Chapter 251: Qu Ru Is Out

Mo Rao could feel Fu Ying's anger. He wasn't an easygoing person in the first place. Whenever he was angry, the atmosphere would tense up.

But he had asked for this. She had loved him so much in the past and was willing to give up on herself for him. At that time, he had chosen to protect another woman. Why did he regret it now?

There was no medicine for regret in this world.

Mo Rao tried her best to calm down, then she looked up into Fu Ying's eyes fearlessly. "Fu Ying, let's let go of each other. You don't lack women. It's just that I loved you too much previously and you took my feelings for granted. Now that I suddenly retracted my feelings for you, you're unwilling to accept it. How can a man like you accept being dumped by a woman?"

When Fu Ying heard these words, his expression turned livid.

"But think about it. Did I really abandon you?" Mo Rao smiled mockingly. "To be precise, you abandoned me first. You were the one who protected Qu Ru time and time again and chose to stand on her side, so don't feel indignant. In the end, you won."

Fu Ying grabbed Mo Rao's hand and approached her as he said in anguish, "What do you mean I won? I've already lost you. How did I win?"

Mo Rao's heart ached. It was a lie to say that she had no feelings for Fu Ying anymore. Whether it was love or hate, it was a form of emotion. She could only say that she had given up.

Even though she had let go, she couldn't face him every day and listen to him repent.

"Fu Ying, let's not talk about this anymore. The matter is already in the past. Let's look forward and live our own lives." Mo Rao said to Fu Ying seriously, "I can promise you that when we go to the Fu family in the future, I won't deliberately avoid you. We can

greet each other and eat together. Didn't you say that we're still siblings? Then treat us as siblings, okay?"

It was fine as long as he didn't treat her as a lover.

"No!" Fu Ying rejected immediately. He couldn't be siblings with Mo Rao. They could only be lovers.

"It's okay. You'll get over it slowly." Mo Rao broke free from Fu Ying's hand and forced a smile. "Let's not talk about anything else. Just treat it as letting me off for the sake of those two poor children."

These simple words made Fu Ying feel like he had been struck by lightning. If they were still around...

Mo Rao turned around and returned to the ward. She didn't want to continue arguing with Fu Ying.

As she was lying on the bed, her tears couldn't help but flow. Mo Rao wiped them, but she couldn't stop shedding tears.

In the end, even the nurse was woken up by the suppressed sobbing and she glanced at the bed. Mo Rao was under the blanket, and the blanket was clearly trembling. She was probably crying.

What was wrong with her? The nurse didn't dare to ask and could only listen silently.

Fu Ying stayed alone in the stairwell for a long time. He felt very cold, as if he had been buried under a layer of ice. His limbs were already numb.

After a long time, he slowly left.

When Mo Yuan came to the hospital the next day, he realized that Mo Rao seemed to be in a gloomy mood. She lay on the bed silently. When he asked her, she only said that she was very tired and wanted to rest.

The nurse secretly pulled Mo Yuan out of the ward and told him about Mo Rao crying last night.

Mo Yuan frowned. What had happened for Mo Rao to be so sad?

Could it be because of Fu Ying? But Fu Ying hadn't seen her for the past few days since he kept him out.

"I understand. Thank you," Mo Yuan replied solemnly.

With that, he returned to the ward and sat beside Mo Rao. "Rao Rao, Shen Feng gave me a piece of news. He said that Qu Ru has returned to the Qu family."

"What?" Mo Rao was shocked. "She went back to the Qu family? Didn't they say that she was..."

She didn't say the rest.

If Fu Ying hadn't personally told her yesterday that Qu Ru was under house arrest in the villa and had her legs broken and face disfigured, she would have thought that Qu Ru was living a good life now.

Back then, Fu Ying had broken her heart for Qu Ru. After the two of them got a divorce, Fu Ying should have gotten together with Qu Ru. Otherwise, how could it be worth all his efforts?

"What?" Mo Yuan was a little suspicious. "What do you mean? What do you know?"

She couldn't let Mo Yuan know that Fu Ying had come last night. Otherwise, he would definitely be so angry that he would fight Fu Ying.

"It's okay. When I celebrated Fu Ying's birthday previously, he told me that Qu Ru was placed under house arrest by him." Mo Rao could only change the timing.

Chapter 252: He Did It

Mo Yuan was very surprised. Fu Ying actually knew how to act like a human?

He thought that he liked that woman to the point of being unable to extricate himself, so he was even willing to abandon his wife and children. In the end, he locked her up?

What a scumbag. He didn't cherish her when he should have and now he regretted it.

"Then why did Qu Ru return to the Qu family now?" Mo Yuan also felt a little baffled.

Mo Rao smiled bitterly and shook her head without saying anything.

She felt that perhaps Fu Ying had given up after what she said last night. Then, he didn't want to torture Qu Ru anymore and released her.

As expected, in Fu Ying's heart, there was still a place for Qu Ru. He wouldn't be too ruthless.

Last night, she almost believed Fu Ying and thought that he really hated Qu Ru to the core. Now that she thought about it, she was too stupid.

“Forget it. Anyway, there will be plenty of chances to take revenge in the future.” Mo Yuan caressed Mo Rao’s hair. “The most important thing for you now is to recuperate. Everything else isn’t a priority.”

Mo Rao smiled. It was so good to have an older brother by her side. She wouldn’t be dragged down by those past traumas because her brother would pull her up.

Suddenly, Mo Rao thought of something and glanced at the caregiver beside her. The caregiver happened to answer a call and went out. She then said, “Brother, tell me the truth. Is Jiang Yue’s accident really just a coincidence?”

Mo Yuan avoided her gaze. Actually, he really didn’t want to tell Mo Rao. It wasn’t only because it would traumatize Mo Rao, but also because he didn’t want Mo Rao to be touched by Fu Ying’s actions.

He felt that Fu Ying had done well. A vicious person like Jiang Yue should have been punished. However, it would be better if he could do this himself and not give Fu Ying a chance to contribute.

“Brother, answer me!” Seeing Mo Yuan remain silent, Mo Rao felt uneasy. Could it really have been deliberately caused?

Now that there were a lot of rumors, Mo Yuan knew that even if he hid it, Mo Rao would suspect it, so he sighed and said, “Sigh, it’s actually not a coincidence.”

Mo Rao’s heart sank. “It’s related to Fu Ying?”

Fu Ying was capable of doing such a cruel thing.

“Yes,” Mo Yuan replied solemnly. “Do you think it’s cruel?”

Mo Rao was silent for a while. She did feel that it was cruel. Although Jiang Yue targeted her, Fu Ying was too ruthless towards Jiang Yue.

Mo Yuan originally wanted to let Mo Rao misunderstand Fu Ying, but his conscience was condemning him, so he could only continue, “Actually, you can’t blame Fu Ying, because Jiang Yue wanted to kill you first.”

“What?” Mo Rao was shocked. “She wanted to kill me?”

“Yes, your car accident wasn’t an accident. Jiang Yue hired someone to deliberately ram your car. That’s why Fu Ying was so angry and took revenge on her so cruelly,” Mo Yuan replied.

Jiang Yue was actually that vicious? It was just a small conflict that had never been spread, yet she wanted her dead? Mo Rao was shocked. She had never thought that people could be so vicious.

With Fu Ying’s personality, he would never let such a person off.

“Do you still think he’s ruthless?” Mo Yuan asked again. He knew that his sister was very kind and soft-hearted. Otherwise, she wouldn’t have been controlled by Fu Ying in the past.

“No.” Unexpectedly, Mo Rao shook her head and her gaze turned cold. “She asked for it.”

Seeing how rational Mo Rao was, Mo Yuan laughed. “Yes, she deserved it, so you don’t have to feel burdened. If Jiang Yue hadn’t caused trouble, how would she have ended up like this?”

Mo Rao nodded. Fortunately, she was lucky enough to survive. If Jiang Yue’s plan had succeeded, the ones who would have died or been seriously injured would have been her and Hu Ya!

“Brother, don’t worry. Your sister isn’t the Virgin Mary.” Mo Rao smiled.

“That’s good. It’s almost noon. I’ll buy lunch for you.” Mo Yuan looked at the time. It was time for lunch. Even if they didn’t want to eat, they had to let the caregiver eat.

Mo Rao nodded. After Mo Yuan left, she turned on her phone and searched for news of Jiang Yue.

Jiang Yue’s fans extended the conspiracy theory to Mo Rao. Now that she thought about it, it did seem to be because of her, but Jiang Yue deserved it.

Mo Rao was only surprised that Fu Ying was willing to do this for her.

For a moment, she felt that it was quite ridiculous. If Fu Ying had been this supportive of her and had done this for her back then, the two of them wouldn’t have ended up like this.

Chapter 253: Unexpected Guest

“Rao Rao!”

Just as Mo Rao was in a daze, an unexpected person appeared at the door of the ward.

When she saw who it was, she shouted in surprise, “Lin Qun!”

Lin Qun carried some fruits as he walked in with a smile. Seeing that Mo Rao was fine, he felt much more at ease.

“Are you okay? Where are your injuries?” Lin Qun asked gently after sitting down.

“I’m fine. It’s just a small injury. It’s mainly broken fingers. I can be discharged in a few days.” When Mo Rao saw Lin Qun, she was in a good mood. Lin Qun was recovering very well now, so she was relieved.

Lin Qun didn’t expect to receive news of Mo Rao getting into a car accident and had only come today because he had a case to investigate.

He usually didn’t pay attention to entertainment news. He didn’t know until Lin Wen told him.

“It’s good that you’re fine. I’m on leave today, so I came to see you.” Lin Qun looked at her beautiful face with a soulful and gentle gaze.

Mo Rao smiled and asked, “Thank you. Where’s Little Wen? Doesn’t she work in this hospital now? I haven’t seen her.”

“She went for training recently, so she’s not in the hospital. Otherwise, she would have come to see you long ago,” Lin Qun replied.

“I see. How about you? How have you been recently? How is your recovery??” Mo Rao asked. She felt very apologetic when she thought of how Lin Qun had been seriously injured in order to save her.

She felt that she was quite an unlucky person. Now, Hu Ya was also seriously injured because of her and had just been transferred from the ICU to the ordinary ward.

Lin Qun didn’t expect Mo Rao to be so concerned about him. He was extremely happy, but he remained calm on the surface and only replied softly, “My recovery is going well. I’m still a police officer.”

“That’s good. I’ve been worried about you. If you’re feeling unwell or have any sequelae, you must tell me. I’ll be responsible for all your medical expenses!” Mo Rao said to Lin Qun seriously.

“No need. I won’t have any sequelae.” Lin Qun laughed.

“Of course I hope you don’t have any sequelae. Otherwise, I’ll feel so guilty.” Mo Rao sighed. “Sigh, it seems like everyone around me gets hurt because of me.”

Lin Qun had also investigated Mo Rao’s car accident. With the powerful sixth sense unique to his profession, he felt that things weren’t that simple. But now that the case was closed, there was nothing for him to do.

However, there was another case, which was Jiang Yue’s. Now, many fans were saying that her car accident was a set up. Her parents had also reported it to the police. The police were investigating, but they couldn’t find any evidence.

“Are you talking about your car accident? I couldn’t find any information about it.” Lin Qun shook his head.

Mo Rao heaved a sigh of relief. She didn’t want anything to happen to Fu Ying, because she was afraid that she would feel guilty.

Lin Qun replied, “It was just an accident.”

“I hope it was an accident too.” Mo Rao smiled bitterly. Then, she thought of something and asked softly, “What about Jiang Yue’s car accident? Do you think it was an accident too?”

“No, her parents have already reported it,” Lin Qun replied.

Mo Rao was shocked. What if they found out about Fu Ying? After all, Fu Ying had done it for her.

“Is there any progress?” Mo Rao couldn’t help but ask.

“No.” A strange look flashed across Lin Qun’s eyes. “You’re very concerned about her condition?”

“Yes, we were filming together previously. Now that both of us were in a car accident, the filming has been suspended.” Mo Rao found a good excuse.

So that was the case. Lin Qun didn’t think too much about it and continued chatting with Mo Rao. When he looked at her face up close again, his heart still couldn’t help but flutter.

However, he heard that Mo Rao already had a boyfriend who was the young vice president of the Shen Corporation. He couldn't compare to him.

Mo Rao was a very good woman, so there would always be outstanding men by her side. Lin Qun had slowly realized that no matter how hard he tried, he wasn't worthy of this woman. As long as he could watch her silently, care about her, and know how she was doing, it was enough.

The two of them chatted for a while. During this time, Lin Qun even sent a video to Lin Wen. Mo Rao and Lin Wen also chatted for a while until Mo Yuan returned.

"This is?" Mo Yuan looked at the young man in the ward and asked curiously.

"He's Lin Qun. He saved my life before. We were good friends when we were young." Mo Rao quickly introduced him to Mo Yuan.

Previously, when they were overseas, Mo Rao had mentioned Lin Qun and Lin Wen to Mo Yuan. Mo Yuan knew that they had taken care of Mo Rao a lot.

Mo Yuan immediately greeted warmly, "Hello, hello. I'm Mo Yuan, Mo Rao's brother!"

Chapter 254: Two Choices

Mo Rao's brother?!

Lin Qun was shocked. He stood up and shook Mo Yuan's hand, but he was looking at Mo Rao in confusion.

Mo Rao had been an only child since she was young. Where did her brother come from?

"It's like this. My brother went missing when he was young and moved overseas. I only reunited with him two years ago," Mo Rao explained.

Mo Rao actually had an older brother that even Lin Qun didn't know about.

However, this was a good thing for Mo Rao. In the past, Mo Rao had always said that she was envious of Lin Qun and Lin Wen. At least they had blood relatives in this world. Now, she also had one.

"Hello, my name is Lin Qun. I'm Mo Rao's friend," Lin Qun replied politely.

"We'll be friends from now on. My sister's friend is my friend. You saved her in the past, so I'll treat you to a meal next time." Mo Yuan immediately issued an invitation.

Other than Fu Ying, as long as the others treated Mo Rao well, he would treat them as his good friends.

Lin Qun didn't expect Mo Yuan to be so enthusiastic. He shook his head. "You're welcome, but this is what I should do. I'm a police officer to begin with, and Mo Rao is my friend."

"Don't say that. Repaying kindness is a virtue!" Mo Yuan replied with a smile.

The two men looked at each other with a smile.

As the three of them chatted amiably, Lin Qun received a call. He had a case at the last minute and had to work overtime, so he could only leave first.

Mo Yuan smiled ambiguously. "I didn't expect my sister to be so charming!"

"What?" Mo Rao asked reproachfully.

"Don't lie to me. I'm very good at judging people. Lin Qun definitely has a crush on you." Mo Yuan was very certain. He was an experienced top-notch manager, so his judgment was sharp.

When they were chatting with Lin Qun just now, every time Lin Qun looked at Mo Rao, his gaze would become gentler. Moreover, when he smiled, he would subconsciously look at Mo Rao.

This was a classic sign of having a crush on someone!

Mo Rao also knew how Lin Qun felt about her, but she had made it clear in the past, so now, she only treated Lin Qun as her good friend and didn't think too much about it. She blushed as she stopped her brother from continuing to spout nonsense. "Brother, don't talk nonsense. He and I are just friends, and we can only be friends!"

"Of course. Or else what'll Shen Feng do?" Mo Yuan's answer rendered Mo Rao speechless.

"I'm not talking to you anymore. Where's my food?" Mo Rao quickly changed the topic.

Mo Yuan took out the food he had bought. One was Mo Rao's and the other was the caregiver's.

The nurse stayed outside and only came in during mealtime. Mo Rao quickly greeted, "Auntie, come and eat."

“Okay, okay!” the nurse replied.

The nurse originally thought that Mo Rao would be very difficult to please. After all, she was a female celebrity. She didn't expect that Mo Rao would be very kind and gentle these few days and didn't put on any airs around her. She liked this little girl very much.

...

The public condemnation on the internet was very strong. More and more of Jiang Yue's fans began to denounce Mo Rao. Some people even released behind-the-scenes videos filmed by the production team, saying that Mo Rao was bullying others and had a bad character.

Although the police had already refuted the rumors, those fanatical fans didn't believe it at all.

Mo Yuan had already arranged for the public relations team to handle it and tried his best not to let Mo Rao see those negative comments.

Fu Ying also saw this. He didn't want to interfere anymore. Mo Rao had already said clearly that she wouldn't give him another chance. Moreover, didn't Mo Rao still have Mo Yuan and Shen Feng? Why did she need him to interfere?

However, seeing that Mo Rao was getting criticized by the public so viciously, he couldn't sit still anymore.

“Go cooperate with Mo Yuan and Shen Feng to issue a counterattack.” Fu Ying called Gu Hai over and gave the order impatiently.

“Yes,” Gu Hai replied. He knew that President Fu couldn't let go of Mo Rao.

After Gu Hai left, Fu Ying continued working until a call came in.

It was an unfamiliar number.

He glanced at it and answered.

“Fu Ying, it's me!” It was actually Qu Ru. “You didn't expect me to escape from the villa, right? The Qu family is starting to accept me now. Things between us won't end just like this!”

Fu Ying smiled coldly. Did she think that she had escaped on her own?

“What do you want?” Fu Ying asked.

"I'll give you two choices. Either you marry me and compensate me for the rest of your life, or I'll expose your imprisonment and abuse of me and ruin your reputation!" Qu Ru wanted to marry Fu Ying, but it was no longer because of his status. She knew that Mo Rao was back. She wanted to snub Mo Rao and torture Fu Ying at the same time.

She was already crippled and disfigured, so no other man would want her. She could only rely on Fu Ying.

Chapter 255: Discharged

As if he had heard a huge joke, Fu Ying actually laughed. "Alright, you can try."

Then he hung up.

Qu Ru called again but couldn't get through.

"Fu Ying!" Qu Ru was so angry that her expression became distorted. Why did this man refuse to love her? She had already paid such a painful price. Wasn't it enough?

Since that was the case, he couldn't blame her for being heartless.

Qu Ru had just hung up when the door was pushed open and Qu You entered.

"I'm sorry. I forgot that this place has been turned into your bedroom. I thought it was a storage room and wanted to put some trash here." Qu Ru feigned an apologetic look.

But her words were harsh.

Qu Ru knew that Qu You hated her very much. Although the two of them were sisters, they didn't have the same father and mother. They were cousins. She didn't know why Qu You was so hostile towards her.

"Get out." Qu Ru sat in the wheelchair and berated coldly.

"You're an illegitimate daughter, yet you're quite arrogant!" Qu You sneered and walked to the bed that had been bought at the last minute to sit down. She asked curiously, "I'm curious. How did Aunt and Uncle find you? Weren't you hidden by Fu Ying?"

At the mention of Fu Ying, Qu Ru's expression darkened and she clenched her fists tightly, her eyes filled with hatred.

Qu You was instantly amused. "Don't tell me you were abandoned by Fu Ying? You've even become disabled. How did Fu Ying take care of you?"

"Shut up! This is my room. Get out!" Qu Ru shouted agitatedly.

"So be it. I'm not willing to stay either!" Qu You snorted and swaggered away.

She hated her sister. Mo Rao had even divorced Fu Ying because of her. Like mother, like daughter. They both liked to be mistresses.

After Qu You left, Qu Ru immediately contacted a paparazzo she knew in the past. "I have big news for you!"

...

"I can finally move!" After being hospitalized for a week, Mo Rao's hand could finally move. She felt like she had become a zombie. She was either laying down every day or walking slowly with her hand supported. Her entire body felt uncomfortable.

Mo Yuan was packing Mo Rao's things because Mo Rao was going to be discharged today.

"You should move less. It takes a hundred days to recover from your injuries. How many days has it been?" Mo Yuan instructed.

"I just have a slight fracture. It's not serious. I'm fine," Mo Rao replied happily.

Mo Yuan let her be. As long as she was happy.

After the things were packed, Shen Feng came. It was work time now, but in order to pick Mo Rao up from the hospital, he put down his work and rushed over.

There were reporters waiting outside the ward to take photos of Mo Rao being discharged.

These gossip reporters reported everything, but Mo Rao didn't care. Her private life was clean, so she wasn't afraid of anything.

"Wow, President Shen is so romantic. He even prepared such a large bouquet of roses!"

"Previously, Jiang Yue had so many rumors with him, but I've never seen him do anything substantial. It seems like he didn't like Jiang Yue at all."

"How long has Jiang Yue been in the ICU? There has never been any photos of Shen Feng visiting her. Needless to say."

The paparazzi started chatting.

Suddenly, someone lowered his voice and said, "I wonder if Fu Ying is here?"

"If he comes too, there will be drama!"

"One of them is Mo Rao's ex-husband, while the other is her current boyfriend, and they're cousins. They fell out over a woman. If we can take some photos, it will be a hot topic!"

"Then you can continue waiting. As long as you can withstand the Fu family's methods."

Just as the few of them were talking, Shen Feng had already opened the door of the ward and walked out with a small suitcase. Mo Rao was holding roses in her hand and her hand was still bandaged. She also walked out with a smile.

Initially, she didn't want to accept the fiery red roses, but Mo Yuan said that that would be too disrespectful to Shen Feng. After all, he had helped a lot and there were reporters outside. She couldn't embarrass him.

Mo Rao felt that Mo Yuan made sense, so she took the flowers.

The moment the three of them walked out of the ward, there were shutter sounds. Fortunately, this was the hospital and the reporters didn't dare to cause too much trouble. After taking photos, they followed behind Mo Rao until they saw her get into Shen Feng's car.

After Shen Feng drove away, the paparazzi started to check the photos they had just taken. At this moment, someone said, "Don't you think that car looks familiar? Is it Fu Ying's car?"

Everyone looked in that direction. It was really Fu Ying's car! Who didn't recognize that ostentatious license plate?

Chapter 256: Breaking News

"Hurry up and chase after him!"

"He must be here to pick Mo Rao up, but he watched helplessly as Shen Feng took her away. The two men are fighting for a woman!"

"Hurry up and take a picture of the license plate. He's leaving!"

The paparazzi were very excited.

After Fu Ying realized the commotion of the reporters, he stepped on the accelerator as he followed Shen Feng's car.

The reporters also wanted to follow, but their cars couldn't keep up at all. They could only sigh in regret.

Shen Feng quickly discovered Fu Ying, who was following him. He frowned and started to speed up.

As their car sped along, Mo Rao was frightened out of her wits, since she was afraid that an accident would happen.

"Shen Feng, slow down. I'm afraid!" Mo Rao couldn't help but shout.

"Sorry, I forgot." Shen Feng finally came back to his senses and glanced at Mo Rao's hand. If something happened and he did an emergency brake, Mo Rao's injured finger would most likely hit something again due to inertia.

He had been too impulsive and lost his senses because of Fu Ying's appearance. He completely forgot about Mo Rao.

After Shen Feng slowed down, Fu Ying's car also slowed down.

Fu Ying turned around and saw Mo Rao sitting in the front passenger seat. Mo Rao's face was pale. She must have been frightened by the car race just now. She was still so timid.

Mo Rao also saw Fu Ying. Her already unpleasant expression became even worse. She quickly closed the car window to block that scorching gaze.

"Why is he so thick-skinned?" Mo Yuan was really impressed by Fu Ying. He was the Young Master of the Fu family after all. Was he that tolerant?

"It's okay, let him be." Mo Rao comforted her agitated brother.

"Ever since you returned to the country, he's been sticking to you like a fly. He's really thick-skinned!" Mo Yuan's tone was filled with dissatisfaction with Fu Ying.

The harm Mo Rao had suffered in the past couldn't be made up for by pestering her.

As they were racing on the road, the Internet exploded with comments again.

Director Wang called Mo Yuan. "Brother Yuan, look at Weibo!"

What now?

Mo Yuan had an ominous feeling. He opened Weibo. Good lord, the first trending topic was actually #Qu Ru revealed that she had been under house arrest by Fu Ying for nearly two years and had her legs disfigured #

He clicked on it and saw that it was a video. Qu Ru was sitting in a wheelchair and looked very thin. She looked like a pale skeleton.

She rolled up her pants, revealing her deformed knees. She cried as she said to the camera, "Hello, everyone. I'm Qu Ru. I haven't appeared in front of everyone for the past two years because I was under house arrest by Fu Ying. He illegally placed me under house arrest and even broke one of my legs. The scar on my face is also from him. He kept torturing me. He's simply a devil!"

"Now that I've finally escaped, I hope the law can bring Fu Ying to justice and sentence him. Give me compensation for psychological and physical damages!"

In the camera, tears streamed down Qu Ru's face as she spoke. She looked extremely pitiful.

The netizens were in an uproar. It had only been a week since Mo Rao and Jiang Yue got into a car accident, but Qu Ru had appeared and revealed such scandalous news!

"I'm guessing that Young Master Fu attacked Qu Ru because of Mo Rao!"

"Hey, hey, hey. Aren't you afraid that the Fu family's lawyers will sue you?"

"This is Qu Ru's one-sided account. It's useless without evidence."

"Yes, didn't Jiang Yue's fans say that the car accident was caused by someone? In the end, the police didn't find anything."

"Qu Ru is so unfortunate. Her face looks so scary!"

Mo Yuan scrolled through the comments. Fortunately, no one implicated Mo Rao.

However, someone started to sort out the relationship between Fu Ying, Mo Rao, and Qu Ru. Then, the commentor came up with a self-righteous reasoning.

"Damn it, what's going on?!" Mo Yuan felt a headache coming on. Why were there so many things going on?

"Brother, what's wrong?" Mo Rao asked curiously.

Mo Yuan knew that he couldn't hide it from her, so he handed the phone to her.

After Mo Rao finished watching, she felt shocked and had various mixed emotions. The Qu Ru in the video was the real Qu Ru. Moreover, the injury on her knee was very realistic. Most importantly, the hatred in her eyes was genuine and definitely not an act.

Could it be that Fu Ying had really placed Qu Ru under house arrest? Had he really punished her?

Mo Rao couldn't help but turn to look at Fu Ying's car outside the window. What was this man trying to do? If he exposed this now, he would definitely be under a lot of pressure.

Chapter 257: A Ruse To Gain Sympathy

When the car arrived at the entrance of the villa, Mo Rao got out of the car first. Before Mo Yuan could stop her, she had already arrived in front of Fu Ying's car.

"Fu Ying, come down!"

Mo Rao was a little agitated. She wanted to know what Fu Ying wanted to do. Did he have to do such a thing when she had already let go?

Was Fu Ying so unhappy about her peaceful and simple new life?

"Rao Rao, what's wrong?!" Mo Yuan quickly went over and pulled Mo Rao back. He thought that Mo Rao was touched and wanted to reconcile with Fu Ying.

Shen Feng quickly got out of the car and came behind Mo Rao. He grabbed Mo Rao's arm firmly. If she wanted to take even a single step towards Fu Ying, he wouldn't agree.

Fu Ying also got out of the car. He glanced at the two men who were holding onto Mo Rao tightly, and his gaze turned even colder.

"Why are you doing this?" Mo Rao shook off Shen Feng and Mo Yuan's hands, then showed the screen of her phone to Fu Ying. She questioned, "Is it to make it up to me? What's the use of doing this now? You didn't do it when it was the right time. Now that I want to move on, you insist on stopping me, don't you?"

If you want to read more chapters, please visit to experience faster update speed

Mo Rao wasn't touched. She only felt terrified. Fu Ying had spared no effort to pull her back to the past!

Now, Qu Ru's life and death had nothing to do with her. She didn't care.

Fu Ying did so much because of his guilt. After all, the children Qu Ru killed were also his.

Mo Yuan was stunned. He didn't expect Mo Rao to criticize Fu Ying.

"I'm not stopping you!" Fu Ying was also angry. "When did I stop you? I just want a future with you. Is that wrong?"

When Shen Feng heard this, his expression changed. "Fu Ying, don't forget your identity! What right do you have to accompany her?"

The two men exchanged looks and tension arose.

"It's not your place to interfere in my matters with Mo Rao," Fu Ying said coldly to Shen Feng.

"She's my girlfriend. Everything about her has to do with me. I have the right to care about her." Shen Feng's expression was also cold.

The two brothers, who used to be very close, seemed to be about to break out into a fight whenever they spoke.

Mo Rao took a deep breath and tried her best to calm down as she said, "Fu Ying, you just want me to forgive you, right? Alright, I'll forgive you, but it doesn't mean that I'll be with you. I've seen what happened to Qu Ru. I won't hold it against you anymore. We'll go our separate ways in the future. As for how you want to deal with the media, it has nothing to do with me."

With that, Mo Rao returned to the villa.

These words made Shen Feng and Mo Yuan secretly heave a sigh of relief. The two of them glanced at Fu Ying before following Mo Rao in.

The door of the villa closed and Fu Ying stood alone at the door. His figure seemed lonesome and dejected. He felt an unprecedented sense of defeat. Did she not like him even after he had done so much?

Punishing Qu Ru was something that he should have done, but he had done it too late.

Boom!

With a thunderclap, the already gloomy weather began to darken. Soon, rain poured down, as if it was also punishing Fu Ying.

Fu Ying was already numb. He stood motionless at the door like a statue.

In the villa, Mo Rao sat on the sofa in silence, while Mo Yuan and Shen Feng sat with her. No one spoke.

Hearing the deafening thunder, Mo Yuan finally turned on the surveillance camera on his phone to take a look. He saw that Fu Ying was still standing at the entrance of the villa, motionless.

“Lunatic.”

Mo Yuan cursed secretly.

Did he think that he could win Mo Rao’s heart by playing the pity card?

Mo Rao knew what Mo Yuan was doing. She also glanced at the phone screen. Fu Ying’s figure seemed so small in the heavy rain, like a rock without any life.

The deepest part of her heart softened. That was where she had deliberately sealed her feelings for Fu Ying.

Soon, she forced herself to be rational. Fu Ying was an adult with his car beside him. He could have gotten into the car to hide from the rain and driven back. There was no need to punish himself by being drenched in the rain.

This was all an act. He was deliberately acting for her to see!

“I contacted Director Wang today. I’ll rest for another week before continuing to film. He’ll film other scenes these few days,” Mo Yuan said, mainly to divert Mo Rao’s attention. He knew that this girl must be feeling conflicted.

Chapter 258: No Evidence

Mo Rao nodded. “Alright, I understand.”

She wasn’t in the mood to think about anything else now. Her mind was filled with Fu Ying and Qu Ru.

Even if she forced herself to be cold, she couldn’t help but wonder how long Fu Ying planned to be drenched at the door.

The three of them sat in silence, waiting for Fu Ying to leave quickly.

It was just that everyone wanted him to leave for a different reason.

After some time, Mo Rao stood up. "I'm going to the second floor to rest."

"Alright, sleep for a while. I'll wake you up when dinner is ready." Mo Yuan nodded.

Mo Rao went up to the second floor silently. When she reached her room, she couldn't help but go to the window. The curtains were drawn. If she stood by the window, she would be able to see Fu Ying and Fu Ying would be able to see her.

Hence, she walked behind the curtains and gently peeked out of the window.

It was raining heavily and her vision was very blurry. She could only see a figure still at the entrance of the villa.

Fu Ying was prepared to drench himself to death. In any case, Mo Rao wouldn't forgive him, so what was the point of continuing to live?

At this moment, his phone rang. His eyes couldn't see clearly, and the rain blurred his vision. When he saw that the caller ID was Mo Rao's name, a smile appeared on his lips and he immediately picked up the call. "Rao Rao."

"Fu Ying, stop acting like a lunatic. Go back. For Uncle and Auntie's sake, you can't hurt yourself like this." Mo Rao's voice was very calm and aloof.

"You still care about me, right?" Fu Ying didn't care about his current condition at all. Instead, he felt inexplicably happy.

"Why do you always care so much about this?" Mo Rao really didn't want to talk about this. She was just worried about Fu Ying's health, so she made a call.

She was afraid that after Fu Ying fell sick, Old Madam Fu and the others would be worried. After all, Fu Ying was the only descendant of the Fu family.

Mo Rao couldn't bear the consequences.

"Alright, I won't be conflicted anymore. I'll go back." Fu Ying knew that he shouldn't be conflicted anymore. The fact that Mo Rao could make this call already showed that she couldn't bear to see him suffer. It was enough.

He had to know when to stop. Fu Ying only wanted to verify that Mo Rao still had him in her heart and cared about him. He didn't plan to force her to return to him now.

Mo Rao hung up the phone. Then, she saw Fu Ying get into the car and disappear in the rain.

Seeing Fu Ying leave, Mo Rao felt relieved. She also felt very tired and sleepy.

As for Qu Ru's matter, she couldn't interfere. Fu Ying would handle it himself.

Fu Ying didn't go home. Instead, he went to the company.

His office was very large and had a lounge to begin with. It was equipped with a bed, bathroom, and wardrobe. After taking a shower and changing his clothes, he called Gu Hai over.

"Have you finished dealing with Jade Heaven Villa's surveillance footage?" Fu Ying asked as he wiped his hair that had just been washed.

"President Fu, it's all here." Gu Hai took out a USB flash drive. All the surveillance footage of the Jade Heaven Villa was inside, and the original surveillance footage had been destroyed.

The bodyguards who were in charge of monitoring Qu Ru had all signed life and death contracts. No one dared to spout nonsense unless they wanted to die.

Fu Ying took the USB and played with it for a while before putting it in the safe.

"Whatever Qu Ru says, just insist that she has no evidence," Fu Ying instructed.

"Yes."

Gu Hai left while Fu Ying began to deal with work. He wasn't worried that Qu Ru would play any tricks. Although Qu Ru had already returned to the Qu family, it wasn't because the Qu family had accepted her, but because the Qu family had other motives.

Her aunt, Qu Xue, had recently been diagnosed with serious liver disease and needed a transplant. Qu Ru was just a liver donor.

Otherwise, why would the Qu family accept an illegitimate daughter? Moreover, her face was disfigured and her legs were broken.

Fu Ying didn't feel that this was cruel to Qu Ru because what Qu Ru had done to Mo Rao was even crueler.

On the other side, Qu Ru was rendered helpless by the Fu family's public relations team. She couldn't produce evidence at all.

When she was in the Jade Heaven Villa, she didn't even have a phone. How could she get evidence?

However, she came up with a good idea. She spent money to hire a private detective to investigate where the Jade Heaven Villa was.

When she went to the Jade Heaven Villa, she was blindfolded. It was nighttime when she escaped, so she couldn't see clearly. Having a detective investigate would be much more efficient.

Returning to the Jade Heaven Villa to investigate would catch them off guard, everyone would be able to see the situation inside.

Chapter 259: Statement

As long as the detective could enter the Jade Heaven Villa without Fu Ying knowing, he would definitely be able to extract some of her traces.

For example, there would be her saliva on the used bowls and chopsticks, and the blood would leave marks on the ground. Fu Ying even had a special basement filled with torture equipment. Qu Ru felt afraid whenever she thought of those things.

Since Fu Ying refused to marry her and compensate her, she would go all out against him!

...

Mo Rao didn't remember how long she had slept. She only knew that when she woke up, it was already dark.

Mo Yuan said that he was going to call her to eat, but he didn't.

When she went down, Mo Yuan was looking at the contract.

"You're finally awake." Mo Yuan put down his work and said helplessly, "Why did you sleep for so long today? I couldn't wake you up even when I went up to call you."

"Huh?" Mo Rao was a little embarrassed. "Maybe because I didn't sleep well in the hospital these days and couldn't move my hands. Besides, the bed at home is more comfortable."

"Lazy pig." Mo Yuan smiled as he stood up and went to the kitchen to heat up the food before bringing it out for Mo Rao. "Eat some. I cooked the food for you. Shen Feng went back before he could eat."

Mo Rao looked around. "When did Brother Shen Feng go back?"

“Not long after you fell asleep, his family called him back,” Mo Yuan replied.

Did Aunt Mo Yun ask Shen Feng to go back?

Was it related to Fu Ying?

Mo Rao couldn't help but ponder over it.

“Don't overthink it. Hurry up and eat.” Mo Yuan urged Mo Rao and even instructed, “Rao Rao, listen to me regarding Qu Ru and Fu Ying's incident this time. As long as no one blames you, don't interfere, understand?”

Mo Rao nodded as she ate. “Yes, I understand.”

She didn't want to get involved in this mess. She wouldn't cause trouble for herself again.

Since there was still a week left, she should rest well and review the script.

However, Qu Ru didn't give Mo Rao a chance to stay out of it. Since Fu Ying insisted that Qu Ru had no evidence, she targeted Mo Rao and announced on Weibo, “Mo Rao, don't you dare to say anything? Did Fu Ying hurt me because of you?”

What a lunatic!

Mo Rao didn't want to interfere, but someone kept @ her and someone even went to her account to leave insulting messages.

“There's no need to be so ruthless when it comes to relationships. This is illegal!”

“You look so innocent and pretty, but I didn't expect you to be so ruthless.”

“Could it be that Fu Ying really caused Jiang Yue's accident for your sake? Damn, how amazing!”

“Mo Rao, don't play dead. Come out and respond!”

Looking at these netizens' comments, Mo Rao was distraught. Mo Yuan snatched her phone. “Stop reading. Let them talk. You have a clear conscience.”

However, the truth could still get distorted.

Before Mo Rao could respond, Fu Ying did.

Fu Ying replied to Qu Ru with his personal account: This matter has nothing to do with Mo Rao. All the fault between us lies with me. If you have evidence, come at me directly. Don't waste time.

This response made the netizens boil.

"President Fu is so mighty! He dares to take responsibility for his actions!"

"He's so protective. He definitely still has feelings for Mo Rao!"

"If you have evidence, show it. If you don't, watch President Fu show off his love!"

"I heard that Qu Ru was the mistress..."

Public opinion on the Internet was biased towards Fu Ying because Qu Ru couldn't produce any evidence. Moreover, someone had spread some of what she had done in the past, so many people knew that she had schemed against Mo Rao.

Mo Yuan read the comments for a while and snorted. "Hmph, at least he's man enough to own up to his actions."

"He's quite responsible in this aspect." Mo Rao had mixed feelings.

"But you still can't return to him!" Mo Yuan remembered to remind Mo Rao to stay away from the scumbag.

Mo Rao smiled bitterly. "Brother, you don't have much confidence in me."

Upon hearing this, Mo Yuan felt very helpless. "It's not that I don't have confidence in you, but Fu Ying is too scheming and has brilliant methods. You're not his match at all. I'm afraid you'll be deceived by him again."

"No, don't I still have you by my side? If you remind me every day, I'll definitely be more vigilant!" Mo Rao replied obediently.

Mo Yuan felt that he had huge responsibilities at the moment. What he wanted the most now was for Mo Rao to fall in love with Shen Feng quickly. If she developed feelings for someone else, he would never have to worry about her turning back to Fu Ying again.

However, Shen Feng was too gentlemanly and wasn't as overbearing as Fu Ying. If he was obedient towards Mo Rao, they would only become more and more distant from each other.

Chapter 260: Live Broadcast Villa

From the beginning to the end, Mo Rao didn't comment on the matter. No matter how flustered Qu Ru was, she was very calm.

Director Wang called her. "Mo Rao, has your hand recovered?"

"Thank you for your concern, Director Wang. I'm much better," Mo Rao replied.

"Sigh, trouble keeps arising again and again. I saw Weibo too. I wonder what's going on." Director Wang was here to find out the inside story.

Mo Rao knew what Director Wang was worried about. She replied, "It's okay, Director Wang. Don't worry. This has nothing to do with me. Qu Ru is like a mad dog biting people."

"That's good. I believe in your character. Those things definitely have nothing to do with you. Qu Ru doesn't have any evidence either. She probably made up these things to make everyone pity her." Director Wang heaved a sigh of relief. He was afraid that Mo Rao would be implicated again and delay the filming.

Moreover, the biggest investor in this movie was Fu Ying. If something happened to Fu Ying, the investment would be gone.

The two of them chatted for a while before hanging up.

At this moment, Mo Yuan said in surprise, "Rao Rao, look at Weibo. Qu Ru is causing trouble again!"

Mo Rao immediately opened Weibo. It was Qu Ru's Weibo response to Fu Ying.

Qu Ru said confidently, "Since everyone wants evidence, alright, I'll definitely show you all the evidence within three days. Everyone, wait and see!"

After sending this Weibo message, Qu Ru received a message from a private detective saying that he had already found the Jade Heaven Villa.

Great!

Qu Ru was extremely excited. If she found evidence, she could gain the upper hand. Fu Ying would definitely give in to her.

“Where is it? Send me the location. I want to see it myself.” Qu Ru quickly called the detective.

Soon, the detective sent the location of the villa to Qu Ru and told her, “The villa is already empty. There’s no one, but I can’t enter yet.”

Qu Ru heaved a sigh of relief and felt that she was about to make a comeback.

Although Qu Ru had a broken leg, she could still walk with her walking stick and it didn’t affect her driving. She immediately went out.

“Why are you going?” Qu Qin had just returned when she saw her illegitimate daughter leave with a walking stick and drive away.

Qu Ru didn’t have time to answer Qu Qin. She only wanted to rush to the villa and immediately started the live broadcast to let everyone see Fu Ying’s true colors.

After following the route to the villa, Qu Ru looked at the towering building in fear. She had been locked up here for two years!

Before entering the villa, she started a live broadcast on the Internet to let thousands of netizens witness this scene.

In just a minute, her live-stream had more than a hundred thousand people and was still increasing.

Everyone loved to watch such scandalous dramas.

“Hello, everyone. I’m Qu Ru. I previously exposed Fu Ying’s crime of imprisoning me illegally, but no one believed me and everyone wanted me to show evidence. He said the same thing. Alright, now that I’ve come to the place where he imprisoned me back then, I’ll show everyone what it’s like inside. There’s a basement here that’s filled with torture devices. Fu Ying used them to torture me!” Qu Ru said to the camera with tears streaming down her face.

The detective who met up with her took photos from behind with his phone. He had to take photos of Qu Ru limping. Only then could it be more convincing.

The two of them entered the villa together. They couldn’t enter through the door, so Qu Ru returned from the place she had escaped from.

“She seems to be very familiar with this place...”

“Heavens, could it be that Fu Ying really imprisoned her and used torture equipment?”

“In that case, things are going to be interesting. I’m really looking forward to what happens next.”

“Wealthy families are complicated. Commoners like us can only watch. We can’t compete against them!”

Comments kept popping up. Everyone was worried as they waited for Qu Ru to find the basement. As long as there were really torture devices in the basement, they could basically confirm that what she said was true. The police would definitely intervene next. At that time, Fu Ying would be in big trouble.

The villa was very dark and there were no lights on. Qu Ru fumbled around and turned on the electric switch. For a moment, the entire villa was brightly lit.

If she had not really lived here, she definitely wouldn’t know the structure of the villa so well. Many netizens had already started to believe Qu Ru.

However, every room in the villa was very clean. It looked like no one had lived there before, let alone the blood and clothes that Qu Ru had left behind. They were all gone.
