

A Mate for the Latecomer By Veronica Vito

Chapter 8 Still Rejected

“I can’t believe you send a perv to bring me my bags” I complain to Aberdeen on the phone while she laughs at my dismayed.

“No he’s not Angus is a good kid, he just had a crush on you before.”

I could hear her trying to hold in her laughter. Angus was one of the guys in the pack who’s already mated but still trying to have his way with me even after he told Aber and Josh it was just a crush. So finding him at the pack’s door with my luggage made me want to scream.

If only Alpha Josh is nearby and we could teleport easily I would give him a piece of my mind on the duce he sends here.

When I saw the clock strikes at 7 am I bid my goodbyes to Aber on the phone and got ready quickly. On my way to the field, I saw Lucian, Eric, and the perv already training with most of the pack members.

“Morning sunshine though you’re taking a beauty sleep” Lucian smirk at me as I stood by some other pack members. Like I was a plague they started to disperse, moving away from me. Well after last night’s dinner I just don’t expect anyone to like me.

“I’m glad to see you again” I groan when I hear that voice “I thought Alpha Josh expected you back today” like a deer being caught he scratches his hair looking back at Eric who seems to glare at us.

“Yeah I am after this work out”

Eric who was still looking at us both shouted out for the whole pack yet his eyes were on us. I knew his words were intended for me but I just ignore them.

“less talking and focus here”

We started with the simple exercise work out “I seriously hate push-ups” I groan getting down on the gra**. I just seriously dislike working out and I just couldn’t wait to be over with it today.

“Langford in my office” Eric’s voice directive to me after the training “busted” Lucian whistle.

I follow behind him back to his office, Eliz purring in my head while my mind is in a blank space. Once we got in his office he went and stood by his desk while he signals for me to sit on one of the couches.

His eyes hold no emotion for me his Mate. Even when he looked at me, there was no sympathy or regret he just stares at me back with cold glares. I guess some people were wrong about mates because mine was a heartless one, only to me but not Claire.

“You realize what you did last night to my luna” I wince at his words but I just remain silent. “This is your final warning, threaten my pack again and I won’t hesitate to kill you. I don’t care if you’re my mate I still reject you.”

He folded his arms waiting for me to say anything but nothing came out of my mouth. I just sat there holding his gaze.

In a spur of a moment, he was right in front of me, his eyes changing to dusky gold and without words, he kissed me. My first kiss was perfect and I didn’t want to let go. As I want to live in those mates moments for a second despite everything that went on.

Things were getting heated with all my strength I push him away before Eliz took control of my body. I held back my tears, breathing in and out slowly. His eyes were now back to normal going back to his previous self. He stood up and walk away from me, this time he turns his back on me.

“One month Elle.... one month you’re just here to learn our techniques after that you go back and I don’t want to see you ever again. I hope by that time you have accepted my rejection.”

I stood up smiling back at him even though he doesn’t see it but I still do.

“and I’ll hold you to your words Alpha.”

Love Xox,
