

After Leaving The CEO, She Stunned The World

Chapter 131: Changed Into A Different Person

With Lin Qun's words, Mo Rao finally relaxed.

She didn't want to hurt Lin Qun, let alone lose this friend.

"Okay, we'll always be good friends." Mo Rao heaved a sigh of relief and replied happily.

"Yes, and you don't have to accompany me here. I want to rest for a while." Lin Qun smiled.

"Alright, rest well. I won't disturb you anymore." Mo Rao quickly stood up.

When Mo Rao was about to leave, Lin Qun couldn't help but remind her again, "Mo Rao, you have to be careful. Those two people came for you that day. I wonder if they will attack again."

Mo Rao nodded. She understood.

Lin Qun instructed again, "No matter what, you have to prioritize your own safety. No matter what, Fu Ying is your husband. If there's anything, don't bear it alone. Ask him for help. This is his responsibility."

Seeing that Lin Qun was so worried about her, Mo Rao was very touched. "I know. Don't worry."

Lin Qun only retracted his gaze when Mo Rao's figure completely disappeared.

There was a slight sense of emptiness in his heart.

Lin Wen walked in. She was here to give Lin Qun an injection.

Lin Wen asked as she injected, "Brother, have you told Mo Rao?"

"What?" Lin Qun asked calmly.

"That you like her!" Lin Wen was very depressed. "You didn't say anything at such a good opportunity. When will you do it?"

Lin Qun only frowned. "Don't talk nonsense. You'll harm her."

Lin Wen sighed. "Then do you know that her husband comes to the hospital every day to accompany another woman? It's only a matter of time before they get a divorce!"

"There's such a thing?" Lin Qun was surprised. "Does it happen every day?"

"It hasn't been that frequent recently, but that woman told others that Fu Ying said he wanted to marry her. But a few days ago, Fu Ying announced his marriage to Mo Rao," Lin Wen explained.

He didn't expect Mo Rao's marriage to be so complicated.

Lin Wen continued, "There's something even more strange. That woman has leukemia. I didn't expect that Mo Rao would be a match for her. I suspect that Fu Ying deliberately made his relationship with Mo Rao public to fool Mo Rao. Then, he would make Mo Rao donate her bone marrow willingly to save that woman. After that, he would kick Mo Rao away!"

Lin Qun's expression turned cold. "Have you told Mo Rao about this?"

"She knows it herself. She doesn't need me to tell her," Lin Wen replied.

She probably no longer had any hope, so she simply let him decide.

Lin Qun's heart ached. He instructed his sister, "If Mo Rao asks you for help, you must tell me."

Lin Wen nodded. "I will. Brother, if you have the chance to marry Mo Rao in the future, I'll be overjoyed!"

"You're spouting nonsense again. Even I'm just a friend, I should still help her," Lin Qun reprimanded.

Lin Wen stuck out her tongue before shutting up.

The moment Mo Rao left the hospital, she saw Fu Ying's car parked at the entrance.

Why was he so punctual?

She walked over and got in the car. "You really came?"

"I said I would come. Why don't you believe me?" Fu Ying reached out and helped Mo Rao fasten her seatbelt.

The two of them were very close. Mo Rao could even smell the fragrance from Fu Ying's hair.

It was the shampoo she had bought. It was very fragrant, but in the past, when she happily asked Fu Ying to try it, Fu Ying had rejected her and said that he didn't like the fragrance.

He seemed to have changed a little, but these small changes still couldn't change Mo Rao's decision.

The car started and sped away.

Qu Ru, who had rushed over, watched the car disappear in exasperation. Her hands were clenched into fists.

When she saw Fu Ying's car, she knew that Fu Ying was here. However, he didn't go up to look for her, so she went downstairs to look for Fu Ying.

Unexpectedly, Fu Ying left after picking up Mo Rao.

He wasn't here to see her but to pick up Mo Rao?

Qu Ru gritted her teeth in hatred!

Was Fu Ying so concerned about Mo Rao now?

He didn't seem to care about her at all and rarely visited her these days.

Just like that, she watched helplessly as Mo Rao slowly occupied Fu Ying's heart. Qu Ru felt very resentful. Fu Ying was like sand in her hands. The tighter she gripped him, the faster it flowed away.

Qu Ru was indignant. She took out her phone and sent a message to Fu Ying.

There was no response.

She made another call. He didn't answer the first one, and the second one was actually hung up!

When he called again, it was already busy.

Qu Ru couldn't believe that Fu Ying actually treated her like this now. His attitude had changed too quickly, as if he had become a different person!

Chapter 132: Happy Marriage

Fu Ying set his phone to busy mode and brought Mo Rao to eat.

It was a rare lunch for two, and he didn't want to be disturbed again.

As soon as they sat down in the dining room, the two of them met someone. It was Qu You, the eldest daughter of the Qu family.

Mo Rao knew this person, but she wasn't familiar with her. The two of them had never interacted before.

The only thing they had in common was that they didn't like Qu Ru.

"I'm going to the washroom," Mo Rao said to Fu Ying before the food was served.

The moment she went to the washroom, Qu You immediately followed.

In the washroom, Qu You stood in front of Mo Rao.

"Miss Qu, what's the matter?" Mo Rao looked at Qu You in confusion.

"If I have nothing to do, why would I look for you?" Qu You's pretty face was filled with confusion. "You're quite good-looking. Why can't you keep an eye on your man?"

Mo Rao was speechless.

Qu You sized up Mo Rao with a vicious gaze. "You and Qu Ru really look alike. It's impossible for Fu Ying not to have any feelings for you!"

"Miss Qu, if you're here to tell me about Fu Ying and Qu Ru, then there's no need, because it has nothing to do with me." Mo Rao didn't want to hear Qu Ru's name anymore.

Now, she already seemed to be disgusted by this name.

Qu You was even more puzzled. "Are you kidding me? She wants to snatch your husband, but you actually say that it has nothing to do with you? Are you really the person involved? Why do you look like you don't care?"

"These things can't be forced. It's useless for me to be anxious, right?" Mo Rao said calmly. "So you're looking for the wrong person."

With that, Mo Rao wanted to leave.

Qu You went forward to stop her again and said very seriously, "Is it you're bad at wooing men? How about this? I'll teach you. I guarantee that Fu Ying will be obedient to you and forget about Qu Ru!"

Mo Rao found it funny. "Miss Qu, I heard that you broke up with your boyfriend not long ago, and it was the man who suggested it. If I remember correctly, you date five to six men a year, and all of them dump you in less than two months. Are you sure you're capable enough?"

Qu You was silent for a while. After looking at Mo Rao curiously for a while, she said, "You know me that well? Don't tell me you like me? You like women?"

This made sense. Fu Ying didn't like her, and she didn't like Fu Ying either, so she didn't care that her husband had been snatched away!

Mo Rao was stunned by Qu You's ridiculous thought. She explained, "Your imagination is running wild. Every time you get dumped, you'll be on the news. I got bored and read it."

"Am I that popular?" Qu You wasn't ashamed, but proud. "It seems like I'm quite popular. If I debut, I should have many fans!"

Mo Rao felt that this eldest daughter of the Qu family was definitely crazy.

Qu You returned to the main topic. "Let's not talk about this. Anyway, you can't let Qu Ru, that mistress, succeed, understand? You have to live up to your position!"

Was this something Mo Rao could decide?

If she had the ability, she wouldn't have ended up like this.

Qu You didn't care what Mo Rao was thinking. She stuffed her business card into Mo Rao's hands. "This is my business card. If you need my help, feel free to look for me. I will definitely help!"

As long as she could punish Qu Ru, she would do her best!

After handing the business card to Mo Rao, Qu You clapped her hands and left.

It was only when they finished eating and Fu Ying went to pay the bill that he realized that Qu You had also paid the bill for their table.

"Miss Qu even asked me to pass a message to the two of you," the waiter said with a smile.

"What is it?" Fu Ying frowned.

“She said that she wishes the two of you a happy marriage for a hundred years and that you will be united forever. She wants to bless you two with having children soon. The more children you have, the more blessed you will be!” The waiter repeated truthfully.

Mo Rao and Fu Ying felt speechless.

After leaving the restaurant, Mo Rao asked Fu Ying, “Do you have Qu You’s contact number? It’s better to return her the money for today’s meal.”

Unexpectedly, Fu Ying didn’t think much of it. “It’s just a meal. It doesn’t matter. We’ll return it in the future.”

There was no need to go out of his way to return it.

As the young master of the Fu family, did he need someone to treat him to a meal?

She even left behind that strange message.

Mo Rao was really worried that Qu You’s actions would make Fu Ying feel uncomfortable. She wanted to explain on Qu You’s behalf. “Fu Ying, Qu You is a carefree person. Don’t be offended...”

“Why should I care?” Fu Ying was baffled.

“About what she... said.” Mo Rao hesitated.

“She has a point. I like what she said,” Fu Ying actually replied.

How was it good? Mo Rao felt baffled. The person Fu Ying wanted to be united for a hundred years should be Qu Ru.

Chapter 133: Her Magic Power

“She wishes us a blissful marriage. Do you like that too?” Mo Rao couldn’t help but ask.

Fu Ying nodded. “I like it.”

“What about Qu Ru?” Mo Rao asked.

Fu Ying’s expression instantly turned cold. “This has nothing to do with her.”

She was really speechless. This matter was related to Qu Ru!

Mo Rao didn't know what Fu Ying was thinking.

However, Fu Ying knew very well that Qu You did that to target Qu Ru.

This was because the Qu family also disliked Qu Ru very much. They even hated Qu Ru more than the Fu family and wished that this person didn't exist.

Fu Ying didn't understand this. Qu Ru was clearly so pitiful, but she was always misunderstood by others.

Mo Rao was silent and didn't discuss this topic with Fu Ying anymore.

They didn't speak much on the way back.

When they reached the house, Mo Rao got out of the car and went back. Fu Ying went straight to the company.

Mo Rao packed up and went to the mall to buy some toys as a gift for Momo before setting off for the Zhang family.

Back then, the Mo Family and the Zhang Family were neighbors.

However, ever since Mo Rao's parents' accident, she had never returned there.

Not long after, the Zhang family also moved.

When she saw Mrs. Zhang again, Mo Rao realized that she had aged a lot. She was even older than her peers, and there was a haggard look in her eyes.

It was probably because of Momo that she was even more worried and tired.

"Aunt Zhang!" Mo Rao shouted.

"Rao Rao!" Aunt Zhang was very happy to see Mo Rao. "Long time no see!"

"Yes, more than ten years." Mo Rao nodded.

Auntie Zhang went over to hold Mo Rao's hand, her eyes filled with relief. "You've grown so big. You've grown so well. Your parents would be relieved."

After the two of them sat down, Auntie Zhang poured tea for Mo Rao and said, "I heard from Zhang Zhe that you helped find Momo. Thank you so much."

"Fu Ying and I found it together." Mo Rao was embarrassed to take the credit alone.

"I know. You two are good children. Thank you for your hard work!" Aunt Zhang replied with a smile.

"Aunt Zhang, you're welcome. Oh right, where's Momo?" Mo Rao didn't see Momo.

Aunt Zhang stood up. "He's in the room. I'll bring you to take a look. Zhang Zhe said that he likes you very much and is willing to talk to you. You're the only person besides his family that he's willing to communicate with. If he knew that you were here, he would be very happy."

Mo Rao followed Aunt Zhang to Momo's room.

Momo's room was specially designed. The entire room was bright and neat, giving off a refreshing feeling. Furthermore, all the corners were polished and smooth, mainly because they were afraid that the child would hurt himself.

Aunt Zhang said, "Momo, look who's here?"

But Momo sat on the ground alone with a toy car in his hand and didn't respond to his grandmother.

Aunt Zhang sighed deeply.

Mo Rao took a step forward and said softly, "Momo."

Unexpectedly, Momo had a reaction when he heard Mo Rao's voice. When he turned around and saw Mo Rao, he was obviously happy. "Sister!"

Aunt Zhang was very surprised. As Momo's grandmother, who accompanied Momo every day, she might not have received such a happy response from Momo.

Yet Mo Rao received it.

How many times had she and Momo seen each other?

"Look, I bought you a new toy car. Open it." Mo Rao placed the gift in front of Momo.

Momo immediately got up and opened the gift box.

Aunt Zhang was shocked.

She felt that Momo had become a normal child in front of Mo Rao.

This was something that their family had spent a long time trying to do.

Mo Rao played with Momo's toys and even taught him to draw. Perhaps she could discover the child's inner world from some paintings.

Momo drew a picture. The sun was actually black. The others were chaotic lines. It was as if his world was chaotic, sealed, and lonely.

Auntie Zhang's eyes turned red as she watched the two of them play happily.

She didn't expect Mo Rao to have this kind of magic power. As long as she could make the child happy and open his heart to them, everything would get better.

In the evening, Zhang Zhe returned, and Mo Rao hadn't gone back yet. Because Auntie Zhang insisted on keeping her for dinner, she couldn't reject her offer.

In addition, Mo Rao also wanted to spend more time with Momo. She felt that when Momo was with her, he was happy. This was good for improving his condition.

Chapter 134: Golden Couple

"Ah Zhe, Rao Rao is really amazing!"

Aunt Zhang couldn't help but tell her son, "Momo likes her a lot. When she's around, Momo is willing to talk and play toys with her!"

"Is that so?" Zhang Zhe also revealed a hint of joy. He knew that his son liked Mo Rao very much, but he didn't expect her to be so effective at improving his condition. "Momo likes her very much."

He could tell from their first meeting.

At this moment, Auntie Zhang sighed. "If only Mo Rao married into our family back then."

These words stunned Zhang Zhe. He quickly stopped her. "Mom, don't spout nonsense. If Mo Rao accidentally hears it, things will be very awkward in the future."

Auntie Zhang quickly slapped her mouth. She really didn't think before she spoke.

After all, Mo Rao was still here. She hoped that Mo Rao could come over more often to accompany Momo in the future. If she was really heard, Mo Rao would probably be too embarrassed to come.

“Brother Zhang, Auntie Zhang, I have to go back. Fu Ying sent a message saying that he’s coming to pick me up.” At this moment, Mo Rao walked out of the room. Momo was still following her tightly and was unwilling to let go of her hand.

However, Zhang Zhe said enthusiastically, “How about this? Why don’t we invite President Fu to have a meal together? As long as he doesn’t mind.”

Mo Rao was stunned. Call Fu Ying over for dinner?

Fu Ying’s expression was always dark, as if someone owed him money.

At that time, if something suddenly happened while they were eating and made him unhappy, if he put on an attitude, wouldn’t it embarrass the Zhang family?

“It’s okay, it’s just a meal.” Zhang Zhe saw Mo Rao’s worry and said with a smile.

After all, Fu Ying had helped him find Momo the last time.

Mo Rao could only agree.

She didn’t expect Fu Ying to pick her up. At this moment, the car was outside the neighborhood.

“Brother Zhang and Aunt Zhang said that since you’re here, you might as well have a meal before leaving. The premise is that you don’t mind.” Mo Rao hesitated for a moment before saying it.

There was a look of apprehension in her eyes. Even her voice was quiet, as if she was afraid he would refuse.

Of course, Fu Ying was willing. He was very willing to go to the Zhang family for a meal as Mo Rao’s husband.

He deliberately put on a cold expression. “Why would I dislike it? You, on the other hand, don’t seem to want me to go.”

“No.” Mo Rao’s expression changed. “I just feel frustrated. It seems like all my friends know about your existence, but after being married to you for three years, you’ve never brought me to see your friends. This is very unfair.”

So that was what frustrated her?

Fu Ying was really impressed by Mo Rao’s outlandish thinking.

“Are you going to dine together or not?!” Mo Rao said nonchalantly.

Fu Ying stepped forward and held Mo Rao’s hand. “Lead the way.”

Was this a yes?

Mo Rao felt a little better. At least he had given her some face.

If she came down to invite Fu Ying and was rejected, she would really lose face in front of Zhang Zhe and the others.

As a wife, she actually couldn’t convince her husband?

After Fu Ying and Mo Rao entered the Zhang family, Aunt Zhang was actually a little nervous. After all, the Fu family was high and mighty.

Fortunately, Mo Rao was very obedient and sensible. She immediately took the initiative to introduce, “Aunt Zhang, this is Fu Ying, my... husband.”

When she said the word “husband”, Mo Rao clearly hesitated for a moment. This hesitation made Fu Ying very unhappy, but he endured it and didn’t sulk.

Then, Mo Rao introduced her to Fu Ying. “Fu Ying, this is Auntie Zhang. She used to be my neighbor. She was very kind to me when I was young.”

“Hello, President Fu.” Auntie Zhang immediately greeted him.

“Hello, Auntie Zhang. You’re my elder.” Although Fu Ying’s tone was a little distant, he was still very polite.

Mo Rao heaved a sigh of relief. At the critical moment, Fu Ying was still reliable.

“Okay, please sit down,” Aunt Zhang quickly said.

Fu Ying nodded and sat down. He didn’t forget to pull Mo Rao to sit down too.

When the two of them sat together, they looked very compatible.

Mo Rao was fair, beautiful, and innocent-looking, while Fu Ying was aloof and handsome. It had to be said that they were a perfect couple.

Momo sat opposite the two of them. He was actually quite cute, but because of his autism, his eyes looked empty and he didn’t like to talk.

“Momo, say hello to him.” Zhang Zhe patiently told Momo.

But Momo didn't react and just stared blankly ahead.

Chapter 135: She's Willing to Help

Seeing that Momo had no reaction, Fu Ying said, "Call me Brother."

Why should he call Mo Rao Sister and call him Uncle?

It was as if they were a generation apart. They were husband and wife.

Fu Ying's reaction made Mo Rao speechless. Was he going to be this petty?

She immediately touched Fu Ying gently, indicating for him to stop. She didn't expect Fu Ying to grab her hand. She couldn't break free.

Zhang Zhe looked at this scene with an ambiguous gaze. "Let's eat first."

After everyone sat around the dining table, they began to eat. However, Zhang Zhe had to feed Momo first. Momo didn't know how to eat. Fortunately, when eating, Momo was quite obedient and wouldn't make a fuss.

Every day, Zhang Zhe was very patient. Sometimes, Momo would accidentally drop the food, but Zhang Zhe never got angry at him.

The other four-year-old children already knew how to eat, wash up, brush their teeth, and put on their clothes. However, Zhang Zhe had to help Momo do all these.

Mo Rao's eyes flashed with heartache.

However, Fu Ying thought that she was feeling sorry for Zhang Zhe and felt unhappy.

She kept staring at another man while eating. Was she treating him as invisible?

At this moment, Auntie Zhang broke the silence at the dining table. "President Fu, do you like children too?"

She saw that Fu Ying kept looking at Momo.

Fu Ying didn't say anything. Auntie Zhang continued, "If you like children, you can have one with Rao Rao. Rao Rao is so obedient. The child will definitely be very obedient and cute in the future."

Unexpectedly, Fu Ying only glanced at Mo Rao indifferently. "There's no hurry."

He seemed to mean that it didn't matter if she gave birth or not.

Mo Rao's heart sank and her face turned pale. She knew that Fu Ying was lying when he said that he wanted a child!

Why would he want a child? With a child, the obstacle between him and Qu Ru would be even greater. That was asking for trouble.

He must have wanted to use the child to threaten her to donate her bone marrow to Qu Ru after she gave birth!

The more Mo Rao thought about it, the more heartbroken she became. She even lost her appetite.

"Sister, don't be angry. Eat the vegetables." Momo actually noticed Mo Rao's sad mood and even advised her considerately.

Mo Rao looked at Momo in shock and smiled.

Momo stood up and came to Mo Rao's side. Then, he patted her hand gently. "Don't be angry. Sister, don't be angry..."

Was he coaxing her?

Mo Rao's mood instantly improved.

Momo was really a cute little angel. He could even acutely sense other people's emotions. He was very impressive.

This meant that not only did he react to the outside world, but it also meant that his observation skills were very good!

Mo Rao gently held Momo's hand. "I'm not angry. Momo, don't worry."

She tried to calm down because anger would affect the child in her stomach.

Mo Rao had even specifically checked. If she was in a bad mood during her pregnancy, her child's temper would also be bad in the future. The child would be very difficult to raise.

Furthermore, there were two of them! They were even harder to raise!

Mo Rao didn't want to suffer.

Momo revealed a sweet smile. Aunt Zhang watched this scene from the side and sighed. "Rao Rao, it's so good to have you. You must have been sent by the heavens to save Momo. You make him happier than anyone else."

Mo Rao's heart softened, but she also felt heartache.

Actually, she wasn't the one saving Momo, but Momo was also saving her.

She bent down to hug Momo and coaxed him gently, "Momo, be good. Go eat."

Momo nodded and obediently returned to his seat.

Zhang Zhe was very relieved. Seeing his child talking to others and responding like a normal child, he felt ambivalent. It was as if a person who had walked in the dark for a long time had finally seen the light. He said, "If he can communicate with others like this every day, he should be much better."

He might not be completely normal, but he would slowly become normal.

When Mo Rao heard this, she suggested, "Brother Zhang, why don't I video chat with Momo every day? I might not be able to come over often, but I can chat with him."

Words were also the best stimulation, as long as Momo was willing to talk to her.

Zhang Zhe was a little hesitant. "Wouldn't that be too troublesome for you?"

"What trouble is there?" Mo Rao quickly shook her head. "As long as I can help Momo, I'm willing to."

"Alright, thank you very much, Mo Rao." Zhang Zhe naturally needed Mo Rao's help. He nodded gratefully, feeling very excited.

Chapter 136: There Are Many Men

"You're welcome, Brother Zhang." Mo Rao smiled.

Zhang Zhe was so good to her and had even given her the job she needed the most at the moment. She couldn't repay him and could only help from this aspect.

After dinner, Mo Rao and Fu Ying bade farewell.

On the way back, Mo Rao quietly looked at the scenery, but she slowly noticed that the route was wrong.

“Where are we going? This isn’t the way home!” Mo Rao asked with a frown.

“A few friends asked me out. It’s along the way,” Fu Ying replied calmly.

How was this on the way?

Mo Rao shook her head. “I’m not going. They don’t like me. I’ll dampen their spirits.”

Fu Ying’s friends probably knew that he liked Qu Ru, and Mo Rao was just a substitute.

If she went, she would be despised and angered.

Unexpectedly, Fu Ying replied, “How can that be? No one dislikes you. Aren’t you popular?”

Otherwise, why would everyone in the Fu family like her so much?

Not only the Fu family, but also Lin Qun, who was willing to risk his life for her, Shen Feng, who had a crush on her for a long time, and Zhang Zhe, who helped her find a job, seemed to like Mo Rao very much and think that she was very good.

Mo Rao blushed and was a little angry. “What nonsense are you talking about? Your friends don’t like me!”

That group of people was Fu Ying’s good buddies. They were all thinking for Fu Ying’s sake.

Fu Ying felt that Qu Ru was good, so they also felt that Qu Ru was good.

Moreover, they felt that if Fu Ying and Qu Ru were together, they would definitely be very happy. Being with Mo Rao was a form of torture.

She was just a woman who occupied someone else’s place. Who would think highly of Mo Rao?

Some memories of the past flashed across Mo Rao’s mind. Fu Ying had drunk too much and was sent back by two friends. In the end, when he opened the door and saw Mo Rao, their expressions were cold and they did not even greet her. That gaze was still fresh in Mo Rao’s mind.

She never wanted to see that kind of look again,. It was as if she had committed a crime!

Fu Ying said unhappily, "Then what do you want me to do? If I don't bring you there, you say it's unfair. When I want to bring you there, you say they don't like you and don't want to go."

"Yes, yes, yes. I just don't want to go. If you want to go, drop me off. I'll take a taxi back!" Mo Rao replied angrily.

The last time, Fu Ying had placed her by the road. In the end, such a serious incident happened. How could he dare to do it again?

With a cold expression, he turned the car around and went home.

Mo Rao felt a little awkward. "You don't have to send me. It's not too late. I can take a taxi..."

"Stop talking!" Fu Ying ordered Mo Rao.

With Mo Rao's looks and figure, even in broad daylight, it was enough to make some men develop criminal thoughts, let alone at night.

There were many dirty things lurking in the darkness.

Fu Ying would never let that happen again.

Mo Rao could only shut up. Actually, she also felt that it was safer and convenient for Fu Ying to send her back.

When she returned home, Mo Rao immediately took a shower and changed her clothes.

Fu Ying went to the study. The moment he sat down, his friend called.

"Why aren't you here yet?" Yang Yue asked in confusion.

"I'm not going anymore," Fu Ying replied calmly.

Yang Yue suddenly laughed. "Haha, I understand. Alright, you can accompany Little Ru!"

Fu Ying denied it. "I'm not accompanying her. I'm accompanying Mo Rao at home."

Yang Yue was stunned. "Mo Rao? Aren't you guys going to get a divorce? Why are you still accompanying her?"

"Who told you that we're getting a divorce?" Fu Ying was very dissatisfied.

"Your grandmother!" Yang Yue blurted out.

Grandma? Fu Ying frowned. Why did Grandma do this?

Yang Yue thought that Fu Ying was happy and continued, "You and Little Ru can finally have a happy ending."

However, the current Fu Ying loved Mo Rao. He did not want to be with Qu Ru.

He hung up in frustration.

He wanted to call Old Madam Fu to ask, but he eventually put down his phone.

He was in a bad mood, but he couldn't say anything.

After Fu Ying smoked a cigarette, he went straight to his room to look for Mo Rao.

At this moment, Mo Rao was chatting with Old Madam Fu and Mo Wan.

Old Madam Fu said, "Rao Rao, I've already gotten someone to spread the news that you and Fu Ying are about to get a divorce!"

Mo Rao asked, "What?"

Old Madam Fu said, "Aren't you surprised? Don't worry. Although Fu Ying and you have just announced your relationship, it doesn't affect you from finding another man. I know many outstanding young men. They're very avant-garde and open. They won't care that you've been married before. It's fine as long as you love each other!"

Mo Wan immediately echoed, "That's right. I have a bunch of them too. I'll list them for you."

Chapter 137: You Know Me Well

At this moment, Fu Lin also said, "You're right!"

Mo Rao was amused. In the group, these three people discussed every day how to find her a good second marriage partner.

It was as if the person she was going to divorce was not their biological son.

Suddenly, Mo Rao felt a chilly sensation above her head.

She looked up. It was Fu Ying.

Mo Rao was about to hide her phone when Fu Ying reached out and snatched it away.

After he read the chat history of the four people, his expression became much colder. After tapping on the screen a few times, he returned the phone to Mo Rao and went to take a shower.

Mo Rao quickly took her phone and took a look. Fu Ying used her account to say: Add me.

In the end, the group became silent. The other three people knew from the tone that it was not Mo Rao but Fu Ying, so they chose to ignore it.

When Fu Ying came out of the shower, he realized that he had not been added to the group.

He could only suppress his unhappiness and call Mo Wan.

“What do you want?!” Mo Wan’s tone was very unpleasant, and there was even a hint of disdain. “Are you so used to staying up late with the vixen in the hospital that you don’t even need to sleep?”

Fu Ying felt even more stifled, but he did not want to argue with Mo Wan about this. He went straight to the point. “Add me to the group.”

“I can’t.” Mo Wan rejected him directly.

“You’re the host, but you can’t add me?” Fu Ying frowned.

“I can’t add you even if I’m God!” Mo Wan said angrily. “Besides, this group chat is for us to introduce high-quality men after Rao Rao gets a divorce. Why do you want to join it? Divorce Rao Rao first. Don’t hold her up!”

What kind of mother was this?

Fu Ying’s expression darkened with anger and he hung up the phone angrily.

When Mo Rao saw Fu Ying’s reaction, she knew that he had been scolded. She wanted to laugh, but she held it in and only smiled.

However, this smile did not escape Fu Ying’s eyes. His cold gaze swept over, and Mo Rao instantly became serious.

It was better to sleep! Mo Rao lay on the bed and prepared to rest.

Fu Ying also lay down beside her. "Why were you smiling just now?"

"Why do you care if I smile or not?" Mo Rao was sharp-tongued. Actually, she was not that stupid.

"You're laughing at me." Fu Ying's expression darkened.

"Seeing you suffer makes me want to laugh. I can't handle you, but there are many people who can. How interesting." Mo Rao's tone was happy.

Fu Ying felt extremely uncomfortable. "You've really become emboldened. You didn't treat me like this in the past."

Mo Rao was stunned for a moment before saying calmly, "It's not the past anymore. We can't go back to the past."

"So?" Fu Ying asked coldly.

"So let's not waste time. Time is moving forward, and we should move forward. You have also been imprisoned by marriage for three years. You can choose to free yourself." Mo Rao even began to understand Fu Ying.

Because she was the one who wanted a divorce, but she could not. Fu Ying had endured this feeling for three years!

In the past three years, he had also wanted a divorce, but for various reasons, he couldn't get a divorce, right?

Fu Ying did not know what it meant to free himself. He did not feel imprisoned.

Apart from the initial discomfort after getting married, he gradually found joy from being with her.

Therefore, he did not want a divorce at all. He did not want to lose the happiness of having her.

"Don't mention such things in the future!" Fu Ying was a little frustrated. "My mother and the others are just fooling around. They're just trying to provoke me. They're using this method to prevent us from getting a divorce."

"I don't think so! You're not the kind of person who is vulnerable to goading." Mo Rao did not believe him.

"Really? You sound like you know me very well." Fu Ying was mocking her.

"I'm sorry, I don't understand you." Mo Rao paused and immediately explained.

She had never understood this man!

Fu Ying's voice became lower and lower. "I'm also an ordinary person. I have flesh and blood and a heart. I naturally have feelings and get deceived as well. So, if you continue to mess around with them, you might be the one in an awkward position in the future."

Mo Rao's lips moved, but she did not know how to reply.

She did not know what Fu Ying wanted to say.

As she thought about it, she actually fell asleep.

Fu Ying turned around and looked at Mo Rao, who was already sleeping soundly. She was like a cute kitten, gentle and cute, making one's heart soften. He smiled and hugged her gently. Without saying anything, he closed his eyes and fell asleep as well.

Chapter 138: Last Chance

When she woke up early in the morning, Mo Rao realized that Fu Ying was not in bed.

She thought that Fu Ying had gone to work, so she got up and went downstairs.

Just as she reached the living room, she heard Fu Ying's gloomy voice. "Are you sure?"

"President Fu, I'm very sure. That person has also admitted it." Gu Hai nodded.

"Yes, lock him up first and don't leak the news." Fu Ying frowned.

After that, he flashed a fawning smile at the young woman, who stared at him for a moment before releasing his ear.

After regaining his freedom, the young man rubbed his ear and cursed at Wind Lord, who was inside the mirror. He was clenching his teeth as if he had shifted all the blame to Wind Lord for the pain he had suffered.

A moment later, he put on a smile and let out a breath before saying, "It's said that Dao changes everything, be it for better or for worse. Everything in this world is inconstant, including Humans."

After he finished speaking, he took a step forward and directly entered the mirror. As a ripple spread across its surface, the young man disappeared from the room. The next moment, he appeared in the hall and stood in front of Wind Lord.

The young man was handsome and his smile appeared harmless. Wind Lord was flabbergasted because from his perspective, the young man appeared too abruptly, as though he just walked out of the Void with no signs prior to that.

Wind Lord narrowed his eyes and stared at the young man warily, given that even with his cultivation, he still wasn't able to gauge how powerful this young man was. Other than the fact that he himself was in a terrible state currently, it also went to show that the young man before him was truly extraordinary.

Her words made Yang Qiu even more dissatisfied with her.

Who didn't know that Fu Ying liked Qu Ru? Didn't Mo Rao just take advantage of the fact that she looked a little like her?

Now that Qu Ru was back, Mo Rao was still so arrogant.

Yang Qiu felt very disdainful, but she did not say it. Anyway, her future master was Qu Ru, and the future Young Madam of the Fu family was Qu Ru.

She just had to build a good relationship with Qu Ru.

Mo Rao did not know what Yang Qiu was thinking. She got up and went upstairs to her room.

Yang Qiu could only sit in the living room without going anywhere.

Because that was her responsibility.

Fu Ying did not go to work but went straight to the hospital.

Qu Ru was very happy to see him. "Fu Ying, you came to see me!"

However, Fu Ying's expression was very cold. "Little Ru, I'll give you one last chance. You really didn't send someone to hurt Mo Rao?"

Chapter 139: Concealment

Qu Ru was shocked. "No, it wasn't me!"

Why did he mention this again?

Fu Ying's expression turned even colder. "I've already caught the perpetrator."

Qu Ru was stunned. She couldn't believe it.

"He couldn't take the interrogation and confessed everything. Tell me, why did you do this?" Fu Ying's eyes were not only cold, but also filled with heartache.

He didn't expect Qu Ru to do this.

In his heart, Qu Ru was a kind and gentle person, not a woman who would do such a vicious thing.

Tears welled up in Qu Ru's eyes. She cried and asked, "Why do you think I did that?"

Fu Ying didn't know. He just frowned.

"Because I love you. I want to be with you too much!" Qu Ru's eyes were filled with unwillingness. "Do you know? I've been tortured by this feeling for the past three years. You married Mo Rao, but I lived alone with difficulty. I only want to be with you, but I can't even do that. I still have to watch you treat Mo Rao better and better. How do you think I feel?"

Hearing Qu Ru's cries, Fu Ying remained silent.

Qu Ru wiped her tears. "I've missed you every day for the past three years. I wanted to return to your side and be with you, but as long as I wanted to come back, I would be stopped by your grandmother's people. She only let me go when I became seriously ill this time. Perhaps she thinks I'm dying so I'm no threat anymore!"

"But this has nothing to do with Mo Rao. It's not an excuse for you to hurt her." Fu Ying was actually still thinking about Mo Rao.

Qu Ru said indignantly, "How is it unrelated to her? She's the one who occupied my position! Fu Ying, am I wrong? We were clearly in love back then. She was the third party who occupied my position. I wanted to chase her away and take back my position. Am I wrong?"

"She... was forced to marry me. It was my family who pressured me. I didn't bear the pressure. It's my fault." Fu Ying's tone was cold. "I'll hide this matter for you, but I won't allow you to do such a thing in the future!"

Hearing these words, Qu Ru was delighted. Forget about the future, at least Fu Ying was on her side now.

The incident was so serious, but wasn't he still biased towards her?

She quickly relented. "I know I was wrong. Boohoo... Fu Ying, I'm sorry. I just love you too much. I was blinded by jealousy and I regret it..."

Seeing Qu Ru admit her mistake and cry, Fu Ying was in a very complicated mood.

He hesitated, but still reached out to touch Qu Ru's head and comfort her. "Don't cry."

"Fu Ying, can we get married?" Qu Ru took the opportunity to say, "I'm not afraid of death, but before I die, I want to be your wife. This is my only wish. If I can die in your arms, I will die without regrets."

"Treat your illness first." Fu Ying didn't answer clearly.

After her illness was cured, he wouldn't be in a hurry anymore. He could keep delaying the divorce with Mo Rao, right?

Qu Ru felt hatred in her heart. As expected, Fu Ying had feelings for Mo Rao!

What should she do if this continued?

Qu Ru felt that she was really about to lose Fu Ying.

She had to think of something.

...

Two days later, Fu Ying went back.

Mo Rao was surprised. "Why are you back?"

He hadn't returned so frequently in the past.

Fu Ying replied, "There's a problem with a project in Country H. I want to go over."

"For how many days?" Mo Rao asked.

"About a week," Fu Ying replied.

That meant that Mo Rao had a week of freedom? She didn't have to worry about Fu Ying coming back or arguing with her.

He was comfortable alone!

Mo Rao's brows instantly relaxed.

Fu Ying observed her reaction. "Are you happy?"

"No." Mo Rao looked serious. "Look at me. I'm not even smiling."

She was indeed not smiling, but she was obviously thrilled.

Fu Ying looked unhappy. In the past, when she knew that he was going on a business trip, Mo Rao couldn't bear to part with him.

"Stay at home obediently this week and don't go anywhere!" Fu Ying instructed.

"That's none of your business." Mo Rao rejected directly.

"I'll get someone to watch over you." Fu Ying knew that this woman wasn't easy to control now.

Mo Rao didn't speak, but she secretly despised him.

Fu Ying left after packing his luggage. Mo Rao sent him off casually and was about to return as soon as she reached the door.

Fu Ying grabbed her and kissed her. He sucked her sweet lips passionately, as if he was worried that he wouldn't be able to touch her for the next week so he wanted it in advance.

Chapter 140: Forced Surgery

As the kiss deepened, Mo Rao pushed Fu Ying hard. "Let go of me. What are you doing?"

Not only was Auntie Liu at home, but there was also Yang Qiu!

It would be very awkward if these two saw each other!

"I'll be back on time in a week. Wait for me." Fu Ying couldn't bear to part with Mo Rao. His hand gently touched her face.

Mo Rao looked like she didn't care and ignored him.

However, Fu Ying liked her temper. He smiled and said, "The two of us won't get a divorce. Wait for me obediently."

Just because he said so? Mo Rao didn't believe him.

Anyway, Fu Ying often said one thing but meant another!

Fu Ying let go of Mo Rao and left. Mo Rao watched as the door closed and the sound of a car starting came from outside before she sighed deeply.

It was impossible not to get a divorce. She didn't want to continue living with a man who had another woman in his heart.

...

On the hospital bed, Qu Ru picked up the hair on the pillow, and her heart was filled with fear.

Was she about to become bald?

How ugly!

At this moment, her phone rang. Qu Ru's voice was very cold. "Fu Ying left?"

"Let's go. He should be at the airport soon. When do we do it?" the other party asked.

"Let's wait a little longer. We'll talk after the plane takes off." Just in case, Qu Ru still had to be careful.

"Aren't you afraid that Fu Ying will get angry at you when he comes back?" That person asked again.

"I'm not afraid. In his heart, I'm more important than Mo Rao now. After I'm done, what can he do to me? That b*tch is Mo Rao so insensible and insisted on snatching him from me. I want to see who's really important to Fu Ying!" Qu Ru replied hatefully.

Since she insisted on doing so, the person on the other end of the phone didn't waste any more time. "Got it."

After hanging up, Qu Ru continued to look at the hair in her hand. As long as she had a healthy body, she would have time to win Fu Ying's heart back!

At night.

Mo Rao was eating dinner while Aunt Liu left first.

She was a temporary servant and didn't stay at home at night.

Only Yang Qiu was at home all day long, staring at Mo Rao.

Mo Rao let her sit there. She wouldn't tell her when she was eating. Yang Qiu hated her so much, so there was no need for her to be nice to her.

It wasn't like she was a pushover.

Now that Mo Rao's appetite had improved, she was especially hungry at night. Auntie Liu's culinary skills weren't bad, so Mo Rao ate more.

As she ate, she actually felt sleepy. Before she could return to her bed, she fell asleep.

Seeing this, Yang Qiu walked over. After calling out twice, she confirmed that Mo Rao was indeed unconscious. She then called, "Drive the car over."

After hanging up, Yang Qiu helped Mo Rao up and walked out.

When Mo Rao woke up, she felt that something was wrong.

What greeted her eyes was a vast area of white.

She was actually lying in the hospital, and under her, there was a surgical bed!

Her limbs were tied up with ropes and she couldn't break free.

There were doctors and nurses by the bed, holding syringes and looking at her coldly.

"What are you doing?! Let go of me!" Mo Rao shouted in fear.

"After the surgery, we'll let go of you." The doctor's eyes flickered coldly. "When we finish collecting the bone marrow, everything will be over."

"What are you talking about?! I didn't agree!" Mo Rao immediately understood. This was a forced bone marrow donation for Qu Ru!

"Look, you've already pressed your fingerprint." The nurse took out a consent form with Mo Rao's fingerprints on it.

Mo Rao was so angry that her entire body was trembling. "You drugged me and pressed it when I was unconscious. It wasn't my consent. I'm Fu Ying's wife. If he finds out, do you know what will happen to you?!"

Unexpectedly, the doctor was unfazed. He asked, "Do you think we would have dared to do so without Mr. Fu's permission?"

Mo Rao's face instantly turned ashen. "What?"

“Miss Qu has been in a lot of pain from chemotherapy. President Fu can’t bear to see her continue to suffer, so he asked us to do this. Alright, bear with it. It won’t take long.” As soon as the doctor finished speaking, a needle pierced into Mo Rao’s body.

Mo Rao was still pregnant. She struggled frantically, but it was useless.

“Impossible! Get Fu Ying to tell me!” Mo Rao still had a last shred of hope.

“This is the agreement signed by President Fu. Take a look.” The nurse took out another agreement.

Mo Rao was very familiar with Fu Ying’s handwriting. It was indeed identical!
