After Leaving The CEO, She Stunned The World
Chapter 231 - My Sister

Chapter 231: My Sister

“Mo Rao, why don’t you ask the waiter to add a chair?” Director Wang finally spoke because he knew that the people from “Moonrise” were big shots. They might not agree to her request.

Mo Rao looked at Jiang Yue.

Jiang Yue immediately said, “Director Wang, since Mo Rao has a way to book a bigger private room, we should listen to her. She’s such a good person. We can’t be so ungrateful!”

Didn’t she say she could book a room? Then she would see if Mo Rao could do it. If Mo Rao couldn’t, she would become a laughing stock.

So what if she was Fu Ying’s ex-wife? So what if she was Shen Feng’s current girlfriend? It had to be known that the female lead of “Moonrise”, Nie Ran, was famous in the industry for her bad temper. She hated it when others got in through the back door, pulled strings, and played dirty.

If Mo Rao used Fu Ying or Shen Feng’s status to request a private room, she would probably be scolded.

“No, no, no!” Director Wang panicked. It was fine if Mo Rao and Jiang Yue had a small conflict, but if Mo Rao had a conflict with the another production’s cast members, it would be a scandal if word got out!

When the others saw Director Wang try to dissuade her, they echoed his dissuasion.
“Mo Rao, forget it!”

“That’s right. It’s very difficult to book it. It’ll be awkward if you don’t succeed.”

“In the past, there was an A-list actor who tried to kiss up to Nie Ran to get some resources, but was scolded. How pitiful!”

“Don’t go, or else you’ll embarrass yourself.”

Some were tactful, some were direct, some were kind, and some were malicious.

Jiang Yue's expression was clearly provocative. She was waiting for Mo Rao to embarrass herself.

If Mo Rao couldn't book a bigger private room, her makeup artist would have to eat while standing!

"Wait a moment." Mo Rao couldn't be bothered to waste her breath. She dialed Nie Ran's number and the call was quickly picked up. "Sister Ran Ran, did you book an entire floor of the hotel for a gathering?"

Sister Ran Ran?!

Hearing this, everyone was shocked. Did Mo Rao know Nie Ran?

She was the most popular actress in the past two years!

Ordinary directors wouldn't be able to invite such a big shot.

Jiang Yue's expression changed. How was that possible? Didn't Mo Rao just return to the country? She shouldn't know many people in the domestic entertainment industry, let alone a person like Nie Ran.

"Rao Rao?" Nie Ran's voice sounded very hearty and happy. "How did you know? Yes, yes, yes. Are you guys here too?"

"Yes, our production team is having a meal. The private room is too small..." Before Mo Rao could finish speaking.

"Come up! We booked an entire floor. Actually, I booked it. Choose whichever private room you want!" Nie Ran interrupted Mo Rao and said straightforwardly.

"Alright, I'll come up later." Mo Rao smiled.

After Mo Rao hung up, the room was silent. Jiang Yue's expression was very ugly. Someone glanced at her and pitied her for suffering such embarrassment.

Mo Rao picked up her bag and ignored the others' gazes. She said gracefully, "Let's go. There's a bigger private room."

With that, she left the private room with Hu Ya.

The others already knew who the real big shot was. Mo Rao had really hidden her connections quite well. They thought that she relied on Fu Ying and Shen Feng, but they didn't expect her to have very powerful connections herself.

Everyone left with Mo Rao and went to the floor where the “Moonrise” production team was having a gathering. As expected, there was someone guarding it. When they saw Mo Rao, they let her in. Nie Ran must have given him a heads-up.

Director Wang caught up to Mo Rao in a few steps and asked in admiration, “Mo Rao, are you very familiar with Nie Ran?”

“Yes.” Mo Rao nodded.

In the beginning, Nie Ran was acquainted with Mo Yuan at first. Later on, she met Mo Rao and got along with her quite well.

Director Wang was very excited. If only he could invite Nie Ran to film the next movie through Mo Rao.

Now, he had to be more polite and respectful to Mo Rao.

Jiang Yue followed at the back of the team. One or two people comforted her kindly, “Don’t be angry. We know you offered to treat us to a meal out of goodwill.”

“Yes, Mo Rao is just being kind as well!”

The more the two of them comforted her, the worse Jiang Yue’s expression became. However, she had to maintain her image, so she didn’t say anything.

Mo Rao had already arrived at Nie Ran’s private room. As soon as Nie Ran saw her, she immediately introduced her to everyone. “Let me introduce her to you guys. This is my sister, Mo Rao. She won the Best Actress Award at a Foreign Film Exhibition! She just returned to the country to develop her career. Everyone, please help her out in the future!”

With Nie Ran’s words, everyone thought more highly of Mo Rao. Many people immediately greeted Mo Rao.

Chapter 232: Nonsense

Mo Rao replied politely in a neither servile nor overbearing tone and handled the situation very gracefully.

Nie Ran was a straightforward person. After the introduction, she immediately arranged a private room for Mo Rao and the others.

Director Wang took the opportunity to hand Nie Ran a business card and introduce himself.

On account of Mo Rao, Nie Ran didn't refuse. After greeting everyone, she returned to her private room.

"Wow! Nie Ran is really beautiful! She's feisty and gorgeous!"

"I couldn't tell that she's already over thirty at all. She looks twenty-four to twenty-five!"

"The dramas she acted in are all popular. I've watched several of them."

"I should have asked for her WeChat just now. Sigh, she's my idol. She's my role model!"

Everyone sat down and discussed it excitedly.

Although they were all in the entertainment industry, if not for Mo Rao, probably no one present would have had the chance to see Nie Ran up close.

Jiang Yue remained silent.

At this moment, the door of the private room opened again. Nie Ran appeared and invited Mo Rao to chat with her for a while. "I'm sorry, I'll have to borrow your female lead!"

"Okay, okay, okay. Go quickly!" Director Wang quickly agreed.

Mo Rao couldn't resist Nie Ran's enthusiasm and stood up with a smile to follow her to the set of "Moonrise".

Unexpectedly, a few cast members of "Moonrise" were Mo Rao's fans. They idolized her and specifically asked Nie Ran to invite her over to chat.

Mo Rao generously exchanged contact details with them and toasted the directors before chatting with Nie Ran.

Their personalities were actually very different, but for some reason, they hit it off. When they were together, they always had endless things to talk about.

Moreover, Nie Ran was a fan of Mo Rao and liked her paintings.

Previously, she had even commissioned a few paintings from Mo Rao and hung them at home to admire.

"Where's your brother?" Nie Ran suddenly asked.

Logically speaking, Mo Rao had just returned to the country to develop, so Mo Yuan should be with her at all times.

Mo Rao smiled and said, "He went to negotiate advertising endorsements for me."

"He's quite diligent!" Nie Ran couldn't help but laugh when she mentioned Mo Yuan. "In the past, he was too lazy to do anything. He was the most diligent when it came to your matters."

"I'm his sister after all. How can he not be diligent?" Mo Rao replied in a low voice.

"Hahahaha, that's true. Next time, call your brother along so the three of us can have a gathering. I'll treat you guys to a meal!" Nie Ran blinked at Mo Rao.

Mo Rao made an "OK" gesture.

Actually, Mo Yuan could be considered Nie Ran's benefactor. Although she was extremely famous now, she was once a nobody. She had once gone overseas to develop her career, but got scammed. Mo Yuan saved her and even helped her take on a few supporting roles in a few movies to help her survive.

Otherwise, how could there be the current Nie Ran?

All these years, Nie Ran had been in contact with Mo Yuan. As long as she went overseas, she would definitely look for him for a meal together. Unexpectedly, Mo Yuan found his sister later on, so the three of them became the best of friends.

While Mo Rao was chatting happily with Nie Ran and the others, Jiang Yue no longer had an appetite.

Everyone was discussing Mo Rao and Nie Ran. She was supposed to be the center of attention today and she was supposed to be the one treating everyone. But now, she was being ignored.

"Jiang Yue, what's wrong?" Someone realized that Jiang Yue had started to cry.

"I'm fine!" Jiang Yue immediately pretended to wipe her tears and revealed a forced smile. "I'm just thinking about the past."

Someone immediately asked what she had recalled.

Jiang Yue looked sad as she said, "There was once someone who accompanied me here for a meal, but now, things have changed and that person has left me, so I can't help but feel sad."

These words made the others reveal meaningful looks.

Who was the person Jiang Yue was talking about? Could it be Shen Feng??

No one knew if the two of them had ever been together or not. Rumors would appear from time to time, but Shen Feng's clarification would follow closely.

"Let go of the past. There will be a better man for you." Someone comforted Jiang Yue.

"I know. It's just that I feel traumatized. Whenever I think of how I was betrayed, I feel very sad." Jiang Yue put on an even sadder expression as she lowered her head.

What...

Everyone exchanged glances. Betrayal??

Could it be that Shen Feng had cheated on her?

Could the person he cheated on her with be Mo Rao?

This was very likely! Ever since Shen Feng and Mo Rao announced that they were together, there had been no more rumors about Jiang Yue and him.

Could Mo Rao have been a mistress?! This guess shocked everyone.

Chapter 233: Retaliation

Hu Ya couldn't stand to listen to them anymore. What on earth were they talking about?

Although she was sent by Fu Ying to monitor Mo Rao, she knew Mo Rao's personality very well after this period of time together. Mo Rao was very kind and loyal, provided that other people didn't take the initiative to provoke her.

"Miss Jiang, you can eat whatever you want, but you can't say whatever you want." Hu Ya reminded her meaningfully, "Let me tell you, I've worked for many celebrities in the past. I've concluded that people who do well in the industry are usually tactful and smart people who rarely spread rumors. Otherwise, they'll easily get exposed and their persona will collapse."

It was obvious what she was hinting at.

Hu Ya thought that Jiang Yue would restrain herself. After all, Lin Xing, who had targeted Mo Rao previously, could no longer work in the entertainment industry.

Although Jiang Yue's status was higher than Lin Xing's, she wasn't qualified to bully Mo Rao.

What surprised Hu Ya was Director Wang and the others' indulgence of Jiang Yue. Had they forgotten about Mo Rao's relationship with Fu Ying and Shen Feng?

If you want to read more chapters, please visit [to experience faster update speed](#)

"I didn't spout nonsense, nor did I name anyone. Why are you so agitated?" Jiang Yue wiped her tears as she asked Hu Ya.

Hu Ya didn't back down and questioned, "Then tell me, is the person you said betrayed you your rumored ex-boyfriend, Shen Feng?"

Hu Ya's bluntness shocked the others.

However, no one knew that Mo Rao had actually returned and was standing at the door while quietly listening to the conversation in the private room.

Jiang Yue feigned innocence as she said, "Yes, is there a problem?"

She had pursued Shen Feng for so long but had never succeeded, so Shen Feng suddenly said that Mo Rao was his girlfriend, it was a slap to her face.

"Then you're hinting that Miss Mo is a mistress. Who doesn't know what you're plotting?" Hu Ya had worked for many big-name celebrities and had experienced many things.

"I didn't say that. You were the one who said it." Jiang Yue denied it directly. In any case, what she wanted was just to sow doubt in everyone's hearts.

"Do you have to act like this? Since your feelings weren't reciprocated, you tried to slander Miss Mo. How disgusting." Hu Ya rolled her eyes.

Director Wang and the others were anxious at this moment. He didn't tell anyone that Jiang Yue's sudden appearance in the production team was actually Fu Ying's idea, so he didn't dare to take sides.

Jiang Yue's expression changed. She hated it when people said that her feelings weren't reciprocated. Hence, she slammed the table and stood up. Then, she pointed at Hu Ya as she threatened fiercely, "Watch your mouth! Apologize to me. Otherwise, I'll see to it that you never work in the industry again."

Dealing with a makeup artist was a piece of cake for her.

At this moment, Mo Rao's voice sounded. "How dare you!"

She didn't expect Hu Ya to speak up for her and was quite touched, so when she heard Jiang Yue's threat, she couldn't stand it anymore and walked in.

Seeing that Mo Rao was back, everyone shrank their necks fearfully. Damn, no one agreed with Jiang Yue just now, did they?

Jiang Yue felt apprehensive for a moment, but she still kept up the act. "Mo Rao, you're back. Let me tell you. Your makeup artist falsely accused me and slandered me. I taught her a lesson for you."

"As if I need you to teach her a lesson for me?" Mo Rao protected Hu Ya behind her. Her innocent and beautiful face didn't have its usual cute smile. Instead, it was filled with coldness as she stared at Jiang Yue. "Besides, she didn't say anything wrong. Aren't you hinting to everyone that I'm a mistress and that I snatched Shen Feng from you?"

There was tension in the air!

A confrontation was about to happen.

"I didn't name you, but you think it was you. Isn't that a sign of your guilty conscience?" Jiang Yue realized that Mo Rao was actually very sharp-tongued and that she wasn't as good-tempered as she seemed on the surface.

Mo Rao sneered. "Alright, then let's go to court and let the lawyer handle this matter, so everyone can find out the whole story. How about that?"

"!" Jiang Yue was speechless. How could she allow that? What she said was fabricated to begin with. It was fine if it was just a verbal rumor, but if it involved the law, her words would be full of loopholes.

At this moment, Mo Rao's phone rang. It was Shen Feng's phone call. As usual, Mo Yuan had informed him to pick her up again.

This time, Mo Rao didn't refuse and even told him the exact private room number.

"Coincidentally, the person in question is here. Let him explain to everyone." Mo Rao sat down calmly and drank her tea leisurely.

The others didn't make a sound.

Chapter 234: Clarification In Person

Hearing that Shen Feng was coming, Jiang Yue panicked.

As long as Shen Feng clarified things, the others would know that she was lying.

Moreover, Shen Feng's impression of her would be even worse.

"Hehe, I won't fool around with you anymore. I still have business to attend to." Jiang Yue picked up her bag and wanted to leave.

Mo Rao stood up and stopped her. "It's just ten minutes. It won't take long. I don't like others slandering my reputation and pointing fingers at the people around me. I want an explanation."

When Hu Ya saw how domineering Mo Rao was, she felt admiration.

Who said that Mo Rao was meek? She was very tough!

"It's just a casual conversation under the influence of alcohol. Do you have to take it so seriously?" Jiang Yue asked angrily, "This is my first day on the production team. We'll have to work together for so long in the future. Do you have to be so calculative?"

"You also know that we'll be working together for a long time in the future?" Mo Rao looked enlightened. "I thought you didn't know, and that was why you were spouting nonsense here."

"Don't go too far!" Jiang Yue was enraged.

Mo Rao wasn't afraid at all. "You provoked me first."

While they were arguing, Shen Feng appeared at the door. When he saw that Jiang Yue wanted to push Mo Rao, he immediately panicked and rushed forward to protect Mo Rao. Then, he pushed Jiang Yue away. "I dare you to touch her."

From such a simple action, everyone already understood that Shen Feng only had Mo Rao in his heart.

As for what Jiang Yue said, it was most likely a lie.

"I didn't do anything to her. She humiliated me in public and stopped me from leaving!" Jiang Yue shouted aggrievedly.

Mo Rao didn't do that, did she? The others knew the truth, but they couldn't add fuel to the fire.

Shen Feng didn't even need to ask Mo Rao. He directly retorted Jiang Yue, "It's impossible for her to do something like that!"

Jiang Yue felt crestfallen. He defended that woman without even asking about the situation.

She had pursued him for so long after all. Didn't he have any feelings for her?

"Shen Feng, before you announced that I'm your girlfriend, did you date Jiang Yue?" Mo Rao asked deliberately for everyone to hear.

These people didn't say anything here, but they would definitely gossip behind their backs in the future.

Jiang Yue's expression froze.

Shen Feng frowned. "No, I've never been with her. Those rumors were created by her. I've clarified things every time. Jiang Yue, I've already rejected you many times. Please don't spread rumors in the future."

Someone couldn't help but shout softly, "Damn!"

This news was too scandalous.

How could they witness such a scandalous scene firsthand?

When Mo Rao saw Jiang Yue's pale face, she felt no sympathy at all, let alone pity. Fu Ying had already taught her that kindness to her enemies was cruelty to herself.

"Why are you doing this to me? Boohoo..." Jiang Yue covered her face and fled in tears.

Shen Feng didn't care. Instead, he quickly asked about Mo Rao's situation, "Rao Rao, are you okay?"

Mo Rao nodded. "I'm fine. It's nothing. Fortunately, you helped me explain when you arrived. Otherwise, I would have been misunderstood by everyone."

With that, she glanced at everyone.

Everyone immediately defended themselves.

"No, no, no, I never believed in Jiang Yue's words!"

"Yes, those previous rumors were all lies. I also saw President Shen personally clarify it."

"Yes, we never took those previous rumors seriously!"

Mo Rao already got the result she wanted, so she smiled gently. "Yes, I know everyone is very smart and knows what's right and what's wrong. I'll go pay the bill and leave. You guys can take your time eating."

With that, she left, and Hu Ya immediately followed.

When it was time to pay, Shen Feng paid before Mo Rao could. With him around, he couldn't let Mo Rao pay.

"Is she coming too?" When they got into the car, Shen Feng looked at Hu Ya and asked hesitantly. In fact, he wanted to be alone with Mo Rao.

Hu Ya lowered her head. She didn't want to be a third wheel, but she was sent by Fu Ying!

Mo Rao happened to feel a little awkward being alone with Shen Feng, so it was better with Hu Ya around. She nodded. "Yes, she lives with me and is my personal makeup artist."

"Okay." Shen Feng had always been gentle and easygoing. He never rejected Mo Rao.

Hu Ya followed them into the car awkwardly and sat in the back seat. Mo Rao sat in the front passenger seat.

In fact, Hu Ya felt that it would be nice if Mo Rao got together with Shen Feng.

Chapter 235: Under the Instructions of Others

Along the way, Mo Rao and Shen Feng didn't talk much, but Shen Feng tried looking for topics to talk about.

Mo Rao knew that the man in front of her was very good to her, but she just wasn't interested in him.

Perhaps her previous marriage had killed off all romantic thoughts.

"We're here." At the entrance of the villa, the car stopped. Shen Feng turned to look at Mo Rao, his eyes filled with affection.

"Alright, thank you, Brother Shen Feng. Drive slowly on the way back. Be careful." Mo Rao unbuckled her seatbelt to get out of the car.

Hu Ya had already gotten out of the car and returned to the villa. She really couldn't stand being a third wheel anymore.

Shen Feng stopped Mo Rao. "Wait, let's talk about your mother."

Oh right, she hadn't told Shen Feng about it yet.

Mo Rao sat down again and explained to Shen Feng apologetically, "I'm sorry, Brother Shen Feng. Actually, I agreed to celebrate Fu Ying's birthday with him because he has information about my mother's background, so..."

"I know. Your brother told me." Shen Feng smiled. He didn't blame Mo Rao.

It could only be said that Fu Ying had too many tricks up his sleeve. Mo Rao wasn't his match.

Mo Rao heaved a sigh of relief. "That's good. I didn't mean to make you leave first. Fu Ying asked me to do that."

"Yes, I know everything. I won't blame you," Shen Feng replied gently. "But you have to believe me. No matter what happens, you have to tell me. I will help you."

What he was most afraid of was that Mo Rao wouldn't tell him and would bear it alone.

"Yes, did my brother tell you about those documents?" Mo Rao sighed. "I didn't expect my mother to really be the youngest daughter of the Qu family. Moreover, her disappearance was an elaborate scheme."

"He also told me that now, we have to investigate how your mother was abandoned in order to find the truth. We have to take revenge and repay gratitude," Shen Feng comforted Mo Rao.

Mo Rao nodded. She thought so too. Her mother's matter was the most important thing now.

After the two of them chatted for a while, it was already very late. Shen Feng took the initiative to say, "Alright, go back and rest. Don't be too tired."

"Yes, yes. Good night." After saying good night, Mo Rao got out of the car and went back.

When Shen Feng drove home, he found someone waiting there. It was none other than Jiang Yue.

Jiang Yue was a crazy person. In the past, she would come to Shen Feng's house from time to time. When she saw Shen Feng return, she immediately went up to him.

“Shen Feng, I was wrong!” Jiang Yue cried.

“What are you doing here?” Shen Feng took two steps back to avoid being touched by Jiang Yue.

Jiang Yue cried as she said, “I’m here to apologize to you. I don’t want you to misunderstand me and think that I’m a scheming woman. This is all a misunderstanding!”

Shen Feng asked coldly, “What misunderstanding? Weren’t you the one who had been creating rumors previously? Weren’t you the one who hinted that Rao Rao was a mistress?”

“No, that wasn’t my intention!” Jiang Yue looked troubled as she bit her lip and finally said, “I was manipulated. Someone arranged for me to do this.”

Shen Feng’s expression changed. “Who?”

“I can’t reveal his identity.” Jiang Yue used her usual trick. She didn’t explain things clearly and let him guess. Only then would she be able to clear her name later.

Shen Feng naturally thought of Fu Ying. Other than him, who else would do this?

Fu Ying wanted to use Jiang Yue to provoke Mo Rao so that there would be a misunderstanding between him and Mo Rao. Then, he could take advantage of the situation.

How despicable!

“In short, that’s all I can say. I can’t afford to offend that person.” Jiang Yue wiped her tears.

Shen Feng didn’t want to talk to her anymore and walked around her to open the door.

However, Jiang Yue chased after him. “Shen Feng, while Mo Rao and I are filming, I will definitely be forced by that person to continue being an obstacle between you and Mo Rao. But don’t misunderstand me. I have no choice!”

This way, all the blame would be on Fu Ying, and she would have a chance to continue clinging to Shen Feng.

Jiang Yue admired her own intelligence.

Shen Feng didn’t answer and just closed the door.

If Jiang Yue was really threatened by Fu Ying, she indeed had no way to resist.

Shen Feng wanted to punch Fu Ying and ask him what he wanted to do, but doing so would only cause Fu Ying to harass Mo Rao even more.

He knew Fu Ying too well. He couldn't fight him head-on.

Chapter 236: Grandma Is in Trouble

"Rao Rao, you're back!" Mo Yuan was reading a contract in the living room. Seeing that Mo Rao was back, he was in a good mood. "Come and take a look. This is your first step towards becoming a superstar!"

Mo Rao walked over and saw that the endorsement for the skincare product had already been accepted. It was an international brand and the endorsement fee was tens of millions.

"Brother, you're really amazing!" Mo Rao hugged Mo Yuan happily and kissed him on the cheek. "It's my blessing to have you!"

"Tsk, now you know that you're lucky to have me?" Mo Yuan raised his head proudly.

"I've always known. If not for you, how could I have my current life?" Mo Rao took the contract and looked at it again. She had already thought about buying a condo and a big villa later!

Ever since her parents passed away, Mo Rao had lived in the orphanage, then in the Fu family, and in the house Fu Ying had bought. She had never had a house that truly belonged to her.

Now, she could fulfill this wish.

Mo Yuan hugged Mo Rao dotingly. She was his only sister. He had to protect her with his life and use all his resources to support her. It was for no other reason than to make up for the lack of interaction between the siblings over the years. Although he had suffered all these years, he was luckier than Mo Rao. He became a top manager and was doing well.

As for Mo Rao, she met a scumbag and even lost two children. Her life was too miserable. When he thought of this, Mo Yuan's heart ached. He felt that he had let down his parents.

If you want to read more chapters, please visit [to experience faster update speed](#)

"Brother, I met Nie Ran today. She said she wanted to have a meal with us." Mo Rao suddenly remembered this.

“Who wants to eat with her?” Mo Yuan immediately revealed a disdainful expression. “I have the urge to bicker with her whenever I see her. It will affect our eating speed.”

Mo Yuan and Nie Ran were actually quite compatible. They usually bickered when they were together, but it didn't affect their friendship.

Sometimes, Mo Rao would secretly think how good it would be if the two of them started dating. It would definitely be nice for Nie Ran to become her sister-in-law.

However, it was just a thought. Once Mo Rao said it out loud, they would probably deliberately stop seeing each other in order to avoid arousing suspicion.

Suddenly, Mo Rao's phone rang.

It was Fu Ying's call.

“Don't answer it!” Mo Yuan immediately hung up when he saw the caller ID.

Mo Rao had no objections. It was already so late. Fu Ying was definitely up to no good.

However, Fu Ying continued to call and even sent a message: “Grandma suddenly feels unwell and wants to see you.”

Seeing this message, Mo Rao immediately stood up and panicked.

Why was she suddenly feeling unwell?

“I have to go to the Fu family. Grandma suddenly feels unwell!” Mo Rao said anxiously.

“I'll send you off!” Hearing that Old Madam Fu was feeling unwell, Mo Yuan immediately grabbed the car keys.

The siblings immediately drove to the Fu family's old residence.

The Fu family's old residence was brightly lit and the atmosphere was very tense. There were already two doctors in Old Madam Fu's room. They had prescribed medicine and injected Old Madam Fu already, but it wasn't very effective.

Mo Wan held Old Madam Fu's hand tightly, her eyes filled with worry and nervousness. “Mom, are you feeling better? Don't worry, Rao Rao will be here soon.”

“Madam Fu, you should send her to the hospital quickly. I'm afraid that with her condition...” A family doctor reminded.

It was useless to call anyone. She had to go to the hospital!

The family doctor's words made Fu Ying and Fu Lin's expressions turn livid. Fu Ying directly told the doctor to shut up!

Soon, Mo Rao appeared in the room.

"Grandma!" Mo Rao rushed over and grabbed Old Madam Fu's hand to take her pulse.

"Rao Rao, you're here." Upon seeing Mo Rao, Old Madam Fu became much happier and her eyes lit up.

The doctor was still urging them. "Stop taking her pulse. It's useless. Send her to the hospital!"

Mo Rao ignored her. She knew Old Madam Fu's health the best. In the past, when Old Madam Fu was feeling unwell, she was often sent to the hospital to take medicine, receive injections, and use all kinds of medical equipment. In the end, her health deteriorated more and more.

Old Madam Fu could only slowly recuperate and use tonics to nourish her body.

After checking Old Madam Fu's pulse, Mo Rao heaved a sigh of relief. Then, she took out silver needles and started to insert them for her.

The two doctors at the side frowned as they watched. They didn't agree with Mo Rao's acupuncture technique at all and muttered, "This will kill her."

"I told you to shut up!" Fu Ying scolded the doctor in a low voice.

The doctor didn't dare to speak anymore and only looked at Mo Rao with disdain.

Chapter 237: Change Rooms

Mo Rao methodically inserted needles into Old Madam Fu's body. Soon, Old Madam Fu's expression improved.

"Grandma, are you feeling better?" Mo Rao asked with concern.

"I feel much better. Rao Rao, you're really amazing!" Old Madam Fu praised Mo Rao generously. Even her voice was much louder.

Mo Rao heaved a sigh of relief. There must be something wrong with Grandma's diet these days. Her digestive system was weaker, so she had to be especially careful with her diet. She couldn't eat fish or meat that often.

The two doctors looked at each other, speechless.

They didn't expect Mo Rao to help Old Madam Fu recover so quickly. It seemed like the effect was very good, even better than going to the hospital.

"Aunt Mo, I'll give Grandma a prescription. Get someone to get twelve packets and boil them into medicine to drink three times a day," Mo Rao instructed Mo Wan.

Mo Wan had almost been frightened to death just now. She originally wanted to listen to the two doctors and send her to the hospital first. It was Fu Ying who insisted on calling Mo Rao back first.

On this point, Fu Ying trusted Mo Rao very much.

"Alright, write the prescription now. I'll go with you." Mo Wan nodded.

If you want to read more chapters, please visit [to experience faster update speed](#)

Mo Rao glanced at Fu Ying, who moved aside. Then, she and Mo Wan left the room together.

The two doctors also left. They were too ashamed to stay here any longer.

Old Madam Fu felt much better. She looked at Mo Yuan, who had come with Mo Rao, and said guiltily, "Little Yuan, I'm really sorry. It's already so late, but you two still had to come all the way over."

"What are you talking about, Grandma? Your health is the most important!" Mo Yuan quickly went over to comfort Old Madam Fu.

Although he hated Fu Ying, he liked the other members of the Fu family quite a lot.

Because in the entire Fu family, Fu Ying was the only one who bullied Mo Rao.

"You're such a good child. Rao Rao and you are both kind people. Come over often in the future. I heard that you've just returned to the country. If you need any help from the Fu family, just mention it and look for Fu Ying directly." Old Madam Fu promised.

Fu Ying glanced at Mo Yuan. Coincidentally, Mo Yuan also glanced at Fu Ying.

The two men's eyes revealed disgust and disdain.

With such a hostile relationship, how could they help each other? It would already be good enough if they didn't backstab the other party.

However, on account of Old Madam Fu, Mo Yuan still replied, "Alright, alright. Grandma Fu, don't worry. I will ask for help if anything happens!"

"Grandma, don't worry too much. If he needs me, I'll do my best to help," Fu Ying replied pretentiously.

Fu Lin couldn't stand it anymore. These two people were too insincere.

Fortunately, Old Madam Fu couldn't tell and was still very happy.

Soon, Mo Rao returned, and Mo Wan brought people to get the medicine overnight. She wanted to supervise them personally, since she was afraid that something would go wrong.

When she saw Mo Rao, Old Madam Fu immediately let out a cry and lay on the bed uncomfortably. Mo Rao was startled. "Grandma, what's wrong? Are you feeling unwell again?"

"The symptoms flare up from time to time. Rao Rao, you and your brother can stay here tonight. If I feel unwell, I can call you at any time." Old Madam Fu begged pitifully.

Mo Rao and Mo Yuan looked at each other. They could tell that the old woman was acting.

However, Old Madam Fu was indeed not in good health. Mo Rao was worried, so she agreed. "Okay."

Mo Yuan had no objections. With him around, Fu Ying had no way to exploit the situation. He would protect his sister well.

Hearing that Mo Rao was going to stay for the night, Fu Ying was in a much better mood. He took the initiative to say, "I'll arrange a room."

Mo Rao only glanced at him and didn't answer.

After Fu Ying arranged the rooms, Mo Rao and Mo Yuan went over to take a look.

Mo Rao's room was arranged beside Fu Ying's room, and Mo Yuan's room was on another floor. Even a fool could understand what she was thinking.

Mo Yuan didn't expose her and only smiled coldly.

"Brother?" Mo Rao had just taken a shower in her room when Mo Yuan came. When he heard her speak, he even made a "shh" gesture.

"Go to my room now. The two of us will exchange rooms," Mo Yuan instructed.

“Why?” Mo Rao was a little puzzled, but she immediately understood. Mo Yuan was worried that Fu Ying would harass her in the middle of the night.

With Fu Ying’s personality, it was really possible.

Mo Rao didn’t waste her breath and went to Mo Yuan’s room with her clothes.

Chapter 238: Sadness

It was already midnight. Mo Rao fell asleep. However, she didn’t know that the unthinkable had happened in Mo Yuan’s room.

Fu Ying tossed and turned, unable to fall asleep. His mind was filled with thoughts of Mo Rao.

Late at night, people would often feel unbearably lonely, and in this scenario, the woman he loved was sleeping next door. Fu Ying felt that since he wasn’t a gentleman anyway, he might as well go talk to her to ease his longing.

Hence, Fu Ying got up to ask Mo Rao if she was asleep.

He knocked and footsteps sounded in the room.

Fu Ying adjusted his pajamas nervously to prevent himself from looking perverted.

The lock turned and the door slowly opened. Fu Ying’s heart gradually rose with anticipation.

In the end, Mo Yuan’s face was revealed. He stared at Fu Ying as he asked with a cold smile, “Hehe, why are you knocking on my door in the middle of the night?”

“Why is it you?” The gentleness on Fu Ying’s face instantly vanished, and he returned to his usual aloofness.

“Did you think it would be Rao Rao?” Mo Yuan said disdainfully. “Fu Ying, why are you so perverted? You actually knocked on your ex-wife’s door in the middle of the night. Aren’t you ashamed?”

Fu Ying really wanted to punch this man, but when he thought of Mo Yuan and Mo Rao’s relationship, he could only endure it.

Fu Ying replied calmly, “I just want to chat with her.”

“You want to chat?” Mo Yuan opened the door completely and took off his pajamas. He sat on the bed half-naked as he said, “Come, let’s chat. It just so happens that men have more in common to talk about.”

Fu Ying was speechless. This person was a pervert, wasn’t he?

He didn’t have interest in chatting with a naked man in the middle of the night.

Besides, he really didn’t have any ulterior motives. Even if he had desires, he would restrain himself. He just wanted to chat with Mo Rao, hear her voice, and see her face.

Mo Yuan was definitely overthinking things and probably thought that he was a pervert who came to harass Mo Rao in the middle of the night.

“How boring.” Fu Ying turned around and returned to his room before closing the door.

Mo Yuan was very satisfied with Fu Ying’s reaction. Fu Ying was definitely disgusted this time.

He also went forward and closed the door. He could finally sleep in peace.

...

It had been a long time since Mo Rao slept in the Fu family’s old residence. Mo Rao slept soundly in the familiar environment while smelling the familiar scent.

If Mo Yuan hadn’t come to wake her up, she might have still been dreaming.

“It’s time to go to the set. We still have to film today,” Mo Yuan reminded Mo Rao.

Mo Rao got up groggily. Then, she quickly changed her clothes and washed up before going downstairs.

Grandma didn’t call her last night, so her condition must have stabilized.

“Come and eat before leaving.” Mo Wan stopped Mo Rao and Mo Yuan.

The breakfast on the dining table was very nutritious. But Fu Ying was sitting there, and that affected their appetite.

Mo Rao wanted to refuse, but Mo Yuan dragged her over and sat down. Mo Rao wasn’t in good health, so she had to eat breakfast.

Fu Ying glanced at Mo Rao discreetly, while Mo Yuan stared at him sinisterly.

“Eat an egg.” Fu Ying ignored Mo Yuan’s gaze and peeled an egg before placing it in front of Mo Rao.

Before Mo Rao could reject, Mo Yuan reached out and ate it. Then, he peeled another egg for Mo Rao.

Mo Wan and Fu Lin watched this scene silently. They realized that if Fu Ying wanted to win Mo Rao back, Mo Yuan would be a huge obstacle.

But it made sense. If they were Mo Yuan, they would have done the same. Who would let their sister return to a scumbag?

Fu Ying’s expression darkened. He wanted to say something but couldn’t. In the end, he couldn’t even continue eating breakfast. He stood up and left after saying, “I’m going to the company.”

Mo Rao pretended not to hear. Anyway, this had nothing to do with her.

“Aunt Mo, Uncle Fu, I’m done eating. I’m going to the set to film now.” After Mo Rao finished breakfast, she said goodbye to Mo Wan and Fu Lin obediently.

“Alright, go quickly.” Mo Wan nodded with a gentle smile.

Mo Yuan also nodded at Mo Wan and Fu Lin, then left with Mo Rao.

Just as he left the Fu family’s old residence, Mo Yuan received a call. It was about the advertisement endorsement they were negotiating. He needed to go over and discuss the specifics of the cooperation. It was very urgent.

“Brother, go quickly. I can take a taxi.” After Mo Rao found out, she immediately let Mo Yuan go ahead.

“Alright, remember to wear a mask.” Mo Yuan could only drive away first.

Chapter 239: Taking Advantage

After Mo Yuan left, Mo Rao was about to take a taxi when a familiar black Maybach stopped in front of her.

Gu Hai was still the driver. He said respectfully, “Miss Mo, do you need a ride?”

The car was Fu Ying’s, so what Gu Hai said was Fu Ying’s intention.

“No need. You guys can leave first.” Mo Rao shook her head.

“It’s very difficult to hail a taxi here…” Gu Hai still wanted to dissuade her.

The back window rolled down, revealing Fu Ying’s handsome face. He wanted to imitate Shen Feng’s gentle demeanor, but the words changed when they reached his mouth.

“Do you want to come in yourself or do you want me to invite you in?”

Gu Hai was speechless. President Fu really didn’t know how to coax women. With this attitude, could he win the Young Madam back?

As expected, Mo Rao’s expression darkened and she looked at Fu Ying coldly. “I’m not going in, and I don’t need you to invite me in.”

“Why are you so stubborn? It’s just a ride along the way. Do you have to be so wary of me?” Fu Ying didn’t like how distant Mo Rao was. She wasn’t even willing to take a ride with him.

“Shouldn’t you ask yourself why I became like this?” Mo Rao asked.

She had never expected Fu Ying to respect her. Anyway, this man’s nature couldn’t be changed. Even if he was gentle and respectful occasionally, it was just an act. It wasn’t genuine at all.

Fu Ying frowned. He also felt that his attitude was a little out of line. It was mainly because he was tricked by Mo Yuan last night and was angry about it.

Mo Rao and her brother were both guarding against him, so they quietly changed rooms. Fu Ying couldn’t understand why Mo Rao didn’t believe that he was sincerely repentant.

In the past, Mo Rao had given him too much dependence and trust, causing him to be unable to accept Mo Rao being so cold and distant towards him.

“Sorr—” Fu Ying was about to apologize when Shen Feng appeared.

Shen Feng came to Mo Rao’s side and took the initiative to hold her hand, as if he was declaring his sovereignty. This was the first time he was so bold.

Fu Ying stared at Shen Feng’s hand with burning rage.

If it were any other time, Mo Rao would definitely have broken free. However, in this situation, she felt that there was no need to. She might as well use it to make Fu Ying

give up. She hesitated for a moment and tightened her grip to hold Shen Feng's hand tightly.

Shen Feng was shocked. He looked at Mo Rao happily and felt much more confident. "I'll send my girlfriend off. There's no need to trouble you."

"Shen Feng, do you know what you're doing?" Fu Ying's gaze was murderous.

"I know very well. Rao Rao is my girlfriend now. I hope that you will keep a distance from her in the future so I won't misunderstand." Shen Feng also stared at Fu Ying coldly. Their gazes were filled with hostility. "Don't think that you can sow discord between Rao Rao and me just because you arranged for someone to do so."

Fu Ying frowned deepened. Who had he arranged for?

Without waiting for Fu Ying to speak, Shen Feng had already led Mo Rao back to his car. As he was watching them leave, Fu Ying didn't even have an excuse to chase after them. He had a livid expression on his face and was overcome with rage.

"President Fu, then we..." Gu Hai asked carefully.

"Go to the company!" Fu Ying said irritably.

Gu Hai didn't dare to ask further and quickly drove to the company.

On the way, Fu Ying's car overtook Shen Feng's. When the two cars were side by side, he saw Mo Rao sitting in the front passenger seat. She was chatting and laughing with Shen Feng. They were discussing something very pleasant.

Seeing her smile at other men, Fu Ying was overcome with jealousy. He was in a bad mood and needed a place to vent.

"Gu Hai, inform the people of the Jade Heaven Villa to let Qu Ru escape," he instructed Gu Hai.

"President Fu, why are you suddenly letting her escape?" Gu Hai was a little puzzled.

"You don't have to worry. Just do as I say and loosen the security." Fu Ying closed his eyes to rest while trying to calm himself down. However, his mind was filled with Mo Rao's image. He was about to go crazy.

Gu Hai didn't dare to ask further. Fu Ying was in a bad mood, so he couldn't continue to provoke him.

On the other side, Mo Rao had already arrived at the entrance of the set. Everyone saw her get out of Shen Feng's car, and Jiang Yue was no exception.

“Mo Rao, you’re so lucky. Even your driver is such a big shot.” Jiang Yue pretended to be friendly as she joked.

Shen Feng glanced at her with a warning look.

“I’m indeed lucky. Miss Jiang, if you’re envious, you can find a man to be your driver to make up for your jealousy.” Mo Rao was very sharp-tongued. She didn’t indulge Jiang Yue.

Chapter 240: Defeated

Jiang Yue’s face turned pale. Wasn’t the man she wanted Shen Feng?

However, Shen Feng didn’t give her a chance at all.

Even when he saw her being mocked by Mo Rao, Shen Feng didn’t say a word. Instead, he looked at Mo Rao dotingly, the love in his eyes almost overflowing.

Jiang Yue was very jealous, but she had no right to say anything. She could only laugh awkwardly. Then, she turned around and left with a dark expression.

“Alright, Brother Shen Feng, you should go to work too. Thank you for sending me here.” Mo Rao waved at Shen Feng and bid farewell with a smile.

“Alright, contact me anytime.” Shen Feng liked Mo Rao’s smile the most. She looked so sweet and cute.

Mo Rao nodded. “Okay.”

In fact, she didn’t dare to trouble Shen Feng. She didn’t want to trouble him all the time since she didn’t actually want to be his girlfriend. She couldn’t always take advantage of him.

If there was really anything, her brother, Mo Yuan, would take care of it.

“Miss Mo!”

As soon as Shen Feng left, Hu Ya drove to the entrance of the set in an expensive red BMW.

Mo Rao and Mo Yuan didn’t go back last night, so Hu Ya could only drive to the set today. She was quite clever.

After Jiang Yue's incident, Hu Ya started to like Mo Rao from the bottom of her heart. She was really a kind and assertive pretty girl.

"Sister Ya, I'm sorry. I forgot to inform you. I didn't expect you to come yourself." Mo Rao had forgotten about Hu Ya.

"It's okay. It's the same if I do it myself. You pay me such a high salary, so how can I be so fussy?" Hu Ya said with a smile.

Mo Rao smiled and felt that Hu Ya had a good personality.

The two of them chatted as they entered the set. The way the production team looked at Mo Rao today was very different. Some were envious, some were impressed, and some were in awe.

A woman who could make Fu Ying and Shen Feng pursue her at the same time was definitely extraordinary. She couldn't be provoked!

There were few people like Jiang Yue, who was daring and impudent.

The conflict between Mo Rao and Jiang Yue had been blatant since the dinner last night.

Director Wang sighed inwardly. He had thought that the two of them would only secretly cause some trouble for each other and hype things up. He didn't expect Jiang Yue to be so brave. On her first day on set, she provoked Mo Rao so openly.

Mo Rao's counterattack was even more direct, making Jiang Yue suffer utter humiliation.

Therefore, during the following filming session, as long as it was Mo Rao and Jiang Yue's scene, Director Wang and the others would be on tenterhooks. They hoped that they wouldn't delay the filming for personal reasons.

Fortunately, Mo Rao was quite professional and was very focused during the filming. On the other hand, Jiang Yue would deliberately cause trouble from time to time. However, she and Lin Xing had different methods.

Lin Xing used some of the scenes in the plot to be ruthless towards Mo Rao, while Jiang Yue was the opposite. Mo Rao clearly didn't use any strength, but she would act as if she had been slapped hard.

There would be some behind-the-scenes videos from the production team. At that time, the outside world would know that although Mo Rao looked innocent, she was actually very scheming.

How could Mo Rao not know what Jiang Yue wanted to do?

When it was time for the two of them to act in the same scene again, the female lead played by Mo Rao was so agitated that she pushed Jiang Yue, who was acting as her childhood sweetheart. Mo Rao pushed Jiang Yue gently, but Jiang Yue suddenly fell to the ground and groaned in pain. "Ah, it hurts..."

Then, Jiang Yue's assistant immediately rushed forward to help her up, as if she had suffered a huge blow.

"Miss Mo, although you and Yue Yue have a misunderstanding, you don't have to treat her like this." Jiang Yue's assistant looked at Mo Rao resentfully.

"Jiang Yue, can you have some professional ethics when we're filming?" Mo Rao was really speechless. She wasn't in the mood to mess around with Jiang Yue, so she asked directly, "The camera is filming. Do you want to upload the part just now and show the public my strength?"

Jiang Yue's expression froze and turned ugly. The junior assistant also shut up. No one around spoke up for her because they all witnessed it with their own eyes and knew the truth.

Mo Rao wasn't fooled. She didn't even apologize. Clearly, she didn't take Jiang Yue's tricks seriously.

Other than embarrassment, Jiang Yue also felt even more hatred towards Mo Rao.

How could Shen Feng like such a woman? How was she inferior to Mo Rao?

Jiang Yue gritted her teeth and pushed her assistant away. She forced a smile as she said, "I'm fine."
