

Last Man 99

Chapter 99 - Did you buy a souvenirs for them?"

After hearing it from him, Rei almost blush and answered truthfully.

"Then fall in love with me more"

"What if you want to break me off, I mean after two months you're not going with me?"

Rei facing him while tapping his nose "silly, two months is still far and we don't know what will happen every day" Rei have another meaning and it means that, can you tell that I'm already concerned with you when we just a matter of week in a relationship, even I, I already violate one rule by being with you but at least CEO Hwang know and few more weeks I will be part of the Team Manager.

"But..."

"Shhh..... where's the Tae I know who will perform in thousands of people without fear and full of confidence?"

"I'm still scared"

"Then who said that even if he got rejected he will never give up until he won my heart, mmmm?"

"....."

"It's you right?"

"Uh-uh"

“Then why are you scared?”

“Because I don’t want to be part of you”

Rei without hesitation she place her hand on Tae’s face and kiss him on the lips “satisfied now?”

Tae become speechless but just nodded to her.

“Good, let’s eat first and let’s enjoy our Trial Relationship”

“Uh-uh”

So the two of them continue eating while talking and then after eating they decides to watch the dishes together. Tae is the one applying soap for the dishes and wash while Rei is the one wiping the dishes and put it back to the dish cabinet. After doing that, the two of them are already seating in the couch while Tae is busy searching movies from Rei’s laptop while Rei just seating beside him, observes and watch him what’s his doings.

“So what are we going to watch Tae?”

“I’m still searching on it Rei”

Tae continue searching meanwhile Rei let him do whatever he does and not scared that her secret will be exposed. Aside from being R, Rei didn’t get worried because she didn’t hide anything or any secret that cannot be tell. And when they’re really become official Rei will tell him personally that she’s R. Rei just observing him that she suddenly remembered something.

“Ah, that’s right”

“Mmmmm..... what is it?” Tae turn his head, look to Rei and ask again “what’s wrong?”

“Nothing and I just remembered something”

“Remembered what?”

“That you told me that you took a photo of me in secret, so can I see it?”

“Yes you can but one thing”

“And what is it?”

“You can’t delete anything”

“Of course I won’t, promise”

“Good”

Tae get his phone from his pocket and give to Rei. Rei already aware of his passcode because Tae told her his passcode when they become comfortable after the days they become friends and then Rei did the same thing, so that’s why Tae able to dial the Security Team right away when Rei told him so. Rei automatically unlock his phone and heard Tae saying something.

“It’s on the file My Love”

“My Love”

“Yes, because you’re My Love”

“...”

“I will continue searching the movie we’re going to watch and while you can look what picture I took”

“Okay”

Then as what he said Tae continue searching meanwhile Rei already start opening the file and looking to the photo that he took. From seeing pictures of her on his phone, she can really tell and feel that Tae really in love with her because as what he said from his confession, Tae really took a picture of her when she arrive. Rei also discover that he also took when she arrives in the company or when she just got out from the car or got in from the car. And then discover that Tae also recorded her Live Show Interview and whatever it is, Tae have many photos of her. Because she’s so focus on her doings she didn’t heard Tae calling her.

“Rei, are you okay with watching Avengers or Transformers?”

“...”

Tae didn’t heard from her so he turn his head only to realize that Rei was so focus on looking to his phone. So he stand up and seat beside her, yes Tae just seating on the floor but well as an artist, Rei is conscious of his health so Rei give him a based pillow. Tae look what Rei’s been focus and just realized it’s a photo of the two of them”Rei?”

“...”

Rei still thinking about something that can help Tae give her a kiss on the cheek that Rei back to her senses

“eh, what is it?”

“Why are you looking to our photo?”

“I realized that you only have 2 photos of us and it’s from the day when I almost by your team car and the day when we become friends”

“Oh, you’re right”

“Then let’s take a picture the two of us from now on and geez, you didn’t take a photo when we become a couple”

“ ... ”

“You’re the one going to take because you have a sense of photography”

“How about you?”

“Nah, I like more with your photography compared to mine”

“Ha, ha then let me take it with you” Tae hold her waist while his other hand holding the phone and Rei just lay her head to his shoulder. Tae still taking a picture and Rei suddenly blurted out what she think.

“So you’ve been in love with me for almost 2 years”

“Eh? Oh, yeah I’ve been secretly in love with you, so that’s why right now I’m really glad that you already my girlfriend and that’s also the reason why I’m scared that what if you’re going to break me off”

“Now I know but just one thing Tae”

“Mmmm” Tae already stop taking picture instead he hug her.

“Whatever my decisions would be either becoming official to you or breaking up, don’t give up on me unless I’m only married”

“Yes, I will do that Rei”

“Thank you Tae”

“By the way Rei, did you buy a souvenirs for them?”

Again Rei tap his nose “yes I already did because I don’t want to lessen the time when I’m with you”

“But I’m going with you”

“Yes you’re going with me but only in the car because you can go out freely”

“Ah, that’s right”

“See, so Tae you’re girlfriend will be away from you for 8 days and you’re girlfriend want to request you something”

“What is it Rei?”

“Don’t miss me that much and just enjoy your time with your family”

“Okay and you’re boyfriend will follow whatever your request”

“Good, also another one”

“Another one?”

“Give me your phone”

“...” Tae don’t know what Rei doing to his phone but he still give it to her. Rei accept the phone, open the camera then put to her hand then suddenly kissing Tae on the lips at the same pressing the capture button.

“And this one, here”

“.....”

“So Tae what are we going to watch?”
