day is for just for my back and forth. From S Country to C Country would be 3 hours and then From C Country to S Country another 3 hours, you need to be 3 hours early on both flight”

“So you already planned it well?”

“Nah, it just a coincidence. I already booked my flight one month before and then you suggest that you will train for 5 days from your vacation before I will back to visit my hometown”

“Yeah we really alike Rei and I guess we really destined to each other”

“.....”

“So Rei, did your family know you’re going to visit them?”

“Nah, they didn’t because I want them to give a surprise especially those two twins”

“Ha, ha, for sure”

“Tae?”

“Mmm....”

“Are we planning to spend the whole morning just by hugging?”

“Why not?”

“Silly, come here and for sure you still didn’t eat”

“How did you know?”

“It still early and I think all the team are already on their way to their family home’s except you”

“Oh, right. And how about you? Did you eat already?”

“I’m done preparing the food but I’m waiting for you so that we can eat together”

“...” Tae is speechless because Rei is really considerate to him even he know that they’re just in a Trial relationship but he can feel the genuine feelings from Rei.

Rei observe her boyfriend and said it right “why? is it wrong for the girlfriend to wait her boyfriend?”

“No, I just don’t want to have a big expectations so I didn’t expect that you would be like this”

“...” and Rei is the one who become speechless.

“Ha, ha, common let’s eat now and I’m already hungry”

“O—okay”

Tae let Rei seat first while he prepare the plates and utensils then distribute the foods since Rei is the one who cook their foods. The two are seating opposite like they’re having a dinner date and talking while eating

“I just realized that you’re not asking about where I sleep?”

“Well I already know since you always considered my feelings and my different culture then for sure you plan to sleep in the guest room, right”

“You guess it right Rei”

“See, so starting from now I will be more observant and be a proper girlfriend to you”

“Cough, cough, cough” Tae suddenly got surprised that Rei can help but stand from her seat and approach Tae while concernly asking him.

“Are you alright, Tae?” ask while patting his back

“Uh-uh”

“That scared me” then Rei grab a seat beside him and seat “I’m going to seat beside you, you almost scared me to death”

After hearing it, Tae blush suddenly and just said to her “if you’re keep being kind and nice to me then I will really fall over heels with you more, Rei”
